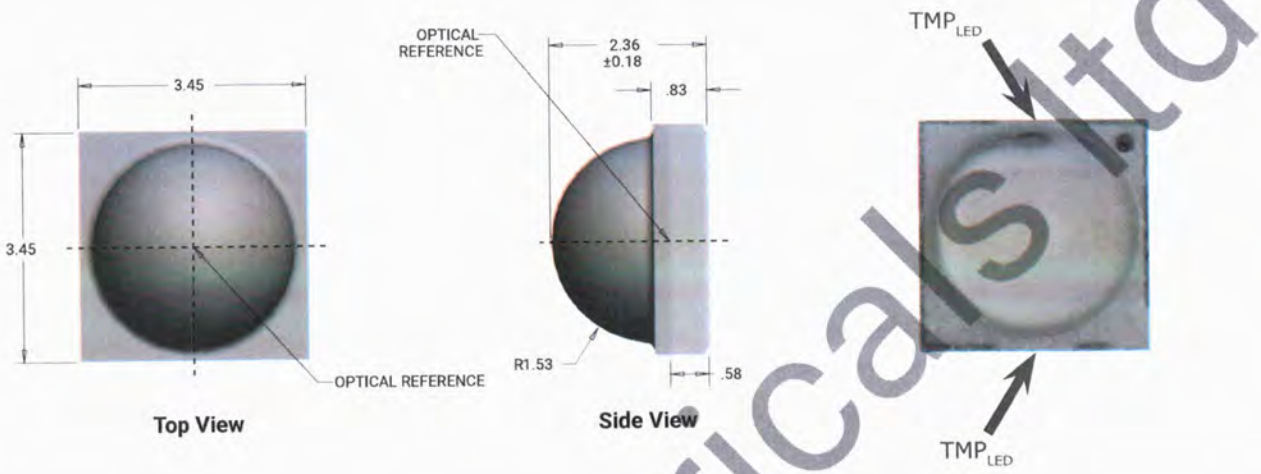
MECHANICAL DIMENSIONS & TEMPERATURE MEASUREMENT POINT

All measurements are ±.13 mm unless otherwise indicated.



The LED temperature measurement point (TMP_{LED}) should be measured on the PCB surface, as close to the LED's thermal pad as possible (shown in the picture above). It is not required to use a solder footprint for the thermal pad that is larger than the LED itself. In testing, Cree has found such a solder pad to have insignificant impact on the resulting temperature measurement. Either one of the two shown TMP_{LED} locations may be used and are equivalent to each other.

TEST REPORT DETAILS

Report Number: 18045-01	
Testing Agency:	Bajaj Electricals Limited
Type of Sample Tested:	LED Roadway Luminaire
Product Code:	BRLEP 55W LED V2 N
Brand:	Bajaj Luminaires
Product/Sample ID:	18045
Product/Sample Description:	LED 55W street light luminaire
Product Constructional Details:	Pressure die-cast aluminium housing with Epoxy powder coated
Mains Voltage :	240V AC
Driver Efficiency:	85%

Test Details:

- Light intensity distribution Measurement
- Total Lumen output Measurement
- Electrical Parameters Measurement

Document References/Standard:

- IES-LM-79-08 "Electrical and Photometric Measurements of Solid-State Lighting Products"
- IS : 16106-2012 "Method of Electrical and Photometric solid state lighting (LED) products"

Enclosures:

Electrical & Photometric Test Report

Testing Agency	Bajaj Electricals Limited		
Date of Testing	8/12/2018		
Name of Equipment used	Moving Mirror Gonio photometer		
Mirror Gonio Photometer	Lighting Science (Type C)		
Power Meter	YOKOGAWA 2533		
Measurement of uncertainty	± 4% at coverage factor k=2 and 95% of confidence level.		
Photometric Distance	14m		
Test Condition			
Ambient Temperature (in °C)	25 ± 2	Relative Humidity (in %)	50± 15
Test voltage (in Volts)	240 Vac	Frequency (in Hz)	50
Stabilization Time (hh:mm:ss)	00:35:00	Total operating time (hh:mm:ss)	01:20:00
Rated Performance Parameters (at 240VAC & 50Hz)			
Electrical		**Photometric**	
Rated Wattage (in Watts)	55W	**Rated Luminaire Efficacy (in lm/w)**	115
Rated Mains Current (in Amp)	0.24A	**Nominal CCT (K)**	5700
Power Factor	≥0.95	**Nominal CRI**	70
Harmonic Distortion Athd (in %)	<10	**Beam Angle (in degree)**	60° and 30°
Measured Performance Parameters			
Electrical		**Photometric**	
Supply Voltage (V) & Freq. (Hz)	240V & 50Hz	**Total Measured Lumen (lm)**	6320.2
Total Wattage (in Watts)	55.7	**Luminaire Efficacy (in lm/w)**	115.2
Mains Current (in Amp)	0.22A	**CCT**	5660
Power Factor	0.97	**CRI**	73.1
Harmonic Distortion - Athd (in %)	8.5%	**Beam Angle (in degree)**	64° x 31°
Photometric Measurement Data:

PLEASE CAREFULLY READ THE BELOW TERMS AND CONDITIONS BEFORE USING THE INFORMATION. IF YOU DO NOT AGREE WITH ANY OF THESE TERMS AND CONDITIONS, DO NOT USE THE INFORMATION.

The Information shown in this document was produced with due care, but is provided by OSRAM Opto Semiconductors GmbH "as is" and without OSRAM Opto Semiconductors GmbH assuming, express or implied, any warranty or liability whatsoever, including, but not limited to the warranties of correctness, completeness, merchantability, fitness for a particular purpose, title or non-infringement. In no event shall OSRAM Opto Semiconductors GmbH be liable - regardless of the legal theory - for any direct, indirect, special, incidental, exemplary, consequential, or punitive damages related to the use of the Information. This limitation shall apply even if OSRAM Opto Semiconductors GmbH has been advised of possible damages. As some jurisdictions do not allow exclusion of certain warranties or limitations of liability, the above limitations or exclusions may not apply. The liability of OSRAM Opto Semiconductors GmbH would in such case be limited to the greatest extent permitted by law.

OSRAM Opto Semiconductors GmbH may change the Information at anytime without notice to user and is not obligated to provide any maintenance or support related to the Information. The Information is based on specific Conditions and, therefore, alterations to the Information can not be excluded.

Any rights not expressly granted herein are reserved. Except for the right to use the Information included in this document, no other rights are granted nor shall any obligation be implied requiring the grant of further rights. Any and all rights or licenses to patents or patent applications are expressly excluded.

Further explanations:

Information: The information provided in this document consists of the list of individual LED types which are considered in the respective LED family.

Document: The document has the purpose to list the individual LED types which are considered in the respective LED family with respect to the photo optical safety.

Conditions: The photo optical safety tests according to IEC 62471:2006 have been conducted using the worst case LED type of the LED family. Therefore the less critical LED types are also grouped into the respective highest risk group determined by the worst case LED types.

Reproduction, transfer, distribution or storage of part or all of the contents of this document in any form without the prior written permission of OSRAM Opto Semiconductors GmbH is prohibited except in accordance with applicable mandatory law.

- test object does not meet the requirement ..... : F (Fail)

Testing:

Date of receipt of test item ..... : 04.07.2015

Date (s) of performance of tests ..... : 11.08.2015

General remarks:

Explanatory statement:

The measurement was performed at maximum current in steady state. The measurement result for blue light hazard is L_B = 56,7 kW•m^{-2}•sr^{-1} at a distance of 200mm (measuring aperture 11mrad).
For RG1 the distance should be more than 0,5m or at a threshold illuminance less than 750lx.

This report represents the highest available CCT and covers the whole product family.

(for detailed results see page 16)

This report shall not be reproduced, except in full, without the written approval of the Issuing testing laboratory.
"(See Enclosure #)" refers to additional information appended to the report.
"(See appended table)" refers to a table appended to the report.
Throughout this report a comma is used as the decimal separator.
List of test equipment must be kept on file and available for review.

Note: EN Group Differences together with National Differences and Special National Conditions, if any, are in the Appendix to the main body of this TRF.

Name ..... : OSRAM Opto Semiconductors

Address ..... : Penang, Malaysia

General product information:

UV- and IR radiation of visible LED products can be neglected!

IEC 62471			
Clause	Requirement – Test	Result – Remark	Verdict
4	**EXPOSURE LIMITS**		
4.1	General		
	The exposure limits in this standard is not less than 0,01 ms and not more than any 8-hour period and should be used as guides in the control of exposure		*P*
	Detailed spectral data of a light source are generally required only if the luminance of the source exceeds 10^4 cd·m^{-2}	see clause 4.3	*P*
4.3	Hazard exposure limits		
4.3.1	Actinic UV hazard exposure limit for the skin and eye	*No relevant radiation emission below 400 nm (white LED)*	*N/A*
	The exposure limit for effective radiant exposure is 30 J·m^{-2} within any 8-hour period		*N/A*
	To protect against injury of the eye or skin from ultraviolet radiation exposure produced by a broad-band source, the effective integrated spectral irradiance , E_S, of the light source shall not exceed the levels defined by:		*N/A*
	$E_s \cdot t = \sum_{200}^{400} \sum_{t} E_\lambda(\lambda,t) \cdot S_{UV}(\lambda) \cdot \Delta t \cdot \Delta\lambda \le 30$ J·m^{-2}		*N/A*
	The permissible time for exposure to ultraviolet radiation incident upon the unprotected eye or skin shall be computed by:		*N/A*
	$t_{max} = \frac{30}{E_s}$ s		*N/A*
4.3.2	Near-UV hazard exposure limit for eye		
	For the spectral region 315 nm to 400 nm (UV-A) the total radiant exposure to the eye shall not exceed 10000 J·m^{-2} for exposure times less than 1000 s. For exposure times greater than 1000 s (approximately 16 minutes) the UV-A irradiance for the unprotected eye, E_{UVA}, shall not exceed 10 W·m^{-2}.	*No relevant radiation emission below 400 nm (white LED)*	*N/A*
	The permissible time for exposure to ultraviolet radiation incident upon the unprotected eye for time less than 1000 s, shall be computed by:		*N/A*
	$t_{max} \le \frac{10\,000}{E_{UVA}}$ s		*N/A*
4.3.3	Retinal blue light hazard exposure limit		
	To protect against retinal photochemical injury from chronic blue-light exposure, the integrated spectral radiance of the light source weighted against the blue-light hazard function, B(λ), i.e., the blue-light weighted radiance , L_B, shall not exceed the levels defined by:	*RG1 – low risk >0,5m @ (max. current)*	*P*

IEC 62471			
Clause	Requirement – Test	Result – Remark	Verdict
	$L_B \cdot t = \sum_{300}^{700} \sum_{t} L_\lambda(\lambda,t) \cdot B(\lambda) \cdot \Delta t \cdot \Delta\lambda \le 10^6$ $J \cdot m^{-2} \cdot sr^{-1}$	for $t \le 10^4$ s	*P*
	$L_B = \sum_{300}^{700} L_\lambda \cdot B(\lambda) \cdot \Delta\lambda \le 100$ $W \cdot m^{-2} \cdot sr^{-1}$	for $t > 10^4$ s	*N/A*
4.3.4	Retinal blue light hazard exposure limit – small source		*N/A*
	Thus the spectral irradiance at the eye E_λ, weighted against the blue-light hazard function B(λ) shall not exceed the levels defined by:	see table 4.2	
	$E_B \cdot t = \sum_{300}^{700} \sum_{t} E_\lambda(\lambda,t) \cdot B(\lambda) \cdot \Delta t \cdot \Delta\lambda \le 100$ $J \cdot m^{-2}$	for t ≤ 100 s	*N/A*
	$E_B = \sum_{300}^{700} E_\lambda \cdot B(\lambda) \cdot \Delta\lambda \le 1$ $W \cdot m^{-2}$	for t > 100 s	*N/A*
4.3.5	Retinal thermal hazard exposure limit		
	To protect against retinal thermal injury, the integrated spectral radiance of the light source, L_λ, weighted by the burn hazard weighting function $R(\lambda)$ (from Figure 4.2 and Table 4.2), i.e., the burn hazard weighted radiance, shall not exceed the levels defined by:	*Permissible blue light exposure time larger than 10s => retinal thermal hazard can be neglected (IEC 62471, clause 3.4.)*	*N/A*
	$L_R = \sum_{380}^{1400} L_\lambda \cdot R(\lambda) \cdot \Delta\lambda \le \frac{50\,000}{\alpha \cdot t^{0,25}}$ $W \cdot m^{-2} \cdot sr^{-1}$	(10 µs ≤ t ≤ 10 s)	*N/A*
4.3.6	Retinal thermal hazard exposure limit – weak visual stimulus		
	For an infrared heat lamp or any near-infrared source where a weak visual stimulus is inadequate to activate the aversion response, the near infrared (780 nm to 1400 nm) radiance, L_{IR}, as viewed by the eye for exposure times greater than 10 s shall be limited to:	*No relevant radiation emission above 780 nm (white LED)*	*N/A*
	$L_{IR} = \sum_{780}^{1400} L_\lambda \cdot R(\lambda) \cdot \Delta\lambda \le \frac{6\,000}{\alpha}$ $W \cdot m^{-2} \cdot sr^{-1}$	t > 10 s	*N/A*
4.3.7	Infrared radiation hazard exposure limits for the eye		
	The avoid thermal injury of the cornea and possible delayed effects upon the lens of the eye (cataractogenesis), ocular exposure to infrared radiation, E_{IR}, over the wavelength range 780 nm to 3000 nm, for times less than 1000 s, shall not exceed:	*No relevant radiation emission above 780 nm (white LED)*	*N/A*
	$E_{IR} = \sum_{780}^{3\,000} E_\lambda \cdot \Delta\lambda \le 18\,000 \cdot t^{-0,75}$ $W \cdot m^{-2}$	t ≤ 1000 s	*N/A*
	For times greater than 1000 s the limit becomes:		

IEC 62471			
Clause	Requirement – Test	Result – Remark	Verdict
	$E_{IR} = \sum_{780}^{3000} E_\lambda \cdot \Delta\lambda \le 100 \quad W \cdot m^{-2}$	t > 1000 s	*N/A*
4.3.8	Thermal hazard exposure limit for the skin		
	Visible and infrared radiant exposure (380 nm to 3000 nm) of the skin shall be limited to:		
	$E_H \cdot t = \sum_{380}^{3000} \sum_{t} E_\lambda(\lambda,t) \cdot \Delta t \cdot \Delta\lambda \le 20\,000 \cdot t^{0,25} \quad J \cdot m^{-2}$	*No relevant radiation emission to cause thermal hazard for the skin (white LED)*	*N/A*
5	**MEASUREMENT OF LAMPS AND LAMP SYSTEMS**		
5.1	Measurement conditions		
	Measurement conditions shall be reported as part of the evaluation against the exposure limits and the assignment of risk classification.		*P*
5.1.1	Lamp ageing (seasoning)		
	Seasoning of lamps shall be done as stated in the appropriate IEC lamp standard.	*No seasoning in appropriate LED module standards required*	*N/A*
5.1.2	Test environment		
	For specific test conditions, see the appropriate IEC lamp standard or in absence of such standards, the appropriate national standards or manufacturer's recommendations.	*Type test at 25°C +/-2K ambient temperature, according to LED module safety standard IEC 62031 Ed. 1 2008-01*	*P*
5.1.3	Extraneous radiation		
	Careful checks should be made to ensure that extraneous sources of radiation and reflections do not add significantly to the measurement results.	*The optical measurement setup is placed in special black painted housing and shielded with baffles*	*P*
5.1.4	Lamp operation		
	Operation of the test lamp shall be provided in accordance with:		
	– the appropriate IEC lamp standard, or		*N/A*
	– the manufacturer' s recommendation		*P*
5.1.5	Lamp system operation		
	The power source for operation of the test lamp shall be provided in accordance with:		
	– the appropriate IEC standard, or		*N/A*
	– the manufacturer' s recommendation	*Operation at rated current*	*P*
5.2	Measurement procedure		
5.2.1	Irradiance measurements		
	Minimum aperture diameter 7mm.		*N/A*
	Maximum aperture diameter 50 mm.		*N/A*

IEC 62471			
Clause	Requirement – Test	Result – Remark	Verdict
	The measurement shall be made in that position of the beam giving the maximum reading.	*No irradiance measurements performed*	*N/A*
	The measurement instrument is adequate calibrated.		*N/A*
5.2.2	Radiance measurements		
5.2.2.1	Standard method		
	The measurements made with an optical system.	*see equipment list*	*P*
	The instrument shall be calibrated to read in absolute radiant power per unit receiving area and per unit solid angle to acceptance averaged over the field of view of the instrument.		*P*
5.2.2.2	Alternative method		
	Alternatively to an imaging radiance set-up, an irradiance measurement set-up with a circular field stop placed at the source can be used to perform radiance measurements.		*N/A*
5.2.3	Measurement of source size		
	The determination of α, the angle subtended by a source, requires the determination of the 50% emission points of the source.	*See luminance image*	*P*
5.2.4	Pulse width measurement for pulsed sources		
	The determination of Δt, the nominal pulse duration of a source, requires the determination of the time during which the emission is > 50% of its peak value.		*N/A*
5.3	Analysis methods		
5.3.1	Weighting curve interpolations		
	To standardize interpolated values, use linear interpolation on the log of given values to obtain intermediate points at the wavelength intervals desired.	see table 4.1	*P*
5.3.2	Calculations		
	The calculation of source hazard values shall be performed by weighting the spectral scan by the appropriate function and calculating the total weighted energy.		*P*
5.3.3	Measurement uncertainty		
	The quality of all measurement results must be quantified by an analysis of the uncertainty.	see Annex C in the norm	*P*

6	**LAMP CLASSIFICATION**		
	For the purposes of this standard it was decided that the values shall be reported as follows:	see table 6.1	

IEC 62471			
Clause	Requirement – Test	Result – Remark	Verdict
	– for lamps intended for general lighting service, the hazard values shall be reported as either irradiance or radiance values at a distance which produces an illuminance of 500 lux, but not at a distance less than 200 mm		*N/A*
	– for all other light sources, including pulsed lamp sources, the hazard values shall be reported at a distance of 200 mm	*Object classification at a distance of 200mm*	*P*
6.1	Continuous wave lamps		
6.1.1	Except Group		
	In the except group are lamps, which does not pose any photobiological hazard. The requirement is met by any lamp that does not pose:		
	– an actinic ultraviolet hazard (E_S) within 8-hours exposure (30000 s), nor		*N/A*
	– a near-UV hazard (E_{UVA}) within 1000 s, (about 16 min), nor		*N/A*
	– a retinal blue-light hazard (L_B) within 10000 s (about 2,8 h), nor		*N/A*
	– a retinal thermal hazard (L_R) within 10 s, nor		*N/A*
	– an infrared radiation hazard for the eye (E_{IR}) within 1000 s		*N/A*
6.1.2	Risk Group 1 (Low-Risk)		
	In this group are lamps, which exceeds the limits for the except group but that does not pose:		
	– an actinic ultraviolet hazard (E_S) within 10000 s, nor		*N/A*
	– a near ultraviolet hazard (E_{UVA}) within 300 s, nor		*N/A*
	– a retinal blue-light hazard (L_B) within 100 s, nor		*P*
	– a retinal thermal hazard (L_R) within 10 s, nor		*N/A*
	– an infrared radiation hazard for the eye (E_{IR}) within 100 s		*N/A*
	Lamps that emit infrared radiation without a strong visual stimulus and do not pose a near-infrared retinal hazard (L_{IR}), within 100 s are in Risk Group 1.		*N/A*
6.1.3	Risk Group 2 (Moderate-Risk)		
	This requirement is met by any lamp that exceeds the limits for Risk Group 1, but that does not pose:		
	– an actinic ultraviolet hazard (E_S) within 1000 s exposure, nor		*N/A*
	– a near ultraviolet hazard (E_{UVA}) within 100 s, nor		*N/A*
	– a retinal blue-light hazard (L_B) within 0,25 s (aversion response), nor		*P*

IEC 62471			
Clause	Requirement – Test	Result – Remark	Verdict
	– a retinal thermal hazard (L_R) within 0,25 s (aversion response), nor		*N/A*
	– an infrared radiation hazard for the eye (E_{IR}) within 10 s		*N/A*
	Lamps that emit infrared radiation without a strong visual stimulus and do not pose a near-infrared retinal hazard (L_{IR}), within 10 s are in Risk Group 2.		*N/A*
6.1.4	Risk Group 3 (High-Risk)		
	Lamps which exceeds the limits for Risk Group 2 are in Group 3.		*N/A*
6.2	Pulsed lamps		
	Pulse lamp criteria shall apply to a single pulse and to any group of pulses within 0,25 s.		*N/A*
	A pulsed lamp shall be evaluated at the highest nominal energy loading as specified by the manufacturer.		*N/A*
	The risk group determination of the lamp being tested shall be made as follows:		
	– a lamp that exceeds the exposure limit shall be classified as belonging to Risk Group 3 (High-Risk)		*N/A*
	– for single pulsed lamps, a lamp whose weighted radiant exposure or weighted radiance does is below the EL shall be classified as belonging to the Exempt Group		*N/A*
	– for repetitively pulsed lamps, a lamp whose weighted radiant exposure or weighted radiance dose is below the EL, shall be evaluated using the continuous wave risk criteria discussed in clause 6.1, using time averaged values of the pulsed emission		*N/A*

Disclaimer

Please carefully read the below terms and conditions before using the information.
If you do not agree with any of these terms and conditions, do not use the information.

The information contained in this document does not constitute an independent warranty. The committed behavior is described in the Product data sheet.

Further explanations:
Data: The Data used in this Document consider the reliability test results under the mentioned driving conditions only. For Product information on the maximum operating conditions please refer to the Product data sheet or contact your local sales partner.
Conditions: The conditions for the generation of the data are as follows:
1. The Data and curves shown in this Document are based on experiments carried out under laboratory conditions on a random sample size of LED with readouts at discrete readout times (where applicable). Thus, the Data above represent a limited number of production lots only and may differ between different assembly lots over time (including chip or package changes). Thus, the behavior of the LED in the final application may differ from the Data. The behavior of the LED at conditions or readout times deviating from those stated above may not be deduced from the Data.
2. For long term operation additional failure modes of the chip or package can occur which are not shown in this Document.
3. Possible differences in the thermal management of OSRAM OS and customer's setup may lead to a different aging behavior.
4. The lifetime projection data presented in this Document has been evaluated in accordance with the lifetime extrapolation method described and defined in IES TM-21-11. The lifetime projection is based on the Data shown in this Document. The Data had been collected and assembled according to IES LM-80-08.

Distribution of part or all of the contents of this Document to any 3rd party in any form without the prior permission of OSRAM Opto Semiconductors GmbH is prohibited, except in accordance with applicable mandatory law.

Test Report

1. Number of LED light sources tested

75 randomly selected samples from mass production.

2. Description of LED light sources

Devices tested

- OSLON Square GW CSSRM1.EC with CCT 3000 K

3. Description of auxiliary equipment

Devices are soldered to metal-core PCB and mounted in a thermal chamber on hot-plates to maintain the desired solder-point temperature. Reliability test boards are removed from the thermal chamber to cool down to room temperature for electrical and optical characterization.
Soldering equipment: Heller 1812 MKIII,
Stress equipment: Customized thermal chambers,
Electrical characterization: Keithley 2425-C controlled by customized software,
Measurement equipment: Integrating sphere/spectroradiometer: Instrument systems CAS140CT

4. Operating cycle

The devices are tested at constant solder-point temperature and constant direct current.

5. Ambient conditions including airflow, temperature and relative humidity

Boards with devices under test are operated on controlled thermal plates in an oven with controlled environmental conditions according to section 4.4 of LM-80-08. Case temperature is controlled within -2 °C; ambient temperature in the oven is controlled within -5 °C of case temperature; humidity is below 65 % r.H. and airflow is minimized (not forced) in the oven.
The ambient temperature during lumen and chromaticity measurements is set to 25 ± 2 °C.

6. Case temperature (test point temperature)

The devices under test are operated at three constant case temperatures of 55 °C, 85 °C and 105 °C. The test point temperature at device is marked in the isometric view graph on page 8.

7. Drive current of the LED light source during lifetime test

The devices under test are operated at constant forward current. The operating current is listed in the test data tables.

Distribution, in part or all of the contents of this document to any 3rd party in any form without the prior permission of OSRAM Opto Semiconductors GmbH is prohibited except in accordance with applicable mandatory law.

OSRAM
Opto Semiconductors

8. Initial luminous flux and forward voltage at photometric measurement current

Please refer to the test data tables on pages 10 – 12.

9. Lumen maintenance data for each individual LED light source

Please refer to the test data tables on pages 10 - 12.

10. Observation of LED light source failures including the failure conditions and time of failure

None.

11. LED light source monitoring interval

Devices were electrically and optically characterized at room temperature at 0 h, 500 h, 1000 h, 2000 h, 3000 h, 4000 h, 5000 h, 6000 h, 6001 h, 6240 h, 6241 h, 7000 h, 8000 h, 9000 h, 10000 h, 11000 h.

12. Photometric measurement uncertainty

Measurement uncertainty for luminous flux (GUM):
4.8% (Testing Laboratory I) ; 4.6% (Testing Laboratory II)

13. Chromaticity shift reported over the measurement time

Please refer to the test data tables on pages 10 - 12.

14. Information on testing laboratories

This LM-80 test had been started at Testing Laboratory I and finished at Testing Laboratory II. For Testing Condition I, the LM-80 test data from 0 h to 6,240 hours come from Testing Laboratory I, and the test data from 6,241 hours to 9,000 hours come from Testing Laboratory II. For Testing Condition II, the LM-80 test data from 0 h to 6,240 hours come from Testing Laboratory I, and the test data from 6,241 hours to 11,000 hours come from Testing Laboratory II. For Testing Condition III, the LM-80 test data from 0 h to 6,000 hours come from Testing Laboratory I, and the test data from 6,001 hours to 11,000 hours come from Testing Laboratory II. Both testing laboratories use the same logistic tool and measurement database. Additionally, the samples had been verified via measurements before and after LM-80 test relocation. However, the measurement points data at 6,240 & 6,401 hours (for Testing Conditions I & II) and 6,001 hours (for Testing Conditions III) only serve as measurement verifications purpose but are not used in TM-21 projection and reporting.

Appendix A:
Lumen Maintenance Projection (IES TM-21-11)

For information Only!

1. General Information

Description of LED light source tested	OSLON Square GW CSSRM1.EC
Sample size per temperature	25
LED drive current used in the test	1000 mA
Test duration	9,000 hours for Test Condition I 11,000 hours for Test Conditions II & III
Test duration used for projection	4,000 hours to 9,000 hours for Test Condition I 5,000 hours to 11,000 hours for Test Conditions II & III

2. Projection Data

	I	II	III
Case temperature (solder point)	T_S = 55 °C	T_S = 85 °C	T_S = 105 °C
α	4.758E-06	3.436E-06	4.045E-06
β	1.018E+00	1.015E+00	9.698E-01
Reported L70	> 54,000 hours	> 66,000 hours	> 66,000 hours

Appendix B:
Additional Models Covered By Testing

The 9 September 2011 ENERGY STAR® *Program Guidance Regarding LED Package, LED Array and LED Module Lumen Maintenance Performance Data Supporting Qualification of Lighting Products* defines conditions for which a LM-80 report may be applied to cover models that have not been directly tested.

The following list of models may be covered by the test results in this report:

- OSLON Square GW CSSRM1.CC with CCT 2700 K – 6500 K
- OSLON Square GW CSSRM1.EC with CCT 2400 K – 5000 K
- OSLON Square GW CSSRM1.PC with CCT 3000 K – 6500 K
- OSLON Square GW CSSRM1.BM with CCT 2700 K – 4000 K
- OSLON Square GW CSSRM2.CM with CCT 2700 K – 6500 K
- OSLON Square GW CSSRM2.EM with CCT 2700 K – 5000 K

Distribution of part or all of the contents of this Document to third parties without the prior permission of OSRAM Opto Semiconductors GmbH is prohibited, in accordance with applicable intellectual property law.

CREE

REACh REPORTABLE SUBSTANCE DECLARATION

Date Revised: 6/20/2016

RE2044062016

This declaration covers the following products ("Products") manufactured by or on behalf of Cree, Inc. and its subsidiaries (collectively "Cree") and shipped by Cree after June 20, 2016:

Product Identification:	XLamp -> XTE-ARY, XTE-AWT
Location(s):	All Locations

These products are considered to be "articles" under Regulation (EC) No. 1907/2006 concerning Registration, Evaluation, Authorisation and Restriction of Chemicals, as amended through June 2009 ("EU REACH"). Cree is not subject to the EU REACH pre-registration and registration requirements with respect to these Products.

EU REACh requires Cree to advise requestors of Candidate List Substances of Very High Concern (SVHC) ≥ 0.1% by total weight of articles.

Cree declares that none of the following substances listed currently as a SVHCs (as of June 20, 2016) are intentionally added or used in the products noted above. Cree's SVHC content determination is based on supplier surveys and/or by internal process knowledge.

Item	Substance	EC Number	CAS Number	Inclusion Date	Concentration
1	4,4'- Diaminodiphenylmethane (MDA)	202-974-4	101-77-9	28-Oct-2008	Not intentionally added
2	5-tert-butyl-2,4,6-trinitro-m-xylene (musk xylene)	201-329-4	81-15-2	28-Oct-2008	Not intentionally added
3	Alkanes, C10-13, chloro (Short Chain Chlorinated Paraffins)	287-476-5	85535-84-8	28-Oct-2008	Not intentionally added
4	Anthracene	204-371-1	120-12-7	28-Oct-2008	Not intentionally added
5	Benzyl butyl phthalate (BBP)	201-622-7	85-68-7	28-Oct-2008	Not intentionally added
6	Bis (2-ethylhexyl)phthalate (DEHP)	204-211-0	117-81-7	28-Oct-2008	Not intentionally added
7	Bis(tributyltin)oxide (TBTO)	200-268-0	56-35-9	28-Oct-2008	Not intentionally added
8	Cobalt dichloride	231-589-4	7646-79-9	28-Oct-2008	Not intentionally added
9	Diarsenic pentaoxide	215-116-9	1303-28-2	28-Oct-2008	Not intentionally added
	Diarsenic trioxide	215-481-4	1327-53-3	28-Oct-2008	Not intentionally added
	ibutyl phthalate (DBP)	201-557-4	84-74-2	28-Oct-2008	Not intentionally added
12	Hexabromocyclododecane (HBCDD) and all major diastereoisomers identified: Alpha-hexabromocyclododecane Beta-hexabromocyclododecane Gamma-hexabromocyclododecane	 247-148-4 221-695-9	25637-99-4 3194-55-6 134237-50-6 134237-51-7 134237-52-8	28-Oct-2008	Not intentionally added
13	Lead hydrogen arsenate	232-064-2	7784-40-9	28-Oct-2008	Not intentionally added
14	Sodium dichromate	234-190-3	7789-12-0 10588-01-9	28-Oct-2008	Not intentionally added
15	Triethyl arsenate	427-700-2	15606-95-8	28-Oct-2008	Not intentionally added
16	2,4-Dinitrotoluene	204-450-0	121-14-2	13-Jan-2010	Not intentionally added
17	Anthracene oil	292-602-7	90640-80-5	13-Jan-2010	Not intentionally added
18	Anthracene oil, anthracene paste	292-603-2	90640-81-6	13-Jan-2010	Not intentionally added
19	Anthracene oil, anthracene paste, anthracene fraction	295-275-9	91995-15-2	13-Jan-2010	Not intentionally added
20	Anthracene oil, anthracene paste,distn. lights	295-278-5	91995-17-4	13-Jan-2010	Not intentionally added
	Anthracene oil, anthracene-low	292-604-8	90640-82-7	13-Jan-2010	Not intentionally added
	Diisobutyl phthalate	201-553-2	84-69-5	13-Jan-2010	Not intentionally added

Form 4: Curriculum Vitae of Key Personnel

1	**Proposed Position**	**Project Manager**
2	Name Of Staff	Abhishek Pareek
3	Date of Birth	28th Dec 1981
4	Nationality	Indian
5	Personal Address	Plot No 108 ,F1 ,OM Residency Nemi Nagar Vaishali Nagar Jaipur (Rajasthan)
6	Telephone Number	9680170163
7	Fax number	
8	Email address	abhishekpareek.abb@gmail.com
9	Educational Qualification	Bachelor of Engineering (B.E.)
10	Other Training :	Diploma in Project Management from ICFAI.
11	Languages And Degree Of Proficiency	Languages: Hindi – Speak: Yes, Read: Yes, Write: Yes; English – Speak: Yes, Read: Yes, Write: Yes
12	Membership In Professional Associations	NA
13	Professional Experience	More than 12 years
14	Work Experience In The Relevant Field For The Project	10 Years

EMPLOYMENT RECORD: STARTING FROM THE MOST RECENT			
Period	**Employing organization and title / position**	**Country**	**Summary of activities performed**
Nov 14 to Jun 18	BAJAJ ELECTRICALS LTD.-Dy.Manager	India	a) Area Lighting at Above ground of Mines for Hindustan Zinc Ltd. b) Highway Lighting of NH 12 (Deoli –Kota Exp. Way) c) IOCL Oil Dept. Area Lighting d) Stadium Flood Lighting etc.
June 12 to Oct.14	Larsen & Toubro (PT&D) TL –Division - Asst. Manager Planning.	India	Project Incharge of 400 KV Hindaun-Alwar Transmission Line Value 181 Cr a) Material Planning b) Site Execution Planning & Coordination c) Techno-Commercial Contract Monitoring d) Billing & Collection. e) Project Costing f) Statuary Clearances with i.e. Railways, NH, Airport, PTCC etc. g) MIS
May -09 to June 12	BAJAJ ELECTRICALS LTD.- Asst. Manager.	India	a)11 KV Feeder Renovation Programme, Value 12 Crores b) Illumination work of Railway Marshalling Yard with High Mast Lighting at Thermal Power Plant, Value 1.75 Crores c) Illumination work at Mining Area with High Mast Lighting at Udaipur ,RSMM etc.
July 2008 to April 2009	Ramky Infrastructure Ltd.- Deputy Project Manager	India	a) Lying of Pipe Line with Ductile Iron, PVC and A.C. Pipe b) Construction of Special fittings Pipe Line Chamber with Civil

Jan 2006 to July 2008	ABB Ltd. - Assistant Project Manager	India	a)11 KV Feeder Renovation Programme Value 29 Crores b)33KV Transmission Line Value 10 Crores

DETAILED TASK ASSIGNED	
TASK	**PROJECTS HANDLED**
Project Management	Area Lighting at Above ground of Mines for Hindustan Zinc Ltd
Project Management	Highway Lighting of NH 12
Material Planning , Project monitoring , Liaising with authority , Payment collection	400 KV Hindaun-Alwar Transmission Line Value 181 Cr 400KV S/C Bikaner –Deedwana & Ajmer Deedwana & 220KV D/C & 400 KV Hindaun –Alwar Transmission Line

Experience on relevant projects/assignments	
Name of Project: Year	Highway Lighting of NH 12 (Deoli –Kota Exp. Way)
Month and Year (From and To)	Nov 2014 to April 2018
Location	Kota , Rajasthan
Client	NHAI
Main Project features	SITC of street lights & Poles & associated infrastructure
Position held	Project Manager
Activities performed	Project management of Highway lighting of NH12

I, the undersigned, confirm that
1. To the best of my knowledge, this CV correctly describes myself, my qualifications, and my experience; and
2. I am not employed by the NMC

I understand that any willful misstatement in this CV may lead to my disqualification or dismissal, if engaged.

Place: MUMBAI
Date: 11.02.2019

To,
The Commissioner
ashik Municipal Corporation,
Rajiv Gandhi Bhavan,
Sharanpur Road, Nashik – 422001

Bid Reference No: NMC/ELED/16/2017-18 for selection of Concessionaire for Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings and Advertisement Rights on Public-Private-Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) Basis.

Sub: Clarification requested for Driver Efficiency report of LED light fixtures vide letter no. O no. 133 dated 08/02/2019

Dear Sir,

With reference to your letter dated 08.02.2019 requesting clarification for the above mentioned subject, we hereby clarify the following

As per the RFP clause 5.1 LED Technical Specification, Serial No. xvii, the Driver efficiency of the LED should be greater than 90%. We hereby confirm that we comply to the clause in line with the OEM's confirmation attached overleaf.

We also hereby confirm that all tests will be performed and appropriate test report will be submitted before the installation of the Luminaires to confirm all the technical specifications comply to the RFP conditions

Trust the above clarification is in line with your requirement.

Yours faithfully,

Mumbai

Subject: Regarding request for clarification for clause with respect to driver efficacy- Nashik Smart City Project.

Dear Sir,

As per RFP clause no. 5.1 LED technical specification, Sr No. xvii LED driver efficiency should be > 90%. We hereby confirm that LED drivers of the products offered by us for above mentioned project shall comply to the said clause.

M/s Bajaj Electricals also undertake to replace the drivers in case driver efficiency is found to be less than 90% as per the RFP terms & conditions

All tests will be performed, and appropriate test report will be submitted before installation of Luminaries to confirm all the technical specifications were as per the RFP.

Thanking You,

Yours Sincerely,

For Bajaj Electricals Ltd,

No	Specification	Compliance Yes	No
1	Ability to control group based light on commands and policies	**Yes (TQ-envelopeB.PDF page-16)**	
2	The smart light should be using technologies like 0-10V or DALI or any variant of these for providing controlling of LEDs	**Yes (TQ-envelopeB.PDF page-16)**	
3	It is preferred that the smart light control nodes use industry standard RF technologies like Wi-Fi, 802.15.4, Zig Bee, Lora or GPRS as connectivity options	**Yes (TQ-envelopeB.PDF page-16)**	
4	The system should support reading, monitoring of various electrical parameters like Voltage, Current, Power Consumption etc. at each light.	**Yes (TQ-envelopeB.PDF page-16)**	
5	The system should have the ability to detect faults in individual lights and sent alerts and notifications to the management system	**Yes (TQ-envelopeB.PDF page-16)**	
6	The system should have ability to control the ON/OFF operation of the Luminaire centrally.	**Yes (TQ-envelopeB.PDF page-16)**	
7	The smart street lighting system should be able to operate at any weather Conditions	**Yes (TQ-envelopeB.PDF page-16)**	
8	The smart street lighting system should preferably be communicating using WiFi technology. Other allowed technologies can be Zig Bee, Lora and IEEE 802.15.4/Ethernet/Wi-Fi/Fiber/GPRS/RF or equivalent networks.	**Yes (TQ-envelopeB.PDF page-16)**	
9	The smart street lighting system should be able to communicate to the CSLMS hosted on the cloud (Preferably)	**Yes (TQ-envelopeB.PDF page-16)**	

Sr. No.	Specification	
10	The smart street lighting system should have the capability to receive the instruction from the Lighting Operations Management software and act accordingly	**Yes (TQ-envelopeB.PDF page-16)**
11	The smart street lighting system should be able to operate the lights switch on/off, increase/decrease luminosity (Dimming) as per the command received from the Lighting Operations Management software	**Yes (TQ-envelopeB.PDF page-16)**
12	The Lighting Operations Management software should have the capability to apply policies to the smart lighting system. Example: set up policies like light up alternate lights during low traffic density, increase the luminosity of the lights as per the dullness of the day lights	**Yes (TQ-envelopeB.PDF page-16)**
13	The city administration should be able to see the real time status of the Smart Lighting System on a city map view of the Lighting Operations Management software	**Yes (TQ-envelopeB.PDF page-16)**
14	The city administration should be able to operate the Smart Lighting System manually too.	**Yes (TQ-envelopeB.PDF page-16)**
15	The smart lighting system should be able to communicate the system issue or failure to the Lighting Operations Management software.	**Yes (TQ-envelopeB.PDF page-17)**
16	The smart lighting system is preferably a combination of LED lights and sensors	**Yes (TQ-envelopeB.PDF page-17)**
17	The individual lights are to be monitored by electronic controller using a long range radio frequency communication technology	**Yes (TQ-envelopeB.PDF page-17)**
18	The controller should be able to operate autonomously as per the defined schedules and light level sensors	**Yes (TQ-envelopeB.PDF page-17)**
19	Should enable Over the Air (OTA) firmware update	**Yes (TQ-envelopeB.PDF page-17)**
20	The sensors on the smart street lighting system should be able for remote operating capabilities.	**Yes (TQ-envelopeB.PDF page-17)**
21	The rule engine set up on the Lighting Operations Management software should run on the real time data and apply the policies automatically	**Yes (TQ-envelopeB.PDF page-17)**

	Specification	Compliance Yes	No
22	At any time, these policies can be overridden by human intervention with the system	**Yes (TQ-envelopeB.PDF page-17)**	
23	At any point in time, the map view should give the details of the status, luminosity of the lights in city map view	**Yes (TQ-envelopeB.PDF page-17)**	
24	The data transmitted by and received from the sensors should be encrypted and tamper proof end to end (from sensor to application)	**Yes (TQ-envelopeB.PDF page-17)**	
25	The sensor firmware should be upgradable from the central location.	**Yes (TQ-envelopeB.PDF page-17)**	
26	The system should allow to automatically or manually assign a GPS location to each sensor for placing on a GIS map.	**Yes (TQ-envelopeB.PDF page-17)**	
27	THE Lighting Operations Management software should be able to send commands to the smart street lighting system based on the data analytics to increase/decrease the luminosity as per the Day light and weather conditions.	**Yes (TQ-envelopeB.PDF page-17)**

Letter Annexed with the Mail

Q.No. 133, Dt. 8/2/2019

To,

Mr. Amol Nisal,
Assistant General Manager- Smart Cities
Tata Projects Limited, one Boulevard,
2nd, 3rd, 4th floor, Lake Boulevard street,
Hiranandani Business park, Powai,
Mumbai- 400076

Subject: - Clarification required in the Bid submitted by you for the tender for Smart LED street light system for Pan City in Nashik City.
Ref: Tender no. 2018_NMC_385389_1

The bids for above mentioned tender were opened on 05th February 2019. Based on the evaluation of your bids, some clarification required from your side for satisfying the bid condition:

As per Specifications of LED Luminaries Driver Efficiency must be > 90%, whereas as per LM-79 Report submitted by you in the technical bid it is only 85%. Moreover, as per clause 6.1. LED Luminaries Technical Specification of RFP it is mentioned under note that "All *Tests have to be confirmed and appropriate TEST REPORT has to be submitted before installation of the luminaries.*"

So it is requested to submit an undertaking stating that "All tests will be performed and appropriate test report will be submitted before installation of Luminaries to confirm all the technical specifications were as per the RFP."

Request you to submit clarification up to 06:00 PM by 11th February 2019 via returning email and submit the hard copy at below address.

DECLARATION

Place: MUMBAI
Date: 11.02.2019

To,
The Commissioner
Nashik Municipal Corporation,
Rajiv Gandhi Bhavan,
Sharanpur Road, Nashik – 422001

Bid Reference No: NMC/[illegible] for [illegible] for implementing Smart LED Street Lights in lieu of Rights of Sharing Energy Savings and Advertisement Rights, in Public Private Partnership/PPP Basis for PAN City area under Nashik [illegible] Maintain, Monetize and Transfer (UBFOMMT) Basis

Sub: Clarification requested for Driver efficiency report of [illegible] dated 08/02/2019

Dear Sir,

With reference to your letter dated 08.02.2019 requesting clarification for the above mentioned subject, we hereby clarify the following

As per the RFP clause 5.1 LED Technical Specification, Serial No. xiii, the Driver efficiency of the LED should be greater than 90%. We hereby confirm that we comply to the clause in line with the OEM's confirmation attached overleaf.

We also hereby confirm that all tests will be performed and appropriate test report will be submitted before the installation of the Luminaires to confirm all the technical specifications comply to the RFP conditions.

Trust the above clarification is in line with your requirement.

Yours faithfully,

Name: Gautam Balakrishnan
Designation: Vice President & Head – Smart Cities
Address: Tata Projects Limited

Tata Projects Limited
One Boulevard, 2nd, 3rd, 4th Floor
Lake Boulevard Street, Powai,
Mumbai

Subject: Regarding request for clarification for clause with respect to driver efficacy- Nashik Smart City Project

Dear Sir,

As per RFP clause no. 5.1 LED technical specification, Sr No. xvii LED driver efficiency should be > 90%. We hereby confirm that LED drivers of the products offered by us for above mentioned project shall comply to the said clause.

M/s Bajaj Electricals also undertake to replace the drivers in case driver efficiency is found to be less than 90% as per the RFP terms & conditions.

All tests will be performed, and appropriate test report will be submitted before installation of commands to confirm all the technical specifications were as per the RFP.

Thanking you,

Yours Sincerely,

For Bajaj Electricals Ltd,

Sugato Mukherjee (DGM)

Proof of Concept Invitation to Tata Projects Limited

To,

O.No.132, Dt. 8/2/2019

Mr. Amol Nisal,
Assistant General Manager- Smart Cities
Tata Projects Limited, One Boulevard,
2nd, 3rd, 4th floor, Lake Boulevard Street,
Hiranandani Business Park, Powai,
Mumbai- 400076

Subject: Invitation for Demonstration (proof of concept) as part of tender evaluation process of tender for Smart LED street light system for Pan City in Nashik City.
Ref: Tender no. 2018_NMC_365389_1

As per clause no. 3.24.4 of RFP you need to perform Demonstration (proof of concept) for Smart LED Street light RFP. Demonstration (proof of concept) is schedule for 3 days starting form 11/02/2019.

You need to demonstrate successful operation of the offered LED street light solution as indicated below, failing which your bid shall be rejected. Following use cases to be shown in the Proof of Concept -

Sr	Use Cases
1	Minimum 6 no. of Smart LED fixture of each 90 Watt and above fixtures to be demonstrate
2	90 Watt and above (> = 90 watt) Smart LED street light with Individual On-Off via CSLSM
3	90 Watt and above (> = 90 watt) Smart LED street light with Individual Dimming via CSLSM
4	90 Watt and above (> = 90 watt) Smart LED street light with individual data point (On/Off/Fault and voltage, current, wattage and Power Factor per phase) Addressing via CSLSM
5	Minimum 3 no. of each wattage of fixtures below 90 Watt (< 90 watt) to be demonstrate
6	90 Watt below (< 90 watt) smart LED group on-off at feeder panel level via CSLSM
7	90 Watt below (< 90 watt) smart LED group dimming, individual data point addressing via feeder panel (OPTIONAL) via CSLSM
8	90 Watt below (< 90 watt) smart LED group/ individual data point (On/Off/Fault and voltage, current, wattage and Power Factor per phase) addressing via feeder panel via CSLSM. To identify the working of fixtures via feeder panel.
9	GIS Mapping of each fixtures on City Map
10	Web portal of CSLSM
11	Reports

Proof of concept should be demonstrate on the location given by Electrical Department, NMC. For the location of demonstration, contact the under signee.

Head of Department,
Electrical-Mechanical Department,
Nashik Municipal Corporation, Nashik

Recommendation

As per the BEC approval required clarifications & undertaking were sought from the bidder. Moreover, the bidder was invited to demonstrate the Proof of Concept (PoC) to complete the technical evaluation process.

The bidder had submitted the required clarifications & undertaking. The bidder also completed the Demonstration of Proof of Concept to the PoC committee formed for the PoC evaluation.

Based on Bid documents and clarifications submitted by bidder and remarks made in above Table; Tata Projects Limited is qualifying all the pre-qualification criteria as per the RFP.

The PoC was conducted on 15th February 2019 in the presence of the PoC committee. During the PoC all the use cases as per the RFP were successfully demonstrated by the bidder. However, the Lux level of 170 W luminaires installed at the Trimbak road was lower than the lux level defined as per the RFP requirement. The fixtures fitted at Trimbak road were fixed using reducers which resulted into tilting of the fittings by 15 degrees. Further the distance between the poles was 56 meter.

The PoC committee asked the bidder to install higher wattage luminaires at Gangapur road to achieve the lux level as per the RFP requirements. The bidder then installed 210W luminaires and the PoC was carried out again on 18th February 2019 at Gangapur road and the required lux level was achieved.

Since higher wattage luminaires were used to achieve the required lux level at certain areas, the BEC may ask the bidder to submit an undertaking regarding installation of higher luminaires wherever required to achieve the lux level and uniformity as per the RFP requirements.

As the bidder has achieved the required technical qualification, the BEC may approve the technical evaluation report and take necessary actions as per the observations mentioned in the report, after which BEC may open the financial bid.

Subject: - Clarification required in the Bid submitted by you for the tender for Smart LED street light system for Pan City in Nashik City.
Ref: Tender no. 2018_NMC_365389_1

The bids for above mentioned tender were opened on 05th February 2019. Based on the evaluation of your bids, some clarification required from your side for satisfying the bid condition:

As per Specifications of LED Luminaries Driver Efficiency must be > 90%, whereas as per LM-79 Report submitted by you in the technical bid it is only 85%. Moreover, as per clause 5.1. LED Luminaries Technical Specification of RFP it is mentioned under note that "All *Tests have to be confirmed and appropriate TEST REPORT has to be submitted before installation of the luminaries.*"

So it is requested to submit an undertaking stating that "All tests will be performed and appropriate test report will be submitted before installation of Luminaries to confirm all the technical specifications were as per the RFP."

Request you to submit clarification up to 06:00 PM by 11th February 2019 via returning email and submit the hard copy at below address.

आक्षेप	खुलासा
1) प्रत्यक्ष परिमाणा पेक्षा जादा झालेल्या परिमाणास सक्षम प्राधिकृत अधिकारी यांचीमान्यता घेणे आवश्यक आहे.	प्रत्यक्ष परिमाणापेक्षा जादा झालेल्या परिमाणास सक्षम प्राधिकरण अधिकारी मा.कार्यकारी अभियंता यांची मान्यता देयकाच्या वेळी घेतली आहे.
2)कामाची मुदत कामाची मुदत दिनांक 16/12/2017 ते 13/02/2018 पर्यत आहे. प्रस्तावीत ठिकाणी पोल व एलईडी (60 W व 90 w) एकुण ४० नग पोल बसविण्यात आलेले आहे. मोजमाप पुस्तकात रेकॉर्डींग दिनांक 23/2/2018 ची आहे. प्रत्यक्षात ज्या दिवशी काम करणेत आले आहे. त्या त्या दिवसाच्या कामाची दिनांक मोजमाप पुस्तकामध्ये घेणे आवश्यक आहे. सदर बाब अनियमित आहे.	रेकॉर्डींग वेळेवर केले आहे परंतु नजरचुकीने दिनांक नमुद केलेले नाही यापुढे दक्षता घेणेत येईल.
3) कामाच्या पुर्णत्वाच्या दाखल्यावर काम पुर्ण झाल्याची दिनांक 13/02/2018 अशी नमुद आहे मात्र दाखला निर्गमित करतांना दिनांक 13/03/2018 रोजी विलंब केलेला आहे.	काम वेळेवर पूर्ण झालेले आहे मात्र तरतुद उपलब्ध नसल्याने देयक ईआरपीन झाल्याने जावक दि.13/03/2018 रोजीचे आहे.
4) उपरोक्त तक्त्यात नमुद केल्याप्रमाणे देयकात 60 W चे एलईडी एकूण परिमाण 120 नग दर्शविणेत आले आहे. नस्ती सोबत जोडलेल्या पृष्ठ क्र.4225, 4229 व 4231 वर मक्तेदाराने नमुद केलेल्या जागेवर 60w चे एलईडी फिटींग बसविण्यात आले असल्याचा रिपोर्ट जोडलेला आहे. सदर रिपोर्ट मध्ये एकूण 104 60w एलईडी फिटींग बसविणेत आले आहे मात्र देयकात १६ नग जादा घेतली आहे. त्याची होणारी र.रु.86019/- जादा आदा झालेली आहे. सदरची रक्कम वसुल पात्र असुन खात्री करुन कार्यवाही करणेत यावी.	एलईडी फिटींग 120 नग बसविणेत आले आहे. सोबत स्टॉक रजिस्टरची प्रत जोडली आहे.
5) स्टॉक रजिस्टर व वजावट रजिस्टर उपलब्ध नाही.	एलईडी फिटींग 120 नग बसविणेत आले आहे. सोबत स्टॉक रजिस्टरची प्रत जोडली आहे.
6) DLP काम पूर्ण झाल्यापासून 5 वर्षे आहे. बसविणेत आलेल्या पोलचे व त्या अनुषंगीक जोडण्यात आलेल्या साहित्याचे History register ठेवण्यात आल्याचे दिसून येत नाही.	स्टॉक रजिस्टर हेच History register आहे.

Subject: About Extension of Tender dates for Smart LED Street Lights across Nashik City.
E-Tender Notice: 16
Tender Reference Number: NMC/ELED/16/2018-19
Mahatender Tender ID: 2018_NMC_365389_1

Hello Sir,

We, Maven Systems - is a 100% owned subsidiary of M/s Moschip Semiconductor Technology Ltd. Company. We are pioneer in IoT based remote monitoring solutions and having live deployments of Smart automation solutions in Maharashtra, Andhra Pradesh, Telangana, U.P. and Gujarat with CCMS for municipal corporations.

We have deployed more than 25k+ CCMS Feeder panels in various locations in India.
We also have other live deployments in Private sector as well.

We are interested in Nashik Smart city LED Street light tender. But due to some Technical clarifications and commercial ambiguities we need some time to work out.
So we request you to extend these tender dates for our participation.

Thank you,

Maven System private limited

Sr.	Use Cases	Remark (Yes/No)	Comment
1	**Minimum 6 no. of Smart LED fixture of each 90 Watt and above fixtures to be demonstrate.**		
a	BRTFG 110W LED WH A-DIM NS N	Yes	
b	BRTFG 170W LED HXE A-DIM NS N	Yes	
2	**90 Watt and above Smart LED street light with Individual On-Off via CSLSM**		
a	BRTFG 110W LED WH A-DIM NS N	Yes	
b	BRTFG 170W LED HXE A-DIM NS N	Yes	
3	**90 Watt and above Smart LED street light with Individual Dimming via CSLSM**		
a	BRTFG 110W LED WH A-DIM NS N	Yes	
b	BRTFG 170W LED HXE A-DIM NS N	Yes	
4	**90 Watt and above Smart LED street light with Individual Addressing via CSLSM**		
a	BRTFG 110W LED WH A-DIM NS N	Yes	
b	BRTFG 170W LED HXE A-DIM NS N	Yes	
5	**Minimum 3 no. of each wattage of fixtures below 90 Watt to be demonstrate**		
a	BRLEP 30W LED WH N	Yes	
b	BRTFG 40W LED I N	Yes	
c	BRLEP 55W LED V2 N	Yes	
d	BRTFG 85W LED I N	Yes	
6	**90 Watt below smart LED group on-off at feeder panel level via CSLSM**		
a	BRLEP 30W LED WH N	Yes	
b	BRTFG 40W LED I N	Yes	
c	BRLEP 55W LED V2 N	Yes	
d	BRTFG 85W LED I N	Yes	

Sr.	Use Cases	Remarks (Yes/No)	Comment
7	90 Watt below smart LED group/ individual dimming on-off via feeder panel (OPTIONAL) via CSLSM		Group On- Off is demonstrated. Whereas, Group/individual dimming is optional via. CSLMS and bidder not considered the same in the proposed solution.
a	BRLEP 30W LED WH N		
b	BRTFG 40W LED I N		
c	BRLEP 55W LED V2 N		
d	BRTFG 85W LED I N		
8	90 Watt below smart LED group/ Individual data point (On/Off/Fault and voltage, current, wattage and Power Factor per phase) addressing via feeder panel via CSLSM. To identify the working of fixtures via feeder panel.		Group data points demonstrated by the Bidder.
a	BRLEP 30W LED WH N		
b	BRTFG 40W LED I N		
c	BRLEP 55W LED V2 N		
d	BRTFG 85W LED I N		
9	GIS Mapping of each fixtures on City Map : Yes all the smart LED above 90 Watt is demonstrated individually on the map. Whereas, Feeder panel is shown on city map for all the other remaining Fixtures below 90 Watt.		
10	Web portal of CSLSM : Demonstrated the same.		
11	Reports : Various reports with different criterias demonstrated.

11 Financial Documentation handed over to M/s KPMG Advisory Services Pvt. Ltd. by Electrical Department, NMC on 20th February 2019.

Dear Sir,

NMC has re-published the Smart LED Street light RFP on 22nd October 2018. After the sixth extension technical bid was opened on 5th February 2019 and one bid was received from Tata Projects Limited.

The technical evaluation was conducted and approved by BEC on 20th February 2019. Afterwards on same day financial bid was opened after intimating the bidder.

We are pleased to submit the financial Bid evaluation report for Smart LED Street light RFP for Pan City Nashik. This report is prepared on the basis of the documents handed over to M/s KPMG Advisory Services Pvt. Ltd. by Electrical Department, NMC.

विद्युत विभाग
आवक नं. ...242...
दिनांक- 21/2/2019

The BEC may approve the financial evaluation report and take necessary actions as per the observations mentioned in the report.

With regards

Harshad Dhande
Project Director
KPMG

Regarding Financial opening of Streetlight tender of NMC

1 message

Project Coordinator <pmc@nashiksmartcity.in> Wed, Feb 20, 2019 at 6:38 PM
To: amolhisal@tataprojects.com
Cc: abhishekdas@tataprojects.com, gautamb@tataprojects.com, ee2electrical@nashikcorporation.in, ee_electrical@nmc.gov.in, PRAKASH THAVIL <ceo@nashiksmartcity.in>, swapnildeshmukh <swapnildeshmukh@kpmg.com>, "Dhande, Harshad" <harshaddhande@kpmg.com>, "Patjoshi, Amit" <amitpatjoshi@kpmg.com>

Dear Amol,

The technical PoC was completed and the BEC has decided to open the financial bid. This is for your information.

Regards,

PMC NMSCDCL

https://mail.google.com/mail/u/0?ik=7d5592944 3&view=pt&search=all&permthid=thread-a%3A2480388802443936426&simpl=msg-a%3A319763264

Commercial bid of technically Qualified Bidder:

S no.	Particulars	Bid Quote by Tata Projects Ltd.	
A	Guaranteed Monthly Energy Savings with maintaining required Lux level as per table no. 1 in %. *Minimum Quote of* ***55%*****(as per Corrigendum 1 dated 11.12.2018)** *(In percentage)*	60%	**Yes**
B	Nashik Municipal Corporation (NMC) share out of the overall Monthly savings in % *(Minimum Quote of 5%) (In percentage)*	5%	**Yes**
C	**Minimum Monthly Energy Savings to NMC (in INR)**	**836885**	**Yes**
Note	**Evaluation criteria will be solely on Highest Bid Parameter (C) and Highest Energy saving.**		

Annual Baseline Consumption: **50567104** (as per RFP clause no. **4.9.1.1**)

Monthly Baseline Consumption= Annual Baseline Consumption/12 = 4213925.33

Unit Rate: Rs. **6.62**/- per unit (as per RFP clause no **4.9.1.2**).

Highest Bid Parameter (C) = A*B*Baseline Consumption*Unit Rate = 836885.5712

Details of Energy saving from individual pillar will be amicably decided as follows.

1) Actual energy consumption reading (pillar wise) will be taken before & after replacement of LED Fitting for consecutive 3 days considering more than 98% streetlights working, with third party certification.
2) **If actual energy saving percentage found above than committed (Guaranteed) energy saving percentage, then NMC sharing will be considered on higher saving percentage.**
3) If actual energy saving percentage found below than committed (Guaranteed) energy saving percentage, difference between committed & actual energy saving will be recovered from bidder as per the tariff rates mentioned in the bid (Remuneration Fee)

4) **The revenue shared with the Nashik Municipal Corporation should be exclusive of GST. That is, it is after deducting the GST component. GST has to be paid by the bidder separately to the tax authorities.**

5) Bidder has to prove by demonstration to NMC officials guaranteed energy savings with LUX levels mentioned in RFP Guidelines without any dimming, without any Change in NMC infrastructure failing which bidder would be disqualified.

Buy Back Offers

Buyback Offer for existing Sodium Light Fixtures mounted on pole.

Sr. No.	Type of Sodium Light Fixtures	Quantity (A)	Unit Amount (Rs.) (B) (inclusive of all taxes)	Total Amount (Rs.) (inclusive of all taxes) C = A * B
1	70 w	28056	300	8416800
2	150 w	28731	350	10055850
3	250 w	8841	400	3536400
4	400 w	1817	450	817650
5	T5 96W	8010	150	1201500
			Total	**24028200**

Buyback Offer for existing LED Light Fixtures mounted on pole.

Sr. No.	Type of Sodium Light Fixtures	Quantity (A)	Unit Amount (Rs.) (B) (inclusive of all taxes)	Total Amount (Rs.) (inclusive of all taxes) C = A * B
1	45 w	3522	560	1972320
2	60 w	9481	560	5309360
3	90 w	2976	672	1999872
4	120 w	580	672	389760
			Total	**9671312**

***Note**: Buy back offer will not be considered for the financial evaluation of Concessionaires. However, it is compulsory for the Concessionaires to quote the buy-back amount.*

Additional Cost:

Capex Cost of Smart LED Light Fixtures and Annual O&M cost per fixture with warranty period.

Type of Smart LED Light Fixtures	Cost per fixture (in Rs.) (inclusive of all taxes)	Annual Operation and maintenance Cost (in Rs.) (inclusive of all taxes)	Warranty Period per fixture
45 w ±_5%	4650	767	7 Years
60 w ±_5%	5555	767	7 Years
90 w ±_5%	8420	826	7 Years
120 w ±_5%	10150	826	7 Years
210 w ±_5%	14250	855	7 Years

***Note**: Capex and O&M per fixture offer will not be considered for the financial evaluation of Concessionaires. However, it is compulsory for the Concessionaires to quote the Capex and O&M per fixture amount. This offer will be for installation smart LED after the implementation of 92014 Fixtures, if NMC required more Smart LED for installation.*

Final Recommendations:

As per RFP Clause no. 3.24.2 (IV), **M/s. Tata Projects Limited** is the **highest bidder** and BEC may notify the bidder as the selected bidder and may issue a Letter of Award subject to submission of undertaking by the bidder regarding the installation of higher wattage luminaires wherever required across the city to achieve the lux level and uniformity as per the RFP requirements. *The BEC may also ask bidder to submit the Performance Security BG for Rs. 8.25 Crores within 15 days of issuance of Letter of Award as per the requirements of RFP.*

नाशिक महानगरपालिका, नाशिक

विद्युत विभाग

आदेश क्र. दिनांक - / /२०१९

प्रशासकीय मान्यता आदेश

वाचा:-१) मा.महासभा ठराव क्र.१६१० दि.३१/०३/२०१८.

२) मा.आयुक्त सो. आदेश क्रमांक - ५१४ दिनांक ९/१०/२०१८.

नाशिक महानगरपालिकेतील खालील नमुद कामाच्या र.रु. २,७८,०३८/- च्या प्राक्कलनास कार्यकारी अभियंता (विदयुत) यांनी क्रमांक.१२१ दि.२९/०१/२०१९ अन्वये तांत्रिक मान्यता दिलेली आहे.

आयुक्त, नाशिक महानगरपालिका यांनी सादर केलेल्या सन २०१८-१९ च्या अर्थसंकल्पास मा.महासभेने ठराव क्रमांक १६१० दिनांक ३१/०३/२०१८ अन्वये मजुरी दिलेली आहे. खालील नमुद कामास महासभेच्या सन २०१८-१९ च्या अर्थसंकल्पातील पान क्रमांक १३७ अ.क्र.३ " विजेचे दिवे, केबल व सामुग्री खरेदी" (महसुली) संगणक कोड क्र.२३९७ या सदरात ४००.०० लक्ष यांस महाराष्ट्र महानगरपालिका अधिनियमातील तरतुदी अन्वये महानगरपालिकेची मंजुरी प्राप्त झालेनुसार मा.अधिक्षक अभियंता (विद्युत/यांत्रीकी) हे सक्षम प्राधिकारी आहेत.

नाशिक महानगरपालिकेचे महाकवी कालिदास नाटयगृह येथील ट्रान्सफार्मर रिवाइंड करणे व जनरेटर संबंधित कामे करणे अत्यंत आवश्यक असल्याने अधिक्षक अभियंता (विद्युत/यांत्रीकी) नाशिक महानगरपालिका यांनी सदर कामास प्रशासकीय मंजुरी देत आहे.

अ.क्र	कामाचे नांव	विभाग	अंदाजपत्रकीय सांकेतांक	तांत्रिक मान्यता क्रं.	प्रशासकीय मंजुरी क्रमांक
१	नाशिक महानगरपालिकेचे महाकवी कालिदास नाटयगृह येथील ट्रान्सफार्मर रिवाइंड करणे व जनरेटर संबंधित कामे करणे.	विद्युत विभाग	EE/ दि.२९/ ०१/२०१९ "विजेचे दिवे, केबल व सामुग्री खरेदी" (महसुली) संगणक कोड क्र. २३९७	१२१	२,७८,०३८/-

सन २०१८-१९ मधील तरतुद रु.४००.०० लक्ष विचारात घेऊन सदर र.रु.२,७८,०३८/- च्या कामे हाती घेणेस खालील अटी-शर्तीस अधिन राहुन मान्यता देण्यात येत आहे.

अटी व शर्ती

१.उपरोक्त कामास सक्षम अधिकाऱ्याने दिलेल्या तांत्रिक मान्यतेनुसार प्रशासकिय मान्यता देण्यात येत आहे.

२.वरील घेण्यात येणारे काम महानगरपालिकेच्या मालकीच्या जागेतच घेता येईल.खाजगी संस्थेच्या अथवा व्यक्तीच्या जागेवर करावयाचे झाल्यास महाराष्ट्र महानगरपालिका अधिनियमातील तरतुदीनुसार करण्यात यावे.तथापि जागेबाबत वाद निर्माण झाल्यास त्याची संपूर्ण जबाबदारी विभागाची राहिल.

३. प्रशासकीय मंजूरी दिलेल्या कामाची तांत्रिक व कामामधील गुणवत्ता राखणेची पूर्णत: जबाबदारी विभागाची आहे.

४. सदरचे काम कोणत्याहि योजनेतुन/अथवा यापूर्वी केलेले नाही याची खात्री करूनच कामाची ई-निविदा प्रक्रिया सुरु करणेस बंधनकारक राहिल.तसे झाल्यास संपूर्ण जबाबदारी संबधीत विभागाची राहिल.

५. सदरच्या कामाचा खर्च कामासमोर नमुद सन२०१८-१९ च्या अर्थसंल्पातील तरतुदीच्या अंतर्गत उपलब्ध असलेल्या निधितुन भागविणेत यावा.

६. सदर कामास असलेल्या तांत्रिक बांबीची तशीच तसेच आपल्या प्रशासकीय विभागाने ठरवून दिलेल्या नियम निकषांची पूर्तता करुन सादर केलेल्या व त्यास मान्यता दिलेल्या अंदाजपत्रकाप्रमाणेच सर्व कामे पूर्ण करावित.

७. प्रशासकीय मान्यता प्राप्त झाल्यानंतर काम विहीत मुदतीत पूर्ण करणे बंधनकारक आहे.

To ee_electrical@nmc.gov.in <ee_electrical@nmc.gov.in>

Cc Gautam Balakrishnan <gautamb@tataprojects.com>, Amol Nisal <amolnisal@tataprojects.com>, Project Coordinator <pmc@nashiksmartcity.in>

Date 2019-02-25 14:12

Dear Sir

With reference to the trailing mail for reconsideration of the financial quote submitted to Nashik Municipal Corporation , we hereby clarify that during our last visit to NMC on 21st February 2019 , the matter was discussed and clarified on our behalf with the Hon'ble Commissioner of NMC that Tata Projects Limited would not be able to increase the percentage share as quoted in the financial bid .

Also with reference to the quote for Buyback of existing luminaires and the additional fixtures Capex & O&M rates , we would not able to reconsider any further prices .

Thanks & Regards

Subject: Invitation for negotiations and submission of required undertaking.

O.No.174 Dated 21/2/2019

To,
Mr. Amol Nisal,
Assistant General Manager- Smart Cities
Tata Projects Limited, One Boulevard,
2nd, 3rd, 4th floor, Lake Boulevard Street, Hiranandani Business Park, Powai,
Mumbai- 400076

Subject: - Invitation for negotiations and submission of required undertaking.

Ref: Tender no. 2018_NMC_365389_1 and the Bid submitted by Tata Projects Limited in response to this tender for Smart LED street light system for Pan City in Nashik City.

The bid for above mentioned tender was opened on 05th February 2019. As part of the technical evaluation, the demonstration of Proof of Concept was carried out in the presence of the PoC committee. However, the Lux level of 170 W luminaries installed at the Trimbak road was lower than the lux level defined as per the RFP requirement. However the required lux level was achieved through installation of higher wattage luminaries by your team.

Since higher wattage luminaries were used to achieve the required lux level at Gangapur road, you are here by directed to submit an undertaking as below:

"We will install appropriate wattage luminaries wherever required across the city to achieve the lux level and uniformity as per the RFP requirements. However, the appropriate wattages will be finalized after the survey will be conducted and needs to be

approved by the Engineer-In-Charge."

You are required to submit the undertaking via returning email ASAP and submit the hard copy at below address by 06:00 PM on 25th February 2019.

Address:-
Electrical Department, 3rdFloor,
Nashik Municipal Corporation,
Rajiv Gandhi Bhavan, Sharanpur Road,
Nashik - 422002.

Moreover, we would like to request you for reconsidering your quote for the aforesaid tender related with the "Nashik Municipal Corporation
(NMC) share out of the overall Monthly savings in % which is presently 5% as per your current quote."

Whereas,The rates quoted for the Buy back of old fixtures and additional fixtures Capex and O&M rates also need to be re-think once.

Kindly share the revised offer ASAP.

Head of the department
Electrical-Mechanical Department,
Nashik Municipal Corporation, Nashik

२) मा.महासभा ठराव क्र.१३८० दि.१०/०१/२०१८

कामाचे नांव
Request for proposal for selection of concessionaire for implementing smart led street lights in lieu of rights of shareing energy savings and advertisement rights on public-private-partnership(PPP) basis for pan city area under Nashik city on design, build, finance, operate, maintain, monetize and transfer (DBFOMMT) basis

उपरोक्त विषयाची विद्युत विभागाकडील ई-निविदा सुचना क्र.३९(२०१७-१८) अन्वये दि. २८/०३/२०१८ रोजी प्रसिध्द केली असता खालीलप्रमाणे प्रतिसाद प्राप्त झालेला आहे -

प्रथम कॉल :- दि.२८/०३/२०१८ ते २३/०४/२०१८ शुन्य निविदा प्राप्त.
प्रथम मुदतवाढ :- दि.२४/०४/२०१८ ते ०८/०५/२०१८ शुन्य निविदा प्राप्त.
व्दितीय मुदतवाढ:- दि.०९/०५/२०१८ते २३/०५/२०१८ शुन्य निविदा प्राप्त.

सबब सदर कामाची सुधारीत RFP नुसार फेरनिविदा दि. २७/०६/२०१८ रोजी प्रसिध्द करण्यात आली. त्यास खालीलप्रमाणे प्रतिसाद प्राप्त झालेला आहे.

१) प्रथम कॉल :- दि.२७/०६/२०१८ ते २३/०७/२०१८ - शुन्य निविदा प्राप्त.
२) प्रथम मुदतवाढ :- दि.२४/०७/२०१८ ते ०७/०८/२०१८ - शुन्य निविदा प्राप्त
३) व्दितीय मुदतवाढ:- दि.०८/०८/२०१८ ते २३/०८/२०१८ - शुन्य निविदा प्राप्त.
४) तृतीय मुदतवाढ:- दि.२४/०८/२०१८ ते २५/०८/२०१८ - एक निविदा प्राप्त.

वरील प्रमाणे नाशिक मनपा क्षेत्रात स्ट्रीट लाईट प्रकल्प राबविणेबाबत निविदा प्रक्रीया राबविणेत आली होती. सदरच्या निविदा प्रक्रीयेमध्ये ३ वेळा मुदतवाढी अंती M/s.Inspira Enterprises India Pv.Ltd. यांची एकमेव निविदा प्राप्त झाली होती. त्यांची तांत्रीक कागदपत्रे(Envelop-A) छाननी करून दि.०३/०९/२०१८ रोजी निविदा समिती समोर ठेवले असता ते Qualify झाल्यामुळे त्यांची Envelop-B प्रमाणे Demonstration & proof of concept (POC) सुरु करावे यासाठी M/s.Inspira Enterprises India Pvt.Ltd. यांना दि. १५/०९/२०१८ रोजी ईमेल व्दारे कळविण्यात आले.

...२/

- त्यावर M/s.Inspira Enterprises India Pv.Ltd. यांनी दि.१७/०९/२०१८ रोजी POC दि.२४/०९/२०१८ रोजी सुरू करत आहे असे कळविले.
- कंपनीने POC दि.२४/०९/२०१८ रोजी सुरू न केल्याने पुन्हा त्यांना स्मरणपत्र देण्यात आले.
- M/s.Inspira Enterprises India Pv.Ltd. यांनी दि.२८/०९/२०१८ रोजीचा केवळ दोनच फिक्सचर्स वर POC सुरू केले परंतू निविदा अटीशर्तीप्रमाणे POC करत नसल्याने त्यांना निविदा अटी-शर्तींनुसार POC मध्ये कोणतेही बदल मान्य होणार नाही असे दि.२९/०९/२०१८ रोजी कळविण्यात आले.
- दरम्यानच्या काळात M/s.Inspira Enterprises India Pv.Ltd. यांनी कोणतेही POC किंवा Demonstration सुरू केले नाही. त्यामुळे या कार्यालयाने दि. ०९/१०/२०१८ रोजी M/s.Inspira Enterprises India Pv.Ltd यांना निविदा अटी-शर्ती प्रमाणे POC सुरू करावे अन्यथा आपली निविदा रद्द करणेत असे कळविले.
- दि.१६/१०/२०१८ रोजी M/s.Inspira Enterprises India Pv.Ltd. यांनी निविदा अटी-शर्ती (RFP) प्रमाणे POC देणे बाबत असमर्थता दर्शविली.
- तसेच प्रकल्प सल्लागार M/s.KPMG यांचा दि.१७/१०/२०१८ रोजीचा अहवाल सादर केला असता निविदा अटी-शर्तीप्रमाणे M/s.Inspira Enterprises India Pv.Ltd. हे अपात्र ठरत असल्यामुळे सदरच्या कामाची फेरनिविदा मागविणे आवश्यक होते. त्यानुसार प्रकल्प सल्लागार यांनी सादर केलेल्या सुधारीत RFP प्रमाणे फेर ई-निविदा सुचना क्र.१६(२०१८-१९) अन्वये निविदा समितीची मान्यता घेऊन दि.२२/१०/२०१८ रोजी फेरनिविदा काढण्यात आली.

१) दि.३०/१०/२०१८ रोजी प्रि-बीड मिटींग झाली. त्यात आलेल्या मुद्दयांचा खुलासा व स्पष्टीकरण CSD तयार करुन दि.०३/११/२०१८ रोजी प्रसिध्द केला.
२) प्रथम मुदतवाढ :- दि.२२/११/२०१८ ते ११/१२/२०१८ - शुन्य निविदा प्राप्त.
३) व्दितीय मुदतवाढ Corigendum क्र.१ सह देण्यात आली :- दि.१२/१२/२०१८ ते २८/१२/२०१८- शुन्य निविदा प्राप्त.
४) RFP मध्ये सुधारणेबाबत Corigendum क्र.२ प्रसिध्द दि.२४/१२/२०१८
५) तिसरी मुदतवाढ :- दि.२९/१२/२०१८ ते ०८/०१/२०१९ - शुन्य निविदा प्राप्त.
६) चौथी मुदतवाढ :- दि.०९/०१/२०१९ ते १८/०१/२०१९ - शुन्य निविदा प्राप्त.

उपरोक्त चार वेळा मुदतवाढ देऊनही प्रतिसाद मिळत नसल्याने मा.आयुक्त सो. यांचे सुचनेनुसार दुसरी प्री-बिड मिटींग घेण्याचे ठरले व त्यानुसार दि.१६/०१/२०१९ रोजी मिटींग घेण्यात आली. प्री-बिड मिटींग मध्ये आलेल्या सुचनांनुसार त्याची उत्तरे खुलाशासह Corigendum क्र.३ व्दारे दि. १८/०१/०१९ रोजी प्रसिध्द केला व २८/०१/२०१९ पर्यंत पाचवी मुदतवाढ दिली.

...३/

७) सहावी मुदतवाढ :- दि.२८/०१/२०१९ ते ३०/०१/२०१९ – एक निविदा प्राप्त.
८) ॲटो मुदतवाढ (महाटेंडर सिस्टीम अंडर मेंटेनन्स असल्याने) :- दि.०४/२/२०१९ पर्यंत एक निविदा प्राप्त.

वरील प्रमाणे अनेक वेळा मुदतवाढी देण्यात आलेल्या आहेत. तसेच कामाच्या निविदेस मुदतवाढी देऊनही अल्प प्रतिसाद बघुन वेळोवेळी मुदतवाढ / फेरंनिविदा प्रसिध्द करताना व RFP मध्ये सुधारणा निविदा समितीच्या मान्यतेने सादर केल्या आहेत.

उपरोक्त प्रमाणे मुदतवाढींच्या कालावधीत ऑनलाईन निविदा प्रक्रीयेत एक निविदा प्राप्त झाली असून ती मे.टाटा प्रोजेक्ट्स लि. यांची आहे. सदर निविदेची तांत्रीक कागदपत्रे दिनांक ०५/०२/२०१९ रोजी उघडण्यात आली असून मक्तेदाराने अपलोड केलेली कागदपत्रे या प्रकल्पाचे सल्लागार कंपनी यांचेकडून तपासणी करुन घेण्यात आली. त्यानुसार त्यांनी तपासणीचा अहवाल (Pre qualification evaluation report) दि.०८/०२/२०१९ रोजी सादर केला.

सदरच्या अहवालानुसार तपासले असता निविदा अटीशर्तींतील PQ Condition मध्ये बिडर मे.टाटा प्रोजेक्ट्स लि. हे पात्र होत असल्यामुळे निविदा समितीची मान्यता घेऊन मे. टाटा प्रोजेक्ट्स लि. यांना निविद अटी-शर्तींनुसार Demonstration & Proof of concept (POC) साठी दि.०८/०२/२०१९ रोजी कळविणेत आले.

Proof of concept (POC) साठी मा.आयुक्त सो. यांनी दि.१५/०९/२०१८ अन्वये खालील प्रमाणे तांत्रीक समिती गठीत केली आहे.

१) प्रकल्प अधिकारी MEDA नाशिक

२) कार्यकारी अभियंता MSEDCL नाशिक

३) Electrical-IT Expert प्रकल्प सल्लागार

४) कार्यकारी अभियंता (विद्युत) मनपा नाशिक

५) उप अभियंता (विद्युत) मनपा नाशिक

उपरोक्त समितीने प्रत्यक्ष दि.११/०२/२०१९ ते १८/०२/२०१९ पावेतो स्मार्ट फिर्टींग व त्याबाबतचे अनुषंगीक साहित्याची On Site प्रत्यक्ष चाचणी व त्याचे Evaluation केले असून त्यात मे.टाटा प्रोजक्टस् हे यशस्वी झाले आहेत व तसा तांत्रीक समितीचा अहवाल प्राप्त झाला आहे. समितीचे गुणवत्ता चाचणी प्रमाणे अहवालातील मुख्य बाबी खालीलप्रमाणे आहेत.

...४/

अ. क्र.	फिटींगचा प्रकार	POC साठी आवश्यक संख्या	प्रत्यक्ष वापरण्यात आलेली संख्या	ठिकाण	तांत्रीक पुर्तता अहवाल
१	३० वॅट एलईडी फिटींग	३ नग	३ नग	कृषीनगर लेन नं.१	पुर्तता केली
२	४० वॅट एलईडी फिटींग	३ नग	३ नग	कृषीनगर लेन नं.२	पुर्तता केली
३	५५ वॅट एलईडी फिटींग	३ नग	३ नग	कृषीनगर मुख्य रस्ता	पुर्तता केली
४	८५ वॅट एलईडी फिटींग	३ नग	३ नग	डॉन बॉस्को रोड	पुर्तता केली
५	११० वॅट एलईडी फिटींग	६ नग	६ नग	कॉलेज रोड	पुर्तता केली
६	२१० वॅट एलईडी फिटींग	६ नग	६ नग	गंगापूर रोड	पुर्तता केली
७	स्मार्ट पॅनल	१ नग	१ नग	कृषी नगर	पुर्तता केली

उपरोक्त प्रमाणे मे.टाटा प्रोजेक्टस् यांनी POC साठी आवश्यक तांत्रीक बाबींची पुर्तता केलेली आहे व त्याचा सकारात्मक अहवाल प्रकल्प सल्लागार यांनी सादर केला आहे.

Proof of concept (POC) बाबतचा अहवाल RFP Condition नुसार पुर्तता करत असल्याने निविदा समितीची मान्यता घेऊन मे.टाटा प्रोजेक्टस् यांचे Envlop-C Financial bid दि.२०/०२/२०१९ रोजी उघडणेत आले. त्यामध्ये मे.टाटा प्रोजक्टस् यांनी Commited Energy saving ६०% (साठ टक्के) इतके सादर केलेले आहेत. तसेच मनपा साठी Commited Percentage share ५% (पाच टक्के) इतका सादर केलेला आहे.

मे.टाटा प्रोजेक्टस् यांना दि.२१/०२/२०१९ रोजी मनपाचा हिस्सा वाढविणे बाबत विचारण करण्यात आली. त्यास त्यांनी Committed Energy saving ६०% इतके व मनपाचा Commited Percentage share ५% इतके बरोबर असले बाबत व त्यामध्ये वाढ करता येणार नसले बाबत मा. आयुक्त सो. यांचे समक्ष झालेल्या बैठकीत सांगितले.

सदर प्रकल्पाची निविदा अटी-शर्तींनुसार ठळक वैशिष्टये खालील प्रमाणे आहेत :-

- सदर प्रकल्पात नाशिक शहरातील संपूर्ण पथदिप हे स्मार्ट एलईडी लाईट्स मध्ये बदलले जाणार आहेत.
- सदर प्रकल्पात मनपास कोणतीही आर्थीक गुंतवणूक करावी लागणार नाही.
- सदर प्रकल्पात पुढील किमान सात वर्ष पथदिप देखभाल दुरुस्ती कंपनी/ Concessionaire यांचे मार्फत करण्यात येणार आहे.
- सदर प्रकल्पात पथदिपांसाठी स्मार्ट पॅनल बसविणेत येणार आहेत.
- सदर प्रकल्पात २० स्मार्ट पोल येणार आहेत.त्यावर ईमर्जन्सी कॉल बॉक्स,पब्लीक ॲड्रेस सिस्टीम व एन्व्हारमेंटल सेंन्सर्स बसविण्यात येणार आहेत.
- सदर प्रकल्पात ९० वॅट व त्यापुढील वॅटेजचे फिटींग्ज हे स्वतंत्ररित्या सुरु, बंद किवा त्याची प्रखरता कमी जास्त करता येणार आहे. तसेच ९० वॅट पेक्षा कमी वॅटेजच्या फिटींग्जचे फिडर लेव्हलला ग्रुप मॉनिटरींग होणार आहे.
- सदर प्रकल्पाकरीता स्मार्ट सिटी अंतर्गत उभारण्यात येणाऱ्या मध्यवर्ती कमांड कंट्रोल सेंटर मध्ये संपुर्ण शहरातील स्मार्ट लाईटींग यंत्रणेचे व कंट्रोल बॉक्सचे Monitoring & Controlling होणार आहे.
- सदर प्रकल्पासाठी ESCRO Account उघडणेत येणार आहे. त्यात मनपा पथदिपांचे बेस लाईन प्रमाणे सरासरी मासीक वीजबिलाची रक्कम भरणा करण्यात येणार आहे. त्यातून पथदिपांचे मासीक वीजबिल मरावि वितरण कंपनीस अदा होईल व बचतीतून मनपाचा हिस्सा मनपास जाईल. तसेच त्यातून सर्व सरकारी कर, दंड अदा केले नंतर उर्वरीत रक्कम Concessionaire यांना मिळणार आहे.

...५/

- सदर प्रकल्प राबविताना Concessionaire Inspection report नुसार आवश्यकते प्रमाणे सुरुवातीस पोल, केबल, बॉक्स, अर्थींग इत्यादी अनुषंगीक कामे मनपास करून दयावी लागणार आहेत व त्यानतर त्याची देखभाल व दुरुस्ती Concessionaire यांना पुढिल सात वर्ष करावयाची आहे. फ़क्त पोल खराब झाला व शिफ़्टीग असले तर ते मनपा ने करावयाचे आहे.
- सदर प्रकल्पासाठी निविदा अटि शर्तीनुसार Concessionaire यांनी SPV (Special purpose vehicle) स्थापन करता येणार आहे. त्यामध्ये मुख्य Concessionaire कंपनीचे किमान ५१% भाग भांडवल असणेची अट आहे. Concessionaire यांनी SPV स्थापन केली तर करारनामा SPV बरोबर करावयाचा आहे.
- निविदा भरताना Concessionaire यांनी कमीत कमी वीजबचत कमीत कमी ५५% देणे व बचतीतून मनपास कमीत कमी ५% हिस्सा देणेची अट आहे.
- सदर प्रकल्पात प्रत्येक सहा महिन्यांनी शासकीय अभियांत्रिकी महाविदयालय/ तंत्रनिकेतन/मेडा/शासनमान्य एनर्जी ऑडीटर किंवा एआयसीटीई ॲप्रुव्हड अभियांत्रीकी महाविद्यालय यांपैकी एका संस्थेकडून एनर्जी ऑडीट करणेत येणार आहे.
- प्रस्तावीत साधारण ९२०१४ फिटींग्ज् लावले नंतर अतिरिक्त नव्याने लावावयाच्या स्मार्ट लाईट्स साठी Concessionaire यांनी स्वतंत्रपणे दर सादर केलेले आहेत.
- तसेच अस्तीत्वातील पोलवर असलेल्या सर्व प्रकारच्या फिटींग्ज परत घेणे बाबत Concessionaire ने यांनी स्वतंत्रपणे दर सादर केलेले आहेत.

सदरचा प्रकल्प PPP तत्वावर असल्यामुळे प्रकल्पाचे Concessionaire मे.टाटा प्रोजक्ट्स यांनी LOA/कार्यादेशाच्या दिनांकापासून १५ दिवसांचे आंत PBG (Performance bank guarantee) पुर्तता करणे बाबत केलेल्या विनंती नुसार व मनपास प्रकल्पाची निकड लक्षात घेता, कामाचा आदेश देऊन निविदा अटी-शर्तीप्रमाणे परफॉरमन्स बँक गॅरंटी (PBG) भरून करारनामा करणेससाठी १५ दिवसांची मुदत देणेत येईल.

वरील बाबींचे अवलोकन होऊन नाशिक मनपा क्षेत्रात PPP तत्वावर स्मार्ट स्ट्रीट लाईट प्रकल्प राबविणेसाठी मे.टाटा प्रोजेक्टस् यांचेशी करारनामा करणेस मा.स्थायी समितीच्या मान्यतेसाठी सादर.

Financial calculations for Streetlight Tender

Project costing to be incurred by Concessionaire:

- Capex cost: Rs. 122.25 Cr. (Approx.)
- Opex cost: Rs. 34.34 Cr. (Approx.)
- **Total cost: Rs. 156.59 Cr. (Approx.)**
- **Duration: 7 years.**
- Extendable: 3 years.
- No O&M cost to be incurred by NMC during total project duration. **Approx. saving** of Rs. 4 Cr. per year comes to**Rs.28 Cr. for complete project duration.**

Saving Sharing Calculation (5% share on total saving)

- Annual Baseline Consumption: 50567104 (as per RFP clause no. 4.9.1.1)
- Monthly Baseline Consumption= Annual Baseline Consumption/12 = 4213925.33
- Unit Rate: Rs. 6.62/- per unit (as per RFP clause no 4.9.1.2).
- Highest Bid Parameter (C) = Guaranteed Monthly energy savings (A) *Guaranteed saving share quoted by bidder (B)*Baseline Consumption*Unit Rate = Rs. 836885.5712/- Per Month **(A= 60% & B=5%)**
- **Yearly saving: 836885.5712*12 =>Rs. 10,042,626.85 /- =>Rs. 1 Cr.**

Escrow Deposit to be maintained by NMC for complete project duration

- Current Power Bill Per Year (Approx.): Rs. **30.5 Crore**
- Last three month MSEDCL bill amount:30.5/4=>Rs. **7.625 cr.**
- guaranteed saving share quoted by bidder : **5%**
- Average baseline energy consumption per month * guaranteed saving quoted by bidder * 3 * unit rate = 4213925.33*5%*3*6.62 =>**Rs. 4184428/- =>Rs. 0.42 Cr.**
- **Total deposit: 7.625 + .42 =>Rs. 8.045 Cr.(Approx.)**

Deductions From escrow Account:

1. Monthly Bill of MSEDCL.
2. Taxes.
3. NMC saving share.
4. LD/Penalties (if any).
5. Concessionaire share.

Note:

1) If actual energy saving percentage found above than committed (Guaranteed) energy saving percentage, then NMC sharing will be considered on higher saving percentage.
2) The revenue shared with the Nashik Municipal Corporation should be exclusive of GST. That is, it is after deducting the GST component. GST has to be paid by the bidder separately to the tax authorities.

Technical solution for Streetlight

Electric streetlights are essential elements of a city environment and services. They affect residents' sense of safety while influencing a city's ability to create an inviting environment for business and tourism. Unfortunately, these existing outdoor lights consume good amount of energy. Therefore, following are desired in designing and implementation of street lightings:

- Reduce energy consumption, cost, and its maintenance;
- Enhance situational awareness, real-time collaboration, and decision making across city;
- Add intelligent IT innovations to transportation, civic utilities, public safety without adding significantly more physical infrastructure;
- Real-time data communications with low latency to improve safety and security. Also converting conventional lights to Smart LED with CCMS will reduce energy consumption also

Under Smart LED street light project around **92014** number of fixtures are going to be replace by Smart LED Street light with CCMS. Energy Saving done from this project is around **60%**. The project is on PPP mode (ESCO model).

Following feature will be there in Smart LED

I. Individual Dimming & addressable above 90 Watts.
II. Group dimming and addressable below 90 Watts
III. Remote On-Off option
IV. Timer
V. GPS Map representation

Also from this project NMC will get benefit of **5%** revenue sharing. Also NMC will have 24*7 real-time support from concessionaire.

Bidder will install additional smart elements like environmental sensors, flood sensors, Emergency Call box, Public Addressing System.

Current Status: NMC has re-published the Smart LED Street light RFP on 22nd October 2018. After the sixth extension technical bid was opened on 5th February 2019 and one bid was received from Tata Projects Limited.

The technical evaluation was conducted and approved by BEC on 20th February 2019. Afterwards on same day financial bid was opened after intimating the bidder. **Financial Opening & Negotiations done.**

26/04/2019

Comparison of agreement with EESL and street light tender issued by NMC

Sr. No.	Parameter	EESL	NMC Tender
1	Engagement Model	ESCO Model	PPP Mode (ESCO Model)
2	Installation Duration	3-6 months	9.5 months
3	Project Period	7 Years(with 2 years warranty)	7 years
4	O&M	2 Years + Extended warranty-5 years@5% of the capex per year	7 years
5	Scope of Operation	• Upgradation of conventional streetlight fixtures including annual maintenance and warranty replacement by EESL	• Replace old fixtures to Smart LED with NLC guidelines for lux level • Automated/Centralized On-off • Dimming • Monitoring and operation Software • Complete Maintenance of entire system after feeder panel for 7 yrs
6	Capital Cost to be incurred by	EESL	Developer/Contractor
7	Lux level measurement	Varied as per the road type i.e. important traffic routes carrying fast traffic, other main routes, secondary roads with considerable traffic and secondary roads with light traffic	As per NLC standard
8	Payment amount	Annuity amount determined taking into account the capital costs, interest on debt , establishment and supervision charges, repair and maintenance cost and	Payment of only electricity bill

		pre-tax return Plus electricity bill	
9	ESCROW	3 months ESCROW to be maintained	3 months ESCROW to be maintained
10	Minimum Guaranteed Savings	EESL assured 50% minimum deemed energy savings from existing energy consumption	60%
11	SLA	95%	99%
12	Capex Cost by EESL/Vendor	Rs 47.2 Cr	Rs 122.25 Cr
13	Opex Cost for 7 Years by EESL/Vendor	Rs 16 Cr	Rs 34.34 Cr
14	Annual Cash Outflow for NMC	Rs 14.5 Cr to EESL (approx.) + Rs 12.08 Cr (Electricity Bill)	Rs 16 Cr (Electricity Bill)
15	Annual Cash Inflow for NMC	None	Rs 1 Cr (approx.)

एमआयसी कंपनीस एलईडी दिवे बसविणेस दिलेल्या कामाबाबतची माहिती

• नाशिक शहरात एलईडी फिटींग बसविणेचे काम मे.एमआयसी कंपनीस मा.स्थायी समिती ठराव क्र. ६५४ दि.२८/०१/२०१३ अन्वये मंजूर झाल्याने दि.२७/०२/२०१३ रोजी करारनामा करणेत आला.

• सदर कामात ६९५४३ एलईडी फिटींग बसविणेचे कामाचा समावेश असून त्याकरिता ८ वर्षात र.रु.२०२ कोटी देण्याचे नमुद होते.

• मे.एमआयसी कंपनीस नाशिक महानगरपालिकेमार्फत दि.१८/०५/२०१४ रोजी ८० कोटी रुपयाची बँक गॅरंटी देणेत आली होती मात्र सदरची बॅक गॅरटी विभागून मिळणेबाबत मक्तेदाराने विनंती केल्याने र.रु.२० कोटी, र.रु.२० कोटी, र.रु.४० कोटी अशी एकूण र.रु.८० कोटी रक्कमेची बॅक गॅरंटी दि.०६/०९/२०१४ रोजी देणेत आली.

• मक्तेदाराने निविदा अटीशर्ती नुसार काम केले नाही. मात्र करारनाम्यातील आपले हक्क अबादीत ठेवून टर्मिनेशनची नोटीस दि.२०/०५/२०१५ रोजी मनपास दिली. मक्तेदाराने जवळपास ३५० फिटींग लावलेल्या आहेत व ३६ वॅटचे ११४३ व ९६ वॅटचे १० फिटींग असे एकूण ११५३ फिटींग मनपा सातपूर स्टोअर मध्ये जमा आहे.

• मक्तेदार बँक गॅरंटीचे रोख्रीकरण करु नये याकरिता नाशिक महानगरपालिकेमार्फत पूणे येथील सिनिअर कौन्सिलर श्री.पी.नारायण यांना नेमून त्यांचे मार्गदर्शनानूसार मा.जिल्हा न्यायालय अब्रिट्रेशन दावा क्र.१० व दिवाणी न्यायालय वरिष्ठ स्तर विशेष दिवाणी दावा क्र.२९४ असे दोन दावे नाशिक न्यायालयात दि.०३/०७/२०१५ रोजी दाखल केलेले आहेत.

• मा.जिल्हा न्यायालय दावा क्र. १० बाबत मा.न्यायालयाने ४० कोटी रुपयाची बँक गॅरंटीचे रोख्रीकरण होवू नये याकरिता दि.०६/०७/२०१५ रोजी अंतिरिम स्थगिती आदेश दिलेला आहे

• सदरचे दोन्ही दावे नाशिक न्यायालयात आज पावेतो सुरु आहेत.

• मे.एमआयसी कंपनीने यापूर्वीच टर्मिनेशनची नोटीस दिलेली आहे. मात्र नवीन कामास स्टे आणू नये याकरिता मा.ॲड पी.नारायण यांचे अभिप्रायानूसार नाशिक न्यायालयात कॅव्हेट दाखल करणेत आलेला आहे व मा.उच्च न्यायालयात कॅव्हेट दाखल करावयाचे काम सुरु आहे.

नागरी स्थानिक स्वराज्य संस्थांनी उर्जा बचतीसाठी एलईडी पथदिवे बसविण्याकरिता ईईएसएलसोबत करारनामा करण्याबाबत.

महाराष्ट्र शासन
नगर विकास विभाग
शासन निर्णय क्रमांक संकीर्ण-२०१७/प्र.क्र.१८३/नवि-२०
मंत्रालय, मुंबई ३२
दिनांक:- ०४ जून, २०१८

संदर्भ :-

(१) शासन निर्णय उद्योग उर्जा व कामगार विभाग क्रमांक अपाऊ-२०१५/ प्र.क्र. ३७८/ उर्जा-७, दिनांक २२ जून, २०१७

(२) शासन निर्णय नगरविकास विभाग क्रमांक संकीर्ण- २०१७/ प्र.क्र.१८३/नवि-२०, दिनांक १२ जानेवारी, २०१८

प्रस्तावना

राज्य शासनाचे उर्जा संवर्धन धोरण उपरोक्त दिनांक २२ जून, २०१७ च्या शासन निर्णयान्वये विहित केले आहे. या धोरणानुसार पथदिवे बसविताना फक्त एलईडी पथदिवे बसविणे बंधनकारक केले आहे. तसेच, सर्व नागरी स्थानिक स्वराज्य संस्थांच्या क्षेत्रात ईईएसएलच्या माध्यमातून एस्को तत्वावर एलईडी पथदिवे बसविण्यासाठी राज्य शासनाने करारनामा केला आहे. त्याअनुषंगाने पुढील अंमलबजावणीसाठी मार्गदर्शक सूचना देण्याची बाब शासनाच्या विचाराधीन होती.

शासन निर्णय

राज्य शासनाच्या उर्जा विभागाच्या, उर्जा संवर्धन धोरण, २०१७ नुसार सर्व नागरी स्वराज्य संस्थांना पथदिवे बसविताना फक्त एलईडी पथदिवे बसविणे बंधनकारक केले आहे. हे धोरण नगर विकास विभागाच्या वतीने स्वीकृत करून राज्यातील सर्व नागरी स्थानिक स्वराज्य संस्थांना लागू करण्याचा निर्णय शासनाने घेतला आहे.

२. त्या अुनषंगाने सर्व नागरी स्थानिक स्वराज्य संस्थांच्या क्षेत्रात केंद्रशासनाच्या सार्वजनिक उपक्रम असलेल्या एनर्जी एफिशिएन्सी सर्विसेस लिमिटेड म्हणजेच ईईएसएलच्या माध्यमातून एस्को तत्वावर एलईडी पथदिवे बसविण्यासाठी राज्य शासनाने ईईएसएलसोबत करारनामा केला आहे. त्यासमवेतच संबंधित नागरी स्थानिक स्वराज्य संस्थेने त्यांच्या क्षेत्रात ईईएसएलच्या माध्यमातून एलईडी पथदिवे बसविण्यासाठी करावयाच्या करारनाम्याचा मसूदा देखिल विहित केलेला आहे. या करारनाम्याच्या प्रती सर्व नागरी स्थानिक स्वराज्य संस्थांना स्वतंत्रपणे पाठविल्या आहेत. **राज्यशासनाच्या सदर निर्णयास अनुसरून सर्व नागरी स्वराज्य संस्थानी पथदिव्यांसाठी फक्त एलईडी दिवे बसविणे व त्यासाठी ईईएसएलसोबत करारनामा करणे त्यांच्यावर बंधनकारक राहील.**

२. या पार्श्वभूमीवर ज्या नागरी स्थानिक स्वराज्य संस्थांना यापूर्वी पथदिव्यांसाठी एलईडी दिवे बसविण्यासाठी वैशिष्ट्यपूर्ण योजना किंवा अन्य योजनेतून राज्य शासनाने निधी मंजूर करण्यात केला असेल, मात्र, दिनांक १२.०१.२०१८ पर्यंत कार्यादेश देण्यात आले नसतील अशा निधीतून या एलईडी

दिवे बसविण्याच्या प्रयोजनासाठी त्यापुढे कोणताही खर्च करण्यात येऊ नये, अशा सूचना समक्रमाकाच्या दिनांक १२.०१.२०१८ च्या शासन निर्णयान्वये देण्यात आल्या आहेत. अशा निधीतून हाती घ्यावयाच्या सुधारीत कामांचा प्रस्ताव शासनाकडे सादर करण्यात यावा व त्यावरील शासनाच्या निर्णयांनतरच पुढील कार्यवाही करण्यात यावी. सदर सूचनांचा पुनरूच्चार करण्यात येत आहे.

३. ईईएसएलच्या माध्यमातून एस्को तत्वावर एलईडी पथदिवे बसविताना नागरी स्थानिक स्वराज्य संस्थेस **सुरवातीला कोणतीही भांडवली गुंतवणूक करावी लागणार नाही**. त्यामुळे, एलडी पथदिवे बसविण्यासाठी शासनाच्या निधीसोबतच, १४ व्या वित्त आयोगाच्या निधीतून किंवा स्वनिधितून देखिल **कोणताही भांडवली खर्च करण्यास प्रतिबंध राहील**.

४. राज्य शासनाच्या उपरोक्त निर्णयानुसार राज्यातील सर्व नागरी स्थानिक स्वराज्य संस्थांनी रस्त्यांवरील प्रकाश व्यवस्थेकरीता (पथदिवे) एलईडी दिव्यांचा वापर करून उर्जा संवर्धन करण्यासाठी ईईएसएल (EESL) या केंद्रशासनाच्या सार्वजनिक उपक्रमाशी करारनामा (MoU) करण्याची कार्यवाही दिनांक ३० जून, २०१८ पर्यंत पूर्ण करावी. महाराष्ट्र नगरपरिषदा, नगरपंचायती व औद्योगिक नगरी अधिनियम १९६५ च्या कलम ७७ (अअ) नुसार राज्य शासनाच्या या धोरणात्मक निर्णयाची कालबध्द अंमलबजावणी करण्याची जबाबदारी संबंधित मुख्याधिकारी यांच्यावर आहे. त्यानुसार राज्यातील सर्व नगरपरिषदा/नगरपंचायतींनी पथदिव्यांसाठी फक्त एलईडी दिवे बसवणे व त्यासाठी ईईएसएल (EESL) सोबत दिनांक ३० जून, २०१८ पूर्वी करारनामा करणे, संबंधित मुख्याधिकारी यांच्यावर बंधनकारक आहे.

५. **राज्यशासनाने** ईईएसएल सोबत केलेल्या करारनाम्याच्या अनुषंगाने संबंधित नागरी स्थानिक स्वराज्य संस्थांशी (महानगरपालिका/नगरपरिषदा/नगरपंचायती) समन्वय साधून पुढील कार्यवाही करण्यासाठी **आयुक्त तथा संचालक नगरपरिषद प्रशासन संचालनालय, मुंबई यांची राज्य शासनाच्या वतीने समन्वयक** म्हणून नियुक्ती करण्यात येत आहे.

६. यानुसार संबंधित शहरांशी करारनामा करण्याचे काम ईईएसएलने यापूर्वीच सूरू केली आहे. ईईएसएलने विविध नागरी स्थानिक स्वराज्य संस्थांशी करारनामा करून एलईडी दिवे बसविण्याची कार्यवाही टप्याटप्याने डिसेंबर, २०१८ पर्यंत पूर्ण करावी.

७. ईईएसएलसोबत करण्यात येणाऱ्या करानाम्यानुसार ॲन्युयिटीच्या खर्चाचा परतावा करण्यासाठी प्रत्येक नागरी स्थानिक स्वराज्य संस्थानिहाय एस्क्रो अकाऊंट उघडण्यात येणार आहे. संबंधित नागरी स्थानिक स्वराज्य संस्था त्यांच्याशी संबंधित ॲन्युयिटीच्या खर्चाचा परतावा या एस्क्रो अकाऊंटमध्ये स्वउत्पन्नातून नियमितपणे भरावा. त्यासाठी नागरी स्थानिक स्वराज्य संस्थांना त्यांना मिळणाऱ्या १४ व्या वित्त आयोगाच्या अनुदानाचा किंवा महानगरपालिकांना वस्तू व सेवा कराच्या भरपाई अनुदानाचा वापर करता येईल. त्याचप्रमाणे, करारनाम्यातील तरतूदीनुसार कोणत्याही नागरी स्थानिक स्वराज्य संस्थेने ईईएसएलसोबत केलेल्या करारनाम्यानुसार देय अन्युईटीचा परतावा ईईएसएलला एस्क्रो अकाऊंट द्वारे प्रदान करण्यात कुचराई केल्यास (Defaulted) अशी देय रक्कम संबंधित नागरी स्थानिक स्वराज्य संस्थेस देय असलेल्या सर्व प्रकारच्या अनुदानातून कपात करून ईईएसएलला वळती करण्यात येईल.

पृष्ठ ४ पैकी २

८. सदर योजना अधिक किफायतशीर (Cost effective) व्हावी यासाठी, राज्य शासनाच्या उर्जा संवर्धन धोरणातील (परिच्छेद ३.१) पथदिव्यांमध्ये उर्जा बचतीचे प्रकल्प राबविण्यासाठी महाउर्जाकडून नागरी स्थानिक स्वराज्य संस्थांना कमाल रूपये ५० लक्ष पर्यंतचे देण्यात येणाऱ्या अर्थसहाय्याची रक्कम उपरोक्त उल्लेखित एस्क्रो अकाऊंटमध्येच जमा करण्यात यावी.

९. यानुसार एलईडी दिव्यांसाठी ईईएसएल सोबत करारनामा करणे व ईईएसएलच्या माध्यमातून उर्जाबचत उपक्रम राबविण्याची व या शासन निर्णयातील सर्व अनुषंगिक बाबींची कोटेकोर अंमलबजावणी करण्याची जबाबदारी संबंधित महानगरपालिका आयुक्त/ मुख्याधिकारी, नगरपरिषद/नगरपंचायत यांची राहील.

१०. हा शासन निर्णय महाराष्ट्र शासनाच्या www.maharashtra.gov.in या संकेतस्थळावर उपलब्ध करण्यात आला असून त्याचा संकेताक २०१८०६०४१५१६१६२०२५ असा आहे. हा आदेश डिजीटल स्वाक्षरीने साक्षांकित करुन काढण्यात येत आहे.

महाराष्ट्राचे राज्यपाल यांच्या आदेशानुसार व नावाने

Dear Sir

With reference to your mail for resubmission of undertaking , we hereby state that we have only adhered to the RFP statement on Page no. 45 Clause 4.1.1 (Survey) - point no. 2 -which clearly states that " Based on NLC standards code for road lighting the Concessionaire has to undertake survey and define the Power requirement for replacement "

The above statement is completely corroborative to our submitted undertaking which states

"We will install appropriate wattage luminaries required across the city to achieve the illumination levels as per the National Lighting Code standards which is to be determined after the survey".

Trust the above statement is already in line with your requirement .

Thanks & Regards

O.No.174 Dated 21/2/2019

To,
Mr. Amol Nisal,
Assistant General Manager- Smart Cities Tata Projects Limited, One Boulevard, 2nd, 3rd, 4th floor, Lake Boulevard Street, Hiranandani Business Park, Powai,
Mumbai- 400076

Subject: - Invitation for negotiations and submission of required undertaking.

Ref: Tender no. 2018_NMC_365389_1 and the Bid submitted by Tata Projects Limited in response to this tender for Smart LED street light system for Pan City in Nashik City.

The bid for above mentioned tender was opened on 05th February 2019. As part of the technical evaluation, the demonstration of Proof of Concept was carried out in the presence of the PoC committee. However, the Lux level of 170 W luminaries installed at the Trimbak road was lower than the lux level defined as per the RFP requirement. However the required lux level was achieved through installation of higher wattage luminaries by your team.

Since higher wattage luminaries were used to achieve the required lux level at Gangapur road, you are here by directed to submit an undertaking as below:

"We will install appropriate wattage luminaries wherever required across the city to achieve the lux level and uniformity as per the RFP requirements. However, the appropriate wattages will be finalized after the survey will be conducted and needs to be approved by the Engineer-In-Charge."

You are required to submit the undertaking via returning email ASAP and submit the hard copy at below address by 06:00 PM on 25th February 2019.

Address:-
Electrical Department, 3rdFloor,
Nashik Municipal Corporation,
Rajiv Gandhi Bhavan, Sharanpur Road,
Nashik - 422002.

Moreover, we would like to request you for reconsidering your quote for the aforesaid tender related with the "Nashik Municipal Corporation (NMC) share out of the overall Monthly savings in % which is presently 5% as per your current quote."

Whereas,The rates quoted for the Buy back of old fixtures and additional fixtures Capex and O&M rates also need to be re-think once.

Kindly share the revised offer ASAP.

Head of the department
Electrical-Mechanical Department,
Nashik Municipal Corporation, Nashik

२) मा.महासभा ठराव क्र.१३८० दि.१०/०१/२०१८

कामाचे नांव
Request for proposal for selection of concessionaire for implementing smart led street lights in lieu of rights of shareing energy savings and advertisement rights on public-private-partnership(PPP) basis for pan city area under Nashik city on design, build, finance, operate, maintain, monetize and transfer (DBFOMMT) basis

नाशिक मनपा क्षेत्रात पीपीपी तत्वावर स्मार्ट स्ट्रीट लाईट प्रकल्प राबविणे या कामाच्या विद्युत विभागाकडील ई-निविदा सुचना क्र.३९(२०१७-१८) अन्वये दि. २८/०३/२०१८ रोजी प्रसिध्द केली असता खालीलप्रमाणे प्रतिसाद प्राप्त झालेला आहे -

प्रथम कॉल :- दि.२८/०३/२०१८ ते २३/०४/२०१८ शुन्य निविदा प्राप्त.

प्रथम मुदतवाढ :- दि.२४/०४/२०१८ ते ०८/०५/२०१८ शुन्य निविदा प्राप्त.

व्दितीय मुदतवाढ:- दि.०९/०५/२०१८ते २३/०५/२०१८ शुन्य निविदा प्राप्त.

सबब सदर कामाची सुधारीत RFP नुसार फेरनिविदा दि. २७/०६/२०१८ रोजी प्रसिध्द करण्यात आली. त्यास खालीलप्रमाणे प्रतिसाद प्राप्त झालेला आहे.

१) प्रथम कॉल :- दि.२७/०६/२०१८ ते २३/०७/२०१८ - शुन्य निविदा प्राप्त.

२) प्रथम मुदतवाढ :- दि.२४/०७/२०१८ ते ०७/०८/२०१८ - शुन्य निविदा प्राप्त

३) व्दितीय मुदतवाढ:- दि.०८/०८/२०१८ ते २३/०८/२०१८ - शुन्य निविदा प्राप्त.

४) तृतीय मुदतवाढ:- दि.२४/०८/२०१८ ते २५/०८/२०१८ - एक निविदा प्राप्त.

वरील प्रमाणे नाशिक मनपा क्षेत्रात स्ट्रीट लाईट प्रकल्प राबविणेबाबत निविदा प्रक्रीया राबविणेत आली होती. सदरच्या निविदा प्रक्रीयेमध्ये ३ वेळा मुदतवाढी अंती M/s.Inspira Enterprises India Pv.Ltd. यांची एकमेव निविदा प्राप्त झाली होती. त्यांची तांत्रीक कागदपत्रे(Envelop-A) छाननी करून दि.०३/०९/२०१८ रोजी निविदा समिती समोर ठेवले असता ते Qualify झाल्यामुळे त्यांची Envelop-B प्रमाणे Demonstration & proof of concept (POC) सुरु करावे यासाठी M/s.Inspira Enterprises India Pvt.Ltd. यांना दि. १५/०९/२०१८ रोजी ईमेल व्दारे कळविण्यात आले.

- त्यावर M/s.Inspira Enterprises India Pv.Ltd. यांनी दि.१७/०९/२०१८ रोजी POC दि.२४/०९/२०१८ रोजी सुरु करत आहे असे कळविले.
- कंपनीने POC दि.२४/०९/२०१८ रोजी सुरु न केल्याने पुन्हा त्यांना स्मरणपत्र देण्यात आले.
- M/s.Inspira Enterprises India Pv.Ltd. यांनी दि.२८/०९/२०१८ रोजीचा केवळ दोनच फिक्सचर्स वर POC सुरु केले परंतू निविदा अटीशर्तीप्रमाणे POC करत नसल्याने त्यांना निविदा अटी-शर्तींनुसार POC मध्ये कोणतेही बदल मान्य होणार नाही असे दि.२९/०९/२०१८ रोजी कळविण्यात आले.
- दरम्यानच्या काळात M/s.Inspira Enterprises India Pv.Ltd. यांनी कोणतेही POC किंवा Demonstration सुरु केले नाही. त्यामुळे या कार्यालयाने दि. ०९/१०/२०१८ रोजी M/s.Inspira Enterprises India Pv.Ltd यांना निविदा अटी-शर्ती प्रमाणे POC सुरु करावे अन्यथा आपली निविदा रद्द करणेत असे कळविले.
- दि.१६/१०/२०१८ रोजी M/s.Inspira Enterprises India Pv.Ltd. यांनी निविदा अटी-शर्ती (RFP) प्रमाणे POC देणे बाबत असमर्थता दर्शविली.

22

398 398 24 02 2016

- तसेच प्रकल्प सल्लागार M/s.KPMG यांचा दि.१७/१०/२०१८ रोजीचा अहवाल सादर केला असता निविदा अटी-शर्तीप्रमाणे M/s.Inspira Enterprises India Pv.Ltd. हे अपात्र ठरत असल्यामुळे सदरच्या कामाची फेरनिविदा मागविणे आवश्यक होते. त्यानुसार प्रकल्प सल्लागार यांनी सादर केलेल्या सुधारीत RFP प्रमाणे फेर ई-निविदा सुचना क्र.१६(२०१८-१९) अन्वये निविदा समितीची मान्यता घेऊन दि.२२/१०/२०१८ रोजी फेरनिविदा काढण्यात आली.

१) दि.३०/१०/२०१८ रोजी प्रि-बीड मिटींग झाली. त्यात आलेल्या मुद्दयांचा खुलासा व स्पष्टीकरण CSD तयार करुन दि.०३/११/२०१८ रोजी प्रसिध्द केला.

२) प्रथम मुदतवाढ :- दि.२२/११/२०१८ ते ११/१२/२०१८ - शुन्य निविदा प्राप्त.

३) व्दितीय मुदतवाढ Corigendum क्र.१ सह देण्यात आली :- दि.१२/१२/२०१८ ते २८/१२/२०१८- शुन्य निविदा प्राप्त.

४) RFP मध्ये सुधारणेबाबत Corigendum क्र.२ प्रसिध्द दि.२४/१२/२०१८

५) तिसरी मुदतवाढ :- दि.२९/१२/२०१८ ते ०८/०१/२०१९ - शुन्य निविदा प्राप्त.

६) चौथी मुदतवाढ :- दि.०९/०१/२०१९ ते १८/०१/२०१९ - शुन्य निविदा प्राप्त.

उपरोक्त चार वेळा मुदतवाढ देऊनही प्रतिसाद मिळत नसल्याने मा.आयुक्त सो. यांचे सुचनेनुसार दुसरी प्री-बिड मिटींग घेण्याचे ठरले व त्यानुसार दि.१६/०१/२०१९ रोजी मिटींग घेण्यात आली. प्री-बिड मिटींग मध्ये आलेल्या सुचनांनुसार त्याची उत्तरे खुलाशासह Corigendum क्र.३ व्दारे दि. १८/०१/०१९ रोजी प्रसिध्द केला व २८/०१/२०१९ पर्यंत पाचवी मुदतवाढ दिली.

७) सहावी मुदतवाढ :- दि.२८/०१/२०१९ ते ३०/०१/२०१९ – एक निविदा प्राप्त.

८) ॲटो मुदतवाढ (महाटेंडर सिस्टीम अंडर मेंटेनन्स असल्याने) :- दि.०४/२/२०१९ पर्यंत एक निविदा प्राप्त.

वरील प्रमाणे अनेक वेळा मुदतवाढी देण्यात आलेल्या आहेत. तसेच कामाच्या निविदेस मुदतवाढी देऊनही अल्प प्रतिसाद बघुन वेळोवेळी मुदतवाढ / फेरनिविदा प्रसिध्द करताना व RFP मध्ये सुधारणा निविदा समितीच्या मान्यतेने सादर केल्या आहेत.

उपरोक्त प्रमाणे मुदतवाढींच्या कालावधीत ऑनलाईन निविदा प्रक्रीयेत एक निविदा प्राप्त झाली असून ती मे.टाटा प्रोजेक्ट्स लि. यांची आहे. सदर निविदेची तांत्रीक कागदपत्रे दिनांक ०५/०२/२०१९ रोजी उघडण्यात आली असून मक्तेदाराने अपलोड केलेली कागदपत्रे या प्रकल्पाचे सल्लागार कंपनी यांचेकडून तपासणी करुन घेण्यात आली. त्यानुसार त्यांनी तपासणीचा अहवाल (Pre qualification evaluation report) दि.०८/०२/२०१९ रोजी सादर केला.

सदरच्या अहवालानुसार तपासले असता निविदा अटीशर्तींतील PQ Condition मध्ये बिडर मे.टाटा प्रोजेक्ट्स लि. हे पात्र होत असल्यामुळे निविदा समितीची मान्यता घेऊन मे. टाटा प्रोजेक्ट्स लि. यांना निविद अटी-शर्तींनुसार Demonstration & Proof of concept (POC) साठी दि.०८/०२/२०१९ रोजी कळविणेत आले.

Proof of concept (POC) साठी मा.आयुक्त सो. यांनी दि.१५/०९/२०१८ अन्वये खालील प्रमाणे तांत्रीक समिती गठीत केली आहे.

१) प्रकल्प अधिकारी MEDA नाशिक

२) कार्यकारी अभियंता MSEDCL नाशिक

३) Electrical-IT Expert प्रकल्प सल्लागार

४) कार्यकारी अभियंता (विद्युत) मनपा नाशिक ५) उप अभियंता (विद्युत) मनपा नाशिक

उपरोक्त समितीने प्रत्यक्ष दि.११/०२/२०१९ ते १८/०२/२०१९ पावेतो स्मार्ट फिटींग व त्याबाबतचे अनुषंगीक साहित्याची On Site प्रत्यक्ष चाचणी व त्याचे Evaluation केले असून त्यात मे.टाटा प्रोजक्टस् हे यशस्वी झाले आहेत व तसा तांत्रीक समितीचा अहवाल प्राप्त झाला आहे. समितीचे गुणवत्ता चाचणी प्रमाणे अहवालातील मुख्य बाबी खालीलप्रमाणे आहेत.

अ. क्र.	फिटींगचा प्रकार	POC साठी आवश्यक संख्या	प्रत्यक्ष वापरण्यात आलेली संख्या	ठिकाण	तांत्रीक पुर्तता अहवाल
१	३० वॅट एलईडी फिटींग	३ नग	३ नग	कृषीनगर लेन नं.१	पुर्तता केली
२	४० वॅट एलईडी फिटींग	३ नग	३ नग	कृषीनगर लेन नं.२	पुर्तता केली
३	५५ वॅट एलईडी फिटींग	३ नग	३ नग	कृषीनगर मुख्य रस्ता	पुर्तता केली
४	८५ वॅट एलईडी फिटींग	३ नग	३ नग	डॉन बॉस्को रोड	पुर्तता केली
५	११० वॅट एलईडी फिटींग	६ नग	६ नग	कॉलेज रोड	पुर्तता केली
६	२१० वॅट एलईडी फिटींग	६ नग	६ नग	गंगापूर रोड	पुर्तता केली
७	स्मार्ट पॅनल	१ नग	१ नग	कृषी नगर	पुर्तता केली

उपरोक्त प्रमाणे मे.टाटा प्रोजेक्टस् यांनी POC साठी आवश्यक तांत्रीक बाबींची पुर्तता केलेली आहे व त्याचा सकारात्मक अहवाल प्रकल्प सल्लागार यांनी सादर केला आहे.

Proof of concept (POC) बाबतचा अहवाल RFP Condition नुसार पुर्तता करत असल्याने निविदा समितीची मान्यता घेऊन मे.टाटा प्रोजेक्टस् यांचे Envlop-C Financial bid दि.२०/०२/२०१९ रोजी उघडणेत आले. त्यामध्ये मे.टाटा प्रोजक्टस् यांनी Commited Energy saving ६०% (साठ टक्के) इतके सादर केलेले आहेत. तसेच मनपा साठी Commited Percentage share ५ % (पाच टक्के) इतका सादर केलेला आहे.

मे.टाटा प्रोजेक्टस् यांना दि.२१/०२/२०१९ रोजी मनपाचा हिस्सा वाढविणे बाबत विचारण करण्यात आली. त्यास त्यांनी Committed Energy saving ६०% इतके व मनपाचा Commited Percentage share ५% इतके बरोबर असले बाबत व त्यामध्ये वाढ करता येणार नसले बाबत मा. आयुक्त साो. यांचे समक्ष झालेल्या बैठकीत सांगितले.

सदर प्रकल्पाची निविदा अटी-शर्तींनुसार ठळक वैशिष्टये खालील प्रमाणे आहेत :-

- सदर प्रकल्पात नाशिक शहरातील संपूर्ण पथदिप हे स्मार्ट एलईडी लाईट्स मध्ये बदलले जाणार आहेत.
- सदर प्रकल्पात मनपास कोणतीही आर्थीक गुंतवणूक करावी लागणार नाही.
- सदर प्रकल्पात पुढील किमान सात वर्ष पथदिप देखभाल दुरुस्ती कंपनी/ Concessionaire यांचे मार्फत करण्यात येणार आहे.
- सदर प्रकल्पात पथदिपांसाठी स्मार्ट पॅनल बसविणेत येणार आहेत.
- सदर प्रकल्पात २० स्मार्ट पोल येणार आहेत.त्यावर ईमर्जन्सी कॉल बॉक्स,पब्लीक ॲड्रेस सिस्टीम व एन्व्हारमेंटल सेंन्सर्स बसविण्यात येणार आहेत.
- सदर प्रकल्पात ९० वॅट व त्यापुढील वॅटेजचे फिटींग्ज हे स्वतंत्ररित्या सुरू, बंद किवा त्याची प्रखरता कमी जास्त करता येणार आहे. तसेच ९० वॅट पेक्षा कमी वॅटेजच्या फिटींग्जचे फिडर लेव्हलला ग्रुप मॉनिटरींग होणार आहे.

- सदर प्रकल्पाकरीता स्मार्ट सिटी अंतर्गत उभारण्यात येणाऱ्या मध्यवर्ती कमांड कंट्रोल सेंटर मध्ये संपुर्ण शहरातील स्मार्ट लाईटींग यंत्रणेचे व कंट्रोल बॉक्सचे Monitoring & Controlling होणार आहे.
- सदर प्रकल्पासाठी ESCRO Account उघडणेत येणार आहे. त्यात मनपा पथदिपांचे बेस लाईन प्रमाणे सरासरी मासीक वीजबिलाची रक्कम भरणा करण्यात येणार आहे. त्यातून पथदिपांचे मासीक वीजबिल मरावि वितरण कंपनीस अदा होईल व बचतीतून मनपाचा हिस्सा मनपास जाईल. तसेच त्यातून सर्व सरकारी कर, दंड अदा केले नंतर उर्वरीत रक्कम Concessionaire यांना मिळणार आहे.
- सदर प्रकल्प राबविताना Concessionaire Inspection report नुसार आवश्यकते प्रमाणे सुरुवातीस पोल, केबल, बॉक्स, अर्थींग इत्यादी अनुषंगीक कामे मनपास करुन दयावी लागणार आहेत व त्यानंतर त्याची देखभाल व दुरुस्ती Concessionaire यांना पुढिल सात वर्ष करावयाची आहे. फक्त पोल खराब झाला व शिफ्टींग असेल तर ते मनपाने करावयाचे आहे.
- सदर प्रकल्पासाठी निविदा अटि शर्तीनुसार Concessionaire यांनी SPV (Special purpose vehicle) स्थापन करता येणार आहे. त्यामध्ये मुख्य Concessionaire कंपनीचे किमान ५१% भाग भांडवल असणेची अट आहे. Concessionaire यांनी SPV स्थापन केली तर करारनामा SPV बरोबर करावयाचा आहे.
- निविदा भरताना Concessionaire यांनी कमीत कमी वीजबचत कमीत कमी ५५% देणे व बचतीतून मनपास कमीत कमी ५% हिस्सा देणेची अट आहे.
- सदर प्रकल्पात प्रत्येक सहा महिन्यांनी शासकीय अभियांत्रिकी महाविदयालय/ तंत्रनिकेतन/मेडा/शासनमान्य एनर्जी ऑडीटर किंवा एआयसीटीई ॲप्रुव्हड अभियांत्रीकी महाविद्यालय यांपैकी एका संस्थेकडून एनर्जी ऑडीट करणेत येणार आहे.
- प्रस्तावीत साधारण ९२०१४ फिटींग्ज् लावले नंतर अतिरिक्त नव्याने लावावयाच्या स्मार्ट लाईट्स साठी Concessionaire यांनी स्वतंत्रपणे दर सादर केलेले आहेत.
- तसेच अस्तीत्वातील पोलवर असलेल्या सर्व प्रकारच्या फिटींग्ज परत घेणे बाबत Concessionaire यांनी स्वतंत्रपणे दर सादर केलेले आहेत.

सदरचा प्रकल्प PPP तत्वावर असल्यामुळे प्रकल्पाचे Concessionaire मे.टाटा प्रोजक्ट्स यांनी LOA/कार्यादेशाच्या दिनांकापासून १५ दिवसांचे आंत PBG (Performance bank guarantee) पुर्तता करणे बाबत केलेल्या विनंती नुसार व मनपास प्रकल्पाची निकड लक्षात घेता, कामाचा आदेश देऊन निविदा अटी-शर्तीप्रमाणे परफॉरमन्स बँक गॅरंटी (PBG) भरुन करारनामा करणेससाठी १५ दिवसांची मुदत देणेत येईल.

सबब वरील बाबींचे अवलोकन होऊन नाशिक मनपा क्षेत्रात PPP तत्वावर स्मार्ट स्ट्रीट लाईट प्रकल्प राबविणेसाठी मे.टाटा प्रोजेक्टस् यांचेशी नियमानुसार करारनामा करणेस मंजुरी देण्यांत येत आहे.

ठराव बहूमताने मंजूर.

work order
~~Letter of Award~~

To,

Mr. Amol Nisal,
Assistant General Manager- Smart Cities
Tata Projects Limited, One Boulevard,
2nd, 3rd, 4th floor, Lake Boulevard Street,
Hiranadani Business Park, Powai,
Mumbai- 400076

Subject: - Selection of Tata Projects Limited as Concessionaire for Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings and Advertisement Rights on Public-Private-Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) Basis.

Ref:

1. Tender no. 2018_NMC_365389_1.
2. Commercial bid Opened on 20th February 2019.

This is with reference to the Request of Proposal (**RFP**) dated 22nd October 2018 invited by Nashik Municipal Corporation Ltd. for "Selection of Concessionaire for Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings and Advertisement Rights on Public-Private-Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) Basis" (**Project**) and subsequent corrigenda.

With reference to above, your commercial bid has been accepted by NMC subject to submission of negotiated rates andan undertaking from the authorized signatory as below:

"We will install appropriate wattage luminaires wherever required across the city to achieve the lux level and uniformity as per the RFP requirements. However, the appropriate wattages will be finalized after the survey will be conducted and needs to be approved by the Engineer-In-Charge."

We may award you this Project subject to the detailed terms and conditions as set out in the contract which is to be executed within 15days of the issuance of this LOAor a revised date which is mutually agreed upon by the parties. You are directed to submit the performance security in the form of Performance Bank Guarantee as per the RFP conditions within 15 days of issuance of this LOA.

The LoA shall remain valid till the Contract is executed between the parties. For the avoidance of doubt, NMC, at its sole discretion, shall have the right to withdraw/rescind this LoA.

You are directed to start the ~~preliminary~~ project activities at the earliest.

Dear Sir,

With reference your mail dated 7th March 2019 we are in receipt of the Letter of Award placed upon Tata Projects Limited for Implementing Smart Street lighting system in Nashik on DBFOMMT basis .

However , with reference to Corrigendum 5 dated 18.01.2019 Annexure A for Formation of SPV , we hereby inform that the SPV has been created which is in line with the RFP conditions .

The details of the SPV - (TP Luminaires Private Limited) , wholly owned subsidiary of Tata Projects Limited are shared as attachment .

The work order and the contract agreement needs to be formalized between NMC and TPLPL

We request you to provide the confirmation for the same

Also as we need to submit the Performance Bank Gurantee before contract signing which will also be provided by TPLPL , kindly confirm the same on urgent basis for further action .

Thanks & Regards

Telangana, India, 500003

*as issued by the Income Tax Department

INCORPORATED UNDER
THE COMPANIES ACT, 2013
COMPANY LIMITED BY SHARES

MEMORANDUM OF ASSOCIATION

OF

TP LUMINAIRE PRIVATE LIMITED

I. The Name of the Company is **"TP LUMINAIRE PRIVATE LIMITED"**

II. The Registered Office of the Company will be situated in the **'State of Telangana'**

III. (a) The objects to be pursued by the Company on its incorporation are:—

1. To participate in the Smart City initiatives of the Government of India by undertaking works related to Smart Lighting projects, and for this purposes to bid for, negotiate, accept, undertake and execute works related to Street Lighting at various places including road crossings, pedestrians crossings, footpaths, ramps, walk ways etc. and to act as contractors, whether on turnkey basis or otherwise, for procurement of materials, goods and services and to carry out works of installation, erection and commissioning of various electrical systems, control systems, safety and security systems; and to erect, install and commission lights or signal poles, cabling systems and illuminate streets, traffic signals, signages and other utilities including electricity distribution feeder pillars and such other utilities.

2. To carry on the business as an infrastructure company in core infrastructure sectors in a Smart City such as providers of services for water supply, electricity supply, sanitation, including solid waste management, efficient urban mobility and public transport, cost-effective housing facilities, IT connectivity and digitalization, e-Governance facilities implementation, sustainable environment, safety and security and health and education either on its own or in association with any other person including any central or state government company, body corporate, limited liability partnership, NGOs or in cooperation with any of them in any lawful manner on engineering, procurement and construction (EPC) basis, on turnkey basis, on Build-Own-Operate-Transfer (BOOT) basis or on any other basis including operation and maintenance(O&M) as may be considered advantageous to the Company as contracted under Smart City initiatives of the Central Government, various State Governments, Union Territories, Municipal or Local Authorities, and other Government Departments and to procure, design, engineer, store, transport, develop, construct, run,

repair, maintain, improve, re-engineer, remodel, build, operate and manage roads, bridges, highways, railways, tramways, waterways, water treatment works, effluent treatment works, gas lines, power generation, power supply works, power transmission, public places and other structures, developments, industrial plants and utilities etc.

3. To undertake works and contracts related to city improvement (retrofitting), city renewal (redevelopment) and city extension (Greenfield development) and such other initiatives with application of Smart Solutions throughout India and to undertake works related to beautification of roads, junctions, footpaths and such other public places including by way of fountains, landscaping, flowerbeds, murals, sculptures etc. and to create awareness about road safety practices, traffic discipline and proper use of facilities including safe walkways, barricades etc.

(b) Matters which Are necessary for furtherance of the objects specified in clause 3(a) are:—

1. To carry on all the business permitted by the objects set out in the main objects herein, either directly or indirectly or through a subsidiary, affiliate or associate of the Company.

2. To establish and maintain offices and / or agencies at any place or places in India or other parts of the world for the conduct of the business of the Company or the purchase and sale of goods, merchandise, materials, articles and things required for or dealt in by or at the disposal of the Company.

3. To employ or to depute personnel or otherwise acquire technical experts, engineers, foremen or skilled and unskilled labour for any of the purposes of the Company.

4. To make undertake, encourage, experiment, research, and invent about the business of the Company.

5. To apply for tender, purchase or otherwise acquire, contracts, subcontracts, licenses and concessions for all or any of them and to undertake, execute, carryout, dispose of or otherwise turn to account the same, and to subject all or any contracts from time to time and upon such terms and conditions as may be thought expedient in relation to the business of the Company.

6. To acquire by concession, grant, purchase, license or otherwise either absolutely or conditionally and either alone or jointly with others land, buildings, machinery, plants, utensils, works, conveniences and such other movable and immovable properties of any description and any patents, trademarks, concessions, privileges, brevets, invention, licenses, protections and concessions conferring any exclusive or limited rights to any inventions, information which may seem necessary for any of the objects of the Company and to construct, maintain and alter any building or work, necessary or convenient for the business of the Company and to pay for such land, buildings, works, property or rights or any such other property and rights purchased or acquired by or for the Company by shares, debentures, debenture stock, bonds or such other securities of the Company or otherwise and manage, develop or otherwise dispose of in such manner and for such consideration as may be deemed proper or expedient to attain the main objects of the Company.

7. Subject to the provisions of the Companies Act, 2013 to amalgamate with any other Company having objects altogether or in part similar to those of this Company.

8. To enter into any arrangement with any Government or Authorities Municipal, local or otherwise or any person or company in India or abroad, that may seem conducive to the objects of the company or any of them and to obtain from any such Government, Authority persons or company any rights, privileges, charters, contracts, licenses and concessions including in particular rights in respect of waterways, roads and highways, which the Company may carry out, exercise and comply therewith.

9. To establish or promote or concur or be interested in establishing or promoting any Company or Companies for the purposes of acquiring all or any of the property, rights and liabilities of the Company or for any other purpose whatsoever and to transfer any property of this Company to any such Company which may seem directly or indirectly calculated to benefit the Company.

10. To apply for and obtain any order of Central/State or such other Authority for enabling the Company to carry on any of its objects into effect or for effecting any modifications of the Company's constitution or any other such purpose, which may seem expedient and to make representations against any proceedings or applications which may seem calculated directly or indirectly to prejudice the company's interest.

11. To enter into partnership or into any arrangement for sharing profits, union of interests, co-operation, joint-venture, reciprocal concessions or otherwise with any person, or company carrying on or engaged in any business or transaction which this Company is authorized to carry on.

12. To provide for the welfare of employees or ex-employees (including Directors and other officers) of the Company and the wives and families or the dependents and shareholders either by grants of money, pensions, allowances, bonus or in any other manner.

13. To purchase or otherwise acquire and undertake the whole or any part of the business, property, rights and liabilities of any company, firms or person carrying on business which this Company is authorized to carry on or is possessed of rights suitable for the objects of this Company.

14. To do all or any of the above things as principals, agents, contractors, trustees or otherwise and by or through trustees, agents or otherwise and either alone or in conjunction with others and to do all such other things as are incidental or as may be conducive to the attainment of the objects or any of them.

15. To promote, form and register, aid in the promotion, formation and registration of any company or companies, subsidiary or otherwise for the purpose of acquiring all or any of the properties, rights and liabilities of this Company and to transfer to any such company any property of this company and to be interested in or take or otherwise acquire, hold, sell or otherwise dispose of shares, stock, debentures and such other securities of all types in or of any such company, subsidiary or otherwise for all or any of the objects mentioned in this Memorandum of Association and to assist any such company and to undertake the management and secretarial or such other work, duties and business on such terms as may be arranged.

16. To refer, agree to refer any claim, demand, dispute or any other question by or against the Company or in which the Company is interested or concern to arbitration to India or at any place outside India, to observe and to do all acts, deeds, matters and other things to carry out or enforce the awards.

17. To pay out of the funds of the Company all costs, charges and expenses which the Company may lawfully pay with respect to the promotion, formation and registration of the Company and/or the issue of its capital or of raising finance including cost of advertising, printing and stationery, brokerage and commission.

18. To open accounts with any bank or financial institution and to draw make, accept, endorse, discount, execute and issue promissory notes, bills of exchange, hundies, bills of lading, warrants, debentures and such other negotiable or transferable instruments of all types and to buy the same.

19. Subject to the provisions of the Companies Act, 2013 including the rules and regulations made therein and the directions issued by Reserve Bank of India to borrow, raise or secure the payment of money or to receive money as loan, at interest for any of the objects of the company and at such time or times as may be expedient, by promissory notes, bills of exchange, hundies, bills of lading, warrants or such other negotiable instruments of all types or by taking credit in or opening current accounts or over-draft accounts with any person, firm, bank or company and whether with or without any security or by such other means, as may deem expedient and in particular by the issue of debentures or debenture stock, perpetual or otherwise and in security for any such money so borrowed, raised or received and of any such debentures or debenture stock so issued, to mortgage, pledge or charge the whole or any part of the property and assets of the Company both present and future, including its uncalled capital, by special assignment or otherwise or to transfer or convey the same absolutely or in trust and to give the lenders power of sale and other powers as may seem expedient and to purchase, redeem or pay off such securities provided that the Company shall not carry on the business of banking within the meaning of the Banking Regulation Act, 1949.

20. To advance money not immediately required by the Company or give credit to such persons, firms or companies and on such terms with or without security as may seem expedient and in particular to customers of and such others having dealings with the Company and to give guarantees or securities of any such persons, firms, companies as may appear proper or reasonable provided that the Company shall not carry on the business of banking, within the meaning of Banking Regulation Act 1949.

21. To improve alter, manage, develop, exchange, mortgage, enfranchise and dispose of, any part of the land, properties, assets and rights and the resources and undertakings of the Company, in such manner and on such terms as the Company may determine.

22. To remunerate any person or company, for services rendered or to be rendered in or about the formation or promotion of the Company or the conduct of its business, subject to the provisions of the Companies Act, 2013.

23. To undertake and execute any trusts, the undertaking of which may seem desirable, either gratuitously or otherwise, for the attainment of the main objects of the Company.

24. To procure the incorporation, registration or such other recognition of the Company in the Country, State or place outside India and to establish and maintain local registers and branch places of the main business in any part of the world.

25. INCORPORATED UNDER
THE COMPANIES ACT, 2013
COMPANY LIMITED BY SHARES

ARTICLES OF ASSOCIATION

OF

TP LUMINAIRE PRIVATE LIMITED

PRELIMINARY

The Regulations contained in Table "F" of the First Schedule to the Companies Act, 2013, so far as the same are applicable to a Private Company as defined in the Act, shall apply to the Company in the same manner as if all such Regulations of Table "F" are specifically contained in these Articles, except to the extent inconsistent with these Regulations and subject to the modifications herein contained.

INTERPRETATION

I. (1) In these regulations --

(a) "the Act" means the Companies Act, 2013,

(b) "the seal" means the common seal of the company.

(2) Unless the context otherwise requires, words or expressions contained in these regulations shall bear the same meaning as in the Act or any statutory modification thereof in force at the date at which these regulations become binding on the company.

The Company shall be a Private Company within the meaning of Section 2(68) of the Companies Act, 2013 and the following provisions shall have effect namely:

"Private Company" means a Company having a paid-up share capital as may be prescribed, and which by its articles,-

(i) Restricts the right to transfer its shares

(ii) Limits the number of its members to two hundred:

Provided that where two or more persons hold one or more shares in the Company jointly, they shall, for the purposes of this clause, be treated as a single member.

Provided further that-

(A) Persons who are in the employment of the Company and

(B) Persons who having been formerly in the employment of the Company, were members of the Company while in that employment and have continued to be members after the employment ceased, shall not be included in the number of members; and

(iii) Prohibits any invitation to the public to subscribe for any securities of the Company.

Share capital and variation of rights

II. 1. Subject to the provisions of the Act and these Articles, the shares in the capital of the company shall be under the control of the Directors who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at a premium or at par and at such time as they may from time to time think fit.

2. (*i*) Every person whose name is entered as a member in the register of members shall be entitled to receive within two months after incorporation, in case of subscribers to the memorandum or after allotment or within one month after the application for the registration of transfer or transmission or within such other period as the conditions of issue shall be provided,—

(*a*) one certificate for all his shares without payment of any charges; or

(*b*) several certificates, each for one or more of his shares, upon payment of twenty rupees for each certificate after the first.

(*ii*) Every certificate shall be under the seal and shall specify the shares to which it relates and the amount paid-up thereon.

(*iii*) In respect of any share or shares held jointly by several persons, the company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.

3. (*i*) If any share certificate be worn out, defaced, mutilated or torn or if there be no further space on the back for endorsement of transfer, then upon production and surrender thereof to the company, a new certificate may be issued in lieu thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the company and on execution of such indemnity as the company deem adequate, a new certificate in lieu thereof shall be given. Every certificate under this Article shall be issued on payment of twenty rupees for each certificate.

(*ii*) The provisions of Articles (*2*) and (*3*) shall *mutatis mutandis* apply to debentures of the company.

4. Except as required by law, no person shall be recognised by the company as holding any share upon any trust, and the company shall not be bound by, or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these regulations or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

5 (*i*) The company may exercise the powers of paying commissions conferred by sub-section (*6*) of section 40, provided that the rate per cent. or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by that section and rule made thereunder.

(*ii*) The rate or amount of the commission shall not exceed the rate or amount prescribed in rules made under sub-section (6) of section 40.

(*iii*) The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.

6. (*i*) If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of section 48, and whether or not the company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a special resolution passed at a separate meeting of the holders of the shares of that class.

(*ii*) To every such separate meeting, the provisions of these regulations relating general meetings shall *mutatis mutandis* apply, but so that the necessary quorum shall be at least two persons holding at least one-third of the issued shares of the class in question.

7. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further share ranking *pari passu* therewith.

8. Subject to the provisions of section 55, any preference shares may, with the sanction of an ordinary resolution, be issued on the terms that they are to be redeemed on such terms and in such manner as the company before the issue of the shares may, by special resolution, determine.

Lien

9 . (*i*) The company shall have a first and paramount lien—

(*a*) on every share (not being a fully paid share), for all monies (whether presently payable or not) called, or payable at a fixed time, in respect of that share; and

(*b*) on all shares (not being fully paid shares) standing registered in the name of a single person, for all monies presently payable by him or his estate to the company:

Provided that the Board of directors may at any time declare any share to wholly or in part exempt from the provisions of this clause.

(*ii*) The company's lien, if any, on a share shall extend to all dividend bonuses declared from time to time in respect of such shares.

10. The company may sell, in such manner as the Board thinks fit, any shares on which the company has a lien:

Provided that no sale shall be made—

(*a*) unless a sum in respect of which the lien exists is presently payable; or

(*b*) until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency.

11. (*i*) To give effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof.

(*ii*) The purchaser shall be registered as the holder of the shares comprised in any such transfer.

(*iii*) The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

12. (*i*) The proceeds of the sale shall be received by the company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable.

(*ii*) The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.

Calls on shares

13. (*i*) The Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times:

Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call

(*ii*) Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the company, at the time or times and place so specified, the amount called on his shares.

(*iii*) A call may be revoked or postponed at the discretion of the Board

14. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be required to be paid by instalments.

15. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

16. (*i*) If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest thereon from the day appointed for payment thereof to the time of actual payment at ten per cent. per annum or at such lower rate, if any, as the Board may determine.

(*ii*) The Board shall be at liberty to waive payment of any such interest wholly or in part.

17. (*i*) Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these regulations, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable.

(*ii*) In case of non-payment of such sum, all the relevant provisions of these regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

18. The Board—

(*a*) may, if it thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and

(*b*) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve per cent per annum, as may be agreed upon between the Board and the member paying the sum in advance.

Transfer of shares

19. ((i) The instrument of transfer of any share in the company shall be executed by or on behalf of both the transferor and transferee.
(ii) The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.

20. The Board may, subject to the right of appeal conferred by section 58 decline to register—

(*a*) the transfer of a share, not being a fully paid share, to a person of whom they do not approve; or

(*b*) any transfer of shares on which the company has a lien.

21. The Board may decline to recognise any instrument of transfer unless—

(*a*) the instrument of transfer is in the form as prescribed in rules made under sub-section (*1*) of section 56;

(*b*) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and

(*c*) the instrument of transfer is in respect of only one class of shares.

22. On giving not less than seven days' previous notice in accordance with section 91 and rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine:

Provided that such registration shall not be suspended for more than thirty days at any one time or for more than forty-five days in the aggregate in any year.

Transmission of shares

23. (*i*) On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a shareholder, shall be the only persons recognized by the company as having any title to his interest in the shares.

(*ii*) Nothing in clause (*i*) shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.

24. (*i*) Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either—

(*a*) to be registered himself as holder of the share; or

(*b*) to make such transfer of the share as the deceased or insolvent member could have made.

(*ii*) The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.

25. (*i*) If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the company a notice in writing signed by him stating that he so elects.

(*ii*) If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.

(*iii*) All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.

26. A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the company:

Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have complied with.

Forfeiture of shares

27. If a member fails to pay any call, or installment of a call, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or installment remains unpaid, serve a notice on him requiring payment of so much of the call or installment as is unpaid, together with any interest which may have accrued.

28. The notice aforesaid shall—

(*a*) name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and

(*b*) state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.

29. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.

30. (*i*) A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit.

(*ii*) At any time before a sale or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.

31. (*i*) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay to the company all monies which, at the date of forfeiture, were presently payable by him to the company in respect of the shares.

(*ii*) The liability of such person shall cease if and when the company shall have received payment in full of all such monies in respect of the shares.

32. (*i*) A duly verified declaration in writing that the declarant is a director, the manager or the secretary, of the company, and that a share in the company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share;

(*ii*) The company may receive the consideration, if any, given for the share on any sale or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of;

(*iii*) The transferee shall thereupon be registered as the holder of the share; and

(*iv*) The transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.

33. The provisions of these regulations as to forfeiture shall apply in the case of nonpayment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

Alteration of capital

34. The company may, from time to time, by ordinary resolution increase the share capital by such sum, to be divided into shares of such amount, as may be specified in the resolution.

35. Subject to the provisions of section 61, the company may, by ordinary resolution,—

(*a*) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;

(*b*) convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination;

(*c*) sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the memorandum;

(*d*) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.

36. Where shares are converted into stock,—

(*a*) the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same regulations under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit:

Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose.

(*b*) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.

(*c*) such of the regulations of the company as are applicable to paid-up shares shall apply to stock and the words "share" and "shareholder" in those regulations shall include "stock" and "stock-holder" respectively.

37. The company may, by special resolution, reduce in any manner and with, and subject to, any incident authorised and consent required by law,—

(*a*) its share capital;
(*b*) any capital redemption reserve account; or
(*c*) any share premium account.

Capitalisation of profits

38. (*i*) The company in general meeting may, upon the recommendation of the Board, resolve—

(*a*) that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the company's reserve accounts, or to the credit of the profit and loss account, or otherwise available for distribution; and

(*b*) that such sum be accordingly set free for distribution in the manner specified in clause (*ii*) amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.

(*ii*) The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in clause (*iii*), either in or towards—

(*A*) paying up any amounts for the time being unpaid on any shares held by such members respectively;

(*B*) paying up in full, unissued shares of the company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid;

(*C*) partly in the way specified in sub-clause (*A*) and partly in that specified in sub-clause (*B*);

(*D*) A securities premium account and a capital redemption reserve account may, for the purposes of this regulation, be applied in the paying up of unissued shares to be issued to members of the company as fully paid bonus shares;

(*E*) The Board shall give effect to the resolution passed by the company in pursuance of this regulation.

39. (*i*) Whenever such a resolution as aforesaid shall have been passed, the Board shall—

(*a*) make all appropriations and applications of the undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid shares if any; and

(*b*) generally do all acts and things required to give effect thereto.

(*ii*) The Board shall have power—

(*a*) to make such provisions, by the issue of fractional certificates or by payment in cash or otherwise as it thinks fit, for the case of shares becoming distributable in fractions; and

(*b*) to authorise any person to enter, on behalf of all the members entitled thereto, into an agreement with the company providing for the allotment to them respectively, credited as fully paid-up, of any further shares to which they may be entitled upon such capitalisation, or as the case may require, for the payment by the company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalised, of the amount or any part of the amounts remaining unpaid on their existing shares;

(*iii*) Any agreement made under such authority shall be effective and binding on such members.

Buy-back of shares

40. Notwithstanding anything contained in these articles but subject to the provisions of sections 68 to 70 and any other applicable provision of the Act or any other law for the time being in force, the company may purchase its own shares or other specified securities.

General meetings

41. All general meetings other than annual general meeting shall be called extraordinary general meeting.

42. (*i*) The Board may, whenever it thinks fit, call an extraordinary general meeting.

(*ii*) If at any time directors capable of acting who are sufficient in number to form a quorum are not within India, any director or any two members of the company may call an extraordinary general meeting in the same manner, as nearly as possible, as that in which such a meeting may be called by the Board.

Proceedings at general meetings

43 (*i*) No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business.

(*ii*) Save as otherwise provided herein, the quorum for the general meetings shall be as provided in section 103.

44 . The chairperson, if any, of the Board shall preside as Chairperson at every general meeting of the company.

45. If there is no such Chairperson, or if he is not present within fifteen minutes after the time appointed for holding the meeting, or is unwilling to act as chairperson of the meeting, the directors present shall elect one of their members to be Chairperson of the meeting.

46. If at any meeting no director is willing to act as Chairperson or if no director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their members to be Chairperson of the meeting.

Adjournment of meeting

47 . (*i*) The Chairperson may, with the consent of any meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn the meeting from time to time and from place to place.

(*ii*) No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

(*iii*) When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of an original meeting.

(*iv*) Save as aforesaid, and as provided in section 103 of the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

Voting rights

48. Subject to any rights or restrictions for the time being attached to any class or classes of shares,—

(*a*) on a show of hands, every member present in person shall have one vote; and

(*b*) on a poll, the voting rights of members shall be in proportion to his share in the paid-up equity share capital of the company.

49. A member may exercise his vote at a meeting by electronic means in accordance with section 108 and shall vote only once.

50. (*i*) In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.

(*ii*) For this purpose, seniority shall be determined by the order in which the names stand in the register of members.

51. A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee or other legal guardian, and any such committee or guardian may, on a poll, vote by proxy.

52. Any business other than that upon which a poll has been demanded may be proceeded with, pending the taking of the poll.

53. No member shall be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the company have been paid.

54. (*i*) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes.

(*ii*) Any such objection made in due time shall be referred to the Chairperson of the meeting, whose decision shall be final and conclusive.

Proxy

55. The instrument appointing a proxy and the power-of-attorney or other authority, if any, under which it is signed or a notarised copy of that power or authority, shall be deposited at

the registered office of the company not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in the case of a poll, not less than 24 hours before the time appointed for the taking of the poll; and in default the instrument of proxy shall not be treated as valid.

56. An instrument appointing a proxy shall be in the form as prescribed in the rules made under section 105.

57. A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the shares in respect of which the proxy is given:

Provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the company at its office before the commencement of the meeting or adjourned meeting at which the proxy is used.

Board of Directors

58. The number of the directors and the names of the first directors shall be determined in writing by the subscribers of the memorandum or a majority of them.

Names of the First Director:

1. MR. HIMANSHU CHATURVEDI
2. MR. GAUTAM BALAKRISHNAN

59. (*i*) The remuneration of the directors shall, in so far as it consists of a monthly payment, be deemed to accrue from day-to-day.

(*ii*) In addition to the remuneration payable to them in pursuance of the Act, the directors may be paid all travelling, hotel and other expenses properly incurred by them—

(*a*) in attending and returning from meetings of the Board of Directors or any committee thereof or general meetings of the company; or

(*b*) in connection with the business of the company.

60. The Board may pay all expenses incurred in getting up and registering the company.

61. The company may exercise the powers conferred on it by section 88 with regard to the keeping of a foreign register; and the Board may (subject to the provisions of that (section) make and vary such regulations as it may thinks fit respecting the keeping of any such register.

62. All cheques, promissory notes, drafts, *hundis*, bills of exchange and other negotiable instruments, and all receipts for monies paid to the company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, by such person and in such manner as the Board shall from time to time by resolution determine.

63. Every director present at any meeting of the Board or of a committee thereof shall sign his name in a book to be kept for that purpose.

64. (*i*) Subject to the provisions of section 149, the Board shall have power at any time, and from time to time, to appoint a person as an additional director, provided the number of the directors and additional directors together shall not at any time exceed the maximum strength fixed for the Board by the articles.

(*ii*) Such person shall hold office only up to the date of the next annual general meeting of the company but shall be eligible for appointment by the company as a director at that meeting subject to the provisions of the Act.

Proceedings of the Board

65. (*i*) The Board of Directors may meet for the conduct of business, adjourn and otherwise regulate its meetings, as it thinks fit.

(*ii*) A director may, and the manager or secretary on the requisition of a director shall, at any time, summon a meeting of the Board.

66. (*i*) Save as otherwise expressly provided in the Act, questions arising at any meeting of the Board shall be decided by a majority of votes.

(*ii*) In case of an equality of votes, the Chairperson of the Board, if any, shall have a second or casting vote.

67. The continuing directors may act notwithstanding any vacancy in the Board; but, if and so long as their number is reduced below the quorum fixed by the Act for a meeting of the Board, the continuing directors or director may act for the purpose of increasing the number of directors to that fixed for the quorum, or of summoning a general meeting of the company, but for no other purpose.

68. (*i*) The Board may elect a Chairperson of its meetings and determine the period for which he is to hold office.

(*ii*) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the directors present may choose one of their number to be Chairperson of the meeting.

69. (*i*) The Board may, subject to the provisions of the Act, delegate any of its powers to committees consisting of such member or members of its body as it thinks fit.

(*ii*) Any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Board.

70. (*i*) A committee may elect a Chairperson of its meetings.

(*ii*) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the members present may choose one of their members to be Chairperson of the meeting.

78. Subject to the provisions of section 123, the Board may from time to time pay to the members such interim dividends as appear to it to be justified by the profits of the company.

79. (*i*) The Board may, before recommending any dividend, set aside out of the profits of the company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the company may be properly applied, including provision for meeting contingencies or for equalizing dividends; and pending such application, may, at the like discretion, either be employed in the business of the company or be invested in such investments (other than shares of the company) as the Board may, from time to time, thinks fit.

(*ii*) The Board may also carry forward any profits which it may consider necessary not to divide, without setting them aside as a reserve.

80. (*i*) Subject to the rights of persons, if any, entitled to shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid, but if and so long as nothing is paid upon any of the shares in the company, dividends may be declared and paid according to the amounts of the shares.

(*ii*) No amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this regulation as paid on the share.

(*iii*) All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date such share shall rank for dividend accordingly.

81. The Board may deduct from any dividend payable to any member all sums of money, if any, presently payable by him to the company on account of calls or otherwise in relation to the shares of the company.

82. (*i*) Any dividend, interest or other monies payable in cash in respect of shares maybe paid by cheque or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of that one of the joint holders who is first named on the register of members, or to such person and to such address as the holder or joint holders may in writing direct.

(*ii*) Every such cheque or warrant shall be made payable to the order of the person to whom it is sent.

83. Any one of two or more joint holders of a share may give effective receipts for any dividends, bonuses or other monies payable in respect of such share.

84. Notice of any dividend that may have been declared shall be given to the persons entitled to share therein in the manner mentioned in the Act.

85. No dividend shall bear interest against the company.

Accounts

86. (*i*) The Board shall from time to time determine whether and to what extent and at what times and places and under what conditions or regulations, the accounts and books of the company, or any of them, shall be open to the inspection of members not being directors.

(*ii*) No member (not being a director) shall have any right of inspecting any account or book or document of the company except as conferred by law or authorised by the Board or by the company in general meeting.

Winding up

87. Subject to the provisions of Chapter XX of the Act and rules made thereunder—

(*i*) If the company shall be wound up, the liquidator may, with the sanction of a special resolution of the company and any other sanction required by the Act, divide amongst the members, in specie or kind, the whole or any part of the assets of the company, whether they shall consist of property of the same kind or not.

(*ii*) For the purpose aforesaid, the liquidator may set such value as he deems fair upon any property to be divided as aforesaid and may determine how such division shall be carried out as between the members or different classes of members.

(*iii*) The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories if he considers necessary, but so that no member shall be compelled to accept any shares or other securities whereon there is any liability.

Indemnity

88. Every officer of the company shall be indemnified out of the assets of the company against any liability incurred by him in defending any proceedings, whether civil or criminal, in which judgment is given in his favour or in which he is acquitted or in which relief is granted to him by the court or the Tribunal.

We the several persons, whose names, addresses and descriptions are subscribed hereunder, are desirous of being formed into a company in accordance with and in pursuance of this Articles of Association.

Sir/Madam,

Sub : Allotment of Tax Deduction Account Number (TAN) as per Income Tax Act,1961

Kindly refer to your application (Form 49B) dated Dec 07, 2018 for the allotment of Tax Deduction Account Number.

In this connection, the following TAN has been issued to you/your organisation:

HYDT09477G

Please quote the same in all TDS challans,TDS Certificates,TDS returns,Tax Collection at Source(TCS) returns as well as other documents pertaining to such transactions.

Quoting of TAN on all TDS returns and challans for payment of TDS is necessary to ensure credit of TDS paid by you and faster processing of TDS returns.

The above TAN should also be used as Tax Collections at Source Account Number under section 206CA.

Kindly note that it is mandatory to quote TAN while furnishing TDS returns, including e-TDS returns. e-TDS returns will not be accepted if TAN is not quoted.

This supersedes all the Tax Deduction / Collection Account Number, alloted to you earlier.

DISCLAIMER

1 Nashik Municipal Corporation (herein after referred to as NMC) has issued this Request for Proposal (hereinafter referred to as "RFP") Up-gradation, Operation and Maintenance of Street Lights in Nashik in Lieu of Right of Sharing Energy Savings ~~and Advertisement Rights~~**(as per corrigendum 5, dated 18.01.2019)** on Public-Private-Partnership (PPP) basis on such terms and Conditions as set out in this RFP document, including but not limited to the Technical Specifications set out in different parts of this RFP document.

2 This RFP has been prepared with an intention to invite prospective Applicants/Concessionaires and to assist them in making their decision of whether or not to submit a proposal. It is hereby clarified that this RFP is not an agreement and the purpose of this RFP is to provide the Concessionaire(s) with information to assist them in the formulation of their proposals. This RFP document does not purport to contain all the information Concessionaires may require. This RFP document may not be appropriate for all persons, and it is not possible for NMC to consider the investment objectives, financial situation and particular needs of each Concessionaire.

3 NMC has taken due care in preparation of information contained herein. However this information is not intended to be exhaustive. Interested parties are required to make their own inquiries and respondents will be required to confirm in writing that they have done so and they do not solely rely on the information contained in this RFP in submitting their Proposal. This RFP includes statements, which reflect various assumptions and assessments arrived at by NMC in relation to the Project. Such assumptions, assessments and statements do not purport to contain all the information that each Concessionaire may require.

4 This RFP is not an agreement by and between NMC and the prospective Concessionaires or any other person. The information contained in this RFP is provided on the basis that it is non– binding on NMC, any of its authorities or agencies, or any of their respective officers, employees, agents, or advisors. NMC makes no representation or warranty and shall incur no liability under any law as to the accuracy, reliability or completeness of the information contained in the RFP document. Each Concessionaire is advised to consider the RFP document as per his understanding and capacity. The Concessionaires are also advised to do appropriate examination, enquiry and scrutiny of all aspects mentioned in the

RFP document before bidding. Concessionaires are encouraged to take professional help of experts on financial, legal, technical, taxation, and any other matters / sectors appearing in the document or specified work. Concessionaires are also requested to go through the RFP document in detail and bring to notice of NMC any kind of error, misprint, inaccuracies, or omission in the document. NMC reserves the right not to proceed with the project, to alter the timetable reflected in this document, or to change the process or procedure to be applied. NMC also reserves the right to decline to discuss the Project further with any party submitting a proposal.

5 No reimbursement of cost of any type will be paid to persons, entities, or consortiums submitting a Proposal. The Concessionaire shall bear all costs arising from, associated with or relating to the preparation and submission of its Bid including but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstrations or presentations which may be required by NMC or any other costs incurred in connection with or relating to its Bid.

6 This issue of this RFP does not imply that NMC is bound to select and pre-qualify Bids for Bid Stage or to appoint the selected Concessionaire for the project and NMC reserves the right to reject all or any of the Bids without assigning any reasons whatsoever.

7 NMC may, in its absolute discretion but without being under any obligation to do so, update, amend or supplement the information, assessment or assumptions contained in this RFP.

8 NMC, its employees and advisors make no representation or warranty and shall have no liability (for any cost, damage, loss or expense which may arise from or is incurred or suffered on account of anything contained in this RFP or otherwise, including but not limited to the accuracy, adequacy, correctness, completeness or reliability of the RFP and any assessment, assumption, statement or information contained therein or deemed to be part of this RFP or arising in any way with eligibility of Concessionaire for participation in the Bidding Process) towards any Applicant or Concessionaire or a third person, under any law, statute, rule, regulation or tort law, principles of restitution or unjust enrichment or otherwise.

9 NMC also accepts no liability of any nature whether resulting from negligence or otherwise howsoever caused arising from reliance of any Concessionaire upon the statement contained in this RFP.

10 Interested parties, after careful review of all the clauses of this 'Request for Proposal', are encouraged to send their suggestions in writing to NMC. Such suggestions, after review by NMC, may be incorporated into this 'Request for Proposal' as a corrigendum which shall be uploaded onto the e-tendering website www.mahatenders.gov.in.

Definitions

In this Authorisation Agreement, the following words and expressions shall, unless repugnant to the context or meaning thereof, have the meanings ascribed to these words and expressions hereunder:

"Additional Cost" shall mean the additional capital expenditure and / or the additional operating costs or both as the case may be, which the Successful Concessionaire would be required to incur as a result of Change in Law.

~~**"Advertisement Rights" shall mean the rights of the Successful Concessionaire to display messages including pictures relating to and/or promoting products/goods, services, events, persons, etc. and including any feature or scheme relating to such products/goods, services, events, persons, etc. (such messages being hereinafter referred to as "advertisements") on surface areas mounted on street light poles by the Project as specified in this RFP to this Agreement subject to all legal requirements in connection with such advertisements being met. Further, the Advertisement Rights include the right of the Successful Concessionaire to market the availability of these surface areas for the display of advertisements to prospective users (including use of the said surface areas for such marketing) and to recover from the End Users displaying advertisements on these surface areas the charges as may be mutually agreed between the Successful Concessionaire and the End Users in question and further to retain/appropriate the revenues from such charges.~~ **(as per corrigendum 5, dated 18.01.2019)**

"Agreement" shall mean this Authorisation Agreement with its recitals and schedules, and includes any amendments hereto made in accordance with the provisions hereof.

"Applicable Law" means and includes any statute, law, bye-law, rule, regulation, ordinance, judgment, order, decree, injunction, writs or orders of any court of record, clearance, directive, guideline, policy, requirement, or other governmental restriction or any similar form of decision of, or determination by, or any interpretation or administration having the force of law of any of the foregoing, by any Government Agency having jurisdiction over the matter in question, whether in effect as of the date of this Authorisation Agreement or thereafter.

"Applicable Permits" shall mean all clearances, permits, authorizations, consents and approvals required to be obtained or maintained by the Successful Concessionaire under Applicable Law in connection with the installation, O&M of the Installed Facilities and/or exercise of the Right of Sharing Energy Savings ~~**Advertisement Rights**~~ **(as per corrigendum 5, dated 18.01.2019)** by the Successful Concessionaire during the subsistence of this Agreement.

"Appointed Date" shall mean the date of the signing of this Agreement.

"Approved Design" shall mean the design covering the dimensions, drawings, features, specifications, calculations, technical information, etc. of the Smart LED street lights along with timer on the existing street light poles ~~**and advertisement hoardings**~~ **(as per corrigendum 5, dated 18.01.2019)** covered by the Project, to be submitted by the Successful Concessionaire and duly \approved by NMC with any revisions deemed essential by NMC, in line with the provisions of this Agreement.

"Authorisation Period" shall mean the period commencing from the Appointed Date and extending till the expiry of eighty four months from the Commercial Operations Date, provided however that the last day of the relevant month shall be considered for this purpose.

"Commercial Operations Date (COD)" shall mean the date on which the Project Officer issues the Completion Certificate to the Successful Concessionaire and the date on which the Operation & Maintenance Period would commence.

"Completion Certificate" shall mean the certificate issued by the Project Officer nominated by NMC to the Successful Concessionaire after ensuring that the Installed Facilities have been completed by the Successful Concessionaire as per the Approved Design and can be operated safely.

"Construction Period" shall mean a period of maximum 270 (Two Hundred and Seventy) days from the date of the approval of design till the Scheduled Completion Date or the Commercial Operations Date, whichever is earlier, during which the Successful Concessionaire undertakes the Construction Works.

"Construction Works" shall mean all the works at the Project Site required to be undertaken by the Successful Concessionaire in conformity with the specifications mentioned herein and the Approved Design for the installation and commissioning of LED street lights along with timer on the existing street light poles and O&M of street lights along with all poles, fixtures, fittings and related civil works covered by the Project.

"Emergency" shall mean a condition or situation that is likely to endanger the safety of the individuals on or about the Installed Facilities or which poses an immediate threat of material damage to any of the Installed Facilities.

"Encumbrance" shall mean any encumbrance such as mortgage, charge, pledge, lien, hypothecation, security interest, assignment, privilege or priority of any kind having the effect of security or other such obligations and shall include without limitation any designation of loss payees or beneficiaries or any similar arrangement under any insurance policy pertaining to the Project, physical encumbrances, claims for any amounts due on account of taxes, cesses, electricity, water and other utility charges and encroachments on the Project Site.

~~**"End Users"** shall mean any Third Party whom the Successful Concessionaire enters into or has entered into an arrangement allowing them to display advertisements on any part or all of the surfaces covered by the **Advertisement Rights (as per corrigendum 5, dated 18.01.2019)** granted to the Successful Concessionaire as per the provisions of this Agreement.~~

"Successful Concessionaire" shall mean M/s _____ (name of the Successful Concessionaire). ADD PROPER DEFINITION FOR THIS STAGE OF RFP.

Project	Means the provision, installation, commissioning, Monetization and O&M of Smart LED streetlights in the Pan City area of the city of Nashik
Project Company	Means the new company to be floated by the Successful Concessionaire, in case such Successful Concessionaire is a Consortium
Performance Security	Means as prescribed in clause 31. 1
Scope of Work	Means the services to be provided by Concessionaire as detailed in Section IV
Successful Concessionaire	Means the Concessionaire who is eligible for signing the Concession Agreement in terms of the Bidding Process
Statement of Legal Capacity	Means the statement as prescribed in Form 20
Technical Proposal	Means the documents to be submitted by the Concessionaire in its Bid under Envelope B as prescribed in Clause 3.18
Technical Capacity	Means as provided in clause 3.21.2 (5) (i)

Section: I - Invitation for Proposal

1. Invitation for Proposal

NMC hereby invites Proposals for Provision, Installation, Commissioning, Monetization and O&M of LED streetlights in the Pan City area of Nashik City. Concessionaire/ Agencies are advised to study this RFP document carefully before submitting their proposals in response to the RFP Notice. Submission of a proposal in response to this notice shall be deemed to have been done after careful study and examination of this document with full understanding of its terms, conditions and implications.

The complete bidding document has been published on *https://mahatenders.gov.in* for the purpose of downloading. The downloaded bidding document shall be considered valid for participation in the electronic bidding process (e-Tendering) subject to the submission of required tender/ bidding document fee and EMD. Concessionaires who wish to participate in this bidding process must register on *https://mahatenders.gov.in*. *For any type of clarifications, Concessionaires can visit www.mahatenders.gov.in or contact help desk contact no. 01204200462, 01204001002 Mobile no. +919881044457, 8826246593, 9987912844, Email id-support-eproc@nic.in.*

To participate in online bidding process, Concessionaires must procure a Digital Signature Certificate (Class - II) as per Information Technology Act-2000 using which they can digitally sign and encrypt their electronic bids. Concessionaires can procure the same from any CCA approved certifying agency, i.e. TCS, Safe crypt, Ncode, etc. Concessionaires who already have a valid Digital Signature Certificate (DSC) need not procure a new DSC.

1. A three-envelope selection procedure shall be adopted as stipulated in Para no.3.19 of this RFP.
2. Concessionaire (authorized signatory) shall submit their offer online in electronic formats for preliminary qualification, technical and financial proposal. However, tender document fees should be deposited in the account details provided in the bid document. And EMD in form of Demand draft/ ~~**Bank guarantee**~~ should be uploaded on mahatenders.
3. NMC will not be responsible for delay in online submission due to any reason. For this, Concessionaires are requested to upload the complete bid proposal, EMD in Demand Draft/ ~~**Bank Guarantee**~~, pay online Tender fee well advance in time so as to avoid issues like slow speed, choking of web site due to heavy load or any other unforeseen problems.
4. Concessionaires are also advised to refer Concessionaires Manual Kit available at *https://mahatenders.gov.in* for further details about the e-tendering process.

Section: II - Key Events and Dates

2. Key Events and Dates

2.1. Dates

#	Information	Details
1	**Date of issue of Bidding Document**	**to be updated**
2	**Last date of receiving the queries**	**to be updated**
3	**Pre-bid meeting**	**to be updated**
4	**Last date (deadline) for submission of bids online (Bid Due Date)**	**to be updated**
5	**Last date for submission of hard copy**	**To be intimated separately to the bidders.**
6	**Date Time and Place of opening of Technical proposals**	**to be updated Nashik Municipal Corporation , Rajiv Gandhi Bhavan, Sharanpur Road, Nashik - 422001**
7	**Date Time and Place of opening of Financial proposals**	**To be intimated separately to the technically qualified bidders.**

2.2. Other Valuable Information Related to Bid

#	Item	Description
1.	**Earnest Money Deposit (EMD)**	**Rs. 85,00,000/-**
2.	**Tender fees to be paid online**	**Rs. 10000/-+ Rs. 90/- + GST (CGST 9%+SGST 9%)**
3.	**Bid Validity Period**	180(One Hundred and Eighty)days from the date of opening of Financial Bid Or Expressly withdrawn from bidder after 180 days

#	Item	Description
4.	**Last date for furnishing Performance Security to NMC (By successful Concessionaire)**	Within fifteen (15) working days of the date of notice of award of the contract or prior to signing of the contract whichever is earlier or as intimated in the LOA issued by NMC.

If there is delay in 100% installation then BG needs to be extended Accordingly. Moreover, the PBG for O&M needs to be submitted separately amounting to Rs. 2 Cr. which needs to be extended every year till project duration needs to be extended accordingly 1 month prior to expiry. The PBG renewal charges need to be borne by Concessionaire."***
5.	**Performance Security/Performance Bank Guarantee (PBG) validity period**	Valid till 90 (Ninety) days beyond the contract / authorisation period.
6.	**Last date for signing contract**	As prescribed in the LOA.

Section: III - Instructions to Concessionaires

3. Instructions to Concessionaires

3.1. Background

The NMC is providing municipal services in its jurisdiction catering to a population of about 19 lakh citizens and is desirous of replacing existing energy consuming street lights with more energy efficient Light Emitting Diode (the "LED") bulbs and install smart control and monitoring network, hereafter referred to as the 'Project'. The main objective is to upgrade and rehabilitate Nashik city's existing street light network and provide a new smart infrastructure to achieve substantial reduction in the energy consumption and carbon emission. As part of this endeavor, the NMC intends to select a suitable entity through a competitive bidding process, who would implement the project and undertake its operation and maintenance on Design, Build, Finance, Operate, Monetize, Maintenance and Transfer (the "DBFOMMT") basis for a period of 7 Year with installation period of 9(nine) months. Pursuant thereto, the NMC, has decided to carry out the Bidding Process for selection of the Concessionaire to whom the Project may be awarded. ~~**For monetization, revenue generation can be done through Advertisement rights on pole across Nashik. (as per corrigendum 5, dated 18.01.2019)**~~

The NMC has approved the Project to be developed through private participation on DBFOMMT basis.

3.2. Purpose

NMC is desirous of replacing the existing streetlights/floodlights in Nashik Pan City area with suitable wattage for guaranteed Lux Levels by dimmable LED streetlights/floodlights in line with the specifications as provided in the Bidding Document. ~~**Project also includes Monetization through advertisement revenue**~~ **(as per corrigendum 5, dated 18.01.2019)**. This document provides information to enable the Concessionaires to understand the broad requirements to submit their bids.

3.3. Cost of RFP

Prior to submitting the Bids, the Concessionaires shall pay Bid Document Fee using available net banking option/ credit card/ debit card on e-procurement portal of Govt. of Maharashtra i.e. https://mahatender.gov.in. The Concessionaires are advised to make online payment at least three days prior to Bid Due Date to avoid any banking transfer delays. The receipt towards payment shall be uploaded during the online submission of Bid document. It is clarified that the Bid Document Fee is non-refundable.

3.4. Change in Ownership

By submitting the Bid, the Concessionaire shall be deemed to have acknowledged and agreed that in the event of a change in control of the Concessionaire itself or an Associate whose Technical Capacity or the Holding Company whose Financial Capacity was taken into consideration for the purposes of Short Listing and Qualification under and in accordance with this RFP, the Concessionaire shall be deemed to have knowledge of the same and shall be required to inform the NMC along with all relevant particulars about the same. NMC may, in its sole discretion, approve the same or disqualify the Concessionaire or withdraw the LOA from the Selected Concessionaire, as the case may be. In the event such change in control occurs after signing of the Concession Agreement but prior to financial close of the Project, it would, notwithstanding anything to the contrary contained in the Concession Agreement, be deemed to be a breach of the Concession Agreement, and the same shall be liable to be terminated without the NMC being liable in any manner whatsoever to the Concessionaire. In such an event, notwithstanding anything to the contrary contained in the Concession Agreement, the NMC shall be entitled to forfeit and appropriate the Bid Security or Performance Security, as the case may be, as damages, without prejudice to any other right or remedy that may be available to the NMC under the Bid Documents and/ or the Concession Agreement or otherwise.

3.5. Transfer of RFP

The Bidding Document is not transferable to any other Concessionaire. The Concessionaire who purchases the document and submits the Bid shall be the same.

3.6. Consortium

The Concessionaires are allowed to form Consortium subject to the following conditions:

1. The number of Consortium members **cannot exceed three**, including the Lead Member.
2. Only the Lead Member will submit the Proposal and sign the Contract with NMC
3. No bidder can be a part of more than one bid. The partners of a Consortium are not allowed to bid individually or as part of another consortium.
4. In case of a Consortium Bid, the Lead Member would also need to submit the Agreement between the Consortium members for the Contract clearly indicating the segregation of scope of work of each member. Such Agreement should be prepared

on non-judicial stamp paper of Rs. 100 and is required to be submitted along with the Technical Proposal.

5. All the signatories of the Consortium Agreement shall be authorized by a Power of Attorney signed by the respective Managing Director or Board resolution and authorization letters of Board of Directors of the Companies.
6. Each Consortium member shall execute and submit along with the Technical Proposal, Authority Letter in favor of the Lead Member which shall inter-alia, authorize the Lead Member to act for and on behalf of such member of the Consortium and do all acts as may be necessary to or for the performance under the contract.
7. The Consortium Agreement shall provide at least the following information in respect of the Consortium members that the Concessionaire will engage to provide any of the services required under this RFP.
    a. Brief description of nature of products/services to be provided by Consortium member;
    b. Head and Branch offices (if responsible for work under the contract) (provide mailing addresses, phone, fax and email);
    c. Date, form and state of incorporation of each Consortium member;
    d. Contract Administrator (Name, business address, fax, phone and email address of individual responsible for administering any Contract that might result from this RFP);
    e. Company Principals (Name, title and business address); and,
    f. Current or prior successful partnerships with proposed Consortium member including Client reference (Contact name, phone number, dates when services were performed).
8. The Consortium Agreement concluded by the Lead Member and Consortium member(s) should also be addressed to NMC clearly stating that the Agreement is applicable to the contract executed out of this RFP and shall be binding on them for the Contract Period. Notwithstanding the Agreement, the responsibility of completion of job under the contract will be with the Lead Member.
9. Change in members of the Consortium of the successful Concessionaire anytime during the Contract will be allowed only with prior approval of NMC.

10. The Lead Member shall be solely liable to and responsible for all obligations towards NMC for performance of works/services including that of its partners/associates under the contract.

3.7. Completeness of Response

I. Concessionaires are advised to study all instructions, forms, terms, requirements and other information in the RFP documents carefully. Submission of bid shall be deemed to have been done after careful study and examination of the RFP document with full understanding of its implications.

II. The response to this RFP should be full and complete in all respects. Failure to furnish all information required by the RFP document or submission of a proposal not substantially responsive to the RFP document in every respect will be at the Concessionaire's risk and may result in rejection of its Proposal and forfeiture of the Bid EMD and therefore.

3.8. Proposal Preparation Costs

I. The Concessionaire shall submit the bid at its cost and, NMC shall not be held responsible for any cost incurred by the Concessionaire. Submission of a bid does not entitle the Concessionaire to claim any cost and rights over NMC and NMC shall be at liberty to cancel any or all bids without giving any notice.

II. All materials submitted by the Concessionaire shall be the absolute property of NMC and no copyright /patent etc. shall be entertained by NMC.

3.9. Concessionaire Inquiries

Concessionaire shall send in their queries by email to **ee_electrical@nmc.gov.in /pmc@nashiksmartcity.in** . The response to the queries will be published ***https://mahatenders.gov.in***. No telephonic queries will be entertained. This response of NMC shall become integral part of RFP document.

NMC shall endeavor to respond to the questions raised or clarifications sought by the Concessionaires. However, NMC reserves the right not to respond to any question or provide any clarification, in its sole discretion and is not under any obligation to entertain/ respond to suggestions made or to incorporate modifications sought for.

3.10. Amendment of RFP Document

I. All the amendments made in the document would be published at ***https://mahatenders.gov.in*** website and shall be integral part of RFP and the bidding document.

II. The Concessionaires are advised to visit the aforementioned website on regular basis for checking latest updates of this RFP document. The NMC

also reserves the rights to amend the dates mentioned in this RFP for successful bid process.

3.11. Supplemental Information to the RFP

If NMC deems it appropriate to revise any part of this RFP or to issue additional data to clarify an interpretation of provisions of this RFP, it may issue supplements to this RFP. Any such corrigendum or Addendum issued shall be deemed to be incorporated by this reference into this RFP.

3.12. NMC's right to terminate the process

NMC may terminate the RFP process at any time and without assigning any reason. NMC reserves the right to amend/edit/add delete any clause of this Bid Document. However, any such amendment/editing/addition/deletion of any para/clause would be published at **https://mahatenders/gov.in**

3.13. Earnest Money Deposit (EMD)

For Earnest Money deposit (EMD) submission shall be in form of Demand Draft/ Bank Guarantee payable at Nashik as per Tender format in favour of NMC against EMD should be uploaded on website with tender documents. Original Copy of EMD Demand Draft/ ~~**Bank guarantee**~~ must be SUBMITTED IN Envelope on or before due date and time of Tender at office of Executive Engineer, Electrical Department, NMC, Nashik.

Any Bid not accompanied with EMD in form of Demand Draft/ ~~**bank guarantee**~~ shall be rejected.

EMD in form of Demand draft/ Bank guarantee should be drawn in favour of "Nashik Municipal Corporation" payable at Nashik from a Nationalised Bank located in India in the format as per Tender Annexure – II. In case of Joint venture lead partner may submit the EMD BG.

Bidder must upload scanned copy of Cash receipt of e-Tender processing fee & Bank guarantee towards EMD along-with the offer. Otherwise offer will be treated as irresponsive.

I. The EMD shall be denominated in Indian Rupees only. No interest will be payable to the Concessionaire on the amount of the EMD.
II. Bids submitted without adequate EMD will be rejected.
III. Unsuccessful Concessionaire's EMD shall be returned within 60 days from the date of opening of the financial bid.
IV. EMD of Successful Concessionaire will be returned after the award of contract and submission of the performance Security within specified time and in accordance with the format given in the RFP.
V. EMD shall be non-transferable.
VI. The EMD may be forfeited:

a) If a Concessionaire withdraws its bid or revises/ increases its quoted prices during the period of bid validity or its extended period, if any.
b) If Successful Concessionaire fails to sign the Contract or to furnish Performance Security within specified time in accordance with the format given in the RFP.
c) If during the bid process, a Concessionaire indulges in deliberate act that would jeopardise or unnecessarily delay the process of bid evaluation and finalisation. The decision of the NMC regarding forfeiture of the Bid Security shall be final and binding upon Concessionaires.

3.14. Language of Bids

This Bid should be submitted in English language only. If any supporting documents submitted are in any language other than English/Hindi/Marathi, translation of the same in English language is to be duly attested by the Concessionaire and summited in the Bid, and English translation shall be validated at NMC's discretion.

3.15. Patent Claim

In the event of any claim asserted by a third party for infringement of copyright, patent, trademark or industrial design rights arising from the use of the goods or any part thereof, the successful Concessionaire shall expeditiously close such claim. If the Concessionaire fails to comply and NMC is required to pay compensation to a third party resulting from such infringement, the Concessionaire shall be responsible for such compensation, including all expenses, court costs and lawyer fees. NMC shall give notice to the successful Concessionaire of any such claim and recover it from the Concessionaire.

3.16. Contact Details

For any clarifications & communication with reference to the RFP documents, the Concessionaires are expected to communicate at the contact information provided below:

Head of Electrical Department
Nashik Municipal Corporation,
Rajiv Gandhi Bhavan,
Sharanpur Road, Nashik – 422001
Email Id: **ee_electrical@nmc.gov.in / pmc@nashiksmartcity.in**
Phone: 0253-2222439

3.17. Pre-Bid queries on RFP

Concessionaire shall send in their pre-bid queries as prescribed in the format specified in section VI of this RFP to the contact address at which the bids are to

be submitted as well as the email id mentioned in section 3.16 of this RFP. The response to the queries will be published on www.maharashtra.gov.in No telephonic queries will be entertained.

3.18. Number of Bids

The Concessionaire is eligible to submit only one Bid for the Project. In case of multiple Bids by a Concessionaire either as sole Concessionaire or as a member of Consortium all such Bids shall be rejected and their EMD shall stand forfeited.

3.19. Site visit and the verification of information

The Concessionaires are encouraged to submit their respective Bids after visiting the site, and ascertaining for themselves the Site conditions, the quality and quantity of light (lux level) requirement, site surroundings for compliance of environment protection, availability of power, and other utilities for construction, availability and access to site, handling and storage of materials, seismic data, soil testing, applicable laws and regulations, labor laws, local bye-laws and any other matter considered relevant by them which will affect the outcome of the Project.

It shall be deemed that by submitting the Bid, the Concessionaire has:

a. made a complete and careful examination of the Bidding Document;
b. received all relevant information requested from the NMC ;
c. acknowledged and accepted the risk of inadequacy, error or mistake in the information provided in the RFP or furnished by or on behalf of the NMC relating to any of the matters referred above; and
d. Agreed to be bound by the undertakings provided by it under and in terms hereof.

The NMC shall not be liable for any omission, mistake or error on the part of the Concessionaire in respect of any of the above or on account of any matter or thing arising out of or concerning or relating to the Bidding Document or the Bidding Process, including any error or mistake therein or in any information or data given by the NMC. It is the sole responsibility of the Concessionaire to ascertain the accuracy of the data provided by NMC.

3.20. Bid Submission Format

The Bids shall be submitted strictly as per the format specified in this Request for Proposal. The Bids in deviation from the prescribed format are liable for rejection.

3.21. Submission of Bids

The Bids submitted by the Concessionaire shall comprise of the following 3 (three) envelopes. A 3 (Three) envelope/ cover system shall be followed for the bid –

a) Tender Fee, EMD and Pre-qualification criteria
b) Technical bid and Demonstration
c) Financial bid

The Bid shall include the following documents: -

#	Documents Type	Document Format
Tender Fee, EMD Detail & Pre-Qualification- Envelope –A		
1.	Tender Fee	Scanned copy of Tender Fee payment receipt
2.	EMD	Scanned copy of EMD in form of Demand Draft~~/ bank Guarantee~~
3.	Pre-qualification	As per the format mentioned against the respective eligibility criteria clause.
Technical Qualification Documents and Demonstration- Envelope –B		
4.	Technical Bid and Demonstration	As per the format mentioned against the respective eligibility criteria clause
Financial Bid – Envelope –C		
5.	Financial Bid	As per the format mentioned

The Concessionaire should ensure that all the required documents, as mentioned in this RFP/ bidding document, are submitted along with the bid and in the prescribed format only. Non- submission of the required documents or submission of the documents in a different format/ contents may lead to the rejection of the bid proposal submitted by the Concessionaire.

The Bids shall be submitted in three Envelope.

Envelope –A: Tender Fee, EMD Detail and Pre-qualification criteria

The Envelope A shall be submitted in physical form in original in one copy and another in PDF format shall be uploaded on **www.mahatenders.gov.in** duly digitally signed. ***The bids not received online will be rejected.*** If there are any discrepancies, online bid will prevail. The physical signed Envelope A shall be marked as "ORIGINAL".

Envelope A will contain:

a. EMD in form of Demand draft ~~/ Bank Guarantee~~.
b. Copy of Tender Fee receipt
c. Signed copy of this RFP.
d. The Bid will have to be signed and submitted by the proper authorized person as appointed by the Concessionaire.

e. Bid in the prescribed format (Annexure-I) along with Annexes and supporting documents;

f. Power of Attorney for signing the Bid as per the format at Form-3A;

h. Copy of the Joint Bidding Agreement, in case of a Consortium, substantially in the format at Form 10;

i. Copies of Concessionaire's duly audited balance sheet and profit and loss account for the preceding 3 (three) years, I.e. 2016-17, 2015-16, 2014-15.

j. Duly certified CA Certificates for Average Annual Net worth and Net Cash Accrual for the last 3 (three) Financial Years as per the format at Form 9.

k. Declaration duly signed by signatory of the Concessionaire in the official letterhead stating that Concessionaire has understood the scope of work and site conditions and carried out necessary site visits and completely comprehended the geographical aspects, works, land use as pacts and all normal and specific quality, safety, health and environment requirement and has sufficient resources such as qualified and experienced man power, material land equipment/instruments to carry out the scope of work.

Envelope –B: **Technical Bid and Demonstration shall be superscripted as:** The Technical Bid shall be submitted in physical form in original in one copy and another in PDF format shall be uploaded on **www.mahatenders.gov.in** duly digitally signed. The bids not received online will be rejected. If there are any discrepancies between online submission and hard copy submission, online bid will prevail. Technical bid shall contain following documents:

1. Guaranteed technical particulars of LED street lights and accessories as per Section V of this document.
2. The Concessionaire shall submit the following documents/ technical details for technical evaluation:
    a. Technical Catalogue of Product.
    b. LM79 Measurement Report for the luminaries tested in NABL & BIS certified laboratory for testing of Luminaries.
    c. LM80 Report for the LEDs used (supplied by LED manufacturer).
3. Compliance Forms as per the format in Annexure II.

Note: Demonstration will be part of the technical evaluation. However, no documents need to be submitted in this envelope for the demonstration purpose. The evaluation sheet will be shared with the Concessionaire during the time of demonstration.

Envelope –C: FINANCIAL BID

The Financial Bid shall be submitted **online only**.

1. Financial bid shall contain only the duly filled in final financial bid format as in Annexure III duly signed and stamped by authorized signatory and covering letter duly signed by the authorized signatory and stamped on the letter head of the Concessionaire and it should be uploaded online only.

2. The Concessionaire has to quote guaranteed energy saving in percentage terms (minimum **55% (as per Corrigendum 1 dated 11.12.2018))** along with the percentage revenue share offered to NMC (minimum 5%) out of the total revenue earned by the Concessionaire from energy saving under this project.

All taxes, charges, levies, duties, advertisement tax (as per corrigendum 5, dated 18.01.2019) etc. shall be borne by the Concessionaire till the completion of the Project.

(as per Corrigendum 5 dated 18.01.2019,clarification was provided that, "The revenue shared with NMC should be exclusive of GST component. Bidder and NMC to pay the GST Component of their shared revenue, separately, to the Tax authorities)

3.22. Disqualification

The Proposal is liable to be disqualified in the following cases or in case the Concessionaire fails to meet the bidding requirements as indicated in this RFP:

i. Proposal not submitted in accordance with the procedure and formats prescribed in this document or treated as non-conforming Proposal.
ii. During validity of the Proposal, or its extended period, if any, the Concessionaire increases their quoted prices.
iii. The Concessionaire qualifies the Proposal with their own conditions.
iv. Proposal is received incomplete.
v. Proposal is received after due date and time.
vi. Proposal is not accompanied by the EMD.
vii. If the Concessionaire provides quotation only for a part of the Project.
viii. Information submitted in Technical Proposal is found to be misrepresented, incorrect or false, accidentally, unwittingly or otherwise, at any time during the processing of the Contract (no matter at what stage)
ix. Financial Proposal is enclosed with the Technical Proposal.
x. Concessionaire tries to influence the Proposal evaluation process by unlawful/corrupt/fraudulent means at any point of time during the Bid process.
xi. In case anyone Concessionaire submits multiple proposals or if common interests are found in two or more Concessionaires, the Concessionaires are likely to be disqualified, unless additional Proposals/Concessionaires are withdrawn upon notice immediately.

xii. Concessionaire fails to deposit the Performance Bank Guarantee (PBG) or fails to enter into a Contract within 15 Days of the date of issue of Letter of Intent or within such extended period, as may be specified by the NMC.

xiii. The validity of the bids submitted before deadline shall be till 180 days from the date of opening of the Bids.

xiv. While evaluating the Proposals, if it comes to the NMC's knowledge expressly or implied, that some Concessionaires may have colluded in any manner whatsoever or otherwise joined to form an alliance resulting in delaying the processing of Proposal then the Concessionaires so involved are liable to be disqualified for this Contract as well as for a further period of three years from participation in any of the RFPs floated by the NMC.

xv. If the Bid Security Pre-Qualification Proposal, Technical Proposal contain any information on price, pricing policy, pricing mechanism or any information indicative of the Financial aspects of the Bid

xvi. Concessionaire doesn't agree to the Terms and Conditions stipulated in the RFP or the Draft / Signed Contract Agreement.

3.23. Bid Opening

I. Envelope A containing EMD, Tender Fee and Pre-Qualification shall be opened initially in the presence of Concessionaires.

II. Envelope B containing the Technical Proposal shall be opened of only those Concessionaires who qualify in the Envelope A.

III. Envelope C containing the Financial Proposal shall be opened of only those Concessionaires who qualify in the Envelope A & B and will remain unopened until the time of opening of the Financial Proposals.

IV. At the end of the evaluation of the Envelope A- Pre-qualification and Envelope B Technical Proposals, NMC shall invite Concessionaires who have qualified for the opening of the Financial Proposals. The date, time, and location of the opening of Financial Proposals will be informed by NMC to qualified Concessionaires.

3.24. Evaluation Process

3.24.1. Bid Evaluation Committee

I. NMC's Bid Evaluation Committee that shall oversee the bid evaluation process and submit its recommendation to Competent Authority whose decision shall be final and binding upon the Concessionaires is as follows:

a. Additional Commissioner, NMC

b. CEO, NMSCDCL

c. Chief Account and Finance Officer(CAFO),NMC

d. Chief Auditor, NMC

e. H.O.D. Electrical Department, NMC

3.24.2. Process of Evaluation

II. Concessionaires who qualify in Envelope 'A' shall be considered for further Technical evaluation and demonstration.

III. Concessionaire shall be evaluated for Envelope A as per EMD, Tender Fee and prequalification criteria mentioned above at 3.23. The Concessionaires who fulfil all the prequalification criteria in Envelope A, would be evaluated as per Technical Bid scrutiny and demonstration as mentioned in Envelope B.

IV. Concessionaires who qualify in Envelope B will be eligible for opening of Envelope C. Amongst the Concessionaires who are considered for financial evaluation, the Concessionaire quoting the highest offer for revenue sharing as per the financial format in Annexure II with the NMC will be awarded the work.

V. Revenue sharing and NMC energy bill deposit will be start after the implementation period.

VI. The Competent Authority reserves the right to accept or reject any or all bids without giving any reasons thereof.

3.24.3. Pre-Qualification Criteria

Incorporation:

The Concessionaire or if it's a consortium, All the members of the Consortium shall be registered under Indian Companies Act, 1956 or 2013 or a Partnership Firm registered under Indian Partnership Act, 1932 or a Limited Liability Partnership Firm under Limited Liability Partnership Firm Act 2008 and **Lead Bidder (as per corrigendum 1 dated 11.12.2018)** should have been in existence for minimum of 5 years from the last date of submission of the bid. Certificate of incorporation or registration of the organization to be provided. The Concessionaire / Lead Concessionaire or if it's a consortium, All the members of the Consortium should have PAN, TAN certificates and GST registration.

Technical Capacity:

The Concessionaire shall demonstrate in past 5 financial years as on Bid Due Date the following technical capacity:

i. **The Concessionaire (The Lead bidder in case of Consortium) must have at least 100 human resources as on last date of bid submission. A certificate from the head of HR Department is to be submitted in this regard.**

Clarification was provided as per Corrigendum 5 dated 18.01.2019, *"This is to clarify that 100 human resource includes payroll/contractual staff Or any other mode of engagement deemed fit by your organization."*

ii. The Concessionaire (The lead bidder or any member of the consortium) should have experience of at least
   i. One project which involved 10,000 nos. or
   ii. Two projects which involved 5,000 nos. each or
   iii. Three projects which involved 4,000 nos. each

   LED Fixture Installation with any State / Central Govt. organization/ private organization in last 5 years from the last date of submission of bid in India **or global level (international experience) as per Corrigendum 1 dated 11.12.2018**

iii. The Concessionaire (The lead bidder or any member of the consortium) will have to produce successful commissioning certificate and Successful energy saving performance from any Government Authority for at least one existing project of smart street LED lighting. Client Certificate along with Copies of work orders or completion certificate received from the client(s) to be provided

iv. The Concessionaire or if it's a consortium, all members of consortium should not have been blacklisted/ debarred/ terminated by any of the Central/State Government Department/Board/PSUs/Municipal Corporations for fraudulent or corrupt practices as on the date of the submission of the bid.

Financial Capacity:

i. The Concessionaire (Lead member in case of Consortium) should have average **annual turnover of Rs. ~~150~~ 100 Crore (as per Corrigendum no 5 dated 18.01.2019) (Also clarified in corrigendum 3 dated 21.12.2018, that, *"Turnover of only bidding entity is considered and not of its subsidiary or parent"* i**n the last 3 financial years 2014-15, 2015-16 and 2016-17, Supporting documents, Financials statements duly certified by Auditor / Chartered Accountant should be submitted.

ii. The Concessionaire (Lead member in case of Consortium) shall have a minimum average net worth of Rs. 20 Crore (Rupees Twenty Crore) as on 31st March, 2017, duly certified by Auditor / Chartered Accountant
   The net worth will be calculated as:
   Net Worth = (Paid up & Subscribed Equity Capital + Reserves) LESS (Revaluation reserves + miscellaneous expenditure not written off + reserves not available for the distribution to the equity shareholders + accumulated losses)

3.24.4. Envelope B: Technical Evaluation and Demonstration

Each Proposal which qualifies in Envelope A shall be scrutinized further technically for checking whether the offered hardware meets the RFP requirements along with technical specification of the product. In case, the bid is found technically responsive then the Concessionaire will be called for demonstration and the Concessionaires successful in the demonstration will qualify for further evaluation of Envelope C (Financial Bid). In case in NMC 's opinion if there is a material deviation from the RFP requirement, it will treat the bid as non-responsive and may disqualify the Concessionaire. The Envelope C of such disqualified Concessionaire shall not be opened. NMC reserves the right to decide whether the deviation is material or not.

Demonstration and Technical Bid:

i. The Concessionaire has to demonstrate successful operation of the offered LED street light solution as indicated below, failing which the Concessionaire shall be rejected. (Conditions to be defined for rejection like Lux levels, watt loss or non—operation of lights within one week, or individual light control, scheduling or dimming criteria not working)

ii. The Concessionaires are required to demonstrate their products for site testing and verification by a committee of NMC to demonstrate physically that the offered product meets the technical specification.

iii. For 90 Watt and above fixture's proof of concept to be shown with minimum **6 fixtures** on existing street light poles of the street light segment at locations as directed by the NMC Committee with the individual on-off/dimming/ individual data points (On/Off/Fault) addressing controlled LED Street light fixtures

iv. For 90 Watt below Smart LED fixture's proof of concept to be shown with minimum **3 fixtures** of each wattage on existing street light poles of the street light segment at locations as directed by the NMC Committee with the feeder panel level group on-off with optional dimming and individual data points (On/Off/Fault) addressing controlled LED Street light fixtures.

v. The proposed proof of concept of smart led to be on the basis of the demonstration, Lux Level measurements and watt loss of the installed fixtures will be checked and verified which will be documented by NMC Committee.

vi. Following use cases to be show in the Proof of Concept:-

Sr. No.	Use Cases
1	Minimum 6 no. of Smart LED fixture of each 90 Watt and above fixtures to be demonstrate.
2	90 Watt and above Smart LED street light with Individual On-Off via CSLSM

Sr. No.	Use Cases
3	90 Watt and above Smart LED street light with Individual Dimming via CSLSM
4	90 Watt and above Smart LED street light with Individual Addressing via CSLSM
5	Minimum 3 no. of each wattage of fixtures below 90 Watt to be demonstrate
6	90 Watt below smart LED group on-off at feeder panel level via CSLSM
7	90 Watt below smart LED group/ individual dimming on-off via feeder panel (OPTIONAL) via CSLSM
8	90 Watt below smart LED group/ Individual data point (On/Off/Fault and voltage, current, wattage and Power Factor per phase) addressing via feeder panel via CSLSM. To identify the working of fixtures via feeder panel.
9	GIS Mapping of each fixtures on City Map
10	Web portal of CSLSM
11	Reports

vii. No repeat observations / demos will be required to be done after the joint demonstration (with Concessionaire and NMC). The Lux Level measurements will be done as per the standards given in RFP. Third Party inspection will be done by MEDA/Government college/ Third Party as per decision by NMC

viii. The venue and time of testing shall be communicated after opening of Technical Bid.

ix. The Concessionaire has to report to the Engineer-in-Charge for testing along with the required products and instruments at least one 1 (day) before the commencement of the testing so that necessary arrangements for replacement of existing fixtures and installations for the testing and demonstration can be taken up.

x. NMC or third party (appointed by NMC) will provide required measurement devices for the measurement of different parameters like total consumption including watt loss and Lux Levels.

xi. The Concessionaires who fail to report for the testing with their products and instruments as specified shall be rejected.

xii. The offers of the Concessionaire whose product fail to work satisfactorily during the testing shall also be rejected.

xiii. The offers of Concessionaires whose products do not conform to the specifications during the onsite testing shall be out rightly rejected.

xiv. No cost for the demonstration shall be borne by NMC. NMC shall also not be held responsible for accident or for any damage or failure of the

products or instruments during the demonstration. Adequate safety arrangements need to be made by the Concessionaire for safety of human being and equipment.

3.24.5. Envelope C: Financial Bid Evaluation

NMC will evaluate Financial Proposals of all the qualified Concessionaires of Envelope B. If there is a discrepancy between words and figures, the amount in words shall prevail. For any other calculation/ summation error etc. the bid may be rejected.

S no.	Particulars	Bid Quote
A	Guaranteed Monthly Energy Savings with maintaining required Lux level as per table no. 1 in %. *Minimum Quote of* ***55%*** **(as per Corrigendum 1 dated 11.12.2018)** *(In percentage)*	A
B	Nashik Municipal Corporation (NMC) share out of the overall Monthly savings in % *(Minimum Quote of 5%) (In percentage)*	B
C	**Minimum Monthly Energy Savings to NMC (in INR)**	**A*B*Unit Rate*Baseline Consumption**
	Note	
	Evaluation criteria will be solely on Highest Bid Parameter (C) and Highest Energy saving.	

Details of Energy saving from individual pillar will be amicably decided as follows.

1) Actual energy consumption reading (pillar wise) will be taken before & after replacement of LED Fitting for consecutive 3 days considering more than 98% street lights working, with third party certification.

2) If actual energy saving percentage found above than committed (Guaranteed) energy saving percentage, then NMC sharing will be considered on higher saving percentage.

3) If actual energy saving percentage found below than committed (Guaranteed) energy saving percentage, difference between committed & actual energy saving will be recovered from bidder as per the tariff rates mentioned in the bid (Remuneration Fee)

4) The revenue shared with the Nashik Municipal Corporation should be exclusive of GST. That is, it is after deducting the GST component. GST has to be paid by the bidder separately to the tax authorities.

5) Bidder has to prove by demonstration to NMC officials guaranteed energy savings with LUX levels mentioned in RFP Guidelines without any dimming, without any Change in NMC infrastructure failing with bidder would be disqualified"

3.24.6. Signing of Contract

The successful Concessionaire shall enter into Concession agreement with NMC within the time frame mentioned in the LoA.

Once the LOA has been issued in favour of the selected Bidder, the selected Bidder may require to form an appropriate Special Purpose Vehicle, in form of a Company under the Indian Companies Act, 2013 (the "SPV"), to execute the Concession Agreement and implement the Project.
In case the Selected Bidder is a Consortium, it shall, in addition to forming an SPV, comply with the following additional requirements:
a. The lead bidder shall have an equity share holding of at least 51% (fifty one per cent) of the paid up and subscribed equity of the SPV for period of 5 years from the date of formation of SPV. The lead bidder shall hold minimum 26% of equity till the completion of project.
b. The shareholder agreement should be submitted along with roles & responsibilities of each member.
(As per corrigendum 5 dated 18.01.2019)

3.25. Fraud and Corrupt Practice

1 The Concessionaires and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Bidding Process. Notwithstanding anything to the contrary contained herein, the NMC shall reject a Bid without being liable in any manner whatsoever to the Concessionaire if it determines that the Concessionaire has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the Bidding Process.

2 Without prejudice to the rights of the NMC, if a Concessionaire is found by the NMC to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Bidding Process, such Concessionaire shall not be eligible to participate in any tender or RFP issued by the during a period of 3 (three) years from the date such Concessionaire is found by the NMC to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, as the case may be.

3 For the purposes, the following terms shall have the meaning hereinafter respectively assigned to them:

a) **corrupt practice** means

i. the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of any person connected with the Bidding Process (for avoidance of doubt, offering of

employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of the NMC who is or has been associated in any manner, directly or indirectly with the Bidding Process or the LOA or has dealt with matters concerning the Concession Agreement or arising there from, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of the NMC, shall be deemed to constitute influencing the actions of a person connected with the Bidding Process); or

ii. engaging in any manner whatsoever, whether during the Bidding Process or after the issue of the LOA or after the execution of the Concession Agreement, as the case may be, any person in respect of any matter relating to the Project or the LOA or the Concession Agreement, who at any time has been or is a legal, financial or technical adviser of the NMC in relation to any matter concerning the Project;

b) **fraudulent practice** means a misrepresentation or omission of facts or suppression of facts or disclosure of incomplete facts, in order to influence the Bidding Process;

c) **coercive practice** means impairing or harming or threatening to impair or harm, directly or indirectly, any person or property to influence any person's participation or action in the Bidding Process;

d) **undesirable practice** means

i. establishing contact with any person connected with or employed or engaged by the NMC with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Bidding Process; or

ii. having a Conflict of Interest;

e) **Restrictive practice** means forming a cartel or arriving at any understanding or arrangement among Concessionaires with the objective of restricting or manipulating a full and fair competition in the Bidding Process.

3.26. Supplementary Information/Corrigendum/Amendment to the RFP

1 At any time prior to the deadline (or as extended by NMC) for submission of bids, NMC for any reason, whether at its own initiative or in response to clarifications requested by the Concessionaire may modify the RFP document by issuing amendment(s) or issue additional data to clarify an interpretation of the provisions of this RFP. Such supplements / corrigendum to the RFP issued by NMC would be displayed on www.mahatenders.gov.in, any such supplement /

corrigendum / amendment shall be deemed to be incorporated by this reference into this RFP.

2 Any such supplement / corrigendum / amendment will be binding on all the Concessionaires. NMC will not be responsible for any misinterpretation of the provisions of this Tender document on account of the Concessionaires failure to update the Bid documents based on changes announced through the website.

3.27. Right to termination

NMC may terminate the RFP process at any time and without assigning any reason. NMC makes no commitments, express or implied, that this process will result in a business transaction with anyone. This RFP does not constitute an offer by NMC. The Concessionaire's participation in this process may result in NMC selecting the Concessionaire to engage towards execution of the contract.

3.28. Interlineation of bids

The Bid shall contain no interlineations or erasures. In case of any overwriting, the place needs to be signed by the Authorized signatory.

3.29. Late Bids

Bids received after the due date and the specified time (including the extended period if any) for any reason whatsoever, shall not be entertained.

3.30. Acknowledgement of understanding

By submitting a Proposal, each Concessionaire shall be deemed to acknowledge that he has carefully read all sections of this RFP, including all forms, schedules, annexure, corrigendum and addendums (if any) hereto, and has fully informed itself as to all existing conditions and limitations.

3.31. Miscellaneous

1 The Bidding Process shall be governed by, and construed in accordance with, the laws of India and the Courts at Nashik, India shall have exclusive jurisdiction over all disputes arising under, pursuant to and/ or in connection with the Bidding Process.

2 The NMC, in its sole discretion and without incurring any obligation or liability, reserves the right, at any time, to:

a) suspend and/ or cancel the Bidding Process and/ or amend and/ or supplement the Bidding Process or modify the dates or other terms and conditions relating thereto;

b) consult with any Concessionaire in order to receive clarification or further information;

c) Qualify or disqualify any Concessionaire and/ or to consult with any Concessionaire in order to receive clarification or further information;

d) retain any information and/ or evidence submitted to the NMC by, on behalf of, and/ or in relation to any Concessionaire; and/ or

e) Independently verify, disqualify, reject and/ or accept any and all submissions or other information and/ or evidence submitted by or on behalf of any Concessionaire.

3 It shall be deemed that by submitting the Bid, the Concessionaire agrees and releases the NMC, their employees, agents and advisers, irrevocably, unconditionally, fully and finally from any and all liability for claims, losses, damages, costs, expenses or liabilities in any way related to or arising from the exercise of any rights and/ or performance of any obligations hereunder, pursuant hereto and/ or in connection herewith and waives any and all rights and/ or claims it may have in this respect, whether actual or contingent, whether present or future.

4 The Concessionaire shall acquaint itself with the work and working conditions at site and locality. No claim shall be entertained on this issue after the offer has been submitted.

5 The cost of preparing the Bid including a visit to the site or office etc. will not be reimbursed as a direct cost of the assignment and NMC is not bound to accept any of the Bids submitted.

6 Any accessories/items which may not have been mentioned in the specification but are required for satisfactory commissioning of the work shall be deemed to be included in the Contract and shall be provided by the Concessionaire without extra charges later on.

7 The Concessionaires may visit the target street light segment to estimate the work before submitting their bids at their own cost.

8 NMC reserves the right to order the final quantity.

The pages of documents, technical specifications, bids, supporting documents etc. shall be duly signed by the authorized signatory and company seal should be affixed or each page. All pages should be properly numbered and tagged or bound to avoid loss of information during processing of documents. Any part of which is not specifically signed by the authorized signatory and not affixed with company seal shall not be considered for the purpose of evaluation.

Section: IV – Scope of Work

4. Scope of Work

Background

Electric streetlights are essential elements of a city environment and services. They affect residents' sense of safety while influencing a city's ability to create an inviting environment for business and tourism. Unfortunately, these existing outdoor lights consume good amount of energy. Therefore, following are desired in designing and implementation of street lightings:

- Reduce energy consumption, cost, and its maintenance;
- Enhance situational awareness, real-time collaboration, and decision making across city;
- Add intelligent IT innovations to transportation, civic utilities, public safety without adding significantly more physical infrastructure;
- Real-time data communications with low latency to improve safety and security.

4.1. Scope of work

Design, Finance, Supply, Installation, Testing, Commissioning, Monetization, Maintenance of below systems and services for 7 Years 9 months with minimum guarantee energy savings of **55% (as per Corrigendum 1 dated 11.12.2018). On demand of the concessionaire the concession period will be extended for next 3 years on the condition to maintain the minimum Performance criteria's as per the RFP based on mutual discussions after successful completion of 6 years of O&M duration (as per corrigendum 5 dated 18.01.2019)**

The Pan City of Nashik, has approximately 80685 street light poles and about 92014 fixtures on these existing street light poles. The Concessionaire is required to dismantle the existing light fixtures, feeder panel and handover to Electrical Department, Nashik Municipal Corporation at a specified location within Nashik City & replace them with new smart LED lights.

4.1.1. Survey:

1 The Concessionaire to carry out survey of all the roads in PAN City area where the new LED Light Fixtures are to be installed.

2 Based on NLC standards code for road lighting the Concessionaire has to undertake survey and define the Power requirement for replacement.

3 **Concessionaire needs to submit a detailed report of survey and design to NMC.(Within 30 days). (as per corrigendum 1 dated 11.12.2018)**

4.1.2. Replacement:

1 The Concessionaire has to replace all the existing conventional and non-conventional light fittings as mentioned below with new smart LED luminaries having following features
   - 90 watt and above fixtures should have Individual On-off Control, Individual dimming and individual addressing (On/Off/Fault, Fault type, voltage, current, wattage and Power Factor per phase)
   - 90 watt below fixtures should have group on-off control and group dimming. Individual dimming and group/individual addressing is optional.

2 The LED luminaries shall have the maximum coverage area on ground. The Concessionaire shall get approval for a sample of the replacement LED luminaries from NMC before procurement/ implementation of the project work in this regard.

4.1.3. Implementation

1 The total comprehensive warranty for these new LED lights is for throughout the Project duration of 7 Years and installation period 9 months from the date of GO-Live. During this period, the Concessionaire has to provide the replacement of all defective LED luminaries and other equipment's related to LED fittings of all types installed.

2 The Concessionaire shall replace the defective LED luminaries, feeder panel and its supporting accessories throughout the project duration.

3 For maintenance of the LED luminaires & CSLMS components, the Concessionaire shall depute their technical staff / engineers in order to avoid any dispute or mishandling of any item by NMC staff. The complete responsibility of making them operational will be of the Concessionaire.

4 The communication connectivity between CSLMS components and CSLMS software for managing and monitoring of LED luminaires shall be borne and maintained by the Concessionaire throughout the Project duration.

5 Concessionaire will have to install same quantity of LED luminaires after replacement of the following existing luminaires:

#	Wattage	Count
1	Sodium Vapor 70 W	28056
2	Sodium Vapor 150 W	28731
3	Sodium Vapor 250 W	8841
4	Sodium Vapor 400 W	1817

#	Wattage	Count
5	T5 96W	8010
	Total	**75455**

#	LED Fixtures(Wattage)	Count
1	45 W	**3522 (as per corrigendum 3, dated 21.12.2018)**
2	60 W	**9481 (as per corrigendum 3, dated 21.12.2018)**
3	90 W	2976
4	120 W	580
	Total	**16559**

6 The total number of luminaires to be replaced under the project may vary by ±10% before the completion of implementation.

7 The Concessionaire shall also operate and maintain all Switch points/ feeder panels.

8 The Concessionaire need to convert minimum 20 regular pole into multi utility pole having Emergency Call Box (ECB), Public Addressing System (PAS) and Environmental Sensor.

4.1.4. Procure, supply Install, commission, integrate and maintain CSLMS solution for 7 Years 9 months:

1 The Concessionaire has to supply CSLMS software and Integrate CSLMS software with Nashik Smart City Operation Centre.

2 The Concessionaire shall host the CSLMS software on cloud environment. NMSCDCL is floating a RFP for setting up of Smart City Operation Centre (SCOC) along with Data Centre. In future, the Concessionaire shall be responsible to migrate, integrate the CSLMS software to the Smart City Operations Centre (SCOC) from the cloud environment.

3 Concessionaire needs to provide access to backend data and system of CSLMS to NMC.

4.2. Guaranteed savings:

The minimum guaranteed energy savings, with the installation of LED street lights, should be **55% (as per Corrigendum 1 dated 11.12.2018)** of monthly baseline energy consumption under concessionaire for the next 7 Years 9 months. Baseline energy consumption is based on both Conventional and non-conventional street lights as per present status.

4.3. Monetization Through Advertisement

1 The Successful Concessionaire shall also install, operate and maintain advertisement flex (Regular and digital) under this project. As per an initial assessment, 10000 street light poles on major roads are considered for computation of minimum guaranteed advertisement revenue under the project with maximum two hoardings per street light pole. Each hoarding on street light poles shall have a maximum dimension of 2 feet in length / height and 3 feet in width which shall be mounted on street light poles as per the applicable rules / regulations / laws / policies / acts, etc.

2 The Successful Concessionaire shall be free to charge the end users for advertising street light poles subject to applicable law and collect/appropriate such revenues during the authorisation period and shall pay the municipal taxes.

3 If NMC is not satisfied with bidders efforts in achieving maximum potential from advertisement on pole or median as described in the RFP in the time period of 21 months i.e. implementation period of 9 months and 1st 12 months of Operation and maintenance period. NMC may decide on taking appropriate alternative/additional sources decision to achieve maximum revenue on the pending poles or median on which advertisement installation is not done. (as per Corrigendum 5, dated 18.01.2019)

4.3.1. Survey:

1 The Concessionaire shall carry out survey of all the roads in PAN City area for determining poles for advertisement site.

4.3.2. Selection of Advertisements

1 The Concessionaire shall take into account the following aspects while selecting advertisements for the Display Board.

a. The advertisement shall have no objectionable and indecent portrays of people, products or any items. The advertisements should not hurt the sentiments of any group or groups of the society.

b. The use of NMC name, logo or title without prior permission is strictly prohibited. No co-branding with NMC is allowed, without prior permission.

c. The Concessionaire shall strictly follow all the rules and regulations of model code of conduct.

d. The Concessionaire shall remove the objectionable advertisement on NMC as and when directed by NMC with regard to the removal of the advertisement the decision of the NMC shall be final and binding on the Concessionaire.

e. The Concessionaire shall be responsible for payment of municipal taxes as applicable (advertisement tax).

f. The Concessionaire can place LED advertisement screen (dual sided) having size 2*3 ft between street pole on median.

g. Concessionaire can either place LED screen/flex/digital flex either on median or on the poles not on both in same location. Concessionaire will place this led screen after the approval from NMC.

h. Concessionaire will make sure no damage will be done to median landscaping and infrastructure while putting the led screens and flex.

i. The Concessionaire shall implement Digital Billboards on minimum 10% of the street light poles as permissible under the applicable laws / rules / acts etc. The cost of power, meter and all other fixtures related to the digital billboard will be borne by the Concessionaire.

j. No damage shall be caused to the street light poles in any manner.

k. Any damage shall be made good by the Concessionaire else the same shall be recovered from the Performance Security.

4.3.3. Advertising Rights

a. The Successful Concessionaire cannot display any advertisement before receipt of the Completion Certificate issued by the Project Officer.

b. The Successful Concessionaire shall comply with the Applicable Laws regulating the display of advertisements and NMC cannot be held liable for any change/ modification in these laws that adversely affect this Agreement or any breach of Applicable Law by the Successful Concessionaire. No claim or compensation on this account will be allowed.

c. The Successful Concessionaire shall be free to set charges for the display of advertisements to be paid by End Users in line with the market requirements and acceptance of these charges by the End Users. However, the Successful Concessionaire shall be liable to pay all applicable taxes related to the usage of hoardings on street light poles for the display of advertisements and the revenues generated from such activity to NMC.

d. On digital billboards, the Concessionaire shall provide 5% time during each hour of operation, free of cost to NMC for display of public service messages of noncommercial nature.

e. Poles Identified for Initial Assessment for Computation of Minimum Guaranteed Advertisement Revenue are provided in Annexure VIII.

4.3.4. Additional Monetization Through Wi-Fi

1 The Concessionaire may subject to permission of NMC may deploy Wi-Fi module on street light poles and consider them for revenue generation

activities. Such revenue generated from Wi-Fi modules can be retained by the Concessionaire. (as per corrigendum 5, dated 18.01.2019)

4.4. CONCESSIONAIRE Project Structure

Particular	Structure for CONCESSIONAIRE Project
Model	ESCO – Design, Build, Finance, Operate, Monetize, Maintain & Transfer (DBFOMMT) Model
Parameters for Evaluation of Financial bids	1 Overall Quoted Guaranteed Energy Savings (%) from retrofitting of street light fixtures 2 Percentage share of overall energy saving revenue offered to NMC from the guaranteed savings proposed by CONCESSIONAIRE; ~~**3 Percentage share of revenue generated from advertisement on street light poles**~~
Project Coverage	Retrofitting and O&M of identified switching points and respective street light fixtures that are installed on Street light Infrastructure provided by NMC. Successful Concessionaire will deploy LED streetlight smart networking solution consisting of i. 90 watt and above fixtures should have Individual On-off Control, Individual dimming and individual addressing (On/Off/Fault, Fault type, voltage, current, wattage and Power Factor per phase) ii. 90 watt below fixtures should have group on-off control and group dimming. Individual dimming and group/individual addressing is optional. iii. CSLMS Feeder Control Panels iv. CSLMS Street light controller v. CSLMS software vi. CSLMS Hardware (which shall be compatible with smart city Command Control center software) Successful Concessionaire will replace existing brackets (if required) along with energy efficient street lights (to improve the lighting levels) as per the new specifications and designs. ~~**Successful Concessionaire will survey Pan city area for selection of advertisement on either on street poles or on median between poles (tentative location proposed).**~~ It will also replace all the terminal box, junction box, flexible wires from Fixture to terminal box/Junction box wherever required; O&M of street light conductors and

Particular	Structure for CONCESSIONAIRE Project
	underground cables will be in the scope of CONCESSIONAIRE. *(NMC will be responsible for power supply upto MSEDCL meter which will be fixed in the feeder panel.)*
Energy Conservation Measures (ECSLMS)	Technical Specifications for LED street lights and CSLMS is a part of Tender document;
Project Duration	7 Years 9 months
Guaranteed Energy Savings	Minimum **55% (as per Corrigendum 1 dated 11.12.2018)**
Monitoring of energy savings post implementation; by an independent agency / engineer	An independent agency may be appointed by NMC for implementation monitoring and subsequent O&M monitoring, supervision for energy saving achieved and inspection of optimized use of the Smart City Platform. The monitoring and verification process is detailed out in Energy Performance Contract
Minimum standards of Operation and Maintenance	The minimum standards for maintenance of the lux level on roads and operation and maintenance of street light system should be adhered as per the conditions in this RFP and NLC standards codes.
Penalties & Liabilities	Penalties levied for non-achievement of savings shall be equivalent to at least the difference between actual and quoted guaranteed savings; Penalties shall be levied also for — Non-compliance of lux level standard — Non-Compliance to Minimum Up-Time — Non-compliance with electrical safety related matters — Non-implementation or non-operation of the CSLMS solution — Project Asset and human resources used in the project
Payment security	**Trust and Retention Account (TRA) or ESCROW Mechanism to enhance bankability of the project;** **Clarified in corrigendum 5 dated 18.01.2019 that, "The escrow account is linked with the Corporation account. Start of the concession period: on completion of 80% installation as per RFP the concession period would commence accordingly and baseline will be revised pro-rata for the interim period."**
Provisions relating to escrow account, if any	**Appointment** Nashik Municipal Corporation(NMC) and the CONCESSIONAIRE shall appoint the a reputable Bank to serve as the Escrow agent for the purposes of this Agreement and subject to the terms of this Agreement and the Escrow Agent hereby accepts this appointment. **Escrow Account** Within five (5) Business Days of the date hereof, Nashik Municipal Corporation (NMC) and the Escrow Agent shall establish an escrow bank account denominated in Indian Rupees for the benefit of the CONCESSIONAIRE (the CONCESSIONAIRE PROJECT ACCOUNT).

Particular	Structure for CONCESSIONAIRE Project
	Deposit and Replenishment Request After successful implementation period (9 months) NMC shall deposit an initial deposit amount as last three month MSEDCL bill amount + (average baseline energy consumption per month * guaranteed saving quoted by bidder * 3 * unit rate); After that for each month NMC will deposit amount equal to (Last month MSEDCL bill*100/(100- guaranteed saving quoted by bidder)). In the event that the amount in CONCESSIONAIRE Project Account falls below 30% of the previous deposited amount or on payment of monthly energy saving fee for subsequent two months, whichever is earlier, the Escrow Agent shall send a written request (Replenishment Request) to NMC to replenish the CONCESSIONAIRE Project Account and with a copy to the CONCESSIONAIRE for the same. ~~**CONCESSIONAIRE will deposit the amount generated by advertisement in escrow account on monthly basis.**~~ ~~**The Concessionaire has to deposit monthly revenue generated by advertisement to escrow at the start of the month as per the financial bid submitted will be credited to NMC. (as per corrigendum 5, dated 18.01.2019)**~~ **Identification and Separation**: The Escrow Agent shall clearly identify in its records the Escrow Account as an escrow account and shall keep the funds standing to the credit of the Escrow Account segregated from and not commingled with the Escrow Agent's own funds or the funds of any of its other customers or third parties. **Withdrawal Agreement** At the beginning of every month, or at such shorter intervals as the Concessionaire may by written instructions determine, the Escrow Bank shall withdraw amounts from the Escrow Account and appropriate them in the following order by depositing such amounts in the relevant Sub-Accounts for making due payments, and if such payments are not due in any month, then retain such monies in such Sub-Accounts and pay out therefrom on the Payment Date(s): (a) MSEDCL electricity bill payment (b) all government taxes due and payable by the Concessionaire for and in respect of the Project; (c)NMC Revenue share due and payable to the Authority out of Revenue generated by Energy saving (d) all penalty, payments and Damages certified by the Authority as due and payable to it by the Concessionaire; and (e)monthly proportionate provision of debt service due in an Accounting Year; f) --- Share in Energy saving revenue to Concessionaire , Subject to deduction if any ~~**--- Share in Advertisement revenue to Concessionaire , Subject to deduction if any (as per corrigendum 5, dated 18.01.2019)**~~

Particular	Structure for CONCESSIONAIRE Project
	(g)Balance, if any, in accordance with the instructions of the Concessionaire. **Fees** Fees to be paid to the Escrow Agent for the establishment and management of the Escrow Account shall be borne equally by NMC and the CONCESSIONAIRE.

4.5. Proposed responsibility of CONCESSIONAIRE under the project

Area	Responsibility Assigned to CONCESSIONAIRE under this project
Meet Desired	• Design and Installation of CSLMS based i. 90 watt and above fixtures should have Individual On-off Control, Individual dimming and individual addressing (On/Off/Fault, Fault type, voltage, current, wattage and Power Factor per phase) ii. 90 watt below fixtures should have group on-off control and group dimming. Individual dimming and group/individual addressing is optional. iii. streetlight control iv. feeder panel v. with Remote Measurement, monitoring & Switching Capability; • Meeting timelines specified in contract for replacements/ repair of non-functional Street light fixtures and feeder panel;
Key responsibilities	• Capital investments required for retrofitting of street light fixtures in Pan city Area; • Design and Installation of CSLMS with Remote Measurement, monitoring & Switching Capability; • O&M (only for Street light fixtures and CSLMS (CSLMS, Gateways, Individual LED light Controllers and Feeder Control Panels) which have been installed by the CONCESSIONAIRE) including replacement requirements during tenure of project;
Citizen Service	• Setting up of call center for citizens to record and address complaints in Nashik city;
Reporting/ Monitoring & verification (M&V)	• Remote monitoring from centralized location; • Measure of daily/billing period consumption; • Setting up of call center for citizens to report complaints; • Daily reporting of fused/ non-functional fittings/ fixtures etc. as well as citizen complaint resolution status;

4.6. Project Phase

The implementation timelines is given below:

Sr. No.	Description	Timeline
1	Date of Issuance of Work Order	T_0
2	Concessionaire will Prepare Implementation Plan in consultation and with approval from NMC	**$T_1=T_0+30$ Days (as per Corrigendum 1, dated 11.12.2018)**
3	Implementation Period as per plan approved by NMC (max)	**$T_2=T_1+9$ months (as per Corrigendum 1, dated 11.12.2018)**
4	Operation and Maintenance Period	$T_3=T_2+7$ Years

After 9 months due to dependency on NMC only 97% project implementation done; then at the time of start of Concession period, Energy baseline will be calculated on 97% and then revenue sharing will be calculated on 97%. NMC (Authority) will get 3 months' time to complete dependency task handover remaining 3% site to Concessionaire. After this task energy baseline will be calculated on 100% and then revenue sharing will be calculated on 100%.

4.7. Lux Level Measurements

Upon commencement of Phase II (O & M Phase), NMC shall conduct, with the assistance of the Independent Energy Auditor, lux level measurements on five per cent (5%) of the street lighting fixtures, randomly selected by NMC, on a rotational basis each year. Such lux level measurements will be carried out twice in a year. The CONCESSIONAIRE shall participate in the lux level measurements along with NMC and the Independent Energy Auditor. If the lux levels are found to be below the applicable standards specified in clause 4.1.1, the CONCESSIONAIRE shall make payments to NMC for the amounts as determined under service level agreement.

4.8. Operating hours and dimming

The successful concessionaire has to maintain average operating hours per day for street lights after the completion of the implementation period for 7 Years, equivalent to the existing levels of 11 hours per day. If NMC wishes to increase operating hours, for newly installed LED lights, then baseline will also be changed correspondingly to estimate energy savings. Although the Concessionaire is required to provide dimming option in the new system but they will not be allowed to use it for additional energy saving, unless explicitly advised by NMC through written communication. Also the additional saving on account of such additional dimming will be shared with the Concessionaire and will be considered in the calculations towards energy savings and subsequent revenue sharing's. The Dimming is allowed only between 11:00 PM to 5:00 AM. Maximum Dimming Percentage will be above as per NLC guidelines, which will be decided as per site conditions.

4.9. Energy Baseline Determination

With immediate effect from the work order Date, the CONCESSIONAIRE shall undertake field surveys of the street lighting fixtures covered in the Project Area (Pan City) to accomplish the following:

4.9.1. Baseline Energy Consumption and Energy Savings for Nashik City

Following Section provide details for the Baseline Energy Consumption:

4.9.1.1. Baseline Energy Consumption

Baseline Energy Consumption is the deemed theoretical energy consumption of entire existing population street light fixtures installed in Nashik city that are in working condition, taking into account losses in fixture control gear and cables/lines.

To arrive at baseline for the Annual Energy Consumption in the Nashik city following methodology has been adopted:

The rated wattage of each wattage type of street light fixture is multiplied by installed quantity of that type of fixture in the Pan City area of Nashik city. This in turn multiplied by the theoretical losses in control gear and cables/overhead lines. This is further multiplied by the theoretical working hours of street lights in a year. The cumulative total of thus arrived energy consumption all type of street light fixtures will amount to the Baseline Energy Consumption of the Nashik city.

1. Cumulative wattage wt= 11044370w
2. Assuming theoretical total watt losses in control gear of conventional street light fixtures and power lines is 15%. In case of existing LED type street light fixture losses these losses considered are 5%
    a. Deemed Cumulative Power Wc1= 11476517 W (For conventional Fixtures.)
    b. Deemed Cumulative Power Wc2= 1118029.5 W (For Non-conventional Fixtures.)
    c. Total cumulative power consumption is Wc= 12594546.5 w
3. If total average uptime of lighting fixtures is 11 Hrs per day, total time annually, T= 11x365 hrs.=4015
4. Total baseline energy consumption in City is Eb= 50567104 Kwhrs

This Baseline consumption Eb is mentioned in the RFP and same shall be mentioned in the agreement.

Baseline calculation is based on the number of fixtures and wattages with number of working hours as 11 for 365 days and present tariff rate of MSEDCL (as per corrigendum 5, dated 18.01.2018)

Other Details

The actual Baseline Energy Bill shall include two items: 1) Energy Consumption Cost at Unit Rate, and 2) Wheeling Charges. Average Monthly Baseline Energy Bill is computed in the same method as above. Both these baseline figures shall be considered to arrive at Energy Saving for each month during O & M Period (considering the Unit Rate prevalent then, as may be seen from the monthly electricity bill). As a general guidance, average annual rate of increase of power **charges of MSEDCL should be 5% or at actuals whichever is lower (as per corrigendum 5, dated 18.01.2018)**

4.9.1.2. Energy Savings

The Energy Savings Amount in any year shall be arrived as follows:
After replacement of conventional street lighting with LED type lighting fixtures if actual cumulative street light energy consumption billed by Discom in a year in Nashik city is = Rs. 160071008/-,
Unit cost as per Discom tariff in the year = Rs. 6.62/-
Baseline Energy Cost shall be = Rs. 334754229.8 /-
Energy Savings Amount in the year shall be =Rs. 174683222/-

4.10. Operations of Concessionaire

1 The Successful Concessionaire has to adhere to the technical specifications as specified in Technical Specifications section for different type of street lighting equipment.

2 The Successful Concessionaire has to arrange all the equipment, machineries and instruments required for the implementation of the project at its own expense.

3 Also the Successful Concessionaire shall procure at their sole expenses all permits and licenses and pay all charges and fees for lawful execution of the work.

4 Before starting the installations, it is the responsibility of the Successful Concessionaire to ensure that all relevant poles or lamps are taken up for installations which are under Pan City area of Nashik City.

5 The CONCESSIONAIRE shall undertake marking of poles (pole numbering) for each LED luminaire installed in Pan City area of Nashik City and switching point details. However, this should be done without damaging the infrastructure of NMC or any other parties.

6 The Concessionaire has to prepare switching point based inventory post replacement and the concessionaire shall conduct GIS/ GPS mapping of street lighting switching points/feeder panels and rationalize the coverage area under the switching points.

7 **Service Wire:** The CONCESSIONAIRE has to install cable/wires with earthing (each for phase and neutral) of required length for connection of luminaire to overhead conductor/ power supply cable. No extra charge will be payable to the concessionaire for this work. The Cables/ Wires should have following features

   i. Diameter of 10 sq.mm.,
   ii. PVC insulated
   iii. 4-core Aluminum wire.
   iv. Junction box to Fixture 3*1.0 Sq.mm. Copper Cable

8 The Pan City area comprises of poles that are under jurisdiction of NMC. There are a total of around 92014 luminaires in place being operated by approximately 1840 switching points/ feeder panels.

9 **Bracket/Arm/Clamps:** In case these items are damaged / missing / defective at existing locations then the same are to be supplied and installed by the CONCESSIONAIRE and for this no extra charges will be payable.

10 The Successful Concessionaire must take adequate care, by using black cotton tape or better quality tape for connection of wires, to avoid short circuiting of connections especially during monsoon season. No extra charge will be payable to the concessionaire for this work.

11 Surge protection: The CONCESSIONAIRE will provide surge protection arrangement to protect the luminaire from switching surges which are expected/prevalent in Street Light supply networks. No extra charge will be payable to the concessionaire for this work. No claim for failure of Luminaires, on account of voltage surges other than Lightning surges, will be considered.

12 In case of voltage surges due to lightning, it is expected that lights, in the affected circuit, will fail in a group and not in an isolated manner. Hence, any such failure of lights in a group on account of Lightning surges, may be reported to the insurance company and NMC along with circumstantial evidence within 48 hours (or any other as permissible under the insurance policy) of such occurrence, for the purpose of

damage claim. The responsibility for submission of all necessary supporting documentation rests with the Concessionaire.

13 **Earthing**: The provisions of IS-3043, may be referred to in general and the said IS Specifications in particular. Concessionaire may carry out, at its own cost, earth resistance measurement of neutral conductor of supply network during the initial commissioning phase and subsequently on yearly basis or as may be felt necessary for reliable operation of the Light Luminaires. **All rectification will be done by concessionaire at its own cost (as per corrigendum 3, dated 21.12.2018).** No claim for failure of Luminaires will be entertained on account of earthing issues. **Based on NLC standards code for road lighting the Concessionaire has to undertake survey and define the Power requirement for replacement. Concessionaire needs to submit a detailed report of survey and design to NMC.NMC will verify and rectify the changes suggested by the concessionaire prior to handing over and take a Corrective compliance report duly seal signed by concessionaire and later on concessionaire needs to manage everything at his own cost for complete project duration. (as per corrigendum 5 dated 18.01.2019)**

14 The Concessionaire shall be responsible for identifying existing asset deficiency like power cables (overhead/ underground cables from feeder panels to various poles) for street lighting or conductors, required JBs/MCBs on poles and existing damaged poles in street light infrastructure maintained by NMC. In such instances, the Concessionaire will provide the asset deficiency report and related anticipated expenditure for replacement. The replacement of such infrastructure will be done by the Concessionaire after getting approval of NMC. ~~**In addition to this, Concessionaire needs to paint of all MS poles across the city. After approval on the number of poles and locations for painting from NMC, the Concessionaire can start the painting work. Painting of pole has to be carry out before start of operation and Maintenance period and start of 4th year of O&M period (so twice in Project period). (as per corrigendum 5 dated 18.01.2019)**~~

15 The Concessionaire shall:

I. Change existing feeder panels to higher capacity in view of inclusion of additional street lights resulting in insufficient rating of feeder panels at its own cost.

II. Shift the feeder panels from one place to other place due to obstacle in traffic, line shifting or for the purpose of load distribution at its own cost.

16 The Concessionaire shall intimate NMC about any cases of power theft or unauthorized connection of load during festivals from the street lighting network on priority basis. NMC will be responsible for taking all the corrective measures required and not penalize the Concessionaire for such theft.

17 The Concessionaire shall ensure proper recording of the dismantled conventional Luminaires and hand over these to NMC on a weekly basis.

18 With regard to asset ownership, following need to be adhered to:

I. NMC shall at all times during the contract period remain the owner of the land and the existing lighting infrastructure under its jurisdiction.

II. The Concessionaire shall remain the owner of the LED luminaires and CSLMS components installed by it during the contract period. The Concessionaire shall undertake all the procurement of equipment and services necessary for the Project. These LED luminaires and CSLMS components shall be free of any lien at all times.

III. At the expiry of the contract period, all rights and titles to, and interests in, all improvements and equipment constructed or systems installed are vested in NMC, free and clear of all and any liens and encumbrances created or caused by the Concessionaire. The Concessionaire shall surrender possession of the LED luminaires and CSLMS components, along with CSLMS bill of material, to NMC in working condition.

19 NMC will conduct periodic reconciliation of readings provided by CSLMS and MSEDCL energy meters. If deviation between CSLMS energy meter readings and MSEDCL energy meter is more than 2%, then NMC, or a third party appointed by NMC, will carry out on site measurement for verification. This deviation of 2% is allowed only if the overall committed energy savings for the system is achieved.

4.11. Special Conditions of Tender to undertake comprehensive operation and maintenance of street lighting network for Pan City Area

During the contract period, following operation & maintenance activities will be required to be carried out by the Successful Concessionaire:

1. The CONCESSIONAIRE will open an office in Nashik City with basic infrastructure where the CONCESSIONAIRE will make available office staff with amenities like computer, printer, phone, complaint register, etc. during working shift timings. These complaint handling centers will be connected to NMC's SCOC and such centers should become fully operational within 30 days of allocation of such space by NMC.
2. The Concessionaire has to store material and fixtures inventory (minimum 0.5% of total installations in the Pan City area) for maintenance requirements.
3. The CONCESSIONAIRE has to be proactive in monitoring street lighting system regularly and performing preventive maintenance and not relying solely on Complaint Management System.
4. In case of theft of the material or electricity, the CONCESSIONAIRE will inform the NMC and will also file an FIR. Further, after FIR, the Concessionaire will address the theft ensuring continuous system operations, in presence of NMC officials. The Concessionaire will have to bear the cost for the losses of any items irrespective of the outcome of the police related procedure.
5. The Concessionaire will manage the operation of all the control panels installed by him and also provide maintenance, web-based portal & communication services etc. of these control panels during the contract period.
6. All complaints lodged in the system have to be resolved within 48 hours of lodging of complaint. In certain cases, CONCESSIONAIRE has to resolve the complaints immediately as per the instruction of NMC.

7. The Successful Concessionaire shall ensure the availability of sufficient ladder vehicle, Hydraulic Vehicle (suitable to reach up to 12m height) and other relevant vehicle & equipment for O&M. The vehicle used for O&M should have valid registration documents.
8. In case normal vehicle is unable to access the light point, the CONCESSIONAIRE will be required to make necessary arrangements for facilitating street lighting installation and maintenance at such locations.
9. The CONCESSIONAIRE has to ensure that drivers of ladder vehicles must possess valid driving license, vehicle registration documents, insurance, etc. at all times during the contract period.
10. The CONCESSIONAIRE has to carryout O&M of street lighting network including following specific conditions:

Sr. No.	Conditions	Responsibility of CONCESSIONAIRE
1	Maintenance of central lighting	Apart from regular O&M activities; the CONCESSIONAIRE will be responsible for Maintenance/replacement of junction box, related switchgears and related connecting wires/ cables.
2	Some poles, street light span or street light control may be shifted due to obstacle to traffic, line shifting or for the purpose of load distribution	In such a situation, the CONCESSIONAIRE has to bring in labor for dismantling Luminaire and again putting up Luminaire after shifting has been completed by NMC.
3	Due to overhead mix network, snapping of conductors, phase-to-phase phenomenon is very frequent and leading to damages of street light luminary and its components	The CONCESSIONAIRE, under such a condition, will register a complaint with the MSEDCL and also undertake required O&M. The Authority will coordinate with MSEDCL, if required.
4	All street lights are installed on bracket suitable to its entry diameter; however, it may be possible to change some of the brackets at site for LED installation, if required.	All the associated cost would be borne by the Concessionaire.

11. The Concessionaire will be penalized for non-achievement of O&M performance parameters. (please refer SLA for more details)
12. The CONCESSIONAIRE will organize training program at NMC office wherein the CONCESSIONAIRE will train the employees of NMC on any day within one month of the date of commissioning and on any day within last quarter of end of contract period on the operation, maintenance and repair of the equipment and systems installed by the CONCESSIONAIRE.
13. The Concessionaire should address the queries or issues raised by employees of NMC on O&M practices from time to time.

14. The Concessionaire shall assign an overall in charge for coordination and monitoring of day to day activities of entire city network. Additionally CONCESSIONAIRE should deploy the team as proposed, in their technical bid, from their organization who are regular employees and provide the contact details of the same, who shall be accountable for delivering on the said commitments during the Contract Period, coordinate for daily O&M exercise and update NMC as per agreed format. In case, the assigned personnel leaves the organization or is reassigned, the CONCESSIONAIRE has to intimate the same in writing to NMC and advice names of the new officers assigned for the role.
15. Insurance:

    The Concessionaire shall at all times, as may be applicable, obtain, maintain and renew those insurance covers required in relation to people, equipment, systems as well as third party damages in accordance with applicable laws. In particular, the Concessionaire shall maintain an insurance coverage against the risk of damage by fire or otherwise of Concessionaire-owned and installed equipment and systems until the title to the equipment and systems passes on to the Authority upon expiry of the Term.

    The goods supplied under the Concession Agreement shall be fully insured in Indian Rupees against loss or damage incidental to manufacture or acquisition, transportation, storage, delivery, completion of installation and commissioning. For delivery of goods at site, the insurance shall be obtained by the Concessionaire, for an amount not less than the price of the goods from "warehouse to warehouse" (final destinations) on "all risks" basis including war risks, strikes and Force Majeure Events.

1. Safety: During the period of installation and O&M, the Concessionaire should ensure implementation of measures to ensure SAFETY of working personnel, as per all applicable laws in general and with special focus in the following.
    a. Working at heights
    b. Working on/in the vicinity of power supply lines.

    Suitable work instructions/procedures shall be prepared for each type of work location (Height or type of pole / supply network configuration) and the working personnel shall be trained at regular intervals by a competent person possessing valid certificate w.r.t SAFETY issues.

    All the working personnel shall be provided with appropriate Personnel Protection Equipment such as Safety harness for working at heights, safety helmets, Earthing rods, etc. The Successful Concessionaire shall arrange to carryout safety Audit at regular intervals by a competent person possessing valid certificate w.r.t SAFETY issues and suitable remedial measures shall be taken based on the findings/recommendation of the Safety Audit. Safety audit must be done on half yearly basis.

4.12. Assessment of lighting load

It is acknowledged that MSEDCL charges NMC for electricity consumption in street lighting based on the connected load with any feeder / energy meter. For every feeder/ energy meter, a separate bill is raised on monthly basis. Therefore, in order to realize the benefit of reduced energy consumption after the installation of LED lights, NMC will have to reduce the sanctioned load of each of the street lighting feeder proportionately. NMC will take-up this with MSEDCL so that sanctioned load of each of the feeder is reduced based on the new load on the feeder after the installation of LED lights.

During implementation stage, the Concessionaire must first install control panels with each of the feeders/ switch points before the installation of LED lights so that these panel can measure the existing lighting load also on each of the energy meters for a specified period of time (1-2 days). After recording these measurements the Concessionaire will replace the old lights with LED lights and will again record the changed load. Other parameters such as no. of lights and their corresponding wattage shall also be recorded for any switching point before and after replacement with LED lights. NMC will also provide Concessionaire, the previous year bills for each switching point. At the end of every month, from the start of installation phase, the concessionaire shall for the completed switch points, must prepare and submit a consolidated report to NMC in the format as provided below:

Sr. No.	Division	Switch Point Description	Existing load as per utility bill (kW)	New load as per new meter installed in CSLMS panel (kW)	New load after replacement of all lights connected to switching point (kW)
1					
2					
3					
4					
5					
6					

The Concessionaire shall also submit a consolidated report in the above format to NMC separately for each division, immediately after the work is completed for that division.

4.13. Assessment of energy savings through Measurement & Verification (M&V)

The energy savings by virtue of its nature is to be calculated through difference of baseline energy consumption and actual energy consumption. The replacement of existing street light with energy efficiency LED street light is expected to give minimum **55% (as per Corrigendum 1 dated 11.12.2018)** of energy saving. So the successful Concessionaire will have to ensure minimum

energy saving of **55% (as per Corrigendum 1 dated 11.12.2018)** (or higher as per his quote) from all the measures taken in this project.

The CONCESSIONAIRE will be required to submit, at start of every month, detailed CSLMS report capturing energy consumption at each CSLMS feeder control panel, hours of operation, details of events like phase failure, non-operational light points, etc. to NMC. NMC will direct the ESCROW bank account agency to process the payment to concessionaire after adjusting for penalties, if any. NMC or the third party consultant hired by NMC will conduct reconciliation of CSLMS report and MSEDCL bills semiannually and any discrepancies observed in the savings of CSLMS report would be adjusted in the subsequent invoice of the Concessionaire.

4.14. System Documents, User Documents

The CONCESSIONARE will provide all project related documents. This documentation should be submitted as the Project undergoes at various stages of implementation. Indicative list of documents include:

1. Project Commencement Documentation: Project Plan in giving out micro level activities with milestones & deadlines.
2. Equipment Manuals: Original Manuals from OEMs.
3. Installation Manual: For all the application systems.
4. Training Material: Training Material will include the presentations used for trainings and also the required relevant documents for the topics being covered. Training registers should be submitted for same.
5. User Manuals: For all the application software modules, required for operationalization of the system.
6. System Manual: For all the application software modules, covering detail information required for its administration.
7. Standard Operational Procedure (SOP) Manual: The Concessionaire shall be responsible for preparing SOP Manual relating to operation and maintenance of each and every service as mentioned in the RFP. The draft process (SOP) document shall be formally signed off by NMC before completion of Final Acceptance Test. This SOP manual will be finalized by the Concessionaire within 2 months of operationalization, in consultation with the NMC and formally signed off by the NMC.

Note: The CONCESSIONAIRE will ensure upkeep & update all documentation and manuals during the concession period. The ownership of all documents, supplied by the Concessionaire, will be with NMC. Documents shall be submitted in two copies each in printed (duly hard bound) & in softcopy formats.

4.15. Helpdesk Setup

1. The CONCESSIONAIRE will set up a 24X7 centralized helpdesk for the project for entire concession period;
2. The help desk will handle user queries and issues relating to implemented solution
3. The helpdesk is required to ensure that users can log calls and complaints for any technical issues they face while accessing the system. The following is included in the scope of work of the Concessionaire:
   a. The helpdesk to have Interactive Voice Response (IVR) system for first level of call segregation;
   b. Accordingly Standard Operating Procedures (SOPs) shall be created by the Concessionaire;
   c. In addition to the telephone call, the Concessionaire shall also provide other channels for call logging like email and web interface;
   d. Following is also part of scope of work of Concessionaire:
      i. Development of training material for NMC employees
      ii. Training to be imparted to NMC

iii. Provision of Call center application
iv. Development of standard operating procedures with call prioritization guidelines, problem security codes and escalation procedures etc. in consultation with NMC
v. Helpdesk related infrastructure;

e. Language Capabilities : Marathi, Hindi and English;
f. The service window for Help Desk is 365X24X7 (Monday to Sunday);
g. The call statistics will be analyzed every quarter after Go-Live and the number of Customer Care Executives may be ramped up or down accordingly on a week's notice;
h. The Concessionaire shall deploy helpdesk application accessible to all users through the Smart City portal for logging issues; and the Concessionaire to provision for inbound calls.

4.16. Training

The Concessionaire need to provide training to NMC employees and other stakeholders as directed by NMC. The following is a broad level scope;

1. The Concessionaire will prepare all the requisite audio/visual training aids that are required for successful completion of the training for all stakeholders. These include the following for all the stakeholders:
   a. Training manuals for NMC employees / stakeholder departments;
   b. Computer based training modules;
   c. Presentations;
   d. User manuals;
   e. Operational and maintenance manuals

4.17. Hand-over of the system at the end of contractual period

1. Ownership
   a. Subject to the terms of the Agreement, the ownership of the Project Site and the Installed Facilities, including all improvements made therein by the Concessionaire, shall at all times vest in NMC.
2. Concessionaire's Obligation
   a. The Concessionaire shall on the date of expiry or an early Termination of the Authorisation Period, hand over vacant and peaceful possession of the Project Site with all the Installed Facilities to NMC and in good operable condition as per terms of this Agreement.
   b. At least 20 (twenty) days before the expected expiry of the Authorisation Period, an inspection of the Installed Facilities and Project Site shall be undertaken by the Project Officer. NMC shall within two days of such inspection prepare and furnish to the Concessionaire a list of works/ jobs, if any, to be carried out so as to conform to the original condition and specifications of the Installed Facilities, barring normal wear and tear. The Concessionaire shall promptly undertake and complete such works/ jobs at least 7 days prior to the expected expiry of the Authorisation Period and

ensure that the Installed Facilities continue to meet such specifications until the same are handed back to NMC. The Performance Security of the Concessionaire shall be released only when the works/ jobs are rectified as per the list prepared by NMC.

c. If the Concessionaire fails to hand over the Installed Facilities after the expiry of the Authorisation Period or after the Termination of the Agreement then the Concessionaire shall be deemed to be an unauthorized occupant and NMC shall have the right to forcefully remove any person and/or material of the Concessionaire and/or any End User from the Project Site and/or Installed Facilities without giving a notice to the Concessionaire.

4.18. Independent Energy Auditor

NMC shall appoint an independent energy auditor (the Independent Energy Auditor) selected following a transparent and competitive tender procedure launched by NMC. All the Independent Energy Auditor's expenses shall be borne by the NMC

The Recommendations suggested by energy auditor is binding on CONCESSIONAIRE to improve and Improvement cost shall be Bourne by CONCESSIONAIRE.

4.19. Reporting

During the Term, the CONCESSIONAIRE shall provide monthly reports to NMC about the following matters:

1. Update on the assets;
2. Operation and maintenance services;
3. Energy saving report;
4. Lamp failure report;
5. Panel Door Open Alert Report,
6. Monitoring and verification report.
7. The CONCESSIONAIRE shall also submit Annual Electrical Safety report

Section: V – Functional & Technical Specification

5. Functional & Technical Specification

The scope includes design, development, manufacturing, testing and supply of energy efficient luminaire complete with all accessories and CSLMS components. The Central Street Lighting Management System (CSLMS) remotely monitors and manages the street lights. It consists of Central Management Server, Feeder Panel Controllers (FPC), Street Light Controllers (SLC) and network Gateways. The CSLMS monitors and manages the street lights through FPC and SLC.

LED lamps with suitable current control driver circuit including mounting bracket for street light and high mast light. The luminaire shall be suitable for rugged service under the operational and environmental conditions encountered during service.

The detailed technical specifications for each component of the project i.e. LED Luminaire and CSLMS is provided in subsequent sections.

5.1. LED Luminaire Technical Specification

Sr. No.	Typical specifications of LED street lights		Supporting document
i.	High bright white power LEDs shall be used in the luminaries and the wattage of these LEDs shall be < **93W (as per corrigendum 5 dated 18.01.2019)**		LED Technical Data sheet
ii.	Life span of LEDs used in the Luminaire shall be more than 50,000 hours at 70% light output		LM-80/IS16105,L70 & TM 21 Test Report test report including technical Data Sheet of LED Chip
iii.	LED chip make- CREE/OSRAM/Nichia/seoul/ Philips Lumileds/**Bridgelux (as per corrigendum 5 dated 18.01.2019)**		
iv.	LED chip efficacy shall be more than 135 Lumens/watt at Tj 25° C		LED Technical Data Sheet
v.	Junction Temperature (Tj) should be <105°C		Manufacturer self-certify
vi.	Photo Biological Safety Report for the LEDs as per IEC 62471 and assessment of blue light as per IEC/TR 62778 – Ed. 1.0		Photo Biological Safety Report
vii.	Color temperature of the luminaire should be 5700K (±5%)(Super-white)		LM-79 report
viii.	Power factor	> 0.95	LM-79 report
ix.	System Efficacy (lumen/watt)	Shall be >100 lumen/watt	LM-79 report
x.	CRI of Luminaries	> 70	LM-79 report
xi.	Lumen depreciation for rated life <10%		LM 80 Report to be submitted and Manufacturer has to self-certify

Sr. No.	Typical specifications of LED street lights		Supporting document
xii.	The luminaire light output (lumen) shall be constant. The voltage variations / fluctuations in the specified voltage range shall not impinge upon the lumen it produces. Maximum +/- 2% is allowed throughout in the input operating voltage range		LM-79 report
xiii.	Operating voltage: 140 V to 270V universal electronic driver with surge protection Internal >= 4KV and External 10 KV (Applicability IS 15885, Driver Safety 16104-1/2)		NABL accredited lab report
xiv.	Overvoltage cutoff limit > 295 V		NABL accredited lab report
xv.	Total Harmonic Distortion: < 10% THD - Test Method IEC:610003-2		NABL accredited lab report
xvi.	LED Drive current	>=350 mA<1200 mA	LM-79 report
xvii.	LED driver efficiency	> 90%	LM-79 report
xviii.	Heat dissipation / heat sink: Well-designed thermal management system with defined heat sink		NABL accredited lab report
xix.	The luminaire housing shall be made up of corrosion free High Pressure Aluminum die cast thus conforming the luminaire to minimum IP-66 for all wattages and safety as per IEC 60598/IS 10322. (Only single housing Luminaire allowed).		NABL accredited lab report
xx.	The luminaire shall be equipped with distortion free, clear, heat resistant, toughened, UV stabilized glass / Polycarbonate cover in the front fixed to the die cast Aluminum frame which shall be fixed to the housing by means of Corrosion resistant or Brass screws for areas not inside IP66 rated chamber. Zinc plated steel or equivalent screws can be applied inside sealed chambers.		NABL accredited lab report
xxi.	The luminaire shall be built in such a way that it can withstand wind speed of 150 kmph. (Impact resistance>=IK05)		NABL accredited lab report
xxii.	Frequency	50Hz +/- 3%	
xxiii.	Operating temperature	Range: -20° C to +60° C	NABL accredited lab report
xxiv.	Protections	IP66 for all type of lamps to be installed Surge protection 4 kV, IEC61000-4-5	NABL accredited lab report
xxv.	Working humidity	10% to 90% RH	
xxvi.	Conformation standards of	The luminaire should conform to IEC 60598/ IS:10322 The luminaire	From NABL Certified TPL Test report

Sr. No.	Typical specifications of LED street lights		Supporting document
	luminaire (Test reports of luminaire)	should be tested as per IEC 60598-2-3:2002/ IS:10322 Part 5 Sec-3 standards and following test reports should be submitted: Thermal Test, Ingress Protection Test, Electrical / Insulation Resistance Test, Endurance Test, Humidity Test , Photometry Test (LM79 report), Vibration Test	TEST REPORT as per IS:10322 part 5 Sec-3 /IEC:60598-2-3
xvii.	Finish	Aesthetically designed housing with corrosion resistant polyester powder coating	Self-Declaration
xviii.	Luminaire configuration / technical requirement	Side entry type. Shall consist of separate optical and control gear compartments. It should be easy replaceable in the field condition.	Self-Declaration
xxix.	Compliance	RoHS/CE/ERTL/ERDI	Confirmation
xxx.	Surge Protection	External Surge protection of minimum 4 kV/ 10 kV to be separately installed with the each Luminaire, if required.	As per IEC 61000-4-5
xxxi.	Dimming	For dimmable LED luminaires, the driver shall support PWM or 0 – 10v based dimming	Self-Declaration

NOTE:

1 *All Tests have to be confirmed and appropriate TEST REPORT has to be submitted before installation of the luminaires.*

2 *NMC is free to draw samples after start of supplies from the supplied quantity and subject the same to test in a NABL Accredited Lab. NMC will bear the cost of testing of such sample. The decision of NMC on the same shall be binding on the Concessionaire. Failure of the sample will invite strict penalty and disqualify the Concessionaire from future tenders also.*

5.2. Feeder Panel Controller

The following functionalities shall be supported by Feeder Panel Controller (FPC).

1. The Feeder Panel Controller shall consist of a class-1 energy meter, feeder panel control unit and wireless communication unit.
2. The Feeder Panel Controller shall be capable of switching On/Off all the luminaires of a particular switching point based on the lighting schedule set by the Central Management Server (CSLMS).
3. It shall communicate to the CSLMS through the wireless communication unit over GSM/Wi-Fi/Ethernet.
4. Once the lighting schedule is set, it shall operate the luminaires according to that schedule till the lighting schedule is changed by the CSLMS.
5. It shall operate the luminaires according to the lighting schedule even if there is a communication fault between CSLMS and itself.
6. In the absence of any lighting schedule it shall operate (On/Off) the luminaires according to the time of the day.
7. It shall communicate the real-time status (On/Off/Fault, fault type, voltage, current, wattage and Power Factor per phase) of the luminaires to CSLMS.
8. If it is not able to communicate with the CSLMS, it shall store all the luminaires data internally and relay that data to CSLMS once the communication is established.
9. It shall be able to store luminaire logs / data for up to 7 days.
10. It shall have IP55 protection.
11. MSEDCL meter space in feeder panel controller.
12. Uniform Rating for all the panels.
13. The vendor needs to use the appropriate communication mechanism from GSM/Wi-Fi/Ethernet/ZigBee/Lorna for establishing connectivity between Feeder Panel Controller and CSLMS.
14. Group Control and group addressing via Feeder panel must be available. Individual addressing and group dimming is optional.

5.3. Street Light Controller

The following functionalities shall be supported by Street Light Controller (SLC) fitted on group street poles.

1. It should be able to control at least two LED luminaires of up to 250W each. The bidder shall propose based on its proposed architecture and is free to choose to place it on Pole or feeder panel.
2. It shall support PWM or 0-10v based dimming for dimming of the LED luminaires.
3. It shall be powered by 230 V AC available on Street Light poles.
4. Street Light Controller shall communicate to the Central Management Server (CSLMS) through network gateway over Wired/Wi-Fi/GSM/GPRS/CDMA/LTE/Zig Bee/Lora or any unlicensed Radio frequency.
5. It shall control (On/Off/Dim) the LED luminaire according to the lighting schedule communicated to it by the CSLMS.
6. Once the lighting schedule is set, it shall operate the luminaire according to that schedule till the lighting schedule is changed by the CSLMS.
7. It shall operate the luminaire according to the lighting schedule even if there is a communication fault between CSLMS and itself.
8. In the absence of any lighting schedule it shall operate (On/Off) the luminaire according to the time of the day.
9. It shall communicate the real-time status (On/Off/Dim Level/Fault, fault type and voltage, current, wattage and Power Factor per phase) of the luminaire to CSLMS.
10. If it is not able to communicate with the CSLMS, it shall store all the luminaire data internally and relay that data to CSLMS once the communication is established.
11. It shall be able to store luminaire logs / data for up to 7 days.
12. It shall have IP65 protection.
13. Street Light Controller/ Feeder Controller shall detect and report the following faults to CSLMS

    a. Under/over voltage detection
    b. Main breaker error
    c. Contactor fault
    d. Circuit breaker off
    e. Circuit phase errors (fuse, breaker, etc.)
    f. Main power failure
    g. Leakage to ground
    h. Manual switch activated
    i. Phase current out of range
    j. Control cabinet door open
    k. Lamp failures

5.4. Gateway Device

The following functionalities shall be supported by Gateway device.

1. It shall facilitate the communication between the Central Management Server (CSLMS) and Street Light Controller (SLC).
2. It shall support GSM/Wi-Fi/Ethernet interface for uplink.
3. It shall support Wi-Fi/Zig bee/LoRA based Street Light Controllers.
4. One gateway shall be able to connect up to 50 Street Light controllers.
5. It shall have a storage capacity of storing the data of 100 luminaires for up to 7 days and should be able to transmit historical data stored in case of power failure.
6. It shall communicate with the CSLMS on real time basis.
7. It shall be powered by 230 AC available on the street light poles. Optionally Power over Ethernet also shall be supported.
8. It shall be weather proof with IP-56 casing with a lock and shall fit on the existing street light poles with a suitable clamps supplied by the vendor.
9. It shall have a battery power back up for up to 12 hrs.
10. The vendor needs to use the appropriate communication mechanism from GSM/Wi-Fi/Ethernet for establishing connectivity between Street Lighting Gateway and CSLMS

5.5. Central Street Lighting Management System Functional Specifications

Software

1. The system shall provide web based central management software (CSLMS) to view, operate & manage the lighting system.
2. The CSLMS shall be hosted on a cloud server temporarily and later shall be migrated to Smart City Operations Centre (SCOC) once it is ready.
3. The software provides mechanism for tracking the repairs of the faulty light fixtures or gateways
4. All software updates happen without the need for any human intervention except for scheduling the update operations.

Operations

1. Concessionaire need to provide minimum 1 managerial level staff at SCOC for handling day to day operation of CSLMS for 24*7.
2. It shall support multiple users with different privileges.
3. Only a user with admin privileges shall be able to create, modify or delete users.
4. The user privileges shall be view, operate and/or administer.
5. The user privileges shall be to a given set of street lights only
6. The street lights shall be divided into hierarchical groups called, zones, wards, locality, road, feeder units etc.
7. The street light groups shall be modifiable by the administrator only
8. Only a user with sufficient privileges shall control lights either at group or individual level.
9. All user log-in and log-off activity shall be logged.
10. All user activity that modifies any existing configuration of the CSLMS or gateways or light controllers shall be logged.
11. A logged in user shall be allowed to view, operate and manage the street lights & gateways for which he/she has privileges.
12. The CSLMS shall assign a unique id for each light fixture and gateway.
13. The CSLMS shall have the GPS location of light fixtures and gateways.
14. The light fixtures and gateways shall be shown on Google Maps.
15. The user shall be able to view the light fixtures on Google Maps either in groups or individually.
16. The user shall be able to set lighting on/off/dim policies for a group or individual lights.

17. Through the lighting policy the user shall be able to set the date & time when the light should be on and off.
18. Through the lighting policy the user shall be able to set the dimming level, its duration and the time of a day it should be active.
19. The policies shall be settable for any day within a year.
20. The user shall be able to create, modify, delete, enable and disable policies for a group of lights or individual lights easily.
21. There shall exist a default global policy that would be used by the street light controller in the absence of any specific light policy for it.
22. In case of any error during the setting of policies onto each street light, the CSLMS shall highlight the same and shall keep trying until cancelled by the user.
23. ~~**CSLMS shall control all the digital advertisement.**~~
24. ~~**CSLMS should give advertisement status on each pole, obtained digitally or manually fed (in case of conventional boards).**~~ **(as per corrigendum 5, dated 18.01.2019)**
25. CSLMS also need to notify for power outage and also calculate the percentage power outage per feeder panel.

Communication

1. The CSLMS shall communicate with registered Gateways only.
2. The CSLMS shall communicate with registered Feeder Panel Controllers only.
3. The gateways shall communicate with registered Street Light Controllers only.

Security

1. The communication between the CSLMS and other components in the system is secure so as to prevent eves dropping, device hijack and "man -in-the-middle" attacks.
2. Faulty gateways or light controllers can be replaced only after initiating that action through the CSLMS.

Notifications

1. It shall support the following types of notifications:
    a. email
    b. SMS
    c. mobile app alerts
2. A user shall be registered for notifications only for the street lights that he/she has privileges
3. The following events shall result in notifications
    a. Any fault detected by the system in the smart light fixture or controller or gateway.

b. Any changes to the configuration of CSLMS, gateway or controllers
c. Any manual changes to the lighting schedule
d. Any manual control of the lighting

Reports & Analytics

1. It shall provide the following reports at either a group or individual street light level
    a. Status of Lights with lux level report (Lux Measurement can be manually measured and data shall be fill in the system to generate report.)
    b. Energy Consumption
    c. Power leakages
    d. Faulty Lights
    e. Fault rates
    f. Fault fixing
    g. High or Low voltage issues
    h. Pending user actions
    i. Pending policy
2. It shall provide the following analytics
    a. Fault trends
    b. Future energy needs
    c. Potential energy savings possible by changing lighting policies

Data Backup

1. All the configuration change activity logs shall be stored for the duration as set by the administrator.
2. All historical statistics shall be stored for the duration as set by the administrator.
3. It shall not let the administrator increase the duration if it detects that there would not be sufficient disk space to store the data for such long durations.
4. It shall automatically back up all the data as scheduled by the administrator

Mobile App

The system shall provide a mobile app with the following features

1. View, Operate & Manage the street lights
2. View and act on notifications

5.6. Environmental Sensors

NMSCDCL envisages installation of Environmental sensors on some of pole for monitoring various parameters that have environmental impact on the city such as temperature, humidity, rainfall and pollutants.

5.6.1. Overview

Environmental parameters, specifically air and noise pollution, are a major concern for the citizens and administrators of any city. As NMSCDCL aspires to be an environmentally sustainable smart city, integrated environmental monitoring stations comprising of various sensors shall be implemented in Nashik. The objectives of the system include:

- Integrated ambient air and noise pollution monitoring stations comprising of various environmental sensors for monitoring and trending of various ambient air and noise parameters;
- Tracking of environment with respect to these parameters and adjusting any framework for the city;
- Environmental sensors shall be integrated with SCOC for central monitoring and analysis;
- Environmental sensor parameters shall be available through City Connect portal and Mobile app and Applications for citizens as part of 'open data' initiative and to create citizen awareness.

5.6.2. Business Requirements

- Environment monitoring shall be done for tracking that the pollution and noise levels are within the acceptable limits.
- Display of parameters to citizens to create awareness and support 'open data' initiatives
- Establish frameworks for regulating these parameters in terms of any supporting initiatives for maintaining acceptable levels.
- CSLMS at SCOC, city connect application and website in an integrated manner.

5.6.3. Functional Requirements

- The following sensors are proposed:
  - Flood Sensor
  - Carbon Monoxide (CO) sensor
  - Ozone (O3) sensor
  - Nitrogen Dioxide (NO2) sensor
  - Sulphur Dioxide (SO2) sensor
  - Carbon Dioxide (CO2) sensor
  - Particulate/SPM Profile (PM10, PM2.5, and TSP) sensor
  - Temperature sensor

- Relative Humidity sensor
- Rainfall Sensor
- Noise Sensor

- SCOC shall have an integrated module which shall monitor overall environmental parameters from the sensors installed across the city.
- Environmental sensor shall be ruggedized enough to be deployed in open air areas such as streets and parks.
- Mounting arrangement of the environmental sensor need to be specified by the CONCESSIONAIRE.
- The software should display real time and historical data in chart and table views for dashboard.
- Software shall display trends of environmental parameters based on specific time periods (configurable).
- Alerts shall be generated for events where the environmental parameters breaches the safe or normal levels.

5.6.4. Technical Requirements

A. *Carbon Monoxide (CO) Sensor*

- CO sensor shall measure the carbon monoxide in ambient air.
- Range of CO sensor shall be between 0 to 1000 PPM.
- Resolution of CO sensor shall be 0.01 PPM or better.
- Lower detectable limit of CO sensor shall be 0.040 PPM or better.
- Precision of CO sensor shall be less than 3% of reading or better.
- Linearity of CO sensor shall be less than 1% of full scale or better.
- Response time of CO sensor shall be less than 60 seconds.
- Operating temperature of CO sensor shall be 0°C to 60°C.
- Operating pressure of CO sensor shall be ±10%.

B. *Ozone (O3) Sensor*

- O3 Sensor shall measure the ozone in ambient air.
- O3 Sensor shall have a range of at least 0-1000 PPB.
- Resolution of O3 sensor shall be 10 PPB or better
- Lower detectable limit of O3 sensor shall be 0.001 PPB or better.
- Precision of O3 sensor shall be less than 3% of reading or better.
- Linearity of O3 sensor shall be less than 1% of full scale.
- Response time of O3 sensor shall be less than 60 seconds.
- Operating temperature of O3 sensor shall be 0°C to 60°C.
- Operating pressure of O3 sensor shall be ±10%.

C. *Nitrogen Dioxide (NO2) Sensor*

- NO2 Sensor shall measure the Nitrogen Dioxide in ambient air.
- NO2 Sensor shall have a range of at least 0-10 PPM.
- Resolution of NO2 sensor shall be 0.001 PPM or better.

- Lower detectable limit of NO2 sensor shall be 0.001 PPM or better.
- Precision of NO2 sensor shall be less than 3% of reading or better.
- Linearity of NO2 sensor shall be less than 1% of full scale.
- Response time of NO2 sensor shall be less than 60 seconds.
- Operating temperature of NO2 sensor shall be 0°C to 60°C.
- Operating pressure of NO2 sensor shall be ±10%.

D. *Sulphur Dioxide (SO2) Sensor*

- SO2 Sensor shall measure the Sulphur dioxide in ambient air.
- SO2 Sensor shall have a range of at least 0-20 PPM.
- Resolution of SO2 sensor shall be 0.001 PPM or better.
- Lower detectable limit of SO2 sensor shall be 0.009 PPM or better.
- Precision of SO2 sensor shall be less than 3% of reading or better.
- Linearity of SO2 sensor shall be less than 1% of full scale.
- Response time of SO2 sensor shall be less than 60 seconds.
- Operating temperature of SO2 sensor shall be 0°C to 60°C.
- Operating pressure of SO2 sensor shall be ±10%.

E. *Carbon Dioxide (CO2) Sensor*

- CO2 Sensor shall measure the carbon dioxide in ambient air.
- CO2 Sensor shall have a range of at least 0-5000 PPM.
- Resolution of CO2 sensor shall be 1 PPM or better.
- Lower detectable limit of CO2 sensor shall be 10 PPM or better.
- Precision of CO2 sensor shall be less than 3% of reading or better.
- Linearity of CO2 sensor shall be less than 2% of full scale.
- Response time of CO2 sensor shall be less than 60 seconds.
- Operating temperature of CO2 sensor shall be 0°C to 60°C.
- Operating pressure of CO2 sensor shall be ±10%.

F. *Particulate Profile Sensor*

- Particulate profile sensor shall provide simultaneous and continuous measurement of PM10, PM2.5, SPM and TSP (measurement of nuisance dust) in ambient air.
- Range of PM2.5 shall be 0 to 230 micro gms / cu.m or better
- Range of PM10 shall be 0 to 450 micro gms / cu.m or better.
- Lower detectable limit of particulate profile sensor shall be less than or equal to 1 µg/m3.
- Accuracy of particulate profile sensor shall be <± (5 µg/m3 + 15% of reading).
- Flow rate shall be 1.0 LPM or better.
- Operating temperature of the sensor shall be 0°C to 60°C.
- Operating pressure of the sensor shall be ±10%.

G. *Temperature Sensor*

- Temperature sensor shall have the capability to display temperature in °Celsius.

- Temperature range shall be -10° to +60°C.
- Sensor accuracy shall be ±0.3°C (±0.5°F) or better.
- Update interval shall be 10 to 12 seconds.

H. *Relative Humidity Sensor*

- Range of relative humidity sensor shall be 1 to 100% RH.
- Resolution and units of relative humidity sensor shall be 1% or better.
- Accuracy of the sensor shall be ±2% or better.
- Update interval shall be less than 60 seconds.
- Drift shall be less than 0.25% per year.

I. *Rainfall Sensor*

- Rainfall sensor shall have the capability of displaying level of rainfall in inches and millimeter.
- Daily Rainfall range shall be 0 to 99.99" (0 to 999.8 mm).
- Monthly/yearly/total rainfall range shall be 0 to 199" (0 to 6553 mm).
- Accuracy for rain rates shall be up to 4"/hr (100 mm/hr) or ±4% of total.
- Update interval shall be less than 60 seconds.
- 0.02" or (0.5mm) of rainfall shall be considered as a storm event with 24 hours without further accumulation shall end the storm event.

J. *Noise Sensors*

- Noise sensor shall detect the intensity of the ambient sound in a particular area.
- Nosie Sensors shall be installed for the outdoor applications.
- Noise sensor shall be able to identify the areas of high sound intensity ranging from 30 dBA to 120 dBA.
- Noise sensor shall have resolution of 0.1 dBA.

K. *Air Quality Monitoring Software*

- Software shall display real-time and historical data in chart and table views.
- Software shall display trends of environmental parameters based on specified time periods.
- Software shall display and export sensor diagnostic information
- Administrator shall be able to manage access privileges for only authorized officials.
- Alerts shall be generated for events where the environmental parameters breaches the safe or normal levels.
- It shall be installed at the SCOC for the purposes of monitoring, display of information and control of the system.

5.6.5. General

- Except flood sensors, each environmental sensor shall be housed in modules and further integrated into one single enclosure to the extent possible.
- Data of all the environmental sensor shall be available on the same software interface.
- It shall be possible to remove or replace individual sensor modules without affecting the functioning of rest of the system.

5.6.6. Environmental Requirements

- Enclosure shall be rugged weather proof IP65 rated and shall house the power modules, thermal management system and user configured analyser modules as well.
- Environmental operating range shall be 0°C to +60°.

5.6.7. Electrical Requirements

- Power requirements of the system shall be 180-240 VAC, 50Hz.
- The CONCESSIONAIRE shall be responsible for any power conversions required for operations of this system.

5.6.8. Networking requirements

Environmental station shall support communications by Ethernet (RJ45)/Wi-Fi/GPRS/LORA/Zig bee/RF media etc.

5.7. Public Address System

NMSCDCL envisages installation of Public Addressing System at strategic locations to provide clear announcements during public-addressing or dissemination of information to public and provide one-way voice communication during an emergency or mishap. The location of PAS shall be on the key junctions (mostly on the poles) and other strategic locations with large foot fall. However, the identified locations may possibly change and hence need to be confirmed before implementation.

5.7.1. Functional Requirements

- The Public Address System (PAS) should be capable of addressing citizens at specific locations from the SCOC.
- The proposed system shall contain an IP-based announcing control connected to the SCOC.
- Public Address System shall be used at intersections, public places, market places or those critical locations as identified by NMSCDCL to make important announcements for the public.
- It shall be able to broadcast messages across all PA systems or specific announcement could be made to a particular location supporting single zone/multi zone operations.
- The system shall contain an IP-based amplifier and uses PoE power that could drive the speakers. The system shall also contain the control software that could be used to control /monitor all the components of the system that includes Controller, Calling Station and keypad, Amplifier (Mixing and Booster).
- The CONCESSIONAIRE shall describe in detail the design, operational and physical requirements of the proposed public announcement system to demonstrate compliance with all the specified requirements of RFP.
- PA system's master controller should have function keys for selecting the single location, group of locations or all locations, simple operation on broadcasting to any terminal or separated zones.
- PA system's master controller should facilitate multiple MIC inputs and audio inputs.
- Software based control should facilitate demarcation of broadcast as per zones/areas/systems

5.7.2. Technical Requirements

- 24V DC output shall be available to supply power to external relays
- The maximum/rated output power of the internal booster shall be 150 W / 300 W
- The frequency response shall be 60 Hz – 18 kHz (+1/-3 dB, @ -10 dB ref. rated output.
- The distortion shall not exceed 1% at the rated output, 1 kHz.
- The operating temperature range shall be -10°C to +55°C. The storage temperature range shall be -40°C to +70°C.

- The system shall comply to the following standards:
  - EVAC compliance acc. to IEC 60849
  - EMC emission acc. to EN 55103-1
  - EMC immunity acc. to EN 55103-2
  - Safety acc. to EN 60065

5.7.3. System Requirements

- The system shall be able to deliver 75 dB at the listening level
- The reinforced sound shall be distributed evenly throughout the listening area; the total variation in each area shall not exceed ±4 dB.
- An articulation loss of consonants of less than 15% shall be maintained.
- Each power amplifier with 30% spare capacity shall be provided to drive all loudspeakers during an emergency without overloading.
- All speaker lines shall be supervised for open circuit fault, short circuit fault, and short to ground fault. Upon detection, the status of the fault shall be indicated in the SCOC.

5.7.4. Power Amplifiers

Performance

- Frequency response 50 Hz – 20 kHz (+1/-3 dB, @ -10 dB ref. rated output)
- Distortion <1% @ rated output power, 1 kHz

Environmental conditions

- Operating temperature range -10 to +55 degree C
- Storage temperature range -40 to +70 degree C
- Relative humidity <95%

5.8. Emergency Call Box – Panic Button

The Emergency Call Box will enable instant direct connection to the required emergency agency – Police\Ambulance\Fire etc. – when required.
Below is a summary of Emergency Call Box points. Emergency call boxes placed in like crowded places like near to the college, bus stand shopping complex and religious places on the street lights. These boxes will be pole mounted with enclosures.

5.8.1. Solution Requirements

The primary goal of the Emergency Call box is to enable connectivity (audio / video) to emergency locations such as police, hospitals, fire department, etc.
Below are the functional requirements of this Emergency Call Box:

1 The emergency box (or panic button) will enable citizens to establish a two way audio (microphone and speaker) & camera (video camera and a video screen) communication link with Police (or / and with Authority's Disaster Management Cell or Command and Communications Center) through a press of a button.
2 Emergency/ Panic buttons to be strategically located, suitably sized and identified/clearly labeled for "Emergency".
3 The emergency feature must also be available within the mobile app which will enable the user to initiate a bidirectional audio call with Police /Command and Communications Center.
4 The unit shall preferably have a single button which when pressed, shall connect to Authority.
5 The box is expected to have Cast Iron or Steel Foundation sturdy body. IP-65 casing is expected for the housing.
6 The speaker and microphone is expected to be supported by VOIP Phone, Hands-free calling, Watertight and industrial grade equipment.
7 The CCTV Camera is expected to be IP based, Color camera with minimum D1 resolution, Day/Night mode operations.
8 CCTV camera needs to be fit at the ECB points to check the exact situation of the location at the time of Emergency call.

5.8.2. Technical Requirements

Sr. No.	Parameter	Minimum Specifications or better
1	Construction	Cast Iron/Steel Foundation, Sturdy Body for equipment
2	Call Button	Watertight Push Button, Visual Feedback for button press
3	Speaker & Microphone	VOIP Phone, Hands-free calling, Watertight and industrial
4	Connectivity	3G/4G/Ethernet/Fibre as per solution offered
5	CCTV Camera	IP based, Color camera with minimum D1 resolution, Day/Night mode operations
6	Battery	Internal Battery with different charging options (Solar/Mains)
7	Power	Automatic on/off operation
8	Casing	IP-65 rated for housing
9	Operating Conditions	0° to 50°C
10	Certification	UL/CE/EN

Section: VI – Pre- Bid Meeting

6. Pre-Bid conference

1 Pre-Bid conference of the Concessionaires shall be convened at the designated date, time and place. A maximum of two representatives of each Concessionaire shall be allowed to participate on Production of authority letter from the Concessionaire. However, attendance is not mandatory.

2 The Concessionaires need to submit the pre-bid queries at least one working day before the scheduled Pre-bid meeting, in the following format as per the deadline mentioned in section 2.1 of the RFP.

3 Maximum two person are allowed from One Agency are allowed for Pre-bid Conference.

Sr. No.	RFP Document Reference (Section No.)	RFP Document Reference (Clause No.)	RFP Document Reference (Page No.)	Content of the RFP requiring clarification	Clarification Sought	Reason for Clarification/ Change

Note: Queries without proper reasoning may not be entertained. Reasons like 'company policy' and 'industry standard' may not be considered as proper reasons.

4 During the course of Pre-Bid conference(s), The Authority shall endeavor to provide clarifications and such further information as it may, in its sole discretion, consider appropriate for facilitating a fair, transparent and competitive Bidding Process

Section: VII – Service Level Agreements

7. Service Level Agreement

7.1. Implementation SLAs:

These SLAs shall be used to evaluate the timelines for completion of deliverables that are listed in the deliverable. These SLAs will be applicable for commissioning of the project (up to GO-LIVE). For delay of every week in completion & submission of the deliverable mentioned in the proposal, the Concessionaire would be charged with penalty as follows:

#	Duration	Penalty
1	Per Week	0.5% of the Performance Security (Maximum 10% of Performance Security permitted)

In case, the Concessionaire reaches maximum of penalty at any point of time, NMC reserves the right to invoke the termination clause.

It is clarified that in case of encashment of performance bank guarantee on account of penalty, the Concessionaire shall provide a fresh Bank Guarantee for such encashed amount within 15 days of notice of encashment served by NMC to it so that the overall amount of Performance Bank Guarantee(s) shall remain for the original complete amount at all times. B1-B2 Tender type Penalty clause will be applicable on the Concessionaire.

7.2. Post-Implementation SLAs:

1 These SLAs shall be used to evaluate the performance of the services on weekly basis but penalties would be levied for cumulative performance for the quarter basis.

2 Penalty levied for non-performance as per SLA requirements shall be deducted through subsequent payments due from Corporation or through the Performance Bank Guarantee.

3 The SLA parameters shall be measured for each of the sub systems' SLA parameter requirements and measurement methods, through appropriate SLA Measurement tools. NMC will have the authority to audit through tools for accuracy and reliability.

4 The upper limit of penalty would be capped at 1% of the Performance Security for each quarter. In case the calculated penalty crosses 10% penalty of the Performance Security. NMC reserves the right to invoke the termination clause.

#	Uptime SLA (Monthly)	Penalty Clause
1	**Uptime >= 99.599%**	**No Deduction**
2	**Uptime < 99%**	**(99.5%- Uptime %) of Quarterly Payment. For example if uptime of component is 95%, then penalty imposed will be 99.5%-95% i.e. 4.5% of Quarterly Payment.**

		Kindly read clause 4.11. (6), it must be read as **"The complaint needs to be resolved within 72 hours of lodging of complaint." Else penalty as per SLA will be applicable.** **(as per corrigendum 5 dated 18.01.2019)**

Note:

1. For LED luminaries:
    a. Downtime means non-working/ non-availability of LED luminaries at all locations. Uptime shall be calculated as [1- (no. of LED luminaries hours not available)/ (Total no of LED luminaries* Half of the total hours in one quarter)]. For ex, if 600 nos. of LED luminaries are deployed at various locations, and 20 LED luminaries do not work for 4 hours, the total non-working LED luminaries hours will be 20 and the uptime would be {1-(20*4/(600*90*12)}, 600 being the number of LED luminaries, for 90 days on 12 hours basis. This down time will be used for penalty calculations on quarterly basis. Actual downtime shall be obtained through CSLMS in minutes.
    b. Downtime for single LED luminary at any location should not be greater than 72 hours. For every day beyond this, penalty of Rs.200/- per LED luminary per location would be applicable in addition to penalty specified as per downtime SLA as mentioned above.
2. For Smart Street Lights and other systems:
    a. All devices have to be working and deliver the desired results. The no. of hours that the particular device/ equipment does not work will be treated as down time. Uptime shall be calculated as [1- (no. of hours the unit was not working) / (Total no of units available * Total hours in one quarter)]. For example, if 10 nos. of Smart LED are deployed at various locations, and 2 device/ units does not work for 5 Hrs., the total non-working device hours will be 10 unit hours, and the uptime would be {1-10/(10*90*11)}, 10 being the number of units, for 90 days on 11 hours basis. This down time will be used for penalty calculations on quarterly basis. The penalties would be levied for every unit down time hour– be it for non-availability of network, theft, damage etc.
3. Other Penalties
    a. It is expected that the Concessionaire should comply with all the Policy /Procedural / Regulatory Guidelines enforced by Government of India, Government of Maharashtra, and other statutory and related bodies, as amended from time to time. The Concessionaire should also safeguard the Application Security and Application Integrity. Penalty would be applicable for non-compliance of relevant security certifications. There would be Zero Tolerance policy against such breaches. The penalties across various breaches could be categorized as follows (this includes but not limited to the following):
        i. Information Security Breach: Any data leakage, information sharing, reports sharing without the consent of NMC.
        ii. Network & System Security Breach: Any instance of hacking, information / data compromise, unauthorized access to public Wi-Fi.

iii. Guidelines Breach: Non-compliance to guidelines shared by various government agencies such as complying with standards for website/mobile app development etc.

iv. For any of the breach for above-mentioned category, a penalty would be levied on the Concessionaire for every instance of occurrence if not responded as per the timelines mentioned in the table below:

Sr. No.	Type of Breach	Measurement (Unit)	Response Time (in unit)	Penalty on response w.r.t. delay /Unit
1	Information Security	Hours	1	0.2% of the Quarterly payment
2	Network & System Security	Hours	1	0.2% of the Quarterly payment
3	Guidelines	Days	7	0.2% of the Quarterly payment

b. The response time refers to immediate remedial action taken and preventive measures updated by the Concessionaire on occurrence of the event. In case the breaches are not responded to in the time frame as specified, penalties would be levied as per the table above and failing to address the breach in desired timeline, recurring penalties would be levied w.r.t. to delay in units as mentioned. For example, in case of an Information Security Breach, the Concessionaire has to respond within one (1) hour of the event occurrence. If the Concessionaire responds in 02 hours 15 minutes, a penalty on pro-rata basis equivalent to (0.2% of first hour + 0.2% of Second Hour + 0.05% for 15 minutes) =0.45% would be imposed on the Concessionaire .

c. In case of more than three (3) instances of breach within a single calendar year, NMC reserves the right to invoke the termination clause along with legal action for serious offence as decided by NMC.

d. Guidelines Breach includes non-compliance to certain guidelines as set by various agencies like Ministry of Communications and Information Technology, Department of Science and Technology, or other statutory Authorities etc. In such cases, resolution of the issue is mandatory. The Concessionaire would be required to respond with the action plan / change request, as applicable, in order to resolve the guidelines breach within the specified response time.

Performance Parameter	Particulars	Penalty for non-achievement
Complaint Resolution	The complaint needs to be solved within 48 hours of lodging of complaint	Rs.100/lamp/day
Addressing phase failure issue	The phase failure should be resolved within same day	Rs.500/phase/day Rs.500/visit if Authority staff is engaged for resolving phase issue
Hours of operation of street lights	As per normal operating hours	Increased bill amount +100% as a penalty on this increased bill if average hours of operation per annum is more than 11 hours/day without approval of Authority.
Guaranteed savings	Concessionaire has to maintain the minimum guaranteed savings	Rs. 50,000 per month for every 1% reduction in minimum guaranteed energy saving.

4. Penalty for dimming below allowable limit (maximum Dimming allowed as per guidelines of NLC / Indian South Asian Society of Lighting Engineers)

In case the Concessionaire is found to be making dimming above as per NLC guidelines for the fixtures. For per fixture where dimming will be above as per NLC guidelines Concessionaire will be penalized Rs.100/- per fixtures.

5. Penalty for non-compliance with electrical safety related matters

In case the Concessionaire is found to be negligent in matters pertaining to electrical safety as per the requirement specified in Clause 4.10 of RFP, it shall be penalized by Authority to the extent of five times the value of actual damage caused to the street lighting infrastructure/other assets which will be ascertained by proper investigation to be undertaken by Authority.

In case the Concessionaire does not undertake electrical safety audit as per the requirement specified in Clause 4.10 of RFP, the Concessionaire shall be penalized by Authority to the extent of three times the cost of undertaking electrical safety audit as determined by Authority.

6. Penalties assessment

The Concessionaire will be required to submit, at start of every month, detailed CSLMS report capturing energy consumption at each CSLMS panel, hours of operation, details of events like phase failure, non-operational light points, etc. to Authority

Office of Authority or the third party consultant hired by Authority will conduct reconciliation of CSLMS report and DISCOM bills semi-annually and any

discrepancies observed in the savings of CSLMS report would be adjusted in the subsequent invoice of the Concessionaire.

Section: VIII – Annexures

8. Annexures

8.1. Annexure I: Templates

1. The Concessionaire is expected to respond to the RFP using the forms given in this section and all documents supporting Technical Evaluation Criteria.
2. Envelope A shall comprise following forms:
    a. Form 1: Technical Proposal Covering Letter
    b. Form 2: Details of Concessionaire
    c. Form 3: Power of Attorney
    d. Form 6: Declaration for opening of office in Nashik
    e. Form 7: Declaration that the Concessionaire has not been blacklisted
    f. Form 8: Technical Capacity of the Concessionaire
    g. Form 9: Financial Capacity of the Concessionaire
    h. Form 10: Joint Bidding Agreement
3. Envelope B: Annexure II: Compliance Forms
    a. Form 4: Curriculum Vitae of Key Personnel
    b. Form 5: Proposed Implementation Work plan
4. Envelope C: Annexure III: Financial Proposal Templates
5. Annexure IV: Draft Agreement
6. Annexure V: Format for Report
7. Annexure VI: Format of Bank Guarantee for Performance Security
8. Annexure VII: DRAFT ESCROW AGREEMENT
9. ~~**Annexure VIII: Poles Identified for Initial Assessment for Computation of Minimum Guaranteed Advertisement Revenue**~~

WHEREAS,

A. The Nashik Municipal Corporation hereinafter referred to as NMC has invited Bids by its Request for Proposal Tender No. ..... dated ..... (the RFP) for Appointment of the Concessionaire for Implementation of NMC Street Light Project on DBFOMMT basis (the Project);
B. The Parties are interested in jointly bidding for the Project as Consortium Members (as defined below) and in accordance with the terms and conditions of the Bidding Documents including the RFP; and
C. It is a necessary condition under the RFP that the members of the Consortium shall enter into a Joint Bidding Agreement and furnish a copy thereof with the Bid.

NOW IT IS HEREBY AGREED as follows:

1. **Definitions and Interpretations**
   In this Agreement, the capitalized terms shall, unless the context otherwise requires, have the meaning ascribed thereto under the RFP.

2. **Consortium**
   The Parties do hereby irrevocably constitute a consortium (the Consortium) for the purposes of jointly participating in the Bidding Process for the Project.
   The Parties hereby undertake to participate in the Bidding Process only through this Consortium and not individually and/or through any other consortium constituted for the Project, either directly or indirectly.

3. **Covenants**
   The Parties hereby undertake that in the event the Consortium is declared the Preferred Concessionaire and awarded the Project, for performing all its obligations as the Concessionaire in terms of the Concession Agreement for the Project.

4. **Role of the Parties**
   The Parties hereby undertake to perform the roles and responsibilities as described below:
   a. Party of the First Part shall be the Lead Consortium Member of the Consortium and shall have the power of attorney from Second Part for conducting all business for and on behalf of the Consortium during the Bidding Process and until the Effective Date under the Concession Agreement when all the obligations shall become effective;
   b. {Party of the Second Part shall be _____.}

5. **Joint and Several Liability** The Parties do hereby undertake to be jointly and severally responsible for all obligations and liabilities relating to the Project in accordance with the terms of the RFP, the Concession Agreement and for the performance of the Concessionaire's obligations under the Concession Agreement.

6. **Representation of the Parties**
   Each Party represents to the other Parties as of the date of this Agreement that:
   a. such Party is duly organized, validly existing and in good standing under the laws of its incorporation and has all requisite power and NMC to enter into this Agreement;
   b. the execution, delivery and performance by such Party of this Agreement has been authorized by all necessary and appropriate corporate or governmental action and a copy of the extract of the charter documents and board resolution/power of attorney in favor of the person executing this Joint Bidding Agreement for the delegation of power and NMC to execute this Joint Bidding Agreement on behalf of the Consortium Member is annexed to this Agreement, and will not, to the best of its knowledge:
      i. require any consent or approval not already obtained;
      ii. violate any applicable law presently in effect and having applicability to it;
      iii. violate the memorandum of association and articles of association, by-laws or other applicable organizational documents thereof;
      iv. violate any clearance, permit, concession, grant, license or other governmental authorization, approval, judgment, order or decree or any mortgage agreement, indenture or any other instrument to which such Party is a party or by which such Party or any of its properties or assets are bound or that is otherwise applicable to such Party; and
      v. create or impose any liens, mortgages, pledges, claims, security interests, charges or any other encumbrances or obligations to create a lien, charge, pledge, security interest, encumbrances or mortgage in or on the property of such Party, except for encumbrances that would not, individually or in the aggregate, have a material adverse effect on the financial condition or prospects or business of such Party so as to prevent such Party from fulfilling its obligations under this Agreement;

c. This Agreement is the legal and binding obligation of such Party, enforceable in accordance with its terms against it; and
d. There is no litigation pending or, to the best of such Party's knowledge, threatened to which it or any of its affiliates is a party that presently affects or which would have a material adverse effect on the financial condition or prospects or business of such Party in the fulfillment of its obligations under this Agreement.
e. **Each Party shall convey the intent to form an SPV with shareholding/ ownership equity commitment(s) in accordance with this RFP, which would enter into the Concession Agreement and subsequently perform all the obligations of the Concessionaire in terms of the Concession Agreement, in case the concession to undertake the Project is awarded to the Consortium;**
f. **Each party shall commit to the minimum equity stake to be held by each member;**
g. **Lead Bidder shall hold at least 51% of the paid up and subscribed equity of the SPV and the remaining shall be divided between the other Consortium Members**
(as per corrigendum 5, dated 18.01.2019)

7. **Termination**
This Agreement shall be effective from the date hereof and shall continue in full force and effect till the full and final satisfaction of all obligations under the Concession Agreement in accordance with the terms thereof, in case the Project is awarded to the Consortium. However, in case the Consortium is either not qualified for the Project or does not get selected for award of the Project as the Selected Concessionaire, the Agreement will stand terminated, in accordance with the mutual agreement of the Parties.

8. **Miscellaneous**
This Joint Bidding Agreement shall be governed by laws of India.

The Parties acknowledge and accept that this Agreement shall not be amended by the Parties without the prior written consent of the NMC.

IN WITNESS WHEREOF THE PARTIES ABOVE NAMED HAVE EXECUTED AND DELIVERED THIS AGREEMENT AS OF THE DATE FIRST ABOVE WRITTEN.

Notes:

1. *The mode of execution of the Joint Bidding Agreement should be in accordance with the procedure, if any, laid down by the applicable law and the charter documents of the executant(s) and when it is so required, the same should be under common seal affixed in accordance with the required procedure.*
2. *Each Joint Bidding Agreement should attach a copy of the extract of the charter documents and documents such as resolution/power of attorney in favor of the person executing this Agreement for the delegation of power and NMC to execute this Agreement on behalf of the Consortium Member.*

8.2. Annexure II: Compliance Forms

Sr. No.	CSLMS Validation for 3-phase and single phase	Available	
		Yes	No
1	Access to monitoring and control screen developed for the live demonstration (User ID and Password).		
2	Dashboard: Monitoring and central controlling screen shall have following screens/icons		
	a. Display live status of the switching points		
	b. Live readings of energy consumption details (meter packets) with current time stamps.		
	c. Configure or reset the timings etc.		
	d. Page/screen with GIS mapping		
	e. Page/screen with power failure information		
	f. Page/screen with lamp failure details		
	g. Page/screen for reports		
3	Operation Features		
	a. GPRS /GSM		
4	Timer Operation — Refer Test Methodology		
	a. On/off operation of switching point		
	b. Time setting operation — Set the RTC		
	c. Scheduling the ON and OFF timings		
	d. Check the real time or present status of the switching point.		
	e. Reset the unit — Time		
	f. Auto Recovery after power failure		
5	Meter Operations		
	a. Meter readings are reflected in the server		
	b. Periodicity of Meter Packet should be configurable from server		
	c. Meter Parameters - KWH, KVAH, V, Ah, Power Factor, Active power and Apparent Power		
6	Reports Downloading		
	a. Energy saving report - yearly, monthly, weekly or daily basis		
	b. Error reports — No of lights off and Panel Door Opened with Timing etc.		
	c. Power failure report etc.		
7	Time Sync/Auto synchronization in case of time skip		
8	Fault Detections in terms of failures for the followings with inclusive SMS alerts		
	a. Number of lights in glowing and non- glowing		
	b. High/low voltage		
	c. Overload on the phases		
	d. Theft alerts		
	e. Group failure of lights		
	f. No output supply		
	g. Power Failure		
9	CSLMS System Battery		

	a. Battery performance in case of Power Failure		
	b. Batter backup or UPS backup of 12 hrs. (Minimum)		
	CSLMS System Hardware:		
	a. System box with Corrosion-resistant metal enclosure with proper lock arrangement		
	b. Energy Meter with ISI (Class 1.0accuracy or better energy meter)		
	c. Proper Earthing System		
	d. IP 55 or 65 for complete CSLMS system		
	e. Single Phase system - 5kVA		
	f. Three Phase system – 10kVA		
	g. Emergency on/off switch		

Sr. No.	Specification	Compliance (Yes/No)
1	Ability to control group based light on commands and policies	
2	The smart light should be using technologies like 0-10V or DALI or any variant of these for providing controlling of LEDs	
3	It is preferred that the smart light control nodes use industry standard RF technologies like Wi-Fi, 802.15.4, Zig Bee, Lora or GPRS as connectivity options	
4	The system should support reading, monitoring of various electrical parameters like Voltage, Current, Power Consumption etc. at each light.	
5	The system should have the ability to detect faults in individual lights and sent alerts and notifications to the management system	
6	The system should have ability to control the ON/OFF operation of the Luminaire centrally.	
7	The smart street lighting system should be able to operate at any weather Conditions	
8	The smart street lighting system should preferably be communicating using WIFI technology. Other allowed technologies can be Zig Bee, Lora and IEEE 802.15.4/Ethernet/Wi-Fi/Fiber/GPRS/RF or equivalent networks.	
9	The smart street lighting system should be able to communicate to the CSLMS hosted on the cloud (Preferably)	
10	The smart street lighting system should have the capability to receive the instruction from the Lighting Operations Management software and act accordingly	
11	The smart street lighting system should be able to operate the lights switch on/off, increase/decrease luminosity (Dimming) as	

Sr. No.	Specification	Compliance (Yes/No)
	per the command received from the Lighting Operations Management software	
12	The Lighting Operations Management software should have the capability to apply policies to the smart lighting system. Example: set up policies like light up alternate lights during low traffic density, increase the luminosity of the lights as per the dullness of the day lights	
13	The city administration should be able to see the real time status of the Smart Lighting System on a city map view of the Lighting Operations Management software	
14	The city administration should be able to operate the Smart Lighting System manually too.	
15	The smart lighting system should be able to communicate the system issue or failure to the Lighting Operations Management software.	
16	The smart lighting system is preferably a combination of LED lights and sensors	
17	The individual lights are to be monitored by electronic controller using a long range radio frequency communication technology	
18	The controller should be able to operate autonomously as per the defined schedules and light level sensors	
19	Should enable Over the Air (OTA) firmware update	
20	The sensors on the smart street lighting system should be able for remote operating capabilities.	
21	The rule engine set up on the Lighting Operations Management software should run on the real time data and apply the policies automatically	
22	At any time, these policies can be overridden by human intervention with the system	
23	At any point in time, the map view should give the details of the status, luminosity of the lights in city map view	
24	The data transmitted by and received from the sensors should be encrypted and tamper proof end to end (from sensor to application)	

Sr. No.	Specification	Compliance (Yes/No)
25	The sensor firmware should be upgradable from the central location.	
26	The system should allow to automatically or manually assign a GPS location to each sensor for placing on a GIS map.	
27	THE Lighting Operations Management software should be able to send commands to the smart street lighting system based on the data analytics to increase/decrease the luminosity as per the Day light and weather conditions.	

8.3. Annexure III: Financial Proposal Template

To,
Head of Electrical Department
Nashik Municipal Corporation,
Rajiv Gandhi Bhavan,
Sharanpur Road, Nashik - 422001

RFP No. ____ dated _____ for selection of Concessionaire for Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings and ~~Advertisement Rights~~ on Public-Private-Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) Basis.

Subject: Financial Proposal

Dear Sir,

We hereby offer to Implementation, Operation and Maintenance of Smart LED Street Lights in Nashik at locations mentioned in this RFP for 7 Years 9 months of period mentioned in the RFP, as per terms and conditions as described in this RFP.

Table- 1

S no.	Particulars	Bid Quote
A	Guaranteed Monthly Energy Savings with maintaining required Lux level as per table no. 1 in %. *Minimum Quote of* ***55%*****(as per Corrigendum 1 dated 11.12.2018)** *(In percentage)*	A
B	Nashik Municipal Corporation (NMC) share out of the overall Monthly savings in % *(Minimum Quote of 5%) (In percentage)*	B
C	**Minimum Monthly Energy Savings to NMC (in INR)**	**A*B*Unit Rate*Baseline Consumption**
	Note	
	Evaluation criteria will be solely on Highest Bid Parameter (C) and Highest Energy saving.	

	Details of Energy saving from individual pillar will be amicably decided as follows. 1) Actual energy consumption reading (pillar wise) will be taken before & after replacement of LED Fitting for consecutive 3 days considering more than 98% street lights working, with third party certification. 2) If actual energy saving percentage found above than committed (Guaranteed) energy saving percentage, then NMC sharing will be considered on higher saving percentage. 3) If actual energy saving percentage found below than committed (Guaranteed) energy saving percentage, difference between committed & actual energy saving will be recovered from bidder as per the tariff rates mentioned in the bid (Remuneration Fee) 4) **The revenue shared with the Nashik Municipal Corporation should be exclusive of GST. That is, it is after deducting the GST component. GST has to be paid by the bidder separately to the tax authorities.(as per corrigendum 3 dated 21.12.2018, it was clarified that, "Concessionaire need to share the tax free revenue to NMC. Total tax component need to be paid by the concessionaire only")** 5) Bidder has to prove by demonstration to NMC officials guaranteed energy savings with LUX levels mentioned in RFP Guidelines without any dimming, without any Change in NMC infrastructure failing with bidder would be disqualified"

Buyback Offer for existing Sodium Light Fixtures mounted on pole.

Sr. No.	Type of Sodium Light Fixtures	Quantity (A)	Unit Amount (Rs.) (B) (inclusive of all taxes)	Total Amount (Rs.) (inclusive of all taxes) C = A * B
1	70 w	28056		
2	150 w	28731		
3	250 w	8841		
4	400 w	1817		
5	T5 96W	8010		
			Total	

Buyback Offer for existing LED Light Fixtures mounted on pole.

Sr. No.	Type of Sodium Light Fixtures	Quantity (A)	Unit Amount (Rs.) (B) (inclusive of all taxes)	Total Amount (Rs.) (inclusive of all taxes) C = A * B

1	45 w	**3522 (as per corrigendum 3, dated 21.12.2018)**		
2	60 w	**9481(as per corrigendum 3, dated 21.12.2018)**		
3	90 w	2976		
4	120 w	580		
			Total	

***Note**: Buy back offer will not be considered for the financial evaluation of Concessionaires. However, it is compulsory for the Concessionaires to quote the buy-back amount.*

Capex Cost of Smart LED Light Fixtures and Annual O&M cost per fixture with warranty period.

Sr. No.	Type of Smart LED Light Fixtures	Cost per fixture (In Rs.) (inclusive of all taxes)	Annual Operation and maintenance Cost (in Rs.) (inclusive of all taxes)	Warranty Period per fixture
1	45 w ±_5%			
2	60 w ±_5%			
3	90 w ±_5%			
4	120 w ±_5%			

5	210 w ±_5%			

***Note**: Capex and O&M per fixture offer will not be considered for the financial evaluation of Concessionaires. However, it is compulsory for the Concessionaires to quote the Capex and O&M per fixture amount. This offer will be for installation smart LED after the implementation of 92014 Fixtures, if NMC required more Smart LED for installation.*

Yours faithfully,

Authorized Signatory

Name & Designation :

Business Address:

8.4. Annexure IV: Draft Agreement

This energy savings performance contract (hereinafter called the Concession Agreement) is made on the ____ day of _____, 20__ at _____by and amongst:

1 Nashik Municipal Corporation, having its headquarters at _____ through its _____, hereinafter referred to as **NMC**;

And

2 _____, a company registered under Companies act 1956/2013, having its registered office at _____, herein after referred to as the **Concessionaire**

NMC, NMC and the Concessionaire are hereinafter referred to individually as a Party and collectively as the Parties.

WHEREAS:

a. Nashik Municipal Corporation (NMC) operates the street lighting infrastructure in the city of Nashik and wishes to enter into a Concession Agreement with the Concessionaire. The Concessionaire will undertake the work of replacement of existing street lights in the Pan City area of Nashik City, with energy efficient smart LED street lights, installation of control systems along with operation & maintenance for a Concession Agreement period of 7 Years 9 months (the Project) including installation period of 9 months (extendable by 3 months with prescribed penalty clause) and remaining for O&M and energy savings payment from the Effective Date.
b. The Project area comprises of total of 92014 luminaires in place being operated by 1574 switching points/ feeder panels.
c. The Concessionaire submitted a bid in response to the request for proposal issued by NMC. The concessionaire has also given Live Demonstration of LED lamps & proposed CSLMS system which has met the technical specifications.
d. NMC has invited the Concessionaire to enter into this Concession Agreement.
e. The following documents shall be deemed to form and be read and construed as part of this Concession Agreement.
f.
    a. Conditions of Contract
    b. Scope of Services
    c. Technical Specifications of the Project
    d. Baseline energy consumption
    e. Format for weekly reporting of fixture replacement
    f. Service Level Agreement
    g. Letter of Award and
    h. Results of Live Demonstration

IN WITNESS WHEREOF, the Parties, intending to be legally bound, have caused this Concession Agreement to be executed on INR ____ stamp paper by their duly authorized representatives on ____ day of _____, 20__.

For and on behalf of the Nashik Municipal Corporation	
Name: _____ Designation: Commissioner	
In the presence of	
Witness Sign: Name: Address:	

For and on behalf of the Concessionaire	
Name: _____ Designation: _____	
In the presence of	
Witness Sign: Name: Address:	

NOW THEREFORE, the Parties agree as follows:

1. Definitions and interpretations

In this Concession Agreement (including the recitals and schedules), the following words and expressions have the following meanings:

Authority - Municipal Commissioner, acting on behalf of Nashik Municipal Corporation (NMC)

Commissioning Certificate will be issued by NMC against the installation, verification and testing of all the proposed street light technologies and infrastructure along with CSLMS panels.

Consent - means any permit, approval, authorization, agreement, no objection certificate, waiver or license which is required to be obtained by the Concessionaire in order to perform the Services.

Concession Agreement – this energy saving performance contract entered into between NMC and the Concessionaire on the date hereof, including the recitals and schedules, as may be amended from time to time by the Parties.

Concession Agreement Officer – An officer who has been dully authorized on behalf of NMC

Concessionaire –The Selected Concessionaire who is responsible for designing, engineering, financing, procurement, construction, operation and maintenance of the Project.

Concessionaire Representative - the person appointed by the Concessionaire to represent the Concessionaire and communicate with **Nodal Officer.**

Corrupt Act – the act of promising, giving, receiving, or agreeing to receive money or some other item of value with a corrupt aim, or perceived aim, of influencing a public official in the discharge of his official duties; and acts giving rise to criminal liability under Indian Laws

Day- Day means a calendar day

Delay Liquidated Damages - means an amount per week of delay calculated in accordance with Section VII of the RFP in the event the Services are not completed in accordance with the Timeline.

Effective Date – the date on which this Concession Agreement and all of its schedules are signed by the duly empowered representatives of all the Parties.

Energy Baseline - has the meaning given in clause 4.9 of RFP.

Energy Conservation Measures (ECSLMS) – the installation of new equipment, modification or alteration of the Existing Lighting Infrastructure by the Concessionaire at the Concessionaire's cost, in the city of Nashik, or revised operation and maintenance procedures to reduce energy and maintenance costs by improving efficiency of use.

Energy Savings - Energy savings is a reduction of energy consumption or electrical demand resulting from the Concessionaire's ECSLMS taking into considerations quality of power supply.

Engineer In charge – Nominated authorized person of NMC.

Existing Lighting Infrastructure - all NMC owned street lighting equipment and apparatuses, including, but not limited to, poles, cables, wires, lighting fixtures, fittings, ballasts, lamps, tubes, switching devices and timers within the Project Area.

Force Majeure Event - has the meaning given in clause 29 of this agreement.

Laws – all current or future applicable Indian laws, administrative regulations, local regulations, regulations on the exercise of autonomy, special regulations, rules, judicial interpretations and other regulatory documents with legal binding force or any compulsory requirement.

Lender – any agency/ person providing financing to the Concessionaire in relation to this Project.

Nodal Officer: Authorized representative representing the Office of Authority.

Operation and Maintenance (O&M) – all the activities required for operation and maintenance of the street lighting fixtures handed over to the Concessionaire within the Project Area including, but not limited to, those required for meeting the lighting standards specified in this Concession Agreement.

Performance security – has described in Clause 31 of this agreement.

Project – has the described given in the Recitals.

Project Area – has the described given in the Recitals.

Services – the services to be performed by the Concessionaire pursuant to this Concession Agreement and described in Section IV of the RFP.

Term – the period starting on the Commencement Date and ending on the eighth (8th) anniversary of the Commencement Date, as may be extended in accordance with section 4 of RFP, or on the Termination Date, whichever is earlier?

Year- means the financial year beginning on the 1st day of April and ending on the 31st day of following March.

2. Interpretations

In this Concession Agreement, unless the context otherwise requires,

a) the words "include" and "including" are to be construed without limitation;

b) Energy Efficiency and EE will be used interchangeably in the document hereafter.

c) any reference to day, month or year shall mean a reference to a calendar day, calendar month or calendar year respectively;

d) the Schedules to this Concession Agreement form an integral part of this Concession Agreement as though they were expressly set out in the body of this Concession Agreement;

e) any reference at any time to any agreement, deed, instrument, license or document of any description shall be construed as reference to that agreement, deed, instrument, license or other document as executed, amended, varied, supplemented, modified or suspended at the time of such reference;

f) any agreement, consent, approval, authorization, notice, communication, information or report required under or pursuant to this Concession Agreement from or by any Party shall be valid and effectual only if it is in writing under the

hands of duly authorized representative of such Party in this behalf and not otherwise;

g) any reference to any period commencing "from" a specified day or date and "till" or "until" a specified day or date shall include both such days or dates;

h) "person" shall be construed as a reference to any person, firm, company, corporation, society, trust, government, state or agency of a state or any association or partnership (whether or not having separate legal personality) of two or more of the above and a person shall be construed as including a reference to its successors, permitted transferees and permitted assigns in accordance with their respective interests;

i) The documents forming part of this Concession Agreement are to be taken as mutually explanatory to one another and, unless otherwise expressly provided elsewhere in this Concession Agreement, the priority of the following documents shall, in the event of any conflict between them, be in the order set out hereunder:
   - this Concession Agreement
   - all other documents forming part of this Concession Agreement

j) The tables of contents and any headings or sub-headings in this Concession Agreement have been inserted for ease of reference only and shall not affect the interpretation of this Concession Agreement.

3. Concession Agreement Documents

This Concession Agreement is the entire agreement between the Parties, and no alterations, changes or additions thereto shall be made, except in writing approved by the Parties.

4. Term and commencement

4.1. Effective Date and Term

This Concession Agreement comes into effect on the Effective Date and expires on the eight (8th) anniversary of the Effective Date (the "Term"), unless terminated earlier pursuant to Clause 34 of this agreement or extended in accordance with clause 4.3 of this agreement.

4.2. Conditions Precedent

The Parties shall ensure that the following conditions are met as soon as possible following the Effective Date:

a. The Concessionaire has paid a fee in Indian Rupees equivalent to INR ..... (Rupees ..... Only) as an earnest money deposit (submitted at the time of RFP stage). The same shall be returned to Authority within 15 (fifteen) days of receipt of performance Security (of _____ %of the Contract Amount) from the Concessionaire.
b. NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills within 1 month of the signing of Energy Savings and Performance Contract (ESPC)
c. NMC shall provide the Concessionaire with an authorization letter granting the Concessionaire the access to the Existing Lighting Facilities/infrastructure.

4.3. Extension of Term

NMC on receiving request from the Concessionaire may at its discretion, permit extension of time for execution of the Concession Agreement. The Concession Agreement Period would be 7 Years 9 months including implementation period of 9 months (extendable by 3 months with prescribed penalty) and remaining for O&M and energy savings payment. After the end date of Concession Agreement, the Concessionaire will not be eligible for any payment except the pending payment of contract duration.

5. Services

5.1. Scope of Services

Without prejudice to any other provision of this Concession Agreement, the Concessionaire shall carry out the Services set out in Section 4 of RFP within the Project Area and undertake the other obligations to be performed by the Concessionaire as further described in this Concession Agreement from the Commencement Date and until the end of the Term.

5.2. Extension of the Scope of Services

In view of the continuous development of the city, the Concessionaire may be asked to install additional street lights and CSLMS panels and connect the same to overall CSLMS system. In case of such additions after commissioning of the project, Concessionaire need to provide fixture capex and cost for O&M per year wattage wise as per asked in the financial format.

Undertakings

The Concessionaire undertakes the following:

a) The provision of the Services shall not contravene any Law of the Country and shall comply with all Laws;

b) The Concessionaire shall perform and complete the Services in a professional, timely, safe and environmentally responsible manner and comply with the safety, health and security regulations in force in India and the State of Maharashtra;

c) The Concessionaire shall use appropriate, advanced and proven technology, software and information systems; and

d) The Concessionaire shall carry out its obligations under this Concession Agreement in a manner which is consistent with Indian standards, international best practices, methods, techniques, skills, diligence and prudence which are generally expected from a Concessionaire with similar obligations.

6. NMC's Responsibilities

6.1. Access

NMC shall be responsible for providing the Concessionaire with, free of charge, on and from the Effective Date, access to all the information and data with regards to, the Existing Lighting Infrastructure and all land in the Project Area whose access is required for the performance of Services and in respect of which NMC has control. Access to the Existing Lighting Infrastructure and the land within the Project Area shall confer on the Concessionaire a right to only use the Existing Lighting Infrastructure and the land necessary to enable the Concessionaire to carry out the Services.

The Concessionaire will be provided with a small place in each zone with basic infrastructure where the Concessionaire will make available a person with amenities like computer, printer, phone, complaint register, etc. during working shift timings to register complaints regarding street lighting. These complaint handling centers will be connected to NMC's existing Complaint Management System and such centers should become fully operational within 30 days of allocation of such space by Authority.

If NMC removes any particular pole or fixture after commissioning, the Concessionaire shall be entitled for the Energy Savings Fee that would have arisen out of the energy savings pertaining for such fixture for the remaining life of the Project. If access to any particular pole or fixture is not provided by NMC to the Concessionaire during O&M phase; the Concessionaire shall be entitled to the Energy Savings Fee for the fixtures that would have arisen out of the energy savings pertaining to such fixtures for the amount of time when access was not provided.

6.2. Assistance to Concessionaire

If requested by the Concessionaire, NMC shall facilitate the Concessionaire in a timely and expeditious manner with the following:

a. Obtaining all the consents necessary for the Services (excluding the qualifications that the Concessionaire should already possess) such as construction permits, permits for temporary suspension of water, power or traffic, etc.
b. Protecting underground pipelines, buildings and structures (including historic relics) and trees located on or close to the Project Area
c. Consulting with the Concessionaire if any construction or installation project implemented by NMC or other local public entity in the city of Nashik may have direct or indirect impact on the Concessionaire
d. Obtaining MSEDCL's full cooperation during the Term of the Concession Agreement.

However, the Concessionaire has to arrange all the machineries and equipment required for the implementation of the project at its own expense. Also the Concessionaire shall procure at their sole expenses all permits and licenses and pay all charges and fees for lawful execution of the work.

6.3 Lux level measurements

At random during project operation, NMC official shall ask Concessionaire to demonstrate the lux level of operating LED fixture to check compliance with the data recorded during live demonstration. Under such case, Concessionaire will have to install the LED fixture at the site of live demonstration and verify the lux level. If, during such test it is found that lux level has fallen below the minimum required average lux level and uniformity ratio, Concessionaire at its own cost will have to replace all the LED fixtures with similar wattage as per the direction of Engineer In charge. Also, the average lux level and uniformity ratio measured, for the existing street light fixture, during the live demonstration will be binding throughout the project term.

6.4 Operation and maintenance

NMC shall be responsible for the O&M of all the identified switching points and street lighting fixtures until the same are handed over to the Concessionaire.

The Concessionaire's Responsibilities

7.1. Energy Baseline Determination

NMC has provided a snapshot of energy consumption baseline conditions of street lighting under its jurisdiction in clause 4.9 of the RFP. Assuming 100% of the street lights are in operation and the average operating hours of the street lights is 11 hours/ day.

The baseline defined in clause 4.9 of the RFP is for existing condition of street lighting system in Nashik. However, actual baseline during the installation period (i.e. from the start of project to complete installation) may vary by ± 15% in terms of number of light points as well as electricity consumption. The Concessionaire may be asked by NMC to install/ uninstall light points during the time of implementation and subsequently, the baseline will be modified on the completion of installation of LED lights. This modified baseline will be considered for assessment of energy savings throughout the concession period for verifying the actual saving.

The Concessionaire, immediately from the Commencement Date, shall undertake field survey of street lighting systems to identify the fixtures for replacement. The Concessionaire has to perform this task in parallel to other activities and no additional time will be provided for this activity.

7.2. Services

The Concessionaire shall execute the services to be provided in accordance with scope of work.

7.3. Timeline for implementation of the project

The Services to be performed by the Concessionaire has been classified into two tasks. The Concessionaire has to adhere to the stipulated timelines as mentioned hereunder:

Task 1: Replacement of existing luminaires (within municipal boundary of Nashik Municipal Corporation) with LED luminaires (including LED lamp, driver and Luminaire) and installation of (CSLMS) – This activity shall be completed within 9(nine) months from the date of signing of this Concession Agreement.

Task 2: Undertake comprehensive operation and maintenance of street lighting network – This activity shall commence from the date of issue of satisfactory Installation, Testing and Commissioning certificate of all LED Street lights from Engineer-in-charge (i.e. only after complete installation in any particular zone) and shall continue for 10(ten) consecutive years from the effective date of signing of this agreement.

7.4. Extension of Implementation Timeline

Notwithstanding the clause 4.3, if the Concessionaire does not have access to part or the whole of the Existing Lighting Infrastructure for any reason, including, but not limited, to a Force Majeure Event (as defined in clause 29 of this agreement) for any period of time during the Term, then the Concessionaire shall be excused from the performance or punctual performance of its obligations under this Concession Agreement for such period of time when the Concessionaire does not have access to all the Existing Lighting Infrastructure in the Project Area. Also, the timeline shall be extended for an equal period of time during which the Concessionaire didn't have access to all the existing Lighting Infrastructure.

7.5 Safety: Concessionaire has to take adequate major for electrical safety of the systems.

Once the street light to system is handed over to Concessionaire, up to the end of the Concession period, Concessionaire will be solely responsible for any type of electrical accident (Fatal/non-fatal) and related legal and financial Consequence responsibilities shall be borne by Concessionaire.

8. Asset Ownership

8.1. Existing lighting fixtures

NMC shall at all times during the Concession Agreement period remain the owner of the land and the existing lighting infrastructure under its jurisdiction.

The Concessionaire will not be held liable for lighting infrastructure existing prior to the date of commissioning of LED luminaires and CSLMS panels or arising from any event or circumstance that occurred prior to the date of commissioning.

The Concessionaire shall ensure the proper recording of the dismantled conventional fixtures, as per format attached at Annexure IV, to office of Authority at least on weekly basis.

8.2. Newly installed equipment and systems

The Concessionaire shall remain the owner of the LED luminaires and CSLMS panels installed by it during the term. The Concessionaire shall undertake all the procurement of equipment and services necessary for the Project. This LED luminaires and CSLMS panels installed by Authority under this contract shall be free of any lien and should have paid all applicable taxes. At the end of the Term, the Concessionaire shall submit to Authority a list of all the equipment, fittings or other items that were replaced during the Terms.

The essence of this Concession Agreement is to keep all the street lights 'ON' and as such any nonfunctioning of street light fixtures/feeder panels/poles will be adversely reflected on the performance of the Concessionaire. Hence it will be in the interest of the Concessionaire to identify & attend to the faults & keep the lights 'ON' in a safe manner. The Concessionaire should employ only qualified and experienced personnel

& use proper instruments, take adequate precautions, use good quality material, have proper supervision and maintain proper complaint management and public relations.

The Concessionaire should monitor the electrical load on each phase and each circuit in the panel & also maintain load balance equally on all the phases. He should never allow any circuit to be overloaded.

The material used for the work shall be new & of best quality available and work should be carried out with best workmanship. The material used and works carried out shall conform to the relevant Electricity Act 2003 as amended and rules of Bureau of Indian standards.

At the expiry of the Term/termination of the concession agreement, all rights and titles to, and interests in, all improvements and equipment constructed or systems installed shall be vested in NMC, free and clear of all and any liens and encumbrances created or caused by the Concessionaire. The Concessionaire shall surrender possession of the LED luminaires and CSLMS panels, along with CSLMS bill of material, to NMC.

10. Termination

10.1. Termination events

This Concession Agreement shall terminate:

a) due to a Force Majeure Event in accordance with clause 29;
b) due to a NMC/ Event of Default in accordance with clause 11 and
c) due to a Concessionaire Event of Default in accordance with clause 12;

11. NMC Event of Default

The following events, provided that they are not caused by a Concessionaire Event of Default or a Force Majeure Event and are not cured within sixty (60) days following the issuance of a notice from the Concessionaire, shall constitute a "NMC Event of Default" and the Concessionaire shall be entitled to terminate this Concession Agreement:

a) NMC fails to deposit monthly electricity bill or any other payment in the Escrow Account, for more than 1 months from its collection;

12. Concessionaire Event of Default

The following events, provided that they are not caused by a NMC or Authority Event of Default or a Force Majeure Event and are not cured within sixty (60) days or within specified timelines, following the issuance of a notice from NMC, shall constitute a "Concessionaire Event of Default" and Authority shall be entitled to terminate this Concession Agreement:

a) The Concessionaire made any representation or warranty that was incorrect when made in the bid or during the Concession Period;
b) Liquidation or insolvency of the Concessionaire;
c) Transferring the Services in violation of this Concession Agreement;

d) The Concessionaire has been convicted of a fraud and corrupt practices ;
e) The Concessionaire is in material breach of any of its obligations under this Concession Agreement;
f) NMC or Authority determines that the Concessionaire has, directly or indirectly, engaged in corrupt practices, fraudulent practices, coercive practices, undesirable practices or restrictive practices during the bidding process for this Project; and
g) The Concessionaire's failure to pay the Delay Liquidated Damages as per Section VII of the RFP.

Notwithstanding the above provisions, failure by the Concessionaire to issue monthly reports, daily reports and annual electrical safety energy audit report in accordance with clause 29 of this Concessionaire agreement shall automatically constitute a Concessionaire Event of Default without having to wait for the end of the sixty (60) days cure period.

13. Termination Procedure

13.1 Termination of this Concession Agreement by Authority

Authority may terminate this Concession Agreement by giving a termination notice to the Concessionaire if a Concessionaire Event of Default has occurred and continued for more than sixty (60) days or within specified timelines after Authority notified the Concessionaire of such Concessionaire Event of Default.

13.2 Termination of this Concession Agreement by Concessionaire

The Concessionaire may terminate this Concession Agreement by giving a termination notice to Authority if a NMC/ Authority Event of Default has occurred and continued for more than sixty (60) days after Authority has received a notice from the Concessionaire mentioning the Authority Event of Default and requesting Authority to remedy such Authority Event of Default.

14. Termination Payments

14.1 In Case of Force Majeure Event

Post the Force Majeure Event, the parties will have two options:

(a) Continuation of the Contract: After a Force Majeure event, both parties may mutually agree for continuation of the Contract. The Concessionaire shall have the right to two remedies under this option. 1) Recovery of costs of damaged assets through insurance claim, and, 2) equal sharing of costs of restoration of damaged assets between the Authority and the Concessionaire as duly certified by a reputed auditor appointed by the Authority. No additional compensation may be payable by the Authority on any account including loss of income.

(b) Termination of the Contract: After a Force Majeure event, both parties may mutually agree for termination of the Contract. Both parties shall have the right to a remedy under this option. 1) Equal sharing of the recovery of costs of damaged assets through insurance claim, and, 2) payment of 50% of the Book value of the surviving assets by the Authority to the Concessionaire as duly certified by a reputed auditor appointed by the Authority. The Concessionaire agrees and undertakes to transfer the title and ownership of the assets including the equipment constructed or systems installed up to the Termination Date, utilized by it for provisioning of Services under this Agreement within a period of 30 days.No additional compensation may be payable by the Authority on any account including loss of income.

14.2 In case of Concessionaire Event of Default

If transfer of Assets happens before the expiry of term due to a Concessionaire Event of Default, then no payment will made to Concessionaire and all the equipment constructed or systems installed by Concessionaire up to the Termination Date will be forfeited.

14.3 In case of NMC's Event of Default

(a) If transfer of Assets happens before the expiry of term due to a NMC Event of Default, the Authority shall pay the Concessionaire 100 percent of the book value in relation to such assets including the equipment constructed or systems installed up to the Termination Date, as duly certified by a reputed auditor appointed by the Authority.

15. Transfer

Minimum six (6) months before the end of the Authorisation Period, the Parties shall discuss whether this Concession Agreement shall be renewed or not. If the Parties decide not to renew the Concession Agreement, then all the then Existing Lighting Infrastructure as may have been upgraded and maintained by the Concessionaire shall be transferred to NMC free of charge on the day immediately following the end of the Term.

During the Exit Management Period, the Concessionaire will transfer all the assets in normal working condition and as per the specifications of the clause 34 of this Concession agreement including the ones being upgraded.

The Concessionaire, if not already done, shall transfer all the right to use software licenses under the name of NMC during the Exit Management Period. The Concessionaire shall also transfer all the relevant Software Passwords, User Names and Keys. If such a transfer of Assets happens before the expiry of term, Parties shall mutually discuss and agree on the Assets together with the termination and transfer assistance fee.

The Concessionaire shall be entitled to use the Assets for the duration of the exit management period which shall be three months from the date of expiry or notice of termination of the Agreement.

For any material breach on the part of Concessionaire during the Project Implementation Phase and Operation & Management Phase, NMC is entitled to provide notice in writing on the Concessionaire at any time during the exit management period as detailed here in above requiring the selected Concessionaire to provide the department or its nominated agencies with a complete and up to date list of the Assets within 30 days of such notice.

16. Employees and training

NMC shall remain the principal employer of the Nashik Municipal Corporation employees working for the street lighting department. Such employees may or may not, at the Concessionaire's sole discretion, be seconded to the Concessionaire for a specific duration and under terms and conditions to be agreed upon between the Parties. The Concessionaire has no obligation to employ directly or indirectly any municipal employees.

The Concessionaire will organize training program at NMC office wherein the Concessionaire will train the employees of NMC on any day within one month of the date of commissioning and on any day within last quarter of end of Concession Agreement period on the operation, maintenance and repair of the equipment and systems installed by the Concessionaire

The Concessionaire's personnel, representatives or other members of the Consortium shall be under the complete control of the Concessionaire and shall not be deemed to be employees of NMC in any case.

17. Delay liquidated damages

Where the Concessionaire fails to complete the Services within the Timeline provided under clause 7.3 and 7.4 of this agreement, Authority shall be entitled to apply Delay Liquidated Damages as follows:

18. Limitation of Liability

Neither NMC nor the Concessionaire shall be liable to the other under this Concession Agreement for any loss of profit, loss of revenue or any other indirect or consequential damages that may be suffered by the other Party unless otherwise specified in this Concession Agreement.

Unless this Concession Agreement provides otherwise, no approval, expression of satisfaction, comment, review, payment or certificate whatsoever made or given (or any failure to make or give the same) by NMC/Authority its employees under this Concession Agreement, shall relieve the Concessionaire of any of its obligations, risks or liabilities under this Concession Agreement.

19. Third party claims

19.1 Indemnification

The Concessionaire shall indemnify and hold NMC and Authority and its employees harmless from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs and expenses of whatsoever nature, including attorney's fees and expenses, that arise in connection with the execution of the Services due to the negligence or willful misconduct of the Concessionaire, any Sub Concessionaire or their employees, in respect of the following:

a) the death or injury of any person;
b) loss or damage to any property, real or personal; and
c) Third party losses and claims.

19.2. Handling of Claims

If any proceedings are brought or any claim is made against NMC or Authority in relation to the performance of the Services by the Concessionaire, or any of its employees, NMC or Authority shall promptly notify the Concessionaire and set out full particulars of the claim. The Concessionaire shall conduct such proceedings or claims and any negotiations for the settlement of any such proceedings or claims at its own expense and on behalf of NMC or Authority and with Authority's assistance.

20. Settlement of disputes

20.1 Consultation

Both Parties must agree that in the event any dispute, controversy or claim arising between the Parties out of, under or in connection with this Concession Agreement, or in the interpretation of any of its provisions, including any question regarding its existence, validity or termination, the Parties shall meet promptly on the request of either Party in an effort to resolve such dispute, controversy or claim through consultation in an amicable manner. If a settlement is not reached then the matter shall be referred to NMC, Nashik for seeking their advice. Pursuant to this clause within thirty (30) days of the said request, the Parties shall refer their dispute to Arbitration.

20.2 Arbitration

Any dispute or difference whatsoever arising between the Parties to this Contract arising out of or relating to the meaning, scope, operation or effect of this Contract or the validity of the breach thereof shall be referred to a sole Arbitrator i.e. "The Commissioner of NMC". The provisions of the Arbitration and Conciliation Act, 1996 as amended will be applicable and the Award made there under shall be final and binding upon the parties hereto, subject to legal remedies available under the law. The Arbitration proceedings will be held at Nashik Municipal Corporation, Nashik, India. The language of the Arbitration proceedings and that of all documents and communications

between the Parties shall be in English. All Arbitration Awards shall be in writing and shall state the reasons for the award.

21. Taxes and duties

Concessionaires shall not be paid any extra amount due to increase in any type of Government Taxes including excise duty during implementation of Concession Agreement. Any variations in taxes shall be borne by the Concessionaire. The provisions of this Article shall survive the termination or expiry of this Concession Agreement.

Advertisement Tax to be paid to NMC as applicable from time to time.
(as per corrigendum 3 dated 21.12.2018 and corrigendum 5 dated 18.01.2019)

22. Confidentiality

The Parties shall treat as confidential the existence and contents of this Concession Agreement (including its Schedules), all the information and documents obtained in relation to this Concession Agreement, the Services, as well as all other aspects of the Project contemplated under this Concession Agreement. The duration of the confidentiality obligation shall last for two (2) years following the end of the Term.

The above clause shall not apply in following cases:

a) Information already published or otherwise publicly available;
b) Information already obtained by one Party in a manner which does not breach a confidentiality obligation;
c) Information obtained from a third party in a manner which does not breach a confidentiality obligation;
d) Information required to be disclosed in accordance with Indian Laws; and
e) Information disclosed for the purpose of the performance by either Party of its obligations under this Concession Agreement.

23. Notice

23.1 Notice

Any notice under this Concession Agreement shall be in writing and in English, and shall be delivered in person or sent by registered post, fax or email to the following addresses: For Authority _____
For Concessionaire _____

Should either Party need to change its contact information, it shall inform the other Party in writing fifteen (15) days in advance. The change takes effect immediately upon receipt of such notice by the other Party.

24. Insurance

The Concessionaire shall at all times, as may be applicable, obtain, maintain and renew those insurance covers required in relation to people, equipment, systems as well as third party damages in accordance with applicable laws. In particular, the Concessionaire shall maintain an insurance coverage against the risk of damage by fire or otherwise of Concessionaire-owned and installed equipment and systems until the title to the equipment and systems passes on to the Authority upon expiry of the Term.

The goods supplied under the Concession Agreement shall be fully insured in Indian Rupees against loss or damage incidental to manufacture or acquisition, transportation, storage, delivery, completion of installation and commissioning. For delivery of goods at site, the insurance shall be obtained by the Concessionaire, for an amount not less than the price of the goods from "warehouse to warehouse" (final destinations) on "all risks" basis including war risks, strikes and Force Majeure Events.

25. Representations and warranties

25.1 The Concessionaire's Representations and Warranties

The Concessionaire represents and warrants to NMC that:

a) The Concessionaire is an independent company duly incorporated, validly existing and of good standing under Indian Laws;
b) The Concessionaire is financially solvent, is able to pay its debts as they mature, and has sufficient capital and resources to complete its obligations under this Concession Agreement;
c) The Concessionaire is not a party to any legal, administrative, arbitral, investigation or other proceedings or controversy, pending or (to the best of the Concessionaire's knowledge) threatened, that would adversely affect its ability to perform its rights and obligations under this Concession Agreement;
d) Without NMC's or Authority's written permission, the Concessionaire shall not engage in any related activities in the city of Nashik that may impinge upon this Project, other than the Services;
e) The execution and performance of this Concession Agreement will not result in a breach or violation of, or constitute a default under, any agreement to which the Concessionaire is a party; and
f) The execution and performance of this Concession Agreement has been duly authorized, and this Concession Agreement has been duly executed by the signatories and constitutes a legal valid and binding obligation.

25.2 Authority's Representations and Warranties

Authority represents and warrants to the Concessionaire that:

a) Authority has the power and authority to enter into and perform its obligations under this Concession Agreement;
b) The execution of this Concession Agreement will not result in a breach or violation of or constitute a default under any agreement to which it is a party.

26. Representatives

26.1. Authority's representative

Authority may from time to time replace its Representative by notifying the Concessionaire (to be effective upon receipt by the Concessionaire).

The Authority Representative shall have full authority and power to represent and act for Authority at all times during the Term. All notices, instructions, orders, certificates, approvals and all other communications under this Concession Agreement shall be given by, and to, the Authority Representative unless Authority notifies the Concessionaire otherwise.

26.2 The Concessionaire's Representative

The Concessionaire Representative shall have full authority and power to represent and act on behalf of the Concessionaire at all times during the Term, including for sending or receiving notices, instructions, information and all other communication in relation to this Concession Agreement.

The Concessionaire shall not revoke the appointment of the Concessionaire Representative without notifying Authority of the new Concessionaire Representative.

27. Governing Law and Language

27.2 Governing Law

This Concession Agreement is governed by and construed in accordance with the Laws of India and the State of Maharashtra.

27.3 Language

This Concession Agreement is written in the English language. All communications and information provided should be in writing and in the English language only.

28. Force Majeure

A "Force Majeure Event" shall mean any event or combination of events occurring inside or directly involving the city of Nashik that is beyond the reasonable control of Authority

or the Concessionaire, as the case may be, occurring or subsisting after the Effective Date and which (or the effects of which) is unavoidable, notwithstanding the reasonable care of the Party affected, including, in the case of the Concessionaire, any Sub Concessionaire, and, in the case of the Concessionaire only, such event(s) could not have been foreseen by an experienced Concessionaire, or to the extent that the event(s) could have been foreseen by an experienced Concessionaire, such Concessionaire could not have reasonably mitigated against the effects of such events. Such Force Majeure Events include, but are not limited to:

a) War (whether declared or undeclared), invasion, armed conflict or act of foreign enemy;
b) Rebellion, sabotage, act of terrorism, revolution, insurrection, civil war or epidemic (excluding vandalism);
c) Lightning, earthquake, flood, hurricane, typhoon, tornado or volcanic activity.

Such events cannot be caused or contributed to by an act or omission of the Party relying on it or persons for whom that Party is responsible.

If either Party is prevented, hindered or delayed from performing any of its obligations under this Concession Agreement by a Force Majeure Event, then it shall notify the other Party in writing of the occurrence of such event and the circumstances thereof within fourteen (14) days after the occurrence of such event.

The Party who has given such notice shall be excused from the performance or punctual performance of its obligations under this Concession Agreement for so long as the relevant Force Majeure Event continues and to the extent that such Party's performance is prevented, hindered or delayed.

The Party or Parties affected by the Force Majeure Event shall use reasonable efforts to mitigate the effects thereof upon its/their performance of this Concession Agreement and to fulfil its/their obligations under this Concession Agreement, but without prejudice to either Party's right to terminate this Concession Agreement.

No delay or non-performance by either Party caused by the occurrence of any Force Majeure Event shall:

a) constitute a breach under this Concession Agreement;
b) extend the Term; or
c) Give rise to any claim for damages or additional cost or expenses occasioned thereby.

If the performance of the Services is substantially prevented, hindered or delayed for more than one hundred and twenty (120) consecutive days on account of one or more

Force Majeure Events during the Term, either Party may terminate this Concession Agreement by giving a notice to the other. If this Concession Agreement is terminated pursuant to this clause, NMC shall pay to the Concessionaire the part of the Energy Savings Fee payable for the Energy Savings performed prior to the Termination Date and the part of the O&M Fee payable for the operation and maintenance services performed prior to the Termination Date. The Concessionaire shall not be entitled to any further compensation.

Notwithstanding this clause, Force Majeure Events shall not apply to any NMC's or Authority's obligation to make payments to the Concessionaire hereunder.

29. Material Adverse Government Action

A "Material Adverse Government Action" ("MAGA") shall mean any act or omission, after the Effective Date, by NMC or Authority or any other public entity, which has a Material Adverse Effect.

A MAGA shall include the following circumstances:

a) Any imposition or change of Law that is directly targeted at the Project and/or projects similar to the Project and/or that is discriminatory against the Concessionaire.
b) Any imposition or change of Law of an environmental or technical nature which would have the effect of making the Laws more stringent than the Law in force at the Effective Date
c) Expropriation or compulsory acquisition, or seizure of the Existing Lighting Infrastructure by a public entity with respect to substantially the same subject matter
d) Any material breach by Authority of its obligations, including, but not limited to, failure to supply electricity within the whole or part of the Project
e) Any regulator's decision having the effect of decreasing the Concessionaire's remuneration under this Concession Agreement.

Within 30 days of notice to Authority of a MAGA, Authority shall procure the remedy of the MAGA in question. Should Authority fail to procure a remedy prior to the expiry of 30 day period, the Parties shall discuss the issue in an attempt to reach a mutually satisfactory solution that restores the Concessionaire to the position it would have been in had such MAGA not occurred (including compensation for costs and loss of profits). If the Parties fail to reach an agreement on a satisfactory solution, the Concessionaire shall have the right to terminate this Concession Agreement.

The Concessionaire shall not be excused for performing its obligations under this Concession Agreement upon the occurrence of a MAGA, unless the Material Adverse Effect caused the Concessionaire to fail to perform its obligations.

30. Performance Security

30.1. Performance Security

The Concessionaire shall deliver to NMC a duly executed performance bond in the form of bank guarantee in the format set out in Form 7 issued by a Nationalized/ scheduled commercial Bank having a branch at Nashik city, of an amount Rs. 8,25,00,000/- ("Performance Bank Guarantee"), from the date of receipt of the order valid for a period of 7 Years 9 months and 03 months of lodgment period. The Performance Bank Guarantee shall be returned to the Concessionaire immediately after the expiry of the Term.

Authority shall invoke Performance Security in case the Concessionaire fails to discharge their Concession Agreement obligations during the period or Authority incurs any loss due to Concessionaire's negligence in carrying out the project implementation as per the agreed terms & conditions.

The Performance Bank Guarantee shall secure the proper and timely performance of the Concessionaire's obligations as from the Commencement Date until the end of the Term, including the payment of Delay Liquidated Damages pursuant to clause 15. In case the performance Bank Guarantee is partly encashed on account of Liquidated Damages, the Concessionaire shall provide a fresh Bank Guarantee for such encashed amount within 15 days of notice of encashment served by NMC to it so that the overall amount of Performance Bank Guarantee(s) shall remain for the original complete amount at all times. In case the Concessionaire doesn't maintain the required PBG amount then same shall be recovered from his share (energy saving ~~**and advertisement revenue**~~ **(as per corrigendum 5, dated 18.01.2019)**) from escrow account.

All fees, taxes, costs and expenses associated with procuring, preparing, completing and stamping (if applicable) the Performance Bank Guarantee shall be the responsibility of and paid by the Concessionaire.

30.2 Notice

Authority shall, prior to making any demand under the Performance Bank Guarantee, send a written notice to the Concessionaire mentioning the existence of a Concessionaire Event of Default and providing a cure period of fifteen (15) days. If the Concessionaire does not remedy its Concessionaire Event of Default within these fifteen (15) days, then Authority shall be entitled to call part or full, as relevant, of the Performance Bank Guarantee.

30.3 Replacement

Where the Performance Bank Guarantee is subject, pursuant to its terms, to a fixed expiry date, the Concessionaire shall, not less than fifteen (15) days prior to such expiry date, amend or replace the Performance Bank Guarantee, as the case may be, with a duly executed amended or replacement guarantee. Any replacement Performance Security must be issued for at least one (1) year by any Scheduled Bank having a branch at Nashik city, and should be on identical terms as original Guarantee issued. If the Concessionaire fails to provide an amended or replacement Performance Bank Guarantee as required, Authority may issue a demand under the Performance Bank Guarantee for the full amount available and shall be entitled to hold such amount as security for the performance of the Concessionaire's obligations under this Concession Agreement until a replacement Performance Bank Guarantee is provided (whereupon such amounts shall be returned to the Concessionaire without any obligation to account for interest).

If the Concessionaire is unable to provide new Performance Bank Guarantee for a period of more than a month from its expiry date, the Authority has the right to terminate the Concession Agreement.

31. Reporting

During the Term, the Concessionaire shall provide monthly reports to Authority with a separate copy to NMC about the following matters:

a) Energy saving report including CSLMS data
b) Operation and maintenance services;
c) Load reduction
d) Update on the assets;
e) Any other relevant as said by NMC or Authority.

If the Concessionaire does not issue monthly reports within ten (10) days of the end of the relevant month for any three (3) consecutive months or there is major false information in more than three (3) reports during the Term of the Concession Agreement, this breach shall constitute a Concessionaire Event of Default.

32. Miscellaneous

32.1 Assignment

Neither NMC or Authority nor the Concessionaire shall without the expressed written consent of the other Party assign or charge to any third party this Concession Agreement or any part thereof, or any right, benefit, obligation or interest therein or thereunder.

32.2 Entire Agreement

This Concession Agreement constitutes the entire agreement between the Parties, and no alterations, changes or additions thereto shall be made, except in writing and

approved by both Parties. This Concession Agreement supersedes all communication, negotiations and agreements (whether written or oral) between the Parties made prior to the Effective Date with respect to the Services.

32.3 Amendments

Any amendment, addition or variation to this Concession Agreement shall be valid and binding only if in writing and only if signed by the authorized representatives of both Parties.

32.4 Severability

Should any provisions in this Concession Agreement be invalid, illegal or unenforceable or be held invalid, illegal or unenforceable by any competent tribunal or court, the remaining provisions of this Concession Agreement shall remain valid and enforceable.

32.5 No Partnership

This Concession Agreement does not constitute a joint operation or partnership in the legal sense between the Parties. The Concessionaire is a service provider to Authority.

33. Exit Management

33.1 Purpose

i. This clause sets out the provisions which shall apply on expiry or termination of the "Contract Agreement" on account of material breach by Concessionaire. In the case of termination of the Contract Agreement due to any illegal activity performed by the selected Concessionaire during/ as part of the activities related to the project, or due to material breach by the Concessionaire of Contract, Client shall have the right to, at its sole discretion, apply this clause.

ii. The Parties shall ensure that their respective associated entities, in case of the Client or its nominated agencies and any nominated agencies in case of the selected Concessionaire, carry out their respective obligations set out in this Exit Management Clause.

33.2 Transfer of Assets

This clause is valid till the date of expiry or notice of termination of the Agreement after which the assets have to be transferred to Client.

- During this period, the Concessionaire will transfer all the assets in normal working condition and as per the specifications of the bidding document including the ones being upgraded to the Client.
- The Concessionaire, if not already done, shall transfer all the right to use software licenses under the name of Client during the Exit Management Period. The

Concessionaire shall also transfer all the relevant Software Passwords, User Names and Keys. If such a transfer of Assets happens before the expiry of Work Contract Period, Parties shall mutually discuss and agree on the Assets together with the termination and transfer assistance fee.

- The Concessionaire shall be entitled to use the Assets for the duration of the exit management period which shall be three months from the date of expiry or notice of termination of the Agreement.
- For any material breach on the part of Concessionaire during the Project Implementation Phase and Operation & Management Phase, Client is entitled to provide notice in writing on the selected Concessionaire at any time during the exit management period as detailed here in above requiring the selected Concessionaire to provide the department or its nominated agencies with a complete and up to date list of the Assets within 30 days of such notice.

Upon service of a notice as mentioned in point above, the following provisions shall apply:

- All risk in and title to the Assets to be transferred to Client on the last day of the exit management period. All expenses incurred during transfer of assets shall be borne by the Successful Concessionaire.
- That on the expiry of this clause, the Successful Concessionaire and any individual assigned for the performance of the services under this clause must hand overall Confidential Information and all other related materials in its possession, including all the software and hardware supplied by selected Concessionaire under this clause to the department.
- As Concessionaire is supposed to provide comprehensive maintenance of all the hardware/Software as detailed in RFP during the concession period, Concessionaire must ensure that all the items are in working condition with support of OEM related to repair/replacement/availability of spare parts for at least 03 years at the time of exit.
- From the first day of last month of the concession period, testing phase of overall system installed by the Concessionaire will be started in phases so that all the equipment are proved to be in working conditions and handed over to NMC on the last date of the concession period and before issuing completion certificate and PBG.

33.3 Cooperation and Provision of Information

During the exit management period:

a) The Concessionaire shall permit Client or its nominated agencies access to information reasonably required to classify the current mode of operation

related with the provision of the services to enable it to assess the existing services being delivered.

b) In the event of there being a termination owing to material breach by Concessionaire, on quick request by Client or its nominated agencies, the selected Concessionaire shall provide access to and copies of all information held or controlled by it which it has prepared or maintained in accordance with the Concession Agreement. The Project Implementation, the Operation and Management SLA and SoW (Scope of Work) relating to any material aspect of the services (whether provided by the selected Concessionaire). Client or its nominated agencies shall be entitled to copy all such information. Such information shall include details pertaining to the services rendered and other performance data. The selected Concessionaire shall permit Client or its nominated agencies and/or any entity nominated by Client to have reasonable access to it employees and facilities as reasonably required to understand the methods of delivery of the services employed by the selected Concessionaire and to support appropriate knowledge transfer.

33.4 Confidential Information, Security and Data

- The selected Concessionaire shall be quick on the commencement of the exit management period and supply to Client the following:
    - o Information relating to the present services provided and customer satisfaction surveys.
    - o Documentation pertaining to Project related data and confidential information.
    - o All current and updated data as is needed for purposes of the Client or its nominated agencies for transitioning the services either to Client or the entity nominated by Client.
    - o All other information (including but not limited to documents, records and agreements) relating to the services reasonably compulsory to enable Client or its nominated agencies, or to the entity nominated by Client to carry out due diligence in order to transition the provision of the Services to the Client or its nominated agencies, or to any entity nominated by Client (as the case may be).

  Before the exit management period expire, the selected Concessionaire shall deliver to Client or its nominated agencies all new or up-dated materials from the categories set out in point (i) above and shall not keep any copies thereof, except that the selected Concessionaire shall be permitted to keep one copy of such materials for archival purposes only.

- Before the exit management period expire, unless otherwise provided under the Concessionaire Agreement, Client or its nominated agencies shall deliver to the selected Concessionaire all forms of selected Concessionaire confidential Data which is in the possession or control of Client or its nominated agencies or during the exit management period In any time, the selected Concessionaire shall, subject to applicable laws, restraints and regulations(including in particular those relating to privacy) provide to Client or its nominated agencies a list of all employees (with job titles) of the selected Concessionaire dedicated to providing the services at the beginning of the exit management period; its users.

33.5 Employees

- Where any national, regional law or regulation relating to the mandatory or automatic transfer of the contracts of employment from the Concessionaire to the department or its nominees, or an entity nominated by Client applies to any or all of the employees of the Concessionaire, then the Parties shall comply with their respective obligations under such Transfer Regulations.

- To the extent that any Transfer Regulation does not apply to any employee of the Concessionaire or its nominated agencies or its entity nominated by Client may make an offer of employment or contract for services to such employee of the Concessionaire and the Concessionaire shall not enforce or impose any contractual provision that would prevent any such employee from being hired by the Client or its nominated agencies or any Replacement Concessionaire.

33.6 Transfer of Certain Agreements

On request by the Client or its nominated agencies, the selected Concessionaire shall effect such assignments, transfers, novation, licenses and sub-licenses in favor of Client or its nominated agencies, or its entity nominated by Client in relation to any equipment lease, maintenance or service provision agreement between selected Concessionaire and third party lessors, Concessionaires or Concessionaire, and which are related to the services and reasonably necessary for the carrying out of replacement Concessionaire.

33.7 Right of Access to Premises

- At any time during the exit management period, where Assets are located at the selected Concessionaire's premises, the selected Concessionaire shall be obliged to give full rights of access to (or, in the case of Assets located on a third party's premises, procure reasonable rights of access to Client or its nominated agencies, and/or any entity nominated by Client in order to inventory the assets or Assets.

- The Concessionaire shall also give the Client or its nominated agencies, or any entity nominated by Client right of reasonable access to the Concessionaire's premises and shall procure the department or its nominated agencies and any entity nominated by Client rights of access to relevant third party premises during the exit management period and for such period of time following termination or

expiry of the Concession Agreement as is reasonably necessary to migrate the services to Client or its nominated agencies, or a Replacement Concessionaire.

33.8 General Obligations of the Concessionaire

- The Concessionaire shall provide all such information as may reasonably be necessary to effect as seamless a handover as practicable in the circumstances to Client or its nominated agencies or any entity nominated by the Client and which the Concessionaire has in its possession or control at any time during the exit management period.
- For the purposes of this Clause, anything in the possession or control of any Concessionaire or associated entity is deemed to be in the possession or control of the Concessionaire.
- The Concessionaire shall commit adequate resources to comply with its obligations under this Exit Management Clause.

33.9 Exit Management Plan

The Concessionaire shall provide the Client or its nominated agencies with recommended exit management plan ("Exit Management Plan") which shall deal with Concession Agreement as a whole and in relation to the Project Implementation, the Operation and Management SLA and SOWs.

33.10 End of Support

While handling over the completely working and functional network and systems, Concessionaire must ensure that OEM of all hardware/software/ equipment are contractually bound to provide support for repair/replacement/availability of its spare parts for further five years. It shall be part of exit plan to submit letter from OEMs in this regard.

8.7. Annexure VII: DRAFT ESCROW AGREEMENT

DRAFT ESCROW AGREEMENT

THIS ESCROW AGREEMENT is entered into on this the ..... day of ..... 20.....

AMONGST

1 ..... LIMITED, a company incorporated under the provisions of the Companies Act, 1956 and having its registered office at ..... (Hereinafter referred to as the "Concessionaire" which expression shall unless repugnant to the context or meaning thereof include its successors, assigns and permitted substitutes);

2 .....name and particulars of the Escrow Bank and having its registered office at ..... (Hereinafter referred to as the **"Escrow Bank"** which expression shall unless repugnant to the context or meaning thereof include its successors and substitutes);

AND

3 [The Nashik Municipal Corporation, represented by its Commissioner and having its principal offices at _____ (hereinafter referred to as the **"Authority"** which expression shall unless repugnant to the context or meaning thereof include its administrators, successors and assigns).

WHEREAS:

(A) The Authority has entered into a Concession Agreement dated ..... with the Concessionaire (the **"Concession Agreement"**) for Project at Nashik, Maharashtra on operate, maintain and transfer (OMT) basis and a copy of which is annexed hereto and marked as Annex-A to form part of this Agreement.

(B) The Concession Agreement requires the Concessionaire to establish an Escrow Account, *inter alia*, on the terms and conditions stated therein.

NOW THEREFORE, in consideration of the foregoing and the respective covenants and agreements set forth in this Agreement, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the Parties agree as follows:

1 DEFINITIONS AND INTERPRETATION

1.1 Definitions

In this Agreement, the following words and expressions shall, unless repugnant to the context or meaning thereof, have the meaning hereinafter respectively

assigned to them:

"Agreement" means this Escrow Agreement and any amendment thereto made in accordance with the provisions contained herein;

"**Concession** Agreement" means the Concession Agreement referred to in Recital (A) above and annexed hereto as Annex-A, and shall include all of its Recitals and Schedules and any amendments made thereto in accordance with the provisions contained in this behalf therein;

"Cure Period" means the period specified in this Agreement for curing any breach or default of any provision of this Agreement by the Concessionaire, and shall commence from the date on which a notice is delivered by the Authority to the Concessionaire asking the latter to cure the breach or default specified in such notice;

"Escrow Account" means an escrow account established in terms of and under this Agreement, and shall include the Sub-Accounts;

"Escrow Default" shall have the meaning ascribed thereto in Clause 6.1;

"Parties" means the parties to this Agreement collectively and **"Party"** shall mean any of the Parties to this Agreement individually;

"**Payment Date"** means, in relation to any payment specified in Clause 4.1, the date(s) specified for such payment; and

"**Sub-Accounts"** means the respective Sub-Accounts of the Escrow Account, into which the monies specified in Clause 4.1 would be credited every month and paid out if due, and if not due in a month then appropriated proportionately in such month and retained in the respective Sub Accounts and paid out therefrom on the Payment Date(s).

1.2 Interpretation

1.2.1 The words and expressions beginning with capital letters and defined in this Agreement shall have the meaning ascribed thereto herein, and the words and expressions used in this Agreement and not defined herein but defined in the Concession Agreement shall, unless repugnant to the context, have the meaning ascribed thereto in the Concession Agreement.

1.2.2 References to Clauses are, unless stated otherwise, references to Clauses of this Agreement.

1.2.3 The rules of interpretation stated in Clauses 1.2, 1.3 and 1.4 of the Concession Agreement shall apply, *mutatis mutandis*, to this Agreement.

2 ESCROW ACCOUNT

2.1 Escrow Bank to act as trustee

2.1.1 The Concessionaire hereby appoints the Escrow Bank to act as trustee for the Authority and the Concessionaire in connection herewith and authorises the Escrow Bank to exercise such rights, powers, authorities and discretion as are specifically delegated to the Escrow Bank by the terms hereof together with all such rights, powers, authorities and discretion as are reasonably incidental hereto, and the Escrow Bank accepts such appointment pursuant to the terms hereof.

2.1.2 The Concessionaire hereby declares that all rights, title and interest in and to the Escrow Account shall be vested in the Escrow Bank and held in trust for the Authority and the Concessionaire, and applied in accordance with the terms of this Agreement. No person other than the Authority and the Concessionaire shall have any rights hereunder as the beneficiaries of, or as third party beneficiaries under this Agreement.

2.2 Acceptance of Escrow Bank

The Escrow Bank hereby agrees to act as such and to accept all payments and other amounts to be delivered to and held by the Escrow Bank pursuant to the provisions of this Agreement. The Escrow Bank shall hold and safeguard the Escrow Account during the term of this Agreement and shall treat the amount in the Escrow Account as monies deposited by the Concessionaire or the Authority with the Escrow Bank. In performing its functions and duties under this Agreement, the Escrow Bank shall act in trust for the benefit of, and as agent for, the Authority and the Concessionaire or their nominees, successors or assigns, in accordance with the provisions of this Agreement.

2.3 Establishment and operation of Escrow Account

2.3.1 Within 30 (thirty) days from the date of this Agreement, and in any case prior to the COD, the Concessionaire shall open and establish the Escrow Account with the ..... (name of Branch) Branch of the Escrow Bank. The Escrow Account shall be denominated in Rupees.

2.3.2 The Escrow Bank shall maintain the Escrow Account in accordance with the terms of this Agreement and its usual practices and applicable regulations, and pay the maximum rate of interest payable to similar customers on the balance in the said account from time to time.

2.3.3 The Escrow Bank and the Concessionaire shall agree on the detailed mandates, terms and conditions, and operating procedures for the Escrow Account, but in the event of any conflict or inconsistency between this Agreement and such mandates, terms and conditions or procedures, this Agreement shall prevail.

2.4 Escrow Bank's fee

The Escrow Bank shall be entitled to receive its fee and expenses in an amount, and at such times, as may be agreed between the Escrow Bank and the Concessionaire. For the avoidance of doubt, such fee and expenses shall form part of the O&M Expenses and shall be appropriated from the Escrow Account in accordance with Clause 4.1.

2.5 Rights of the parties

The rights of the Authority and the Concessionaire in the monies held in the Escrow Account are set forth in their entirety in this Agreement and the Authority and the Concessionaire shall have no other rights against or to the monies in the Escrow Account.

DEPOSITS INTO ESCROW ACCOUNT

3.1 Deposits by the Concessionaire

3.1.1 The Concessionaire agrees and undertakes that it shall deposit into and/or credit the Escrow Account with:

(a) All money received in relation to the Project from banks, insurance claims and shareholders;

(b) All Fee and any other revenues from or in respect of the Project, including the proceeds of insurance claims; and

(c) Any other receipts or revenues, rentals, deposits or capital receipts, as the case may be, from or in respect of the Project

(d) ~~**The Concessionaire has to deposit monthly revenue generated by advertisement to escrow account at the start of the month as per the financial bid submitted will be credited to NMC**~~.

3.1.2 The Concessionaire may at any time make deposits of its other funds into the Escrow Account, provided that the provisions of this Agreement shall apply to such deposits.

3.2 Deposits by the Authority

The Authority agrees and undertakes that, as and when due and payable, it shall deposit into and/or credit the Escrow Account with:

(a) After successful implementation period (9 months) NMC shall deposit an initial deposit amount as last three month MSEDCL bill amount + (average baseline energy consumption per month * guaranteed saving quoted by

bidder * 3 * unit rate); After that for each month NMC will deposit amount equal to (Last month MSEDCL bill*100/(100- guaranteed saving quoted by bidder)).;

and

(b) Termination Payments:

Provided that, notwithstanding the provisions of Clause 4.1.1, the Authority shall be entitled to appropriate from the aforesaid amounts, any Concession Fee due and payable to it by the Concessionaire, and the balance remaining shall be deposited into the Escrow Account.

3.3 Interest on deposits

The Escrow Bank agrees and undertakes that all interest accruing on the balances of the Escrow Account shall be credited to the Escrow Account; provided that the Escrow Bank shall be entitled to appropriate therefrom the fee and expenses due to it from the Concessionaire in relation to the Escrow Account and credit the balance remaining to the Escrow Account.

4 WITHDRAWALS FROM ESCROW ACCOUNT

4.1 Withdrawals during Concession Period

4.1.1 At the beginning of every month, or at such shorter intervals as the Concessionaire may by written instructions determine, the Escrow Bank shall withdraw amounts from the Escrow Account and appropriate them in the following order by depositing such amounts in the relevant Sub-Accounts for making due payments, and if such payments are not due in any month, then retain such monies in such Sub-Accounts and pay out therefrom on the Payment Date(s):

(a) MSEDCL electricity bill payment

(b) all government taxes due and payable by the Concessionaire for and in respect of the Project;

(c)NMC Revenue share due and payable to the Authority out of Revenue generated by Energy saving

(d) all penalty, payments and Damages certified by the Authority as due and payable to it by the Concessionaire; and

(e) monthly proportionate provision of debt service due in an Accounting Year;

(f) --- Share in Energy saving revenue to Concessionaire, Subject to deduction if

any

(g)Balance, if any, in accordance with the instructions of the Concessionaire.

4.1.2 No later than 60 (sixty) days prior to the commencement of each Accounting

Year, the Concessionaire shall provide to the Escrow Bank, details of the amounts likely to be required for each of the payment obligations set forth in this Clause 4.1; provided that such amounts may be subsequently modified, with prior written approval of the Authority, if fresh information received during the course of the year makes such modification necessary.

4.2 Withdrawals upon Termination

Upon Termination of the Concession Agreement, all amounts standing to the credit of the Escrow Account shall, notwithstanding anything in this Agreement, be appropriated and dealt with in the following order:

(a) MSEDCL electricity bill payment

(b) All government taxes due and payable by the Concessionaire for and in respect of the Project;

(c)NMC Revenue share due and payable to the Authority out of Revenue generated by Energy saving

(d) all penalty, payments and Damages certified by the Authority as due and payable to it by the Concessionaire; and

(e) monthly proportionate provision of debt service due in an Accounting Year;

(f) --- Share in Energy saving revenue to Concessionaire, Subject to deduction if any

(g)Balance, if any, in accordance with the instructions of the Concessionaire.

Provided that the disbursements specified in Sub-clause (i) of this Clause 4.2 shall be undertaken only after the Vesting Certificate has been issued by the Authority.

4.3 Application of insufficient funds

Funds in the Escrow Account shall be applied in the serial order of priority set forth in Clauses 4.1 and 4.2, as the case may be. If the funds available are not sufficient to meet all the requirements, the Escrow Bank shall apply such funds in the serial order of priority until exhaustion thereof.

4.4 Application of insurance proceeds

Notwithstanding anything in this Agreement, the proceeds from all insurance

claims, except life and injury, shall be deposited into and/or credited to the Escrow Account and utilised for any necessary repair, reconstruction, reinstatement, replacement, improvement, delivery or installation of the Project, and the balance remaining, if any, shall be applied in accordance with the provisions of this Agreement.

4.5 Withdrawals during Suspension

Notwithstanding anything to the contrary contained in this Agreement, the Authority may exercise all or any of the rights of the Concessionaire during the period of Suspension under Article 36 of the Concession Agreement. Any instructions given by the Authority to the Escrow Bank during such period shall be complied with as if such instructions were given by the Concessionaire under this Agreement and all actions of the Authority hereunder shall be deemed to have been taken for and on behalf of the Concessionaire.

5 OBLIGATIONS OF THE ESCROW BANK

5.1 Segregation of funds

Monies and other property received by the Escrow Bank under this Agreement shall, until used or applied in accordance with this Agreement, be held by the Escrow Bank in trust for the purposes for which they were received, and shall be segregated from other funds and property of the Escrow Bank.

5.2 Notification of balances

7 (seven) business days prior to each Payment Date (and for this purpose the Escrow Bank shall be entitled to rely on an affirmation by the Concessionaire as to the relevant Payment Dates), the Escrow Bank shall notify the Authority of the balances in the Escrow Account and Sub-Accounts as at the close of business on the immediately preceding business day.

5.3 Communications and notices

In discharge of its duties and obligations hereunder, the Escrow Bank:

(a) may, in the absence of bad faith or gross negligence on its part, rely as to any matters of fact which might reasonably be expected to be within the knowledge of the Concessionaire upon a certificate signed by or on behalf of the Concessionaire;

(b) may, in the absence of bad faith or gross negligence on its part, rely upon the authenticity of any communication or document believed by it to be authentic;

(c) shall, within 5 (five) business days after receipt, deliver a copy to the Authority of any notice or document received by the Escrow Bank in its capacity as the Escrow Bank from the Concessionaire or any other person hereunder or in connection herewith; and

(d) shall, within 5 (five) business days after receipt, deliver a copy to the Concessionaire of any notice or document received by the Escrow Bank from the Authority in connection herewith.

5.4 No set off

The Escrow Bank agrees not to claim or exercise any right of set off, banker's lien or other right or remedy with respect to amounts standing to the credit of the Escrow Account. For the avoidance of doubt, it is hereby acknowledged and agreed by the Escrow Bank that the monies and properties held by the Escrow Bank in the Escrow Account shall not be considered as part of the assets of the Escrow Bank and being trust property, shall in the case of bankruptcy or liquidation of the Escrow Bank be wholly excluded from the assets of the Escrow Bank in such bankruptcy or liquidation.

5.5 Regulatory approvals

The Escrow Bank shall use its best efforts to procure, and thereafter maintain and comply with, all regulatory approvals required for it to establish and operate the Escrow Account. The Escrow Bank represents and warrants that it is not aware of any reason why such regulatory approvals will not ordinarily be granted to the Escrow Bank.

6 ESCROW DEFAULT

6.1 Escrow Default

6.1.1 Following events shall constitute an event of default by the Concessionaire (an **"Escrow Default"**) unless such event of default has occurred as a result of Force Majeure or any act or omission of the Authority:

(a) the Concessionaire commits breach of this Agreement by failing to deposit any receipts into the Escrow Account as provided herein and fails to cure such breach by depositing the same into the Escrow Account within a Cure Period of 5 (five) business days;

(b) the Concessionaire causes the Escrow Bank to transfer funds to any account of the Concessionaire in breach of the terms of this Agreement and fails to cure such breach by depositing the relevant funds into the Escrow Account or any Sub-Account in which such transfer should have been made, within

a Cure Period of 5 (five) business days; or

(c) the Concessionaire commits or causes any other breach of the provisions of this Agreement and fails to cure the same within a Cure Period of 5 (five) business days .

6.1.2 Upon occurrence of an Escrow Default, the consequences thereof shall be dealt with under and in accordance with the provisions of the Concession Agreement.

7 TERMINATION OF ESCROW AGREEMENT

7.1 Duration of the Escrow Agreement

This Agreement shall remain in full force and effect so long as any of its obligations to the Authority remain to be discharged, unless terminated earlier by consent of all the Parties or otherwise in accordance with the provisions of this Agreement.

7.2 Substitution of Escrow Bank

The Concessionaire may, by not less than 45 (forty five) days prior notice to the Escrow Bank and the Authority, terminate this Agreement and appoint a new Escrow Bank, provided that arrangements are made satisfactory to the Authority for transfer of amounts deposited in the Escrow Account to a new Escrow Account established with the successor Escrow Bank. The termination of this Agreement shall take effect only upon coming into force of an Escrow Agreement with the substitute Escrow Bank.

7.3 Closure of Escrow Account

The Escrow Bank shall, at the request of the Concessionaire made on or after the payment by the Concessionaire of all outstanding amounts under the Concession Agreement including the payments specified in Clause 4.2, and upon confirmation of receipt of such payments, close the Escrow Account and Sub-Accounts and pay any amount standing to the credit thereof to the Concessionaire. Upon closure of the Escrow Account hereunder, the Escrow Agreement shall be deemed to be terminated.

8 SUPPLEMENTARY ESCROW AGREEMENT

8.1 Supplementary escrow agreement

Any lender providing financial assistance for the Project and the Concessionaire shall be entitled to enter into a supplementary escrow agreement with the Escrow Bank providing, *inter alia*, for detailed procedures and documentation matters not covered under this Agreement such as the rights and obligations of

lenders, investment of surplus funds, restrictions on withdrawals by the Concessionaire in the event of breach of this Agreement or upon occurrence of an Escrow Default, procedures relating to operation of the Escrow Account and withdrawal therefrom, reporting requirements and any matters incidental thereto; provided that such supplementary escrow agreement shall not contain any provision which is inconsistent with this Agreement and in the event of any conflict or inconsistency between provisions of this Agreement and such supplementary escrow agreement, the provisions of this Agreement shall prevail.

9 INDEMNITY

9.1 General indemnity

9.1.1 The Concessionaire will indemnify, defend and hold the Authority and Escrow Bank harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of any breach by the Concessionaire of any of its obligations under this Agreement or on account of failure of the Concessionaire to comply with Applicable Laws and Applicable Permits.

9.1.2 The Authority will indemnify, defend and hold the Concessionaire harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Authority to fulfil any of its obligations under this Agreement materially and adversely affecting the performance of the Concessionaire's obligations under the Concession Agreement or this Agreement other than any loss, damage, cost and expense arising out of acts done in discharge of their lawful functions by the Authority, its officers, servants and agents.

9.1.3 The Escrow Bank will indemnify, defend and hold the Concessionaire harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Escrow Bank to fulfil its obligations under this Agreement materially and adversely affecting the performance of the Concessionaire's obligations under the Concession Agreement other than any loss, damage, cost and expense, arising out of acts done in discharge of their lawful functions by the Escrow Bank, its officers, servants and agents.

9.2 Notice and contest of claims

In the event that any Party hereto receives a claim from a third party in respect of which it is entitled to the benefit of an indemnity under Clause 9.1 or in respect of which it is entitled to reimbursement (the **"Indemnified Party"**), it shall notify

the other Party responsible for indemnifying such claim hereunder (the "**Indemnifying Party")** within 15 (fifteen) days of receipt of the claim and shall not settle or pay the claim without the prior approval of the Indemnifying Party, which approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim, it may conduct the proceedings in the name of the Indemnified Party and shall bear all costs involved in contesting the same. The Indemnified Party shall provide all cooperation and assistance in contesting any claim and shall sign all such writings and documents as the Indemnifying Party may reasonably require.

10 DISPUTE RESOLUTION

As per clause 20.2 from Draft agreement.

11 MISCELLANEOUS PROVISIONS

11.1 Governing law and jurisdiction

This Agreement shall be construed and interpreted in accordance with and governed by the laws of India, and the Courts at Indore shall have jurisdiction over all matters arising out of or relating to this Agreement.

11.2 Waiver of sovereign immunity

The Authority unconditionally and irrevocably:

(a) agrees that the execution, delivery and performance by it of this Agreement constitute commercial acts done and performed for commercial purpose;

(b) agrees that, should any proceedings be brought against it or its assets, property or revenues in any jurisdiction in relation to this Agreement or any transaction contemplated by this Agreement, no immunity (whether by reason of sovereignty or otherwise) from such proceedings shall be claimed by or on behalf of the Authority with respect to its assets;

(c) waives any right of immunity which it or its assets, property or revenues now has, may acquire in the future or which may be attributed to it in any jurisdiction; and

(d) consents generally in respect of the enforcement of any judgment or award against it in any such proceedings to the giving of any relief or the issue of any process in any jurisdiction in connection with such proceedings (including the making, enforcement or execution against it or in respect of any assets, property or revenues whatsoever irrespective of their use or intended use of any order or judgment that may be made or given in connection therewith).

11.3 Priority of agreements

In the event of any conflict between the Concession Agreement and this Agreement, the provisions contained in the Concession Agreement shall prevail over this Agreement.

11.4 Alteration of terms

All additions, amendments, modifications and variations to this Agreement shall be effectual and binding only if in writing and signed by the duly authorised representatives of the Parties.

11.5 Waiver

11.5.1 Waiver by any Party of a default by another Party in the observance and performance of any provision of or obligations under this Agreement:

(a) shall not operate or be construed as a waiver of any other or subsequent default hereof or of other provisions of or obligations under this Agreement;

(b) shall not be effective unless it is in writing and executed by a duly authorised representative of the Party; and

(c) shall not affect the validity or enforceability of this Agreement in any manner.

11.5.2 Neither the failure by any Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement or any obligation thereunder nor time or other indulgence granted by any Party to another Party shall be treated or deemed as waiver of such breach or acceptance of any variation or the relinquishment of any such right hereunder.

11.6 No third party beneficiaries

This Agreement is solely for the benefit of the Parties and no other person or entity shall have any rights hereunder.

11.7 Survival

11.7.1 Termination of this Agreement:

(a) shall not relieve the Parties of any obligations hereunder which expressly or by implication survive termination hereof; and

(b) except as otherwise provided in any provision of this Agreement expressly limiting the liability of either Party, shall not relieve either Party of any

obligations or liabilities for loss or damage to the other Party arising out of, or caused by, acts or omissions of such Party prior to the effectiveness of such termination or arising out of such termination.

11.7.2 All obligations surviving the cancellation, expiration or termination of this Agreement shall only survive for a period of 3 (three) years following the date of such termination or expiry of this Agreement.

11.8 Severability

If for any reason whatever any provision of this Agreement is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties will negotiate in good faith with a view to agreeing to one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearly as is practicable to such invalid, illegal or unenforceable provision. Failure to agree upon any such provisions shall not be subject to dispute resolution under Clause 10.1 of this Agreement or otherwise.

11.9 Successors and assigns

This Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

11.10 Notices

All notices or other communications to be given or made under this Agreement shall be in writing, shall either be delivered personally or sent by courier or registered post with an additional copy to be sent by facsimile or e-mail. The address for service of each Party, its facsimile number or e-mail are set out under its name on the signing pages hereto. A notice shall be effective upon actual receipt thereof save that where it is received after 5.30 (five thirty) p.m. on a business day or on a day that is not a business day, the notice shall be deemed to be received on the first business day following the date of actual receipt. Without prejudice to the foregoing, a Party giving or making a notice or communication by facsimile or e-mail shall promptly deliver a copy thereof personally, or send it by courier or registered post to the addressee of such notice or communication. It is hereby agreed and acknowledged that any Party may by notice change the address to which such notices and communications to it are to be delivered or mailed. Such change shall be effective when all the Parties have notice of it.

11.11 Language

All notices, certificates, correspondence and proceedings under or in connection

with this Agreement shall be in English.

11.12 Authorised representatives

Each of the Parties shall by notice in writing designate their respective authorised representatives through whom only all communications shall be made. A Party hereto shall be entitled to remove and/or substitute or make fresh appointment of such authorised representative by similar notice.

11.13 Original Document

This Agreement may be executed in four counterparts, each of which when executed and delivered shall constitute an original of this Agreement.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED AND DELIVERED THIS AGREEMENT AS OF THE DATE FIRST ABOVE WRITTEN.

THE COMMON SEAL OF CONCESSIONAIRE has been affixed pursuant to the resolution passed by the Board of Directors of the Concessionaire at its meeting held on the ..... day of 20..... hereunto affixed in the presence of ....., Director, who has signed these presents in token thereof and ....., Company Secretary / Authorised Officer who has countersigned the same in token thereof [$]:

INCORPORATED UNDER
THE COMPANIES ACT, 2013
COMPANY LIMITED BY SHARES

MEMORANDUM OF ASSOCIATION

OF

TP LUMINAIRE PRIVATE LIMITED

I. The Name of the Company is **"TP LUMINAIRE PRIVATE LIMITED"**

II. The Registered Office of the Company will be situated in the **'State of Telangana'**

III. (a) The objects to be pursued by the Company on its incorporation are:—

1. To participate in the Smart City initiatives of the Government of India by undertaking works related to Smart Lighting projects and for this purposes to bid for, negotiate, accept, undertake and execute works related to Street Lighting at various places including road crossings, pedestrians crossings, footpaths, ramps, walk ways etc. and to act as contractors, whether on turnkey basis or otherwise, for procurement of materials, goods and services and to carry out works of installation, erection and commissioning of various electrical systems, control systems, safety and security systems; and to erect, install and commission lights or signal poles, cabling systems and illuminate streets, traffic signals, signages and other utilities including electricity distribution feeder pillars and such other utilities.

2. To carry on the business as an infrastructure company in core infrastructure sectors in a Smart City such as providers of services for water supply, electricity supply, sanitation, including solid waste management, efficient urban mobility and public transport, cost-effective housing facilities, IT connectivity and digitalization, e-Governance facilities implementation, sustainable environment, safety and security and health and education either on its own or in association with any other person including any central or state government company, body corporate, limited liability partnership, NGOs or in cooperation with any of them in any lawful manner on engineering, procurement and construction (EPC) basis, on turnkey basis, on Build-Own-Operate-Transfer (BOOT) basis or on any other basis including operation and maintenance(O&M) as may be considered advantageous to the Company as contracted under Smart City initiatives of the Central Government, various State Governments, Union Territories, Municipal or Local Authorities, and other Government Departments and to procure, design, engineer, store, transport, develop, construct, run,

TATA PROJECTS LIMITED

rep[illegible] re-[illegible] build, operate and manage roads, bridges, nig[illegible] tramways [illegible] treatment works, effluent treatment works, gas [illegible] power transmission, public places and oth[illegible] developments, [illegible] and utilities etc.

3. To [illegible] contract [illegible] improvement (retrofitting), city renewal (re[illegible] city extens[illegible] development) and such other initiatives with app[illegible] Solutions [illegible] India and to undertake works related to beautification of roads, junctions, footpaths and such other public places including by way of fou[illegible] landscaping, flowerbeds, murals, sculptures etc. and to create awareness about road safety practices, traffic discipline and proper use of facilities including safe walkways, barricades etc.

(b) Matters which Are necessary for furtherance of the objects specified in clause 3(a) are:—

1. To carry on all the business permitted by the objects set out in the main objects herein, either directly or indirectly or through a subsidiary, affiliate or associate of the Company.

2. To establish and maintain offices and / or agencies at any place or places in India or other parts of the world for the conduct of the business of the Company or the purchase and sale of goods, merchandise, materials, articles and things required for or dealt in by or at the disposal of the Company.

3. To employ or to depute personnel or otherwise acquire technical experts, engineers, foremen or skilled and unskilled labour for any of the purposes of the Company.

4. To make undertake, encourage, experiment, research, and invent about the business of the Company.

5. To apply for tender, purchase or otherwise acquire, contracts, subcontracts, licenses and concessions for all or any of them and to undertake, execute, carryout, dispose of or otherwise turn to account the same, and to subject all or any contracts from time to time and upon such terms and conditions as may be thought expedient in relation to the business of the Company.

6. To acquire by concession, grant, purchase, license or otherwise either absolutely or conditionally and either alone or jointly with others land, buildings, machinery, plants, utensils, works, conveniences and such other movable and immovable properties of any description and any patents, trademarks, concessions, privileges, brevets, invention, licenses, protections and concessions conferring any exclusive or limited rights to any inventions, information which may seem necessary for any of the objects of the Company and to construct, maintain and alter any building or work, necessary or convenient for the business of the Company and to pay for such land, buildings, works, property or rights or any such other property and rights purchased or acquired by or for the Company by shares, debentures, debenture stock, bonds or such other securities of the Company or otherwise and manage, develop or otherwise dispose of in such manner and for such consideration as may be deemed proper or expedient to attain the main objects of the Company.

TATA PROJECTS LIMITED

7. Subject to the provisions of the Companies Act, 2013 to amalgamate with any other Company having objects altogether or in part similar to those of this Company.

8. To enter into any arrangement with any Government or Authorities Municipal, local or otherwise or any person or company in India or abroad, that may seem conducive to the objects of the Company or any of them and to obtain from any such Government, Authority person or company any rights, privileges, charters, contracts, licenses and concessions including rights in respect of waterways, roads and highways, which the Company may seek, exercise, fulfil or comply therewith.

9. To establish or promote or concur or be interested in establishing or promoting any Company or companies for the purposes of acquiring all or any of the property, rights and liabilities of this Company or for any other purpose whatsoever and to transfer any property of this Company to any such Company which may seem directly or indirectly calculated to benefit the Company.

10. To apply for and obtain any order of Central/State or such other Authority for enabling the Company to carry on any of its objects into effect or for effecting any modifications of the Company's constitution or any other such purpose, which may seem expedient and to make representations against any proceedings or applications which may seem calculated directly or indirectly to prejudice the company's interest.

11. To enter into partnership or into any arrangement for sharing profits, union of interests, co-operation, joint-venture, reciprocal concessions or otherwise with any person, or company carrying on or engaged in any business or transaction which this Company is authorized to carry on.

12. To provide for the welfare of employees or ex-employees (including Directors and other officers) of the Company and the wives and families or the dependents and shareholders either by grants of money, pensions, allowances, bonus or in any other manner.

13. To purchase or otherwise acquire and undertake the whole or any part of the business, property, rights and liabilities of any company, firms or person carrying on business which this Company is authorized to carry on or is possessed of rights suitable for the objects of this Company.

14. To do all or any of the above things as principals, agents, contractors, trustees or otherwise and by or through trustees, agents or otherwise and either alone or in conjunction with others and to do all such other things as are incidental or as may be conducive to the attainment of the objects or any of them.

15. To promote, form and register, aid in the promotion, formation and registration of any company or companies, subsidiary or otherwise for the purpose of acquiring all or any of the properties, rights and liabilities of this Company and to transfer to any such company any property of this company and to be interested in or take or otherwise acquire, hold, sell or otherwise dispose of shares, stock, debentures and such other securities of all types in or of any such company, subsidiary or otherwise for all or any of the objects mentioned in this Memorandum of Association and to assist any such company and to undertake the management and secretarial or such other work, duties and business on such terms as may be arranged.

TATA PROJECTS LIMITED

16. To [illegible] dispute or any other question by or against the [illegible] Company [illegible] or concern to arbitration to India or at any [illegible] needs, matters and other things to carry out [illegible]

17. To [illegible] funds of the Company all costs, charges and expenses which the Company [illegible] respect to the promotion, formation and registration of the Company and [illegible] its capital or of raising finance including cost of advertising, printing and [illegible] and commission.

18. To open accounts with any bank or financial institution and to draw make, accept, endorse, discount, execute and issue promissory notes, bills of exchange, hundies, bills of lading, warrants, debentures and such other negotiable or transferable instruments of all types and to buy the same.

19. Subject to the provisions of the Companies Act, 2013 including the rules and regulations made therein and the directions issued by Reserve Bank of India to borrow, raise or secure the payment of money or to receive money as loan, at interest for any of the objects of the company and at such time or times as may be expedient, by promissory notes, bills of exchange, hundies, bills of lading, warrants or such other negotiable instruments of all types or by taking credit in or opening current accounts or over-draft accounts with any person, firm, bank or company and whether with or without any security or by such other means, as may deem expedient and in particular by the issue of debentures or debenture stock, perpetual or otherwise and in security for any such money so borrowed, raised or received and of any such debentures or debenture stock so issued, to mortgage, pledge or charge the whole or any part of the property and assets of the Company both present and future, including its uncalled capital, by special assignment or otherwise or to transfer or convey the same absolutely or in trust and to give the lenders power of sale and other powers as may seem expedient and to purchase, redeem or pay off such securities provided that the Company shall not carry on the business of banking within the meaning of the Banking Regulation Act, 1949.

20. To advance money not immediately required by the Company or give credit to such persons, firms or companies and on such terms with or without security as may seem expedient and in particular to customers of and such others having dealings with the Company and to give guarantees or securities of any such persons, firms, companies as may appear proper or reasonable provided that the Company shall not carry on the business of banking, within the meaning of Banking Regulation Act 1949.

21. To improve after, manage, develop, exchange, mortgage, enfranchise and dispose of, any part of the land, properties, assets and rights and the resources and undertakings of the Company, in such manner and on such terms as the Company may determine.

22. To remunerate any person or company, for services rendered or to be rendered in or about the formation or promotion of the Company or the conduct of its business, subject to the provisions of the Companies Act, 2013.

23. To undertake and execute any trusts, the undertaking of which may seem desirable, either gratuitously or otherwise, for the attainment of the main objects of the Company.

TATA PROJECTS LIMITED

24. To [illegible] other recognition of the Company in the [illegible] outside India and establish and maintain local registers and branch [illegible] business in any part of the world.

25. TATA PROJECTS LIMITED

INCORPORATED UNDER
THE COMPANIES ACT, 2013
COMPANY LIMITED BY SHARES

ARTICLES OF ASSOCIATION

OF

TP LUMINAIRE PRIVATE LIMITED

PRELIMINARY

The Regulations contained in Table "F" of the First Schedule to the Companies Act, 2013, so far as the same are applicable to a Private Company as defined in the Act, shall apply to the Company in the same manner as if all such Regulations of Table "F" are specifically contained in these Articles, except to the extent inconsistent with these Regulations and subject to the modifications herein contained.

INTERPRETATION

1. (1) In these regulations --

(a) "the Act" means the Companies Act, 2013,

(b) "the seal" means the common seal of the company.

(2) Unless the context otherwise requires, words or expressions contained in these regulations shall bear the same meaning as in the Act or any statutory modification thereof in force at the date at which these regulations become binding on the company.

The Company shall be a Private Company within the meaning of Section 2(68) of the Companies Act, 2013 and the following provisions shall have effect namely:

"Private Company" means a Company having a paid-up share capital as may be prescribed, and which by its articles,-

(i) Restricts the right to transfer its shares

(ii) Limits the number of its members to two hundred:

Provided that where two or more persons hold one or more shares in the Company jointly, they shall, for the purposes of this clause, be treated as a single member.

Provided further that-

TATA PROJECTS LIMITED

(A) [illegible] employment of the Company and

(B) [illegible] of the employment of the Company, were members of the [illegible] that employment will have continued to be members after the employment [illegible] shall not be included in the number of members; and

(iii) [illegible] to the public to subscribe for any securities of the Company.

Share capital and variation of rights

11. Subject to the provisions of the Act and these Articles, the shares in the capital of the company shall be under the control of the Directors who may issue, allot or otherwise dispose of the same or any of them to such persons, in such proportion and on such terms and conditions and either at a premium or at par and at such time as they may from time to time think fit.

2. (*i*) Every person whose name is entered as a member in the register of members shall be entitled to receive within two months after incorporation, in case of subscribers to the memorandum or after allotment or within one month after the application for the registration of transfer or transmission or within such other period as the conditions of issue shall be provided,—

(*a*) one certificate for all his shares without payment of any charges; or

(*b*) several certificates, each for one or more of his shares, upon payment of twenty rupees for each certificate after the first.

(*ii*) Every certificate shall be under the seal and shall specify the shares to which it relates and the amount paid-up thereon.

(*iii*) In respect of any share or shares held jointly by several persons, the company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.

3. (*i*) If any share certificate be worn out, defaced, mutilated or torn or if there be no further space on the back for endorsement of transfer, then upon production and surrender thereof to the company, a new certificate may be issued in lieu thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the company and on execution of such indemnity as the company deem adequate, a new certificate in lieu thereof shall be given. Every certificate under this Article shall be issued on payment of twenty rupees for each certificate.

(*ii*) The provisions of Articles (*2*) and (*3*) shall *mutatis mutandis* apply to debentures of the company.

4. Except as required by law, no person shall be recognised by the company as holding any share upon any trust, and the company shall not be bound by, or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these regulations or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

TATA PROJECTS LIMITED

5. (*i*) The company may exercise the powers of paying commissions conferred by sub-section (6) of section 76, provided that the rate per cent. or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by that section and rule made thereunder.

(*ii*) The rate or amount of the commission shall not exceed the rate or amount prescribed in rule made under sub-section (6) of section 76.

(*iii*) The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.

6. (*i*) If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of section 48, and whether or not the company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a special resolution passed at a separate meeting of the holders of the shares of that class.

(*ii*) To every such separate meeting, the provisions of these regulations relating general meetings shall *mutatis mutandis* apply, but so that the necessary quorum shall be at least two persons holding at least one-third of the issued shares of the class in question.

7. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further share ranking *pari passu* therewith.

8. Subject to the provisions of section 55, any preference shares may, with the sanction of an ordinary resolution, be issued on the terms that they are to be redeemed on such terms and in such manner as the company before the issue of the shares may, by special resolution, determine.

Lien

9. (*i*) The company shall have a first and paramount lien—

(*a*) on every share (not being a fully paid share), for all monies (whether presently payable or not) called, or payable at a fixed time, in respect of that share; and

(*b*) on all shares (not being fully paid shares) standing registered in the name of a single person, for all monies presently payable by him or his estate to the company:

Provided that the Board of directors may at any time declare any share to wholly or in part exempt from the provisions of this clause.

(*ii*) The company's lien, if any, on a share shall extend to all dividend bonuses declared from time to time in respect of such shares.

TATA PROJECTS LIMITED

10. [illegible] sell, in such manner as the Board thinks fit, any shares on which the co[illegible]

[illegible]

(a) [illegible] in respect of which the lien exists is presently payable; or

(b) [illegible] expiration of fourteen days after a notice in writing stating and demanding payment [illegible] part of the amount in respect of which the lien exists as is presently payable, [illegible] given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency.

11. (i) To give effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof.

(ii) The purchaser shall be registered as the holder of the shares comprised in any such transfer.

(iii) The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

12. (i) The proceeds of the sale shall be received by the company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable.

(ii) The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.

Calls on shares

13. (i) The Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times:

Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call

(ii) Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the company, at the time or times and place so specified, the amount called on his shares.

(iii) A call may be revoked or postponed at the discretion of the Board

14. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be required to be paid by instalments.

15. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

TATA PROJECTS LIMITED

16. [illegible] in respect of a share is not paid before or on the day appointed for pa[illegible] from the [illegible] due shall pay interest thereon from the da[illegible] payment thereof to the time of actual payment at ten per cent. per annum or at [illegible] as the [illegible] may determine:

[illegible] liberty to waive payment of any such interest wholly or in part.

17. [illegible] the terms of issue of a share becomes payable on allotment or at any [illegible] number on account of the nominal value of the share or by way of premium, shall, in the purposes of these regulations, be deemed to be a call duly made and payable on the [illegible] by the terms of issue such sum becomes payable.

(i) In case of non-payment of such sum, all the relevant provisions of these regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

18. The Board—

(a) may, if it thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and

(b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve per cent per annum, as may be agreed upon between the Board and the member paying the sum in advance.

Transfer of shares

19. ((i) The instrument of transfer of any share in the company shall be executed by or on behalf of both the transferor and transferee.
(ii) The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.

20. The Board may, subject to the right of appeal conferred by section 58 decline to register—

(a) the transfer of a share, not being a fully paid share, to a person of whom they do not approve; or

(b) any transfer of shares on which the company has a lien.

21. The Board may decline to recognise any instrument of transfer unless—

(a) the instrument of transfer is in the form as prescribed in rules made under sub-section (1) of section 56;

(b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and

TATA PROJECTS LIMITED

transfer is in respect of only one class of shares.

22. ... seven days' previous notice in accordance with section 91 and rule ... that the registration of transfers may be suspended at such times and for such ... as the Board may from time to time determine:

Provided that such registration shall not be suspended for more than thirty days at any one ... more than forty-five days in the aggregate in any year.

Transmission of shares

23. (*i*) In the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a shareholder, shall be the only persons recognized by the company as having any title to his interest in the shares.

(*ii*) Nothing in clause (*i*) shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.

24. (*i*) Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either—

(*a*) to be registered himself as holder of the share; or

(*b*) to make such transfer of the share as the deceased or insolvent member could have made.

(*ii*) The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.

25. (*i*) If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the company a notice in writing signed by him stating that he so elects.

(*ii*) If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.

(*iii*) All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.

26. A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the company:

TATA PROJECTS LIMITED

... Board may ... any time ... notice requiring any such person to elect ... himself ... or transfer the share, and if the notice is not complied with ... s, the Board may thereafter withhold payment of all dividends, bonuses ... in respect of the share, until the requirements of the notice have ...

Forfeiture of shares

27. ... fails to pay any call, or installment of a call, on the day appointed for pay... the Board may, at any time thereafter during such time as any part of the call or installment remains unpaid, serve a notice on him requiring payment of so much of the call or installment as is unpaid, together with any interest which may have accrued.

28. The notice aforesaid shall—

(*a*) name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and

(*b*) state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.

29. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.

30. (*i*) A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit.

(*ii*) At any time before a sale or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.

31. (*i*) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay to the company all monies which, at the date of forfeiture, were presently payable by him to the company in respect of the shares.

(*ii*) The liability of such person shall cease if and when the company shall have received payment in full of all such monies in respect of the shares.

32. (*i*) A duly verified declaration in writing that the declarant is a director, the manager or the secretary, of the company, and that a share in the company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share;

(*ii*) The company may receive the consideration, if any, given for the share on any sale or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of;

(*iii*) The transferee shall thereupon be registered as the holder of the share; and

TATA PROJECTS LIMITED

application of the purchase money, if
any irregularity or invalidity in the
posal of the share.

nonpayment
becomes payable at a fixed time, whether
value of the share or by way of premium, as if the same had been
a call duly made and notified.

Alteration of capital

34. The company may, from time to time, by ordinary resolution increase the share capital by such sum, to be divided into shares of such amount, as may be specified in the resolution.

35. Subject to the provisions of section 61, the company may, by ordinary resolution,—

(*a*) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;

(*b*) convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination;

(*c*) sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the memorandum;

(*d*) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.

36. Where shares are converted into stock,—

(*a*) the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same regulations under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit:

Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose.

(*b*) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.

(*c*) such of the regulations of the company as are applicable to paid-up shares shall apply to stock and the words "share" and "shareholder" in those regulations shall include "stock" and "stock-holder" respectively.

TATA PROJECTS LIMITED

Capitalisation of profits

38. (*i*) The company in general meeting may, upon the recommendation of the Board, resolve—

(*A*) that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the company's reserve accounts, or to the credit of the profit and loss account, or otherwise available for distribution; and

(*B*) that such sum be accordingly set free for distribution in the manner specified in clause (*ii*) amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.

(*ii*) The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in clause (*iii*), either in or towards—

(*A*) paying up any amounts for the time being unpaid on any shares held by such members respectively;

(*B*) paying up in full, unissued shares of the company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid;

(*C*) partly in the way specified in sub-clause (*A*) and partly in that specified in sub-clause (*B*);

(*D*) A securities premium account and a capital redemption reserve account may, for the purposes of this regulation, be applied in the paying up of unissued shares to be issued to members of the company as fully paid bonus shares;

(*E*) The Board shall give effect to the resolution passed by the company in pursuance of this regulation.

39. (*i*) Whenever such a resolution as aforesaid shall have been passed, the Board shall—

(*a*) make all appropriations and applications of the undivided profits resolved to be capitalised thereby, and all allotments and issues of fully paid shares if any; and

(*b*) generally do all acts and things required to give effect thereto.

(*ii*) The Board shall have power—

(*a*) to make such provisions, by the issue of fractional certificates or by payment in cash or otherwise as it thinks fit, for the case of shares becoming distributable in fractions; and

TATA PROJECTS LIMITED

... person to enter on behalf of all the members entitled thereto, into an ... agreement providing for the allotment to them respectively, credited as ... further shares to which they may be entitled upon such capitalisation, or ... ment by the company on their behalf, by the application ... respective proportions of profits resolved to be capitalised, of the amount or ... remain unpaid on their existing shares:

... made under such authority shall be effective and binding on such ...

Buy-back of shares

40 Notwithstanding anything contained in these articles but subject to the provisions of sections 68 to 70 and any other applicable provision of the Act or any other law for the time being in force, the company may purchase its own shares or other specified securities.

General meetings

41 All general meetings other than annual general meeting shall be called extraordinary general meeting.

42. (*i*) The Board may, whenever it thinks fit, call an extraordinary general meeting.

(*ii*) If at any time directors capable of acting who are sufficient in number to form a quorum are not within India, any director or any two members of the company may call an extraordinary general meeting in the same manner, as nearly as possible, as that in which such a meeting may be called by the Board.

Proceedings at general meetings

43 (*i*) No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business.

(*ii*) Save as otherwise provided herein, the quorum for the general meetings shall be as provided in section 103.

44 . The chairperson, if any, of the Board shall preside as Chairperson at every general meeting of the company.

45. If there is no such Chairperson, or if he is not present within fifteen minutes after the time appointed for holding the meeting, or is unwilling to act as chairperson of the meeting, the directors present shall elect one of their members to be Chairperson of the meeting.

46. If at any meeting no director is willing to act as Chairperson or if no director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their members to be Chairperson of the meeting.

Adjournment of meeting

47 . (*i*) The Chairperson may, with the consent of any meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn the meeting from time to time and from place to place.

TATA PROJECTS LIMITED

shall be transacted at any adjourned meeting other than the business left ... took place.

... to adjourn for thirty days or more, notice of the adjourned meeting ... in the case of an original meeting.

... provided, and as provided in section 103 of the Act, it shall not be necessary to ... the adjournment or of the business to be transacted at an adjourned meeting.

Voting rights

48. Subject to any rights or restrictions for the time being attached to any class or classes of shares,—

(*a*) on a show of hands, every member present in person shall have one vote; and

(*b*) on a poll, the voting rights of members shall be in proportion to his share in the paid-up equity share capital of the company.

49. A member may exercise his vote at a meeting by electronic means in accordance with section 108 and shall vote only once.

50. (*i*) In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders.

(*ii*) For this purpose, seniority shall be determined by the order in which the names stand in the register of members.

51. A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee or other legal guardian, and any such committee or guardian may, on a poll, vote by proxy.

52. Any business other than that upon which a poll has been demanded may be proceeded with, pending the taking of the poll.

53. No member shall be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the company have been paid.

54. (*i*) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes.

(*ii*) Any such objection made in due time shall be referred to the Chairperson of the meeting, whose decision shall be final and conclusive.

Proxy

55. The instrument appointing a proxy and the power-of-attorney or other authority, if any, under which it is signed or a notarised copy of that power or authority, shall be deposited at

TATA PROJECTS LIMITED

not less than 48 hours before the time for holding the meeting at which the person named in the instrument proposes to vote, not less than 24 hours before the time appointed for the taking of the poll, the instrument of proxy shall not be treated as valid.

56. An instrument appointing a proxy shall be in the form as prescribed in the rules made

57. A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the shares in respect of which the proxy is given:

Provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the company at its office before the commencement of the meeting or adjourned meeting at which the proxy is used.

Board of Directors

58. The number of the directors and the names of the first directors shall be determined in writing by the subscribers of the memorandum or a majority of them.

Names of the First Director:

1. MR. HIMANSHU CHATURVEDI
2. MR. GAUTAM BALAKRISHNAN

59. (*i*) The remuneration of the directors shall, in so far as it consists of a monthly payment, be deemed to accrue from day-to-day.

(*ii*) In addition to the remuneration payable to them in pursuance of the Act, the directors may be paid all travelling, hotel and other expenses properly incurred by them—

(*a*) in attending and returning from meetings of the Board of Directors or any committee thereof or general meetings of the company; or

(*b*) in connection with the business of the company.

60. The Board may pay all expenses incurred in getting up and registering the company.

61. The company may exercise the powers conferred on it by section 88 with regard to the keeping of a foreign register; and the Board may (subject to the provisions of that (section) make and vary such regulations as it may thinks fit respecting the keeping of any such register.

62. All cheques, promissory notes, drafts, *hundis*, bills of exchange and other negotiable instruments, and all receipts for monies paid to the company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, by such person and in such manner as the Board shall from time to time by resolution determine.

TATA PROJECTS LIMITED

62. [illegible] present at any meeting of the Board or of a committee thereof shall sign [illegible] purpose.

63. [illegible] provisions [illegible] section 149, the Board shall have power at any time, and [illegible] appoint [illegible] as an additional director, provided the number of the [illegible] directors together shall not at any time exceed the maximum strength [illegible] the articles.

[illegible] shall hold office only up to the date of the next annual general meeting of [illegible] be eligible for appointment by the company as a director at that meeting [illegible] the provisions of the Act.

Proceedings of the Board

65. (i) The Board of Directors may meet for the conduct of business, adjourn and otherwise regulate its meetings, as it thinks fit.

(ii) A director may, and the manager or secretary on the requisition of a director shall, at any time, summon a meeting of the Board.

66. (i) Save as otherwise expressly provided in the Act, questions arising at any meeting of the Board shall be decided by a majority of votes.

(ii) In case of an equality of votes, the Chairperson of the Board, if any, shall have a second or casting vote.

67. The continuing directors may act notwithstanding any vacancy in the Board; but, if and so long as their number is reduced below the quorum fixed by the Act for a meeting of the Board, the continuing directors or director may act for the purpose of increasing the number of directors to that fixed for the quorum, or of summoning a general meeting of the company, but for no other purpose.

68. (i) The Board may elect a Chairperson of its meetings and determine the period for which he is to hold office.

(ii) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the directors present may choose one of their number to be Chairperson of the meeting.

69. (i) The Board may, subject to the provisions of the Act, delegate any of its powers to committees consisting of such member or members of its body as it thinks fit.

(ii) Any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Board.

70. (i) A committee may elect a Chairperson of its meetings.

(ii) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the members present may choose one of their members to be Chairperson of the meeting.

TATA PROJECTS LIMITED

may meet or adjourn as it thinks fit.

... arising at any meeting of a committee shall be determined by a majority of ... present, and in case of an equality of votes, the Chairperson shall have ...

... any meeting of the Board or of a committee thereof or by any person acting as ..., shall, notwithstanding that it may be afterwards discovered that there was some ... in the appointment of any one or more of such directors or of any person acting as ..., or that they or any of them were disqualified, be as valid as if every such director ... person had been duly appointed and was qualified to be a director.

73. Save as otherwise expressly provided in the Act, a resolution in writing, signed by all the members of the Board or of a committee thereof, for the time being entitled to receive notice of a meeting of the Board or committee, shall be valid and effective as if it had been passed at a meeting of the Board or committee, duly convened and held.

Chief Executive Officer, Manager, Company Secretary or Chief Financial Officer

74. Subject to the provisions of the Act,—

(*i*) A chief executive officer, manager, company secretary or chief financial officer may be appointed by the Board for such term, at such remuneration and upon such conditions as it may thinks fit, and any chief executive officer, manager, company secretary or chief financial officer so appointed may be removed by means of a resolution of the Board;

(*ii*) A director may be appointed as chief executive officer, manager, company secretary or chief financial officer.

75. A provision of the Act or these regulations requiring or authorising a thing to be done by or to a director and chief executive officer, manager, company secretary or chief financial officer shall not be satisfied by its being done by or to the same person acting both as director and as, or in place of, chief executive officer, manager, company secretary or chief financial officer.

The Seal

76. (*i*) The Board shall provide for the safe custody of the seal.

(*ii*) The seal of the company shall not be affixed to any instrument except by the authority of a resolution of the Board or of a committee of the Board authorised by it in that behalf, and except in the presence of at least two directors and of the secretary or such other person as the Board may appoint for the purpose; and those two directors and the secretary or other person aforesaid shall sign every instrument to which the seal of the company is so affixed in their presence.

Dividends and Reserve

77. The company in general meeting may declare dividends, but no dividend shall exceed the amount recommended by the Board.

TATA PROJECTS LIMITED

[illegible] provisions of section 205, the Board may from time to time pay to the [illegible] such interim dividends as appear to it to be justified by the profits of the company.

The Board may, before recommending any dividend, set aside out of the profits of the company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the company may be properly applied, including provision for meeting contingencies or for equalizing dividends; and pending such application, may, at the like discretion, either be employed in the business of the company or be invested in such investments (other than shares of the company) as the Board may, from time to time, think fit.

The Board may also carry forward any profits which it may consider necessary not to [illegible] without placing them aside as a reserve.

80. (i) Subject to the rights of persons, if any, entitled to shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid, but if and so long as nothing is paid upon any of the shares in the company, dividends may be declared and paid according to the amounts of the shares.

(ii) No amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this regulation as paid on the share.

(iii) All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date such share shall rank for dividend accordingly.

81. The Board may deduct from any dividend payable to any member all sums of money, if any, presently payable by him to the company on account of calls or otherwise in relation to the shares of the company.

82. (i) Any dividend, interest or other monies payable in cash in respect of shares maybe paid by cheque or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of that one of the joint holders who is first named on the register of members, or to such person and to such address as the holder or joint holders may in writing direct.

(ii) Every such cheque or warrant shall be made payable to the order of the person to whom it is sent.

83. Any one of two or more joint holders of a share may give effective receipts for any dividends, bonuses or other monies payable in respect of such share.

84. Notice of any dividend that may have been declared shall be given to the persons entitled to share therein in the manner mentioned in the Act.

85. No dividend shall bear interest against the company.

TATA PROJECTS LTD

Accounts

86. [illegible] determine whether and to what extent and at what [illegible] conditions or regulations, the accounts and books of the [illegible] shall be open to the inspection of members not being directors.

[illegible] not being a director) shall have any right of inspecting any account or [illegible] of the company except as conferred by law or authorised by the Board or by [illegible] general meeting.

Winding up

87. Subject to the provisions of Chapter XX of the Act and rules made thereunder—

(*i*) If the company shall be wound up, the liquidator may, with the sanction of a special resolution of the company and any other sanction required by the Act, divide amongst the members, in specie or kind, the whole or any part of the assets of the company, whether they shall consist of property of the same kind or not.

(*ii*) For the purpose aforesaid, the liquidator may set such value as he deems fair upon any property to be divided as aforesaid and may determine how such division shall be carried out as between the members or different classes of members.

(*iii*) The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories if he considers necessary, but so that no member shall be compelled to accept any shares or other securities whereon there is any liability.

Indemnity

88. Every officer of the company shall be indemnified out of the assets of the company against any liability incurred by him in defending any proceedings, whether civil or criminal, in which judgment is given in his favour or in which he is acquitted or in which relief is granted to him by the court or the Tribunal.

Sir/Madam,

Sub : Allotment of Tax Deduction Account Number (TAN) as per Income Tax Act,1961

Kindly refer to your application (Form 49B) dated Dec 07, 2018 for the allotment of Tax Deduction Account Number.

In this connection, the following TAN has been issued to you/your organisation:

HYDT09477G

Please quote the same in all TDS challans,TDS Certificates,TDS returns,Tax Collection at Source(TCS) returns as well as other documents pertaining to such transactions.

Quoting of TAN on all TDS returns and challans for payment of TDS is necessary to ensure credit of TDS paid by you and faster processing of TDS returns.

The above TAN should also be used as Tax Collections at Source Account Number under section 206CA.

Kindly note that it is mandatory to quote TAN while furnishing TDS returns, including e-TDS returns. e-TDS returns will not be accepted if TAN is not quoted.

This supersedes all the Tax Deduction / Collection Account Number, alloted to you earlier.

Dear Abhishek

This is in reference to yesterday's meeting in Nashik between NMC, PMC and TPL. As was reiterated during the meeting, contract agreement needs to be executed without any further delay. Despite several rounds of responses from our end to your queries through all possible means – written, phone conversations and face to face discussions, there has been considerable delay on your part in signing the contract.

As suggested by you we are looking forward to a final meeting with TPL's decision making team on May 24 to finalize the contract and sign the same.

Regards
PMC - NMSCDCL

Dear Sir

It is advised to send a mail to Tata Projects Limited (TPL) asking them to execute the contract without any delay. According to Clause 3.24.6 of RfP, contract should be executed within the time frame as mentioned in Letter of Award (LoA). Further, LoA issued vide. outward number 238 and dated March 6, 2019 in favour of TPL clearly mandates contract be executed within 15 days of issuance of LoA.

Despite clear instructions in RfP, LoA and multiple communications with TPL suggesting to execute contract within timeframe, there has been significant delay on part of TPL.

Dear Sir

With reference to the trailing mail for reconsideration of the financial quote submitted to Nashik Municipal Corporation , we hereby clarify that during our last visit to NMC on 21st February 2019 , the matter was discussed and clarified on our behalf with the Hon'ble Commissioner of NMC that Tata Projects Limited would not be able to increase the percentage share as quoted in the financial bid .

Also with reference to the quote for Buyback of existing luminaires and the additional fixtures Capex & O&M rates , we would not able to reconsider any further prices .

Thanks & Regards

O.No.174 Dated 21/2/2019

To,
Mr. Amol Nisal,
Assistant General Manager- Smart Cities
Tata Projects Limited, One Boulevard,
2nd, 3rd, 4th floor, Lake Boulevard Street, Hiranandani Business Park, Powai,
Mumbai- 400076

Subject: - Invitation for negotiations and submission of required undertaking.

Ref: Tender no. 2018_NMC_365389_1 and the Bid submitted by Tata Projects Limited in response to this tender for Smart LED street light system for Pan City in Nashik City.

The bid for above mentioned tender was opened on 05th February 2019. As part of the technical evaluation, the demonstration of Proof of Concept was carried out in the presence of the PoC committee. However, the Lux level of 170 W luminaries installed at the Trimbak road was lower than the lux level defined as per the RFP requirement. However the required lux level was achieved through installation of higher wattage luminaries by your team.

Since higher wattage luminaries were used to achieve the required lux level at Gangapur road, you are here by directed to submit an undertaking as below:

"We will install appropriate wattage luminaries wherever required across the city to achieve the lux level and uniformity as per the RFP requirements. However, the appropriate wattages will be finalized after the survey will be conducted and needs to be

EE (Electrical)

Dy E. (East)
N.O. Smart Lighting

approved by the Engineer-In-Charge."

You are required to submit the undertaking via returning email ASAP and submit the hard copy at below address by 06:00 PM on 25th February 2019.

Address:-
Electrical Department, 3rdFloor,
Nashik Municipal Corporation,
Rajiv Gandhi Bhavan, Sharanpur Road,
Nashik - 422002.

Moreover, we would like to request you for reconsidering your quote for the aforesaid tender related with the "Nashik Municipal Corporation
(NMC) share out of the overall Monthly savings in % which is presently 5% as per your current quote."

Whereas,The rates quoted for the Buy back of old fixtures and additional fixtures Capex and O&M rates also need to be re-think once.

Kindly share the revised offer ASAP.

Head of the department
Electrical-Mechanical Department,
Nashik Municipal Corporation, Nashik

दिनांक : २८/६/२०१९

विषय: नविन बीओटी तत्वावरील एलईडी लाईटच्या ठेक्यामुळे होणाऱ्या संभाव्य नुकसानी बाबत.

महोदय,

दिनांक २८/ ०२/ २०१९ रोजी प्रशासनातर्फे स्थायी समितीवर ठेवलेल्या प्रस्तावावरील झालेला ठराव आमच्या निदर्शणास नुकताच आला आहे. एलईडी बसविण्याचा ठेका मे. टाटा प्रोजेक्टस् यांना देण्यात आला आहे. या बाबतीत आमचा अक्षेप खालील प्रमाणे आहे.

यापूर्वी सन २०१२-२०१३ या आर्थीक वर्षामध्ये एमआयसी कंपनीला नाशिक महापालिका हद्दीतील स्ट्रीट लाईटवर एलईडी बसवीण्याचा ठेका देण्यात आला होता सदर कंपनीने महापालिकेने दिलेली बँक गॅरंटी कॅश करण्याचा प्रयत्न केला होता या विरोधात महापालिकेने सदर बँक गॅरंटी कॅश होण्याच्या विरोधात स्थगीती मिळवीलेली आहे. व आजही तो दावा प्रलंबीत आहे.

तसेच सदर कंपनीबरोबर झालेल्या मनपाच्या करारात मनपाने सदर ठेकेदाराचे काम टर्मीनेट केले तर मनपा ८० टक्के पैसे ठेकेदारास देणे लागते व जर कंपनीने काम टर्मीनेशनची नोटीस दिली तर मनपा सदर ठेकेदारास १० टक्के इतकी रक्कम देणे लागते असा उभयतांतील करारामधील एक कलम आहे.

आजही सदर ठेकेदाराचे काम मनपाने टर्मीनेट केले आहे का किंवा ठेकेदाराची टर्मीनेटची नोटीस मनपाने स्विकारली आहे का हेही कळत नाही.

जर सदर ठकेदार महापालिकेविरोधात कोर्टात गेला तर मोठयाप्रमाणावर नुकसान भरपाई मनपास दयावी लागेल याची जबाबदारी कोणाची.

तसेच पुर्वीच्या एमआयसी कंपनीस जर नवीन ठेकेदाराला दिलेल्या कामामुळे नुकसान भरपाई दयावी लागली तर ती जबाबदारी आमच्या पैकी कोणाचीही नसेल वर्कऑर्ड देणाऱ्याची ती वैयक्तीक जबाबदारी असेल महापालिकेला सदरची आर्थिक नुकसानीची तोशीश लागु नये म्हणुन आपणास हे पत्र देत आहोत. याची नोंद आपण घ्याल व उचित कार्यवाही कराल ही नम्र विनंती व अपेक्षा.

नाशिक महानगरपालिका, नाशिक.

विषय: नविन बीओटी तत्वावरील एलईडी लाईटच्या ठेक्यामुळे होणाऱ्या संभाव्य नुकसानी बाबत.

महोदय,

दिनांक २८/ ०२/ २०१९ रोजी प्रशासनातर्फे स्थायी समितीवर ठेवलेल्या प्रस्तावावरील झालेला ठराव आमच्या निदर्शणास नुकताच आला आहे. एलईडी बसविण्याचा ठेका मे. टाटा प्रोजेक्टस् यांना देण्यात आला आहे. या बाबतीत आमचा अक्षेप खालील प्रमाणे आहे.

यापूर्वी सन २०१२-२०१३ या आर्थीक वर्षामध्ये एमआयसी कंपनीला नाशिक महापालिका हद्दीतील स्ट्रीट लाईटवर एलईडी बसवीण्याचा ठेका देण्यात आला होता सदर कंपनीने महापालिकेने दिलेली बँक गॅरंटी कॅश करण्याचा प्रयत्न केला होता या विरोधात महापालिकेने सदर बँक गॅरंटी कॅश होण्याच्या विरोधात स्थगीती मिळवीलेली आहे. व आजही तो दावा प्रलंबीत आहे.

तसेच सदर कंपनीबरोबर झालेल्या मनपाच्या करारात मनपाने सदर ठेकेदाराचे काम टर्मीनेट केले तर मनपा ८० टक्के पेसे ठेकेदारास देणे लागते व जर कंपनीने काम टर्मीनेशनची नोटीस दिली तर मनपा सदर ठेकेदारास १० टक्के इतकी रक्कम देणे लागते असा उभयतांतील करारामधील एक कलम आहे.

आजही सदर ठेकेदाराचे काम मनपाने टर्मीनेट केले आहे का किंवा ठेकेदाराची टर्मीनेटची नोटीस मनपाने स्विकारली आहे का हेही कळत नाही.

जर सदर ठकेदार महापालिकेविरोधात कोर्टात गेला तर मोठयाप्रमाणावर नुकसान भरपाई मनपास दयावी लागेल याची जबाबदारी कोणाची.

तसेच पुर्वीच्या एमआयसी कंपनीस जर नवीन ठेकेदाराला दिलेल्या कामामुळे नुकसान भरपाई दयावी लागली तर ती जबाबदारी आमच्या पैकी कोणाचीही नसेल वर्कऑर्ड देणाऱ्याची ती वैयक्तीक जबाबदारी असेल महापालिकेला सदरची आर्थिक नुकसानीची तोशीश लागु नये म्हणुन आपणास हे पत्र देत आहोत. याची नोंद आपण घ्याल व उचित कार्यवाही कराल ही नम्र विनंती व अपेक्षा.

विषय :- नवीन बीओटी तत्वावरील एलईडी लाईटच्या ठेक्यामुळे होणा-या संभाव्य नुकसानी बाबत.

महोदय,

दिनांक २८/०२/२०१९ रोजी प्रशासनातर्फे स्थायी समितीवर ठेवलेल्या प्रस्तावावरील झालेला ठराव आमच्या निदर्शनास नुकताच आला आहे. एलईडी बसविण्याचा ठेका मे.टाटा प्रोजेक्टस् यांना देण्यांत आला आहे. या बाबतीत आमचा आक्षेप खालील प्रमाणे आहे.

यापुर्वी सन २०१२-२०१३ या आर्थिक वर्षामध्ये एमआयसी कंपनीला नाशिक महानगरपालिका हद्दीतील स्ट्रीट लाईटवर एलईडी बसविण्याचा ठेका देण्यात आला होता सदर कंपनीने महापालिकेने दिलेली बँक गॅरंटी कॅश करण्याचा प्रयत्न केला होता या विरोधात महापालिकेने सदर बँक गॅरंटी कॅश होण्याच्या विरोधात स्थगीती मिळवीलेली आहे व आजही तो दावा प्रलंबित आहे.

तसेच सदर कंपनी बरोबर झालेल्या मनपाच्या करारात मनपाने सदर ठेकेदाराचे काम टर्मीनेट केले तर मनपा ८० % पैसे ठेकेदारास देणे लागते व जर कंपनीने काम टर्मीनेशनची नोटीस दिली तर मनपा सदर ठेकेदारास १०% इतकी रक्कम देणे लागते असा उभयतांतील करारामधील एक कलम आहे.

आजही सदर ठेकेदाराचे काम मनपाने टर्मीनेट केले आहे का? किंवा ठेकेदाराची डर्मीनेटची नोटीस मनपाने स्विकारली आहे का ? हेही कळत नाही.

जर सदर ठेकेदार महापालिके विरोधात कोर्टात गेला तर मोठया प्रमाणावर नुकसान भरपाई मनपास द्यावी लागेल याची जबाबदारी कोणाची.

तसेच पुर्वीच्या एमआयसी कंपनीस जर नवीन ठेकेदाराला दिलेल्या कामामुळे नुकसान भरपाई द्यावी लागली तर ती जबाबदारी आमच्या पैकी कोणाचीही नसेल वर्क ऑर्डर देणा-याची ती वैयक्तीक जबाबदारी असेल महापालिकेला सदरची आर्थिक नुकसानीची तोशीश लागु नये म्हणून आपणास हे पत्र देत आहोत. याची नोंद आपण घ्याल व उचित कार्यवाही कराल, ही नम्र विनंती व अपेक्षा.

YES BANK

Date 12.07.2019

To,
Hon. Commissioner,
Nashik Municipal Corporation,
Nashik

Dear Sir/ Madam,

Sub: Proposal for Escrow Account Services to Nashik Municipal Corporation.

At the outset, we would like to thank you for giving us the opportunity to present our business proposition for Escrow Account Services.

At YES BANK, we have established a **'Truly Integrated' model** leveraging of our **'State of Art' technology** platform. The Transaction Banking Group through its **seamless delivery** of **high quality structured products** offers **value-added solutions** for **Capital Markets & Escrow Account Services, Cash Management Services and Trade Finance & Services.** Our Transaction Banking team has carved a niche for itself in the highly competitive financial marketplace by delivering **Integrated Financial Supply Chain Solutions** through the above mentioned services. I am certain that YES BANK can deliver immense incremental value to your organization with our Knowledge Banking approach

YES Bank offers specialized Escrow Account Services under the product domain of ***Capital Market & Escrow Account Services*** catering to multi-partite transactions. The Bank plays the instrumental role of an agent in such transactions, acting on the instruction of the principals, in holding and releasing the cash/collateral deposited with the Bank as the agent by either of the parties. At YES BANK, we have a **dedicated Escrow Desk** providing Escrow Account services for diverse structures such as

- ✓ Sale Shares and Purchase Arrangements
- ✓ Revenue Sharing Arrangements
- ✓ Prepaid Instrument Escrow Arrangements
- ✓ Credit Linked Arrangements
- ✓ Lease Rental Discounting Arrangements
- ✓ Trust and Retention Arrangements
- ✓ Capital Market Escrows
    - o IPOs/QIPs
    - o Delisting/Buyback Offers
    - o Open Offers

9602

Features

Under the Escrow Account Services portfolio, each Escrow transaction is managed **end-to-end** by a dedicated team of qualified professionals thereby delivering a highly customized service for the corporate. The expert regulatory advisory coupled with the **globally benchmarked operational risk management** practices ensures immaculate service delivery in **compliance with the extant regulatory framework** for all escrow transactions.

The **key differentiating features** of the Escrow Account Services proposition include:

- **Association with a Seasoned Banking Partner** with
  - Experience in structuring complex Escrow transactions
  - Expertise in regulatory & compliance advisory
  - Collateral Custody facilities for underlying documents including title deeds, agreements, share certificates and electronic media such as CDs, DVDs, Disk Drives, and Floppies
- **Best-in-Class Service Excellence** through
  - Seamless Coordination with escrow parties and intermediaries
  - ISO Certified Back Office
  - Faster Turn Around Time in engagement, implementation and execution phases
  - Account structuring capability with Freeze/Unfreeze, Block/Unblock, Sweepin/Sweep-out facilities
- **Superior & Accurate Information Management** through
  - Customized MIS/Transaction specific reporting
- **Speedier Settlements across geographies with**
  - e-Payments RTGS/NEFT/NECS/NACH : 73,000+ branches across 15,000+ locations
  - DD/ Cheque Printing: Payable across 750+ locations
  - Multiple International Correspondent bank arrangements.

- **Commercial Terms**
- Escrow A/c Fees: INR 2,00,000/- + applicable service tax covering the below expenses
  - Account Opening Charges
  - Account Maintenance charges as per Escrow Arrangement

Other terms

- This offer is an in-principle offer and is subject to our internal approvals and sanctions in place (wherever necessary).
- The Company will have to execute necessary documents required in appointing YES BANK as the Escrow Bank for the transaction.
- YES BANK shall not be liable for any failure to perform any of its obligations, if its performance is prevented, hindered or delayed by a Force Majeure event (defined below) and in such case its obligations shall be suspended for so long as the Force Majeure Event continues (provided that this shall not prevent the accrual of interest on a principal amount which would have been payable but for this provision). "Force Majeure Event" means any event beyond the reasonable control of YES BANK, including, without limitation, unavailability of any communication system, sabotage, fire, flood, explosion, acts of God, civil commotion, strikes or industrial action of any kind (including concerning the pickup agency), riots, insurrection, war or acts of government, loss of instruments by the pickup agency/correspondent banks.
- Our offer is subject to prevailing RBI & SEBI and other regulatory guidelines from time to time.

Dear Sir,

With reference to the letter submitted by Tata Projects Limited on 24th June 2019 and subsequently Your mail dated 2nd July 2019 , we again hereby reaffirm that we remain open to solve the open issues at the earliest.and look forward to sign the contract .

However , the letter sent by your goodself does not address our concerns with respect to the " Contra Preferentum " clause which refers to the ambiguity between the DCA and the Draft Escrow Agreement and the RFP.

We request you to please send us your reply detailing our concerns raised in the letter dated 24th June 2019.

Thanks & Regards

Reference:
1.Contract agreement shared with TPL at 7.25 pm on May 31, 2019 and at 5.30 pm on May 9, 2019 for signing
2.Escrow agreement shared with TPL at 6.13 pm on May 9, 2019
3.Reminders sent via email at 5.30 pm on 9 May, 6.13 pm on 23 May, 7.25 pm on 31 May, 6.52 pm on 10 June to sign contract

Subject: Final copy of Contract and Escrow agreement and fifth reminder to sign contract without any further delay

Despite multiple clarifications on queries raised by you on draft Contract and Escrow, several reminders to sign contract without delay and reiteration of need to be in total compliance of RfP conditions, contract has not been signed due to delay from TPL's end. This has severely delayed the execution work. Clause 3.24.6 of RfP, clearly states that contract should be executed within 15 days of issuance of LoA, which was issued vide. outward number 238 dated March 6, 2019 in favour of TPL.

Attached herewith is final draft of Contract and Escrow agreement. Owing to further delay from TPL's end in case the agreement is not signed within 7 days from now, appropriate action would be taken.

Subject: Signing of contract for Street Light project under Nashik Smart City initiative

Per your previous mail, please find revised contract agreement. Further please note following observations on the three points highlighted by you in last mail.

1) CLAUSE 4.2 B - CLAUSE FOR PAYMENT IN ESCROW ACCOUNT HAVE BEEN MODIFIED

Response from NMC: This is not a modification, but correction in line with RfP condition mentioned on page 53 under "Deposit and Replenishment Request". It may be noted, that whatever is mentioned in RfP is of paramount importance and must necessarily be adhered to.

2) Clause 12 - New points added in Concessionaire Event of Default.

Response from NMC: May be removed and made according to original version.

3) Clause 13.2 – Clause for Termination of Concession Agreement by Concessionaire modified

Response from NMC: A slight change has been made for the purpose of clarity for both sides. This provision needs to be retained for clarity in future.

After these clarifications, you are requested to execute the contract agreement at the earliest.

With reference to your mail yesterday regarding the draft Contract agreement sent to us , our internal team have reviewed the agreement and the comments put forth .

However, it has been observed that the clauses given below have been inadvertently added or modified. These modifications are not being accepted by our internal team and hence we request you that the original clauses should be retained during signing of agreement.

1) CLAUSE 4.2 B -

CLAUSE FOR PAYMENT IN ESCROW ACCOUNT HAVE BEEN MODIFIED

Original clause - NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills _within 1 month of the signing of Energy Savings and Performance Contract (ESPC)'._

Modified clause - NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills _after successful installation.

2) CLAUSE 12 -

NEW POINTS ADDED IN CONCESSIONAIRE EVENT OF DEFAULT.

h) If the Concessionaire places itself in a position of conflict of interest or fails to disclose promptly any conflict of interest to NMC

i) If the Concessionaire fails to provide the quality services as envisaged under this Contract, NMC may make judgment regarding the poor quality of services, the reasons for which shall be recorded in writing. NMC may decide to give one chance to the Successful Bidder to improve the quality of the services.

j) If the Concessionaire fails to comply with any final decision reached as a result of dispute resolution or arbitration proceedings

3) CLAUSE 13.2 –

CLAUSE FOR TERMINATION OF CONCESSION AGREEMENT BY CONCESSIONAIRE

96 yr

MODIFIED

Original Clause - The Concessionaire may terminate this Concession Agreement by giving a termination notice to Authority if a NMC/Authority Event of Default has occurred and continued for more than sixty (60) days.

Modified Clause - The Concessionaire may terminate this Concession Agreement by giving a termination notice _of at least 30 days_ to Authority if a NMC/ Authority Event of Default has occurred and continued for more than sixty (60) days.

The draft agreement with comments is enclosed for your needful action.

Subject: Re: Draft Contract Agreement for PPP based Streetlighting project of NMC

To,

Mr. Abhishek Das

Manager - Business Development,

Smart Cities Tata Power Projects

Date: May 9, 2019

Reference: Your reply received through email at 2.56 pm dated May 8,

2019

Subject: Signing of contract for Street Light project under Nashik Smart City initiative

Please note that contract agreement should be signed at the earliest.

This would enable signing of Escrow agreement. Hence, you are requested to come to Nashik tomorrow i.e. May 10, 2019 for signing of contract without any further delay.

Further, please find revised draft of contract agreement with a single correction made (in clause 4.2.b in accordance with RfP condition) over the reviewed draft of contract shared by us with you yesterday i.e. May 8, 2019 at 2.02 PM.

Regards

Engineer-in-charge, Electrical Department Nashik Municipal Corporation

Agreement .

Request you to share your comments on the Draft Escrow Agreement at

the earliest .

We shall share your comments with our internal teams for their

approval and further action .

As a process, we need our internal team's vetting to enter into any

contract . Only after approval of both the agreements by our

respective teams , we would be able to travel to Nashik for signing

the contract

So we request you again to share us the Draft Escrow Agreement at the

earliest .

Thanks & Regards

विषय : नाशिक मनपा मध्ये PPP तत्वावर स्मार्ट लाईटींग प्रकल्प राबविणे बाबत.
संदर्भ : १) मा.महाराष्ट्र शासन उर्जा संवर्धन धोरण अपाऊ/२०१५/क्र.क.३७८/उर्जा ७/धोरण/ २०१७ दि.२२/०४/२०१७.
२) मा.महासभा ठराव क्र.१३८० दि.०६/१०/२०१८
३) मा.स्थायी समिती ठराव क्र.३१४ दि.२८/०२/२०१९
४) मा.सदस्य श्री.गुरुमीत बग्गा यांचे दि.२९/०६/२०१९ चे पत्र.
५) मा.सदस्य श्री. गजानन शेलार यांचे दि.२९/०६/२०१९ चे पत्र.

महोदय,

नाशिक मनपामध्ये PPP तत्वावर स्मार्ट लाईटिंग प्रकल्प राबविणेबाबत उपरोक्त सहपत्रित केलेल्या केलेल्या संदर्भ १ ते ३ प्रमाणे मान्यता मिळालेली आहे. नाशिक मनपाने MIC Electronics हैद्राबाद या कंपनीशी मनपा क्षेत्रात बी.ओ.टी. तत्वावर एलईडी लाईट बसविणे या कामाबाबत नाशिक जिल्हा न्यायालयात दावा क्र.१०/२०१५ व २९४/२०१५ प्रमाणे दावा दाखल केलेला आहे. त्यापैकी दावा क्र.१०/२०१५ बाबत न्यायालयाने दि.०८/०३/२०१९ रोजी अंतीम निकाल दिलेला असून दावा क्र.२९४/२०१५ बाबत दि.१९/०७/२०१९ अशी तारीख दिलेली आहे. तसेच मा.नाशिक जिल्हा न्यायालयाच्या १०/२०१५ च्या दाव्याबाबतच्या निकालाप्रमाणे नाशिक मनपाच्या वतीने Arbitrator नियुक्त केल्याची नोटीस MIC Electronics हैद्राबाद यांना दि.१०/०५/२०१९ प्रमाणे दिलेली आहे. त्याबाबत मे. MIC Electronics यांना नोटीस प्राप्त झाल्याची व त्याबाबत त्यांचे दि.२०/०६/२०१९ च्या ई-मेल पत्राव्दारे मनपास NCLT हैद्राबाद बेंच ची त्यांचे एका दुसऱ्या प्रकरणची दि.१३/०३/२०१८ ची प्रत जोडली आहे.

नाशिक मनपाच्या जून २०१९ च्या महासभेमध्ये काही सदस्यांनी असा प्रश्न उपस्थित केला की, मनपाने त्यांचे विषयांकीत PPP तत्वावरील स्मार्ट लाईटींग प्रकल्प राबविल्यास नाशिक मनपास MIC Electronics या कंपनीस नुकसान भरपाई द्यावी लागेल तदनंतर त्यांनी

मनपा आयुक्त सो. यांचे कडे लेखी पत्र देऊन (संदर्भ ४ व ५ सहपत्रीत केलेले) आक्षेप नोदविलेले आहेत.

उपरोक्त सर्व नमूद संदर्भ व दावे १०/२०१५ व २९४/२०१५ तदनंतरचे पत्र व MIC Electronics चे पत्र इत्यादीचे अवलोकन होऊन नाशिक मनपाने PPP तत्वावरील स्मार्ट लाईटींग प्रकल्पासाठी ई-निविदा प्रक्रीयेव्दारे पात्र ठरलेल्या मे.टाटा प्रोजेक्ट्स या कंपनीशी करारनामा करुन कार्यादेश देणेसाठी कार्यवाही करणे बाबत आपले अभिप्राय मिळणेस विनंती.

महोदय,

आमचे विभागाचे कार्यकारी अभियंता श्री.डी.बी.वनमाळी व उपअभियंता श्री.एच.के. पाटील यांनी दि.११/०७/२०१९ रोजी आपली प्रत्यक्ष भेट घेतली व चर्चा केली, तसेच त्याच वेळी आपली नाशिक मनपाचे मा.आयुक्त महोदय यांचेशी सुध्दा दुरध्वनीवरून चर्चा झालेली आहे.

नाशिक मनपाचे बीओटी तत्वावरील एलईडी लाईट बसविणे या कामाबाबत MIC Electronics यांचेशी नाशिक कोर्टात २ दावे दाखल करणेत आलेले होते. त्यापैकी दावा क्र.१०/२०१५ बाबत न्यायालयाने दि.०८/०३/२०१९ रोजी अंतीम निकाल दिलेला असून दावा क्र.२९४/२०१५ बाबत अद्याप पावेतो कोणताही निर्णय झालेला नाही.

दावा क्र.१०/२०१५ च्या दि.०८/०३/२०१९ च्या अंतीम निकाला प्रमाणे नाशिक मनपाने Arbitrator ची नेमणूक करून त्याबाबतची नोटीस या दाव्यात मनपाचे Sinior Advocate श्री.पी.नारायण सर यांचेमार्फत MIC Electronics यांना दि.१०/०५/२०१९ रोजी ई-मेल व पोष्टाने पाठविलेले आहे. मात्र MIC Electronics यांनी त्यांचे बाजूने Arbitrator नेमणे ऐवजी दि.२०/०६/२०१९ रोजी मा.आयुक्त मनपा यांना ई-मेल व्दारे त्यांचे अन्य एका दाव्यात NCLT हैद्राबाद बेंच दि.१३/०३/२०१८ च्या निकालाची प्रत जोडून त्यांचे प्रतिनीधी प्रभाकर एन. यांचे पत्राव्दारे कळविले आहे.

सदर बाबत नाशिक मनपा आयुक्त महोदय यांचेशी चर्चा केली असता या बाबत नाशिक मनपाने मुंबई उच्च न्यायालयात दाद मागावी असे निर्देश दिले आहेत. तरी आपण MIC Electronics यांचे उपरोक्त दाव्यातील मनपाचे Sinior Advocate श्री.पी.नारायण,पुणे यांचेशी चर्चा करून, याबाबत मुंबई उच्च न्यायालयात दाद मागणेकामी Petition तयार करून सादर करावे ही विनंती.

प्रत्यक्ष भेटीचे वेळी दि.११/०७/२०१९ रोजी अपणास खालील प्रमाणे झेरॉक्स सेट अवलोकनार्थ देणेत आलेले आहेत.

१) दावा क्र.१०/२०१५ ची प्रत.

२) दावा क्र.१०/२०१५ ची अंतरिम निकाल प्रत.

(9660)

३) दावा क्र.१०/२०१५ ची अंतीम निकाल प्रत.

४) दावा क्र.२९४/२०१५ ची प्रत.

५) ॲड.पी.नारायण सो. यांचे मार्फत MIC Electronics यांना दिलेल्या दि.१०/०५/२०१९ च्या नोटीस ची प्रत.

६) MIC Electronics यांचे दि.२०/०६/२०१९ रोजी प्राप्त झालेल्या पत्राची प्रत.

७) नाशिक मनपा मध्ये B.O.T. तत्वावर एलईडी लाईट लावणे या कामाच्या नस्तीची झेरॉक्स प्रत, त्यामध्ये झालेल्या करारनामा व कार्यादेशाची प्रत आहे.

तरी वरील प्रमाणे कार्यवाही करावी ही विनंती.

Subject – Getting opinion on the Project of Nashik Municipal Corporation project: Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings on Public-Private-Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) Basis

Dear Sir,

This is in reference to Request for Proposal for selection of Concessionaire for Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings on Public-Private-Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) Basis.

A. Escrow Clarification

The matter is related to opening and making initial deposit in Escrow. Condition of Escrow varies in parts of RfP, as follows:

1. RfP

Clause 4.4 under heading "relating to escrow account, if any" and sub-heading "Deposit and Replenishment Request": ***After successful implementation period (9 months) NMC shall deposit an initial deposit amount as last three month MSEDCL bill amount*** + (average baseline energy consumption per month * guaranteed saving quoted by bidder * 3 * unit rate); After that for each month NMC will deposit amount equal to (Last month MSEDCL bill*100/(100-guaranteed saving quoted by bidder)). In the event that the amount in CONCESSIONAIRE Project
Account falls below 30% of the previous deposited amount or on payment of monthly energy saving fee for subsequent two months, whichever is earlier, the Escrow Agent shall send a written request (Replenishment Request) to NMC to replenish the CONCESSIONAIRE Project Account and with a copy to the CONCESSIONAIRE for the same."

2. Clause 8.4. of RfP - Annexure IV: Draft Agreement

(also referred to as Energy Savings Performance Contract (ESPC) or Concession Agreement)

Clause 4.2.b of this Draft Agreement: ***NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills within 1 month of the signing of Energy Savings and Performance Contract (ESPC).***

9662

3. Clause 8.7. of RfP - Annexure VII: DRAFT ESCROW AGREEMENT

Clause 3.2.a of Draft Escrow Agreement:

The Authority agrees and undertakes that, as and when due and payable, it shall deposit into and/or credit the Escrow Account with:

(a) After successful implementation period (9 months) NMC shall deposit an initial deposit amount as last three month MSEDCL bill amount + (average baseline energy consumption per month * guaranteed saving quoted by bidder

B. Request by Tata Projects Limited (TPL)

TPL won the bid and was issued Letter of Award on March 6, 2019. However, due to their internal process and lending bank request, TPL has requested to follow the provision related to opening and initial deposit in Escrow as per draft Agreement (appended in RfP under its Clause 8.4), which is: ***"NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills within 1 month of the signing of Energy Savings and Performance Contract (ESPC)".***

It may be noted that the initial deposit would lie in Escrow account for approximately 9 months (which is period of installation of Street Light fixtures) and disbursements would be made to TPL only after installation of at least 80% fixtures. This is settled as per RfP conditions, draft agreement, draft Escrow agreement and there would not be any change in this condition.

Your opinion is requested on whether it would be permissible to open and make initial deposit in Escrow account as per draft Agreement (appended in RfP under its Clause 8.4) in case TPL's Escrow bank offers equal or more interest than what is current interest rate on NMC deposits (hence no financial loss to NMC)?

Regards

Subject: Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings on Public-Private Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) basis – **Signing of Contract Agreement**

Dear Sir,

In reference to the subject matter and in continuation to TPL's letter cited at Sr. No 4, we further clarify the following for your kind consideration:

1. Your good self may please acknowledge that the draft Contract Agreement at Annexure-IV, Page 126 of Concessionaire document, provides the provision of funding of Escrow account by NMC within one month of signing of Energy savings and Performance Contract (ESPC).

2. Accordingly, we have proposed to sign the ESPC as per the aforesaid provision vide E-mail dated 04.05.2019 which was also acknowledged by NMC vide E-mail dated 08.05.2019.

3. Subsequently, NMC vide E-mail dated 09.05.2019 has informed that they propose to modify the above existing provision of the draft Concession Agreement which led to the current lack of consensus on the contents for signing of Agreement.

4. NMC has informed that they intend to rely on the provisions mentioned in RFP and draft Escrow agreement format which state that Escrow agreement shall be funded after 9 month implementation period.

5. In the above regard, TPL invites attention to clause 2.1 of draft Contract Agreement which clarifies that the Concessionaire Agreement has the highest priority in event of any conflict / ambiguity.

TATA PROJECTS LIMITED

9668

TATA

6. Accordingly, the funding of Escrow account by NMC is to be done within one month of signing of ESPC as per clause 2.1 of draft Concession Agreement.

7. Notwithstanding the above, if NMC still considers that there exists an ambiguity regarding the funding of Escrow account, TPL informs that such ambiguity is to be dealt as per the rule of "Contra Proferentem" in the Contract law. The said principle states that, where a promise, agreement or term is ambiguous, the preferred meaning should be the one that works against the interests of the party who provided the wording i.e., the contract draftsmen is to bear the consequences of any ambiguity under the Contract.

In view of above, TPL requests NMC to consider the acceptance of provision regarding the funding of Escrow Agreement as mentioned in the draft Concessionaire Agreement for earliest signing of Contract. Notwithstanding the aforesaid, TPL informs its readiness to resolve the issue amicably and looks forward for earliest signing of the Contract.

Thanking you and assuring our best of services at all times.

Yours faithfully,

For Tata Projects Ltd.

Date : 31.07.2019

To,
The Hon'ble Commissioner,
Nashik Municipal Corporation, Nashik.

Reference : Your letter bearing No. 530/2019 sent by Additional Engineer Electrical Department for my opinion.

Sir,

With reference to said letter in connection with the contract entered into with MIC Electronics following are my observations and opinion.

That in connection with said contract which was entered into with MIC Electronics there were lacunas on part of MIC. That in first place said MIC Electronics did not start work as contemplated, in the second place the LED lights which were supplied were not up to standard prescribed by agreement, in the third place material supplied was not accompanied by certificate issued by Government, in the fourth place the company has got the bank guarantees split into two bank guarantees at Rs. 20 Crores each and one bank guarantee of Rs. 40 Crores and has illegally assigned the bank guarantee worth Rs. 40 Crores in favour of Energy Efficiency Services Ltd. without consent of bank and against norms of Reserve Bank of India.

It is worth noting that in spite of default committed by MIC Electronics, the company itself issued notice of termination dated 20.05.2015 and therefore apprehending encashment of bank guarantee two proceedings were initiated one in form of application under section 9 of Arbitration Act and another by way of Special Civil Suit where in Energy Efficiency Service Ltd. was made a party who was not party to Arbitration

Chamber : 1 New Lawyer's Chamber, District Court Compound, Shivajinagar, Pune 411 005 ☎ 25534887 Time : 11 a.m. to 5 p.m.
Office : Block No. 3, Uberoi House, S. No. 67/2, Nal Stop, Karve Road, Pune 411 004 ☎ 25434758, 25435514 Fax No. : 25449564
Time : 9.30 to 11 a.m. / 6 to 8.30 p.m. E-mail : pnarayan001@gmail.com

agreement. The said suit was filed as per the existing provision of Arbitration Act.

It is also pertinent to note that said company MIC Electronics had filed Writ Petition No. 9873/17 before Hon'ble Bombay High Court seeking directions for implementation of LED project. The Hon'ble High Court by its order dated 12.10.2017 has rejected Writ Petition and has observed "that the notice dated 20.05.2015 and Writ Petition clearly show that the petitioner is approbating and reprobating in matter pertaining to agreement".

That in fact said act of approbating and reprobating is also evident from fact that the said company has been attempting to approach Corporation as well as Government to pressurize Corporation to again allot the work to them in spite of notice of termination.

According to me once the company has allegedly terminated the agreement only alternative left with the Corporation is to find some other supplier for supplying LED which is being done by the Corporation and make claim against company.

That as regards the query of the corporators which is annexed to letter sent to me I am of the opinion that the company itself has terminated the contract on 20.05.2015 and has not taken any action for recovery of alleged compensation after accrual of alleged cause of action and therefore according to me any claim if made prima facie would be beyond limitation.

That in light of what is stated above there is no impediment in way of Municipal Corporation floating another tender and allotting contract to any third party at cost and risk of MIC Electronics, I hope this satisfies your query.

Regards.

मा.आयुक्त साो.
नाशिक म.न.पा. नाशिक.

विषय : म.न.पा. नाशिक विद्युत विभागाद्वारे नवीन LED प्रकल्प निविदा प्रक्रिया संबंधी हरकत असणे बाबत.

महोदय,

वरील विषयानुसार आपणास कळवु इच्छीतो की, म.न.पा. नाशिक विद्युत विभागाने नवीन LED प्रकल्प साठी निविदा प्रक्रिया राबवलेली आहे. सदरील कामा करीता निविदा प्रक्रिया करारनाम्या पर्यंत पोहचलेली आहे परंतु सदरील नवीन निविदा प्रक्रिया राबवितांना अनेक गंभीर स्वरुपाचे चुका म.न.पा.विद्युत विभाग व प्रशासनने केलेले आहे. ज्याचा आर्थिक भुरदंड म.न.पा. च्या तिजोरीवर येवु शकतो.

मागील LED प्रकल्प मक्तेदार एम.आय.सी. कंपनी ला LED प्रकल्प मध्ये कार्यादेश देण्यात आलेला होता आणि या कंपनीने LED दिवे लावण्याचा काम सुरू ही केलेला होता. काही कारणास्तव एम.आय.सी. कंपनीकडुन म.न.पा. ने काम काढुन घेतले. एम.आय.सी. कंपनी नुकसान भरपाईसाठी मा. उच्च न्यायालयामध्ये अपीलाद्वारे दाद मागण्यासाठी गेलेली आहे. अद्याप मा.उच्च न्यायालयाचा या अपीला संदर्भात निर्णय येणे प्रलंबित आहे. या दरम्यान म.न.पा. विद्युत विभागाने नवीन LED प्रकल्प निविदा प्रक्रिया राबवुन करारनाम्या पर्यंत आणुन ठेवलेली आहे.

सदरील नवीन LED प्रकल्पाला स्थायी समिती मध्ये प्रस्तावीत करतांना प्रशासनाकडुन मागील न्यायालयीन प्रक्रिया बाबत स्थायी समितीला पुर्णपणे अंधारात ठेवण्यात आले होते. स्थायी समिती मध्ये आम्ही सदस्यांनी लोकांचे हित व शहराची गरज बघुन या प्रस्तावाला मंजुरी दिली होती. कालांतराने न्यायालयीन प्रक्रिया बाबत मला माहिती झाली आणि ही बाब अत्यंत गंभीर आहे हे लक्षात आल्यानंतर मी सदरील माझी हरकत नोंदवित आहे. जर या प्रकरणात एम.आय.सी. कंपनीच्या बाजुने मा.उच्च न्यायालयाचा निर्णय गेल्यास तर म.न.पा. ला मोठा आर्थिक भुरदंड सोसावा लागेल. यासाठी नवीन निविदा प्रक्रिया राबविणारे तत्कालीन आयुक्त, विद्युत विभागाचे अभियंता ज्यांनी नवीन प्रक्रियेला मंजुरी दिलेली आहे. त्यांना वैयक्तीक जवाबदार धरण्यात यावा. भविष्यात आर्थिक भुरदंड म.न.पा. च्या तिजोरीतुन न देता यांना वैयक्तीक जवाबदार धरून वसुल करण्यात यावा.

As per the terms of the RFP, the Successful Bidder (ie. TATA Projects Limited) has formed a Special Purpose Vehicle (SPV) with the name "TP LUMINAIRE PRIVATE LIMITED (M/s TP Luminaire Private Limited), to carry out the activities awarded under Letter of Award NMC/ELECMECH/OWF/238/2019 dated 06/03/2019(hereinafter called "the Concessionaire") by entering into the concession agreement with NMC.

As per the terms of the RFP, the **State Bank of India at Commercial Clients Group Branch, Door No 8-2-684/2/A, Anand Banjara Colony, Road No 12, Banjara Hills, Hyderabad – 500 034** (hereinafter referred to as 'Guarantor Bank') hereby agrees unequivocally, irrevocably and unconditionally to pay to NMC forthwith on demand in writing from NMC or any officer authorized by it in this behalf, an amount up to and not exceeding **Rs 8,25,00,000/- (Rupees Eight Crore Twenty Five Lakh Only)**, on behalf of M/s TP Luminaire Private Limited.

This guarantee shall be valid and binding on this Bank up to and including **June 25, 2020** and shall not be terminable by notice or any change in the constitution of the Bank or the changes in the term of contract or by any other reasons whatsoever. Our liability hereunder shall not be impaired or discharged by any extension of time or variations or alternations made, given or agreed with or without our knowledge or consent, by or between parties to the respective agreement.

WHEREAS:

a. Nashik Municipal Corporation (NMC) operates the street lighting infrastructure in the city of Nashik and wishes to enter into a Concession Agreement with the Concessionaire. The Concessionaire will undertake the work of replacement of existing street lights in the Pan City area of Nashik City, with energy efficient smart LED street lights, installation of control systems along with operation & maintenance for a Concession Agreement period of 7 Years 9 months and 15 days (the Project) including installation period of 9 months and 15 days (extendable by 3 months with prescribed penalty clause) and remaining for O&M and energy savings payment from the Effective Date. The concession period may be extended for next 3 years on the condition to maintain the minimum Performance criteria's as per the RFP based on mutual discussions after successful completion of 6 years of O&M duration
b. The Project area has approximately 80685 street light poles and about 92014 fixtures on the existing street light poles which were operated by 1840 switching points/ feeder panels.
c. The Concessionaire had submitted a bid in response to the request for proposal issued by NMC. During technical evaluation the concessionaire has successfully demonstrated the proof of Concept as per the mentioned criteria in the RFP of smart LED lamps & proposed CSLMS system which has met the technical specifications.
d. NMC has issued LoA no. 238 dated 06.03.2019 and concessionaire has submitted the requisite PBG of
Rs. 8,25,00,000/- (Rs. Eight crore twenty five lakhs only) issued by State Bank of India vide no. 1303919BG0000165.
e. NMC has invited the Concessionaire to enter into this Concession Agreement.
f. The following documents shall be deemed to form and be read and construed as part of this Concession Agreement.
    a. Conditions of Contract
    b. Scope of Services
    c. Technical Specifications of the Project
    d. Baseline energy consumption
    e. Format for weekly reporting of fixture replacement
    f. Service Level Agreement
    g. Letter of Award and
    h. Results of Live Demonstration
    i. All issued corrigenda and addenda

IN WITNESS WHEREOF, the Parties, intending to be legally bound, have caused this Concession Agreement to be executed on INR 500 stamp paper by their duly authorized representatives on 20th (twentieth) day of August, 2019.

NOW THEREFORE, the Parties agree as follows:

1. Definitions and interpretations

In this Concession Agreement (including the recitals and schedules), the following words and expressions have the following meanings:

Authority - Municipal Commissioner, acting on behalf of Nashik Municipal Corporation (NMC)

9229

Commissioning Certificate will be issued by NMC against the installation, verification and testing of all the proposed street light technologies and infrastructure along with CSLMS panels.

Consent - means any permit, approval, authorization, agreement, no objection certificate, waiver or license which is required to be obtained by the Concessionaire in order to perform the Services.

Concession Agreement – this energy saving performance contract entered into between NMC and the Concessionaire on the date hereof, including the recitals and schedules, as may be amended from time to time by the Parties.

Concession Agreement Officer – An officer who has been dully authorized on behalf of NMC

Concessionaire –The Selected Bidder who is responsible for design, build, financing, operate, maintain, monetize and transfer of the Project.

Concessionaire Representative - the person appointed by the Concessionaire to represent the Concessionaire and communicate with NMC.

Corrupt Act – the act of promising, giving, receiving, or agreeing to receive money or some other item of value with a corrupt aim, or perceived aim, of influencing a public official in the discharge of his official duties; and acts giving rise to criminal liability under Indian Laws

Day- Day means a calendar day

Delay Liquidated Damages - means an amount per week of delay calculated in accordance with Section VII of the RFP in the event the Services are not completed in accordance with the Timeline.

Effective Date – the date on which this Concession Agreement and all of its schedules are signed by the duly empowered representatives of all the Parties.

Energy Baseline - has the meaning given in clause 4.9 of RFP.

Energy Conservation Measures (ECSLMS) – the installation of new equipment, modification or alteration of the Existing Lighting Infrastructure by the Concessionaire at the Concessionaire's cost, in the city of Nashik, or revised operation and maintenance procedures to reduce energy and maintenance costs by improving efficiency of use.

Energy Savings - Energy savings is a reduction of energy consumption or electrical demand resulting from the Concessionaire's ECSLMS taking into considerations quality of power supply.

Engineer In charge – Nominated authorized person of NMC.

Existing Lighting Infrastructure - all NMC owned street lighting equipment and apparatuses, including, but not limited to, poles, cables, wires, lighting fixtures, fittings, ballasts, lamps, tubes, switching devices and timers within the Project Area.

Force Majeure Event - has the meaning given in clause 28 of this agreement.

Laws – all current or future applicable Indian laws, administrative regulations, local regulations, regulations on the exercise of autonomy, special regulations, rules, judicial interpretations and other regulatory documents with legal binding force or any compulsory requirement.

Lender – any agency/ person providing financing to the Concessionaire in relation to this Project.

Nodal Officer: Authorized representative representing the Office of Authority

Operation and Maintenance (O&M) – all the activities required for operating and maintaining the street lighting fixtures handed over to the Concessionaire within the Project Area including, but not limited to, those required for meeting the lighting standards specified in this Concession Agreement.

Performance security – has described in Clause 30 of this agreement.

Project – has the described given in the Recitals.

Project Area – has the described given in the Recitals.

Services – the services to be performed by the Concessionaire pursuant to this Concession Agreement and described in Section IV of the RFP.

Term – the period starting on the Effective date and ending after a period of 7 Years 9 months and 15 days from the Effective date, as may be extended in accordance with section 4 of RFP, or on the Termination Date, whichever is earlier The concession period may be extended for next 3 years on the condition to maintain the minimum Performance criteria's as per the RFP based on mutual discussions after successful completion of 6 years of O&M duration

Year- means the financial year beginning on the 1st day of April and ending on the 31stday of following March.

2. Interpretations

In this Concession Agreement, unless the context otherwise requires,

a) the words "include" and "including" are to be construed without limitation;
b) Energy Efficiency and EE will be used interchangeably in the document hereafter.
c) any reference to day, month or year shall mean a reference to a calendar day, calendar month or calendar year respectively;
d) the Schedules to this Concession Agreement form an integral part of this Concession Agreement as though they were expressly set out in the body of this Concession Agreement;
e) any reference at any time to any agreement, deed, instrument, license or document of any description shall be construed as reference to that agreement, deed, instrument, license or other document as executed, amended, varied, supplemented, modified or suspended at the time of such reference;
f) any agreement, consent, approval, authorization, notice, communication, information or report required under or pursuant to this Concession Agreement from or by any Party shall be

9230

valid and effectual only if it is in writing under the hands of duly authorized representative of such Party in this behalf and not otherwise;

g) any reference to any period commencing "from" a specified day or date and "till" or "until" a specified day or date shall include both such days or dates;

h) "person" shall be construed as a reference to any person, firm, company, corporation, society, trust, government, state or agency of a state or any association or partnership (whether or not having separate legal personality) of two or more of the above and a person shall be construed as including a reference to its successors, permitted transferees and permitted assigns in accordance with their respective interests;

i) The documents forming part of this Concession Agreement are to be taken as mutually explanatory to one another and, unless otherwise expressly provided elsewhere in this Concession Agreement, the priority of the following documents shall, in the event of any conflict between them, be in the order set out hereunder:
   - this Concession Agreement
   - all other documents forming part of this Concession Agreement

j) The tables of contents and any headings or sub-headings in this Concession Agreement have been inserted for ease of reference only and shall not affect the interpretation of this Concession Agreement.

3. Concession Agreement Documents

This Concession Agreement is the entire agreement between the Parties, and no alterations, changes or additions thereto shall be made, except in writing approved by the Parties.

4. Term and commencement

4. 1. Effective Date and Term

This Concession Agreement comes into effect on the Effective Date and expires after 7 Years 9 months and fifteen days from the Effective Date (the "Term"), unless terminated earlier pursuant to Clause_10 of this agreement or extended in accordance with clause 4.3 of this agreement.

4.2. Conditions Precedent

The Parties shall ensure that the following conditions are met as soon as possible following the Effective Date:

a. The Concessionaire has paid a fee in Indian Rupees equivalent to INR 85,00,000/- (Rupees Eighty five lakhs only) as an Earnest Money Deposit (submitted at the time of RFP stage). The same shall be returned by the Authority within 15 (fifteen) days of receipt of Performance Security of Rs. 8,25,00,000/- (Rupees Eight Crores Twenty Five Lakhs Only) from the Concessionaire.
b. NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills within 1 month of the signing of Energy Savings and Performance Contract (ESPC)
c. NMC shall provide the Concessionaire with an authorization letter granting the Concessionaire the access to the Existing Lighting Facilities/infrastructure.

9132

4.3. Extension of Term

NMC on receiving request from the Concessionaire may at its discretion, permit extension of time for execution of the Concession Agreement. The Concession Agreement Period would be 7 Years 9 months and 15 days including implementation period of 30 days of Survey + 8.5 months of installation (extendable by 3 months with prescribed penalty) and remaining for O&M and energy savings payment. After the end date of Concession Agreement, the Concessionaire will not be eligible for any payment except the pending payment of contract duration. The concession period may be extended for next 3 years on the condition to maintain the minimum Performance criteria's as per the RFP based on mutual discussions after successful completion of 6 years of O&M duration

5. Services

5.1. Scope of Services

Without prejudice to any other provision of this Concession Agreement, the Concessionaire shall carry out the Services set out in Section 4 of RFP within the Project Area and undertake the other obligations to be performed by the Concessionaire as further described in this Concession Agreement from the Effective date and until the end of the Term.

5.2. Extension of the Scope of Services

In view of the continuous development of the city, the Concessionaire may be asked to install additional street lights and CSLMS panels and connect the same to overall CSLMS system. In case of such additions after commissioning of the project, the Concessionaire needs to provide fixture capex and cost for O&M per year wattage wise as per asked in the financial format.

Undertakings

The Concessionaire undertakes the following:

a) The provision of the Services shall not contravene any Law of the Country and shall comply with all Laws;
b) The Concessionaire shall perform and complete the Services in a professional, timely, safe and environmentally responsible manner and comply with the safety, health and security regulations in force in India and the State of Maharashtra;
c) The Concessionaire shall use appropriate, advanced and proven technology, software and information systems; and
d) The Concessionaire shall carry out its obligations under this Concession Agreement in a manner which is consistent with Indian standards, international best practices, methods, techniques, skills, diligence and prudence which are generally expected from a Concessionaire with similar obligations.

6. NMC's Responsibilities

6. 1. Access

9L3r

NMC shall be responsible for providing the Concessionaire with, free of charge, on and from the Effective Date, access to all the information and data with regards to, the Existing Lighting Infrastructure and all land in the Project Area whose access is required for the performance of Services and in respect of which NMC has control. Access to the Existing Lighting Infrastructure and the land within the Project Area shall confer on the Concessionaire a right to only use the Existing Lighting Infrastructure and the land necessary to enable the Concessionaire to carry out the Services.

The Concessionaire will be provided with a small place in each zone with basic infrastructure where the Concessionaire will make available a person with amenities like computer, printer, phone, complaint register, etc. during working shift timings to register complaints regarding street lighting. These complaint handling centers will be connected to NMC's existing Complaint Management System and such centers should become fully operational within 30 days of allocation of such space by Authority.

If NMC removes any particular pole or fixture after commissioning, the Concessionaire shall be entitled for the Energy Savings Fee that would have arisen out of the energy savings pertaining for such fixture for the remaining life of the Project. If access to any particular pole or fixture is not provided by NMC to the Concessionaire during O&M phase; the Concessionaire shall be entitled to the Energy Savings Fee for the fixtures that would have arisen out of the energy savings pertaining to such fixtures for the amount of time when access was not provided.

6.2. Assistance to Concessionaire

If requested by the Concessionaire, NMC shall facilitate the Concessionaire in a timely and expeditious manner with the following:

a. Obtaining all the consents necessary for the Services (excluding the qualifications that the Concessionaire should already possess) such as construction permits, permits for temporary suspension of water, power or traffic, etc.
b. Protecting underground pipelines, buildings and structures (including historic relics) and trees located on or close to the Project Area
c. Consulting with the Concessionaire if any construction or installation project implemented by NMC or other local public entity in the city of Nashik may have direct or indirect impact on the Concessionaire
d. Obtaining MSEDCL's full cooperation during the Term of the Concession Agreement.

However, the Concessionaire has to arrange all the machineries and equipment required for the implementation of the project at its own expense. Also the Concessionaire shall procure at their sole expenses all permits and licenses and pay all charges and fees for lawful execution of the work.

6.3 Lux level measurements

At random during project operation, NMC official shall ask Concessionaire to demonstrate the lux level of operating LED fixture to check compliance with the data recorded during live demonstration. Under such case, Concessionaire will have to install the LED fixture at the site of live demonstration and verify the lux level. If, during such test it is found that lux level has fallen below the minimum required average lux level and uniformity ratio, Concessionaire at its own cost will have to replace all the LED fixtures with similar wattage as per the direction of Engineer In charge. Also, the average

9236

lux level and uniformity ratio measured, for the existing street light fixture, during the live demonstration will be binding throughout the project term.

6.4 Operation and maintenance

NMC shall be responsible for the O&M of all the identified switching points and street lighting fixtures until the same are handed over to the Concessionaire.

The Concessionaire's Responsibilities

7.1. Energy Baseline Determination

NMC has provided a snapshot of energy consumption baseline conditions of street lighting under its jurisdiction in clause 4.9 of the RFP. Assuming 100% of the street lights are in operation and the average operating hours of the street lights is 11 hours/ day.

The baseline defined in clause 4.9 of the RFP is for existing condition of street lighting system in Nashik. However, actual baseline during the installation period (i.e. from the start of project to complete installation) may vary by ± 15% in terms of number of light points as well as electricity consumption. The Concessionaire may be asked by NMC to install/ uninstall light points during the time of implementation and subsequently, the baseline will be modified on the completion of installation of LED lights. This modified baseline will be considered for assessment of energy savings throughout the concession period for verifying the actual saving.

The Concessionaire, immediately from the Effective date, shall undertake field survey of street lighting systems to identify the fixtures for replacement. The Concessionaire has to perform this task in parallel to other activities and no additional time will be provided for this activity.

7.2. Services

The Concessionaire shall execute the services to be provided in accordance with scope of work.

7.3. Timeline for implementation of the project

The Services to be performed by the Concessionaire has been classified into two tasks.

The Concessionaire has to adhere to the stipulated timelines as mentioned hereunder:

Survey Period: - 30 days Implementation Period: - 8.5 months O&M Period: - 7 Years

Task 1: Replacement of existing luminaires (within municipal boundary of Nashik Municipal Corporation) with LED luminaires (including LED lamp, driver and Luminaire) and installation of (CSLMS) – This activity shall be completed within 9(nine) months and (fifteen) 15 days from the date of signing of this Concession Agreement.

Task 2: Undertake comprehensive operation and maintenance of street lighting network – This activity shall commence from the date of issue of satisfactory Installation, Testing and Commissioning certificate of all LED Street lights from Engineer-in-charge (i.e. only after complete installation in

any particular zone) and shall continue for 7 (seven) consecutive years from the date of completion of Task 1.

7.4. Extension of Implementation Timeline

Notwithstanding the clause 4.3 of this Contract, if the Concessionaire does not have access to part or the whole of the Existing Lighting Infrastructure for any reason, including, but not limited, to a Force Majeure Event (as defined in clause 28 of this agreement) for any period of time during the Term, then the Concessionaire shall be excused from the performance or punctual performance of its obligations under this Concession Agreement for such period of time when the Concessionaire does not have access to all the Existing Lighting Infrastructure in the Project Area. Also, the timeline shall be extended for an equal period of time during which the Concessionaire didn't have access to all the existing Lighting Infrastructure.

.

7.5 Safety: Concessionaire has to take adequate measures for electrical safety of the systems.

Once the street light to system is handed over to Concessionaire, up to the end of the Concession period, Concessionaire will be solely responsible for any type of electrical accident (Fatal/non-fatal) and related legal and financial Consequence responsibilities shall be borne by Concessionaire.

8. Asset Ownership

8.1. Existing lighting fixtures

NMC shall at all times during the Concession Agreement period remain the owner of the land and the existing lighting infrastructure under its jurisdiction.

The Concessionaire will not be held liable for lighting infrastructure existing prior to the date of commissioning of LED luminaires and CSLMS panels or arising from any event or circumstance that occurred prior to the date of commissioning.

The Concessionaire shall ensure the proper recording of the dismantled conventional fixtures, as per format attached at Annexure V, to office of Authority at least on weekly basis.

8.2. Newly installed equipment and systems

The Concessionaire shall remain the owner of the LED luminaires and CSLMS panels installed by it during the term. The Concessionaire shall undertake all the procurement of equipment and services necessary for the Project. This LED luminaires and CSLMS panels installed by Authority under this contract shall be free of any lien and should have paid all applicable taxes. At the end of the Term, the Concessionaire shall submit to Authority a list of all the equipment, fittings or other items that were replaced during the Terms.

The essence of this Concession Agreement is to keep all the street lights 'ON' and as such any non-functioning of street light fixtures/feeder panels/poles will be adversely reflected on the performance of the Concessionaire. Hence it will be in the interest of the Concessionaire to identify & attend to the

9100

faults & keep the lights 'ON' in a safe manner. The Concessionaire should employ only qualified and experienced personnel, use proper instruments, take adequate precautions, use good quality material, have proper supervision and maintain proper complaint management and public relations.
The Concessionaire should monitor the electrical load on each phase and each circuit in the panel & also maintain load balance equally on all the phases. He should never allow any circuit to be overloaded.

The material used for the work shall be new & of best quality available and work should be carried out with best workmanship. The material used and works carried out shall conform to the relevant Electricity Act 2003 as amended and rules of Bureau of Indian standards.

At the expiry of the Term/termination of the concession agreement, all rights and titles to, and interests in, all improvements and equipment constructed or systems installed shall be vested in NMC, free and clear of all and any liens and encumbrances created or caused by the Concessionaire. The Concessionaire shall surrender possession of the LED luminaires and CSLMS panels, along with CSLMS bill of material, to NMC.

10. Termination

10.1. Termination events
This Concession Agreement shall terminate:
a. due to a Force Majeure Event in accordance with clause 28;
b. due to a NMC/ Event of Default in accordance with clause 11 and
c. due to a Concessionaire Event of Default in accordance with clause 12;

11. NMC Event of Default

The following events, provided that they are not caused by a Concessionaire Event of Default or a Force Majeure Event and are not cured within sixty (60) days following the issuance of a notice from the Concessionaire, shall constitute a "NMC Event of Default" and the Concessionaire shall be entitled to terminate this Concession Agreement:

a) NMC fails to deposit monthly electricity bill or any other payment in the Escrow Account, for more than 1 months from its collection;

12. Concessionaire Event of Default

The following events, provided that they are not caused by a NMC or a Force Majeure Event and are not cured within sixty (60) days or within specified timelines, following the issuance of a notice from NMC, shall constitute a "Concessionaire Event of Default" and Authority shall be entitled to terminate this Concession Agreement:

a) The Concessionaire made any representation or warranty that was incorrect when made in the bid or during the Concession Period;
b) Liquidation or insolvency of the Concessionaire
c) Transferring the Services in violation of this Concession Agreement;
d) The Concessionaire has been convicted of a fraud and corrupt practices ;
e) The Concessionaire is in material breach of any of its obligations under this Concession Agreement;

9182

Agreement;

f) NMC or Authority determines that the Concessionaire has, directly or indirectly, engaged in corrupt practices, fraudulent practices, coercive practices, undesirable practices or restrictive practices during the bidding process for this Project; and
g) The Concessionaire's failure to pay the Delay Liquidated Damages as per Section VII of the RFP.

Notwithstanding the above provisions, failure by the Concessionaire to issue monthly reports, daily reports and annual electrical safety energy audit report in accordance with clause_31 of this Concessionaire agreement shall automatically constitute a Concessionaire Event of Default without having to wait for the end of the sixty (60) days cure period.

13. Termination Procedure

13.1 Termination of this Concession Agreement by Authority

Authority may terminate this Concession Agreement by giving a termination notice to the Concessionaire if a Concessionaire Event of Default has occurred and continued for more than sixty (60) days or within specified timelines after Authority notified the Concessionaire of such Concessionaire Event of Default.

13.2 Termination of this Concession Agreement by Concessionaire

The Concessionaire may terminate this Concession Agreement by giving a termination notice to Authority if a NMC/ Authority Event of Default has occurred and continued for more than sixty (60) days after Authority has received a notice from the Concessionaire mentioning the Authority Event of Default and requesting Authority to remedy such Authority Event of Default.

14. Termination Payments

14.1 In Case of Force Majeure Event

Post the Force Majeure Event, the parties will have two options:

(a) Continuation of the Contract: After a Force Majeure event, both parties may mutually agree for continuation of the Contract. The Concessionaire shall have the right to two remedies under this option. 1) Recovery of costs of damaged assets through insurance claim, and, 2) equal sharing of costs of restoration of damaged assets between the Authority and the Concessionaire as duly certified by a reputed auditor appointed by the Authority. No additional compensation may be payable by the Authority on any account including loss of income.

(b) Termination of the Contract: After a Force Majeure event, both parties may mutually agree r termination of the Contract. Both parties shall have the right to a remedy under this option. 1) Equal sharing of the recovery of costs of damaged assets through insurance claim, and, 2) payment of 50% of the Book value of the surviving assets by the Authority to the Concessionaire as duly certified by a reputed auditor appointed by the Authority. The Concessionaire agrees and undertakes to transfer the title and ownership of the assets including the equipment constructed or systems installed up to the Termination Date, utilized by it for provisioning of Services under this Agreement within a period

of 30 days. No additional compensation may be payable by the Authority on any account including loss of income.

14.2 In case of Concessionaire Event of Default

If transfer of Assets happens before the expiry of term due to a Concessionaire Event of Default, then no payment will made to Concessionaire and all the equipment constructed or systems installed by Concessionaire up to the Termination Date will be forfeited.

14.3 In case of NMC's Event of Default

(a) If transfer of Assets happens before the expiry of term due to a NMC Event of Default, the Authority shall pay the Concessionaire 100 percent of the book value in relation to such assets including the equipment constructed or systems installed up to the Termination Date, as duly certified by a reputed auditor appointed by the Authority.

15. Transfer

Minimum six (6) months before the end of Authorisation Period, the Parties shall discuss whether this Concession Agreement shall be renewed or not. If the Parties decide not to renew the Concession Agreement, then all the then Existing Lighting Infrastructure as may have been upgraded and maintained by the Concessionaire shall be transferred to NMC free of charge on the day immediately following the end of the Term.

During the Exit Management Period, the Concessionaire will transfer all the assets in normal working condition and as per the specifications of the clause 33 of this Concession agreement including the ones being upgraded.

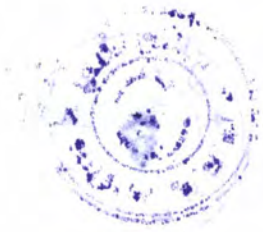
The Concessionaire, if not already done, shall transfer all the right to use software licenses under the name of NMC during the Exit Management Period. The Concessionaire shall also transfer all the relevant Software Passwords, User Names and Keys. If such a transfer of Assets happens before the expiry of term, Parties shall mutually discuss and agree on the Assets together with the termination and transfer assistance fee.

The Concessionaire shall be entitled to use the Assets for the duration of the exit management period which shall be three months from the date of expiry or notice of termination of the Agreement.

For any material breach on the part of Concessionaire during the Project Implementation Phase and Operation & Management Phase, NMC is entitled to provide notice in writing on the Concessionaire at any time during the exit management period as detailed here in above requiring the selected Concessionaire to provide the department or its nominated agencies with a complete and up to date list of the Assets within 30 days of such notice.

16. Employees and training

NMC shall remain the principal employer of the Nashik Municipal Corporation employees working for the street lighting department. Such employees may or may not, at the Concessionaire's sole discretion, be seconded to the Concessionaire for a specific duration and under terms and conditions



3476

to be agreed upon between the Parties. The Concessionaire has no obligation to employ directly or indirectly any municipal employees.

The Concessionaire will organize training program at NMC office wherein the Concessionaire will train the employees of NMC on any day within one month of the date of commissioning and on any day within last quarter of end of Concession Agreement period on the operation, maintenance and repair of the equipment and systems installed by the Concessionaire

The Concessionaire's personnel, representatives or other members of the Consortium shall be under the complete control of the Concessionaire and shall not be deemed to be employees of NMC in any case.

17. Delay liquidated damages

Where the Concessionaire fails to complete the Services within the Timeline provided under clause 7.3 and 7.4 of this agreement, Authority shall be entitled to apply Delay Liquidated Damages as per Section VII.

18. Limitation of Liability

Neither NMC nor the Concessionaire shall be liable to the other under this Concession Agreement for any loss of profit, loss of revenue or any other indirect or consequential damages that may be suffered by the other Party unless otherwise specified in this Concession Agreement.

Unless this Concession Agreement provides otherwise, no approval, expression of satisfaction, comment, review, payment or certificate whatsoever made or given (or any failure to make or give the same) by NMC/Authority its employees under this Concession Agreement, shall relieve the Concessionaire of any of its obligations, risks or liabilities under this Concession Agreement.

19. Third party claims
19.1 Indemnification

The Concessionaire shall indemnify and hold NMC and Authority and its employees harmless from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs and expenses of whatsoever nature, including attorney's fees and expenses, that arise in connection with the execution of the Services due to the negligence or wilful misconduct of the Concessionaire, any Sub Concessionaire or their employees, in respect of the following:

a) the death or injury of any person;
b) loss or damage to any property, real or personal; and
c) Third party losses and claims.

19.2. Handling of Claims

If any proceedings are brought or any claim is made against NMC or Authority in relation to the performance of the Services by the Concessionaire, or any of its employees, NMC or Authority shall promptly notify the Concessionaire and set out full particulars of the claim. The Concessionaire shall

9282

conduct such proceedings or claims and any negotiations for the settlement of any such proceedings or claims at its own expense and on behalf of NMC or Authority and with Authority's assistance.

20. Settlement of disputes 20. 1 Consultation

Both Parties must agree that in the event any dispute, controversy or claim arising between the Parties out of, under or in connection with this Concession Agreement, or in the interpretation of any of its provisions, including any question regarding its existence, validity or termination, the Parties shall meet promptly on the request of either Party in an effort to resolve such dispute, controversy or claim through consultation in an amicable manner. If a settlement is not reached then the matter shall be referred to NMC, Nashik for seeking their advice. Pursuant to this clause within thirty (30) days of the said request, the Parties shall refer their dispute to Arbitration.

20.2 Arbitration

Any dispute or difference whatsoever arising between the Parties to this Contract arising out of or relating to the meaning, scope, operation or effect of this Contract or the validity of the breach thereof shall be referred to a sole Arbitrator i.e. "The Commissioner of NMC". The provisions of the Arbitration and Conciliation Act, 1996 as amended will be applicable and the Award made there under shall be final and binding upon the parties hereto, subject to legal remedies available under the law. The Arbitration proceedings will be held at Nashik Municipal Corporation, Nashik, India. The language of the Arbitration proceedings and that of all documents and communications between the Parties shall be in English. All Arbitration Awards shall be in writing and shall state the reasons for the award.

21. Taxes and duties

Concessionaires shall not be paid any extra amount due to increase in any type of Government Taxes including excise duty during implementation of Concession Agreement. Any variations in taxes shall be borne by the Concessionaire. The provisions of this Article shall survive the termination or expiry of this Concession Agreement.

22. Confidentiality

The Parties shall treat as confidential the existence and contents of this Concession Agreement (including its Schedules), all the information and documents obtained in relation to this Concession Agreement, the Services, as well as all other aspects of the Project contemplated under this Concession Agreement. The duration of the confidentiality obligation shall last for two (2) years following the end of the Term.

The above clause shall not apply in following cases:

a) Information already published or otherwise publicly available;
b) Information already obtained by one Party in a manner which does not breach a confidentiality obligation;
c) Information obtained from a third party in a manner which does not breach a confidentiality obligation;
d) Information required to be disclosed in accordance with Indian Laws; and
e) Information disclosed for the purpose of the performance by either Party of its obligations under this Concession Agreement.

9240

23. Notice

23. 1 Notice

Any notice under this Concession Agreement shall be in writing and in English, and shall be delivered in person or sent by registered post, fax or email to the following addresses: For Authority: Engineer in-Charge (Electrical), Electrical Department, Third Floor, Nashik Municipal Corporation, Rajiv Gandhi Bhavan, Sharanpur Road, Nashik.

For Concessionaire: Ravishankar Chandrasekaran, Director, TP Luminaire Private Limited,
One Boulevard, 3rd Floor, Lake Boulevard Road, Hiranandani Business Park, Powai , Mumbai 400076

23.2 Change of Information

Should either Party need to change its contact information, it shall inform the other Party in writing fifteen (15) days in advance. The change takes effect immediately upon receipt of such notice by the other Party.

24. Insurance

The Concessionaire shall at all times, as may be applicable, obtain, maintain and renew those insurance covers required in relation to people, equipment, systems as well as third party damages in accordance with applicable laws. In particular, the Concessionaire shall maintain an insurance coverage against the risk of damage by fire or otherwise of Concessionaire-owned and installed equipment and systems until the title to the equipment and systems passes on to the Authority upon expiry of the Term.

The goods supplied under the Concession Agreement shall be fully insured in Indian Rupees against loss or damage incidental to manufacture or acquisition, transportation, storage, delivery, completion of installation and commissioning. For delivery of goods at site, the insurance shall be obtained by the Concessionaire, for an amount not less than the price of the goods from "warehouse to warehouse" (final destinations) on "all risks" basis including war risks, strikes and Force Majeure Events.

25. Representations and warranties

25.1 The Concessionaire's Representations and Warranties

The Concessionaire represents and warrants to NMC that:

a) The Concessionaire is an independent company duly incorporated, validly existing and of good standing under Indian Laws;
b) The Concessionaire is financially solvent, is able to pay its debts as they mature, and has sufficient capital and resources to complete its obligations under this Concession Agreement;
c) The Concessionaire is not a party to any legal, administrative, arbitral, investigation or other proceedings or controversy, pending or (to the best of the Concessionaire's knowledge) threatened, that would adversely affect its ability to perform its rights and obligations under this

9242

Concession Agreement;

d) Without NMC's or Authority's written permission, the Concessionaire shall not engage in any related activities in the city of Nashik that may impinge upon this Project, other than the Services;
e) The execution and performance of this Concession Agreement will not result in a breach or violation of, or constitute a default under, any agreement to which the Concessionaire is a party; and
f) The execution and performance of this Concession Agreement has been duly authorized, and this Concession Agreement has been duly executed by the signatories and constitutes a legal valid and binding obligation.

25.2 Authority's Representations and Warranties

Authority represents and warrants to the Concessionaire that:

a) Authority has the power and authority to enter into and perform its obligations under this Concession Agreement;
b) The execution of this Concession Agreement will not result in a breach or violation of or constitute a default under any agreement to which it is a party.

26. Representatives

26.1. Authority's representative

Authority may from time to time replace its Representative by notifying the Concessionaire (to be effective upon receipt by the Concessionaire).

The Authority Representative shall have full authority and power to represent and act for Authority at all times during the Term. All notices, instructions, orders, certificates, approvals and all other communications under this Concession Agreement shall be given by, and to, the Authority Representative unless Authority notifies the Concessionaire otherwise.

26.2 The Concessionaire's Representative

The Concessionaire Representative shall have full authority and power to represent and act on behalf of the Concessionaire at all times during the Term, including for sending or receiving notices, instructions, information and all other communication in relation to this Concession Agreement.

The Concessionaire shall not revoke the appointment of the Concessionaire Representative without notifying Authority of the new Concessionaire Representative.

27. Governing Law and Language

27. 2 Governing Law

This Concession Agreement is governed by and construed in accordance with the Laws of India and the State of Maharashtra.

9248

27.3 Language

This Concession Agreement is written in the English language. All communications and information provided should be in writing and in the English language only.

28. Force Majeure

A "Force Majeure Event" shall mean any event or combination of events occurring inside or directly involving the city of Nashik that is beyond the reasonable control of Authority or the Concessionaire, as the case may be, occurring or subsisting after the Effective Date and which (or the effects of which) is unavoidable, notwithstanding the reasonable care of the Party affected, including, in the case of the Concessionaire, any Sub Concessionaire, and, in the case of the Concessionaire only, such event(s) could not have been foreseen by an experienced Concessionaire, or to the extent that the event(s) could have been foreseen by an experienced Concessionaire, such Concessionaire could not have reasonably mitigated against the effects of such events. Such Force Majeure Events include, but are not limited to:

a) War (whether declared or undeclared), invasion, armed conflict or act of foreign enemy;
b) Rebellion, sabotage, act of terrorism, revolution, insurrection, civil war or epidemic (excluding vandalism);
c) Lightning, earthquake, flood, hurricane, typhoon, tornado or volcanic activity.

Such events cannot be caused or contributed to by an act or omission of the Party relying on it or persons for whom that Party is responsible.

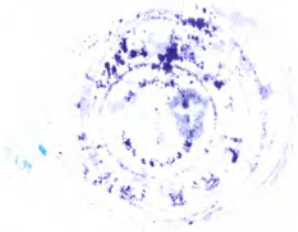
If either Party is prevented, hindered or delayed from performing any of its obligations under this Concession Agreement by a Force Majeure Event, then it shall notify the other Party in writing of the occurrence of such event and the circumstances thereof within fourteen (14) days after the occurrence of such event.

The Party who has given such notice shall be excused from the performance or punctual performance of its obligations under this Concession Agreement for so long as the relevant Force Majeure Event continues and to the extent that such Party's performance is prevented, hindered or delayed. The Party or Parties affected by the Force Majeure Event shall use reasonable efforts to mitigate the effects thereof upon its/their performance of this Concession Agreement and to fulfil its/their obligations under this Concession Agreement, but without prejudice to either Party's right to terminate this Concession Agreement.

No delay or non-performance by either Party caused by the occurrence of any Force Majeure Event shall:

a) constitute a breach under this Concession Agreement;
b) extend the Term; or
c) Give rise to any claim for damages or additional cost or expenses occasioned thereby.

If the performance of the Services is substantially prevented, hindered or delayed for more than one hundred and twenty (120) consecutive days on account of one or more Force Majeure Events during the Term, either Party may terminate this Concession Agreement by giving a notice to the other. If this Concession Agreement is terminated pursuant to this clause, NMC shall pay to the Concessionaire the part of the Energy Savings Fee payable for the Energy Savings performed prior to the Termination Date and the part of the O&M Fee payable for the operation and maintenance services performed prior to the Termination Date. The Concessionaire shall not be entitled to any further compensation.



3576

Notwithstanding this clause, Force Majeure Events shall not apply to any NMC's or Authority's obligation to make payments to the Concessionaire hereunder.

29. Material Adverse Government Action

A "Material Adverse Government Action" ("MAGA") shall mean any act or omission, after the Effective Date, by NMC or Authority or any other public entity, which has a Material Adverse Effect.

A MAGA shall include the following circumstances:

a) Any imposition or change of Law that is directly targeted at the Project and/or projects similar to the Project and/or that is discriminatory against the Concessionaire.
b) Any imposition or change of Law of an environmental or technical nature which would have the effect of making the Laws more stringent than the Law in force at the Effective Date
c) Expropriation or compulsory acquisition, or seizure of the Existing Lighting Infrastructure by a public entity with respect to substantially the same subject matter

d) Any material breach by Authority of its obligations, including, but not limited to, failure to supply electricity within the whole or part of the Project

e) Any regulator's decision having the effect of decreasing the Concessionaire's remuneration under this Concession Agreement.

Within 30 days of notice to Authority of a MAGA, Authority shall procure the remedy of the MAGA in question. Should Authority fail to procure a remedy prior to the expiry of 30 day period, the Parties shall discuss the issue in an attempt to reach a mutually satisfactory solution that restores the Concessionaire to the position it would have been in had such MAGA not occurred (including compensation for costs and loss of profits). If the Parties fail to reach an agreement on a satisfactory solution, the Concessionaire shall have the right to terminate this Concession Agreement.

The Concessionaire shall not be excused for performing its obligations under this Concession Agreement upon the occurrence of a MAGA, unless the Material Adverse Effect caused the Concessionaire to fail to perform its obligations.

30. Performance Security

30.1. Performance Security

The Concessionaire shall deliver to NMC a duly executed performance bond in the form of bank guarantee in the format set out in Annexure VI issued by a Nationalized/ scheduled commercial Bank having a branch at Nashik city, of an amount Rs. 8,25,00,000/-("Performance Bank Guarantee"). The PBG as per RFP needs to be submitted only for the period of 100% installation + six months. If there is delay in 100% installation, then BG needs to be extended accordingly. One time PBG for O&M amounting to Rs. 2,00,00,000 (Rupees Two Crores only) shall be submitted separately for the duration of O&M period. PBG for O&M needs to be submitted before the release of PBG meant for installation period. The Performance Bank Guarantee for installation works shall be returned to concessionaire after 100% installation + six months and any delay in installation. The Performance Bank Guarantee for O&M work shall be returned to the Concessionaire after the expiry of the Term.

9292

Authority shall invoke Performance Security in case the Concessionaire fails to discharge their Concession Agreement obligations during the period or Authority incurs any loss due to Concessionaire's negligence in carrying out the project implementation as per the agreed terms & conditions.

The Performance Bank Guarantee shall secure the proper and timely performance of the Concessionaire's obligations as from the Effective date until the end of the Term, including the payment of Delay Liquidated Damages pursuant to clause 17 of the Contract. In case the performance Bank Guarantee is partly encashed on account of Liquidated Damages, the Concessionaire shall provide a fresh Bank Guarantee for such encashed amount within 15 days of notice of encashment served by NMC to it so that the overall amount of Performance Bank Guarantee(s) shall remain for the original complete amount at all times. In case the Concessionaire doesn't maintain the required PBG amount then same shall be recovered from his share (energy saving) from escrow account.

All fees, taxes, costs and expenses associated with procuring, preparing, completing and stamping (if applicable) the Performance Bank Guarantee shall be the responsibility of and paid by the Concessionaire.

30.2 Notice

Authority shall, prior to making any demand under the Performance Bank Guarantee, send a written notice to the Concessionaire mentioning the existence of a Concessionaire Event of Default and providing a cure period of fifteen (15) days. If the Concessionaire does not remedy its Concessionaire Event of Default within these fifteen (15) days, then Authority shall be entitled to call part or full, as relevant, of the Performance Bank Guarantee.

30.3 Replacement

Where the Performance Bank Guarantee is subject, pursuant to its terms, to a fixed expiry date, the Concessionaire shall, not less than thirty (15) days prior to such expiry date, amend or replace the Performance Bank Guarantee, as the case may be, with a duly executed amended or replacement guarantee. Any replacement Performance Security must be issued for at least one (1) year by any Scheduled Bank having a branch at Nashik city, and should be on identical terms as original Guarantee issued. If the Concessionaire fails to provide an amended or replacement Performance Bank Guarantee as required, Authority may issue a demand under the Performance Bank Guarantee for the full amount available and shall be entitled to hold such amount as security for the performance of the Concessionaire's obligations under this Concession Agreement until a replacement Performance Bank Guarantee is provided (whereupon such amounts shall be returned to the Concessionaire without any obligation to account for interest).

If the Concessionaire is unable to provide new Performance Bank Guarantee for a period of more than a month from its expiry date, the Authority has the right to terminate the Concession Agreement.

31. Reporting

During the Term, the Concessionaire shall provide monthly reports to Authority with a separate copy to NMC about the following matters:

a) Energy saving report including CSLMS data
b) Operation and maintenance services;

c) Load reduction
d) Update on the assets;
e) Any other relevant as said by NMC or Authority.

If the Concessionaire does not issue monthly reports within ten (10) days of the end of the relevant month for any three (3) consecutive months or there is major false information in more than three (3) reports during the Term of the Concession Agreement, this breach shall constitute a Concessionaire Event of Default.

32. Miscellaneous

32. 1 Assignment
Neither NMC or Authority nor the Concessionaire shall without the expressed written consent of the other Party assign or charge to any third party this Concession Agreement or any part thereof, or any right, benefit, obligation or interest therein or thereunder.

32.2 Entire Agreement
This Concession Agreement constitutes the entire agreement between the Parties, and no alterations, changes or additions thereto shall be made, except in writing and approved by both Parties. This Concession Agreement supersedes all communication, negotiations and agreements (whether written or oral) between the Parties made prior to the Effective Date with respect to the Services.

32.3 Amendments
Any amendment, addition or variation to this Concession Agreement shall be valid and binding only if in writing and only if signed by the authorized representatives of both Parties.

32.4 Severability
Should any provisions in this Concession Agreement be invalid, illegal or unenforceable or be held invalid, illegal or unenforceable by any competent tribunal or court, the remaining provisions of this Concession Agreement shall remain valid and enforceable.

32.5 No Partnership
This Concession Agreement does not constitute a joint operation or partnership in the legal sense between the Parties. The Concessionaire is a service provider to Authority.

33. Exit Management

33. 1 Purpose

i. This clause sets out the provisions which shall apply on expiry or termination of the "Contract Agreement" on account of material breach by Concessionaire. In the case of termination of the Contract Agreement due to any illegal activity performed by the selected Concessionaire during/ as part of the activities related to the project, or due to material breach by the Concessionaire of Contract, NMC shall have the right to, at its sole discretion, apply this clause.
ii. The Parties shall ensure that their respective associated entities, in case of NMC or its nominated agencies and any nominated agencies in case of the selected Concessionaire, carry out their respective obligations set out in this Exit Management Clause.

9L22

33.2 Transfer of Assets

This clause is valid till the date of expiry or notice of termination of the Agreement after which the assets have to be transferred to NMC.

- During this period, the Concessionaire will transfer all the assets in normal working condition and as per the specifications of the bidding document including the ones being upgraded to NMC. The Concessionaire, if not already done, shall transfer all the right to use software licenses under the name of NMC during the Exit Management Period. The Concessionaire shall also transfer all the relevant Software Passwords, User Names and Keys. If such a transfer of Assets happens before the expiry of Work Contract Period, Parties shall mutually discuss and agree on the Assets together with the termination and transfer assistance fee.
- The Concessionaire shall be entitled to use the Assets for the duration of the exit management period which shall be three months from the date of expiry or notice of termination of the Agreement.
- For any material breach on the part of Concessionaire during the Project Implementation Phase and Operation & Management Phase, NMC is entitled to provide notice in writing on the selected Concessionaire at any time during the exit management period as detailed here in above requiring the selected Concessionaire to provide the department or its nominated agencies with a complete and up to date list of the Assets within 30 days of such notice.

Upon service of a notice as mentioned in point above, the following provisions shall apply:

- All risk in and title to the Assets to be transferred to NMC on the last day of the exit management period. All expenses incurred during transfer of assets shall be borne by the Successful Concessionaire.
- That on the expiry of this clause, the Successful Concessionaire and any individual assigned for the performance of the services under this clause must hand overall Confidential Information and all other related materials in its possession, including all the software and hardware supplied by selected Concessionaire under this clause to the department.
- As Concessionaire is supposed to provide comprehensive maintenance of all the hardware/Software as detailed in RFP during the concession period, Concessionaire must ensure that all the items are in working condition with support of OEM related to repair/replacement/availability of spare parts for at least 03 years at the time of exit.
- From the first day of last month of the concession period, testing phase of overall system installed by the Concessionaire will be started in phases so that all the equipment are proved to be in working conditions and handed over to NMC on the last date of the concession period and before issuing completion certificate and PBG.

33.3 Cooperation and Provision of Information

During the exit management period:

a) The Concessionaire shall permit NMC or its nominated agencies access to information reasonably required to classify the current mode of operation related with the provision of the services to enable it to assess the existing services being delivered.
b) In the event of there being a termination owing to material breach by Concessionaire, on quick request by NMC or its nominated agencies, the selected Concessionaire shall provide access

9237

to and copies of all information held or controlled by it which it has prepared or maintained in accordance with the Concession Agreement. The Project Implementation, the Operation and Management SLA and SoW (Scope of Work) relating to any material aspect of the services (whether provided by the selected Concessionaire). NMC or its nominated agencies shall be entitled to copy all such information. Such information shall include details pertaining to the services rendered and other performance data. The selected Concessionaire shall permit NMC or its nominated agencies and/or any entity nominated by NMC to have reasonable access to it employees and facilities as reasonably required to understand the methods of delivery of the services employed by the selected Concessionaire and to support appropriate knowledge transfer.

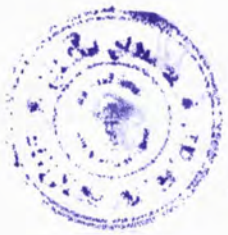
33.4 Confidential Information, Security and Data

- The selected Concessionaire shall be quick on the commencement of the exit management period and supply to NMC the following:

    - Information relating to the present services provided and customer satisfaction surveys.
    - Documentation pertaining to Project related data and confidential information.
    - All current and updated data as is needed for purposes of NMC or its nominated agencies for transitioning the services either to NMC or the entity nominated by NMC.
    - All other information (including but not limited to documents, records and agreements) relating to the services reasonably compulsory to enable NMC or its nominated agencies, or to the entity nominated by NMC to carry out due diligence in order to transition the provision of the Services to NMC or its nominated agencies, or to any entity nominated by NMC (as the case may be).

Before the exit management period expire, the selected Concessionaire shall deliver to NMC or its nominated agencies all new or up-dated materials from the categories set out in point (i) above and shall not keep any copies thereof, except that the selected Concessionaire shall be permitted to keep one copy of such materials for archival purposes only.

- Before the exit management period expire, unless otherwise provided under the Concessionaire Agreement, NMC or its nominated agencies shall deliver to the selected Concessionaire all forms of selected Concessionaire confidential Data which is in the possession or control of NMC or its nominated agencies or during the exit management period In any time, the selected Concessionaire shall, subject to applicable laws, restraints and regulations(including in particular those relating to privacy) provide to NMC or its nominated agencies a list of all employees (with job titles) of the selected Concessionaire dedicated to providing the services at the beginning of the exit management period; its users.



3376

33.5 Employees

- Where any national, regional law or regulation relating to the mandatory or automatic transfer of the contracts of employment from the Concessionaire to the department or its nominees, or an entity nominated by NMC applies to any or all of the employees of the Concessionaire, then the Parties shall comply with their respective obligations under such Transfer Regulations.
- To the extent that any Transfer Regulation does not apply to any employee of the Concessionaire or its nominated agencies or its entity nominated by NMC may make an offer of employment or contract for services to such employee of the Concessionaire and the Concessionaire shall not enforce or impose any contractual provision that would prevent any such employee from being hired by NMC or its nominated agencies or any Replacement Concessionaire.

33.6 Transfer of Certain Agreements

On request by NMC or its nominated agencies, the selected Concessionaire shall effect such assignments, transfers, novation, licenses and sub-licenses in favour of NMC or its nominated agencies, or its entity nominated by NMC in relation to any equipment lease, maintenance or service provision agreement between selected Concessionaire and third party lessors, Concessionaires or Concessionaire, and which are related to the services and reasonably necessary for the carrying out of replacement Concessionaire.

33.7 Right of Access to Premises

- At any time during the exit management period, where Assets are located at the selected Concessionaire's premises, the selected Concessionaire shall be obliged to give full rights of access to (or, in the case of Assets located on a third party's premises, procure reasonable rights of access to NMC or its nominated agencies, and/or any entity nominated by NMC in order to inventory the assets or Assets.
- The Concessionaire shall also give NMC or its nominated agencies, or any entity nominated by NMC right of reasonable access to the Concessionaire's premises and shall procure the department or its nominated agencies and any entity nominated by NMC rights of access to relevant third party premises during the exit management period and for such period of time following termination or expiry of the Concession Agreement as is reasonably necessary to migrate the services to NMC or its nominated agencies, or a Replacement Concessionaire.

33.8 General Obligations of the Concessionaire

- The Concessionaire shall provide all such information as may reasonably be necessary to effect as seamless a handover as practicable in the circumstances to NMC or its nominated agencies or any entity nominated by NMC and which the Concessionaire has in its possession or control at any time during the exit management period.

- For the purposes of this Clause, anything in the possession or control of any Concessionaire or associated entity is deemed to be in the possession or control of the Concessionaire.

7376

- The Concessionaire shall commit adequate resources to comply with its obligations under this Exit Management Clause.

33.9 Exit Management Plan

The Concessionaire shall provide NMC or its nominated agencies with recommended exit management plan ("Exit Management Plan") which shall deal with Concession Agreement as a whole and in relation to the Project Implementation, the Operation and Management SLA and SOWs.

33.10 End of Support

While handling over the completely working and functional network and systems, Concessionaire must ensure that OEM of all hardware/software/ equipment are contractually bound to provide support for repair/replacement/availability of its spare parts for further five years. It shall be part of exit plan to submit letter from OEMs in this regard.

Subject: Signing of contract for Street Light project under Nashik Smart City initiative

This is in reference to several requests and reminders both verbally as well as through mail regarding signing of contract in accordance with RfP and subsequent corrigendum conditions. Furthermore, we have given timely response to any of the queries you'd raised. Delay in contract singing from your end is spilling over on the overall execution of project.

Therefore, once again you are suggested to sign the contract with any further delay and latest by May 20, 2019.

Per your previous mail, please find revised contract agreement. Further please note following observations on the three points highlighted by you in last mail.

1) CLAUSE 4.2 B - CLAUSE FOR PAYMENT IN ESCROW ACCOUNT HAVE BEEN MODIFIED

Response from NMC: This is not a modification, but correction in line with RfP condition mentioned on page 53 under "Deposit and Replenishment Request". It may be noted, that whatever is mentioned in RfP is of paramount importance and must necessarily be adhered to.

2) Clause 12 - New points added in Concessionaire Event of Default.

Response from NMC: May be removed and made according to original version.

3) Clause 13.2 - Clause for Termination of Concession Agreement by Concessionaire modified

Dear Sir ,

With reference to your mail yesterday regarding the draft Contract agreement sent to us , our internal team have reviewed the agreement and the comments put forth .

However, it has been observed that the clauses given below have been inadvertently added or modified. These modifications are not being accepted by our internal team and hence we request you that the original clauses should be retained during signing of agreement.

1) CLAUSE 4.2 B -

CLAUSE FOR PAYMENT IN ESCROW ACCOUNT HAVE BEEN MODIFIED

Original clause - NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills _within 1 month of the signing of Energy Savings and Performance Contract (ESPC)'._

Modified clause - NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills _after successful installation._

2) CLAUSE 12 -

NEW POINTS ADDED IN CONCESSIONAIRE EVENT OF DEFAULT.

h) If the Concessionaire places itself in a position of conflict of interest or fails to disclose promptly any conflict of interest to NMC

i) If the Concessionaire fails to provide the quality services as envisaged under this Contract, NMC may make judgment regarding the poor quality of services, the reasons for which shall be recorded in writing. NMC may decide to give one chance to the Successful Bidder to improve the quality of the services.

j) If the Concessionaire fails to comply with any final decision reached as a result of dispute resolution or arbitration proceedings

3) CLAUSE 13.2 -

CLAUSE FOR TERMINATION OF CONCESSION AGREEMENT BY CONCESSIONAIRE MODIFIED

Original Clause - The Concessionaire may terminate this Concession Agreement by giving a termination notice to Authority if a NMC/ Authority Event of Default has occurred and continued for more than sixty (60) days.

Modified Clause - The Concessionaire may terminate this Concession Agreement by giving a termination notice _of at least 30 days_ to Authority if a NMC/ Authority Event of Default has occurred and continued for more than sixty (60) days.

Dear Sir,

In reference to the subject matter and in continuation to TPL's letter cited at Sr. No 4, we further clarify the following for your kind consideration:

1. Your good self may please acknowledge that the draft Contract Agreement at Annexure-IV, Page 126 of Concessionaire document, provides the provision of funding of Escrow account by NMC within one month of signing of Energy savings and Performance Contract (ESPC).

2. Accordingly, we have proposed to sign the ESPC as per the aforesaid provision vide E-mail dated 04.05.2019 which was also acknowledged by NMC vide E-mail dated 08.05.2019.

3. Subsequently, NMC vide E-mail dated 09.05.2019 has informed that they propose to modify the above existing provision of the draft Concession Agreement which led to the current lack of consensus on the contents for signing of Agreement.

4. NMC has informed that they intend to rely on the provisions mentioned in RFP and draft Escrow agreement format which state that Escrow agreement shall be funded after 9 month implementation period.

5. In the above regard, TPL invites attention to clause 2.1 of draft Contract Agreement which clarifies that the Concessionaire Agreement has the highest priority in event of any conflict / ambiguity.

Sh. Patil H.K. As per discussion with Hon S.K. Sir Take legal opinion regarding ESPC

9LL3

6. Accordingly, the funding of Escrow account by NMC is to be done within one month of signing of ESPC as per clause 2.1 of draft Concession Agreement.

7. Notwithstanding the above, if NMC still considers that there exists an ambiguity regarding the funding of Escrow account, TPL informs that such ambiguity is to be dealt as per the rule of "Contra Proferentem" in the Contract law. The said principle states that, where a promise, agreement or term is ambiguous, the preferred meaning should be the one that works against the interests of the party who provided the wording i.e., the contract draftsmen is to bear the consequences of any ambiguity under the Contract.

In view of above, TPL requests NMC to consider the acceptance of provision regarding the funding of Escrow Agreement as mentioned in the draft Concessionaire Agreement for earliest signing of Contract. Notwithstanding the aforesaid, TPL informs its readiness to resolve the issue amicably and looks forward for earliest signing of the Contract.

Thanking you and assuring our best of services at all times.

Yours faithfully,

For Tata Projects Ltd.

Arrange meeting and solve issue as per RFP.

Ref: 1. Tender no. 2018_NMC_365389_1
2. Letter of Award bearing no. 238 dated 6th March 2019
3. Your letter dated 15th June 2019 vide email

Subject: Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings on Public-Private Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) basis – Signing of Contract Agreement

Dear Sir,

We acknowledge receipt of your letter referred above at S.No.(3) and equally appreciate your concern over delay in signing of agreement.

However, we differ with the contentions of NMC in the said letter and wish to clarify the following for your consideration:

1)The draft agreement was first initiated by TPL vide email dated 4th May 2019 with proposed changes which were majorly forming part of Corrigendum.
2)NMC shared the revisions to the above mentioned draft agreement on 8th May 2019 which were acceptable to TPL.
3)However, NMC shared another draft agreement (ver.3) vide email dated 9th May 2019 in which clause 4.2(b) of Annexure IV of draft agreement related to funding of Escrow Agreement was revised from "within 1 month of signing of Energy Savings and Performance Contract (ESPC)" to "after successful installation". Also the clause for opening of Escrow account within 1 month of contract signing was deleted. These change were not acceptable to us and hence we have conveyed our disagreement to the same vide our email dated 10th May 2019 and during our various meetings held with NMC.
Further, clarification on opening of Escrow account within 1 month of contract signing was conveyed by NMC on 10th June 2019 vide draft agreement (ver.4) but there was no change in funding of Escrow account.

In view of above, the delay in contract signing is not due to reasons attributable to TPL and hence TPL shall not be held solely responsible for the delay.

Notwithstanding the above, we confirm our readiness to close issues for signing of contract amicably in accordance to conditions of the RFP. We request you to convene a meeting at the earliest where issues can

विषय: नविन बीओटी तत्वावरील एलईडी लाईटच्या ठेक्यामुळे होणाऱ्या संभाव्य नुकसानी बाबत.

महोदय,

दिनांक २८/ ०२/ २०१९ रोजी प्रशासनातर्फे स्थायी समितीवर ठेवलेल्या प्रस्तावावरील झालेला ठराव आमच्या निदर्शणास नुकताच आला आहे. एलईडी बसविण्याचा ठेका मे. टाटा प्रोजेक्टस् यांना देण्यात आला आहे. या बाबतीत आमचा अक्षेप खालील प्रमाणे आहे.

यापूर्वी सन २०१२-२०१३ या आर्थीक वर्षामध्ये एमआयसी कंपनीला नाशिक महापालिका हद्दीतील स्ट्रीट लाईटवर एलईडी बसवीण्याचा ठेका देण्यात आला होता सदर कंपनीने महापालिकेने दिलेली बँक गॅरंटी कॅश करण्याचा प्रयत्न केला होता या विरोधात महापालिकेने सदर बँक गॅरंटी कॅश होण्याच्या विरोधात स्थगीती मिळवीलेली आहे. व आजही तो दावा प्रलंबीत आहे.

तसेच सदर कंपनीबरोबर झालेल्या मनपाच्या करारात मनपाने सदर ठेकेदाराचे काम टर्मीनेट केले तर मनपा ८० टक्के पैसे ठेकेदारास देणे लागते व जर कंपनीने काम टर्मीनेशनची नोटीस दिली तर मनपा सदर ठेकेदारास १० टक्के इतकी रक्कम देणे लागते असा उभयतांतील करारामधील एक कलम आहे.

आजही सदर ठेकेदाराचे काम मनपाने टर्मीनेट केले आहे का किंवा ठेकेदाराची टर्मीनेटची नोटीस मनपाने स्विकारली आहे का हेही कळत नाही.

जर सदर ठेकेदार महापालिकेविरोधात कोर्टात गेला तर मोठयाप्रमाणावर नुकसान भरपाई मनपास दयावी लागेल याची जबाबदारी कोणाची.

तसेच पुर्वीच्या एमआयसी कंपनीस जर नवीन ठेकेदाराला दिलेल्या कामामुळे नुकसान भरपाई दयावी लागली तर ती जबाबदारी आमच्या पैकी कोणाचीही नसेल वर्कऑर्डे देणाऱ्याची ती वैयक्तीक जबाबदारी असेल महापालिकेला सदरची आर्थिक नुकसानीची तोशीश लागु नये म्हणुन आपणास हे पत्र देत आहोत. याची नोंद आपण घ्याल व उचित कार्यवाही कराल ही नम्र विनंती व अपेक्षा.

Date 2019-09-06 12:54

Dear Sir,

This has reference to our discussion regarding change of OEM for Nashik Smart Street Lighting Project (WO outward No. HO 03 Dt 20th Aug 2019)

TPL has a global alliance with Signify (erstwhile Philips) & Tata Communications Ltd (TCL) for smart street lighting solutions.
We are also working together on some of the international opportunities.
In India, we have successfully deployed Signify/TCL solutions+ services in pune/noida smart street lighting projects.
This solution is deemed to be best in class & our customers are totally satisfied with Signify/TCL solution.
As TPL, we have time tested working relation with both of them & found their product/services at par with best in the world.

For Nashik, both Signify and TCL had minor technical compliance issues due to which TPL could not propose their solution at the bidding stage.
We had asked both of them to rework their solution and make it completely RFP compliant.
Now, RFP compliant products are available with them & can be used in Nashik, subject to your permission.

With the compliance issues out of the way, we hereby propose Signify + TCL solution for Nashik Smart Street Lighting project.
TPL assures you that this change, will not have any impact on TPLs deliverables.
We request your approval to change the OEM for this project &
in order to demonstrate the solution as per RFP guidelines, we seek your permission to conduct POC once again with Signify + TCL.

Request you kindly allow us this change in OEM & provide us sites to conduct POC.
Look forward to your positive response.

Regards,

Amol Nisal | Assistant General Manager - Smart Cities

महाराष्ट्र राज्य विज वितरण कंपनी,
व्दारका, नाशिक.

विषय :- विल्होळी जकात नाका येथील १००के.व्ही.ए. क्षमतेचा ट्रान्सफॉर्मर दुरुस्ती करणे बाबत.

संदर्भ :- या कार्यालयाचे पत्र जा.क्र.मनपा/विद्युत/वशि/डेस्क- /७००/२०१९ दि.०३/०९/२०१९.

महोदय,

विल्होळी जकात नाका येथे पाणी पुरवठा यांत्रिकी विभागामार्फत जलशुधिकरण केंद्र बांधणेच्या कामासाठी मक्तेदार मे.एल ॲण्ड टी कंपनीयांनी सन २०१६-१७ मध्ये १०० के.व्हीए क्षमतेचा ट्रान्सफॉर्मर बसवून आपल्या विभागाकडूनवीज कनेक्शन घेतले आहे. सदर ट्रान्सफॉर्मर आपल्या कंपनीकडे सुपूर्त केल्याचे समजते.

तथापी सुमारे १५ दिवसापूर्वी सदर ट्रान्सफॉर्मर बंद झाल्यामुळे मनपाचे श्वान निबिजीकरण केंद्र आणि सार्व.बांधकाम वाहतुक कक्षाकडील वीज पूरवठा बंद झाला आहे. त्यामुळे तेथील दैनंदिनकामात अडचणी निर्माण झाल्या आहेत.

तथापी विल्होळी जकात नाका येथील फायटर प्लेनचे उद्घाटन मा.मुख्यमंत्री महोदयांचे हस्ते दि.०८/०९/२०१९ रोजी आयोजीत केलेला आहे. त्यामुळे सदर ठिकाणी वीज पुरवठा तातडीने सुरु करणे अत्यंत आवश्यक आहे.

तथापी सदर ट्रान्सफॉर्मर आपल्या विभागाचा असल्यामुळे आणि ट्रान्सफॉर्मर बसविणे बाबतचा करारनामा अेल ॲण्ड टी कंपनीशी झालेला आहे. त्यामुळे वरील कार्यक्रमाची गंभिरता लक्षात घेवून सदर ठिकाणचा वीज पुरवठा त्वरीत सुरळीत करणेची कारवाई करणेस विनंती आहे.

विषय: नविन बीओटी तत्वावरील एलईडी लाईटच्या ठेक्यामुळे होणाऱ्या संभाव्य नुकसानी बाबत.

महोदय,

दिनांक २८/ ०२/ २०१९ रोजी प्रशासनातर्फे स्थायी समितीवर ठेवलेल्या प्रस्तावावरील झालेला ठराव आमच्या निदर्शणास नुकताच आला आहे. एलईडी बसविण्याचा ठेका मे. टाटा प्रोजेक्टस् यांना देण्यात आला आहे. या बाबतीत आमचा अक्षेप खालील प्रमाणे आहे.

यापूर्वी सन २०१२-२०१३ या आर्थीक वर्षामध्ये एमआयसी कंपनीला नाशिक महापालिका हद्दीतील स्ट्रीट लाईटवर एलईडी बसवीण्याचा ठेका देण्यात आला होता सदर कंपनीने महापालिकेने दिलेली बँक गॅरंटी कॅश करण्याचा प्रयत्न केला होता या विरोधात महापालिकेने सदर बँक गॅरंटी कॅश होण्याच्या विरोधात स्थगीती मिळवीलेली आहे. व आजही तो दावा प्रलंबीत आहे.

तसेच सदर कंपनीबरोबर झालेल्या मनपाच्या करारात मनपाने सदर ठेकेदाराचे काम टर्मीनेट केले तर मनपा ८० टक्के पैसे ठेकेदारास देणे लागते व जर कंपनीने काम टर्मीनेशनची नोटीस दिली तर मनपा सदर ठेकेदारास १० टक्के इतकी रक्कम देणे लागते असा उभयतांतील करारामधील एक कलम आहे.

आजही सदर ठेकेदाराचे काम मनपाने टर्मीनेट केले आहे का किंवा ठेकेदाराची टर्मीनेटची नोटीस मनपाने स्विकारली आहे का हेही कळत नाही.

जर सदर ठकेदार महापालिकेविरोधात कोर्टात गेला तर मोठयाप्रमाणावर नुकसान भरपाई मनपास दयावी लागेल याची जबाबदारी कोणाची.

तसेच पुर्वीच्या एमआयसी कंपनीस जर नवीन ठेकेदाराला दिलेल्या कामामुळे नुकसान भरपाई दयावी लागली तर ती जबाबदारी आमच्या पैकी कोणाचीही नसेल वर्कऑर्ड देणाऱ्याची ती वैयक्तीक जबाबदारी असेल महापालिकेला सदरची आर्थिक नुकसानीची तोशीश लागु नये म्हणुन आपणास हे पत्र देत आहोत. याची नोंद आपण घ्याल व उचित कार्यवाही कराल ही नम्र विनंती व अपेक्षा.

Dear Sir,

Please find enclosed confirmation on deliveries from Lighting OEM.

Trust your good selves would appreciate the same.

With Best Regards

S.Sriram

To,
The Operations Head
TP Luminaire Private Limited (TPLPL)
One Boulevard, 3rd Floor, Lake Boulevard Road, Hiranandani Business Park, Powai
Mumbai-400076

Kind attention: Mr. Sriram

Please note that the fact is contrary to reason you have cited for denial - 'short notice'.

During the kick off meeting held on August 28, 2019, minutes for which were shared; it was decided that 1000 fixtures would be installed across 6 divisions by September 5. Despite this till date no action has been taken. Kindly ensure installation of said fixtures at the earliest without any delay.

Minutes of meeting from discussion held to expedite the progress of Smart Street Light Project in Nashik

Agenda: Kick off meeting for Smart Street Light Project in Nashik
Date: August 28, 2019
Time:

Slot 1: 12.00 pm to 1.30 pm
Slot 2: 3.45 pm to 4.40 pm

Place:

Slot 1: Office of Executive Engineer (Electrical), Rajiv Gandhi Bhavan, Nashik Municipal Corporation
Slot 2: Office of Superintending Engineer (Electrical and Mechanical), Rajiv Gandhi Bhavan, Nashik Municipal Corporation

Participants:

Slot 1:
Authority (NMC): Mr. Vanmali (Executive Engineer – Electrical), Mr. Patil (Deputy Engineer – Electrical), Mr. Wiakar (Deputy Engineer – Electrical), Mr. Gaikwad (Deputy Engineer – Electrical), Mr. Bagul (Deputy Engineer – Electrical) and Mr. Kane (Deputy Engineer – Electrical)
PMC: Shubham Sodhani
Vendor (TPL/ TP Luminaire Pvt. Ltd.): Amol Nisal, Abhishek Das, S. Sriram, Sachin Tandon and Shishir Singh

Slot 2:
Authority (NMC): Mr. Chavanke (Superintending Engineer – Electrical & Mechanical), Mr. Vanmali (Executive Engineer – Electrical), Mr. Patil (Deputy Engineer – Electrical) and Mr. Wiakar (Deputy Engineer – Electrical)
PMC: Shubham Sodhani
Vendor (TPL/ TP Luminaire Pvt. Ltd.): Amol Nisal, Abhishek Das, S. Sriram, Sachin Tandon and Shishir Singh

Main discussion points:

1 Discussion was centered on the implementation plan and immediate tasks which need to be accomplished

2 **Division wise implementation**
   i. It was decided that work at all 6 six municipal divisions would be undertaken simultaneously
   ii. For this NMC would share division wise information related to number of switching points with vendor by August 29. Vendor needs to coordinate with concerned divisional officers for the same

3 **Immediate requirements:**
   i. It was decided to install fixtures at least 1000 poles across the six divisions by September 5
   ii. Installation needs to be first done at main roads. Vendor needs to coordinate with concerned divisional officers for getting the list of such stretches
   iii. Therefore, survey report needs to be prepared in phased manner, first for these 1000 poles

EE (Elect)
को मोफत
Smart light fire
19/9/19

9e92

iv. In addition to the 1000 poles mentioned above, installation work needs to be carried out immediately at 5000-6000 new poles, list of which needs to be obtained by vendor from concerned divisional officers

4 Implementation Plan:

i. Vendor would share detailed consolidated implementation plan by August 31
ii. Detailed implementation plan would be revised at division level and shared by September 4

5 Deployment of team, Organogram and Communication Matrix

i. Vendor needs to appoint a resource as SPOC. SPOC should be deployed full-time in Nashik, available for discussion with authority and PMC at any time, should have complete knowledge of the project, should be able to take necessary decisions, should be able to coordinate with all stakeholders involved in the project and must be available for weekly review meeting. SPOC needs to be appointed immediately after the kick-off meeting
ii. Vendor need to share organogram of the project implementation team by September 3
iii. Vendor need to share a clearly laid out communication matrix by September 3

6 Quality test

i. Vendor needs to facilitate inspection of site(s) wherein installation material is procured and arrange for quality test(s) of sample chosen by NMC officials or officials designated by NMC. All tests should comply with NABL requirements
ii. Tests would be done in conformity with RfP requirements, particularly Clause 5 of RfP

7 Others

i. Vendor needs to ensure that all installed fixtures have NMC logo on it
ii. NMC would share GIS data pertaining to street lights with vendor by August 29. For this vendor, needs to coordinate with concerned divisional officers
iii. Vendor may contact ward specific wire-man/ line-man appointed by NMC for necessary inputs during the project implementation period

		a) Mark of Origin	Bajaj	
		b) Rated Voltage	240VAC	Satisfactory
		c) Rated Maximum ambient temp. ta if other than 25°C	60°C	
		d) Marking of Ingress protection	IP 66	
		e) Model or type reference	BRLEP 40W LED E	
		f) Rated wattage of lamp	40 W	
		g) Marking of Termination	L-E-N	
1.2	Test for Marking (Cl 3.4 of IS 10322 (Part 1) : 2014	After the test marking should legible, marking labels shall not be easily removable.	Marking legible after the test	Satisfactory
2	**CONSTRUCTION (Cl.7)**			
2.1	**Replaceable Components** (Cl 4.2) of IS 10322 (Part 1) 2014.	The luminaire shall be designed that there is sufficient space for replacement of components or parts without difficulty and without impairing safety.	Provided sufficient space to permit replacement of component or parts without difficulty and without impairing safety.	Satisfactory
2.2	**Wireways** (Cl 4.3 of IS 10322 (Part 1) 2014.	Wireways shall be smooth and free from sharp edges, burrs, flashes and the like, which might cause abrasion of the insulation of the wires.	Wireways provided is smooth and free from sharp edges, burrs, flashes and the like, which might cause abrasion of the insulation of the wires.	Satisfactory
2.3	**Mechanical Strength** (Cl 4.13 of IS 10322 (Part 1) 2014.	Sample shall not show damage after application of 3 blows by means of spring operated impact test apparatus with impact.	No sign of damage observed	Satisfactory
2.4	**Resistance to corrosion** (Cl 4.18 of IS 10322 (Part 1) 2014. Test conducted of ferrous parts of luminaire as per Cl. 4.18.1	After the test surface shall not show any sign of rust.	No sign of rust observed.	Satisfactory
2.5	**Mechanical Hazard.** (Cl 4.25 of IS 10322 (Part 1) 2014.	Luminaries shall have no sharp point or edges that could, during installation, normal use or maintenance create hazard to the user.	No Sharp point or edges observed.	Satisfactory

3	**PROVISION FOR EARTHING** (Cl. 9)	Metal parts of class I luminaires should be permanently and reliable connected to an earthing terminal or earthing contact. Earthing resistance should be not excessed 0.5 ohms.	0.041 Ohms.	Satisfactory
4	**EXTERNAL AND INTERNAL WIRING** (Cl.5)	1.Luminaire should be provided with one of the following means of connections to the supply.		
4.1	**Supply Connection and Other External Wiring**	Terminals, plug for engagement with socket outlets, connecting leads, non-detachable flexible cables or cords adapter for engagement with supply tracks, appliance inlet.	Mains Cable Provided. More than 0.75 sq. mm	Satisfactory
		If flexible cable or cord supplied with luminaire, the nominal cross-sectional area of the conductor shall not be less than 0.75 sq. mm for ordinary luminaire.	More than 0.75 sq. mm	Satisfactory
4.2	**Internal Wiring**	I) Nominal cross-sectional area 0.40 sq.mm minimum.	More than 0.40 sq. mm	Satisfactory
		II) Nominal insulation thickness 0.50 sq.mm minimum.	More than 0.5 sq. mm	Satisfactory
5	**PROTECTION AGAINST ELECTRIC SHOCK (Cl. 8)** Test finger is applicable on every possible positions accessible to the live parts of luminaires.	Test finger should not touch to any live parts.	Test finger were not accessible to any live parts.	Satisfactory
6	**ENDURANCE TEST AND THERMAL TEST (Cl.13):**	No part should have become unserviceable and unsafe. The marking should be legible.	No part become unserviceable and unsafe. The marking found legible.	Satisfactory
6.1	**Endurance Test** (Cl.12.3 of IS 10322 (Part 1) 2014 Luminaire kept in drought free enclosure at ambient temp. (37± 2) °C for total duration of 168 hrs. made up to 7 successive cycles of 24 hrs. Supply voltage of 1.10 + 0.015 times rated voltage applied during for 21 hrs. and disconnected for the remaining 3 hrs. of each cycle as per Cl. 12.3.1. of IS 10322 (Part 1) 2014.

6.2	**Thermal Test (Normal Condition):** Cl 12.4 of IS 10322 (part 1) 2014. Luminaire kept in drought free enclosure at ambient temp. and supply voltage of 1.06 times rated voltage applied. Temp. measured on various parts after the luminaire has stabilized.	The Temp. should not exceed the limit as per table no. 12.1 & 12.2 on 1) **Ballast Winding:** tw ° C 2) **Capacitor Case: tc** ° C 3) **Insulation of wiring:** 90° C 4) **Mounting Surface:** 60 ° C	 Not applicable for electronic ballast 52 ° C 56 ° C	 Satisfactory Satisfactory
6.3	**Thermal Test (Abnormal Condition):** Cl 12.5 of IS 10322 (part 1) 2014. Luminaire kept in drought free enclosure at ambient temp. and supply voltage of 1.10 times rated voltage or maximum rated voltage range is applied. Temp. measured on various parts after the luminaire has stabilized.	The Temp. should not exceed the limit as per table no. 12.1 & 12.2 on **1) Ballast Winding:** tw ° C **2) Capacitor Case: tc** ° C **3) Mounting Surface:** - 85° C	 Not applicable for electronic ballast 67 ° C	 Satisfactory
7 7.1	**RESISTANCE TO DUST AND MOISTURE (Cl.14):** **Test for Dust Tight (IP 6X)** Luminaire is tested in dust chamber as per Cl.9.2.2 of IS 10322 (Part 1) 2014.	There should be no deposit of talcum powder inside enclosure of dust tight luminaire.	No trace of talcum powder inside enclosure of dust tight luminaire.	Satisfactory
7.2	**Powerful Jet Proof Test (IP X6)** Jet proof Luminaire is subjected to a water by means of a jet as per Cl.9.2.7 of IS 10322 (Part 1) 2014.	No trace of water on current carrying parts or SELV parts or on insulation where it could become a hazard for the use of surrounding.	No trace of water observed on current carrying parts.	Satisfactory
7.3	**Humidity Test:** Luminaire kept in a humidity chamber at between 25 ° C to 30 ° C shall be maintained with in 1° C. 91 to 95% RH for a period of 48Hrs. as per Cl. 9.3 of IS 10322 (Part 1) 2014.	The sample should not show any damage affecting the compliance within the requirement of the standard.	No sign of any damage observed.	Satisfactory
8 8.1	**INSULATION RESISTANCE AND ELECTRIC STRENGTH (Cl.15)** **Insulation Resistance** At 500 V DC between current carrying parts and metal parts of the luminaire as mentioned in Table 10.1 of IS 10322 (Part 1) 2014.	Should not less than 2M Ohms.	100 M Ohms.	Satisfactory
8.2	**Electric Strength** A test voltage 1500 ac rms 50 Hz is applied between current carrying parts and metal parts of	Should not occur flashover or breakdown during the test.	No occur flashover or breakdown during the test.	Satisfactory

	the luminaire parts mentioned Table 10.2 of IS 10322 (Part 1) 2014.			
8.3	**Leakage Current** Cl.10.3 of IS 10322 (Part 1) 2014.	Should not exceed 1mA for class I luminaire.	0.330 mA	Satisfactory
9	**RESISTANCE HEAT, FIRE AND TRACKING (Cl.16)**	The Dimeter of impression should not exceed 2 mm.	0.32 mm	Satisfactory
9.1	**Resistance to Heat:** Test conducted as per Cl.13.2.1 of IS 10322 (Part 1) 2014 on external insulating material at temp. 75 ° C.			
9.2	**Resistance to Flame and Ignition.** Glow wire test conducted as per Cl 13.3.2. of IS 10322 (Part 1) 2014 on insulating material which do not retain live parts in position at temp. 650 ° C.	Any flame or glowing should extinguish within 30 sec. of withdrawing the glow wire.	Did not observe any flame.	Satisfactory
		Any burning or molten drop should not ignite the tissue paper.	No Ignition of tissue paper observed.	Satisfactory
10	**Creepage Distances and Clearances (Cl 11).**	1-Beteewn live parts of different polarity (3mm min.)	Observed 5 mm	Satisfactory
10.1	**1-Creepage Distances**	2-Between live parts and other accessible metal parts or between live parts & outer insulating parts (4 mm min.)	More than 6 mm	Satisfactory
		3-Between live parts & other metal parts between them (6 mm min)	More than 8 mm	Satisfactory
10.2	**2- Clearances**	1-Beteewn live parts of different polarity (3mm min.)	Observed 6.1 mm	Satisfactory
		2-Between live parts and other accessible metal parts or between live parts & outer insulating parts (3 mm min.)	More than 4 mm	Satisfactory
		3-Between live parts & other metal parts between them (6 mm min)	More than 7 mm	Satisfactory

General Remarks: - The Sample meets the requirement of IS 10322 (Part 5/Sec.3) -2012 specification with respect to test carried out.

FR-QT-21				Page 1 of 2
Certificate No	: P-190821-5-1	Date of Issue	:	27/08/2019
Date of Calibration	: 27/08/2019	Recom. Due Date	:	27/08/2020
Customer Details	:	SRF No.	:	P-190821-5
Bajaj Electrical Limited		Calibrated at	:	Onsite
Gat No. 603 to 607, 392 & 426 Village Mahalunge,		Date of Receipt	:	21/08/2019
Chakan Talegaon Road, Tal - Khed,		Cond. On Receipt	:	Satisfactory
Dist.- Pune .410501				

Details of Test Instrument:

Description	: LED POWER DRIVER TESTER			
Range	: AS PER REPORT	Serial No	:	--
Least Count	: AS PER REPORT	Model No.	:	VI 2058E
Make	: VOLNIC	Accuracy	:	As per Manual
Identification No.	: 2017FD06037			

Details of Standard Used :

Name	Sr.No.	Valid upto	Traceability
6.5 DIGITAL MULTIMETER	1613012	19/01/2020	G&B, Mumbai
Multi product Calibrator	4444802	06/01/2020	G&B, Mumbai

Work Instruction /IS No.: WI-ET-03, 11 / 1248-2003

Environmental Details: Temperature: 25±10°C Relative Humidity: 50±15%

Remarks

1 Test reading given is the average of 3 Measurements.
2 The reported Expanded Uncertainty is calculated at 95.45 % C.L with coverage factor k=2
3 Equipment used for Calibration were Calibrated & Traceable to National & International standard.
4 *Marked Reading Are Not Cover Under NABL SCOPE

TPLL-NMC-SC/08-035 **Date: 19/12/2019**

To,
Executive Engineer,
Nasik Municipal Corporation.
Nasik

Kind Attn: Sh. Devendra Vanmali (E.E. - Electrical)

Subject: Work order no. H.O.03 Dated 20th Aug 2019 for Design, Build, Finance, Operate, Maintain & Transfer the project of implementation of high impact streetlight by installing Energy efficiency dimmable and non-dimmable LED streetlights along feeder base SCADA system. **Regarding Completion of Survey in Nasik City.**

Reference-

1. Email submission of survey reports.

Dear Sir,

With reference to the subject mentioned above, we hereby submit the final Summary of the Division wise switching panels found in survey. The details of switching panel wise summary is attached as annexure-A for your reference and tabulated as below.

Sr. No.	Division	No. of Panels	No. of Poles	Light Fittings Nos.
1	Nashik West	117	6599	7456
2	Nashik East	150	8720	9791
3	Nashik Road	276	11962	13952
4	New Nashik- CIDCO	304	16050	18167
5	Panchvati	359	19825	20451
6	Satpur	209	11158	12382
Total		**1415**	**74314**	**82199**

All the panels as shown by NMC field team have been covered under the survey and we have already shared the same with division team and the final survey summary is as above. Also, we request if any additional poles are erected by NMC, it shall be informed to us for further survey and installation thereon.

Executive Engineer,
Nasik Municipal Corporation.
Nasik

Kind Attn: Sh.DevendraVanmali (E.E. - Electrical)

Subject: Work order no. H.O.03 Dated 20th Aug 2019 for Design, Build, Finance, Operate, Maintain & Transfer the project of implementation of high impact streetlight by installing Energy efficiency dimmable and non-dimmable LED streetlights along feeder base SCADA system.**Street Light InfraDeficiency clearance.**

Reference-

1. Meeting held at Hon' Municipal commissioner office on 26th Nov 2019.

Dear Sir,

With respect to the above mentioned subject, and meeting held under Hon'bleCommissioner NMC in their office on 26th Nov 2019, it was instructed us for installation of 25000 nos. of LEDs by December End and TPLL will get full support from NMC by clearing Infra Deficiency on urgent basis.We would like to inform your good office that on good faith, we mobilized Second Installation Contractor to speed up and complete the work on schedule.

Further to update, We have submitted Pole Survey report of more than 75000 Nos.and Poles where Infra Deficiency are urgently required to be rectified are in excess of 25000 Nos(app.)Where as, as on date we had received clearance of 4000 nos. of Poles after proper rectification work is being completed by NMC Contractors.

Thus we request your intervention so that we timely get work front for installation and completing the work as per instructions of Hon'ble Commissioner Sir, as any delay in providing us front will lead to idle manpower and machinery and delay in delivery of work from our end.

Assuring our Best of Services at all the Times.

विषय: नविन बीओटी तत्वावरील एलईडी लाईटच्या ठेक्यामुळे होणाऱ्या संभाव्य नुकसानी बाबत.

महोदय,

दिनांक २८/ ०२/ २०१९ रोजी प्रशासनातर्फे स्थायी समितीवर ठेवलेल्या प्रस्तावावरील झालेला ठराव आमच्या निदर्शणास नुकताच आला आहे. एलईडी बसविण्याचा ठेका मे. टाटा प्रोजेक्टस् यांना देण्यात आला आहे. या बाबतीत आमचा अक्षेप खालील प्रमाणे आहे.

यापूर्वी सन २०१२-२०१३ या आर्थीक वर्षामध्ये एमआयसी कंपनीला नाशिक महापालिका हद्दीतील स्ट्रीट लाईटवर एलईडी बसवीण्याचा ठेका देण्यात आला होता सदर कंपनीने महापालिकेने दिलेली बँक गॅरंटी कॅश करण्याचा प्रयत्न केला होता या विरोधात महापालिकेने सदर बँक गॅरंटी कॅश होण्याच्या विरोधात स्थगीती मिळवीलेली आहे. व आजही तो दावा प्रलंबीत आहे.

तसेच सदर कंपनीबरोबर झालेल्या मनपाच्या करारात मनपाने सदर ठेकेदाराचे काम टर्मीनेट केले तर मनपा ८० टक्के पैसे ठेकेदारास देणे लागते व जर कंपनीने काम टर्मीनेशनची नोटीस दिली तर मनपा सदर ठेकेदारास १० टक्के इतकी रक्कम देणे लागते असा उभयतांतील करारामधील एक कलम आहे.

आजही सदर ठेकेदाराचे काम मनपाने टर्मीनेट केले आहे का किंवा ठेकेदाराची टर्मीनेटची नोटीस मनपाने स्विकारली आहे का हेही कळत नाही.

जर सदर ठकेदार महापालिकेविरोधात कोर्टात गेला तर मोठयाप्रमाणावर नुकसान भरपाई मनपास दयावी लागेल याची जबाबदारी कोणाची.

तसेच पुर्वीच्या एमआयसी कंपनीस जर नवीन ठेकेदाराला दिलेल्या कामामुळे नुकसान भरपाई दयावी लागली तर ती जबाबदारी आमच्या पैकी कोणाचीही नसेल वर्कऑर्ड देणाऱ्याची ती वैयक्तीक जबाबदारी असेल महापालिकेला सदरची आर्थिक नुकसानीची तोशीश लागु नये म्हणुन आपणास हे पत्र देत आहोत. याची नोंद आपण घ्याल व उचित कार्यवाही कराल ही नम्र विनंती व अपेक्षा.

नाशिक महानगरपालिका, नाशिक.

विषय: नविन बीओटी तत्वावरील एलईडी लाईटच्या ठेक्यामुळे होणाऱ्या संभाव्य नुकसानी बाबत.

महोदय,

दिनांक २८/ ०२/ २०१९ रोजी प्रशासनातर्फे स्थायी समितीवर ठेवलेल्या प्रस्तावावरील झालेला ठराव आमच्या निदर्शणास नुकताच आला आहे. एलईडी बसविण्याचा ठेका मे. टाटा प्रोजेक्टस् यांना देण्यात आला आहे. या बाबतीत आमचा अक्षेप खालील प्रमाणे आहे.

यापूर्वी सन २०१२-२०१३ या आर्थीक वर्षामध्ये एमआयसी कंपनीला नाशिक महापालिका हद्दीतील स्ट्रीट लाईटवर एलईडी बसवीण्याचा ठेका देण्यात आला होता सदर कंपनीने महापालिकेने दिलेली बँक गॅरंटी कॅश करण्याचा प्रयत्न केला होता या विरोधात महापालिकेने सदर बँक गॅरंटी कॅश होण्याच्या विरोधात स्थगीती मिळवीलेली आहे. व आजही तो दावा प्रलंबीत आहे.

तसेच सदर कंपनीबरोबर झालेल्या मनपाच्या करारात मनपाने सदर ठेकेदाराचे काम टर्मीनेट केले तर मनपा ८० टक्के पेसे ठेकेदारास देणे लागते व जर कंपनीने काम टर्मीनेशनची नोटीस दिली तर मनपा सदर ठेकेदारास १० टक्के इतकी रक्कम देणे लागते असा उभयतांतील करारामधील एक कलम आहे.

आजही सदर ठेकेदाराचे काम मनपाने टर्मीनेट केले आहे का किंवा ठेकेदाराची टर्मीनेटची नोटीस मनपाने स्विकारली आहे का हेही कळत नाही.

जर सदर ठकेदार महापालिकेविरोधात कोर्टात गेला तर मोठयाप्रमाणावर नुकसान भरपाई मनपास दयावी लागेल याची जबाबदारी कोणाची.

तसेच पुर्वीच्या एमआयसी कंपनीस जर नवीन ठेकेदाराला दिलेल्या कामामुळे नुकसान भरपाई दयावी लागली तर ती जबाबदारी आमच्या पैकी कोणाचीही नसेल वर्कऑर्ड देणाऱ्याची ती वैयक्तीक जबाबदारी असेल महापालिकेला सदरची आर्थिक नुकसानीची तोशीश लागु नये म्हणुन आपणास हे पत्र देत आहोत. याची नोंद आपण घ्याल व उचित कार्यवाही कराल ही नम्र विनंती व अपेक्षा.

विषय :- नवीन बीओटी तत्वावरील एलईडी लाईटच्या ठेक्यामुळे होणा-या संभाव्य नुकसानी बाबत.

महोदय,

दिनांक २८/०२/२०१९ रोजी प्रशासनातर्फे स्थायी समितीवर ठेवलेल्या प्रस्तावावरील झालेला ठराव आमच्या निदर्शनास नुकताच आला आहे. एलईडी बसविण्याचा ठेका मे.टाटा प्रोजेक्टस् यांना देण्यांत आला आहे. या बाबतीत आमचा आक्षेप खालील प्रमाणे आहे.

यापुर्वी सन २०१२-२०१३ या आर्थिक वर्षामध्ये एमआयसी कंपनीला नाशिक महानगरपालिका हद्दीतील स्ट्रीट लाईटवर एलईडी बसविण्याचा ठेका देण्यात आला होता सदर कंपनीने महापालिकेने दिलेली बँक गॅरंटी कॅश करण्याचा प्रयत्न केला होता या विरोधात महापालिकेने सदर बँक गॅरंटी कॅश होण्याच्या विरोधात स्थगीती मिळवीलेली आहे व आजही तो दावा प्रलंबित आहे.

तसेच सदर कंपनी बरोबर झालेल्या मनपाच्या करारात मनपाने सदर ठेकेदाराचे काम टर्मीनेट केले तर मनपा ८० % पैसे ठेकेदारास देणे लागते व जर कंपनीने काम टर्मीनेशनची नोटीस दिली तर मनपा सदर ठेकेदारास १०% इतकी रक्कम देणे लागते असा उभयतांतील करारामधील एक कलम आहे.

आजही सदर ठेकेदाराचे काम मनपाने टर्मीनेट केले आहे का? किंवा ठेकेदाराची टर्मीनेटची नोटीस मनपाने स्विकारली आहे का ? हेही कळत नाही.

जर सदर ठेकेदार महापालिके विरोधात कोर्टात गेला तर मोठया प्रमाणावर नुकसान भरपाई मनपास द्यावी लागेल याची जबाबदारी कोणाची.

तसेच पुर्वीच्या एमआयसी कंपनीस जर नवीन ठेकेदाराला दिलेल्या कामामुळे नुकसान भरपाई द्यावी लागली तर ती जबाबदारी आमच्या पैकी कोणाचीही नसेल वर्क ऑर्डर देणा-याची ती वैयक्तीक जबाबदारी असेल महापालिकेला सदरची आर्थिक नुकसानीची तोशीश लागु नये म्हणून आपणास हे पत्र देत आहोत. याची नोंद आपण घ्याल व उचित कार्यवाही कराल, ही नम्र विनंती व अपेक्षा.

YES BANK

Date 12.07.2019

To,
Hon. Commissioner,
Nashik Municipal Corporation,
Nashik

Dear Sir/ Madam,

Sub: Proposal for Escrow Account Services to Nashik Municipal Corporation.

At the outset, we would like to thank you for giving us the opportunity to present our business proposition for Escrow Account Services.

At YES BANK, we have established a **'Truly Integrated' model** leveraging of our **'State of Art' technology** platform. The Transaction Banking Group through its **seamless delivery** of **high quality structured products** offers **value-added solutions** for **Capital Markets & Escrow Account Services, Cash Management Services and Trade Finance & Services.** Our Transaction Banking team has carved a niche for itself in the highly competitive financial marketplace by delivering **Integrated Financial Supply Chain Solutions** through the above mentioned services. I am certain that YES BANK can deliver immense incremental value to your organization with our Knowledge Banking approach

YES Bank offers specialized Escrow Account Services under the product domain of ***Capital Market & Escrow Account Services*** catering to multi-partite transactions. The Bank plays the instrumental role of an agent in such transactions, acting on the instruction of the principals, in holding and releasing the cash/collateral deposited with the Bank as the agent by either of the parties. At YES BANK, we have a **dedicated Escrow Desk** providing Escrow Account services for diverse structures such as

- ✓ Sale Shares and Purchase Arrangements
- ✓ Revenue Sharing Arrangements
- ✓ Prepaid Instrument Escrow Arrangements
- ✓ Credit Linked Arrangements
- ✓ Lease Rental Discounting Arrangements
- ✓ Trust and Retention Arrangements
- ✓ Capital Market Escrows
    - o IPOs/QIPs
    - o Delisting/Buyback Offers
    - o Open Offers

9682

Features

Under the Escrow Account Services portfolio, each Escrow transaction is managed **end-to-end** by a dedicated team of qualified professionals thereby delivering a highly customized service for the corporate. The expert regulatory advisory coupled with the **globally benchmarked operational risk management** practices ensures immaculate service delivery in **compliance with the extant regulatory framework** for all escrow transactions.

The **key differentiating features** of the Escrow Account Services proposition include:

- **Association with a Seasoned Banking Partner** with
  - Experience in structuring complex Escrow transactions
  - Expertise in regulatory & compliance advisory
  - Collateral Custody facilities for underlying documents including title deeds, agreements, share certificates and electronic media such as CDs, DVDs, Disk Drives, and Floppies
- **Best-in-Class Service Excellence** through

Other terms

- This offer is an in-principle offer and is subject to our internal approvals and sanctions in place (wherever necessary).
- The Company will have to execute necessary documents required in appointing YES BANK as the Escrow Bank for the transaction.
- YES BANK shall not be liable for any failure to perform any of its obligations, if its performance is prevented, hindered or delayed by a Force Majeure event (defined below) and in such case its obligations shall be suspended for so long as the Force Majeure Event continues (provided that this shall not prevent the accrual of interest on a principal amount which would have been payable but for this provision). "Force Majeure Event" means any event beyond the reasonable control of YES BANK, including, without limitation, unavailability of any communication system, sabotage, fire, flood, explosion, acts of God, civil commotion, strikes or industrial action of any kind (including concerning the pickup agency), riots, insurrection, war or acts of government, loss of instruments by the pickup agency/correspondent banks.
- Our offer is subject to prevailing RBI & SEBI and other regulatory guidelines from time to time.

Dear Sir,

With reference to the letter submitted by Tata Projects Limited on 24th June 2019 and subsequently Your mail dated 2nd July 2019 , we again hereby reaffirm that we remain open to solve the open issues at the earliest,and look forward to sign the contract .

However , the letter sent by your goodself does not address our concerns with respect to the " Contra Preferentum " clause which refers to the ambiguity between the DCA and the Draft Escrow Agreement and the RFP.

We request you to please send us your reply detailing our concerns raised in the letter dated 24th June 2019.

Thanks & Regards

Reference:
1.Contract agreement shared with TPL at 7.25 pm on May 31, 2019 and at 5.30 pm on May 9, 2019 for signing
2.Escrow agreement shared with TPL at 6.13 pm on May 9, 2019
3.Reminders sent via email at 5.30 pm on 9 May, 6.13 pm on 23 May, 7.25 pm on 31 May, 6.52 pm on 10 June to sign contract

Subject: Final copy of Contract and Escrow agreement and fifth reminder to sign contract without any further delay

Despite multiple clarifications on queries raised by you on draft Contract and Escrow, several reminders to sign contract without delay and reiteration of need to be in total compliance of RfP conditions, contract has not been signed due to delay from TPL's end. This has severely delayed the execution work. Clause 3.24.6 of RfP, clearly states that contract should be executed within 15 days of issuance of LoA, which was issued vide. outward number 238 dated March 6, 2019 in favour of TPL.

Attached herewith is final draft of Contract and Escrow agreement. Owing to further delay from TPL's end in case the agreement is not signed within 7 days from now, appropriate action would be taken.

Regards
Engineer-in-charge, Electrical Department Nashik Municipal Corporation

Subject: Signing of contract for Street Light project under Nashik Smart City initiative

Per your previous mail, please find revised contract agreement. Further please note following observations on the three points highlighted by you in last mail.

1) CLAUSE 4.2 B - CLAUSE FOR PAYMENT IN ESCROW ACCOUNT HAVE BEEN MODIFIED

Response from NMC: This is not a modification, but correction in line with RfP condition mentioned on page 53 under "Deposit and Replenishment Request". It may be noted, that whatever is mentioned in RfP is of paramount importance and must necessarily be adhered to.

2) Clause 12 - New points added in Concessionaire Event of Default.

Response from NMC: May be removed and made according to original version.

3) Clause 13.2 – Clause for Termination of Concession Agreement by Concessionaire modified

Response from NMC: A slight change has been made for the purpose of clarity for both sides. This provision needs to be retained for clarity in future.

After these clarifications, you are requested to execute the contract agreement at the earliest.

Dear Sir ,

With reference to your mail yesterday regarding the draft Contract agreement sent to us , our internal team have reviewed the agreement and the comments put forth .

However, it has been observed that the clauses given below have been inadvertently added or modified. These modifications are not being accepted by our internal team and hence we request you that the original clauses should be retained during signing of agreement.

1) CLAUSE 4.2 B -

CLAUSE FOR PAYMENT IN ESCROW ACCOUNT HAVE BEEN MODIFIED

Original clause - NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills _within 1 month of the signing of Energy Savings and Performance Contract (ESPC)'._

Modified clause - NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills _after successful installation.

2) CLAUSE 12 -

NEW POINTS ADDED IN CONCESSIONAIRE EVENT OF DEFAULT.

h) If the Concessionaire places itself in a position of conflict of interest or fails to disclose promptly any conflict of interest to NMC

i) If the Concessionaire fails to provide the quality services as envisaged under this Contract, NMC may make judgment regarding the poor quality of services, the reasons for which shall be recorded in writing. NMC may decide to give one chance to the Successful Bidder to improve the quality of the services.

j) If the Concessionaire fails to comply with any final decision reached as a result of dispute resolution or arbitration proceedings

3) CLAUSE 13.2 –

CLAUSE FOR TERMINATION OF CONCESSION AGREEMENT BY CONCESSIONAIRE

96 92

MODIFIED

Original Clause - The Concessionaire may terminate this Concession Agreement by giving a termination notice to Authority if a NMC/Authority Event of Default has occurred and continued for more than sixty (60) days.

Modified Clause - The Concessionaire may terminate this Concession Agreement by giving a termination notice _of at least 30 days_ to Authority if a NMC/ Authority Event of Default has occurred and continued for more than sixty (60) days.

The draft agreement with comments is enclosed for your needful action.

Subject: Re: Draft Contract Agreement for PPP based Streetlighting

project of NMC

Dear Mr. Abhishek Das

Manager - Business Development, Smart Cities Tata Power Projects

Further to your last mail regarding contract agreement for Smart

Street Light project, please find attached herewith reviewed contract

with review points highlighted in yellow. Also, attached is the reason

sheet.

You are requested to come to Nashik tomorrow i.e. May 9, 2019 for

signing the contract.

Subsequent to signing of contract agreement, Escrow agreement would be

executed.

Regards

Engineer-in-charge, Electrical Department Nashik Municipal Corporation

विषय : नाशिक मनपा मध्ये PPP तत्वावर स्मार्ट लाईटींग प्रकल्प राबविणे बाबत.
संदर्भ : १) मा.महाराष्ट्र शासन उर्जा संवर्धन धोरण अपाऊ/२०१५/क्र.क.३७८/उर्जा ७/धोरण/ २०१७ दि.२२/०४/२०१७.
२) मा.महासभा ठराव क्र.१३८० दि.०६/१०/२०१८
३) मा.स्थायी समिती ठराव क्र.३१४ दि.२८/०२/२०१९
४) मा.सदस्य श्री.गुरूमीत बग्गा यांचे दि.२९/०६/२०१९ चे पत्र.
५) मा.सदस्य श्री. गजानन शेलार यांचे दि.२९/०६/२०१९ चे पत्र.

महोदय,

नाशिक मनपामध्ये PPP तत्वावर स्मार्ट लाईटिंग प्रकल्प राबविणेबाबत उपरोक्त सहपत्रित केलेल्या केलेल्या संदर्भ १ ते ३ प्रमाणे मान्यता मिळालेली आहे. नाशिक मनपाने MIC Electronics हैद्राबाद या कंपनीशी मनपा क्षेत्रात बी.ओ.टी. तत्वावर एलईडी लाईट बसविणे या कामाबाबत नाशिक जिल्हा न्यायालयात दावा क्र.१०/२०१५ व २९४/२०१५ प्रमाणे दावा दाखल केलेला आहे. त्यापैकी दावा क्र.१०/२०१५ बाबत न्यायालयाने दि.०८/०३/२०१९ रोजी अंतीम निकाल दिलेला असून दावा क्र.२९४/२०१५ बाबत दि.१९/०७/२०१९ अशी तारीख दिलेली आहे. तसेच मा.नाशिक जिल्हा न्यायालयाच्या १०/२०१५ च्या दाव्याबाबतच्या निकालाप्रमाणे नाशिक मनपाच्या वतीने Arbitrator नियुक्त केल्याची नोटीस MIC Electronics हैद्राबाद यांना दि.१०/०५/२०१९ प्रमाणे दिलेली आहे. त्याबाबत मे. MIC Electronics यांना नोटीस प्राप्त झाल्याची व त्याबाबत त्यांचे दि.२०/०६/२०१९ च्या ई-मेल पत्राव्दारे मनपास NCLT हैद्राबाद बेंच ची त्यांचे एका दुसऱ्या प्रकरणची दि.१३/०३/२०१८ ची प्रत जोडली आहे.

नाशिक मनपाच्या जून २०१९ च्या महासभेमध्ये काही सदस्यांनी असा प्रश्न उपस्थित केला की, मनपाने त्यांचे विषयांकीत PPP तत्वावरील स्मार्ट लाईटींग प्रकल्प राबविल्यास नाशिक मनपास MIC Electronics या कंपनीस नुकसान भरपाई द्यावी लागेल तदनंतर त्यांनी

मनपा आयुक्त सो. यांचे कडे लेखी पत्र देऊन (संदर्भ ४ व ५ सहपत्रीत केलेले) आक्षेप नोदविलेले आहेत.

उपरोक्त सर्व नमूद संदर्भ व दावे १०/२०१५ व २९४/२०१५ तदनंतरचे पत्र व MIC Electronics चे पत्र इत्यादीचे अवलोकन होऊन नाशिक मनपाने PPP तत्वावरील स्मार्ट लाईटींग प्रकल्पासाठी ई-निविदा प्रक्रीयेव्दारे पात्र ठरलेल्या मे.टाटा प्रोजेक्ट्स या कंपनीशी करारनामा करुन कार्यादेश देणेसाठी कार्यवाही करणे बाबत आपले अभिप्राय मिळणेस विनंती.

महोदय,

आमचे विभागाचे कार्यकारी अभियंता श्री.डी.बी.वनमाळी व उपअभियंता श्री.एच.के. पाटील यांनी दि.११/०७/२०१९ रोजी आपली प्रत्यक्ष भेट घेतली व चर्चा केली, तसेच त्याच वेळी आपली नाशिक मनपाचे मा.आयुक्त महोदय यांचेशी सुध्दा दुरध्वनीवरून चर्चा झालेली आहे.

नाशिक मनपाचे बीओटी तत्वावरील एलईडी लाईट बसविणे या कामाबाबत MIC Electronics यांचेशी नाशिक कोर्टात २ दावे दाखल करणेत आलेले होते. त्यापैकी दावा क्र.१०/२०१५ बाबत न्यायालयाने दि.०८/०३/२०१९ रोजी अंतीम निकाल दिलेला असून दावा क्र.२९४/२०१५ बाबत अद्याप पावेतो कोणताही निर्णय झालेला नाही.

दावा क्र.१०/२०१५ च्या दि.०८/०३/२०१९ च्या अंतीम निकाला प्रमाणे नाशिक मनपाने Arbitrator ची नेमणूक करून त्याबाबतची नोटीस या दाव्यात मनपाचे Sinior Advocate श्री.पी.नारायण सर यांचेमार्फत MIC Electronics यांना दि.१०/०५/२०१९ रोजी ई-मेल व पोष्टाने पाठविलेले आहे. मात्र MIC Electronics यांनी त्यांचे बाजूने Arbitrator नेमणे ऐवजी दि.२०/०६/२०१९ रोजी मा.आयुक्त मनपा यांना ई-मेल व्दारे त्यांचे अन्य एका दाव्यात NCLT हैद्राबाद बेंच दि.१३/०३/२०१८ च्या निकालाची प्रत जोडून त्यांचे प्रतिनीधी प्रभाकर एन. यांचे पत्राव्दारे कळविले आहे.

सदर बाबत नाशिक मनपा आयुक्त महोदय यांचेशी चर्चा केली असता या बाबत नाशिक मनपाने मुंबई उच्च न्यायालयात दाद मागावी असे निर्देश दिले आहेत. तरी आपण MIC Electronics यांचे उपरोक्त दाव्यातील मनपाचे Sinior Advocate श्री.पी.नारायण,पुणे यांचेशी चर्चा करून, याबाबत मुंबई उच्च न्यायालयात दाद मागणेकामी Petition तयार करून सादर करावे ही विनंती.

प्रत्यक्ष भेटीचे वेळी दि.११/०७/२०१९ रोजी अपणास खालील प्रमाणे झेरॉक्स सेट अवलोकनार्थ देणेत आलेले आहेत.

१) दावा क्र.१०/२०१५ ची प्रत.
२) दावा क्र.१०/२०१५ ची अंतरिम निकाल प्रत.

9660

३) दावा क्र.१०/२०१५ ची अंतीम निकाल प्रत.

४) दावा क्र.२९४/२०१५ ची प्रत.

५) ॲड.पी.नारायण सो. यांचे मार्फत MIC Electronics यांना दिलेल्या दि.१०/०५/२०१९ च्या नोटीस ची प्रत.

६) MIC Electronics यांचे दि.२०/०६/२०१९ रोजी प्राप्त झालेल्या पत्राची प्रत.

७) नाशिक मनपा मध्ये B.O.T. तत्वावर एलईडी लाईट लावणे या कामाच्या नस्तीची झेरॉक्स प्रत, त्यामध्ये झालेल्या करारनामा व कार्यादेशाची प्रत आहे.

तरी वरील प्रमाणे कार्यवाही करावी ही विनंती.

Subject – Getting opinion on the Project of Nashik Municipal Corporation project: Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings on Public-Private-Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) Basis

Dear Sir,

This is in reference to Request for Proposal for selection of Concessionaire for Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings on Public-Private-Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) Basis.

A. Escrow Clarification

The matter is related to opening and making initial deposit in Escrow. Condition of Escrow varies in parts of RfP, as follows:

1. RfP

Clause 4.4 under heading "relating to escrow account, if any" and sub-heading "Deposit and Replenishment Request": ***After successful implementation period (9 months) NMC shall deposit an initial deposit amount as last three month MSEDCL bill amount*** + (average baseline energy consumption per month * guaranteed saving quoted by bidder * 3 * unit rate); After that for each month NMC will deposit amount equal to (Last month MSEDCL bill*100/(100-guaranteed saving quoted by bidder)). In the event that the amount in CONCESSIONAIRE Project
Account falls below 30% of the previous deposited amount or on payment of monthly energy saving fee for subsequent two months, whichever is earlier, the Escrow Agent shall send a written request (Replenishment Request) to NMC to replenish the CONCESSIONAIRE Project Account and with a copy to the CONCESSIONAIRE for the same."

2. Clause 8.4. of RfP - Annexure IV: Draft Agreement

(also referred to as Energy Savings Performance Contract (ESPC) or Concession Agreement)
Clause 4.2.b of this Draft Agreement: ***NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills within 1 month of the signing of Energy Savings and Performance Contract (ESPC).***

96692

3. Clause 8.7. of RfP - Annexure VII: DRAFT ESCROW AGREEMENT

Clause 3.2.a of Draft Escrow Agreement:

The Authority agrees and undertakes that, as and when due and payable, it shall deposit into and/or credit the Escrow Account with:

(a) After successful implementation period (9 months) NMC shall deposit an initial deposit amount as last three month MSEDCL bill amount + (average baseline energy consumption per month * guaranteed saving quoted by bidder

B. Request by Tata Projects Limited (TPL)

TPL won the bid and was issued Letter of Award on March 6, 2019. However, due to their internal process and lending bank request, TPL has requested to follow the provision related to opening and initial deposit in Escrow as per draft Agreement (appended in RfP under its Clause 8.4), which is: ***"NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills within 1 month of the signing of Energy Savings and Performance Contract (ESPC)".***

It may be noted that the initial deposit would lie in Escrow account for approximately 9 months (which is period of installation of Street Light fixtures) and disbursements would be made to TPL only after installation of at least 80% fixtures. This is settled as per RfP conditions, draft agreement, draft Escrow agreement and there would not be any change in this condition.

Your opinion is requested on whether it would be permissible to open and make initial deposit in Escrow account as per draft Agreement (appended in RfP under its Clause 8.4) in case TPL's Escrow bank offers equal or more interest than what is current interest rate on NMC deposits (hence no financial loss to NMC)?

Subject: Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings on Public-Private Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) basis **– Signing of Contract Agreement**

Dear Sir,

In reference to the subject matter and in continuation to TPL's letter cited at Sr. No 4, we further clarify the following for your kind consideration:

1. Your good self may please acknowledge that the draft Contract Agreement at Annexure-IV, Page 126 of Concessionaire document, provides the provision of funding of Escrow account by NMC within one month of signing of Energy savings and Performance Contract (ESPC).

2. Accordingly, we have proposed to sign the ESPC as per the aforesaid provision vide E-mail dated 04.05.2019 which was also acknowledged by NMC vide E-mail dated 08.05.2019.

3. Subsequently, NMC vide E-mail dated 09.05.2019 has informed that they propose to modify the above existing provision of the draft Concession Agreement which led to the current lack of consensus on the contents for signing of Agreement.

4. NMC has informed that they intend to rely on the provisions mentioned in RFP and draft Escrow agreement format which state that Escrow agreement shall be funded after 9 month implementation period.

5. In the above regard, TPL invites attention to clause 2.1 of draft Contract Agreement which clarifies that the Concessionaire Agreement has the highest priority in event of any conflict / ambiguity.

TATA PROJECTS LIMITED
One Boulevard 2nd 3rd & 4th Floor Lake Boulevard Street Powai Mumbai 400 076
Tel + 91 22 6740 2900 Fax + 91 22 2570 0174
e-mail tplmumbai@tataprojects.com www.tataprojects.com

96668

6. Accordingly, the funding of Escrow account by NMC is to be done within one month of signing of ESPC as per clause 2.1 of draft Concession Agreement.

7. Notwithstanding the above, if NMC still considers that there exists an ambiguity regarding the funding of Escrow account, TPL informs that such ambiguity is to be dealt as per the rule of "Contra Proferentem" in the Contract law. The said principle states that, where a promise, agreement or term is ambiguous, the preferred meaning should be the one that works against the interests of the party who provided the wording i.e., the contract draftsmen is to bear the consequences of any ambiguity under the Contract.

In view of above, TPL requests NMC to consider the acceptance of provision regarding the funding of Escrow Agreement as mentioned in the draft Concessionaire Agreement for earliest signing of Contract. Notwithstanding the aforesaid, TPL informs its readiness to resolve the issue amicably and looks forward for earliest signing of the Contract.

Thanking you and assuring our best of services at all times.

Yours faithfully,

For Tata Projects Ltd.

Date : 31.07.2019

To,
The Hon'ble Commissioner,
Nashik Municipal Corporation, Nashik.

Reference : Your letter bearing No. 530/2019 sent by Additional Engineer Electrical Department for my opinion.

Sir,

With reference to said letter in connection with the contract entered into with MIC Electronics following are my observations and opinion.

That in connection with said contract which was entered into with MIC Electronics there were lacunas on part of MIC. That in first place said MIC Electronics did not start work as contemplated, in the second place the LED lights which were supplied were not up to standard prescribed by agreement, in the third place material supplied was not accompanied by certificate issued by Government, in the fourth place the company has got the bank guarantees split into two bank guarantees at Rs. 20 Crores each and one bank guarantee of Rs. 40 Crores and has illegally assigned the bank guarantee worth Rs. 40 Crores in favour of Energy Efficiency Services Ltd. without consent of bank and against norms of Reserve Bank of India.

It is worth noting that in spite of default committed by MIC Electronics, the company itself issued notice of termination dated 20.05.2015 and therefore apprehending encashment of bank guarantee two proceedings were initiated one in form of application under section 9 of Arbitration Act and another by way of Special Civil Suit where in Energy Efficiency Service Ltd. was made a party who was not party to Arbitration

Chamber : 1 New Lawyer's Chamber, District Court Compound, Shivajinagar, Pune 411 005 ☎ 25534887 Time : 11 a.m. to 5 p.m.
Office : Block No. 3, Uberoi House, S. No. 67/2, Nal Stop, Karve Road, Pune 411 004 ☎ 25434758, 25435514 Fax No. : 2544956+
Time : 9.30 to 11 a.m. / 6 to 8.30 p.m. E-mail : pnarayan001@gmail.com

agreement. The said suit was filed as per the existing provision of Arbitration Act.

It is also pertinent to note that said company MIC Electronics had filed Writ Petition No. 9873/17 before Hon'ble Bombay High Court seeking directions for implementation of LED project. The Hon'ble High Court by its order dated 12.10.2017 has rejected Writ Petition and has observed "that the notice dated 20.05.2015 and Writ Petition clearly show that the petitioner is approbating and reprobating in matter pertaining to agreement".

That in fact said act of approbating and reprobating is also evident from fact that the said company has been attempting to approach Corporation as well as Government to pressurize Corporation to again allot the work to them in spite of notice of termination.

According to me once the company has allegedly terminated the agreement only alternative left with the Corporation is to find some other supplier for supplying LED which is being done by the Corporation and make claim against company.

That as regards the query of the corporators which is annexed to letter sent to me I am of the opinion that the company itself has terminated the contract on 20.05.2015 and has not taken any action for recovery of alleged compensation after accrual of alleged cause of action and therefore according to me any claim if made prima facie would be beyond limitation.

That in light of what is stated above there is no impediment in way of Municipal Corporation floating another tender and allotting contract to any third party at cost and risk of MIC Electronics, I hope this satisfies your query.

Regards.

दि. ०१/०८/१९

विषय : म.न.पा. नाशिक विद्युत विभागाद्वारे नवीन LED प्रकल्प निविदा प्रक्रिया संबंधी हरकत असणे बाबत.

महोदय,

वरील विषयानुसार आपणास कळवु इच्छीतो की, म.न.पा. नाशिक विद्युत विभागाने नवीन LED प्रकल्प साठी निविदा प्रक्रिया राबवलेली आहे. सदरील कामा करीता निविदा प्रक्रिया करारनाम्या पर्यंत पोहचलेली आहे परंतु सदरील नवीन निविदा प्रक्रिया राबवितांना अनेक गंभीर स्वरुपाचे चुका म.न.पा.विद्युत विभाग व प्रशासनने केलेले आहे. ज्याचा आर्थिक भुरदंड म.न.पा. च्या तिजोरीवर येवु शकतो.

मागील LED प्रकल्प मक्तेदार एम.आय.सी. कंपनी ला LED प्रकल्प मध्ये कार्यादेश देण्यात आलेला होता आणि या कंपनीने LED दिवे लावण्याचा काम सुरू ही केलेला होता. काही कारणास्तव एम.आय.सी. कंपनीकडुन म.न.पा. ने काम काढुन घेतले. एम.आय.सी. कंपनी नुकसान भरपाईसाठी मा. उच्च न्यायालयामध्ये अपीलाद्वारे दाद मागण्यासाठी गेलेली आहे. अद्याप मा.उच्च न्यायालयाचा या अपीला संदर्भात निर्णय येणे प्रलंबित आहे. या दरम्यान म.न.पा. विद्युत विभागाने नवीन LED प्रकल्प निविदा प्रक्रिया राबवुन करारनाम्या पर्यंत आणुन ठेवलेली आहे.

सदरील नवीन LED प्रकल्पाला स्थायी समिती मध्ये प्रस्तावीत करतांना प्रशासनाकडुन मागील न्यायालयीन प्रक्रिया बाबत स्थायी समितीला पुर्णपणे अंधारात ठेवण्यात आले होते. स्थायी समिती मध्ये आम्ही सदस्यांनी लोकांचे हित व शहराची गरज बघुन या प्रस्तावाला मंजुरी दिली होती. कालांतराने न्यायालयीन प्रक्रिया बाबत मला माहिती झाली आणि ही बाब अत्यंत गंभीर आहे हे लक्षात आल्यानंतर मी सदरील माझी हरकत नोंदवित आहे. जर या प्रकरणात एम.आय.सी. कंपनीच्या बाजुने मा.उच्च न्यायालयाचा निर्णय गेल्यास तर म.न.पा. ला मोठा आर्थिक भुरदंड सोसावा लागेल. यासाठी नवीन निविदा प्रक्रिया राबविणारे तत्कालीन आयुक्त, विद्युत विभागाचे अभियंता ज्यांनी नवीन प्रक्रियेला मंजुरी दिलेली आहे. त्यांना वैयक्तीक जवाबदार धरण्यात यावा. भविष्यात आर्थिक भुरदंड म.न.पा. च्या तिजोरीतुन न देता यांना वैयक्तीक जवाबदार धरून वसुल करण्यात यावा.

WHEREAS:

a. Nashik Municipal Corporation (NMC) operates the street lighting infrastructure in the city of Nashik and wishes to enter into a Concession Agreement with the Concessionaire. The Concessionaire will undertake the work of replacement of existing street lights in the Pan City area of Nashik City, with energy efficient smart LED street lights, installation of control systems along with operation & maintenance for a Concession Agreement period of 7 Years 9 months and 15 days (the Project) including installation period of 9 months and 15 days (extendable by 3 months with prescribed penalty clause) and remaining for O&M and energy savings payment from the Effective Date. The concession period may be extended for next 3 years on the condition to maintain the minimum Performance criteria's as per the RFP based on mutual discussions after successful completion of 6 years of O&M duration
b. The Project area has approximately 80685 street light poles and about 92014 fixtures on the existing street light poles which were operated by 1840 switching points/ feeder panels.
c. The Concessionaire had submitted a bid in response to the request for proposal issued by NMC. During technical evaluation the concessionaire has successfully demonstrated the proof of Concept as per the mentioned criteria in the RFP of smart LED lamps & proposed CSLMS system which has met the technical specifications.
d. NMC has issued LoA no. 238 dated 06.03.2019 and concessionaire has submitted the requisite PBG of
Rs. 8,25,00,000/- (Rs. Eight crore twenty five lakhs only) issued by State Bank of India vide no. 1303919BG0000165.
e. NMC has invited the Concessionaire to enter into this Concession Agreement.
f. The following documents shall be deemed to form and be read and construed as part of this Concession Agreement.
    a. Conditions of Contract
    b. Scope of Services
    c. Technical Specifications of the Project
    d. Baseline energy consumption
    e. Format for weekly reporting of fixture replacement
    f. Service Level Agreement
    g. Letter of Award and
    h. Results of Live Demonstration
    i. All issued corrigenda and addenda

IN WITNESS WHEREOF, the Parties, intending to be legally bound, have caused this Concession Agreement to be executed on INR 500 stamp paper by their duly authorized representatives on 20th (twentieth) day of August, 2019.

NOW THEREFORE, the Parties agree as follows:

1. Definitions and interpretations

In this Concession Agreement (including the recitals and schedules), the following words and expressions have the following meanings:

Authority - Municipal Commissioner, acting on behalf of Nashik Municipal Corporation (NMC)

9229

Commissioning Certificate will be issued by NMC against the installation, verification and testing of all the proposed street light technologies and infrastructure along with CSLMS panels.

Consent - means any permit, approval, authorization, agreement, no objection certificate, waiver or license which is required to be obtained by the Concessionaire in order to perform the Services.

Concession Agreement – this energy saving performance contract entered into between NMC and the Concessionaire on the date hereof, including the recitals and schedules, as may be amended from time to time by the Parties.

Concession Agreement Officer – An officer who has been dully authorized on behalf of NMC

Concessionaire –The Selected Bidder who is responsible for design, build, financing, operate, maintain, monetize and transfer of the Project.

Concessionaire Representative - the person appointed by the Concessionaire to represent the Concessionaire and communicate with NMC.

Corrupt Act – the act of promising, giving, receiving, or agreeing to receive money or some other item of value with a corrupt aim, or perceived aim, of influencing a public official in the discharge of his official duties; and acts giving rise to criminal liability under Indian Laws

Day- Day means a calendar day

Delay Liquidated Damages - means an amount per week of delay calculated in accordance with Section VII of the RFP in the event the Services are not completed in accordance with the Timeline.

Effective Date – the date on which this Concession Agreement and all of its schedules are signed by the duly empowered representatives of all the Parties.

Energy Baseline - has the meaning given in clause 4.9 of RFP.

Energy Conservation Measures (ECSLMS) – the installation of new equipment, modification or alteration of the Existing Lighting Infrastructure by the Concessionaire at the Concessionaire's cost, in the city of Nashik, or revised operation and maintenance procedures to reduce energy and maintenance costs by improving efficiency of use.

Energy Savings - Energy savings is a reduction of energy consumption or electrical demand resulting from the Concessionaire's ECSLMS taking into considerations quality of power supply.

Engineer In charge – Nominated authorized person of NMC.

Existing Lighting Infrastructure - all NMC owned street lighting equipment and apparatuses, including, but not limited to, poles, cables, wires, lighting fixtures, fittings, ballasts, lamps, tubes, switching devices and timers within the Project Area.

Force Majeure Event - has the meaning given in clause 28 of this agreement.

Laws – all current or future applicable Indian laws, administrative regulations, local regulations, regulations on the exercise of autonomy, special regulations, rules, judicial interpretations and other regulatory documents with legal binding force or any compulsory requirement.

Lender – any agency/ person providing financing to the Concessionaire in relation to this Project.

Nodal Officer: Authorized representative representing the Office of Authority

Operation and Maintenance (O&M) – all the activities required for operating and maintaining the street lighting fixtures handed over to the Concessionaire within the Project Area including, but not limited to, those required for meeting the lighting standards specified in this Concession Agreement.

Performance security – has described in Clause 30 of this agreement.

Project – has the described given in the Recitals.

Project Area – has the described given in the Recitals.

Services – the services to be performed by the Concessionaire pursuant to this Concession Agreement and described in Section IV of the RFP.

Term – the period starting on the Effective date and ending after a period of 7 Years 9 months and 15 days from the Effective date, as may be extended in accordance with section 4 of RFP, or on the Termination Date, whichever is earlier The concession period may be extended for next 3 years on the condition to maintain the minimum Performance criteria's as per the RFP based on mutual discussions after successful completion of 6 years of O&M duration

Year- means the financial year beginning on the 1st day of April and ending on the 31stday of following March.

2. Interpretations

In this Concession Agreement, unless the context otherwise requires,

a) the words "include" and "including" are to be construed without limitation;
b) Energy Efficiency and EE will be used interchangeably in the document hereafter.
c) any reference to day, month or year shall mean a reference to a calendar day, calendar month or calendar year respectively;
d) the Schedules to this Concession Agreement form an integral part of this Concession Agreement as though they were expressly set out in the body of this Concession Agreement;
e) any reference at any time to any agreement, deed, instrument, license or document of any description shall be construed as reference to that agreement, deed, instrument, license or other document as executed, amended, varied, supplemented, modified or suspended at the time of such reference;
f) any agreement, consent, approval, authorization, notice, communication, information or report required under or pursuant to this Concession Agreement from or by any Party shall be

9230

valid and effectual only if it is in writing under the hands of duly authorized representative of such Party in this behalf and not otherwise;

g) any reference to any period commencing "from" a specified day or date and "till" or "until" a specified day or date shall include both such days or dates;

h) "person" shall be construed as a reference to any person, firm, company, corporation, society, trust, government, state or agency of a state or any association or partnership (whether or not having separate legal personality) of two or more of the above and a person shall be construed as including a reference to its successors, permitted transferees and permitted assigns in accordance with their respective interests;

i) The documents forming part of this Concession Agreement are to be taken as mutually explanatory to one another and, unless otherwise expressly provided elsewhere in this Concession Agreement, the priority of the following documents shall, in the event of any conflict between them, be in the order set out hereunder:
   - this Concession Agreement
   - all other documents forming part of this Concession Agreement

j) The tables of contents and any headings or sub-headings in this Concession Agreement have been inserted for ease of reference only and shall not affect the interpretation of this Concession Agreement.

3. Concession Agreement Documents

This Concession Agreement is the entire agreement between the Parties, and no alterations, changes or additions thereto shall be made, except in writing approved by the Parties.

4. Term and commencement

4. 1. Effective Date and Term

This Concession Agreement comes into effect on the Effective Date and expires after 7 Years 9 months and fifteen days from the Effective Date (the "Term"), unless terminated earlier pursuant to Clause 10 of this agreement or extended in accordance with clause 4.3 of this agreement.

4.2. Conditions Precedent

The Parties shall ensure that the following conditions are met as soon as possible following the Effective Date:

a. The Concessionaire has paid a fee in Indian Rupees equivalent to INR 85,00,000/- (Rupees Eighty five lakhs only) as an Earnest Money Deposit (submitted at the time of RFP stage). The same shall be returned by the Authority within 15 (fifteen) days of receipt of Performance Security of Rs. 8,25,00,000/- (Rupees Eight Crores Twenty Five Lakhs Only) from the Concessionaire.
b. NMC shall, in agreement with the Concessionaire, open an ESCROW account in a nationalized/scheduled commercial bank and shall deposit an amount equal to three (3) month of electricity bills within 1 month of the signing of Energy Savings and Performance Contract (ESPC)
c. NMC shall provide the Concessionaire with an authorization letter granting the Concessionaire the access to the Existing Lighting Facilities/infrastructure.

9132

4.3. Extension of Term

NMC on receiving request from the Concessionaire may at its discretion, permit extension of time for execution of the Concession Agreement. The Concession Agreement Period would be 7 Years 9 months and 15 days including implementation period of 30 days of Survey + 8.5 months of installation (extendable by 3 months with prescribed penalty) and remaining for O&M and energy savings payment. After the end date of Concession Agreement, the Concessionaire will not be eligible for any payment except the pending payment of contract duration. The concession period may be extended for next 3 years on the condition to maintain the minimum Performance criteria's as per the RFP based on mutual discussions after successful completion of 6 years of O&M duration

5. Services

5.1. Scope of Services

Without prejudice to any other provision of this Concession Agreement, the Concessionaire shall carry out the Services set out in Section 4 of RFP within the Project Area and undertake the other obligations to be performed by the Concessionaire as further described in this Concession Agreement from the Effective date and until the end of the Term.

5.2. Extension of the Scope of Services

In view of the continuous development of the city, the Concessionaire may be asked to install additional street lights and CSLMS panels and connect the same to overall CSLMS system. In case of such additions after commissioning of the project, the Concessionaire needs to provide fixture capex and cost for O&M per year wattage wise as per asked in the financial format.

Undertakings

The Concessionaire undertakes the following:

a) The provision of the Services shall not contravene any Law of the Country and shall comply with all Laws;
b) The Concessionaire shall perform and complete the Services in a professional, timely, safe and environmentally responsible manner and comply with the safety, health and security regulations in force in India and the State of Maharashtra;
c) The Concessionaire shall use appropriate, advanced and proven technology, software and information systems; and
d) The Concessionaire shall carry out its obligations under this Concession Agreement in a manner which is consistent with Indian standards, international best practices, methods, techniques, skills, diligence and prudence which are generally expected from a Concessionaire with similar obligations.

6. NMC's Responsibilities

6. 1. Access

9L3r

NMC shall be responsible for providing the Concessionaire with, free of charge, on and from the Effective Date, access to all the information and data with regards to, the Existing Lighting Infrastructure and all land in the Project Area whose access is required for the performance of Services and in respect of which NMC has control. Access to the Existing Lighting Infrastructure and the land within the Project Area shall confer on the Concessionaire a right to only use the Existing Lighting Infrastructure and the land necessary to enable the Concessionaire to carry out the Services.

The Concessionaire will be provided with a small place in each zone with basic infrastructure where the Concessionaire will make available a person with amenities like computer, printer, phone, complaint register, etc. during working shift timings to register complaints regarding street lighting. These complaint handling centers will be connected to NMC's existing Complaint Management System and such centers should become fully operational within 30 days of allocation of such space by Authority.

If NMC removes any particular pole or fixture after commissioning, the Concessionaire shall be entitled for the Energy Savings Fee that would have arisen out of the energy savings pertaining for such fixture for the remaining life of the Project. If access to any particular pole or fixture is not provided by NMC to the Concessionaire during O&M phase; the Concessionaire shall be entitled to the Energy Savings Fee for the fixtures that would have arisen out of the energy savings pertaining to such fixtures for the amount of time when access was not provided.

6.2. Assistance to Concessionaire

If requested by the Concessionaire, NMC shall facilitate the Concessionaire in a timely and expeditious manner with the following:

a. Obtaining all the consents necessary for the Services (excluding the qualifications that the Concessionaire should already possess) such as construction permits, permits for temporary suspension of water, power or traffic, etc.
b. Protecting underground pipelines, buildings and structures (including historic relics) and trees located on or close to the Project Area
c. Consulting with the Concessionaire if any construction or installation project implemented by NMC or other local public entity in the city of Nashik may have direct or indirect impact on the Concessionaire
d. Obtaining MSEDCL's full cooperation during the Term of the Concession Agreement.

However, the Concessionaire has to arrange all the machineries and equipment required for the implementation of the project at its own expense. Also the Concessionaire shall procure at their sole expenses all permits and licenses and pay all charges and fees for lawful execution of the work.

6.3 Lux level measurements

At random during project operation, NMC official shall ask Concessionaire to demonstrate the lux level of operating LED fixture to check compliance with the data recorded during live demonstration. Under such case, Concessionaire will have to install the LED fixture at the site of live demonstration and verify the lux level. If, during such test it is found that lux level has fallen below the minimum required average lux level and uniformity ratio, Concessionaire at its own cost will have to replace all the LED fixtures with similar wattage as per the direction of Engineer In charge. Also, the average

9236

lux level and uniformity ratio measured, for the existing street light fixture, during the live demonstration will be binding throughout the project term.

6.4 Operation and maintenance

NMC shall be responsible for the O&M of all the identified switching points and street lighting fixtures until the same are handed over to the Concessionaire.

The Concessionaire's Responsibilities

7.1. Energy Baseline Determination

NMC has provided a snapshot of energy consumption baseline conditions of street lighting under its jurisdiction in clause 4.9 of the RFP. Assuming 100% of the street lights are in operation and the average operating hours of the street lights is 11 hours/ day.

The baseline defined in clause 4.9 of the RFP is for existing condition of street lighting system in Nashik. However, actual baseline during the installation period (i.e. from the start of project to complete installation) may vary by ± 15% in terms of number of light points as well as electricity consumption. The Concessionaire may be asked by NMC to install/ uninstall light points during the time of implementation and subsequently, the baseline will be modified on the completion of installation of LED lights. This modified baseline will be considered for assessment of energy savings throughout the concession period for verifying the actual saving.

The Concessionaire, immediately from the Effective date, shall undertake field survey of street lighting systems to identify the fixtures for replacement. The Concessionaire has to perform this task in parallel to other activities and no additional time will be provided for this activity.

7.2. Services

The Concessionaire shall execute the services to be provided in accordance with scope of work.

7.3. Timeline for implementation of the project

The Services to be performed by the Concessionaire has been classified into two tasks.

The Concessionaire has to adhere to the stipulated timelines as mentioned hereunder:

Survey Period: - 30 days Implementation Period: - 8.5 months O&M Period: - 7 Years

Task 1: Replacement of existing luminaires (within municipal boundary of Nashik Municipal Corporation) with LED luminaires (including LED lamp, driver and Luminaire) and installation of (CSLMS) – This activity shall be completed within 9(nine) months and (fifteen) 15 days from the date of signing of this Concession Agreement.

Task 2: Undertake comprehensive operation and maintenance of street lighting network – This activity shall commence from the date of issue of satisfactory Installation, Testing and Commissioning certificate of all LED Street lights from Engineer-in-charge (i.e. only after complete installation in

any particular zone) and shall continue for 7 (seven) consecutive years from the date of completion of Task 1.

7.4. Extension of Implementation Timeline

Notwithstanding the clause 4.3 of this Contract, if the Concessionaire does not have access to part or the whole of the Existing Lighting Infrastructure for any reason, including, but not limited, to a Force Majeure Event (as defined in clause 28 of this agreement) for any period of time during the Term, then the Concessionaire shall be excused from the performance or punctual performance of its obligations under this Concession Agreement for such period of time when the Concessionaire does not have access to all the Existing Lighting Infrastructure in the Project Area. Also, the timeline shall be extended for an equal period of time during which the Concessionaire didn't have access to all the existing Lighting Infrastructure.

7.5 Safety: Concessionaire has to take adequate measures for electrical safety of the systems.

Once the street light to system is handed over to Concessionaire, up to the end of the Concession period, Concessionaire will be solely responsible for any type of electrical accident (Fatal/non-fatal) and related legal and financial Consequence responsibilities shall be borne by Concessionaire.

8. Asset Ownership

8.1. Existing lighting fixtures

NMC shall at all times during the Concession Agreement period remain the owner of the land and the existing lighting infrastructure under its jurisdiction.

The Concessionaire will not be held liable for lighting infrastructure existing prior to the date of commissioning of LED luminaires and CSLMS panels or arising from any event or circumstance that occurred prior to the date of commissioning.

The Concessionaire shall ensure the proper recording of the dismantled conventional fixtures, as per format attached at Annexure V, to office of Authority at least on weekly basis.

8.2. Newly installed equipment and systems

The Concessionaire shall remain the owner of the LED luminaires and CSLMS panels installed by it during the term. The Concessionaire shall undertake all the procurement of equipment and services necessary for the Project. This LED luminaires and CSLMS panels installed by Authority under this contract shall be free of any lien and should have paid all applicable taxes. At the end of the Term, the Concessionaire shall submit to Authority a list of all the equipment, fittings or other items that were replaced during the Terms.

The essence of this Concession Agreement is to keep all the street lights 'ON' and as such any non-functioning of street light fixtures/feeder panels/poles will be adversely reflected on the performance of the Concessionaire. Hence it will be in the interest of the Concessionaire to identify & attend to the

9200

faults & keep the lights 'ON' in a safe manner. The Concessionaire should employ only qualified and experienced personnel, use proper instruments, take adequate precautions, use good quality material, have proper supervision and maintain proper complaint management and public relations.
The Concessionaire should monitor the electrical load on each phase and each circuit in the panel & also maintain load balance equally on all the phases. He should never allow any circuit to be overloaded.

The material used for the work shall be new & of best quality available and work should be carried out with best workmanship. The material used and works carried out shall conform to the relevant Electricity Act 2003 as amended and rules of Bureau of Indian standards.

At the expiry of the Term/termination of the concession agreement, all rights and titles to, and interests in, all improvements and equipment constructed or systems installed shall be vested in NMC, free and clear of all and any liens and encumbrances created or caused by the Concessionaire. The Concessionaire shall surrender possession of the LED luminaires and CSLMS panels, along with CSLMS bill of material, to NMC.

10. Termination

10.1. Termination events
This Concession Agreement shall terminate:
a. due to a Force Majeure Event in accordance with clause 28;
b. due to a NMC/ Event of Default in accordance with clause 11 and
c. due to a Concessionaire Event of Default in accordance with clause 12;

11. NMC Event of Default

The following events, provided that they are not caused by a Concessionaire Event of Default or a Force Majeure Event and are not cured within sixty (60) days following the issuance of a notice from the Concessionaire, shall constitute a "NMC Event of Default" and the Concessionaire shall be entitled to terminate this Concession Agreement:

a) NMC fails to deposit monthly electricity bill or any other payment in the Escrow Account, for more than 1 months from its collection;

12. Concessionaire Event of Default

The following events, provided that they are not caused by a NMC or a Force Majeure Event and are not cured within sixty (60) days or within specified timelines, following the issuance of a notice from NMC, shall constitute a "Concessionaire Event of Default" and Authority shall be entitled to terminate this Concession Agreement:

a) The Concessionaire made any representation or warranty that was incorrect when made in the bid or during the Concession Period;
b) Liquidation or insolvency of the Concessionaire
c) Transferring the Services in violation of this Concession Agreement;
d) The Concessionaire has been convicted of a fraud and corrupt practices ;
e) The Concessionaire is in material breach of any of its obligations under this Concession Agreement;

9182

Agreement;

f) NMC or Authority determines that the Concessionaire has, directly or indirectly, engaged in corrupt practices, fraudulent practices, coercive practices, undesirable practices or restrictive practices during the bidding process for this Project; and

g) The Concessionaire's failure to pay the Delay Liquidated Damages as per Section VII of the RFP.

Notwithstanding the above provisions, failure by the Concessionaire to issue monthly reports, daily reports and annual electrical safety energy audit report in accordance with clause_31 of this Concessionaire agreement shall automatically constitute a Concessionaire Event of Default without having to wait for the end of the sixty (60) days cure period.

13. Termination Procedure

13.1 Termination of this Concession Agreement by Authority

Authority may terminate this Concession Agreement by giving a termination notice to the Concessionaire if a Concessionaire Event of Default has occurred and continued for more than sixty (60) days or within specified timelines after Authority notified the Concessionaire of such Concessionaire Event of Default.

13.2 Termination of this Concession Agreement by Concessionaire

The Concessionaire may terminate this Concession Agreement by giving a termination notice to Authority if a NMC/ Authority Event of Default has occurred and continued for more than sixty (60) days after Authority has received a notice from the Concessionaire mentioning the Authority Event of Default and requesting Authority to remedy such Authority Event of Default.

14. Termination Payments

14.1 In Case of Force Majeure Event

Post the Force Majeure Event, the parties will have two options:

(a) Continuation of the Contract: After a Force Majeure event, both parties may mutually agree for continuation of the Contract. The Concessionaire shall have the right to two remedies under this option. 1) Recovery of costs of damaged assets through insurance claim, and, 2) equal sharing of costs of restoration of damaged assets between the Authority and the Concessionaire as duly certified by a reputed auditor appointed by the Authority. No additional compensation may be payable by the Authority on any account including loss of income.

(b) Termination of the Contract: After a Force Majeure event, both parties may mutually agree r termination of the Contract. Both parties shall have the right to a remedy under this option. 1) Equal sharing of the recovery of costs of damaged assets through insurance claim, and, 2) payment of 50% of the Book value of the surviving assets by the Authority to the Concessionaire as duly certified by a reputed auditor appointed by the Authority. The Concessionaire agrees and undertakes to transfer the title and ownership of the assets including the equipment constructed or systems installed up to the Termination Date, utilized by it for provisioning of Services under this Agreement within a period

of 30 days. No additional compensation may be payable by the Authority on any account including loss of income.

14.2 In case of Concessionaire Event of Default

If transfer of Assets happens before the expiry of term due to a Concessionaire Event of Default, then no payment will made to Concessionaire and all the equipment constructed or systems installed by Concessionaire up to the Termination Date will be forfeited.

14.3 In case of NMC's Event of Default

(a) If transfer of Assets happens before the expiry of term due to a NMC Event of Default, the Authority shall pay the Concessionaire 100 percent of the book value in relation to such assets including the equipment constructed or systems installed up to the Termination Date, as duly certified by a reputed auditor appointed by the Authority.

15. Transfer

Minimum six (6) months before the end of Authorisation Period, the Parties shall discuss whether this Concession Agreement shall be renewed or not. If the Parties decide not to renew the Concession Agreement, then all the then Existing Lighting Infrastructure as may have been upgraded and maintained by the Concessionaire shall be transferred to NMC free of charge on the day immediately following the end of the Term.

During the Exit Management Period, the Concessionaire will transfer all the assets in normal working condition and as per the specifications of the clause 33 of this Concession agreement including the ones being upgraded.

The Concessionaire, if not already done, shall transfer all the right to use software licenses under the name of NMC during the Exit Management Period. The Concessionaire shall also transfer all the relevant Software Passwords, User Names and Keys. If such a transfer of Assets happens before the expiry of term, Parties shall mutually discuss and agree on the Assets together with the termination and transfer assistance fee.

The Concessionaire shall be entitled to use the Assets for the duration of the exit management period which shall be three months from the date of expiry or notice of termination of the Agreement.

For any material breach on the part of Concessionaire during the Project Implementation Phase and Operation & Management Phase, NMC is entitled to provide notice in writing on the Concessionaire at any time during the exit management period as detailed here in above requiring the selected Concessionaire to provide the department or its nominated agencies with a complete and up to date list of the Assets within 30 days of such notice.

16. Employees and training

NMC shall remain the principal employer of the Nashik Municipal Corporation employees working for the street lighting department. Such employees may or may not, at the Concessionaire's sole discretion, be seconded to the Concessionaire for a specific duration and under terms and conditions

3876

to be agreed upon between the Parties. The Concessionaire has no obligation to employ directly or indirectly any municipal employees.

The Concessionaire will organize training program at NMC office wherein the Concessionaire will train the employees of NMC on any day within one month of the date of commissioning and on any day within last quarter of end of Concession Agreement period on the operation, maintenance and repair of the equipment and systems installed by the Concessionaire

The Concessionaire's personnel, representatives or other members of the Consortium shall be under the complete control of the Concessionaire and shall not be deemed to be employees of NMC in any case.

17. Delay liquidated damages

Where the Concessionaire fails to complete the Services within the Timeline provided under clause 7.3 and 7.4 of this agreement, Authority shall be entitled to apply Delay Liquidated Damages as per Section VII.

18. Limitation of Liability

Neither NMC nor the Concessionaire shall be liable to the other under this Concession Agreement for any loss of profit, loss of revenue or any other indirect or consequential damages that may be suffered by the other Party unless otherwise specified in this Concession Agreement.

Unless this Concession Agreement provides otherwise, no approval, expression of satisfaction, comment, review, payment or certificate whatsoever made or given (or any failure to make or give the same) by NMC/Authority its employees under this Concession Agreement, shall relieve the Concessionaire of any of its obligations, risks or liabilities under this Concession Agreement.

19. Third party claims
19.1 Indemnification

The Concessionaire shall indemnify and hold NMC and Authority and its employees harmless from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs and expenses of whatsoever nature, including attorney's fees and expenses, that arise in connection with the execution of the Services due to the negligence or wilful misconduct of the Concessionaire, any Sub Concessionaire or their employees, in respect of the following:

a) the death or injury of any person;
b) loss or damage to any property, real or personal; and
c) Third party losses and claims.

19.2. Handling of Claims

If any proceedings are brought or any claim is made against NMC or Authority in relation to the performance of the Services by the Concessionaire, or any of its employees, NMC or Authority shall promptly notify the Concessionaire and set out full particulars of the claim. The Concessionaire shall

৭২৮

conduct such proceedings or claims and any negotiations for the settlement of any such proceedings or claims at its own expense and on behalf of NMC or Authority and with Authority's assistance.

20. Settlement of disputes 20. 1 Consultation

Both Parties must agree that in the event any dispute, controversy or claim arising between the Parties out of, under or in connection with this Concession Agreement, or in the interpretation of any of its provisions, including any question regarding its existence, validity or termination, the Parties shall meet promptly on the request of either Party in an effort to resolve such dispute, controversy or claim through consultation in an amicable manner. If a settlement is not reached then the matter shall be referred to NMC, Nashik for seeking their advice. Pursuant to this clause within thirty (30) days of the said request, the Parties shall refer their dispute to Arbitration.

20.2 Arbitration

Any dispute or difference whatsoever arising between the Parties to this Contract arising out of or relating to the meaning, scope, operation or effect of this Contract or the validity of the breach thereof shall be referred to a sole Arbitrator i.e. "The Commissioner of NMC". The provisions of the Arbitration and Conciliation Act, 1996 as amended will be applicable and the Award made there under shall be final and binding upon the parties hereto, subject to legal remedies available under the law. The Arbitration proceedings will be held at Nashik Municipal Corporation, Nashik, India. The language of the Arbitration proceedings and that of all documents and communications between the Parties shall be in English. All Arbitration Awards shall be in writing and shall state the reasons for the award.

21. Taxes and duties

Concessionaires shall not be paid any extra amount due to increase in any type of Government Taxes including excise duty during implementation of Concession Agreement. Any variations in taxes shall be borne by the Concessionaire. The provisions of this Article shall survive the termination or expiry of this Concession Agreement.

22. Confidentiality

The Parties shall treat as confidential the existence and contents of this Concession Agreement (including its Schedules), all the information and documents obtained in relation to this Concession Agreement, the Services, as well as all other aspects of the Project contemplated under this Concession Agreement. The duration of the confidentiality obligation shall last for two (2) years following the end of the Term.

The above clause shall not apply in following cases:

a) Information already published or otherwise publicly available;
b) Information already obtained by one Party in a manner which does not breach a confidentiality obligation;
c) Information obtained from a third party in a manner which does not breach a confidentiality obligation;
d) Information required to be disclosed in accordance with Indian Laws; and
e) Information disclosed for the purpose of the performance by either Party of its obligations under this Concession Agreement.

9240

23. Notice

23. 1 Notice

Any notice under this Concession Agreement shall be in writing and in English, and shall be delivered in person or sent by registered post, fax or email to the following addresses: For Authority: Engineer in-Charge (Electrical), Electrical Department, Third Floor, Nashik Municipal Corporation, Rajiv Gandhi Bhavan, Sharanpur Road, Nashik.

For Concessionaire: Ravishankar Chandrasekaran, Director, TP Luminaire Private Limited,
One Boulevard, 3rd Floor, Lake Boulevard Road, Hiranandani Business Park, Powai , Mumbai 400076

23.2 Change of Information

Should either Party need to change its contact information, it shall inform the other Party in writing fifteen (15) days in advance. The change takes effect immediately upon receipt of such notice by the other Party.

24. Insurance

The Concessionaire shall at all times, as may be applicable, obtain, maintain and renew those insurance covers required in relation to people, equipment, systems as well as third party damages in accordance with applicable laws. In particular, the Concessionaire shall maintain an insurance coverage against the risk of damage by fire or otherwise of Concessionaire-owned and installed equipment and systems until the title to the equipment and systems passes on to the Authority upon expiry of the Term.

The goods supplied under the Concession Agreement shall be fully insured in Indian Rupees against loss or damage incidental to manufacture or acquisition, transportation, storage, delivery, completion of installation and commissioning. For delivery of goods at site, the insurance shall be obtained by the Concessionaire, for an amount not less than the price of the goods from "warehouse to warehouse" (final destinations) on "all risks" basis including war risks, strikes and Force Majeure Events.

25. Representations and warranties

25.1 The Concessionaire's Representations and Warranties

The Concessionaire represents and warrants to NMC that:

a) The Concessionaire is an independent company duly incorporated, validly existing and of good standing under Indian Laws;
b) The Concessionaire is financially solvent, is able to pay its debts as they mature, and has sufficient capital and resources to complete its obligations under this Concession Agreement;
c) The Concessionaire is not a party to any legal, administrative, arbitral, investigation or other proceedings or controversy, pending or (to the best of the Concessionaire's knowledge) threatened, that would adversely affect its ability to perform its rights and obligations under this

9242

Concession Agreement;

d) Without NMC's or Authority's written permission, the Concessionaire shall not engage in any related activities in the city of Nashik that may impinge upon this Project, other than the Services;
e) The execution and performance of this Concession Agreement will not result in a breach or violation of, or constitute a default under, any agreement to which the Concessionaire is a party; and
f) The execution and performance of this Concession Agreement has been duly authorized, and this Concession Agreement has been duly executed by the signatories and constitutes a legal valid and binding obligation.

25.2 Authority's Representations and Warranties

Authority represents and warrants to the Concessionaire that:

a) Authority has the power and authority to enter into and perform its obligations under this Concession Agreement;
b) The execution of this Concession Agreement will not result in a breach or violation of or constitute a default under any agreement to which it is a party.

26. Representatives

26.1. Authority's representative

Authority may from time to time replace its Representative by notifying the Concessionaire (to be effective upon receipt by the Concessionaire).

The Authority Representative shall have full authority and power to represent and act for Authority at all times during the Term. All notices, instructions, orders, certificates, approvals and all other communications under this Concession Agreement shall be given by, and to, the Authority Representative unless Authority notifies the Concessionaire otherwise.

26.2 The Concessionaire's Representative

The Concessionaire Representative shall have full authority and power to represent and act on behalf of the Concessionaire at all times during the Term, including for sending or receiving notices, instructions, information and all other communication in relation to this Concession Agreement.

The Concessionaire shall not revoke the appointment of the Concessionaire Representative without notifying Authority of the new Concessionaire Representative.

27. Governing Law and Language

27. 2 Governing Law

This Concession Agreement is governed by and construed in accordance with the Laws of India and the State of Maharashtra.

9248

27.3 Language

This Concession Agreement is written in the English language. All communications and information provided should be in writing and in the English language only.

28. Force Majeure

A "Force Majeure Event" shall mean any event or combination of events occurring inside or directly involving the city of Nashik that is beyond the reasonable control of Authority or the Concessionaire, as the case may be, occurring or subsisting after the Effective Date and which (or the effects of which) is unavoidable, notwithstanding the reasonable care of the Party affected, including, in the case of the Concessionaire, any Sub Concessionaire, and, in the case of the Concessionaire only, such event(s) could not have been foreseen by an experienced Concessionaire, or to the extent that the event(s) could have been foreseen by an experienced Concessionaire, such Concessionaire could not have reasonably mitigated against the effects of such events. Such Force Majeure Events include, but are not limited to:

a) War (whether declared or undeclared), invasion, armed conflict or act of foreign enemy;
b) Rebellion, sabotage, act of terrorism, revolution, insurrection, civil war or epidemic (excluding vandalism);
c) Lightning, earthquake, flood, hurricane, typhoon, tornado or volcanic activity.

Such events cannot be caused or contributed to by an act or omission of the Party relying on it or persons for whom that Party is responsible.

If either Party is prevented, hindered or delayed from performing any of its obligations under this Concession Agreement by a Force Majeure Event, then it shall notify the other Party in writing of the occurrence of such event and the circumstances thereof within fourteen (14) days after the occurrence of such event.

The Party who has given such notice shall be excused from the performance or punctual performance of its obligations under this Concession Agreement for so long as the relevant Force Majeure Event continues and to the extent that such Party's performance is prevented, hindered or delayed. The Party or Parties affected by the Force Majeure Event shall use reasonable efforts to mitigate the effects thereof upon its/their performance of this Concession Agreement and to fulfil its/their obligations under this Concession Agreement, but without prejudice to either Party's right to terminate this Concession Agreement.

No delay or non-performance by either Party caused by the occurrence of any Force Majeure Event shall:

a) constitute a breach under this Concession Agreement;
b) extend the Term; or
c) Give rise to any claim for damages or additional cost or expenses occasioned thereby.

If the performance of the Services is substantially prevented, hindered or delayed for more than one hundred and twenty (120) consecutive days on account of one or more Force Majeure Events during the Term, either Party may terminate this Concession Agreement by giving a notice to the other. If this Concession Agreement is terminated pursuant to this clause, NMC shall pay to the Concessionaire the part of the Energy Savings Fee payable for the Energy Savings performed prior to the Termination Date and the part of the O&M Fee payable for the operation and maintenance services performed prior to the Termination Date. The Concessionaire shall not be entitled to any further compensation.

Notwithstanding this clause, Force Majeure Events shall not apply to any NMC's or Authority's obligation to make payments to the Concessionaire hereunder.

29. Material Adverse Government Action

A "Material Adverse Government Action" ("MAGA") shall mean any act or omission, after the Effective Date, by NMC or Authority or any other public entity, which has a Material Adverse Effect.

A MAGA shall include the following circumstances:

a) Any imposition or change of Law that is directly targeted at the Project and/or projects similar to the Project and/or that is discriminatory against the Concessionaire.
b) Any imposition or change of Law of an environmental or technical nature which would have the effect of making the Laws more stringent than the Law in force at the Effective Date
c) Expropriation or compulsory acquisition, or seizure of the Existing Lighting Infrastructure by a public entity with respect to substantially the same subject matter

d) Any material breach by Authority of its obligations, including, but not limited to, failure to supply electricity within the whole or part of the Project

e) Any regulator's decision having the effect of decreasing the Concessionaire's remuneration under this Concession Agreement.

Within 30 days of notice to Authority of a MAGA, Authority shall procure the remedy of the MAGA in question. Should Authority fail to procure a remedy prior to the expiry of 30 day period, the Parties shall discuss the issue in an attempt to reach a mutually satisfactory solution that restores the Concessionaire to the position it would have been in had such MAGA not occurred (including compensation for costs and loss of profits). If the Parties fail to reach an agreement on a satisfactory solution, the Concessionaire shall have the right to terminate this Concession Agreement.

The Concessionaire shall not be excused for performing its obligations under this Concession Agreement upon the occurrence of a MAGA, unless the Material Adverse Effect caused the Concessionaire to fail to perform its obligations.

30. Performance Security

30.1. Performance Security

The Concessionaire shall deliver to NMC a duly executed performance bond in the form of bank guarantee in the format set out in Annexure VI issued by a Nationalized/ scheduled commercial Bank having a branch at Nashik city, of an amount Rs. 8,25,00,000/-("Performance Bank Guarantee"). The PBG as per RFP needs to be submitted only for the period of 100% installation + six months. If there is delay in 100% installation, then BG needs to be extended accordingly. One time PBG for O&M amounting to Rs. 2,00,00,000 (Rupees Two Crores only) shall be submitted separately for the duration of O&M period. PBG for O&M needs to be submitted before the release of PBG meant for installation period. The Performance Bank Guarantee for installation works shall be returned to concessionaire after 100% installation + six months and any delay in installation. The Performance Bank Guarantee for O&M work shall be returned to the Concessionaire after the expiry of the Term.

9292

Authority shall invoke Performance Security in case the Concessionaire fails to discharge their Concession Agreement obligations during the period or Authority incurs any loss due to Concessionaire's negligence in carrying out the project implementation as per the agreed terms & conditions.

The Performance Bank Guarantee shall secure the proper and timely performance of the Concessionaire's obligations as from the Effective date until the end of the Term, including the payment of Delay Liquidated Damages pursuant to clause 17 of the Contract. In case the performance Bank Guarantee is partly encashed on account of Liquidated Damages, the Concessionaire shall provide a fresh Bank Guarantee for such encashed amount within 15 days of notice of encashment served by NMC to it so that the overall amount of Performance Bank Guarantee(s) shall remain for the original complete amount at all times. In case the Concessionaire doesn't maintain the required PBG amount then same shall be recovered from his share (energy saving) from escrow account.

All fees, taxes, costs and expenses associated with procuring, preparing, completing and stamping (if applicable) the Performance Bank Guarantee shall be the responsibility of and paid by the Concessionaire.

30.2 Notice

Authority shall, prior to making any demand under the Performance Bank Guarantee, send a written notice to the Concessionaire mentioning the existence of a Concessionaire Event of Default and providing a cure period of fifteen (15) days. If the Concessionaire does not remedy its Concessionaire Event of Default within these fifteen (15) days, then Authority shall be entitled to call part or full, as relevant, of the Performance Bank Guarantee.

30.3 Replacement

Where the Performance Bank Guarantee is subject, pursuant to its terms, to a fixed expiry date, the Concessionaire shall, not less than thirty (15) days prior to such expiry date, amend or replace the Performance Bank Guarantee, as the case may be, with a duly executed amended or replacement guarantee. Any replacement Performance Security must be issued for at least one (1) year by any Scheduled Bank having a branch at Nashik city, and should be on identical terms as original Guarantee issued. If the Concessionaire fails to provide an amended or replacement Performance Bank Guarantee as required, Authority may issue a demand under the Performance Bank Guarantee for the full amount available and shall be entitled to hold such amount as security for the performance of the Concessionaire's obligations under this Concession Agreement until a replacement Performance Bank Guarantee is provided (whereupon such amounts shall be returned to the Concessionaire without any obligation to account for interest).

If the Concessionaire is unable to provide new Performance Bank Guarantee for a period of more than a month from its expiry date, the Authority has the right to terminate the Concession Agreement.

31. Reporting

During the Term, the Concessionaire shall provide monthly reports to Authority with a separate copy to NMC about the following matters:

a) Energy saving report including CSLMS data
b) Operation and maintenance services;

c) Load reduction
d) Update on the assets;
e) Any other relevant as said by NMC or Authority.

If the Concessionaire does not issue monthly reports within ten (10) days of the end of the relevant month for any three (3) consecutive months or there is major false information in more than three (3) reports during the Term of the Concession Agreement, this breach shall constitute a Concessionaire Event of Default.

32. Miscellaneous

32. 1 Assignment
Neither NMC or Authority nor the Concessionaire shall without the expressed written consent of the other Party assign or charge to any third party this Concession Agreement or any part thereof, or any right, benefit, obligation or interest therein or thereunder.

32.2 Entire Agreement
This Concession Agreement constitutes the entire agreement between the Parties, and no alterations, changes or additions thereto shall be made, except in writing and approved by both Parties. This Concession Agreement supersedes all communication, negotiations and agreements (whether written or oral) between the Parties made prior to the Effective Date with respect to the Services.

32.3 Amendments
Any amendment, addition or variation to this Concession Agreement shall be valid and binding only if in writing and only if signed by the authorized representatives of both Parties.

32.4 Severability
Should any provisions in this Concession Agreement be invalid, illegal or unenforceable or be held invalid, illegal or unenforceable by any competent tribunal or court, the remaining provisions of this Concession Agreement shall remain valid and enforceable.

32.5 No Partnership
This Concession Agreement does not constitute a joint operation or partnership in the legal sense between the Parties. The Concessionaire is a service provider to Authority.

33. Exit Management

33. 1 Purpose

i. This clause sets out the provisions which shall apply on expiry or termination of the "Contract Agreement" on account of material breach by Concessionaire. In the case of termination of the Contract Agreement due to any illegal activity performed by the selected Concessionaire during/ as part of the activities related to the project, or due to material breach by the Concessionaire of Contract, NMC shall have the right to, at its sole discretion, apply this clause.
ii. The Parties shall ensure that their respective associated entities, in case of NMC or its nominated agencies and any nominated agencies in case of the selected Concessionaire, carry out their respective obligations set out in this Exit Management Clause.

9L32

33.2 Transfer of Assets

This clause is valid till the date of expiry or notice of termination of the Agreement after which the assets have to be transferred to NMC.

- During this period, the Concessionaire will transfer all the assets in normal working condition and as per the specifications of the bidding document including the ones being upgraded to NMC. The Concessionaire, if not already done, shall transfer all the right to use software licenses under the name of NMC during the Exit Management Period. The Concessionaire shall also transfer all the relevant Software Passwords, User Names and Keys. If such a transfer of Assets happens before the expiry of Work Contract Period, Parties shall mutually discuss and agree on the Assets together with the termination and transfer assistance fee.
- The Concessionaire shall be entitled to use the Assets for the duration of the exit management period which shall be three months from the date of expiry or notice of termination of the Agreement.
- For any material breach on the part of Concessionaire during the Project Implementation Phase and Operation & Management Phase, NMC is entitled to provide notice in writing on the selected Concessionaire at any time during the exit management period as detailed here in above requiring the selected Concessionaire to provide the department or its nominated agencies with a complete and up to date list of the Assets within 30 days of such notice.

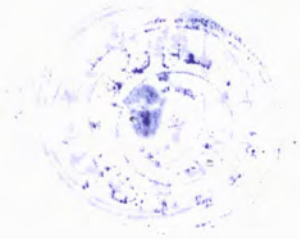
Upon service of a notice as mentioned in point above, the following provisions shall apply:

- All risk in and title to the Assets to be transferred to NMC on the last day of the exit management period. All expenses incurred during transfer of assets shall be borne by the Successful Concessionaire.
- That on the expiry of this clause, the Successful Concessionaire and any individual assigned for the performance of the services under this clause must hand overall Confidential Information and all other related materials in its possession, including all the software and hardware supplied by selected Concessionaire under this clause to the department.
- As Concessionaire is supposed to provide comprehensive maintenance of all the hardware/Software as detailed in RFP during the concession period, Concessionaire must ensure that all the items are in working condition with support of OEM related to repair/replacement/availability of spare parts for at least 03 years at the time of exit.
- From the first day of last month of the concession period, testing phase of overall system installed by the Concessionaire will be started in phases so that all the equipment are proved to be in working conditions and handed over to NMC on the last date of the concession period and before issuing completion certificate and PBG.

33.3 Cooperation and Provision of Information

During the exit management period:

a) The Concessionaire shall permit NMC or its nominated agencies access to information reasonably required to classify the current mode of operation related with the provision of the services to enable it to assess the existing services being delivered.
b) In the event of there being a termination owing to material breach by Concessionaire, on quick request by NMC or its nominated agencies, the selected Concessionaire shall provide access



E376

to and copies of all information held or controlled by it which it has prepared or maintained in accordance with the Concession Agreement. The Project Implementation, the Operation and Management SLA and SoW (Scope of Work) relating to any material aspect of the services (whether provided by the selected Concessionaire). NMC or its nominated agencies shall be entitled to copy all such information. Such information shall include details pertaining to the services rendered and other performance data. The selected Concessionaire shall permit NMC or its nominated agencies and/or any entity nominated by NMC to have reasonable access to it employees and facilities as reasonably required to understand the methods of delivery of the services employed by the selected Concessionaire and to support appropriate knowledge transfer.

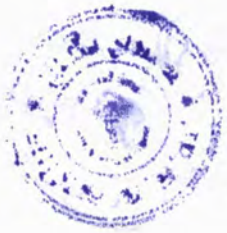
33.4 Confidential Information, Security and Data

- The selected Concessionaire shall be quick on the commencement of the exit management period and supply to NMC the following:

    - Information relating to the present services provided and customer satisfaction surveys.
    - Documentation pertaining to Project related data and confidential information.
    - All current and updated data as is needed for purposes of NMC or its nominated agencies for transitioning the services either to NMC or the entity nominated by NMC.
    - All other information (including but not limited to documents, records and agreements) relating to the services reasonably compulsory to enable NMC or its nominated agencies, or to the entity nominated by NMC to carry out due diligence in order to transition the provision of the Services to NMC or its nominated agencies, or to any entity nominated by NMC (as the case may be).

  Before the exit management period expire, the selected Concessionaire shall deliver to NMC or its nominated agencies all new or up-dated materials from the categories set out in point (i) above and shall not keep any copies thereof, except that the selected Concessionaire shall be permitted to keep one copy of such materials for archival purposes only.

    - Before the exit management period expire, unless otherwise provided under the Concessionaire Agreement, NMC or its nominated agencies shall deliver to the selected Concessionaire all forms of selected Concessionaire confidential Data which is in the possession or control of NMC or its nominated agencies or during the exit management period In any time, the selected Concessionaire shall, subject to applicable laws, restraints and regulations(including in particular those relating to privacy) provide to NMC or its nominated agencies a list of all employees (with job titles) of the selected Concessionaire dedicated to providing the services at the beginning of the exit management period; its users.



3376

33.5 Employees

- Where any national, regional law or regulation relating to the mandatory or automatic transfer of the contracts of employment from the Concessionaire to the department or its nominees, or an entity nominated by NMC applies to any or all of the employees of the Concessionaire, then the Parties shall comply with their respective obligations under such Transfer Regulations.
- To the extent that any Transfer Regulation does not apply to any employee of the Concessionaire or its nominated agencies or its entity nominated by NMC may make an offer of employment or contract for services to such employee of the Concessionaire and the Concessionaire shall not enforce or impose any contractual provision that would prevent any such employee from being hired by NMC or its nominated agencies or any Replacement Concessionaire.

33.6 Transfer of Certain Agreements

On request by NMC or its nominated agencies, the selected Concessionaire shall effect such assignments, transfers, novation, licenses and sub-licenses in favour of NMC or its nominated agencies, or its entity nominated by NMC in relation to any equipment lease, maintenance or service provision agreement between selected Concessionaire and third party lessors, Concessionaires or Concessionaire, and which are related to the services and reasonably necessary for the carrying out of replacement Concessionaire.

33.7 Right of Access to Premises

- At any time during the exit management period, where Assets are located at the selected Concessionaire's premises, the selected Concessionaire shall be obliged to give full rights of access to (or, in the case of Assets located on a third party's premises, procure reasonable rights of access to NMC or its nominated agencies, and/or any entity nominated by NMC in order to inventory the assets or Assets.
- The Concessionaire shall also give NMC or its nominated agencies, or any entity nominated by NMC right of reasonable access to the Concessionaire's premises and shall procure the department or its nominated agencies and any entity nominated by NMC rights of access to relevant third party premises during the exit management period and for such period of time following termination or expiry of the Concession Agreement as is reasonably necessary to migrate the services to NMC or its nominated agencies, or a Replacement Concessionaire.

33.8 General Obligations of the Concessionaire

- The Concessionaire shall provide all such information as may reasonably be necessary to effect as seamless a handover as practicable in the circumstances to NMC or its nominated agencies or any entity nominated by NMC and which the Concessionaire has in its possession or control at any time during the exit management period.

- For the purposes of this Clause, anything in the possession or control of any Concessionaire or associated entity is deemed to be in the possession or control of the Concessionaire.

- The Concessionaire shall commit adequate resources to comply with its obligations under this Exit Management Clause.

33.9 Exit Management Plan

The Concessionaire shall provide NMC or its nominated agencies with recommended exit management plan ("Exit Management Plan") which shall deal with Concession Agreement as a whole and in relation to the Project Implementation, the Operation and Management SLA and SOWs.

33.10 End of Support

While handling over the completely working and functional network and systems, Concessionaire must ensure that OEM of all hardware/software/ equipment are contractually bound to provide support for repair/replacement/availability of its spare parts for further five years. It shall be part of exit plan to submit letter from OEMs in this regard.

Assistant General Manager - Smart Cities,
Tata Power Projects

Date: May 16, 2019

For kind attention of: Mr. Amol Nisal

Subject: Signing of contract for Street Light project under Nashik Smart City initiative

This is in reference to several requests and reminders both verbally as well as through mail regarding signing of contract in accordance with RfP and subsequent corrigendum conditions. Furthermore, we have given timely response to any of the queries you'd raised. Delay in contract singing from your end is spilling over on the overall execution of project.

Therefore, once again you are suggested to sign the contract with any further delay and latest by May 20, 2019.

Date: May 9, 2019

Reference: Your reply received through email at 2.56 pm dated May 8, 2019

Subject: Signing of contract for Street Light project under Nashik Smart City initiative

Please note that contract agreement should be signed at the earliest.

This would enable signing of Escrow agreement. Hence, you are requested to come to Nashik tomorrow i.e. May 10, 2019 for signing of contract without any further delay.

Further, please find revised draft of contract agreement with a single correction made (in clause 4.2.b in accordance with RfP condition) over the reviewed draft of contract shared by us with you yesterday i.e. May 8, 2019 at 2.02 PM.

Regards

Engineer-in-charge, Electrical Department Nashik Municipal Corporation

We thank you for sharing your comments on the Draft Energy Savings & Performance Contract .

We had also shared our Project Finance team's version of Draft Escrow Agreement .

Request you to share your comments on the Draft Escrow Agreement at the earliest .

We shall share your comments with our internal teams for their approval and further action .

As a process, we need our internal team's vetting to enter into any contract . Only after approval of both the agreements by our respective teams , we would be able to travel to Nashik for signing the contract

So we request you again to share us the Draft Escrow Agreement at the earliest .

Thanks & Regards

Subject: Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings on Public-Private Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) basis **– Signing of Contract Agreement**

Dear Sir,

In reference to the subject matter and in continuation to TPL's letter cited at Sr. No 4, we further clarify the following for your kind consideration:

1. Your good self may please acknowledge that the draft Contract Agreement at Annexure-IV, Page 126 of Concessionaire document, provides the provision of funding of Escrow account by NMC within one month of signing of Energy savings and Performance Contract (ESPC).

2. Accordingly, we have proposed to sign the ESPC as per the aforesaid provision vide E-mail dated 04.05.2019 which was also acknowledged by NMC vide E-mail dated 08.05.2019.

3. Subsequently, NMC vide E-mail dated 09.05.2019 has informed that they propose to modify the above existing provision of the draft Concession Agreement which led to the current lack of consensus on the contents for signing of Agreement.

4. NMC has informed that they intend to rely on the provisions mentioned in RFP and draft Escrow agreement format which state that Escrow agreement shall be funded after 9 month implementation period.

5. In the above regard, TPL invites attention to clause 2.1 of draft Contract Agreement which clarifies that the Concessionaire Agreement has the highest priority in event of any conflict / ambiguity.

Sh. Patil H.K. As per discussion with Mrs. S.R. Take legal opinion regarding ~~stef~~ P. 24/6/19

6. Accordingly, the funding of Escrow account by NMC is to be done within one month of signing of ESPC as per clause 2.1 of draft Concession Agreement.

7. Notwithstanding the above, if NMC still considers that there exists an ambiguity regarding the funding of Escrow account, TPL informs that such ambiguity is to be dealt as per the rule of "Contra Proferentem" in the Contract law. The said principle states that, where a promise, agreement or term is ambiguous, the preferred meaning should be the one that works against the interests of the party who provided the wording i.e., the contract draftsmen is to bear the consequences of any ambiguity under the Contract.

In view of above, TPL requests NMC to consider the acceptance of provision regarding the funding of Escrow Agreement as mentioned in the draft Concessionaire Agreement for earliest signing of Contract. Notwithstanding the aforesaid, TPL informs its readiness to resolve the issue amicably and looks forward for earliest signing of the Contract.

Thanking you and assuring our best of services at all times.

Yours faithfully,

For Tata Projects Ltd.

Arrange meeting and solve issue as per RFP.

Ref: 1. Tender no. 2018_NMC_365389_1
2. Letter of Award bearing no. 238 dated 6th March 2019
3. Your letter dated 15th June 2019 vide email

Subject: Implementing Smart LED Street Lights in Lieu of Rights of Sharing Energy Savings on Public-Private Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) basis – Signing of Contract Agreement

Dear Sir,

We acknowledge receipt of your letter referred above at S.No.(3) and equally appreciate your concern over delay in signing of agreement.

However, we differ with the contentions of NMC in the said letter and wish to clarify the following for your consideration:

1)The draft agreement was first initiated by TPL vide email dated 4th May 2019 with proposed changes which were majorly forming part of Corrigendum.
2)NMC shared the revisions to the above mentioned draft agreement on 8th May 2019 which were acceptable to TPL.
3)However, NMC shared another draft agreement (ver.3) vide email dated 9th May 2019 in which clause 4.2(b) of Annexure IV of draft agreement related to funding of Escrow Agreement was revised from "within 1 month of signing of Energy Savings and Performance Contract (ESPC)" to "after successful installation". Also the clause for opening of Escrow account within 1 month of contract signing was deleted. These change were not acceptable to us and hence we have conveyed our disagreement to the same vide our email dated 10th May 2019 and during our various meetings held with NMC.
Further, clarification on opening of Escrow account within 1 month of contract signing was conveyed by NMC on 10th June 2019 vide draft agreement (ver.4) but there was no change in funding of Escrow account.

In view of above, the delay in contract signing is not due to reasons attributable to TPL and hence TPL shall not be held solely responsible for the delay.

Notwithstanding the above, we confirm our readiness to close issues for signing of contract amicably in accordance to conditions of the RFP. We request you to convene a meeting at the earliest where issues can

नाशिक महानगरपालिका, नाशिक.

विषय: नविन बीओटी तत्वावरील एलईडी लाईटच्या ठेक्यामुळे होणाऱ्या संभाव्य नुकसानी बाबत.

महोदय,

दिनांक २८/ ०२/ २०१९ रोजी प्रशासनातर्फे स्थायी समितीवर ठेवलेल्या प्रस्तावावरील झालेला ठराव आमच्या निदर्शणास नुकताच आला आहे. एलईडी बसविण्याचा ठेका मे. टाटा प्रोजेक्टस् यांना देण्यात आला आहे. या बाबतीत आमचा अक्षेप खालील प्रमाणे आहे.

यापूर्वी सन २०१२-२०१३ या आर्थीक वर्षामध्ये एमआयसी कंपनीला नाशिक महापालिका हद्दीतील स्ट्रीट लाईटवर एलईडी बसवीण्याचा ठेका देण्यात आला होता सदर कंपनीने महापालिकेने दिलेली बँक गॅरंटी कॅश करण्याचा प्रयत्न केला होता या विरोधात महापालिकेने सदर बँक गॅरंटी कॅश होण्याच्या विरोधात स्थगीती मिळवीलेली आहे. व आजही तो दावा प्रलंबीत आहे.

तसेच सदर कंपनीबरोबर झालेल्या मनपाच्या करारात मनपाने सदर ठेकेदाराचे काम टर्मीनेट केले तर मनपा ८० टक्के पैसे ठेकेदारास देणे लागते व जर कंपनीने काम टर्मीनेशनची नोटीस दिली तर मनपा सदर ठेकेदारास १० टक्के इतकी रक्कम देणे लागते असा उभयतांतील करारामधील एक कलम आहे.

आजही सदर ठेकेदाराचे काम मनपाने टर्मीनेट केले आहे का किंवा ठेकेदाराची टर्मीनेटची नोटीस मनपाने स्विकारली आहे का हेही कळत नाही.

जर सदर ठकेदार महापालिकेविरोधात कोर्टात गेला तर मोठयाप्रमाणावर नुकसान भरपाई मनपास दयावी लागेल याची जबाबदारी कोणाची.

तसेच पुर्वीच्या एमआयसी कंपनीस जर नवीन ठेकेदाराला दिलेल्या कामामुळे नुकसान भरपाई दयावी लागली तर ती जबाबदारी आमच्या पैकी कोणाचीही नसेल वर्कऑर्ड देणाऱ्याची ती वैयक्तीक जबाबदारी असेल महापालिकेला सदरची आर्थिक नुकसानीची तोशीश लागु नये म्हणुन आपणास हे पत्र देत आहोत. याची नोंद आपण घ्याल व उचित कार्यवाही कराल ही नम्र विनंती व अपेक्षा.

Date 2019-09-06 12:54

Dear Sir,

This has reference to our discussion regarding change of OEM for Nashik Smart Street Lighting Project (WO outward No. HO 03 Dt 20th Aug 2019)

TPL has a global alliance with Signify (erstwhile Philips) & Tata Communications Ltd (TCL) for smart street lighting solutions.
We are also working together on some of the international opportunities.
In India, we have successfully deployed Signify/TCL solutions+ services in pune/noida smart street lighting projects.
This solution is deemed to be best in class & our customers are totally satisfied with Signify/TCL solution.
As TPL, we have time tested working relation with both of them & found their product/services at par with best in the world.

For Nashik, both Signify and TCL had minor technical compliance issues due to which TPL could not propose their solution at the bidding stage.
We had asked both of them to rework their solution and make it completely RFP compliant.
Now, RFP compliant products are available with them & can be used in Nashik, subject to your permission.

With the compliance issues out of the way, we hereby propose Signify + TCL solution for Nashik Smart Street Lighting project.
TPL assures you that this change, will not have any impact on TPLs deliverables.
We request your approval to change the OEM for this project &
in order to demonstrate the solution as per RFP guidelines, we seek your permission to conduct POC once again with Signify + TCL.

Request you kindly allow us this change in OEM & provide us sites to conduct POC.
Look forward to your positive response.

Regards,

Amol Nisal | Assistant General Manager - Smart Cities

महाराष्ट्र राज्य विज वितरण कंपनी,
व्दारका, नाशिक.

विषय :- विल्होळी जकात नाका येथील १००के.व्ही.ए. क्षमतेचा ट्रान्सफॉर्मर दुरुस्ती करणे बाबत.

संदर्भ :- या कार्यालयाचे पत्र जा.क्र.मनपा/विद्युत/वशि/डेस्क- /७००/२०१९ दि.०३/०९/२०१९.

महोदय,

विल्होळी जकात नाका येथे पाणी पुरवठा यांत्रिकी विभागामार्फत जलशुधिकरण केंद्र बांधणेच्या कामासाठी मनोदार मे.एल ॲण्ड टी कंपनीयांनी सन २०१६-१७ मध्ये १०० केव्हीए क्षमतेचा ट्रान्सफॉर्मर बसवून आपल्या विभागाकडूनवीज कनेक्शन घेतले आहे. सदर ट्रान्सफॉर्मर आपल्या कंपनीकडे सुपूर्त केल्याचे समजते.

तथापी सुमारे १५ दिवसापूर्वी सदर ट्रान्सफॉर्मर बंद झाल्यामुळे मनपाचे श्वान निर्बिजीकरण केंद्र आणि सार्व.बांधकाम वाहतुक कक्षाकडील वीज पूरवठा बंद झाला आहे. त्यामुळे तेथील दैनंदिनकामात अडचणी निर्माण झाल्या आहेत.

तथापी विल्होळी जकात नाका येथील फायटर प्लेनचे उद्घाटन मा.मुख्यमंत्री महोदयांचे हस्ते दि.०८/०९/२०१९ रोजी आयोजीत केलेला आहे. त्यामुळे सदर ठिकाणी वीज पुरवठा तातडीने सुरु करणे अत्यंत आवश्यक आहे.

तथापी सदर ट्रान्सफॉर्मर आपल्या विभागाचा असल्यामुळे आणि ट्रान्सफॉर्मर बसविणे बाबतचा करारनामा अेल ॲण्ड टी कंपनीशी झालेला आहे. त्यामुळे वरील कार्यक्रमाची गंभिरता लक्षात घेवून सदर ठिकाणचा वीज पुरवठा त्वरीत सुरळीत करणेची कारवाई करणेस विनंती आहे.

Further to you last email dated September 6, 2019, please note that according to RfP condition(s), earlier POC conducted was a part of Technical Evaluation, on the basis of which tender was awarded to Tata Projects Limited.

Therefore, in accordance with RfP conditions your request in last email is unacceptable and you are directed to undertake execution without any further delay and citing the requests which are incongruous to RfP conditions. Work Order issued on dated August 20, 2019 also suggested to undertake execution with immediate effect.

विषय: नविन बीओटी तत्वावरील एलईडी लाईटच्या ठेक्यामुळे होणाऱ्या संभाव्य नुकसानी बाबत.

महोदय,

दिनांक २८/ ०२/ २०१९ रोजी प्रशासनातर्फे स्थायी समितीवर ठेवलेल्या प्रस्तावावरील झालेला ठराव आमच्या निदर्शणास नुकताच आला आहे. एलईडी बसविण्याचा ठेका मे. टाटा प्रोजेक्टस् यांना देण्यात आला आहे. या बाबतीत आमचा अक्षेप खालील प्रमाणे आहे.

यापूर्वी सन २०१२-२०१३ या आर्थीक वर्षामध्ये एमआयसी कंपनीला नाशिक महापालिका हद्दीतील स्ट्रीट लाईटवर एलईडी बसवीण्याचा ठेका देण्यात आला होता सदर कंपनीने महापालिकेने दिलेली बँक गॅरंटी कॅश करण्याचा प्रयत्न केला होता या विरोधात महापालिकेने सदर बँक गॅरंटी कॅश होण्याच्या विरोधात स्थगीती मिळवीलेली आहे. व आजही तो दावा प्रलंबीत आहे.

तसेच सदर कंपनीबरोबर झालेल्या मनपाच्या करारात मनपाने सदर ठेकेदाराचे काम टर्मीनेट केले तर मनपा ८० टक्के पैसे ठेकेदारास देणे लागते व जर कंपनीने काम टर्मीनेशनची नोटीस दिली तर मनपा सदर ठेकेदारास १० टक्के इतकी रक्कम देणे लागते असा उभयतांतील करारामधील एक कलम आहे.

आजही सदर ठेकेदाराचे काम मनपाने टर्मीनेट केले आहे का किंवा ठेकेदाराची टर्मीनेटची नोटीस मनपाने स्विकारली आहे का हेही कळत नाही.

जर सदर ठकेदार महापालिकेविरोधात कोर्टात गेला तर मोठयाप्रमाणावर नुकसान भरपाई मनपास दयावी लागेल याची जबाबदारी कोणाची.

तसेच पुर्वीच्या एमआयसी कंपनीस जर नवीन ठेकेदाराला दिलेल्या कामामुळे नुकसान भरपाई दयावी लागली तर ती जबाबदारी आमच्या पैकी कोणाचीही नसेल वर्कऑर्ड देणाऱ्याची ती वैयक्तीक जबाबदारी असेल महापालिकेला सदरची आर्थिक नुकसानीची तोशीश लागु नये म्हणुन आपणास हे पत्र देत आहोत. याची नोंद आपण घ्याल व उचित कार्यवाही कराल ही नम्र विनंती व अपेक्षा.

Kind attention: Mr. Sriram

Please note that the fact is contrary to reason you have cited for denial - 'short notice'.

During the kick off meeting held on August 28, 2019, minutes for which were shared; it was decided that 1000 fixtures would be installed across
6 divisions by September 5. Despite this till date no action has been taken. Kindly ensure installation of said fixtures at the earliest without any delay.

Minutes of meeting from discussion held to expedite the progress of Smart Street Light Project in Nashik

Agenda: Kick off meeting for Smart Street Light Project in Nashik
Date: August 28, 2019
Time:

Slot 1: 12.00 pm to 1.30 pm
Slot 2: 3.45 pm to 4.40 pm

Place:

Slot 1: Office of Executive Engineer (Electrical), Rajiv Gandhi Bhavan, Nashik Municipal Corporation
Slot 2: Office of Superintending Engineer (Electrical and Mechanical), Rajiv Gandhi Bhavan, Nashik Municipal Corporation

Participants:

Slot 1:
Authority (NMC): Mr. Vanmali (Executive Engineer – Electrical), Mr. Patil (Deputy Engineer – Electrical), Mr. Wiakar (Deputy Engineer – Electrical), Mr. Gaikwad (Deputy Engineer – Electrical), Mr. Bagul (Deputy Engineer – Electrical) and Mr. Kane (Deputy Engineer – Electrical)
PMC: Shubham Sodhani
Vendor (TPL/ TP Luminaire Pvt. Ltd.): Amol Nisal, Abhishek Das, S. Sriram, Sachin Tandon and Shishir Singh

Slot 2:
Authority (NMC): Mr. Chavanke (Superintending Engineer – Electrical & Mechanical), Mr. Vanmali (Executive Engineer – Electrical), Mr. Patil (Deputy Engineer – Electrical) and Mr. Wiakar (Deputy Engineer – Electrical)
PMC: Shubham Sodhani
Vendor (TPL/ TP Luminaire Pvt. Ltd.): Amol Nisal, Abhishek Das, S. Sriram, Sachin Tandon and Shishir Singh

Main discussion points:

1 Discussion was centered on the implementation plan and immediate tasks which need to be accomplished

2 **Division wise implementation**

i. It was decided that work at all 6 six municipal divisions would be undertaken simultaneously
ii. For this NMC would share division wise information related to number of switching points with vendor by August 29. Vendor needs to coordinate with concerned divisional officers for the same

3 **Immediate requirements:**

i. It was decided to install fixtures at least 1000 poles across the six divisions by September 5
ii. Installation needs to be first done at main roads. Vendor needs to coordinate with concerned divisional officers for getting the list of such stretches
iii. Therefore, survey report needs to be prepared in phased manner, first for these 1000 poles

9692

iv. In addition to the 1000 poles mentioned above, installation work needs to be carried out immediately at 5000-6000 new poles, list of which needs to be obtained by vendor from concerned divisional officers

4 Implementation Plan:

i. Vendor would share detailed consolidated implementation plan by August 31
ii. Detailed implementation plan would be revised at division level and shared by September 4

5 Deployment of team, Organogram and Communication Matrix

i. Vendor needs to appoint a resource as SPOC. SPOC should be deployed full-time in Nashik, available for discussion with authority and PMC at any time, should have complete knowledge of the project, should be able to take necessary decisions, should be able to coordinate with all stakeholders involved in the project and must be available for weekly review meeting. SPOC needs to be appointed immediately after the kick-off meeting
ii. Vendor need to share organogram of the project implementation team by September 3
iii. Vendor need to share a clearly laid out communication matrix by September 3

6 Quality test

i. Vendor needs to facilitate inspection of site(s) wherein installation material is procured and arrange for quality test(s) of sample chosen by NMC officials or officials designated by NMC. All tests should comply with NABL requirements
ii. Tests would be done in conformity with RfP requirements, particularly Clause 5 of RfP

7 Others

i. Vendor needs to ensure that all installed fixtures have NMC logo on it
ii. NMC would share GIS data pertaining to street lights with vendor by August 29. For this vendor, needs to coordinate with concerned divisional officers
iii. Vendor may contact ward specific wire-man/ line-man appointed by NMC for necessary inputs during the project implementation period

end of document

Date: 23.09.2019

To,

Superintending Engineer,

Nashik Municipal Corporation.

Nashik.

Kind Attn: Mr. S. CHAVANKE (S.E ELECTRICAL).

Subject: Design, Build, Finance, Operate, Maintain & Transfer the Project of Implementation of high impact street light by installing Energy Efficiency dimmable and non-dimmable LED Street Lights along with Feeder based SCADA system – Escalation Matrix.

Reference: Work Order No. H.O.03 Dated 20th Aug 2019

Dear Sir,

Please be noted that we have setup the following communication matrix & Escalation matrix for smooth delivery of the Project.

Communication Matrix:

Sr. No.	Issue	Person	Email ID	Mobile
1	Electrical Related	Viral Parekh/Aman Gupta	amangupta@tataprojects.com	8962224677 9601356019
2	Project Related	Sachin Tandon	sachintandon@tataprojects.com	7741910000
3	Corporate Office	S. Sriram	ssriram@tataprojects.com	8291914324
4	Executive Level	Rajendra Inani	rajendrai@tataprojects.com	

Escalation Matrix:

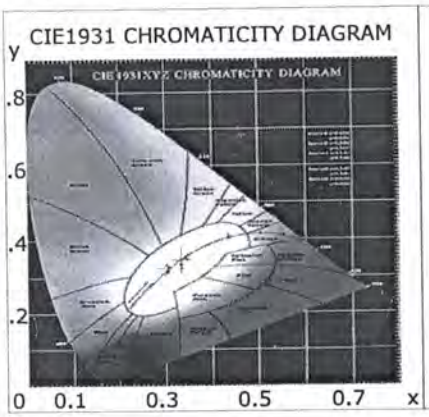
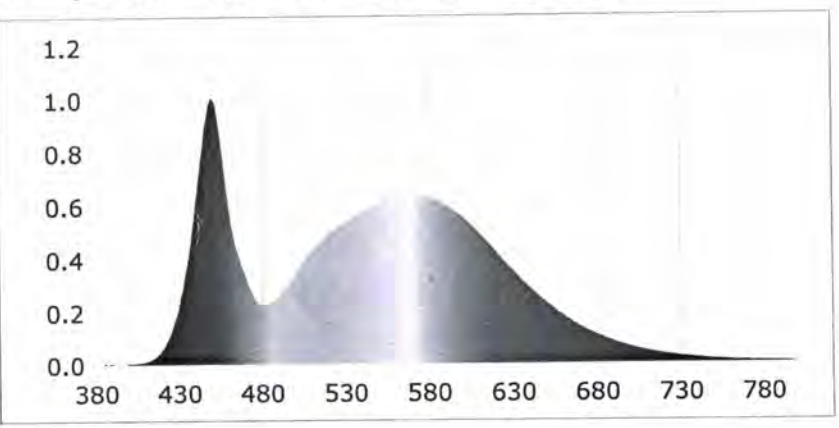
R9 =-20	R10=58	R11=74	R12=54	R13=75	R14=94	R15=68	

Color Quality Scale: Qa= 75.9, Qf= 75.9, Qp= 76.5, Qg= 89.6

Q1 =80	Q2 =97	Q3 =72	Q4 =67	Q5 =74	Q6 =77	Q7 =80	Q8 =86
Q9 =95	Q10=81	Q11=75	Q12=74	Q13=75	Q14=62	Q15=69	





Photometric Parameters

Luminous Flux: 9957.24 lm
Efficiency: 124.84 lm/W
Radiant Power: 30.488 W
EEI: 0.11
Energy Efficiency Class: A++ (EU 874-2012)

Electric Parameters

Voltage: 240.20V
Current: 0.3350A
Power: 79.76W
Power Factor: 0.9930
Frequency: 50.00Hz

Test Infomation
Scan Range: 380~800:1nm
Stabilization Time: 15 Min
Max of Signal: 43647 (2789)

Photometric Method: sphere-photometer (spec_rev)
Photometric Condition: Sphere diameter: 1.50m, 4PI
CCD Integration Time: 40.49 ms

Condition: Tx:28.6'C, Ti:27.6'C, R.H.:60%
Test Lab: RITESH ELECTRICLAS
Operator: DATTA

Test Device: Inventfine CMS-3000S
Test Time: 2019-11-26 14:17:51

Electrical & Photometric Test Report

Testing agency:	BAJAJ ELECTRICALS LIMITED		
Test date:	24-10-2019		
Type of equipment used:	Mirror Gonio Photometer (Type C) & (Spectroradiometer) color Measurement System		
Mirror goniophotometer make:	LMT		
Power meter make:	YOKOGAWA WT3000		
Power supply make:	CHROMA		
Measurement uncertainty:	± 4% at coverage factor k=2 and 95% of confidence level.		
Photometric distance:	25.32m		
Test Condition			
Ambient temperature (°C):	25±1	**Relative humidity (%):**	50±15
Test voltage (V):	240	**Frequency (Hz):**	50
Stabilisation time (HH:MM:SS):	02:00:00	**Total operating time (HH:MM:SS):**	01:00:00
Rated Performance Parameters (at 240 V AC & 50 Hz)			
Electrical Data		**Photometric / Colour Data**	
Rated wattage (W):	36	**Rated luminaire efficacy (lm/W):**	100
Rated mains current (A):	0.170	**Nominal CCT (K):**	5700 ± 300
Power factor:	>0.95	**Nominal CRI:**	>70
Harmonic distortion Athd (%):	<10	**Throw and spread (°):**	--
Measured Performance Parameters			
Electrical Data		**Photometric / Colour Data**	
Supply voltage (V) & freq. (Hz):	240 V & 50 Hz	**Total measured lumen (lm):**	4265.9**
Total wattage (W):	35.50**	**Luminaire efficacy (lm/W):**	120.2*
Mains current (A):	0.149	**CCT (K):**	5706
Power factor:	0.983	**CRI:**	78
Harmonic distortion Athd (%):	4.9	**Throw and spread (°):**	49° and 19°
Photometric Measurement Data:			
Light Intensity Distribution Diagram (cd)-		Refer to Page No. 3	
Colour		Refer to Page No. 4	
Approved By:		**Tested By:**	
Hrishikesh Ta		Akshay Mitna	

Note - * As per the IS 16107 part 2- sec1 clause no. 8.3, measured luminaire efficacy shall not be less than 90% of rated value.

** As per the IS 16107 part 2- sec1 and 16103 part 2, clause no. t and 8.1 respectively, measured luminaire wattage and luminaire lumen shall not vary by more than ±10% of rated value.

Type Test Report

Item Description: BRLEP 40W LED E **Date:09.02.2019**

Quantity: 1 No. **Ref No.: QA/TTC/LED/~~FTL/CFL~~**

Reference Standard: IS 10322 (part 5/Sec.3)-2012(Specification for luminaires for Road and Street Lighting)

Sr. No.	Name of the Test	Standard Specification	Observation	Remarks
1.	**MARKING (Cl. 6)**	Luminaire should be marked with: -		
		a) Mark of Origin	Bajaj	
		b) Rated Voltage	240VAC	Satisfactory
		c) Rated Maximum ambient temp. ta if other than 25°C	60°C	
		d) Marking of Ingress protection	IP 66	
		e) Model or type reference	BRLEP 40W LED E	
		f) Rated wattage of lamp	40 W	
		g) Marking of Termination	L-E-N	
1.2	Test for Marking (Cl 3.4 of IS 10322 (Part 1) : 2014	After the test marking should legible, marking labels shall not be easily removable.	Marking legible after the test	Satisfactory
2	**CONSTRUCTION (Cl.7)**			
2.1	**Replaceable Components** (Cl 4.2) of IS 10322 (Part 1) 2014.	The luminaire shall be designed that there is sufficient space for replacement of components or parts without difficulty and without impairing safety.	Provided sufficient space to permit replacement of component or parts without difficulty and without impairing safety.	Satisfactory
2.2	**Wireways** (Cl 4.3 of IS 10322 (Part 1) 2014.	Wireways shall be smooth and free from sharp edges, burrs, flashes and the like, which might cause abrasion of the insulation of the wires.	Wireways provided is smooth and free from sharp edges, burrs, flashes and the like, which might cause abrasion of the insulation of the wires.	Satisfactory
2.3	**Mechanical Strength** (Cl 4.13 of IS 10322 (Part 1) 2014.	Sample shall not show damage after application of 3 blows by means of spring operated impact test apparatus with impact.	No sign of damage observed	Satisfactory
2.4	**Resistance to corrosion** (Cl 4.18 of IS 10322 (Part 1) 2014. Test conducted of ferrous parts of luminaire as per Cl. 4.18.1	After the test surface shall not show any sign of rust.	No sign of rust observed.	Satisfactory
2.5	**Mechanical Hazard.** (Cl 4.25 of IS 10322 (Part 1) 2014.	Luminaries shall have no sharp point or edges that could, during installation, normal use or maintenance create hazard to the user.	No Sharp point or edges observed.	Satisfactory

6.2	**Thermal Test (Normal Condition):** Cl 12.4 of IS 10322 (part 1) 2014. Luminaire kept in drought free enclosure at ambient temp. and supply voltage of 1.06 times rated voltage applied. Temp. measured on various parts after the luminaire has stabilized.	The Temp. should not exceed the limit as per table no. 12.1 & 12.2 on 1) **Ballast Winding:** tw ° C 2) **Capacitor Case: tc** ° C 3) **Insulation of wiring:** 90° C 4) **Mounting Surface:** 60 ° C	 Not applicable for electronic ballast 52 ° C 56 ° C	 Satisfactory Satisfactory
6.3	**Thermal Test (Abnormal Condition):** Cl 12.5 of IS 10322 (part 1) 2014. Luminaire kept in drought free enclosure at ambient temp. and supply voltage of 1.10 times rated voltage or maximum rated voltage range is applied. Temp. measured on various parts after the luminaire has stabilized.	The Temp. should not exceed the limit as per table no. 12.1 & 12.2 on **1) Ballast Winding:** tw ° C **2) Capacitor Case: tc** ° C **3) Mounting Surface:** - 85° C	 Not applicable for electronic ballast 67 ° C	 Satisfactory
7 7.1	**RESISTANCE TO DUST AND MOISTURE (Cl.14):** **Test for Dust Tight (IP 6X)** Luminaire is tested in dust chamber as per Cl.9.2.2 of IS 10322 (Part 1) 2014.	There should be no deposit of talcum powder inside enclosure of dust tight luminaire.	No trace of talcum powder inside enclosure of dust tight luminaire.	Satisfactory
7.2	**Powerful Jet Proof Test (IP X6)** Jet proof Luminaire is subjected to a water by means of a jet as per Cl.9.2.7 of IS 10322 (Part 1) 2014.	No trace of water on current carrying parts or SELV parts or on insulation where it could become a hazard for the use of surrounding.	No trace of water observed on current carrying parts.	Satisfactory
7.3	**Humidity Test:** Luminaire kept in a humidity chamber at between 25 ° C to 30 ° C shall be maintained with in 1° C. 91 to 95% RH for a period of 48Hrs. as per Cl. 9.3 of IS 10322 (Part 1) 2014.	The sample should not show any damage affecting the compliance within the requirement of the standard.	No sign of any damage observed.	Satisfactory
8 8.1	**INSULATION RESISTANCE AND ELECTRIC STRENGTH (Cl.15)** **Insulation Resistance** At 500 V DC between current carrying parts and metal parts of the luminaire as mentioned in Table 10.1 of IS 10322 (Part 1) 2014.	Should not less than 2M Ohms.	100 M Ohms.	Satisfactory
8.2	**Electric Strength** A test voltage 1500 ac rms 50 Hz is applied between current carrying parts and metal parts of	Should not occur flashover or breakdown during the test.	No occur flashover or breakdown during the test.	Satisfactory

BAJAJ
Bajaj Electricals Ltd.
Inspiring Trust

	the luminaire parts mentioned Table 10.2 of IS 10322 (Part 1) 2014.			
8.3	**Leakage Current** Cl.10.3 of IS 10322 (Part 1) 2014.	Should not exceed 1mA for class I luminaire.	0.330 mA	Satisfactory
9	**RESISTANCE HEAT, FIRE AND TRACKING (Cl.16)**			
9.1	**Resistance to Heat:** Test conducted as per Cl.13.2.1 of IS 10322 (Part 1) 2014 on external insulating material at temp. 75 ° C.	The Dimeter of impression should not exceed 2 mm.	0.32 mm	Satisfactory
9.2	**Resistance to Flame and Ignition.** Glow wire test conducted as per Cl 13.3.2. of IS 10322 (Part 1) 2014 on insulating material which do not retain live parts in position at temp. 650 ° C.	Any flame or glowing should extinguish within 30 sec. of withdrawing the glow wire. Any burning or molten drop should not ignite the tissue paper.	Did not observe any flame. No Ignition of tissue paper observed.	Satisfactory Satisfactory
10	**Creepage Distances and Clearances (Cl 11).**	1-Beteewn live parts of different polarity (3mm min.)	Observed 5 mm	Satisfactory
10.1	**1-Creepage Distances**	2-Between live parts and other accessible metal parts or between live parts & outer insulating parts (4 mm min.)	More than 6 mm	Satisfactory
		3-Between live parts & other metal parts between them (6 mm min)	More than 8 mm	Satisfactory
10.2	**2- Clearances**	1-Beteewn live parts of different polarity (3mm min.)	Observed 6.1 mm	Satisfactory
		2-Between live parts and other accessible metal parts or between live parts & outer insulating parts (3 mm min.)	More than 4 mm	Satisfactory
		3-Between live parts & other metal parts between them (6 mm min)	More than 7 mm	Satisfactory

General Remarks: - The Sample meets the requirement of IS 10322 (Part 5/Sec.3) -2012 specification with respect to test carried out.

To,
Executive Engineer,
Nasik Municipal Corporation.
Nasik

Kind Attn: Sh. Devendra Vanmali (E.E. - Electrical)

Subject: Work order no. H.O.03 Dated 20th Aug 2019 for Design, Build, Finance, Operate, Maintain & Transfer the project of implementation of high impact streetlight by installing Energy efficiency dimmable and non-dimmable LED streetlights along feeder base SCADA system. **Regarding Completion of Survey in Nasik City.**

Reference-

1. Email submission of survey reports.

Dear Sir,

With reference to the subject mentioned above, we hereby submit the final Summary of the Division wise switching panels found in survey. The details of switching panel wise summary is attached as annexure-A for your reference and tabulated as below.

Sr. No.	Division	No. of Panels	No. of Poles	Light Fittings Nos.
1	Nashik West	117	6599	7456
2	Nashik East	150	8720	9791
3	Nashik Road	276	11962	13952
4	New Nashik- CIDCO	304	16050	18167
5	Panchvati	359	19825	20451
6	Satpur	209	11158	12382
Total		**1415**	**74314**	**82199**

All the panels as shown by NMC field team have been covered under the survey and we have already shared the same with division team and the final survey summary is as above. Also, we request if any additional poles are erected by NMC, it shall be informed to us for further survey and installation thereon.

Subject: Work order no. H.O.03 Dated 20th Aug 2019 for Design, Build, Finance, Operate, Maintain & Transfer the project of implementation of high impact streetlight by installing Energy efficiency dimmable and non-dimmable LED streetlights along feeder base SCADA system.**Street Light InfraDeficiency clearance.**

Reference-

1. Meeting held at Hon' Municipal commissioner office on 26th Nov 2019.

Dear Sir,

With respect to the above mentioned subject, and meeting held under Hon'bleCommissioner NMC in their office on 26th Nov 2019, it was instructed us for installation of 25000 nos. of LEDs by December End and TPLL will get full support from NMC by clearing Infra Deficiency on urgent basis.We would like to inform your good office that on good faith, we mobilized Second Installation Contractor to speed up and complete the work on schedule.

Further to update, We have submitted Pole Survey report of more than 75000 Nos.and Poles where Infra Deficiency are urgently required to be rectified are in excess of 25000 Nos(app.)Where as, as on date we had received clearance of 4000 nos. of Poles after proper rectification work is being completed by NMC Contractors.

Thus we request your intervention so that we timely get work front for installation and completing the work as per instructions of Hon'ble Commissioner Sir, as any delay in providing us front will lead to idle manpower and machinery and delay in delivery of work from our end.

Assuring our Best of Services at all the Times.

Date: - 23rd Dec, 2019

To,
M/s Bajaj Electricals Ltd
Mumbai
Contact Person: Mr Amit Bhalla/ Mr. Milind Nagraj

Sub:- Nashik Smart Lighting project
Ref:- **1.** LOI reference: TPL/UI/SCM/Nashik/02 dated 17th September 2019
2. Meeting held on 29.11.2019 and 20.12.2019 at TPL RO

Dear Sir,

This is with reference to the above mentioned LOI for the subject work at Nashik.

Though we have lost 1/3rd of the contractual Timeline for implementation of the Project, no significant progress is seen in all the three fronts viz Design completion, LED supply & finalization of Smart Control solution inspite of regular follow-up by TPL Team & NMC, we are facing inordinate delay in our project execution because of BEL's failure to take care of its deliverables and also as a result of which TPL has received show cause notice from NMC.

BELs current performance has put up multiple challenges for TPL. Namely –

1) Delay in luminaire deliveries

Wattage of Luminaire	Material Readiness Commitment received from Bajaj Electricals on 29 Nov 2019 Total Qty to be delivered till 22.12.19	STOCK RECEIVED TILL 23.12.19
30W	13686	5915
40W	4000	
55W	19180	8931
85W	4625	2485
110W	2000	
170W	800	
Total	44291	17331

2) Design Submissions :
It was committed that design submissions will be completed by 18th Dec 2019 whereas till date only 28k designs have been submitted. Approx. 60k designs are still pending. Furthermore, the design issues with NMC on A1/A2 categorisation has still not been resolved.

3) Control Panels & Dash board.
Inspite of various follow up from TPL, BEL has failed to deliver a mature smart solution for the Nashik Project. Many of GLM+ILM monitoring tool, features & reports which are critical to TPL performance are still under development. On two occasions, BEL demo was arranged but on both the occasions BEL failed to take care of the shortcomings highlighted by TPL.

In light of the above & in the better interest of the project, we urge BEL to shift their entire focus on Design submission & supply of luminaires so that the Project can be completed in stipulated time frame as per LOI. Please submit a detailed completion schedule for the design submission and supply of luminaires by 27th Dec 2019.

And In the above scenario, we are forced to de-scope the control & dash board part of the project from BEL & get it done through other competent Agencies at the risk & cost of BEL.
Also it should be noted that If BEL's performance for Luminaires is not improved to suit the project requirement, TPL will be forced to take further de-scoping action for the Luminaires in part or full at the risk & cost of BEL.

Thanking You,

Yours Faithfully,
For **TATA PROJECTS LIMITED**

Dear Sir,

Kindly refer today's discussion at NMC premises regarding the descoping of Lighting Controls from Bajaj Electricals Limited for Nashik Smart Street Lighting project .

Please find attached letter sent to M/s Bajaj Electricals Limited from Tata Projects Limited

As discussed ,we are going ahead with the demonstration of the alternate vendor on 30th December . Post your approval we will start deployment of their services for the smart controls in Nashik

Sincere Regards,

Abhishek Das

Subject: Reply to your email dated December 31, 2019 requesting PMC's opinion

Ref:

1. Smart Street Light project in Nashik
2. Email from The Executive Engineer, Electrical, NMC to PMC dated December 31, 2019 at 5.56 pm requesting PMC's opinion

Dear Sir

This is in reference to your email dated December 31, 2019 requesting PMC's opinion on the request made by TPL to descope controls and dashboard component from present OEM and transfer the same to 'alternative vendor'.

After perusing the RfP, bid submission by concessionaire, contract agreement signed between concessionaire and authority; and request by concessionaire to descope controls and dashboard component from present OEM and transfer the same to 'alternative vendor'; it is noted that there is no negative covenant or restriction as to the change of OEM by Concessionaire. Hence, there does not appear to be any restriction in terms of the RFP or the Agreement with respect to the Concessionaire to change the OEM.

TEST REPORT

Test Report No.: ATCC2/2019121302 Date: 23/12/2019
ULR-TC558419200002286P

Test as per IS/IEC 60529: 2001

S. No	Description	Specification	Observations	Remarks
1.	IP 66 test as per IS/IEC 60529:2001	**For First Characteristic Numerical 6** Protection against solid foreign object: Dust tight – No ingress of dust	No dust found entered inside of luminaries	Satisfactory
		For Second Characteristic Numerical 6 Protected against water: Protected against powerful water jets – Water projected in powerful jets against the enclosure from any direction shall have no harmful effects	No water found inside the of luminaries	Satisfactory

Test as per IEC 61000-4-5

Sr. No.	Test / Requirement name	Specified Requirements	Test Result/ Observation
Surge Test (As per IEC 61000-4-5)			
1.	**Test Voltage**: ± 4kV **Waveform**: 1.2µs / 50µs **Applied to Main Ports of EUT L/N** **Synchronized at**: 0°, 90°, 270° **Interval**: 5s **Number of tests:** 5 tests at each polarity **Condition of EUT**: ON condition **Supply Voltage**: 270V AC, 50Hz	Driver shall working during and after the test	Driver after the test (Withstood ± 4kV)

Test as per IEC 61000-4-5

Sr. No.	Test / Requirement name	Specified Requirements	Test Result/ Observation
Surge Test (As per IEC 61000-4-5)			
1.	**Test Voltage**: ± 10kV **Waveform**: 1.2µs / 50µs **Applied to Main Ports of EUT L/N** **Synchronized at**: 0°, 90°, 270° **Interval**: 5s **Number of tests:** 5 tests at each polarity **Condition of EUT**: ON condition **Supply Voltage**: 270V AC, 50Hz	Luminaire shall working during and after the test	Luminaire after the test (Withstood ± 10kV)

TEST REPORT

Test Report No.: ATCC2/2019121302 Date: 23/12/2019
ULR-TC558419200002286P

Additional test

S No.	Test / Requirement name	Test result / observation	Remarks
1	**Humidity Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Humidity test carried out at 27°C 93% RH for 48 h	Satisfactory
2.	**Thermal Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	See annex-1	Satisfactory
3.	**Electrical / Insulation Resistance Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Between live parts and mounting surface (Limit≥2MΩ) Insulation resistance test: 4.0 x 10^4MΩ Electric strength test: Test conducted at 1540V.No flashover or breakdown observed.	Satisfactory
4.	**Endurance Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Normal operating position 70°C (60°C+10°C) 297V (270V*1.1)	Satisfactory
5.	**Impact tests (IK07)** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Enclosure parts; energy (Nm): 5 Nm impact with 400mm compression applied, no damage observed	Satisfactory
6.	**Operating Voltage** 120V to 270V (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Street Light working at 120V to 270V	Satisfactory
7.	**Over Voltage cut off** > 295V (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Complies	Satisfactory
8.	**Total harmonic distortion** < 10% (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	7.1%	Satisfactory
9.	**LED Drive Current** > = 350mA < 1200mA (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	478mA	Satisfactory

TEST REPORT

Test Report No.: ATCC2/2019121303 Date: 23/12/2019
ULR-TC558419200002287P

Cl. No.	Test / Requirement name	Test result/ observation
8.0	Electrical Instrumentation The Electrical Characteristics measured for AC Powered SSL Products are	
	1. Input RMS AC Voltage	239.33V
	2. Input RMS AC Current	0.7147A
	3. Input AC Power	167.68W
	4. Power Factor	0.9795
	5. Frequency	50.08Hz
9.0	Total Luminous Flux	21005 lm
10.0	Luminous Intensity Distribution	See attachment no. 1
11.0	Luminous Efficacy	125.26 lm/W
12:0	Color Characteristics (Centre) (Average)	
	1. Chromaticity Coordinates	x= =0.3271, y= 0.3363
	2. Correlated Color Temperature (Average)	5746K
	3. Color Rendering Index (Average)	77.2 Ra

Supplementary Information:

1. The sample is tested according to IES LM 79-08.
2. Photometric parameters are obtained using C-type Goniophotometer and software.
3. The sample has been operated at AC 240V.
4. The sample has been operated for 45 minutes prior to measurement for a stable condition and total Measurement time is 95 minutes.
5. The orientation (burning position) of SSL product during test is its normal burning position.
6. The test distance is greater than 15 times the maximum light emitting area.
7. Total Spectral Radiant Flux Lamp, D908S of 600W (Omni-directional) and NPL calibrated (National standard traceable) has been used as Standard Lamp.

TEST REPORT

Test Report No.: ATCC2/2019121303 Date: 23/12/2019
ULR-TC558419200002287P

Test as per IS/IEC 60529: 2001

S. No	Description	Specification	Observations	Remarks
1.	IP 66 test as per IS/IEC 60529:2001	**For First Characteristic Numerical 6** Protection against solid foreign object: Dust tight – No ingress of dust	No dust found entered inside of luminaries	Satisfactory
		For Second Characteristic Numerical 6 Protected against water: Protected against powerful water jets – Water projected in powerful jets against the enclosure from any direction shall have no harmful effects	No water found inside the of luminaries	Satisfactory

Test as per IEC 61000-4-5

Sr. No.	Test / Requirement name	Specified Requirements	Test Result/ Observation
Surge Test (As per IEC 61000-4-5)			
1.	**Test Voltage**: ± 4kV **Waveform**: 1.2µs / 50µs **Applied to Main Ports of EUT L/N** **Synchronized at**: 0°, 90°, 270° **Interval**: 5s **Number of tests:** 5 tests at each polarity **Condition of EUT**: ON condition **Supply Voltage**: 270V AC, 50Hz	Driver shall working during and after the test	Driver after the test (Withstood ± 4kV)

Test as per IEC 61000-4-5

Sr. No.	Test / Requirement name	Specified Requirements	Test Result/ Observation
Surge Test (As per IEC 61000-4-5)			
1.	**Test Voltage**: ± 10kV **Waveform**: 1.2µs / 50µs **Applied to Main Ports of EUT L/N** **Synchronized at**: 0°, 90°, 270° **Interval**: 5s **Number of tests:** 5 tests at each polarity **Condition of EUT**: ON condition **Supply Voltage**: 270V AC, 50Hz	Luminaire shall working during and after the test	Luminaire after the test (Withstood ± 10kV)

TEST REPORT

Test Report No.: ATCC2/2019121303 Date: 23/12/2019
ULR-TC558419200002287P

Additional test

S No.	Test / Requirement name	Test result / observation	Remarks
1	**Humidity Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Humidity test carried out at 27°C 93% RH for 48 h	Satisfactory
2.	**Thermal Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	See annex-1	Satisfactory
3.	**Electrical / Insulation Resistance Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Between live parts and mounting surface (Limit≥2MΩ) Insulation resistance test: 4.0 x 10^4MΩ Electric strength test: Test conducted at 1540V.No flashover or breakdown observed.	Satisfactory
4.	**Endurance Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Normal operating position 70°C (60°C+10°C) 297V (270V*1.1)	Satisfactory
5.	**Impact tests (IK07)** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Enclosure parts; energy (Nm): 5 Nm impact with 400mm compression applied, no damage observed	Satisfactory
6.	**Operating Voltage** 120V to 270V (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Street Light working at 120V to 270V	Satisfactory
7.	**Over Voltage cut off** > 295V (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Complies	Satisfactory
8.	**Total harmonic distortion** < 10% (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	6.5%	Satisfactory
9.	**LED Drive Current** >= 350mA < 1200mA (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	398mA	Satisfactory

TEST REPORT

Test Report No.: ATCC2/2019121301 Date: 23/12/2019

ULR-TC558419200002285P

Cl. No.	Test / Requirement name	Test result/ observation
8.0	Electrical Instrumentation The Electrical Characteristics measured for AC Powered SSL Products are	
	1. Input RMS AC Voltage	239.02V
	2. Input RMS AC Current	0.8733A
	3. Input AC Power	207.45W
	4. Power Factor	0.9933
	5. Frequency	50.09Hz
9.0	Total Luminous Flux	24868 lm
10.0	Luminous Intensity Distribution	See attachment no. 1
11.0	Luminous Efficacy	119.88 lm/W
12.0	Color Characteristics (Centre) (Average)	
	1. Chromaticity Coordinates	x= 0.3267, y= 0.3359
	2. Correlated Color Temperature (Average)	5765K
	3. Color Rendering Index (Average)	74.2 Ra

Supplementary Information:

1. The sample is tested according to IES LM 79-08.
2. Photometric parameters are obtained using C-type Goniophotometer and software.
3. The sample has been operated at AC 240V.
4. The sample has been operated for 45 minutes prior to measurement for a stable condition and total Measurement time is 95 minutes.
5. The orientation (burning position) of SSL product during test is its normal burning position.
6. The test distance is greater than 15 times the maximum light emitting area.
7. Total Spectral Radiant Flux Lamp, D908S of 600W (Omni-directional) and NPL calibrated (National standard traceable) has been used as Standard Lamp.

TEST REPORT

Test Report No.: ATCC2/2019121301 Date: 23/12/2019
ULR-TC558419200002285P

Test as per IS/IEC 60529: 2001

S. No	Description	Specification	Observations	Remarks
1.	IP 66 test as per IS/IEC 60529:2001	**For First Characteristic Numerical 6** Protection against solid foreign object: Dust tight – No ingress of dust	No dust found entered inside of luminaries	Satisfactory
		For Second Characteristic Numerical 6 Protected against water: Protected against powerful water jets – Water projected in powerful jets against the enclosure from any direction shall have no harmful effects	No water found inside the of luminaries	Satisfactory

Test as per IEC 61000-4-5

Sr. No.	Test / Requirement name	Specified Requirements	Test Result/ Observation
Surge Test (As per IEC 61000-4-5)			
1.	**Test Voltage**: ± 4kV **Waveform**: 1.2µs / 50µs **Applied to Main Ports of EUT L/N** **Synchronized at**: 0°, 90°, 270° **Interval**: 5s **Number of tests:** 5 tests at each polarity **Condition of EUT**: ON condition **Supply Voltage**: 270V AC, 50Hz	Driver shall working during and after the test	Driver after the test (Withstood ± 4kV)

Test as per IEC 61000-4-5

Sr. No.	Test / Requirement name	Specified Requirements	Test Result/ Observation
Surge Test (As per IEC 61000-4-5)			
1.	**Test Voltage**: ± 10kV **Waveform**: 1.2µs / 50µs **Applied to Main Ports of EUT L/N** **Synchronized at**: 0°, 90°, 270° **Interval**: 5s **Number of tests:** 5 tests at each polarity **Condition of EUT**: ON condition **Supply Voltage**: 270V AC, 50Hz	Luminaire shall working during and after the test	Luminaire after the test (Withstood ± 10kV)

TEST REPORT

Test Report No.: ATCC2/2019121301 Date: 23/12/2019
ULR-TC558419200002285P

Additional test

S No.	Test / Requirement name	Test result / observation	Remarks
1	**Humidity Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Humidity test carried out at 27°C 93% RH for 48 h	Satisfactory
2.	**Thermal Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	See annex-1	Satisfactory
3.	**Electrical / Insulation Resistance Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Between live parts and mounting surface (Limit≥2MΩ) Insulation resistance test: 4.0 x 10^4MΩ Electric strength test: Test conducted at 1540V.No flashover or breakdown observed.	Satisfactory
4.	**Endurance Test** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Normal operating position 70°C (60°C+10°C) 297V (270V*1.1)	Satisfactory
5.	**Impact tests (IK07)** (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Enclosure parts; energy (Nm): 5 Nm impact with 400mm compression applied, no damage observed	Satisfactory
6.	**Operating Voltage** 120V to 270V (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Street Light working at 120V to 270V	Satisfactory
7.	**Over Voltage cut off** > 295V (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	Complies	Satisfactory
8.	**Total harmonic distortion** < 10% (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	7.9%	Satisfactory
9.	**LED Drive Current** > = 350mA < 1200mA (As per IEC 60598-2-3 equivalent to IS 10322-5-3)	562mA	Satisfactory

CLASSIFICATION OF ROADS

As per IS 1944-2 and National Lighting Code SP72-2010

BAJAJ
Bajaj Electricals Ltd.
Inspiring Trust

Table 3 Lighting Recommendations for Different Road Types — IS Classification

(*Clause* 8.1.4)

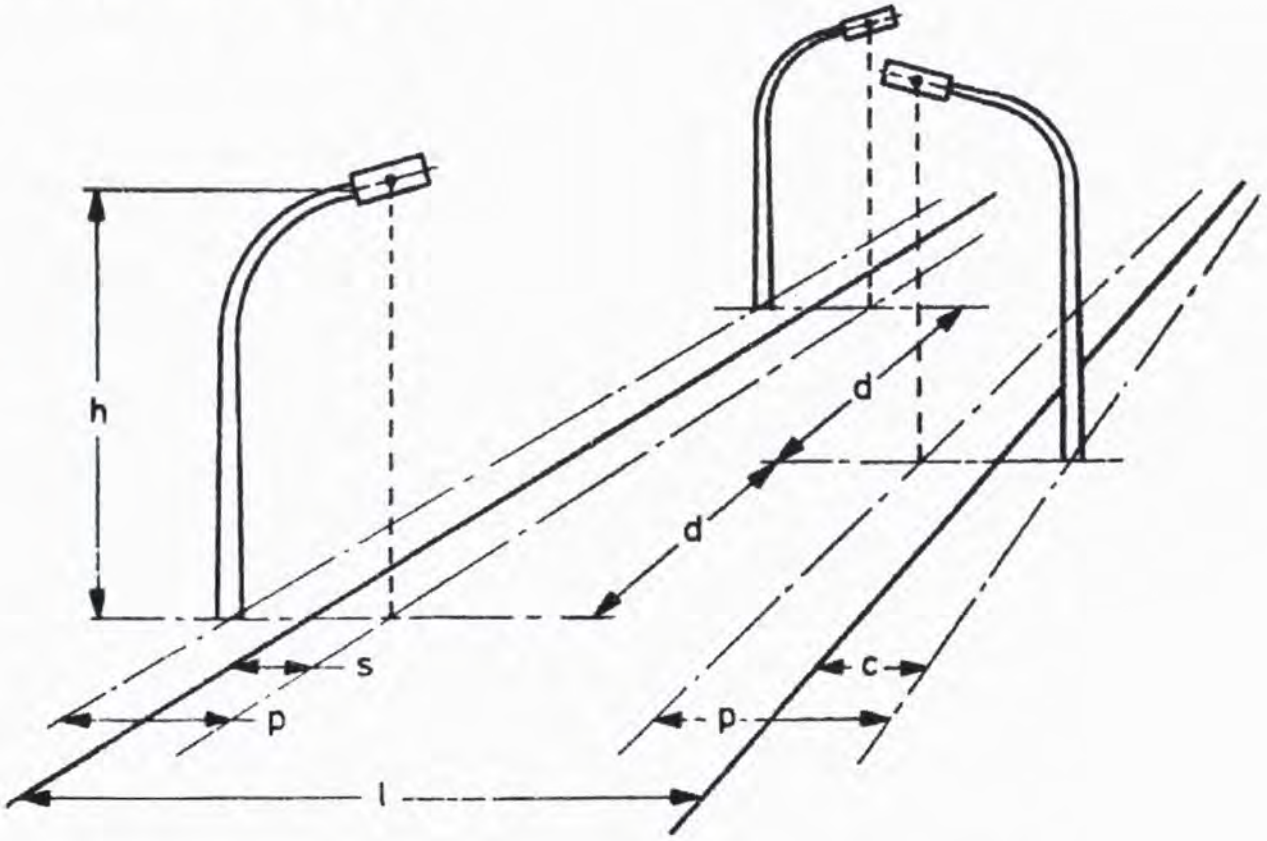
Sl. No.	Classification of Lighting Installation	Type of Road	Average Illuminance on Road Surface	Uniformity Ratio E_{min}/E_{av}	Transverse Uniformity (E_{min}/E_{max})
(1)	(2)	(3)	(4)	(5)	(6)
i)	Group A1	Important traffic routes carrying fast traffic	30	0.4	0.33
ii)	Group A 2	Other main roads carrying mixed traffic like main city streets, arterial roads and throughway roads	15	0.4	0.33
iii)	Group B 1	Secondary roads with considerable traffic like principal local traffic routes and shopping	8	0.3	0.2
iv)	Group B 2	Secondary roads with light traffic	4	0.3	0.2

NOTE — Transverse uniformity: Ratio of E_{min} and E_{max} across the road.

ROAD LIGHTING ELEMENTS

As per IS 1944-2 and National Lighting Code SP72-2010

BAJAJ
Bajaj Electricals Ltd.
Inspiring Trust



h = mounting height of luminaires
d = spacing
l = width of the carriageway
p = outreach
s = overhang
c = clearance

2419

DESIGN CONSIDERATION

Total Road Width (Carriageway +Median)	Single / Dual Carriage	Median	Pole position	Illumination Category as per NLC	Illumination Level in Lux	Uniformity
12-18m and Above	Dual	1-1.5m	on median	A2	15	0.4
10-18m	Single	NA	Single Side	A2	15	0.4
7-9m	Single	NA	Single Side	B1	8	0.3
Upto 6m	Single	NA	Single Side	B2	4	0.3

As per joint discussion (NMC, TPL , Bajaj and KPMG), road Category has been decided based on the width of road.

नगरपालिका महानगरपालिका
दि. 16/1/2020

नगरपालिका,महानगरपालिका,महाराष्ट्र जीवन प्राधिकरण यांच्या क्षेत्रातील पाणी पुरवठा योजना व पथदिव्यांमध्ये ऊर्जा बचतीसाठी संयंत्रे आस्थापित करण्यासाठी अर्थसहाय्याची योजना

महाराष्ट्र शासन
शासन निर्णय क्र.अपाऊ २०१०/प्र.क्र.४७०/ऊर्जा-७
उद्योग, ऊर्जा व कामगार विभाग,
मंत्रालय, मुंबई-३२
दिनांक :१३ जानेवारी,२०११.

प्रस्तावना -

राज्यात पाणी पुरवठा योजना व पथदिव्यांमध्ये अनुक्रमे एकूण ४ टक्के व १.५ ते २ टक्के ऊर्जा वापर होतो. त्यामध्ये सुमारे ३० टक्के ऊर्जा बचतीस वाव असून, त्यासाठी ऊर्जा बचत उपकरणांचा वापर त्वरित सुरु करणे आवश्यक आहे. अशी ऊर्जा बचत सयंत्रे उपलब्ध देखील आहेत. राज्यातील बऱ्याच नगरपालिका, महानगरपालिका क्षेत्रांमध्ये हाताने पथदिवे सुरु व बंद करण्यात येत असल्याने ऊर्जेचा अपव्यय होतो. त्याएवेजी ॲटो सेन्सर, व्होल्टेज डिमिंग तंत्र, टायमर, स्काडा, वेब बेस्ड मॉनिटरींग सिस्टीम वापरुन ऊर्जा बचत तसेच सुविधाजनक होऊ शकते. अशा प्रकारच्या तंत्रज्ञानाचा वापर पथदिव्यांप्रमाणेच पाणीपुरवठा योजनांमध्येही केल्यास पाणी पुरवठा पंपाची संख्या,त्यांची कार्यक्षमता व पाण्याचे परिमाण दर्शविणारी यंत्रणा बसविल्यास पाणीपुरवठा योजनांची कार्यक्षमता वाढविणे शक्य आहे.

राज्यातील नगरपालिका, महानगरपालिकांकडील पथदिवे व महाराष्ट्र जीवन प्राधिकरणाकडील पाणी पुरवठा योजना यामध्ये मॉनिटरींग करणारी व ऊर्जा कार्यक्षमता दर्शविणारी यंत्रणा वापरुन ऊर्जा बचत करण्यासाठी पथदर्शी स्वरुपात योजना राबविण्याच्यादृष्टीने अर्थसहाय्य देण्याची योजना राज्य शासनाच्या विचाराधीन होती.

24/1/2020

शासन निर्णय –

राज्यातील नगरपालिका, महानगरपालिका व महाराष्ट्र जीवन प्राधिकरण यांनी त्यांच्या कार्यक्षेत्रातील पाणी पुरवठा योजना व पथदिव्यांमध्ये ऊर्जा बचत करणारे सयंत्र/ यंत्रणा आस्थापित करुन ऊर्जा बचत करण्यासाठी अर्थसहाय्याच्या योजनेस शासनाची मान्यता देण्यात येत आहे.

अ. **योजनेची तांत्रिक माहिती व परिमाण –**

नगरपालिका, महानगरपालिका व महाराष्ट्र जीवन प्राधिकरण यांच्या क्षेत्रातील पाणी पुरवठा योजनांच्या यंत्रणेमध्ये पंपाची कार्यक्षमता नियमितपणे दर्शविण्यासाठी स्काडा व वेब बेस्ड मॉनिटरींग यंत्रणा आस्थापित करणे आणि पथदिव्यांमध्ये ऑटो सेंसर टाईमर, व्होल्टेज डिमिंग तंत्र, स्काडा व वेब बेस्ड मॉनिटरींग सिस्टिम इत्यादी प्रकारची सयंत्रे आस्थापित करण्याकरिता नगरपालिका, महानगरपालिका, व महाराष्ट्र जीवन प्राधिकरणांना पथदर्शी स्वरुपात सदरची ऊर्जा बचतीची सयंत्रे प्राधान्याने आस्थापित करण्यासाठी महाऊर्जामार्फत अर्थसहाय्य उपलब्ध करण्यात येईल.

ब. **अर्थसहाय्य-**

नगरपालिका ,महानगरपालिका व महाराष्ट्र जीवन प्राधिकरण यांच्याकडून प्राप्त झालेल्या प्रस्तावांना अनुसरुन पथदिव्यांमध्ये विविध सयंत्रे आस्थापित करण्यासाठी कमाल मर्यादा रुपये २० लाखापर्यंत व पाणी पुरवठा योजनांमध्ये पंपाची कार्यक्षमता दर्शविणारी व मॉनिटरींग करणारी सयंत्रे आस्थापित करण्याकरिता कमाल मर्यादा रु. ५ लक्षापर्यंत महाऊर्जामार्फत अर्थसहाय्य उपलब्ध करण्यात येईल.सयंत्र आस्थापित करण्यासाठी येणाऱ्या खर्चापैकी वरीलप्रमाणे अर्थसहाय्य वगळता उर्वरित खर्च संबंधित संस्थेने/ प्राधिकरणाने उपलब्ध करुन द्यावयाचा आहे. सदर योजनेबाबत सविस्तर मार्गदर्शक सूचना महाऊर्जाकडून निर्गमित करण्यात येतील.

क. **योजनेची अंमलबजावणी -**

१) दरवर्षी प्रत्येक महसूली विभागातून 'अ' 'ब' व 'क' वर्ग नगरपालिकांमधून एक नगरपालिका निवडण्यात येईल. त्यासाठी संबंधित विभागीय आयुक्तांनी शिफारस केलेल्या

नगरपालिकांकडून प्रस्ताव महाऊर्जाकडून मागविण्यात येतील. तसेच महानगरपालिका व महाराष्ट्र जीवन प्राधिकरण यांच्याकडून महाऊर्जाने प्रस्ताव मागवून गुणकांच्याआधारे प्रस्तावांचा विचार करण्यात यावा.

२) नगरपालिका,महानगरपालिका व महाराष्ट्र जीवन प्राधिकरणाच्या पथदिव्यांचे व पाणी पुरवठा यंत्रणेचे आवश्यकतेनुसार ऊर्जा परीक्षण करुन घेण्यात येईल.

३) सदर सयंत्रे उभारणीसाठीची निविदा प्रक्रिया संबंधित नगरपालिका,महानगरपालिका व महाराष्ट्र जीवन प्राधिकरणाने करावयाची असून त्यासाठी महाऊर्जाकडून तांत्रिक सहाय्य उपलब्ध करण्यात येईल.

४) वरील योजनेच्या अंमलबजावणी विषयीचा प्रगती अहवाल महाऊर्जा शासनास सादर करील.

५) उपरोक्त योजना राबविण्यासाठी महाऊर्जामार्फत आर्थिक तरतूद अर्थसंकल्पित होण्याकरिता कार्यवाही करण्यात येईल.

ड. **आर्थिक तरतूद –**

सदर योजना सन २०१०-११ पासून राबविण्यासाठी मान्यता देण्यात येत असून, यासाठी होणारा खर्च "२८१०-वीज- अपारंपारिक ऊर्जा साधने "या मुख्य लेखाशिर्षा खाली मंजूर अनुदानातून भागविण्यात यावा.

महाराष्ट्राचे राज्यपाल यांच्या आदेशानुसार व नावाने,

(सु. दि. पारधी)
प्रभारी अवर सचिव, महाराष्ट्र शासन.

प्रति,
अध्यक्ष,महाराष्ट्र राज्य विद्युत नियामक आयोग, मुंबई.(पत्राने)

Subject: Request for independent audit of lux level, uniformity and other associated technical parameters to assess the performance of Smart Street Light project in Nashik under Nashik Smart City

at random randomly selected by NMC, on a rotational basis each year

Reference:

1. Smart LED Street Lights project under Public-Private-Partnership (PPP) basis for PAN City area under Nashik City on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) Basis.
2. Work order issued to TPLPL on August 20, 2019

Dear Sir

Nashik Municipal Corporation is providing municipal services in its jurisdiction catering to a population of about 19 lakh citizens. Through 'Smart Street Project' under Nashik Smart City initiative, NMC under PPP is replacing existing energy consuming street lights with more energy efficient Light Emitting Diode (the "LED") bulbs and installing smart control and monitoring network. The main objective is to upgrade and rehabilitate Nashik city's existing street light network and provide a new smart infrastructure to achieve substantial reduction in the energy consumption and carbon emission.

As a part of project, independent audit of lux level, uniformity and other associated technical parameters is to be done for assessing the performance of Smart Street Light project. In this regard, we earnestly look forward to partner with MEDA. Kindly share with us the modalities of engagement so that the needful can be done at the earliest.

Regards

Subject **RE: Smart Street Light Project - Refund of EMD**
From Sodhani, Shubham <shubhamsodhani@kpmg.com>
To ee_electrical@nmc.gov.in <ee_electrical@nmc.gov.in>
Copy PRADEEP BISEN <PM-E@nashiksmartcity.in>, Deshmukh, Swapnil <swapnildeshmukh@kpmg.com>, Mony, Sebastian <sebastianmony@kpmg.com>, Jain, Abhishek <abhishekjain33@kpmg.com>
Date 28-02-2020 18:08

Dear Sir

As per clause 3.13.iv of RfP; "EMD of Successful Concessionaire will be returned after the award of contract and submission of the performance Security within specified time and in accordance with the format given in the RFP". LoA was issued to concessionaire on March 6, 2019 and as per clause 3.22.xii of RfP it was desired that concessionaire deposit PBG within 15 days of Letter of Award/Intent or within such extended period, as may be specified by the NMC. Further, concessionaire deposited PBG on March 29, 2019.

In view of this, subjected to NMC's opinion on extended period and confirmation of receipt of PBG by NMC's bank; EMD may be refunded to concessionaire.

Regards
Shubham

Subject: Response to concessionaire's letter vide reference TPLL-NMC-SC/08-100 dated May 19, 2020

Reference:
1. Street light project in Nashik
2. NMC letter vide reference 390/20 dated May 6, 2020
3. Concessionaire's letter vide reference TPLL-NMC-SC/08-100 dated May 19, 2020

We are in receipt of your response (vide reference 2) to our letter (vide reference 1). In this regard please find our point wise observations to your responses:

1. Observation to concessionaire point 1: Road Category discussion is remaining only for Panchvati Division. You are suggested to come for in-person discussion with your team at the earliest. NMC and PMC are available.

2. Observation to concessionaire point 2: Road Category discussion is remaining only for Panchvati Division. You are suggested to come for in-person discussion with your team at the earliest. NMC and PMC are available. For other divisions discussion could take place for Switching Points for which site re-verification was recommended.

3. Observation to concessionaire point 3: As already mentioned in previous our previous letter (reference 1), it is reiterated that the request is unjustified with regards to Government Guidelines, RfP and/or Contract conditions and therefore unacceptable. Concessionaire is also advised to exercise caution before coming out with such requests.

4. Observation to concessionaire point 4a: As informed earlier in our meetings, reiterating once again that please refer NMC website https://nashikcorporation.in/ and go to Containment Zone tab for required information.

5. Observation to concessionaire point 4b: Similar to above point, refer NMC website https://nashikcorporation.in/ and go to Containment Zone tab for required information. Work must immediately commence in areas which are not in containment zones. You are suggested to expedite and these information could best be taken through verbal communication as doing so shall save time, be more effective and mitigate the delay.

6. Observation to concessionaire point 4c: As already mentioned in previous our previous letter (reference 1), it is reiterated that all monetary aspects are the responsibility of concessionaire. Concessionaire must take necessary steps to ensure safety of personnel deployed for execution.

7. Observation to concessionaire point 4d: We followed with concessionaire multiple times for the any administrative approvals which may be required. However, concessionaire did not respond and has highlighted this as an issue just for the sake in its letter (reference 2). Even now, it is suggested to concessionaire to promptly seek any permissions, if needed.

8. Observation to concessionaire point 4e: Work can take place. In fact, civil works of several smart cities projects are in various phases of progress. Absence of Project Manager in Nashik is the main

reason for slow action from concessionaire's end. It is reiterated that all monetary aspects are the responsibility of concessionaire.

9. Observation to concessionaire point 5a to d: NMC assure of all reasonable help. However, concessionaire needs to fulfill its responsibility and instructions for effective project management. NMC has suggested an SOP to be followed for asset deficiency rectification details. This was shared with concessionaire vide point 4 of NMC letter reference NMC/EL/295 dated March 21, 2020. This was reiterated in our previous letter as well (reference 1). At least concessionaire must follow the step wise procedure and let us know in case of any issues.

In light of this it is suggested to concessionaire to follow necessary steps.

Show Cause Notice

To,
The Director
TP Luminaire Private Limited
One Boulevard, 3rd Floor, Lake Boulevard Road,
Hiranandani Business Park, Powai
Mumbai-400076

Kind attention: Mr. Ravishankar Chandrasekaran

Subject: Show Cause Notice for delay in execution, non-compliance of RfP conditions and persistent lacunae in ongoing work

Reference:

1. Work order issued to TPLPL on August 20, 2019
2. Contract signed between NMC and TPLPL on August 20, 2019
3. Show cause notice issued to TPLPL vide. reference Smart Light 1 of 2019 dated September 21, 2019
4. Reply from TPLPL to Show Cause notice vide reference TPL-M/UI/-SC/2019-20/LED/Nashik-05 dated September 25, 2019
5. Revised Operation Plan submitted by TPL on 26th November 2019
6. Authorized Signatory from concessionaire as per contract signed between NMC and concessionaire

Even after multiple reminders to TP Luminaire Private Limited (hereafter to be referred as concessionaire) to comply with RfP conditions and follow the timelines; several lacunae in execution have been observed. In fact, the progress of the project is not even in accordance with Operations Plan submitted by concessionaire vide reference 5. Some of the persisting lacunae derailing the progress of project till March 20, 2020 are as follows:

1. Controls and dashboard component

Please refer to clause 4.1.1 of RfP, wherein - "Concessionaire needs to submit a detailed report of survey and design to NMC (Within 30 days)" and further reiterated in RfP on page number 16 and contract clause 4.3, 7.1 and 7.3. The need for completing the survey within 1 month of signing of contract/Work Order and start with execution afterwards was reminded vide reference 3. Consequently, concessionaire vide reference 4 assured to 'comply with RfP terms and make recourse for the time lapsed'. However, neither the RfP/contract condition nor the commitment from concessionaire held good.

In fact, according to 4.12 of RfP, concessionaire was mandated to 'first install control panels with each of the feeders/ switch points before the installation of LED lights. After recording the measurements related to previous load and lightning load, the Concessionaire was to replace the old lights with LED lights and then again record the changed load'. While this was reminded to concessionaire multiple times, an email was sent by PMC in this regard on January 17, 2020 and reiterated on January 22, 2020. Even before, NMC/PMC had been regularly reminding the concessionaire to share action plan for undertaking control and dashboard component (the most recent being an email from PMC on January 14, 2020).

Concessionaire's own revised operations plan (which in itself was shared with considerable delay on November 27, 2019) committed installation of at least 300 panels. However, this too has been done. Rather concessionaire submitted technical solution documents of one make on November 19, 2019. Accordingly, NMC gave go ahead on December 20, 2019. However, the make was again changed, and revised documents were submitted by concessionaire on February 11, 2020. Hence, between December

9-2984

20, 2019 and February 11, 2020; more than a month lapsed and control panels were not been installed. Necessary recourse for the delay was also not made.

2. Delay in completion of Survey

As mentioned earlier, concessionaire was mandated to complete survey within one month from date of signing of contract/Work Order. While the RfP condition and timelines shared in operations plan were not followed. This has been one of the foremost reasons for overall delay in the project. Furthermore, clause 4.10.6 of RfP mandates the concessionaire 'to prepare switching point based inventory post replacement and the concessionaire shall conduct GIS/ GPS mapping of street lighting switching points/feeder panels and rationalize the coverage area under the switching points'. Till today required data has not been shared with NMC. In fact, concessionaire was reminded to do the needful several times; with latest being vide minutes of meeting shared on February 17, 2020 (12:22 PM) and email sent on March 9, 2020 (5:34 PM).

3. Delay in factory inspection visits

Factory inspection is a vital part of execution and was supposed to be concluded well before start of execution work. However, despite multiple reminders site visit to factory for higher wattages has still not taken place and higher wattage fixtures not installed.

4. Slow progress of fixtures installation

Installation of fixtures has progressed with considerable delay, despite all possible assistance rendered by NMC. For instance, it was required that the decision from NMC with regards to road category for lighting purposes is obtained prior to installation of fixtures. However, concessionaire installed the fixtures without required decision. First request for arriving at the decision was submitted by concessionaire on December 6, 2019 through email and post discussion with Deputy Engineers of NMC (as reported by concessionaire); second request through email was submitted by concessionaire on January 13, 2020 at (7.35 pm). However, since the data sheet which was used by concessionaire during 'reported' discussion was found to be inconsistent and incomplete, improvements were suggested to concessionaire on January 17, 2020 (3.03 pm) through email. Afterwards, whenever concessionaire submitted revised data sheet, NMC had given its final decision on road category for lighting purposes in minimum time possible.

5. Lack of timely actions in order to mitigate the delay

NMC has time and again reminded concessionaire about inordinate delay and recommended mitigation strategies. However, instead of working with constructive approach, concessionaire demonstrated lack of seriousness towards the project. Some of the recent pieces of communication with regards to highlighting the delay were dated December 16, 2019 (4.42 pm), December 23, 2019 (6:30 PM and 6:47 PM), December 30, 2019 (4:26 PM), January 1, 2020 (7.34 PM), February 24, 2020 (4:08 PM and 4:17 PM) and March 3, 2020 (12:14 PM).

Considering persistent delay and lack of seriousness towards the project, you are directed to show cause as to why action should not be taken against concessionaire as per Contract and RfP conditions. Also, your reply, if any should be accompanied by proper and detailed plan of action. Your reply is expected within 7 days of date of this letter, failing which it would be perceived that there is no justification from your end.

To,
The Executive Engineer (Electrical)
Nashik Municipal Corporation,
Rajiv Gandhi Bhavan, Sharanpur Road,
Nashik – 422002

Subject: Response to NMC's Show cause notice (O. No :430) dated 22/05/2020.

Ref:
1. Work order issued to TPLL on August 20,2019.
2. Contract signed between NMC and TPLL on August20,2019.
3. Show cause notice issued to TPLL dated 22/05/2020 (O. No - 430).

Dear Sir,

At the outset we respectfully clarify that there is no such provision of issuance of show cause notice by the Employer and to put the concessionaire to respond within timelines not stipulated in the contract or agreed between the parties. We request your good selves to kindly adhere ourselves within ambit of contract provisos. However, we duly acknowledge and equally appreciate your concerns and share your views for expeditious completion of the project. However, we differ with your views to hold concessionaire as solely responsible for such delays. There are constraints / issues which are beyond the control of concessionaire which have substantially contributed to the delay and non-achievement of our planning.

You are also aware that due to 'Outbreak and spread of COVID-19' all over the World, normal life in most of the nations, including India, is disrupted. The World Health Organization has declared this 'Outbreak and spread of COVID-19' as a pandemic. Subsequently, various events have happened which were completely unforeseen / beyond the control of TPL and the project has suffered disruption of the works.

Such events include lockdowns, suspension of road transportation, railways, various restrictions in movement and pan India spreading of fear psychosis amongst populace and especially workforce. In fact in view of these restrictions already Ministry of finance, Govt. of India has announced that extension of time of six months should be given to concession projects by extending their concession periods. We will be making a separate submission for your consideration for extension of time by including all the relevant delays.

In addition to the aforesaid, we hereby provide the point wise submissions for your kind perusal.

TP LUMINAIRE

1. **Controls and dashboard component: –**

The concessionaire has duly initiated the survey work at Nashik within few days of signing the contract with NMC. However, due to various factors like Model Code of Conduct, Local Festivals, Monsoon & unavailable data from authority, the concessionaire faced constraints in arranging relevant manpower. Since then the concessionaire has submitted survey reports on regular basis to the authority. Further, due to unavailability of predefined survey report format, the concessionaire had to resurvey certain area of city which took additional time & resources to complete survey. Unavailability of complete location details of above mentioned area with the authority had also resulted in further delay in Survey. Also the authority had requested the concessionaire to carry on survey work and installation simultaneously for benefit of the citizens of Nashik which the concessionaire had tried to accommodate judiciously.

It was mutually decided between the authority, concessionaire & PMC that due to site emergencies, the concessionaire will replace the existing conventional fixtures with LED fixtures. There was also mutual decision that the concessionaire can install Smart control panels after replacing existing conventional fixtures. However, the authority has reciprocal obligation to correct the load unbalancing which is still pending from the authority before installation of control panels. We respectfully convey our dismay & surprise to find such observations / allegations being raised even after mutual discussion on the matter, which is already resolved.

In this regard, we would like to update you that after receipt of formal approval from NMC for the revised solution on 12.03.2020, the concessionaire has provided the manufacturing clearance to its vendor and 200 no's Smart Control panels have reached Nashik on 28.05.2020

2. **Delay in completion of survey: –**

Further, to our aforementioned reasons for delay in survey works, in order to complete the survey at the earliest, the concessionaire had employed close to 100 resources and completed the survey activity and the same is also acknowledged by NMC. In addition, Pole marking & GIS/GPS mapping of street light work is in progress and will share it to you after the completion of the commissioning of the system. The concessionaire will provide the data as the works are in progress.

TP LUMINAIRE

3. **Delay in factory inspection visits: –**

The factory inspection is pending only for Floodlights and 250 W Street Light. Due to current lockdown restrictions the inspection has been delayed. The concessionaire is coordinating with the vendor and will provide final dates for inspection of pending fixtures.

4. **Slow progress of fixture installation: –**

The concessionaire has always tried to install the light fixtures to the maximum extent wherever there has deficiency clearance as per survey report or design approval received from the authority. However, there has been instances where reported deficiencies are still not rectified by the authority as per the meeting dated November 24, 2019 in presence of Hon'ble Commissioner at NMC premises. The concessionaire has not received the formal deficiency clearance report till date from the authority.

Regarding design clearance and road categorization approval, even after agreement, there has been many instances where work was stopped by local factors. And the concessionaire was forced to install higher wattages fixtures which are over and above the approved wattages. There has been multiple deviation from the RFP and concessionaire seeks formal approval on all designs submitted at the earliest from the authority. The concessionaire would like to highlight here that such forced changes will surly impact project energy savings in due course of time and we request the Authority to compensate the same accordingly.

It is also to be mentioned that, there has been delay in written acknowledgement from NMC for the installation work. We request the authority to sign off the installation carried out simultaneously which will help speeding up the installation.

5. **Lack of timely action in order to mitigate the delay: -**

The concessionaire had always taken a proactive approach to mitigate the delays of the project and requested NMC /PMC to support us with timely approvals.

We submit the following points which require approvals to mitigate the delays.

- Rectification of the infra deficiency
- Illumination design approval
- Physical position of control room
- Installation signoff

The concessionaire is committed to provide service to NMC and to citizens of Nashik for the contract period. However, there has been delay from the authority's part to clear off our outstanding EMD and finalize the Escrow agreement. We request the authority to consider

TP LUMINAIRE

release of the EMD, finalize the Escrow agreement at the earliest which will help us to ease the burden on the project financials.

We trust that our above submission has addressed your concerns and the concessionaire solicits the necessary support of your good offices for the successful and earliest completion of the project.

Thanking you and assuring you of our best services all the time.

TP LUMINAIRE

TPLL-NMC-SC/08-101 **Date: 27/05/2020**

To,
The Executive Engineer (Electrical)
Nashik Municipal Corporation,
Rajiv Gandhi Bhavan, Sharanpur Road,
Nashik – 422002

Subject: Response to NMC's Show cause notice (O. No :430) dated 22/05/2020.

Ref:
1. Work order issued to TPLL on August 20,2019.
2. Contract signed between NMC and TPLL on August20,2019.
3. Show cause notice issued to TPLL dated 22/05/2020 (O. No - 430).

Dear Sir,

At the outset we respectfully clarify that there is no such provision of issuance of show cause notice by the Employer and to put the concessionaire to respond within timelines not stipulated in the contract or agreed between the parties. We request your good selves to kindly adhere ourselves within ambit of contract provisos. However, we duly acknowledge and equally appreciate your concerns and share your views for expeditious completion of the project. However, we differ with your views to hold concessionaire as solely responsible for such delays. There are constraints / issues which are beyond the control of concessionaire which have substantially contributed to the delay and non-achievement of our planning.

You are also aware that due to 'Outbreak and spread of COVID-19' all over the World, normal life in most of the nations, including India, is disrupted. The World Health Organization has declared this 'Outbreak and spread of COVID-19' as a pandemic. Subsequently, various events have happened which were completely unforeseen / beyond the control of TPL and the project has suffered disruption of the works.

Such events include lockdowns, suspension of road transportation, railways, various restrictions in movement and pan India spreading of fear psychosis amongst populace and especially workforce. In fact in view of these restrictions already Ministry of finance, Govt. of India has announced that extension of time of six months should be given to concession projects by extending their concession periods. We will be making a separate submission for your consideration for extension of time by including all the relevant delays.

In addition to the aforesaid, we hereby provide the point wise submissions for your kind perusal.

TP LUMINAIRE

1. **Controls and dashboard component: –**

The concessionaire has duly initiated the survey work at Nashik within few days of signing the contract with NMC. However, due to various factors like Model Code of Conduct, Local Festivals, Monsoon & unavailable data from authority, the concessionaire faced constraints in arranging relevant manpower. Since then the concessionaire has submitted survey reports on regular basis to the authority. Further, due to unavailability of predefined survey report format, the concessionaire had to resurvey certain area of city which took additional time & resources to complete survey. Unavailability of complete location details of above mentioned area with the authority had also resulted in further delay in Survey. Also the authority had requested the concessionaire to carry on survey work and installation simultaneously for benefit of the citizens of Nashik which the concessionaire had tried to accommodate judiciously.

It was mutually decided between the authority, concessionaire & PMC that due to site emergencies, the concessionaire will replace the existing conventional fixtures with LED fixtures. There was also mutual decision that the concessionaire can install Smart control panels after replacing existing conventional fixtures. However, the authority has reciprocal obligation to correct the load unbalancing which is still pending from the authority before installation of control panels. We respectfully convey our dismay & surprise to find such observations / allegations being raised even after mutual discussion on the matter, which is already resolved.

In this regard, we would like to update you that after receipt of formal approval from NMC for the revised solution on 12.03.2020, the concessionaire has provided the manufacturing clearance to its vendor and 200 no's Smart Control panels have reached Nashik on 28.05.2020

कार्यालयीन आदेश:

नाशिक मनपा क्षेत्रात PPP तत्वावर स्मार्ट स्ट्रीट लाईट प्रकल्प राबविणे या प्रकल्पाचे कार्यादेश मक्तेदार मे.टाटा प्रोजक्टस् ल्युमिनियर लि. यांना देण्यात आलेली आहे. मनपाच्या यापुर्वीच्या प्रस्तावामध्ये स्मार्ट लाईटींग प्रकल्पाची कमांड कंट्रोल रुम ही पंचवटी विभागीय कार्यालय येथे नियोजीत होती. मात्र पंचवटी विभागीय कार्यालय येथे स्मार्ट सिटी कंपनीची कमांड कंट्रोल रुमचे कामकाज सुरु आहे. त्याठीकाणी जागा उपलब्ध नसल्यामुळे स्मार्ट लाईटींग प्रकल्पाच्या कमांड कंट्रोल रुमसाठी मनपा मुख्यालय, राजिव गांधी भवन येथे सुमारे ४०० ते ८०० स्क्वे.फुट जागा उपलब्ध करुन देणे आवश्यक आहे.

सद्यस्थितीत मनपा विद्युत विभागाचे कार्यालय राजीव गांधी भवन ३ रा मजला (दक्षीण-पुर्व भाग) येथे आहे. या भागातच मनपा मलनि:सारण विभाग(भु.ग.यो.) चे देखील कार्यालय आहे.

मनपाच्या विद्युत विभागातील दालन क्र.३३४ येथे विभाग प्रमुख/कार्यकारी अभियंता यांचे दालन आहे. दालन क्र.३३५ व ३३६ येथे विद्युत विभागातील उपअभियंता यांची दालने आहेत. त्यापैकी सद्यस्थितीत दालन क्र.३३५ हे ऑडीट विभाग (स्थानिक निधी लेखापरिक्षण) यांना तात्पुरत्या स्वरुपात दिलेले आहे. तर दालन क्र.३३१,३३२ व ३३३ ही दालने मलनि:सरण विभागाच्या उपअभियंता यांचे वापरात आहेत. तसेच दालन क्र.३३० हे सुध्दा मलनि:सरण विभागाचे शाखा अभियंता/उपअभियंता हे अंशकालीन वापर करतात. मात्र सदरचे दालन विद्युत विभागाच्या कार्यालया निकट असल्यामुळे त्या ठिकाणी स्मार्ट लाईटींग प्रकल्पाचे कमांड कंट्रोल सेंटर तयार करणे आवश्यक असल्याने मनपा मुख्यालयातील तिसरा मजला दालन क्र.३३० हे स्मार्ट लाईटींग प्रकल्पाच्या कमांड कंट्रोल सेंटर साठी, मे.टी.पी. ल्युमिनियर लि. यांना उपलब्ध करुन देणेस मान्यता देणेत येत आहे. सदर दालन सद्यस्थितीत वापरणारे अधिकारी/कर्मचारी यांनी त्याच मजल्यावरील इतर जागेत व्यवस्था करावी.

5. TPLL's Letter no. 91 dated 19.03.2020
6. TPLL's Letter no. 105 dated 06.07.2020

Dear Sir,

This is in continuation to the aforesaid letters and today's meeting wherein we have communicated that there have been various constraints/issues on the project, which have caused significant delays and are beyond our control. In this regards, we hereunder apply for an interim extension of time (EOT) in accordance with Cl. 7.4 of Concession Agreement and provide a brief summary of revised project schedule as **Annexure -1**. Keeping into consideration the best interests of the project, we have commenced the works to the extent possible.

Accordingly, we once again request you to grant an interim EOT as per the revised schedule for the completion of the installation phase of the project. Subsequently, based on the future course of events and the corresponding overall concession period for O&M services and energy savings can be further extended.

We reserve our right to add, amend, modify, alter, substitute or restructure the above submissions in the near future. We once again solicit your support to grant us the interim extension of time.

Thanking you and assuring you of our best services all the time.

TP LUMINAIRE

TPLL-NMC-SC/08-122 **Date: 26/08/2020**

To,
Executive Engineer,
Nasik Municipal Corporation.
Nasik

Subject: Work order no. H.O.03 Dated 20th Aug 2019 for Design, Build, Finance, Operate, Maintain & Transfer the project of implementation of high impact streetlight by installing Energy efficiency dimmable and non-dimmable LED streetlights along feeder base SCADA system. **Required permission for our vendor for construction of Command & Control Center at RGB**

Dear Sir,

With reference to mentioned subject, following are the persons, which shall be working on behalf of TP Luminaire Private Limited for construction of Command & Control Center at Nasik Municipal Corporation Electrical department, RGB.

We request you to allow the person as per list attached as annexture so they can get access to the said premises.

For TP Luminaire Pvt. Ltd

24/08/2020.

Authorized Signatory.

1.Introduction

A quality assurance plan is a document, meant to ensure the final products are of the utmost quality. A quality assurance plan contains a set of activities meant to ensure that customers are satisfied with the goods or services a company provides.

2. Quality Acceptance Plan for Feeder Panel

Bajaj Electricals Limited (BEL) Quality Acceptance Plan (QAP) for Feeder Panel Controller covers the following as detailed here under:

1. Product Type Testing
2. Factory Acceptance Plan
3. Product Functionality (Field)Test

2.1 Product Type Testing

BEL shall provide following type test and certifications from NABL accredited lab at the time of dispatch of 1st lot.

1. Class 1 certification for Energy Meter accuracy.
2. 10 KV Surge protection certification for complete feeder panel
3. IP 55 certification for Feeder Panel enclosure
4. Certification for corrosion free casing
5. Operating temperature and Humidity (-10°C to +55°C and 10-90% RH)

2.2 Factory Acceptance Test (FAT)

Prior to dispatch of each lot, FAT shall be carried out at supplier premises. BEL shall give 4 days' advance intimation of commencement of FAT by e-mail to customer. Customer will have the option of sending its representative for participating in the FAT as per the date communicated by BEL or provide a waiver to BEL by e-mail. Detail FAT Criteria are as mentioned below:

I	**Enclosure check**	**Method**	**Result**
1	Metal Box enclosure	VI	
2	General finish	VI	
3	Viewing window size as per drawing	VI	
4	Check for presence of Key	VI

2	Check if meter communication buzzer sound is OK	SVA	
3	For 3 Phase Panels, check if SMPS phase selector is working properly by switching OFF each of the phase supply sequentially	SVA	
VIII	**TEST SETTINGS**		
1	ROTARY AND BATTERY SETUP 1. Put the Rotary-switch in AUTO position 2. Plug in the Battery in RLC	SVA	
2	RTC SETTINGS (ONLY IF N/W TIME IS FAILED) 1. Set RTC as per testing requirement (present/past date & time) 2. Check if the changed RTC value is reflected in testing site/server. 3. Note down the date and time in the observation column.	SVA	
3	SLOT SETTINGS (LOAD MUST BE IN ON STATE FOR MINIMUM-7mins) 1. Set Slot-Time for Load-ON/OFF 2. Check the response from the panel to the testing site/server 3. Note down the slot time that is set	SVA	
IX	**TEST EVENTS**		
1	EARTH LEAKAGE CURRENT FAULT 1.Pass Minimum Current of 30mA 2.Check if panel sends "Earth Leakage Fault with 30mA ADC value (ELF)" in the testing site/server	SVA	
2	EARTH LEAKAGE CURRENT FAULT CLEAR 1.Decrease the Current from 30mA to a Minimum value of 20mA 2.Check if panel sends "Earth Leakage Fault Clear with 20mA ADC value (ELF)" in the testing site/server	SVA	

4 22 29

BAJAJ
Bajaj Electricals Ltd.
Inspiring Trust

	3. Note down the ELF Clear report readings in the table at the back of the report		
3	INCOMING MCB TRIP 1. Manually trip the incoming MCB in the panel 2.Check if panel sends "Incoming MCB Trip (MTF)" in the testing site/server	SVA	
4	INCOMING MCB CLEAR 1. Manually reset the outgoing MCB in the panel 2.Check if "MCB -Clear (MTF)" is updated in the testing site/server 3. Note down the MTF Clear report readings in the table at the back of the report	SVA	
5	SURGE PROTECTOR DEVICE FAULT 1.Remove SPD block for any one phase 2.Check if panel sends "Surge Protector Fault Set (SPF)" in the testing site/server	SVA	
6	SURGE PROTECTOR DEVICE FAULT CLEAR 1.Insert SPD block of any one phase 2.Check if "Surge Protector Fault -Clear(SPF)" is updated in the testing site/server 3.Note down the fault duration from the testing site/server 4. Note down the SPF Clear report readings in the table at the back of the report	SVA	
8	POWER FAILURE 1. Switch OFF the Incoming Supply to the panel 2. Check if panel sends the "Power Failure" error to the testing site/server	SVA	
9	POWER FAILURE RECOVERY 1. Switch ON the Incoming Supply to the panel 2. Check if Panel clears the "Power Failure" error by Note down the failure duration from the testing site/server	SVA	
10	TR RECORD 1. Check if LOAD switches ON at the start of SLOT time 2. Note down the TR report readings in the table at the back of the report	SVA	
11	**OUTGOING CUT** 1. Manually Trip the MCB in the panel 2. Check if panel sends "Outgoing Cut" error message to the testing site/server	SVA	

4223

BAJAJ
Bajaj Electricals Ltd.
Inspiring Trust

12	**OUTGOING MCB CLEAR** 1. Manually reset the outgoing MCB in the panel 2.Check if "MCB -Clear" is updated in the testing site/server 3. Note down the failure duration from the testing site/server	SVA	
13	**TAMPER** 1. Close the panel door to press the Tamper Limit-Switch 2. Check if the "Tamper" error is cleared in the LIVE before MR report in testing site/server	SVA	
14	**MR RECORD** 1.Ensure Load is in ON state for 7mins without any intervention 2. Wait for the Slot Time to end 3. Check if the panel sends the MR report to the testing site/server 4. Note down the MR report readings in the table at the back of the report	SVA	
15	**BYPASS MODE (ONLY IF TIMER IS PRESENT)** 1. Set the Timer in "HAND/MANUAL ON" mode 2. Change the Rotary-Switch position to BYPASS 3. Check if panel sends MODE message to the testing site/server 4. Check if LOAD is ON 5. Record the next LIVE message in the table provided at back of the report	SVA	
X	**FACTORY DEFAULT SETTINGS**	SVA	
1	**ROTARY AND BATTERY SETUP** 1. Put the Rotary-Switch in AUTO position 2. Unplug the Battery from RLC	SVA	
2	**RTC SETTINGS** 1. Set RTC to present date and time 2. Check if the changed RTC value is reflected in testing site/server. 3. Note down the date and time in the observation column.	SVA	
3	**SLOT SETTINGS** 1. Set Slot-Time as per the "**PROJECT REQUIREMENT**" 2. Check if the panel sends the response to the testing site/server	SVA	
4	**TIMER SETTINGS** 1. Set Timer program for ON/OFF time as 18:00 to 06:00 for all 7 days	SVA	
5	**EARTH WIRE SETTINGS** 1. After a successful Earth Leakage Current Fault test connect the earth wire with SPD earth terminal via CT coil	SVA	
6	**DEFAULT VALUES** 1.After full testing completed ensure the default values are changed as mentioned in Parameter Record 2.Record the default values in the table provided at back of the report	SVA

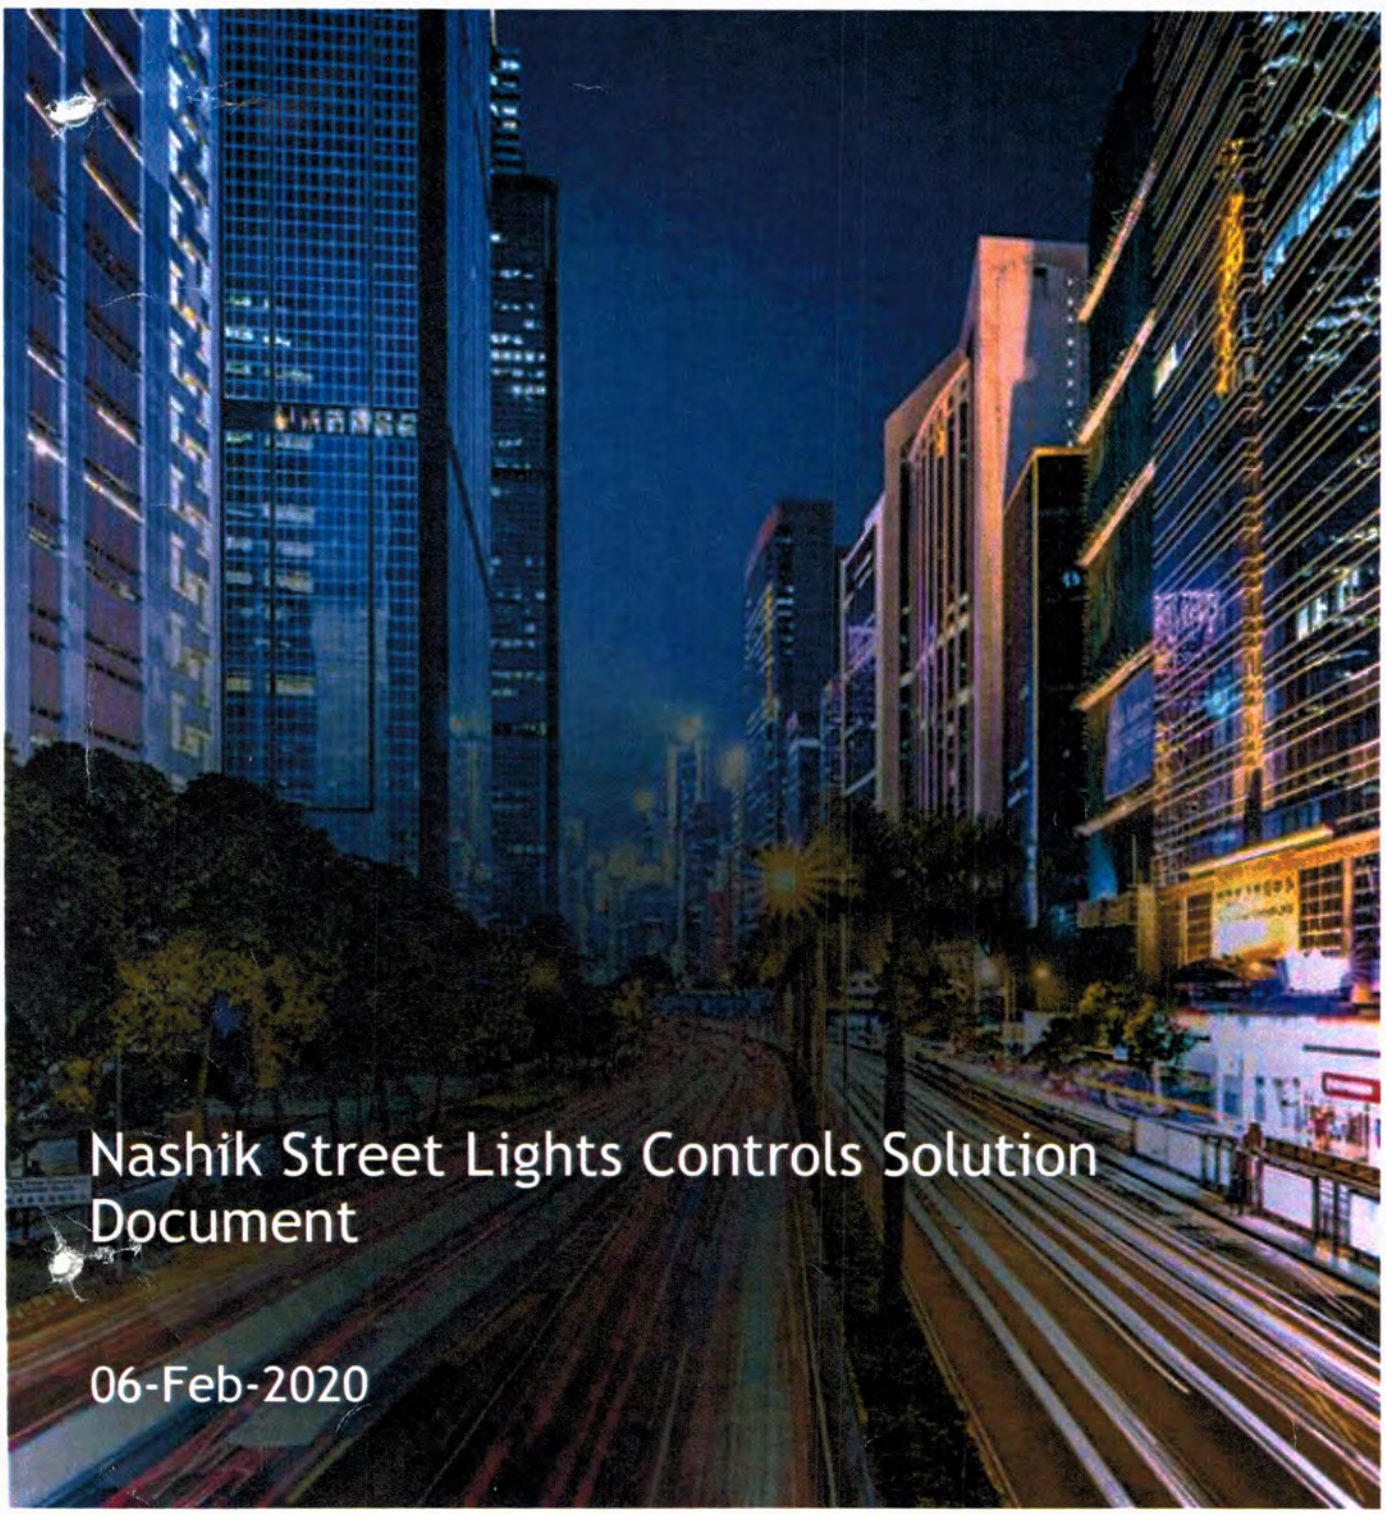
2.3 Product Functionality (Field) Test

Supplier will demonstrate the full functionality of 20 nos. Feeder Panel along with the application SW in the field at the time of first lot delivery of Feeder panel controller as one-time exercise. Following functions shall be demonstrated for a period of 7 days post commissioning

Sr.	Functional Test	Acceptance Criteria	Supplier's deliverables
1	**Manual operation mode** On Demand - Switching ON/OFF lamp	The said Feeder Panel controller integrated with given group of lights will switch on and off when user clicks on button provided in cloud-based application	The lamps connected with Feeder panel will switch on or Off based on command given.
2	**Auto operation mode** Switching ON/OFF lamp based on predefined schedule	The said Feeder Panel controller integrated with given group of lights will switch on and off as per predefined schedule as configured in application	The lamps connected with Feeder panel will switch on or Off based on command given.
3	Mains failure Alert	Input Power Supply ON and OFF Alert	Alert will be shown in application to indicate the fault and alert will be reset when fault repaired
4	High Voltage Trip / Low voltage trip and Recovery Alert	The Feeder panel controller will show alert on application.	Alert will be shown in application to indicate the fault and alert will be reset when fault repaired
5	Contactor Failure Alert	The Feeder panel controller will show alert on application.	Alert will be shown in application to indicate the fault and alert will be reset when fault repaired
6	MCB Trip and Reset Alert	The Feeder panel controller will show alert on application.	Alert will be shown in application to indicate the fault and alert will be reset when fault repaired
7	Overload & Manual By-Pass alert	The Feeder panel controller will show alert on application.	Alert will be shown in application to indicate the fault and alert will be reset when fault repaired
8	Phase (any 1 or 2 of the 3phase supply) Failure alert	The Feeder panel controller will show alert on application.	Alert will be shown in application to indicate the fault and alert will be reset when fault repaired

9	Dashboard	Real time dashboard for Feeder panel controller working/ non-working & Energy consumption per Feeder panel.	Application will provide dashboard for getting group or individual view of each Feeder panel to showcase its status & its power consumption
10	Reports (exportable to Excel & PDF)	Data will be shown in screen-based reports as per define formats.	Application will report in given format and these would be available for export to Excel & CSV (printable versions)



Nashik Street Lights Controls Solution Document

1 Introduction

Tata Communications Limited through Bajaj Electricals Limited will provide internet of things ('IoT') based controls solution for optimizing the power consumption & usage of Street lights at the following Customer Premises:

S.No.	Address of Customer Premises or End Customer Premise
1	TP Luminaire Private Limited - NMC Nashik LED Street Light Project - Nashik -Maharashtra

1.1 Scope

TCL shall be responsible to deliver the Smart street light solution as part of IoT solution to Customer. The solution will be comprised of the following major components with their meaning and description as set out here under:

- **IoT "Device" or "Controller"**- means a hardware that may be integrated with LEDs. Controller can be either Individual Luminaire Monitoring Controller "ILM" or Intelligent Luminaire Controller ("ILC"- which is LoRaWAN based with on/off/schedule and metering features as detailed out in design document annexed as Annexure section to this SOW). and/or

  Group Level Luminaire Monitoring Controller "GLM" with feeder panel controller which is GSM based, as detailed in design document annexed as Annexure section and Annexure section to this SOW.

  GLM could be further categorised into single phase or three phase as per bill of material ("BoM").
- **Services** means to provide LoRaWAN based IoT solution to Customer for Street Lights, for optimizing the power consumption & usage of Street Lights at the Customer Premises. Services include Connectivity, Application, APIs, AMC and Support.
- **Connectivity** - means LoRaWAN Network connectivity along with IoT Platform and Global System for Mobile communications ("GSM") network connectivity.
- **Cloud based Software** - Supplier will provide unified single cloud-based Application to monitor & control both GLM & ILM Controllers of Street Lights. Details of the cloud-based software shall be as provided in this document.
- **APIs** -. Application Programming Interface ("API") for the purposes of this SOW means a code made available by Supplier to Customer that permits interact or interface with Customer's existing application which will help to monitor & control the Street Lights.

2 Proposed Solution

To meet the requirement of Customer, Tata Communications proposes Smart Street Light Solution over its LoRaWAN.

2.1 Solution description

Tata Communication would like to offer end to end solution where in Street Light Controllers, Network, IoT platform & software application will be provided. The solution comprises of following components.

- Tata Communications' Street Light Controller
- Tata Communications' Group Level Monitoring System
- Tata Communications' LoRaWAN.
- Tata Communications' IoT Platform.
- Software Application and Dashboarding services.

Solution block diagram for pole/lamp control using LoRaWAN.

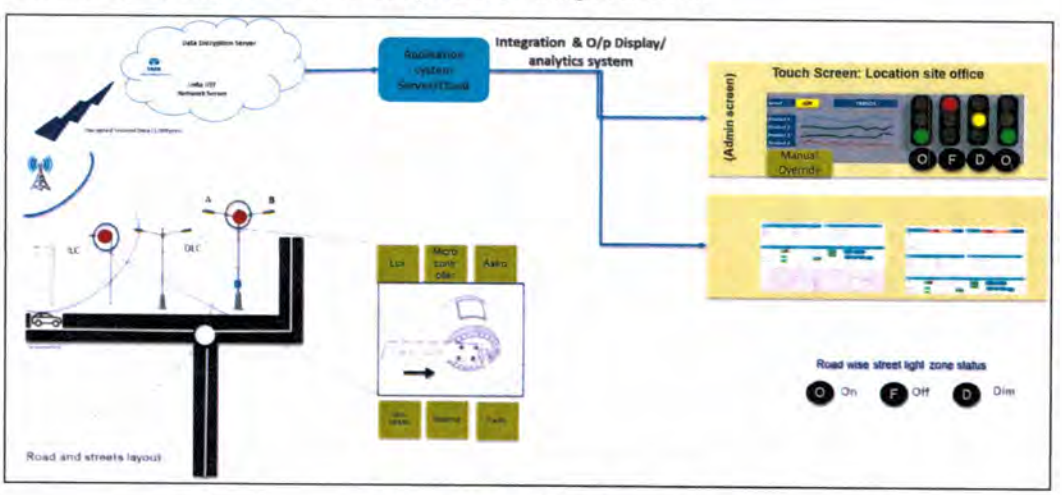

Figure 1: Solution block diagram

Proposed Business Process Flow

The diagram below showcases the data flow from LoRa enabled Street Light Controller onto the LoRaWAN & IoT platform and Application subsequently.

As showcased in below diagram , On the Input side of the ILM circuit, a GLM panel will be provided . The application will have GLM panel that control the lamps directly (feeder based lamps control- ON/OFF, No diming) while ILM with GLM at input with feature of Input feeder (ON/OFF) and ILM with ON/OFF/Pole level diming. Metering is available for GLM & Pole controller level.

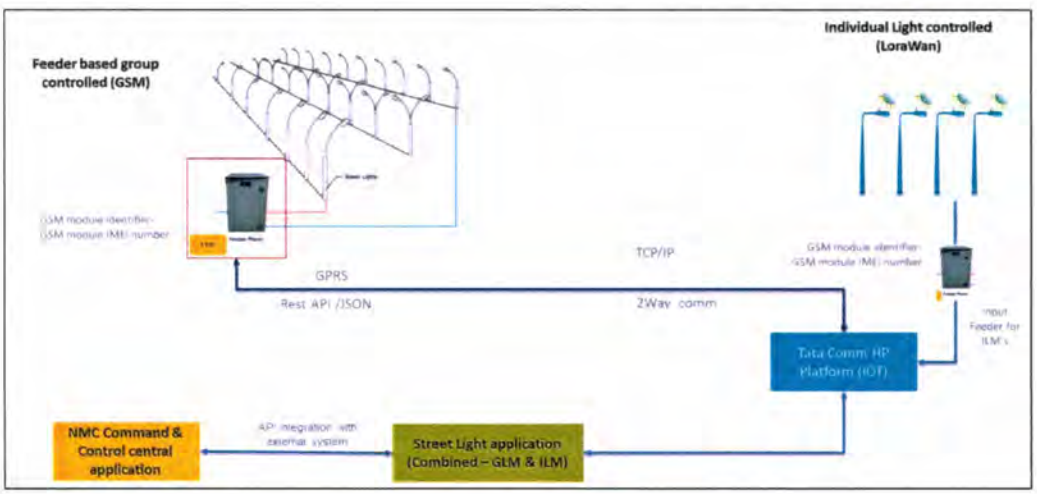

Figure 2: High Level Business Process Flow

As depicted from the diagram, the uplinks and downlinks from and to the LoRa enabled Controllers would be onboarded onto the IoT network & IoT platform and application.

2.2 Solution details and its different components

Below Section describes each solution component that is being offered to the Customer.

2.2.1 Individual Luminaire Monitoring Controller "ILM"

There will be two types of controllers to be supplied

- Single controller connected to 1 lamp on its side arm
- Single controller connected to 2 lamps on mounted on its pole body

Following are the brief specifications about the Controller.

- The LoRaWAN controller will have Relay to control single load / multiple loads up to 500W.

- It will have on board feature to monitor individual status of connected load in realtime.
- It will have dual colour status indication LED to indicate to show health status of the device.
- It will give the LED Load failure status Notification, realtime update of ON/OFF status/ dim, metering data.
- It will have three modes of operation: Schedule, Photodiode(Lux) and Real Time On/Off.
- It will have non-volatile memory to store up-to 3 On/off schedules. It shall control (On/Off/Dim) the LED luminaire according to the lighting schedule stored in controller / as updated. Once the lighting schedule is set/ stored in local memory of device , it would operate the connected loads / lamps according to that schedule till the time new schedule is not updated by user. In case communication failure the local memory in device will run the lamps as per the schedule.
- Diming facility (step by step dimming, 0-10V). Uniform diming for single or both lamps connected to single controller. Single dimming command from controller to N number lamps of load connected to it.
- It will have metering capability (class 1 accuracy) to measure and communicate power consumption of the load(s) connected to it at pole level .
- The group of ILM will be connected to input feeder panel that will be controlled via application.

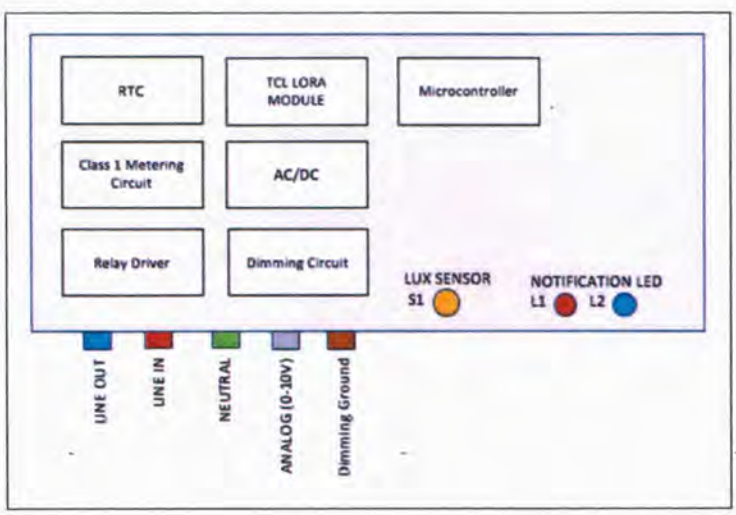

Figure 3: Device Block Diagram

Device Specifications	
Device Features	On/Off, Dimming & Metering
Lamp type	LED Light
Mode of Operation	Manual Mode, Lux Sensor [Factory] Mode, Calendar Schedule Mode
No of Lamps	One or two
LED Load Wattage	20W to 500W
Dimming Interface	0-10V analog
Dimming Range	0% - 100% with step of 10%
Lux Sensor	460 nm-655 nm
Load Power Measurement	Accuracy Class 1
Device LED Indicator	Red, Blue Colour LED
Network Interface	LoRaWAN 1.0 Class C
RF Spectrum	India ISM Band
Tx Power	14dBm
Security	128-bit AES Encryption
Operating Voltage	170V-300V AC, 50Hz
Maximum Input Power Supply	440VAC up to 2 hours
Power consumption	<=2.5W
Dimensions	DxH: 114mm x 114mm
Weight	<500 gms
Enclosure Color	Industrial Grey
Alert/Notifications Message	
Lamp Failure	Yes
Over/Under Voltage	Yes
Over/Under Current	Yes
Mains Failure	Yes
Low Power Factor	Yes
Data Reported on Application	
Data Reporting Interval	Configurable from 15 min to 60 min & realtime for alerts or for change of state
Lux Sensor Value	Yes
Line Voltage	Yes
Load Current	Yes
Power Factor	Yes
Energy Consumption	Yes
Lamp Burn Time	Yes
Controller Burn Time	Yes

4 2203

TP LUMINAIRE

Device Specifications	
Lamp On/Off Cycle	Yes
Diming / On / Off	Yes, in real time
Product Certifications	
Connection Type	5 core connection wire with 1 meter length min. (suitable length)
Metering Accuracy	Class 1
IP rating	IP65 integrated with NEMA LED Light
Operating Temperature	0°C to +60°C
Network	TCL LoRa End Node Specifications
Surge	10 KV as per IEC 61000-4-5
Other Details	
Warranty	1 Year
Location Information	Received via Application

Controller is capable of measuring and monitoring

- Input voltage (Volts)
- Load current (Amps)
- Active power (Watt)
- Power factor (PF)
- Energy (kWh)

The Controller is able to detect the following failures specific to individual Luminaire.

- Load failure alert & restoration
- high/low mains voltage alert & restoration
- high/low mains current alert & restoration

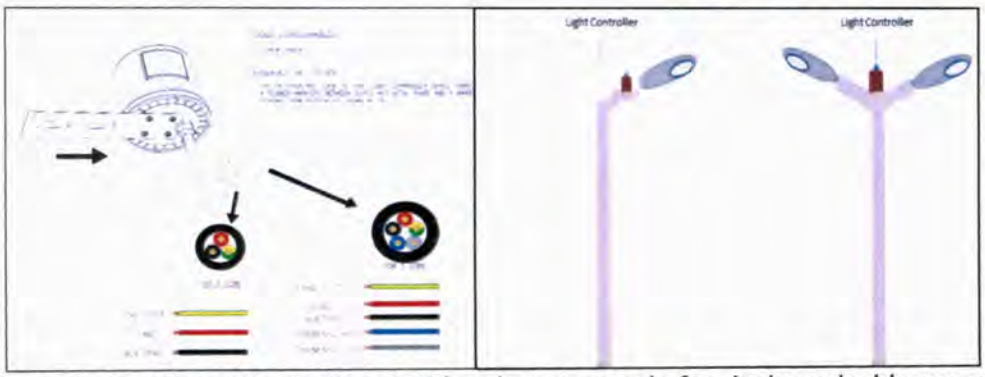

Figure 4: Mounting of Controller on either Arm or on pole for single or double arm poles

Mounting of Controller for single or double arm poles

- ILM-Single arm Lamp : device will be fitted on pole arm using small "C" shape clamp using 1 meter wire and mounting bracket
- ILM - Double arm: device will be fitted at top on the main pole and will come with 2 meter 2 separate wires , each to connect each lamp. For this mounting device will be provided with large "C" shape clamp and mounting bracket

Clamp: the ILM will be installed on each arm of each lamp using C shape clamp or on each pole (parallel to pole) using clamps. The ILM sticker to have SR No, QR code and it will be provided with every ILM. Whenever ILM is installed, QR code will be scanned at ground and not at installation lamp height via android installation mobile app. The wiring nomenclature will be as below, and suggestive mounting arrangements as shown below.

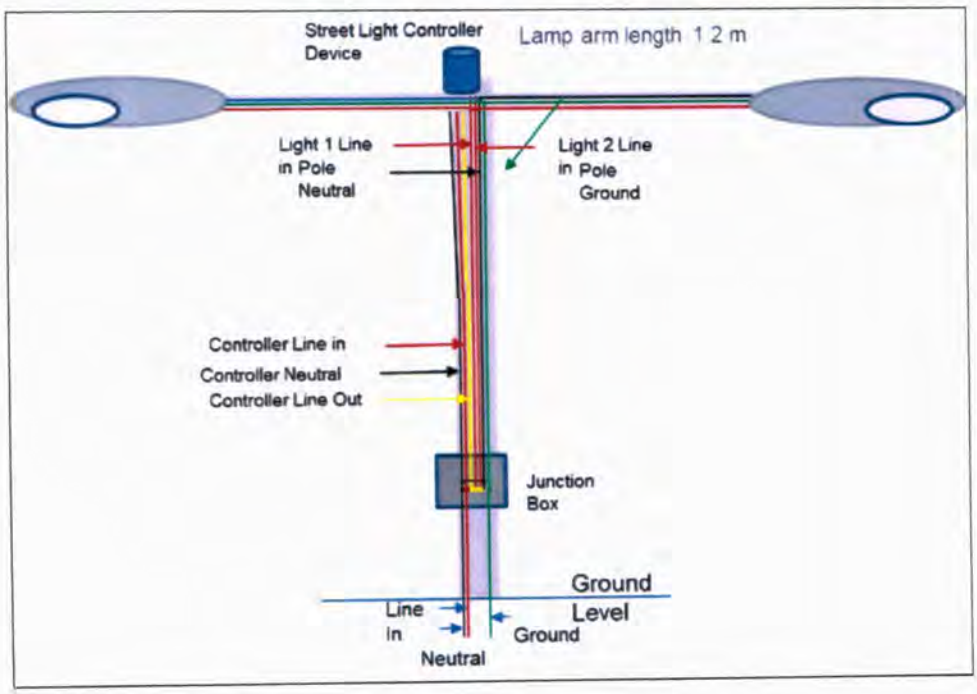

Figure 5: Controller- wiring (illustrative example)

Note: Above mounting option are tentative and best mounting arrangement can be decided by TPLL's field team .

2.2.2 Group Level Luminaire Monitoring Controller "GLM"

The Control Panel consists of GLM-Controllers, Contactor, MCBs, Isolator, SPDs, Energy Meter and Earth Leakage CT. All these components are mounted on a metal box The enclosure shall have front doors with lock-key and see-through window. The top compartment shall house the energy meter (and also additional power distribution company / state board electricity meter as needed) , the GLM-Controller and the Auto Phase Selector Switch and the bottom compartment shall house the Isolators, SPDs, Contactor, Phase, MCBs, Leakage Current Detection CT and the input and output lugging terminals.

Tata Comm will provide a Feeder Panel Controller using GSM technology and that consist of a class-1 energy meter, feeder panel control unit and wireless communication unit, the standard rating will be 10 KW & 5 W for 3P & 1 Phase respectively and has EPROM to store data locally in case of any data link / communication failure .

The system will work using user facing streetlight application. The panel will have its own smart meter while will also have provision to fix MSEB meter with window in metal cover. The system has its own power battery in case of communication failures, memory and has various protection system / devices like MCB, SPD etc. Refer detailed data sheets for more details

The panel has nylon cable glands at the bottom, one for input suitable for incoming supply cable and one for the output cable. The enclosure has metal brackets on the rear to enable fixing to the compatible mounting frame. The enclosure if locked properly provides IP55 protection to all internal components. Insulation Resistance between the current carrying parts and the protective earth and it shall be at least 50 M Ohm. The SPD earth shall terminate at the Earthing Bolt of the panel and this must be connected to a proper earth to ensure the effectiveness of the SPDs in the panel. The energy meter, Contactor, Single Pole MCBs, Isolator, GSM Controller, Auto Phase Selector Switch shall all be mounted on the mounting panel inside the SMC Enclosure. All the load current bearing wires shall be PVC insulated flexible copper cables. There shall be SPDs between each pole to Earth. The electrical schematic of the panel shall be pasted inside the panel for reference any time. Refer detailed wiring diagram, BOM for more details.

The GLM-Feeder Panel provided for this project class-1 energy meter, GSM / GPRS based controller that can be connected to 'n' number of lamps for ON/ OFF as per schedule via application or via local timer The local EPRON stores the lighting schedule so that in case on communication failure . It communications on GSM-GPRS its status and critical data in the real-time for On/Off/Fault & its types , phase wise voltage, phase wise current, wattage (KWH) and Power Factor(PF) per phase .

The EPROM enables the device to store the data locally in case any communicate failure and this data is pushed to application when communication link is up (restored) . The panel is made of corrosion restraint material and is IP55 . The design of panel is made so that there is space for MSEDCL meter space (with see through window) in feeder panel controller. The panel has uniform rating for 3P & 1P panels respectively. The GLM panel can control phase wise N number of lamps connected to it downstream for ON/OFF.

GSM Controller:

It's a GSM / GPRS based Feeder panel controller that can remotely control lamps connects to it. It shall facilitate override operation, set the switching cycle mode, configure the alerts for over/under voltage/current/power trip and reset and MCB trip and reset. The Web interface to the electronic controller shall be deployable on standard servers and shall facilitate

simultaneous access to one or more of the devices to modify settings at once. Detailed specification will be provided in separate annexures

Electrical Data & Specification GLM controller- See data sheet of GLM, wiring diagram for details.

High level details as below

1. GLM voltage range 140-295 V (AC, 3 phase)
2. Feeder Panel housing: Metal housing with Lock (single key for opening all panels locks)
3. Availability of space in GLM to accommodate 400mm x 400mm MSEDCL Energy Meters (state board 3 phase / 1 phase meter)
4. In all the CCMS panels, Incomer Breaker, MCB and Outgoing breaker MCBs and by-pass switch/isolator
5. GLM will have MCB of 63 amp at incoming and 35 /40 amp at outing, Single or 3 units of 4 pole MCB at outing
6. 40kA, 440V surge protection device to be provided incomer side of CCMS panels
7. System box with IP 55 protection and with Corrosion resistant metal enclosure with proper lock arrangement.
8. In 3 phase CCMS panels, automatic phase selectors (APS) with smps working on GSM/GPRS and updating application in realtime
9. SMS / application on screen based alerts for below critical alarms/alerts
   - Full / partial load failure (Group failure of lights)
   - Faults / trips
   - Overload on phase
   - No output supply
   - Power Failure (power trip)
   - Earth leakage (Alert for Leakage to ground)
   - By-pass mode
   - Door open
10. Programmable options through remote access:
    a. Continuous ON / OFF.
    b. Local timer
    c. Switching ON/OFF based on scheduled On Time and Off Time.

d. Enable / disable alerts for Input Power failure / resumption, output MCB trip / reset, over / under voltage trip / reset.

TP LUMINAIRE

Data sheet for GLM

Technical Specifications – 3 Phase GLM

S.NO	FEATURES	SPECIFICATIONS
1	StreetLight Controller	• Connection Type - Three Phase (4Wire) • Voltage – 140V - 295V P-N on each phase • Load Control Capacity – 32 Amps per phase • Frequency – 50Hz • Surge Protection – 440V, 40kA • 4 Pole MCBs on the Input and Output side. • Lugs provided for proper electrical connections
2	Controller Unit	• Capable of switching ON/OFF all the luminaires of a switching point based on the lighting schedule set. • Switching operation in Auto mode is not affected even if there is no communication with the server • Communicates real time status of electrical parameters: • Voltage • Current • Wattage • Power factor • Sends instant notifications for events. • Internal Storage available to log the data for a minimum period of 10 days • Hybrid Communication - Communicates via GSM/GPRS
3	Communication Module	• Ability to communicate securely via cellular networks (GSM / GPRS) • Two-way communication • Ability to send data regarding energy usage, ON/OFF status etc. from controller • Ability to give commands from a central level for switching ON/OFF, scheduling, etc. • • Ability to remotely upgrade the GLM device firmware from central server
4	Energy Meter	• 3 Phase 4 Wire Class 1.0 Energy meter • RS-232 Interface with DLMS Protocol • ISI Certified Energy Meter • Communication for a wide voltage range: 144V to 288V
5	Enclosure	• Compliant to IP55 protection • Corrosion resistant metal enclosure • Lock and key mechanism for safety
6	Load Protection	• Over Voltage • Under Voltage • Short Circuit • Surges
7	Event Notifications	• Over Voltage • Under Voltage • Input MCB Trip (Main breaker error) • Switching component fault • Output MCB Trip • Input Power Failure • Leakage to ground • Auto / Bypass Status • High Current • Door open • Meter Communication Error

TP LUMINAIRE PRIVATE LIMITED

2.2.3 Tata Communications' LoRaWAN

Tata Communications will be using its low power long range LoRaWAN for connectivity in various cities for the LoRa enabled Street Light Controllers. LoRa enabled Street Light Controllers will get connected and relay the data into the centralized LoRa network server and the IoT platform subsequently. The communication between end-devices and gateways is spread out on different frequency channels and data rates.

LoRaWAN data rates range from 0.3 kbps to 5.6 kbps. To maximize both battery life of the end-devices and overall network capacity, the LoRaWAN network server will manage the data rate and RF output for each end-device individually by means of an adaptive data rate (ADR) scheme.

The LoRaWAN protocol provides 128-bit AES (advanced encryption standard) symmetric encryption at network and application level. There will be provision of two keys i.e. network session (NWs) key and application session (Apps) key. The AppSKey will enable to encrypt the payload data and the NwkSKey would then encrypt the entire data packet (including overheads).

2.2.4 IoT Platform (IoT)

Tata Communications' IoT platform is a support system for Tata Communications LoRaWAN India network deployment. It is a backbone of the ecosystem that offers wide variety of functions to manage devices, data, applications, data security and integrity. On top of ubiquitous connectivity, the IoT Platform provides federation for device and service management, and data acquisition and exposure to applications. It also has security built directly into the platform's foundation, enabling end-to-end protection throughout the data lifecycle. IoT platform supports LoRa devices compliant to "LoRa end node specification" provided by Tata Communications.

IoT platform is aligned with the industry standard and designed to be industry, vertical, and vendor-agnostic. The diagram below depicts the overview of Tata Communications IoT Platform and its module provided as part of the solution.

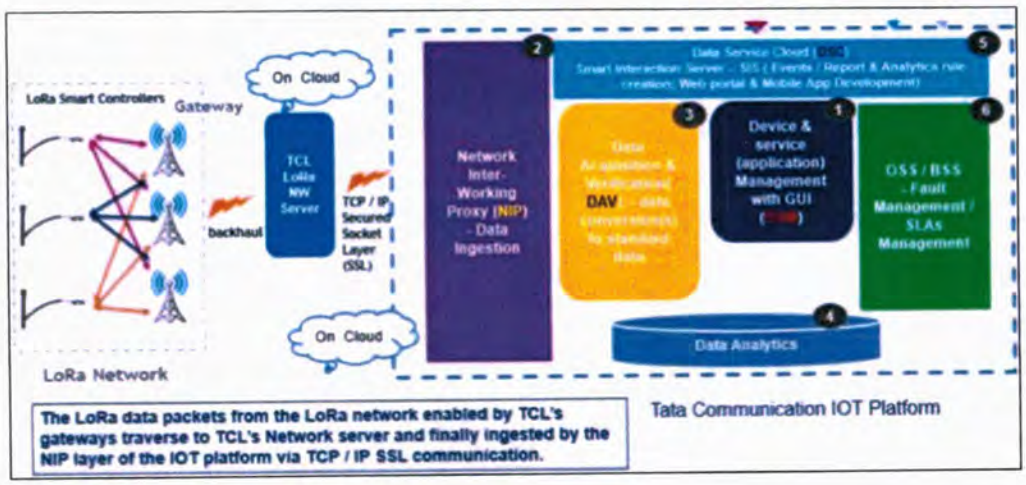

Figure 6: IoT platform Overview

2.2.5 Application Software

Unified of Cloud based Application:

1) High-level business process flow - The diagram below depicts the proposed business process flow for operating the IoT solution for Street Lights.

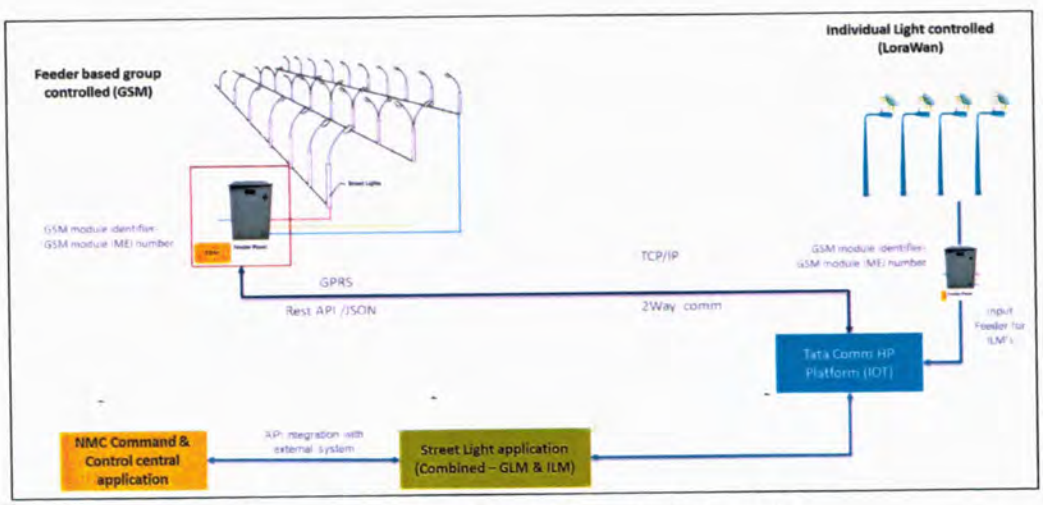

Figure 7: High level Entire Business Process Flow

2) A unified cloud-based application for monitoring and control of TCL provided Controllers (ILM & GLM) .

Figure 8: High level Entire Business Process Flow

3) Application will provide end to end functionality for commissioning of Controllers (ILM and GLM) which includes provisioning, monitoring and controlling of installed LED lights.
4) Following are major components of application.
   a) Monitoring & Control Dashboard (For ILM and GLM)
      i) Executive Dashboard: Provide project level executive KPI. *(TPLL provides requested information used for calculation.)*
      ii) Map View: Controller data/status visualization on a map for monitoring.
      iii) List View: Controller data/status visualization in tabulated view for monitoring.
      iv) Device Configuration: To configure operating modes of controller and perform other supported operations.
      v) Controllers Registration & Commissioning. - The devices / lamps will be mapped the required lights in this system in a hierarchical way.
   b) Device Alerts

i) GLM Alert List: Short-Circuit, Over Voltage, Anti-Theft (power theft) , Non-Working, MCB Trips, Group Failure of Lights, No Output Supply, earth leakage

ii) ILM Alert List: Load Failure, Mains Failure, OV/UV Alert

c) User Management

i) Allows to add/remove user and apply user types. (viz. project admin, supervisor, maintenance user type)

ii) Captures user mobile no and email ID for notifications.

d) The application will provide below list of reports that can be printed and would be available for PDF export.

i) Project Level

(1) Estimated Daily non-functional lamp report (individual lamps & approx. laps using calculation for feeder panels-based lights)

(2) Estimated Daily report for Controller (report - Switch ON time, Switch OFF time, Hours of Operation and wattage consumed)

(3) Daily overall report for entire Project.

ii) Energy consumption

(1) Feeder panel

(2) ILM Controller

iii) Device Alert Report

iv) Device Metering Log Report

v) Power Outage Report

5) Device Configuration

a) Customer will perform the Supplier Equipment configuration as per its requirement. The Smart Street Lights will provide health packet of uplink and downlink as per the configuration performed by the Customer.

6) Device operating mode: The application will enable to send the following modes of operation onto street light controller

a) Lux Mode: In lux mode controller will switch on/off load as per the prevalent ambient lux sensor levels.

b) Schedule mode - In schedule mode LED configurable time can be defined and set for switching on / off.

c) Manual Mode - In manual mode the application will enable to send on/off command in near real time

7) Device/Lamp Setup

a) Application will allow User to create, view and update status of the controller at Project level. There will also be an option to bulk upload of controller details. Each street light lamp along with ILM controller will be associated with the Pole.

b) Excel Sheet Format for ILM & GLM controller bulk import will be provided by Supplier, customer , or its customer (Tata Projects) team should give details in the excel to onboard controller on the application. This will be a onetime set up only.

8) Device/Lamps mapping to hierarchy

a) Devices after creation needs to be mapped to the lowest most hierarchy (Pole). User who has the privileges will be able to perform this mapping. Device can be further moved from one pole to another or can be removed permanently. When data will be visualized for a pole, there will be continuity of data irrespective of different devices/lamps attached to it.

9) Configuration

a) Once devices have been setup in the application, there are few set of commands which can be used to configure devices. Devices will be associated with one device mode of operation. Device configuration can be associated with devices individually.

10) Controller Groups

a) Grouping of controllers can be defined one time during the commissioning of the project. Controller groups will be collection of lamps/devices need to be monitored in hierarchical structure.

b) Each lamp will be associated with Pole and can be grouped in following hierarchy.

i) Pole No.
ii) Lane
iii) Ward
iv) Zone
v) City

c) UI will be available where user will be able to send downlink command at group level, while application will send commands individually to each controller or multicast if permitted.

d) Alert Configuration: System will allow configuration of alerts at each level of Hierarchy. There will be different types of alerts (Pre-defined alerts). User will be able to add/update email id and mobile number to received alert information. TPL / Nashik- NMC to provide email SMTP . SMS gateway & its integration will be done by Tata Comm.

11) Map View

a) The latitude and longitude value of every pole which is to be captured and provided by customer . This will enable to plot the corresponding device on the map. Application will facilitate to control (On/OFF) device from the map view itself.

12) Application will retain (store) data for a period of one year, post which the same would be archived and handed over to site team in CD or database dump format.

13) All alerts will be on seen on screen in application & optionally email. SmS will be send only for critical alerts from ILM and GLM the critical alerts are defined as below.

a) ILM: Load failure , faults

b) GLM: Input supply fail, power theft (excess power drawn beyond threshold)

Note: 70 ILM are connected in manner of 25, 25, 20 of each phase in 3P single GLM. Now when this main feeder (GLM) power is switched off in morning (at set time) then system should not end power fail alert for all 70 ILM via sms , but single sms for this GLM must be send to given user for input power fail and this must be configurable

14) Street light Application will provide a field (column) in alerts page (user access controlled based) for user to enter his comments / field data on online application page. Old comments will not be allowed to be deleted but additional text can be written) The software provides mechanism for tracking the repairs of the faulty light fixtures.

15) All alerts generated by system will be shown on dash board screen and email will be triggered as configured in system (master data). Application System will provide SMS (short message service) on phone for critical alerts as defined below

- for ILM: load failure & Faults
- for GLM: load failure (Group failure of lights) , Faults , Overload on phase , No output supply

Power Failure (power trip)

Mobile app for Nashik corporation user team (Android version) :

Supplier will provide mobile app to see key operational parameters / KPI in mobile based application (for android phones). This will provide dashboard to know status of lamps in given zone/ area (installed Vs lighted) , major faults in ILM & GLM numbers and areas wise breakup and details on key alerts. Nashik corporation user team can switch ON/OFF/Dim devices.

9 22 67

2.2.6 Deliverables :

Sr. No.	Feeder Panel Controller features & application capability	Tata Comm deliverable
	The following functionalities shall be supported by Feeder Panel Controller (FPC) and should be available to see in application	
1	The Feeder Panel Controller shall consist of a class-1 energy meter, feeder panel control unit and wireless communication unit. Metering data to be reported in application	application to show metering data
2	The Feeder Panel Controller shall be capable of switching on/Off all the luminaires of a particular switching point based on the lighting schedule set by the Central Management Server (CSLMS).	Application to remotely on / off the panel
4	Once the lighting schedule is set, it shall operate the luminaires according to that schedule till the lighting schedule is changed by the CSLMS.	Application will have feature to store schedule and push that to GLM and on the panel as per schedule
7	It shall communicate the real-time status (On/Off/Fault, fault type, voltage, current, wattage and Power Factor per phase) of the luminaires to CSLMS.	GLM data will be visible in application
9	It shall be able to store luminaire logs / data for up to 7 days.	Application stores data in its database
14	Group Control and group addressing via Feeder panel must be available. Individual addressing, group dimming is optional.	Application will not send GLM any diming command The lamps connected to GLM will be operated for ON/off as per user based command in application.

Sr. No.	Street Light Controller	Acceptance criteria Remarks
	The following functionalities shall be supported by Street Light Controller (SLC) fitted on group street poles	
1	It should be able to control at least two LED luminaires of up to 250W each. The bidder shall propose based on its proposed architecture and is free to choose to place it on Pole or feeder panel.	One Controller will be provided for each lamp which can control upto 500W.

Sr. No.	Feeder Panel Controller features & application capability	Tata Comm deliverable
	The following functionalities shall be supported by Feeder Panel Controller (FPC) and should be available to see in application	
2	It shall support PWM or 0-10v based dimming for dimming of the LED luminaires.	1-10V analog based dimming If 2 lamps connected to same controller then diming would be uniform (its assumed that both lamps of same / similar wattages)
3	Street Light Controller shall communicate to the Central Management Server (CSLMS) through network gateway over Wired/Wi-Fi/GSM/GPRS/CDMA/LTE/Zig Bee/Lora or any unlicensed Radio frequency.	ILM on LoRaWAN
4	It shall control (On/Off/Dim) the LED luminaire according to the lighting schedule communicated to it by the CSLMS/ application .	Given lamp/ lamps will On/Off/ Dim (uniformly)
5	Once the lighting schedule is set, it shall operate the luminaire according to that schedule till the lighting schedule is changed by the CSLMS	Applicable to all lamps connected to given controller
6	It shall operate the luminaire according to the lighting schedule even if there is a communication fault between CSLMS and itself.	Once in. Lighting schedule and faces communication failure, ILM will be in scheduled mode.
7	In the absence of any lighting schedule it shall operate (On/Off) the luminaire according to the time of the day.	Factory mode is "Lux mode" ie Photodiode mode
8	It shall communicate the real-time status (On/Off/Fault, fault type and voltage, current, wattage and Power Factor per phase) of the luminaire to CSLMS.	ILM controller will provide the requested parameters for connected pole / lamps Metering is at pole level / controller level (if the single / dual lamps are connected then metering value will be consisting of sum value of the toal load connected to given controller)
9	If it is not able to communicate with the CSLMS, it shall store all the luminaire data internally and relay that data to CSLMS once the communication is established.	We store key parameters such as on/Off and energy value.
10	It shall be able to store luminaire logs / data for up to 7 days.	Daily statistics will be stored for 15 days.
11	It shall have IP65 protection.	Our ILM is IP65

2.2.7 Application : Central Street Lighting Management System acceptance criteria

Sr No.	Central Street Lighting Management System Functional Specifications	acceptance criteria
	Software	
1	The system shall provide web based central management software (CSLMS) to view, operate & manage the lighting system.	Application system to showcase this feature
2	The CSLMS shall be hosted on a cloud server temporarily and later shall be migrated to Smart City Operations Centre (SCOC) once it is ready.	As required by RFP, TCL will provide cloud-based application at the beginning and later migrate this application to Nashik SCOC once ready. It's assumed that Nashik SCOC will provide necessary infra like Server box, data base server internet connectivity, backup drives to store data generated / achieved by application. Note: Tata Comm will provide specification for its application server & infra needed to host its street lighting management application at Nashik SCOC. This hardware and infra to be provided by Nashik SCOC to facilitate Tata Comm to do migration at later date as per RFP.
2	The software provides mechanism for tracking the repairs of the faulty light fixtures or gateways	Software will be able to provide information (device iD) of the ILM Controller whose light is faulty.
4	All software updates happen without the need for any human intervention except for scheduling the update operations.	Street Light application on cloud server will be updated from time to time for bug fixes and patches.
	Operations	
1	It shall support multiple users with different privileges.	To be Demonstrated in application
2	Only a user with admin privileges shall be able to create, modify or delete users.	To be Demonstrated in application
3	The user privileges shall be view, operate and/or administer.	To be Demonstrated in application
4	The user privileges shall be to a given set of street lights only	To be Demonstrated in application
5	The street lights shall be divided into hierarchical groups called,	To be Demonstrated in application

Sr No.	Central Street Lighting Management System Functional Specifications	acceptance criteria
	zones, wards, locality, road, feeder units etc.	
6	The street light groups shall be modifiable by the administrator only	Hierarchy/Groups can be defined at the beginning of the project only. Once it is defined, device association at different hierarchy/group levels can be changed during the course of contractual period.
7	Only a user with sufficient privileges shall control lights either at group or individual level.	To be Demonstrated in application
8	All user log-in and log-off activity shall be logged.	To be Demonstrated in application
9	All user activity that modifies any existing configuration of the CSLMS or gateways or light controllers shall be logged.	To be Demonstrated in application
10	A logged in user shall be allowed to view, operate and manage the street lights & gateways for which he/she has privileges.	To be Demonstrated in application
11	The CSLMS shall assign a unique id for each light fixture and gateway.	For all devices under application will have unique ID.
12	The CSLMS shall have the GPS location of light fixtures and gateways.	Customer to provide one-time mapping of street light poles, controller and GPS location. TCL will facilitate onboarding & visualisation of GIS view.
13	The light fixtures and gateways shall be shown on Google Maps.	TCL will provide GIS Maps of companies such google maps, openstreet, mapmyIndia, etc.
14	The user shall be able to view the light fixtures on Google Maps either in groups or individually.	TCL will provide GIS Maps of companies such google maps, openstreet, mapmyIndia, etc.
15	The user shall be able to set lighting on/off/dim policies for a group or individual lights.	Dimming is possible only for ILM controllers. Dimming cannot be applied through GLM.
16	Through the lighting policy the user shall be able to set the date & time when the light should be on and off.	To be Demonstrated in application
17	Through the lighting policy the user shall be able to set the dimming level, its duration and the time of a day it should be active.	To be Demonstrated in application

Sr No.	Central Street Lighting Management System Functional Specifications	acceptance criteria
18	The policies shall be settable for any day within a year.	To be Demonstrated in application
19	The user shall be able to create, modify, delete, enable and disable policies for a group of lights or individual lights easily.	To be Demonstrated in application
20	There shall exist a default global policy that would be used by the street light controller in the absence of any specific light policy for it.	To be Demonstrated in application
21	In case of any error during the setting of policies onto each street light, the CSLMS shall highlight the same and shall keep trying until cancelled by the user.	In case of failure to apply the lighting policy, application will retry one time. Post this the user has to reinitiate the process of applying policies on controllers.
25	CSLMS also need to notify for power outage and also calculate the percentage power outage per feeder panel.	To be Demonstrated in application
	Notifications	
1	It shall support the following types of notifications:	
	a. email	To be demonstrated as application triggered feature
	b. SMS	To be demonstrated as application triggered feature
	c. mobile app alerts	Mobile application for android platform will be developed.
2	A user shall be registered for notifications only for the street lights that he/she has privileges	To be demonstrated as application triggered feature
3	The following events shall result in notifications	
	a. Any fault detected by the system in the smart light fixture or controller or gateway.	Alert mentioned in Street Light Controller Section.
	b. Any changes to the configuration of CSLMS, gateway or controllers	Changes in configurations of CSLMS, GLM & ILM Controllers will be recorded in application and would be available as a log in system.
	c. Any manual changes to the lighting schedule	Changes in configurations of CSLMS, GLM & ILM Controllers will be recorded in application and would be available as a log in system.

Sr No.	Central Street Lighting Management System Functional Specifications	acceptance criteria
	d. Any manual control of the lighting	Changes in configurations of CSLMS, GLM & ILM Controllers will be recorded in application and would be available as a log in system.
	Reports & Analytics	
1	It shall provide the following reports at either a group or individual street light level	
	a. Status of Lights with lux level report (Lux Measurement can be manually measured, and data shall be fill in the system to generate report.)	ILM Controller will record the ambient lux levels and report in application automatically.
	b. Energy Consumption	Energy Value KwH will be measured and recorded in application.
	c. Power leakages	GLM will measure the leakage to ground.
	d. Faulty Lights	Group level lamps failures will be detected in GLM.
	e. Fault rates	
	f. Fault fixing	A user can report the incidence summary in alert screen and this will be converted to report.
	g. High or Low voltage issues	Alert log report will be available to download.
	h. Pending user actions	
	i. Pending policy	Use can see the devices yet to be commissioned in I&C Dashboard.
2	It shall provide the following analytics	
	a. Fault trends	
	b. Future energy needs	This will be delivered as part of advanced analytics.
	c. Potential energy savings possible by changing lighting policies	This will be delivered as part of advanced analytics.

3 RFP Compliances

3.1 Feeder Panel Controller

Sr. No.	Feeder Panel Controller	Compliance	Reference	Remarks
	The following functionalities shall be supported by Feeder Panel Controller (FPC).			
1	The Feeder Panel Controller shall consist of a class-1 energy meter, feeder panel control unit and wireless communication unit.	Complied	See Page 13, section 2.2.2	3P, 10kW feeder panel for the project.
2	The Feeder Panel Controller shall be capable of switching on/Off all the luminaires of a particular switching point based on the lighting schedule set by the Central Management Server (CSLMS).	Complied	See Page 13 to 17, section 2.2.2	
3	It shall communicate to the CSLMS through the wireless communication unit over GSM/Wi-Fi/Ethernet.	Complied	See Page 13 to 17, section 2.2.2	GSM/GPRS
4	Once the lighting schedule is set, it shall operate the luminaires according to that schedule till the lighting schedule is changed by the CSLMS.	Complied	See Page 13-17, section 2.2.2	
5	It shall operate the luminaires according to the lighting schedule even if there is a communication fault between CSLMS and itself.	Complied	See Page 13 to 17, section 2.2.2	
6	In the absence of any lighting schedule it shall operate (On/Off) the luminaires according to the time of the day.	Complied	See Page 14,17, 18 section 2.2.2 & also see wiring diagram / GA diagram	GLM- Factory mode / timer mode is in Feeder panel
7	It shall communicate the real-time status (On/Off/Fault, fault type, voltage, current, wattage and Power Factor per phase) of the luminaires to CSLMS.	Complied	See Page 18 section 2.2.2	

Sr. No.	Feeder Panel Controller	Compliance	Reference	Remarks
	The following functionalities shall be supported by Feeder Panel Controller (FPC).			
8	If it is not able to communicate with the CSLMS, it shall store all the luminaires data internally and relay that data to CSLMS once the communication is established.	Complied	See Page 13 to 18 section 2.2.2	Storage using EPROM to store the data
9	It shall be able to store luminaire logs / data for up to 7 days.	Complied	See page 13 to 17	Stores data in EPROM
10	It shall have IP55 protection.	Complied	See page 16-17-18 & Data sheet of GLM	
11	MSEDCL meter space in feeder panel controller.	Complied	See GA diagram , page 16 - page 17	
12	Uniform Rating for all the panels.	Complied	See Page 13-17	We will supply 3 phase 10kW panels.
13	The vendor needs to use the appropriate communication mechanism from GSM/Wi-Fi/Ethernet/ZigBee/Lorna for establishing connectivity between Feeder Panel Controller and CSLMS.	Complied	See page 13 to 17, See GLM data sheet Page 17	
14	Group Control and group addressing via Feeder panel must be available. Individual addressing, group dimming is optional.	Complied	See page 13 to 18	GLM does not provide dimming and individual control. For individual controller ILM controller are proposed to be used.

3.2 Street Light Controller (SLC)

Sr. No.	Street Light Controller	Compliance	Reference Page	Remarks
	The following functionalities shall be supported by Street Light Controller (SLC) fitted on group street poles			
1	It should be able to control at least two LED luminaires of up to 250W each. The bidder shall propose based on its proposed architecture and is free to choose to place it on Pole or feeder panel.	Complied	See Page 7 to 9 & ILM specification table page 8	Each Controller will to control 1 or 2 lamp control totalling upto 500W
2	It shall support PWM or 0-10v based dimming for dimming of the LED luminaires.	Complied	See Page 10-11 ILM specification table page 8	1-10V analog based dimming
3	It shall be powered by 230 V AC available on Street Light poles.	Complied	Page 7 to 9	ILM controller works on single phase 230 V, AC
4	Street Light Controller shall communicate to the Central Management Server (CSLMS) through network gateway over Wired/Wi-Fi/GSM/GPRS/CDMA/LTE/Zig Bee/Lora or any unlicensed Radio frequency.	Complied	See Page 7 to 9	ILM on LoRaWAN , GSM for GLM
5	It shall control (On/Off/Dim) the LED luminaire according to the lighting schedule communicated to it by the CSLMS.	Complied	See Page 7 to 9 & ILM data specifications table page 8	
6	Once the lighting schedule is set, it shall operate the luminaire according to that schedule till the lighting schedule is changed by the CSLMS	Complied	See Page 7 to 9	Controller has local memory to store data , unless any change the controller will operate the

Sr. No.	Street Light Controller The following functionalities shall be supported by Street Light Controller (SLC) fitted on group street poles	Compliance	Reference Page	Remarks
				connected lamps as per that stored schedule.
7	It shall operate the luminaire according to the lighting schedule even if there is a communication fault between CSLMS and itself.	Complied	See Page 7 to 9	Lighting schedule stored and if controller faces communicati on failure, ILM will be in scheduled mode as stored in its locally
8	In the absence of any lighting schedule it shall operate (On/Off) the luminaire according to the time of the day.	Complied	See Page 7 to 9 / SLC specifications	Factory mode is "Lux mode" ie Photodiode mode
9	It shall communicate the real-time status (On/Off/Fault, fault type and voltage, current, wattage and Power Factor per phase) of the luminaire to CSLMS.	Complied	See Page 7 to 9 / SLC specifications	ILM controller will provide the requested parameters for connected phase/ load
10	If it is not able to communicate with the CSLMS, it shall store all the luminaire data internally and relay that data to CSLMS once the communication is established.	Complied	See Page 7 to 9 / SLC specifications	
11	It shall be able to store luminaire logs / data for up to 7 days.	Complied	See Page 7 to 9 , ILM see specifications table page 8 also	

Sr. No.	Street Light Controller The following functionalities shall be supported by Street Light Controller (SLC) fitted on group street poles	Compliance	Reference Page	Remarks
12	It shall have IP55 protection.	Complied	Ref certificates section (page 52)	Lamp controller is IP 66
13	Street Light Controller/ Feeder Controller shall detect and report the following faults to CSLMS	Complied	Ref section 2.2.1 & 2.2.2) page 13 to 17 & page 7 to 9	
	a. Under/over voltage detection	Complied		Both GLM & ILM
	b. Main breaker error	Complied		GLM Only and not for ILM
	c. Contactor fault	Complied		GLM Only and not for ILM
	d. Circuit breaker off	Complied		GLM Only and not for ILM
	e. Circuit phase errors (fuse, breaker, etc.)	Complied		GLM Only and not for ILM
	f. Main power failure	Complied		Both GLM & ILM
	g. Leakage to ground	Complied		GLM Only and not for ILM
	h. Manual switch activated	Complied		GLM Only and not for ILM
	i. Phase current out of range	Complied		GLM Only and not for ILM
	j. Control cabinet door open	Complied		GLM Only and not for ILM

Sr. No.	Street Light Controller	Compliance	Reference Page	Remarks
	The following functionalities shall be supported by Street Light Controller (SLC) fitted on group street poles			
	k. Lamp failures	Complied		Both GLM & ILM

3.3 Gateway Device

Sr. No.	Gateway Device	Compliance	Reference page	Remarks
	The following functionalities shall be supported by Gateway device.			
1	It shall facilitate the communication between the Central Management Server (CSLMS) and Street Light Controller (SLC).	Not Applicable	Ref Gateway device data sheet (Kerlink)	Not applicable for TCL Solution. TCL Public LoRaWAN Network will be used for SLC Communicati ons.
2	It shall support GSM/Wi-Fi/Ethernet interface for uplink.	Not Applicable		Not applicable for TCL Solution. TCL Public LoRaWAN Network will be used for SLC Communicati ons.
3	It shall support Wi-Fi/Zig bee/LoRa based Street Light Controllers.	Not Applicable	Ref Gateway device data sheet (Kerlink)	Not applicable for TCL Solution. TCL Public

Sr. No.	Gateway Device The following functionalities shall be supported by Gateway device.	Compliance	Reference page	Remarks
				LoRaWAN Network will be used for SLC Communicati ons.
4	One gateway shall be able to connect up to 50 Street Light controllers.	Not Applicable	LoraWan support more than thousands of device per gateway (Ref to LoraAlliance website, https://lora-alliance.org/)	Not applicable for TCL Solution. TCL Public LoRaWAN Network will be used for SLC Communicati ons.
5	It shall have a storage capacity of storing the data of 100 luminaires for up to 7 days and should be able to transmit historical data stored in case of power failure.	Not Applicable	Gateways has its own storage & network server has its own. Its part of overall offering	Application will have capacity to store the data of all ILM devices connected.
6	It shall communicate with the CSLMS on real time basis.	Complied		Using GSM
7	It shall be powered by 230 AC available on the street light poles. Optionally Power over Ethernet also shall be supported.	Not Applicable	Gateways work on AC or DC or POV (power on ethernet)	Gateways are part of public Lora wan network
8	It shall be weather proof with IP-56 casing with a lock and shall fit on the existing street light poles with a suitable clamps supplied by the vendor	Not Applicable	Ref data sheet of gateway	Not applicable for TCL Solution. TCL Public LoRaWAN Network will be used for SLC

Sr. No.	Gateway Device The following functionalities shall be supported by Gateway device.	Compliance	Reference page	Remarks
				Communicati ons.
9	It shall have a battery power back up for up to 12 hrs.	Not Applicable		Not applicable for TCL Solution. TCL Public LoRaWAN Network will be used for SLC Communicati ons. We provide network uptime SLA as per Industry practice.
10	The vendor needs to use the appropriate communication mechanism from GSM/Wi-Fi/Ethernet for establishing connectivity between Street Lighting Gateway and CSLMS	Not Applicable	Gateways has provision to have 3g/4g/ Ethernet as backhaul, ref data sheet	Not applicable for TCL Solution. TCL Public LoRaWAN Network will be used for SLC Communicati ons.

3.4 Central Street Lighting Management System Functional Specifications(application)

Sr No.	Central Street Lighting Management System Functional Specifications	Compliance	Reference page	Remarks
	Software			

Sr No.	Central Street Lighting Management System Functional Specifications	Compliance	Reference page	Remarks
1	The system shall provide web based central management software (CSLMS) to view, operate & manage the lighting system.	Complied	Ref Page 19 to 24	
2	The CSLMS shall be hosted on a cloud server temporarily and later shall be migrated to Smart City Operations Centre (SCOC) once it is ready.	Complied	Ref Page 19	As required by RFP, TCL will provide cloud-based application at the beginning and later migrate this application to Nashik SCOC once ready. It's assumed that Nashik SCOC will provide necessary infra like Server box, data base server internet connectivity, backup drives to store data generated / achieved by application. Note: Tata Comm will provide specification for its application server & infra needed to host its street lighting management application at Nashik SCOC. This hardware and infra to be provided by Nashik SCOC to facilitate Tata Comm to do migration at later date as per RFP.
2	The software provides mechanism for tracking the repairs of the faulty light fixtures or gateways	Complied	Ref Page 19 to 24	Software will be able to provide information (device iD) of the ILM Controller whose light / pole is faulty.
4	All software updates happen without the need for any human intervention except for scheduling the update operations.	Complied	Ref Page 19 to 24	Street Light application on cloud server will be updated from time to time for bug fixes and patches. Once the application is moved to Nasik centre then its assumed by Nasik NMC/ end user will provide remote desktop access for supplier to plan upgrade/patch

Sr No.	Central Street Lighting Management System Functional Specifications	Compliance	Reference page	Remarks
				change (if any) activities accordingly.
	Operations			
1	Concessionaire need to provide minimum 1 managerial level staff at SCOC for handling day to day operation of CSLMS for 24*7.	Not Applicable		
2	It shall support multiple users with different privileges.	Complied	Ref Page 19 to 24	
3	Only a user with admin privileges shall be able to create, modify or delete users.	Complied	Ref Page 19 to 24	
4	The user privileges shall be view, operate and/or administer.	Complied	Ref Page 19 to 24 Also see application usage user manuals for more details	
5	The user privileges shall be to a given set of street lights only	Complied	Ref Page 19 to 24	
6	The street lights shall be divided into hierarchical groups called, zones, wards, locality, road, feeder units etc.	Complied	Ref Page 19 to 24	End User (NMC) can define his own hierarchy
7	The street light groups shall be modifiable by the administrator only	Complied	Ref Page 19 to 24	System will provide users manuals for user to know how to use application , how to change configurations etc
8	Only a user with sufficient privileges shall control lights either at group or individual level.	Complied	Ref Page 19 to 24 & refer application user manuals also.	System will provide users manuals for user to know how to use application , how to change configurations etc
9	All user log-in and log-off activity shall be logged.	Complied	Ref Page 19 to 24	
10	All user activity that modifies any existing configuration of the CSLMS or gateways or light controllers shall be logged.	Complied	Ref Page 19 to 24 / user manuals	

Sr No.	Central Street Lighting Management System Functional Specifications	Compliance	Reference page	Remarks
11	A logged in user shall be allowed to view, operate and manage the street lights & gateways for which he/she has privileges.	Complied	Ref Page 19 to 24	
12	The CSLMS shall assign a unique id for each light fixture and gateway.	Complied	Ref Page 19 to 24	For all devices under application will have unique ID.
13	The CSLMS shall have the GPS location of light fixtures and gateways.	Complied	Ref Page 19 to 24 / user manual	Customer to provide one-time mapping of street light poles, controller and GPS location. TCL will facilitate onboarding & visualisation of GIS view.
14	The light fixtures and gateways shall be shown on Google Maps.	Complied	Ref Page 22-23	TCL will provide GIS Maps of companies such google maps, openstreet, mapmyIndia, etc.
15	The user shall be able to view the light fixtures on Google Maps either in groups or individually.	Complied	Ref Page 23-23	TCL will provide GIS Maps of companies such google maps, openstreet, mapmyIndia, etc.
16	The user shall be able to set lighting on/off/dim policies for a group or individual lights.	Complied	Ref Page 19-22	Dimming is possible only for ILM controllers. Dimming cannot be applied through GLM.
17	Through the lighting policy the user shall be able to set the date & time when the light should be on and off.	Complied	Page 19-22	Use schedule mode for this
18	Through the lighting policy the user shall be able to set the dimming level, its duration and the time of a day it should be active.	Complied	Ref Page 19 to 23 , ref user manual	
19	The policies shall be settable for any day within a year.	Complied	Ref Page 19-23 and application user / usage manual	In case of failure to apply the lighting policy, application will retry one time. Post this the user has to reinitiate the process of applying policies on controllers.

Sr No.	Central Street Lighting Management System Functional Specifications	Compliance	Reference page	Remarks
20	The user shall be able to create, modify, delete, enable and disable policies for a group of lights or individual lights easily.	Complied	Ref Page 19 to 23 and application user / usage manual	
21	There shall exist a default global policy that would be used by the street light controller in the absence of any specific light policy for it.	Complied	Ref Page 19 to 23 and application user / usage manual	
22	In case of any error during the setting of policies onto each street light, the CSLMS shall highlight the same and shall keep trying until cancelled by the user.	Complied	Ref Page 19 to 23 and application user / usage manual	
23	CSLMS shall control all the digital advertisement.	Not Applicable		Advertisement is out-of-scope.
24	CSLMS should give advertisement status on each pole, obtained digitally or manually fed (in case of conventional boards).	Not Applicable		Advertisement is out-of-scope.
25	CSLMS also need to notify for power outage and also calculate the percentage power outage per feeder panel.	Complied	Page 19 to 22	Power outage alarm is provided in application
	Communication			
1	The CSLMS shall communicate with registered Gateways only.	Complied	Section 2.2.3	Application will communicate to controllers through TCL Public Network Gateways
2	The CSLMS shall communicate with registered Feeder Panel Controllers only.	Complied	Section 2.2.3	
3	The gateways shall communicate with registered Street Light Controllers only.	Complied	Section 2.2.3	

Sr No.	Central Street Lighting Management System Functional Specifications	Compliance	Reference page	Remarks
	Security			
1	The communication between the CSLMS and other components in the system is secure so as to prevent eves dropping, device hijack and "man -in-the middle" attacks.	Complied	Section 2.2.3 / data sheet Kerlink	
2	Faulty gateways or light controllers can be replaced only after initiating that action through the CSLMS.	Complied		Gateways are proactively monitored via Tata Comm NOC from Dighe-Pune
	Notifications			
1	It shall support the following types of notifications:		Ref page 26-27	
	a. email	Complied		
	b. SMS	Complied		
	c. mobile app alerts	Complied		Mobile application for android platform will be developed.
2	A user shall be registered for notifications only for the street lights that he/she has privileges	Complied		
3	The following events shall result in notifications			
	a. Any fault detected by the system in the smart light fixture or controller or gateway.	Complied	Ref page page 7 to 24	Alert mentioned in Street Light Controller Section.
	b. Any changes to the configuration of CSLMS, gateway or controllers	Complied	Ref user manual	Changes in configurations of CSLMS, GLM & ILM Controllers will be recorded in application and would be available as a log in system.
	c. Any manual changes to the lighting schedule	Complied	Ref user manual	Changes in configurations of CSLMS, GLM & ILM Controllers will be recorded in application and would be available as a log in system.

T/230e

TP LUMINAIRE

Sr No.	Central Street Lighting Management System Functional Specifications	Compliance	Reference page	Remarks
	d. Any manual control of the lighting	Complied	Ref user manual	Changes in configurations of CSLMS, GLM & ILM Controllers will be recorded in application and would be available as a log in system.
	Reports & Analytics			
1	It shall provide the following reports at either a group or individual street light level	Complied	Ref user manual	
	a. Status of Lights with lux level report (Lux Measurement can be manually measured, and data shall be fill in the system to generate report.)	Complied	Ref user manual	ILM Controller will record the ambient lux levels and report in application automatically.
	b. Energy Consumption	Complied	See section 2.2.2 page 13 to 17 for GLM & section 2.2.1, page 7 to 9	
	c. Power leakages	Complied	Earth leakages alert provided	
	d. Faulty Lights	Complied	Ref user manual	Group level lamps failures will be detected in GLM.
	e. Fault rates	Complied	Ref user manual	
	f. Fault fixing	Complied	Ref user manual	A user can report the incidence summary in alert screen and this will be converted to report.
	g. High or Low voltage issues	Complied	Ref user manual	Alert log report will be available to download.
	h. Pending user actions	Complied	Ref user manual	
	i. Pending policy	Complied	Ref user manual	User can see the devices yet to be commissioned in I&C Dashboard.
2	It shall provide the following analytics		Ref user manual	
	a. Fault trends	Complied		
	b. Future energy needs	Complied		This will be delivered as part of advanced analytics.

TP LUMINAIRE PRIVATE LIMITED

Sr No.	Central Street Lighting Management System Functional Specifications	Compliance	Reference page	Remarks
	c. Potential energy savings possible by changing lighting policies	Complied		This will be delivered as part of advanced analytics.
	Data Backup			
1	All the configuration change activity logs shall be stored for the duration as set by the administrator.	Complied		
2	All historical statistics shall be stored for the duration as set by the administrator.	Complied		Tata Comm will provide data on system DB for 6 months , older data will be archived and handed over to NMC team (or stored in backup drive as suggested by NMC team)
3	It shall not let the administrator increase the duration if it detects that there would not be sufficient disk space to store the data for such long durations.	Complied		
4	It shall automatically back up all the data as scheduled by the administrator	Complied		
	Mobile App		Ref page 13 & also Ref user manual	
	The system shall provide a mobile app with the following features	Complied	Ref page 13	Developed in android OS
1	View Operate & Manage the street lights	Complied	Ref page 13	
2	View and act on notifications	Complied	Ref page 13	

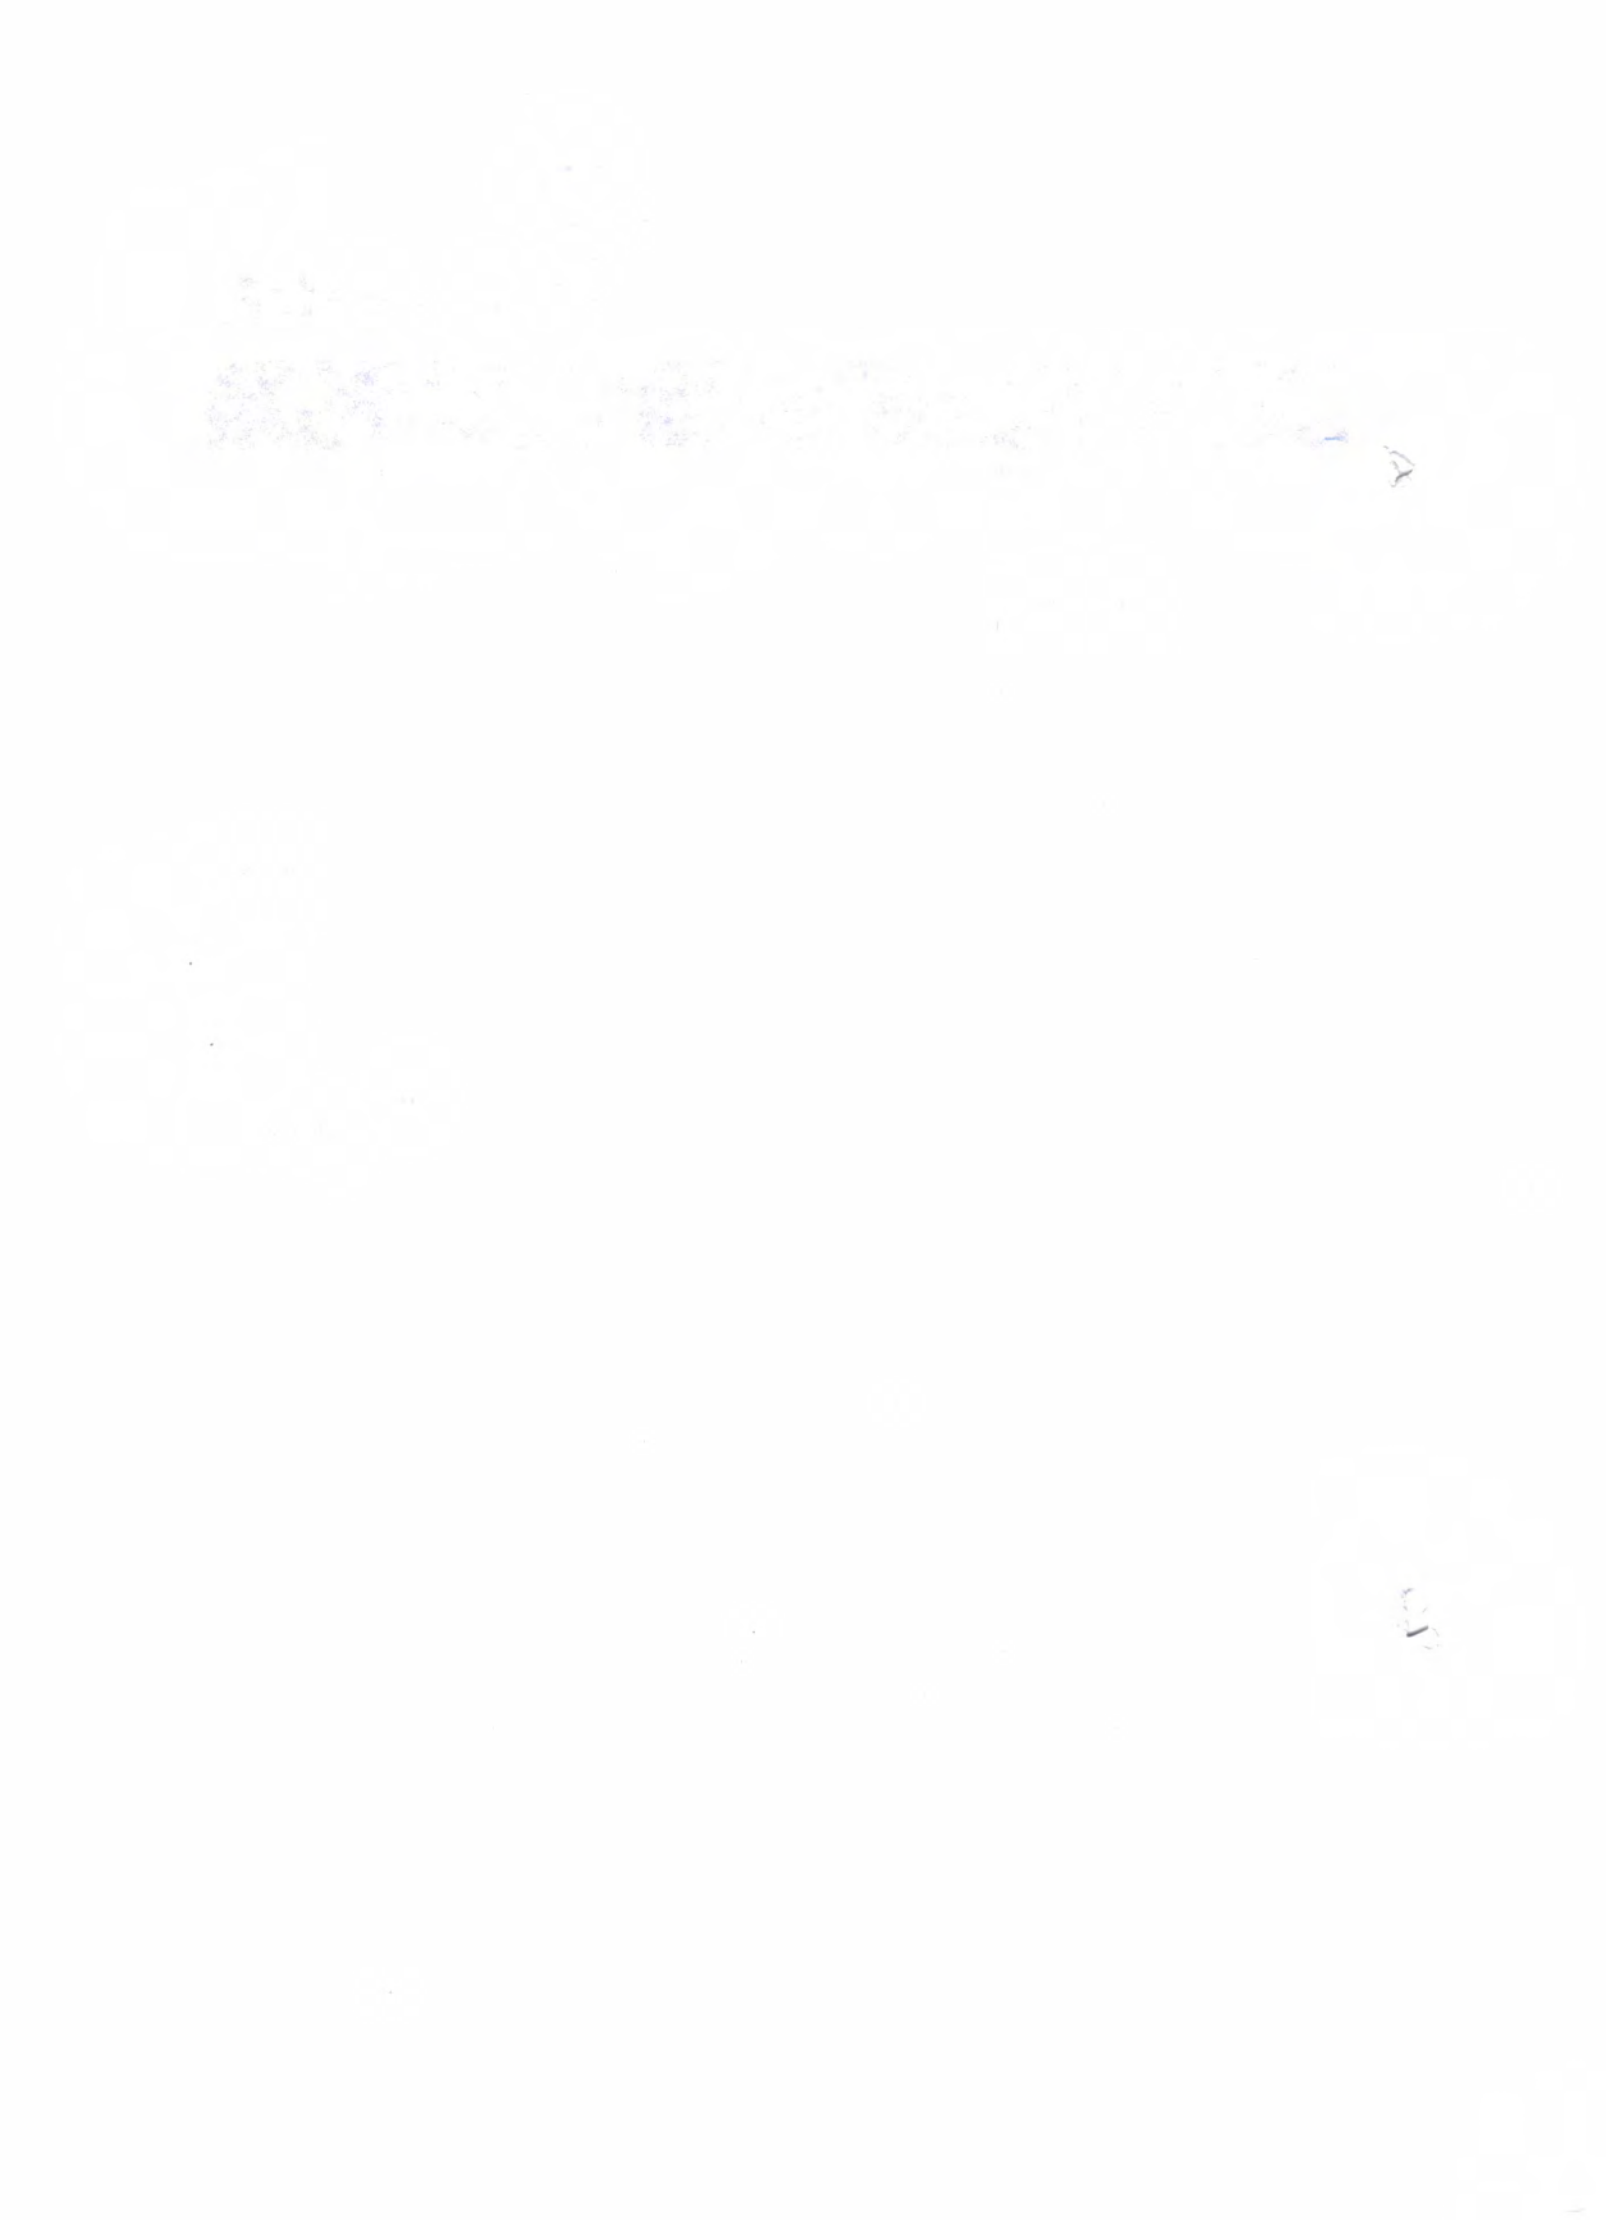
3.5 CSLMS Validation for 3-phase and single phase

Sr. No.	CSLMS Validation for 3-phase and single phase	Available		
		Yes	No	Comments:
1	Access to monitoring and control screen developed for the live demonstration (User ID and Password).	Yes		
2	Dashboard: Monitoring and central controlling screen shall have following screens/icons	Yes		
	a. Display live status of the switching points	Yes		
	b. Live readings of energy consumption details (meter packets) with current time stamps.	Yes		Ref user manual
	c. Configure or reset the timings etc.	Yes		Ref user manual
	d. Page/screen with GIS mapping	Yes		Ref user manual
	e. Page/screen with power failure information	Yes		Ref user manual
	f. Page/screen with lamp failure details	Yes		Ref user manual
	g. Page/screen for reports	Yes		
3	Operation Features	Yes		
	a. GPRS /GSM	Yes		Ref user manual
4	Timer Operation – Refer Test Methodology	Yes		Ref user manual
	a. On/off operation of switching point	Yes		Ref user manual
	b. Time setting operation – Set the RTC	Yes		Ref user manual
	c. Scheduling the ON and OFF timings	Yes		Section 2.2.5
	d. Check the real time or present status of the switching point.	Yes		Section 2.2.5
	e. Reset the unit – Time	Yes		Section 2.2.5
	f. Auto Recovery after power failure	Yes		Section 2.2.5
5	Meter Operations	Yes		Section 2.2.5
	a. Meter readings are reflected in the server	Yes		Section 2.2.5
	b. Periodicity of Meter Packet should be configurable from server	Yes		Section 2.2.5

T2394

TP LUMINAIRE

Sr. No.	CSLMS Validation for 3-phase and single phase	Available		
		Yes	No	Comments:
	c. Meter Parameters - KWH, KVAH, V, Ah, Power Factor, Active power and Apparent Power	Yes		Ref user manual
6	Reports Downloading	Yes		Section 2.2.5
	a. Energy saving report - yearly, monthly, weekly or daily basis	Yes		Section 2.2.5
	b. Error reports – No of lights off and Panel Door Opened with Timing etc.	Yes		Section 2.2.5
	c. Power failure report etc.	Yes		
7	Time Sync/Auto synchronization in case of time skip	Yes		
8	Fault Detections in terms of failures for the followings with inclusive SMS alerts	Yes		Section 2.2.5 / Page 28
	a. Number of lights in glowing and non- glowing	Yes		
	b. High/low voltage	Yes		
	c. Overload on the phases	Yes		
	d. Theft alerts	Yes		THIS SHALL BE CONSIDERED AS DOOR OPEN ALERT FOR GLM DEVICE
	e. Group failure of lights	Yes		
	f. No output supply	Yes		
	g. Power Failure	Yes		
9	CSLMS System Battery	Yes		Panel has battery to run GSM based GLM controller
	a. Battery performance in case of Power Failure	Yes		
	b. Batter backup or UPS backup of 12 hrs. (Minimum)	Yes		Panel has battery to run GSM based GLM controller CLOUD INFRASTRUCTURE WILL HAVE UNINTERRUPTED POWER SUPPLY.
	CSLMS System Hardware:			
	a. System box with Corrosion-resistant metal enclosure with proper lock arrangement	Yes		



Y 2356

TP LUMINAIRE

Sr. No.	CSLMS Validation for 3-phase and single phase	Available		
		Yes	No	Comments:
	b. Energy Meter with ISI (Class 1.0accuracy or better energy meter)	Yes		GLM SHALL HAVE CLASS 1.0 ACCURACY ENERGY METER.
	c. Proper Earthing System	Yes		TPL / Nasik NMC to ensure earthing during installation
	d. IP 55 or 65 for complete CSLMS system	Yes		
	e. Single Phase system - 5kVA	Yes		
	f. Three Phase system – 10kVA	Yes		
	g. Emergency on/off switch	Yes		

Sr. No.	Specification	Compliance	Remarks
		Yes/No	
1	Ability to control group-based light on commands and policies	Yes	
2	The smart light should be using technologies like 0-10V or DALI or any variant of these for providing controlling of LEDs	Yes	1-10V ANALOG DIMMING SHALL BE SUPPORTED.
3	It is preferred that the smart light control nodes use industry standard RF technologies like Wi-Fi, 802.15.4, Zig Bee, Lora or GPRS as connectivity options	Yes	GSM AND LORAWAN SHALL BE USED IN STREET LIGHT SOLUTION.
4	The system should support reading, monitoring of various electrical parameters like Voltage, Current, Power Consumption etc. at each light.	Yes	Data at controller level
5	The system should have the ability to detect faults in individual lights and sent alerts and notifications to the management system	Yes	Data at controller level
6	The system should have ability to control the ON/OFF operation of the Luminaire centrally.	Yes	
7	The smart street lighting system should be able to operate at any weather Conditions	Yes	
8	The smart street lighting system should preferably be communicating using WIFI technology. Other allowed technologies can be Zig Bee, Lora and IEEE	Yes	

TP LUMINAIRE PRIVATE LIMITED

Sr. No.	CSLMS Validation for 3-phase and single phase	Available		
		Yes	No	Comments:
	802.15.4/Ethernet/Wi-Fi/Fiber/GPRS/RF or equivalent networks.			
9	The smart street lighting system should be able to communicate to the CSLMS hosted on the cloud (Preferably)	Yes		
10	The smart street lighting system should have the capability to receive the instruction from the Lighting Operations Management software and act accordingly	Yes		
11	The smart street lighting system should be able to operate the lights switch on/off, increase/decrease luminosity (Dimming) as per the command received from the Lighting Operations Management software	Yes		
12	The Lighting Operations Management software should have the capability to apply policies to the smart lighting system. Example: set up policies like light up alternate lights during low traffic density, increase the luminosity of the lights as per the dullness of the day lights	Yes		
13	The city administration should be able to see the real time status of the Smart Lighting System on a city map view of the Lighting Operations Management software	Yes		
14	The city administration should be able to operate the Smart Lighting System manually too.	Yes		
15	The smart lighting system should be able to communicate the system issue or failure to the Lighting Operations Management software.	Yes		
16	The smart lighting system is preferably a combination of LED lights and sensors	Yes		
17	The individual lights are to be monitored by electronic controller using a long range radio frequency communication technology	Yes		
18	The controller should be able to operate autonomously as per the	Yes		

Sr. No.	CSLMS Validation for 3-phase and single phase	Available		
		Yes	No	Comments:
	defined schedules and light level sensors			
19	Should enable Over the Air (OTA) firmware update	Yes,		FOR GLM
20	The sensors on the smart street lighting system should be able for remote operating capabilities.	Yes		Application will send command the same will be executed on device to control connected lights to it.
21	The rule engine set up on the Lighting Operations Management software should run on the real time data and apply the policies automatically	Yes		
22	At any time, these policies can be overridden by human intervention with the system	Yes		
23	At any point in time, the map view should give the details of the status, luminosity of the lights in city map view	Yes		The brightness value will be available as a part of data for each street light
24	The data transmitted by and received from the sensors should be encrypted and tamper proof end to end (from sensor to application)	Yes		
25	The sensor firmware should be upgradable from the central location.	Yes		GLM controller can be updated remotely.
26	The system should allow to automatically or manually assign a GPS location to each sensor for placing on a GIS map.	Yes		
27	THE Lighting Operations Management software should be able to send commands to the smart street lighting system based on the data analytics to increase/decrease the luminosity as per the Day light and weather conditions.	Yes		

4 Certificates & User manuals/ Data sheets

- Physical Certificate for various standards as below are available
  - Govt. (NABL or equivalent) approved lab for Metering IS: Standard equivalent to 13779
  - Govt. (NABL or equivalent) approved lab for IP 66 for street lights controller
  - Govt. (NABL or equivalent) approved lab for EIRP report and ETA certification for the Communication modules being used inside the device/ product.
  - Govt. (NABL or equivalent) approved lab for Surge test and 440V AC withstanding capacity for controller.

- User manuals / Data Sheets - attached as annexures in submission set
  - User manual for application - ILM
  - User manual for application - GLM
  - Kerlink gateway data sheet

Sub : Testing of street Light Controller with Metering

Dear Sir/Madam,

With reference to correspondences from representatives of KAYNES TECHNOLOGY INDIA PVT LTD, Mysore, we are hereby enclosing Testing report: 015_2018-19 dated 28.03.2019 for the above subjected EUC.

Kindly acknowledge receipt of reports.

Thanking You.

TEST REPORT

NAME & ADDRESS OF THE CUSTOMER	TEST REPORT No.: 015_2018-19	
TATA Communications Limited VSB, Mahatma Gandhi road, Fort Mumbai - 400001 INDIA	UNIQUE LAB REPORT NO: --	
	DATE: 28th Mar 2019	
	SERVICE REQUEST No.: 015_2018-19	
	DATE: 25th Mar 2019	
	CONDITION OF SAMPLE ON RECEIPT: (GOOD/REMARKS) GOOD	
	DATE OF SAMPLE RECEIPT	DATE OF SAMPLE TESTING
TEST CARRIED AT: MPSE Test laboratory L&T Limited, Mysore Campus	26th Mar 2019	26th Mar 2019 to 28th Mar 2019

SAMPLE DESCRIPTION

Product name : Street Light Controller with metering
Model : Nema No Dimming
Voltage/Freq. : 240 V (L-N) / 50 Hz
Current : 1-3A (Ib: 1A, Imax: 3A)
Pulse rate : 41600 imp/kWh.
Accuracy : Class 1.0

Make : TATA Communications, INDIA

SAMPLE IDENTIFICATION

Product Serial number : KNS-V002NXM-499

Test Specification: 440V phase to neutral test as per customer requirement.

Remarks - The above EUT complies with the requirements in respect of the tests carried out.
Note - Only the test asked by the customer has been carried out.

CHECKED BY
Raghunandan MG
(Asst. Manager)

AUTHORISED SIGNATORY
Sujith Unnikrishnan
(Asst. General Manager)

Note: 1. This result relates only to the particular item received in good condition for testing at MPSE test laboratory/on site.
2. This report cannot be reproduced except in full, without the written approval of the laboratory.

Certificate No. CC-2234

Date: 16.01.2019

SRF Ref.: C055_2018-19 dated 03.01.2019

To,

TATA communication Limited,
VSB, Mahatma Gandhi Road,
Fort, Mumbai -400001

Sub : Calibration of street Light Controller with Metering

Dear Sir/Madam,

With reference to correspondences from representatives of KAYNES TECHNOLOGY INDIA PVT LTD, Mysore, we are hereby enclosing Calibration certificate No: C055_2018-19 dated 07.01.2019 for the above subjected EUC.

Kindly acknowledge receipt of reports.

Thanking You.

CALIBRATION CERTIFICATE

Customer Name & Address :	TATA Communication Limited, VSB, Mahatma Gandhi Road, Fort Mumbai 400001, India
Calibration Location :	MPS Electrical Test Laboratory, Mysore
Unique Lab Report No. :	**ULR - CC223419000000001F**

CAL CERT. NO : C055_2018-19 **DATE :** 07th Jan 2019	**CALIBRATED ON :** 03rd Jan 2019 **REC. CAL.DUE :** 03rd Jan 2020	**PAGE NO.** 1 of 2

DETAILS OF EQUIPMENT UNDER CALIBRATION :

EUC : Street Light Controller with Metering	**Cal Procedure No :**	L&T/MPSE/CP/04
Make : TATA Communications	**No. of Pages :**	2
Model : SL-KNS-V002WXM	**EUC Received on :**	03rd Jan 2019
Sl.No. : SL-KNS-V002WXM-0026	**EUC Condition on Receipt :**	Good
Accuracy : Class 1.0 as per IS 13779	**Identification Number :**	---

Environmental Conditions : **Temperature :** 25 ±2 °C **Humidity :** 45 to 75 %RH

REFERANCE STANDARDS USED :

Sl. No.	Nomenclature	Make & Model	Sl. No.	Traceable to	Validity
1	Comparator	ZERA / COM3003	018100	DKD, Germany	20th Nov 2019

NOTE :

1. The reported expanded uncertainty in measurement is stated as the standard uncertainty in measurement multiplied by the coverage factor k, which for a t-distribution with v_{eff} effective degrees of freedom corresponds to a coverage probability of approximately 95%
2. The calibration certificate relates only to the above EUC.
3. This certificate shall not be reproduced except in full, without the written approval of the laboratory.
4. Correction/erasing, invalidate the calibration certificate.
5. Standards used for calibration of EUC are traceable to National /International standards.
6. Any error in this certificate should be brought to our knowledge within 30 days from the date of issue of this certificate.
7. The calibration results reported in the certificate are valid at the time of and under stated conditions of measurements.

[√] **Tick whichever is applicable**

[√] Only as per customer specified points [ ] As per laboratory procedure

[ ] As per performance verification procedure provided by manufacturer

Draft Report

1. General Details

Test item description	Street Light Controller with Metering
Manufacturer	Kaynes Technology India Pvt. Ltd.
Model and/or Type reference	SL-KNS-V00X
Serial no.	SL-KNS-V002-000032 SL-KNS-V002-000059
EUT dimension (H x D)	105mm x 115mm
Weight	485 Grams
Test requested	IP66
No. of samples	IP6x-One Sample IPx6-One Sample
Applicable standard	As per IS 10322 Part 1:2014 (IP66) Clause 9.2.2 & 9.2.7
EUT Rating	240V AC
Product orientation	Cable side to be faced down
Condition of EUT on receipt	Good
Date of receipt	2018.11.12
Date of testing	2018.11.14
Others	N/A

Draft Report

Copy of marking plate:

General product information and considerations:

The equipment under test is "Street Light Controller with Metering".

Summary of testing:

IP 6x (Dust Test): Pass

Observations: No Dust ingression observed inside the EUT.

IP x6 (Water Test): Pass

Observations: No Water ingression observed inside the EUT.

Test equipment list

Item	Type	Make / Model	Equipment No. / Sl. No.	Calibration due date
01	Dust Chamber	Envisys	30-2014-3014	N/A
02	Temperature Data Logger	Yokogawa	30-2013-2038	2019.04.27
03	Timer	Selec	30-2014-3014/1	2018.11.16
04	Cold Water Bath	Envisys	30-2014-3015	2019.01.10

10	Electronic Weighing Scale	Essae	30-2007-2009	2019.08.10

Draft Report

TÜVRheinland®

IS 10322 (Part 1):2014		
Requirement +Test	Result - Remark	Verdict

2. Test Specifications for IP6x Test

First Characteristic numeral – 6x		
Protection against dust		
Test conditions for first characteristic numeral 6		
Test lab ambient temperature/humidity & pressure during test	24.1°C, 59%rh, 902 mbar.	-
The protection against the ingress of dust implies that the dust shall not fully penetrate the enclosure	Ingression of dust through the EUT enclosure was verified with the following test	-
The test is made using a dust chamber incorporating the basic principles shown in Fig. 6 as per this standard.	Considered	-
The talcum powder used shall be able to pass through a square-meshed sieve the nominal wire diameter of which is 50 µm and the nominal width of a gap between wires 75 µm.	Considered	-
The amount of talcum powder to be used is 2 kg per cubic metre of the test chamber volume. It shall not have been used for more than 20 tests.	Considered	-
Luminaires shall be mounted and wired as in normal use and placed in the most unfavourable position, complete with their protective translucent covers, if any, for the tests.	EUT wired and placed inside the Dust Chamber in the unfavourable position.	-
Any drain-hole normally open shall be left open for the duration of the test.	No drain-holes as part of the EUT enclosure construction	-
Class 0 Luminaire – A Luminaire in which protection against electric shock relies upon basic insulation	Refer below row	-
Class I Luminaire – A Luminaire in which protection against electric shock does not rely on basic insulation only, but which includes an additional safety precaution in such a way that means are provided for the connection of accessible conductive parts to the protective (earthing) conductor in the fixed wiring of the installation in such a way that accessible conductive parts cannot become live in the event of a failure of the basic insulation.	Class I consideration made	-
Class II Luminaire – A Luminaire in which protection against electric shock does not rely on basic insulation only, but in which additional or reinforced insulation are provided.	Refer above row	-
Class III Luminaire – A Luminaire in which protection against electric shock relies on supply at safety extra-low voltage (SELV) and in which voltages higher than those of SELV are not generated	Refer above row	-

Draft Report

IS 10322 (Part 1):2014		
Requirement +Test	Result - Remark	Verdict
The luminaire is suspended outside the dust chamber and operated at rated supply voltage until operating temperature is achieved and then placed in the dust chamber with minimum disturbance and turned off after an interval of 1 minute	The luminaire was made to reach its stabilization temperature and then the dust chamber was turned ON. The EUT was then turned OFF after an interval of 1 minute.	-
Ingress of dust is not totally prevented (in case of the test for first characteristic numeral 5), but shall not penetrate in a quantity to interfere with satisfactory operation of the apparatus or to impair safety.	Refer below row.	N/A
The protection is satisfactory (in case of the test for first characteristic numeral 6) if no deposit of dust is observable inside the enclosure at the end of the test.	After exposure, EUT was cleaned before opening for the deposited dust on the enclosure. No dust traces were observed inside the EUT.	P
Test duration	3 hours	-

Draft Report

IS 10322 (Part 1):2014		
Requirement +Test	Result - Remark	Verdict

5. Test Specifications for IPx6 Test

Second Characteristic numeral – IPx6 Test		
Powerful water jet-proof luminaires		
Test lab ambient temperature/humidity & pressure during test	24.2°C , 60%rh & 906 mbar	-
Internal diameter of nozzle	12.5mm	-
Delivery rate	100 l/min ±5%	-
Distance from nozzle to enclosure surface.	3 meter	-
Test duration	03 min	-
Visual check for water ingress.	After exposure, EUT was gently cleaned before opening for the deposited water on the enclosure. On opening of enclosure, no water deposition observed inside the EUT.	P
No trace of water entered in any part of a watertight or pressure watertight luminaire	The test sample is not a water tight or pressure tight luminaires	N/A
For luminaires without drain holes, there shall be no water entry	No water ingression observed	P
For luminaires with drain holes, water entry including condensation is allowed during the tests, if it can drain out effectively.	No drain-holes as part of the EUT enclosure construction	N/A
Water ingress is deposited on insulation parts where it could lead to tracking along the creepage distances	No water ingression observed on insulation parts	P
Water ingress has reached live parts or windings that are not designed to operate when wet	No water ingression observed on any live parts.	P

Wirnet iBTS

Preliminary

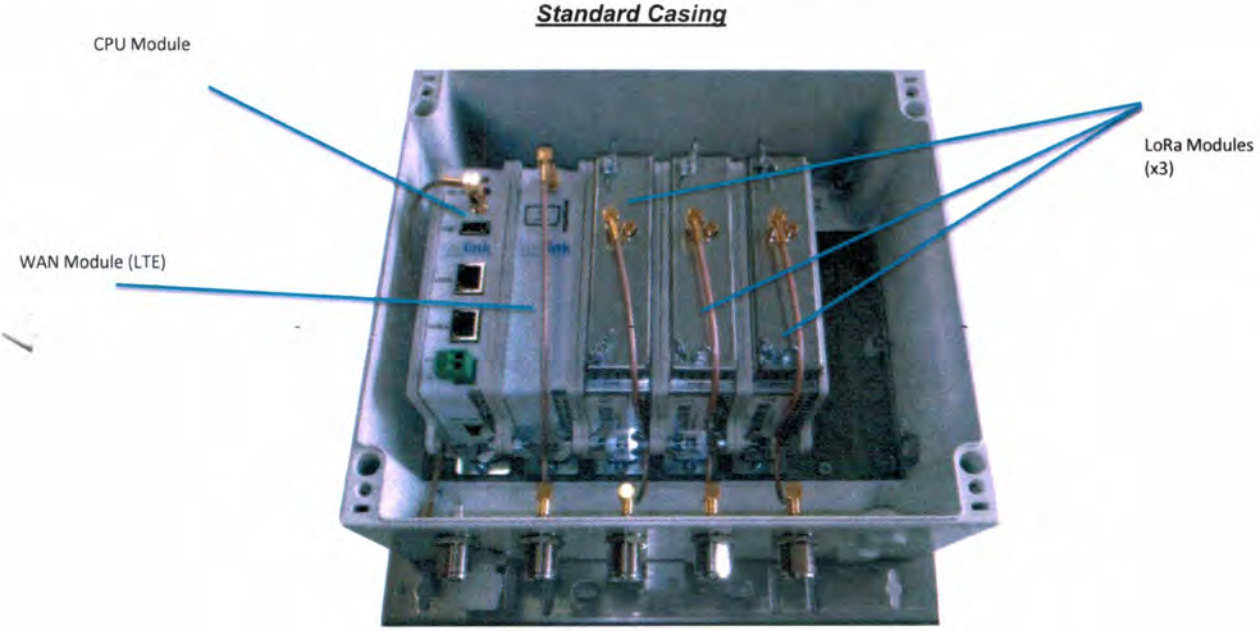
LoRa gateway for IoT chain

- Unlicensed band Long Range(Lora™) bidirectional communications capabilities
- One LoRa RF module (16 channels) extendable to four LoRa RF modules (64 channels)
- Supported bands : 863-873MHz, 902-928MHz, 915-928MHz
- Configurable for single omnidirectional antenna, spatial diversity, dual polarization, tri-sectorization
- LoRa geolocalization combining RSSI and Time Difference of Arrival (TDOA)
- Backhaul connectivity over GPRS/EDGE/HSPA/LTE(Europe/APAC or Americas bands) or Ethernet
- Highly secured device relying on an hardware secure core
- Carrier grade or compact casing

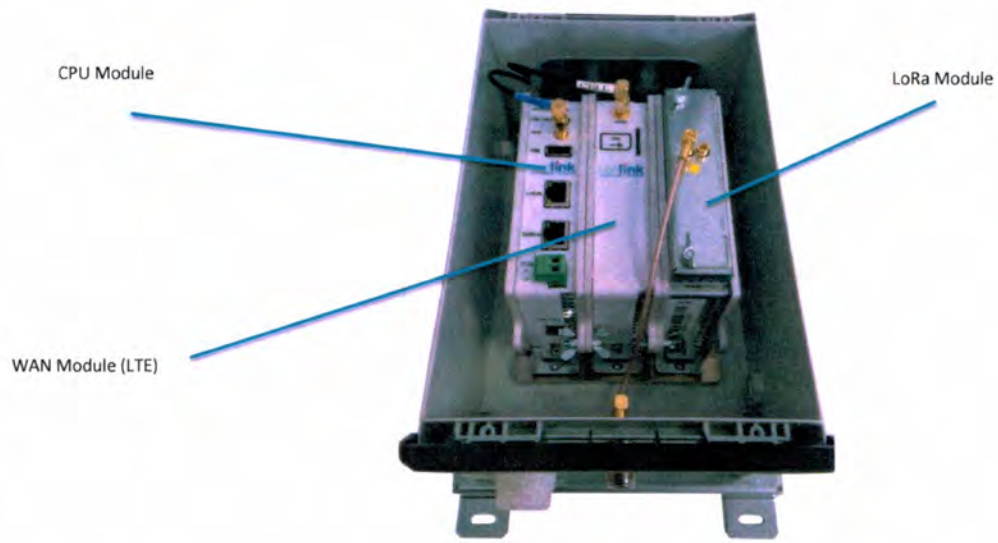
1. Hardware Key Features

1.2 Hardware modularity

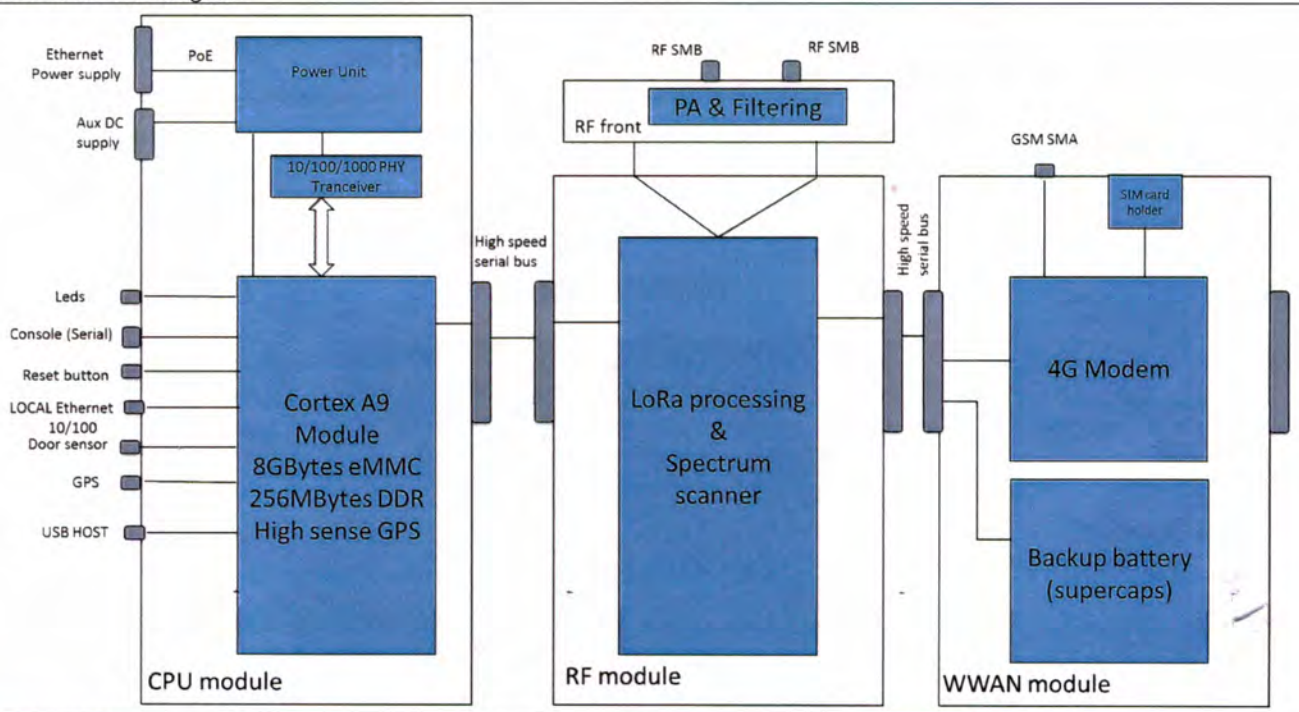
Standard Casing



Compact Casing



1.2 Hardware block diagram



1.2 CPU module

1.2.1 System

CPU:
- Based on ARM cortex A9 core processor (Up to 800 MHz)
- Real-time clock saved by battery
- Hardware watchdog
- Optimised power consumption management
- Embedded hardware secure core

Volatile memory:
- DDRAM 256 MB

Non-volatile memory:
- 8 GB eMMC

1.2.2 User interfaces

Internal LEDs:
- Operational status : power, software activity

Internal push buttons :
- Manual station power on/off

USB host interface allowing :
- Local secured software upgrade with simple USB key

Web local interface allowing :
- Configuration
- Diagnostic
- Maintenance

1.2.3 Communication

Backaul Ethernet :
- PowerOverEthernet IEEE 802.3af /at 10/100/1000 Base T compliant

Local Ethernet interface :
- Used during installation and maintenance operations
- IEEE 802.3 10/100 Base T compliant

1.2.4 Positionning/Timing

GPS :
- Integrated high sensitivity GNSS module
- GPS L1C/A, GLONASS L1OF, BeiDou B1, QZSS L1C/A, SBAS L1C/A and Galileo E1B/C-ready
- Time pulse accuracy < 20ns
- NMEA 0183, version 4.0
- External GNSS active antenna with 5m coaxial cable (integrated antenna for compact version)

1.2.5 Sensors

- Embedded temperature sensor
- Door opening detection system
- Pressure sensor

1.2.6 Power

- PowerOverEthernet supply : 48V class 4
  - 30W PoE required compact casing version
  - 60W PoE required standard casing version
- DC power supply (ex : solar panel use) : 11 to 56V DC
- Power control : ignition detection, software OFF switching, ON/OFF button

1.3 LoRa modules

LongRange modem :
- SDR evolutive architecture including two dual core SoC DSP and ARM processor per LoRa RF modem
- One LoRa RF modem extendable to three LoRa RF modems with standard casing
- Incorporate LoRa (TM) bidirectional communications technology
- Modular "LoRa RF Modem" architecture :
  - 96 LoRa demodulators over 16 channels per LoRa RF Module (1x16 or 2x8 channels)
  - Extend the channels number adding modules :
    - 1 LoRa RF Module : 1x16 or 2x8 channels (single or spatial diversity or dual polarization)
    - 2 LoRa RF Modules : 2x16 channels or 2x2x8 channels (spatial diversity and/or dual polarization)
    - 3 LoRa RF Modules : 3x16 channels or 3x2x8 channels (tri-sectorization w/ or w/o dual polarization)
    - 4 LoRa RF Modules block (915 and 923 versions) : 1x64 or 2x32 channels (single or spatial diversity or dual polarization)
- More than 15km range in sub-urban situation
- More than 2km range in urban situation

Geolocalization :
- Outdoor and indoor environments
- Synchronization with GPS
- Combines RSSI and TDOA measurements
- Accuracy < 100m (70% confidence, high density coverage)

1.3.1 868 MHz module version

Capabilities:
- LoRa channels : 1x16 or 2x8 channels (single or spatial diversity or dual polarization)
- RX range: 863- 873MHz,
- TX range : 863-873MHz
- Sensitivity : up to -141 dBm
- Tx conducted power from 0dBm to +30dBm

1.3.2 923 MHz module version

Capabilities:
- LoRa channels : 1x16 or 2x8 channels (single or spatial diversity or dual polarization)
- RX range: 915- 928MHz,
- TX range : 920-928MHz
- Sensitivity : up to -141 dBm
- Tx conducted power from 0dBm to +30dBm

1.3.3 915 MHz module version

Capabilities:
- LoRa channels : 1x16 or 2x8 channels (single or spatial diversity or dual polarization), FCC Hybrid Mode
- RX range: 902- 928MHz,
- TX range : 902-928MHz
- Sensitivity : up to -141 dBm
- Tx conducted power from 0dBm to +30dBm

1.3.3 Four modules block 915 MHz version

Capabilities:
- 4 LoRa RF modules : 1x64 or 2x32 channels (single or spatial diversity or dual polarization)
- RX range: 902- 928MHz,
- TX range : 902-928MHz
- Sensitivity : up to -141 dBm
- Tx conducted power from 0dBm to +30dBm

1.3.3 Four modules block 923 MHz version

Capabilities:
- 4 LoRa RF modules : 1x64 or 2x32 channels (single or spatial diversity or dual polarization)
- RX range: 915- 928MHz,
- TX range : 920-928MHz
- Sensitivity : up to -141 dBm
- Tx conducted power from 0dBm to +30dBm

1.4 WWAN module

1.4.1 Europe/APAC bands

- PCI Express Mini Card modem
- LTE (800/900/1800/2100/2600) : cat3, DL up to 100Mbps, UL up to 50Mbps
- HSPA/UMTS (850/900/1900/2100MHz) : DL up to 42Mbps (cat 24) , UL up to 5,76Mbps (cat 6)
- EDGE (850/900/1800/1900MHz) : UL/DL up to 236.8Kbps
- GPRS (850/900/1800/1900MHz) : UL/DL up to 85.6Kpbs
- IMEI inside
- External LTE (700-2700MHz) antenna with 5m coaxial cable (integrated antenna for compact version)
- Back-up battery : up to about 1 minute allowing safe powerdown of the product

1.4.1 Americas bands

- PCI Express Mini Card modem
- LTE (700/850/1700/1900/2100) : cat3, DL up to 100Mbps, UL up to 50Mbps
- CDMA (800/1900) : up to 3.1Mbps
- HSPA/UMTS (850/900/1700/1900/2100MHz) : DL up to 42Mbps (cat 24) , UL up to 5,76Mbps (cat 6)
- EDGE (850/900/1800/1900MHz) : UL/DL up to 236.8Kbps
- GPRS (850/900/1800/1900MHz) : UL/DL up to 85.6Kpbs
- IMEI inside
- External LTE (700-2700MHz) antenna with 5m coaxial cable (integrated antenna for compact version)
- Back-up battery : up to about 1 minute allowing safe powerdown of the product

2. Mechanical

2.1 Standard casing

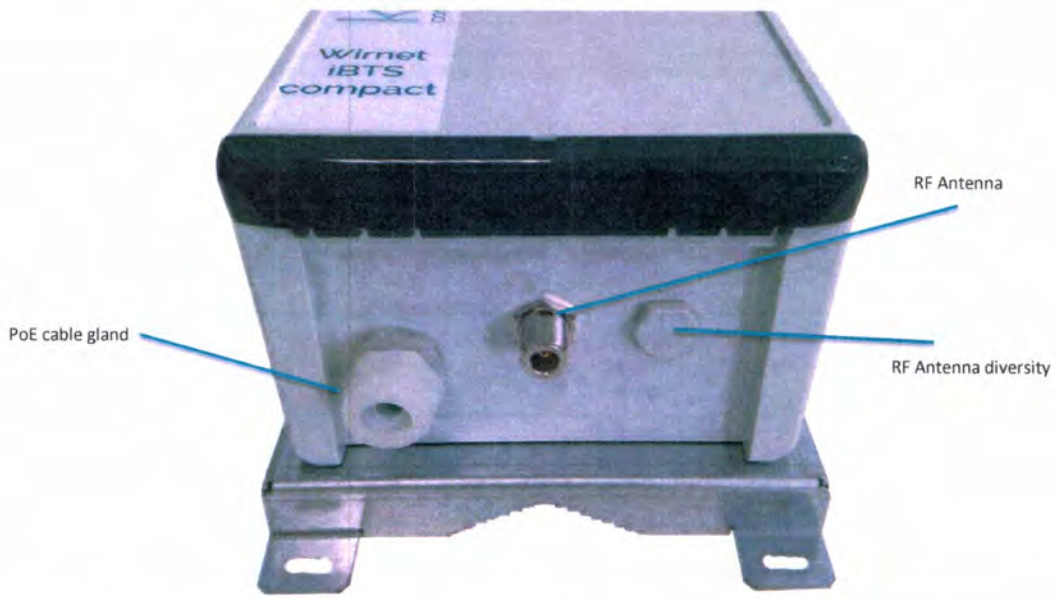
- Aluminium enclosure
- Dimensions : 295 x 317 x 125 mm (including mounting kit)
- Weight :
  - with one LoRa RF modem : about 6,2Kg (including mounting kit)
  - with three LoRa RF modems: about 7,2Kg (including mounting kit)
- Connectors :
  - One PoE cable gland
  - RF connectors : one for GPS (GNSS), one for WWAN (LTE/HSPA/GSM) - N type
  - LoRa RF connectors : from one up to six, depending on the configuration - N type
  - Three spares

External connectors:

2.2 Compact casing

- Polycarbonate enclosure
- Dimensions : 357 x 189 x 150 mm (including mounting kit)
- Weight : about 3Kg (including mounting kit)
- Connectors :
  - One PoE cable gland
  - LoRa RF connectors : one (single antenna configuration) or two (diversity configuration) - N type

External connectors:



2.3 Mounting

The provided mouting kit allows three different mounting options :
- Wall mounting by screwing
- Pole mounting by U-bolt (max diameter : 76mm for standard version and 60mm for compact version)
- Metallic strapping mounting (tube, pipe, flue...)

Specific mouting kits are provided with antennas :
- LoRa antenna bracket (wall mount, pole mount, metallic strapping)
- GNSS and WWAN antenna bracket for standard casing (wall mount, pole mount with U-bolt, metallic strapping)

2.4 Environmental

- Full operating range : -20°C to +55°C
- Humidity : 95%, non condensing (protective vent)
- Ingress protection : IP66
- Impact resistance : IK08
- UV resistance : UL508
- Flammability rating : UL94-V0

3. Software key features

3.1 Operating system

- Based on Yocto/Poky 2.1
- Standard Long Term Support Linux version 3.14
- File system : EXT4, Squashfs
- Support of all GNU/Linux tools (cross-compiled for ARM)
- TCP/IP BSD4.4 socket on network bearer

3.2 Software packages included (non-exhaustive)

- Embedded Base Station Controller (BSC)
- LoRa packet Forwarder
- LoRa test tools
- Python
- Busybox
- Ntp

Networking :

- DHCP client
- SSH server
- Firewalling (iptables) and IP routing (layer 3)
- OpenVPN
- IPSEC (Strongswan)
- Connman

3.2 Software security

- Secure boot (software authentication and integrity control) relying on an hardware secure core
- Critical information storage (private keys, certificates...) inside an hardware secure core
- Critical software execution protection (encryption, decryption,) relying on a Trust zone embedded inside an hardware secure core
- Firewall
- Read Only file system preventing unexpected file system coruption
- Software auto-recovery mechanism to protect against software update failure
- Secured firmware upgrade (usb key or over the air)

3.3 BSC services

BSC (Base Station Controller) interfaces are relying on standard SNMP (v2c) protocol and provide the following services :

- Alarm notifications
- Firmware upgrade
- File transfer
- Remote shell control
- Configuration
- Monitoring (platform statistics, RF statistics, RF spectrum analyzer...)

The BSC interface is securized through an SSL tunnel (openVPN)

3.4 Software development tools

- C/C++ Linux cross compilation toolchain based on GNU tools (GCC 5.3.0, Glibc 2.23)
- On-line wiki

Optional

- Debug probe

4. Certifications (according to Radio module frequency)

- R&TTE 1999/5/EC Directive until June 15th 2016 and the RED 2014/53/EU directive from June 16th 2016
- Electromagnetic compatibility (article 3.1-b of the directive)

EN 301 489-1	issue 1.9.2
EN 301 489-3	issue 1.4.1
EN 301 489-7	issue 1.3.1
EN 301 489-19	issue 1.2.1

- Efficient use of the radio frequency spectrum (article 3.2 of the directive)

EN 301 511	issue 9.0.2
EN 301 908	issue 6.2.1
EN 300 440-1	issue 1.5.1
EN 300 440-2	issue 1.3.1
EN 300 220-1	issue 2.4.1
EN 300 220-2	issue 2.4.1

Category 2 receiver according to the EN 300 220-1

- Safety (article 3.1-a of the directive)

EN/IEC 60 950-1	(ed. 2006 /A11: 2009/A1: 2010/A12:2011)
EN/IEC 60 950-22

FileNo. J-22022/01/2017-RLO(SR)/6613 Date 26-10-2018

ETA Certificate No: ETA - 1373/2017-RLO(SR) On-Line ID 2018118229

Equipment Type Approval is hereby granted for under mentioned equipment for operation with following parameters/conditions:

I. Details of Applicant and parameters of Equipment:

1. Name and address of the Applicant	Melange Systems Pvt. Ltd. #4/1, 7th Cross, Kumara Park Street West Bangaluru-20
2. Equipment	RF Module
3. Model No.	SM20LR03
4. Manufactured by	Melange Systems Pvt. Ltd. #4/1, 7th Cross, Kumara Park Street West Bangaluru-20.
5. Frequency Range (MHz)	865 - 867 MHz
6. Max. Output Power	18.614 dBm
7. Modulation	LoRa
8. Remarks	**This ETA is for RF Module avaible in the above equipment operating in above frequecy band. This is not Import license, seperate import license is required for Import.**

II. Conditions:

1. This approval will not be valid in case any change in the above parameters and not confirming to the notification mentioned in condition No. 7.
2. Use of such equipment has been exempted from licensing requirement vide Gazette Notification mentioned in condition No. 7, on Non-interference, Non-protection and Sharing (Non-exclusive) basis.
3. Use of such equipment in case not confirming to above notification will require a specific wireless operating license from this Ministry.
4. Use of such equipment is also subject to the applicability/fulfillment of the specific service license as required from the Central Government.
5. For the import of these equipments, a separate Import License is required from respective RLOs of WPC Wing.
6. Application shall ensure that the frequency bands other than the mentioned above in this certificate should be blocked by the Manufacturer before importing them to India.
7. This is the clearance from technical angle only.The use of the equipment is regulated by the following Gazettel Notification(s):
   a) GSR 564 (E) Dated 30.07.2008.

1. Introduction

Tata Communications (TC) is a global company with its roots in the emerging markets. Headquartered in Mumbai and Singapore, Tata Communications has evolved from a wholesale service provider serving the Indian market to a leading provider of A New World of Communications™ to enterprise Projects and service providers worldwide.

Streetlights are among a city's strategic assets, providing safe roads, inviting public areas, and enhanced security in homes, businesses, and city centers. However, they're usually very costly to operate, and they use in average 40% of a city's electricity spending. As the cost of electricity continues to rise and as wasting energy is a growing concern for public and authorities, it's becoming crucial that municipalities, highway companies and other streetlight owners deploy control systems to manage dim the lights at the right light level at the right time, to automatically identify lamp and electrical failures and enable real time control

Tata Communication came up with a Street Light Monitoring & Control Application, as an automated system designed to automatically control switching of street lights. Smart lighting provides remote lighting control that can better adjust the amount of time the lights are turned on to minimize energy costs without sacrificing public safety. Smart lighting can also significantly reduce street light maintenance costs and simplifies asset management

2. Purpose

Purpose of this document is to cover the activities which Customer Admin users should be performing in this application.

Below are the functionalities which Customer Admin should be doing in the application

a) View Customer details

b) View Customer Admin Users

c) Edit Customer Admin Users

d) View Project Configuration details

e) Add Project Configuration details

f) Edit Project Configuration details

g) Project Level User Managements

h) View Project Configuration

i) Add Project Configuration

j) Edit Project Configuration

k) Roles & Permissions

l) User Activity Tracking

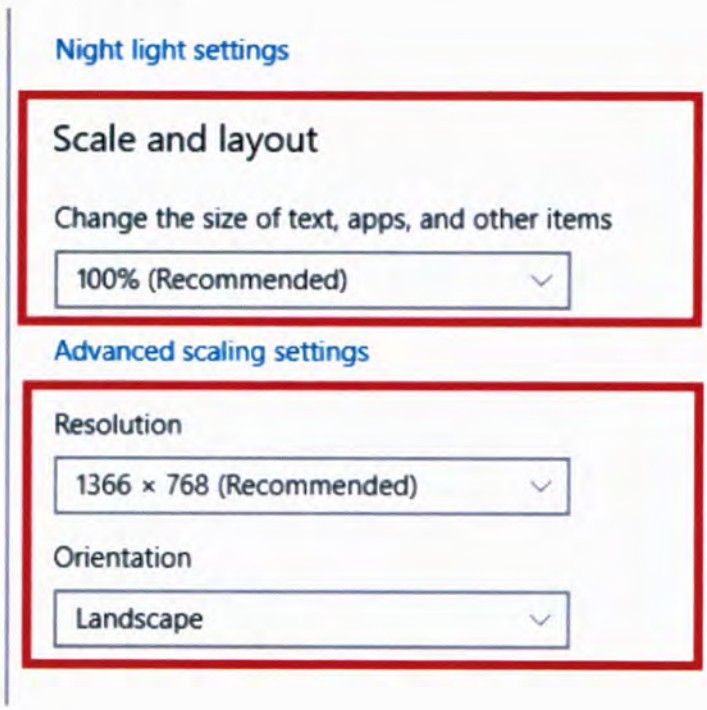
m) Reach Us

3. General Information

3.1 System Requirements

Browser Compatible
Google Chrome - Version 71.0.3578.98

Display Settings



4. Getting Started

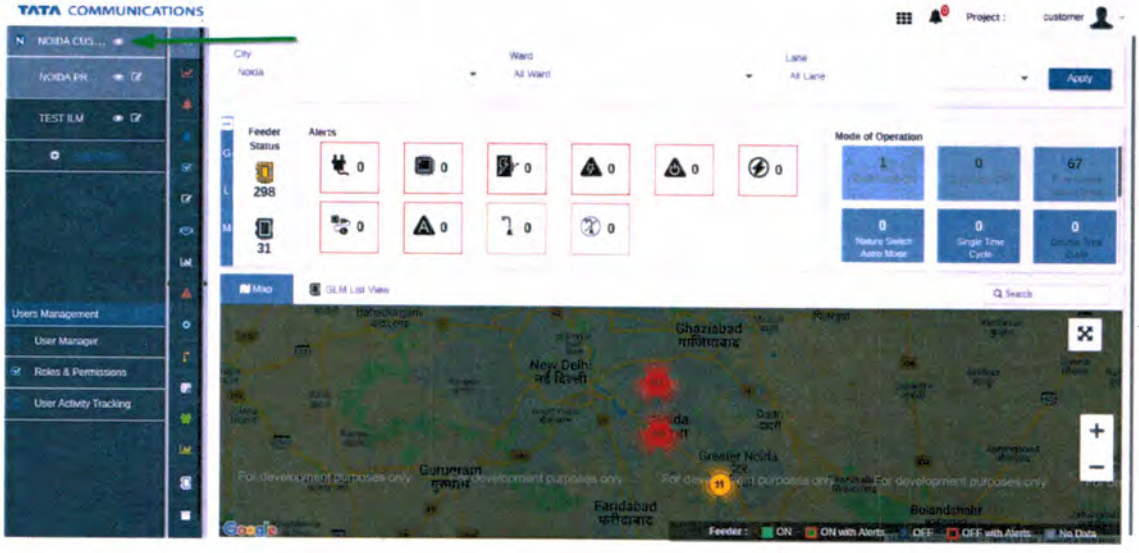
4.1 Customer Configuration

Application will provide the functionality where user can manage the customer for which person is the customer admin.

4.1.1 View Customer

Follow below steps to View Customer in the application

a) Login into the application if not logged in. (User must be Customer Admin)
b) Expand Customer Configuration Panel
c) Click on the "View Customer" item in "Common Action" section of the Customer Panel



4.2 Customer Level User Management

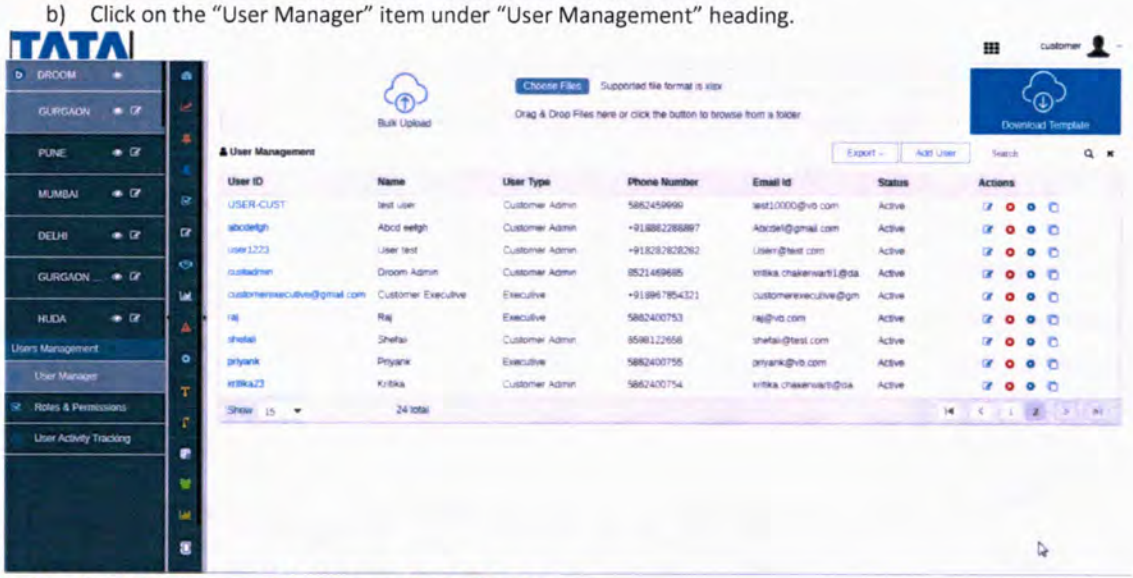
This functionality will allow to create/edit customer admins for this customer. With the help of this module, other customer admin users can be created and managed.

4.2.1 View Customer Admin users available for a Customer

Below are the steps to see all the Customer Admin users available for a Customer

a) Expand Customer Configuration Panel (if not in expanded mode)

b) Click on the "User Manager" item under "User Management" heading.



4.2.2 Add Customer Admin user for a Customer

Below are the steps to add Customer Admin user for a Customer

a) Expand Customer Configuration Panel (if not in expended mode)

b) Click on the "User Manager" item under "User Management" heading

c) Click on the "Add User" button

Enter details of the Customer Admin User

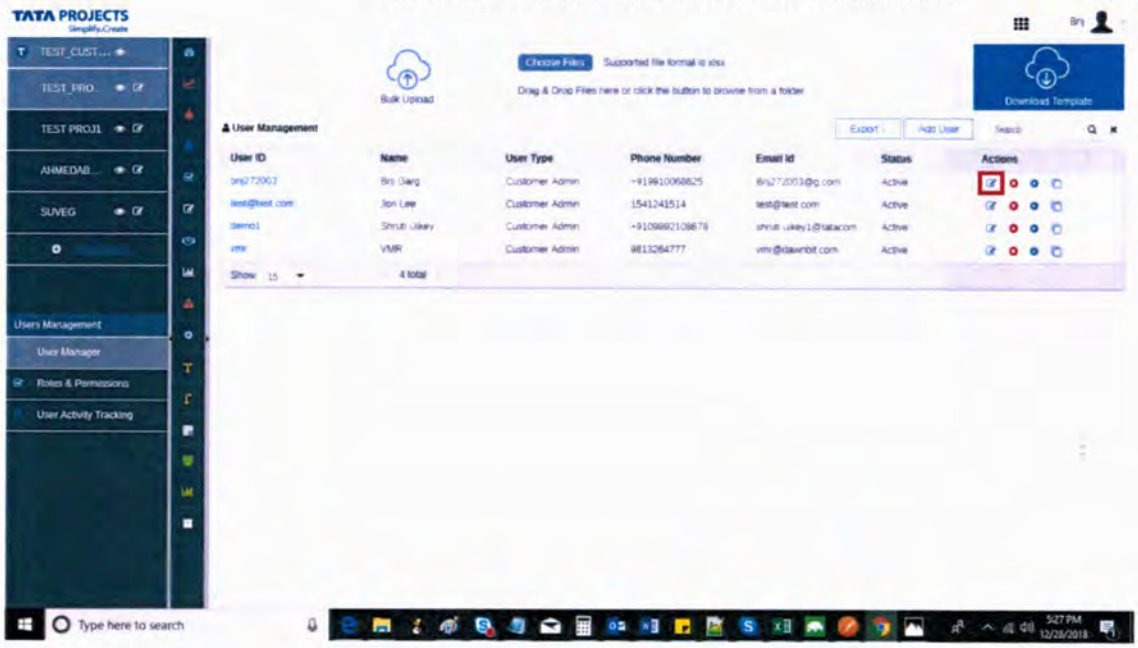
I. User ID – Customer Admin User Id (Mandatory field)
II. User Type (Customer Admin) (Mandatory field)
III. Roles – System level roles will be available by default (Mandatory field)
IV. First Name – first name of the customer admin (Mandatory field)
V. Last Name – last name of the customer admin
VI. Phone Number – contact number of the customer admin (Mandatory field)
VII. Email Id – email id of the customer admin (Mandatory field)
VIII. Password (Mandatory field)
IX. Confirm password (Mandatory field)

d) Click on "Save" button.

4.2.3 Edit Customer Admin user for a Customer

Below are the steps to edit Customer Admin user for a Customer

a) Expand Customer Configuration Panel (If not in expanded mode)
b) Click on the "User Manager" item under "User Management" heading.
c) Click on the Edit icon in the Actions column for a customer which needs to be edited



d) Edit details and click on Save button.

Note:

- User Id cannot be edited
- User Type cannot be edited

4.3 Project Configuration

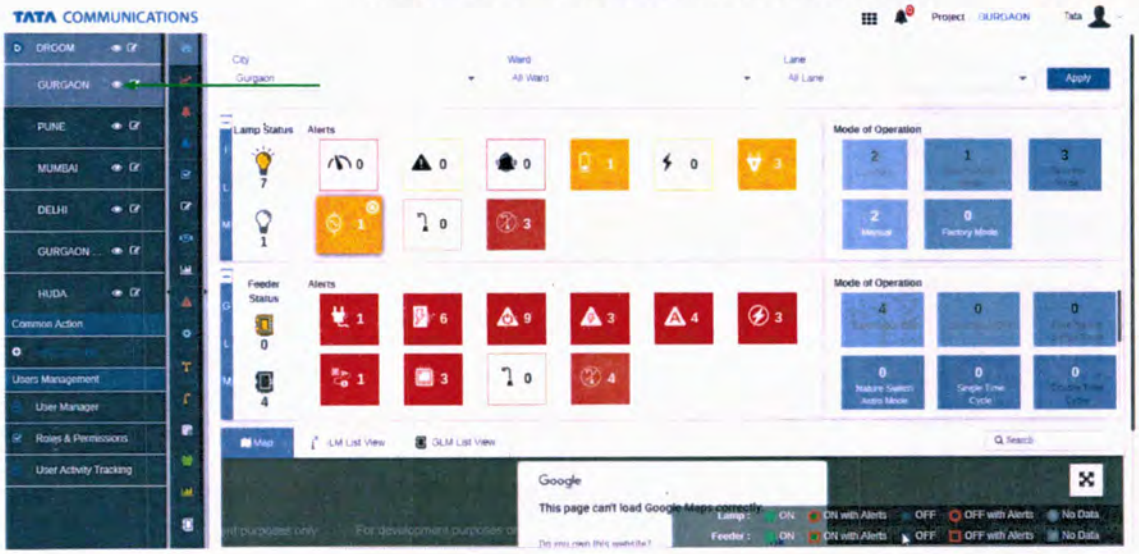
Application will provide the functionality where user can manage the Project for which person is the Customer admin.

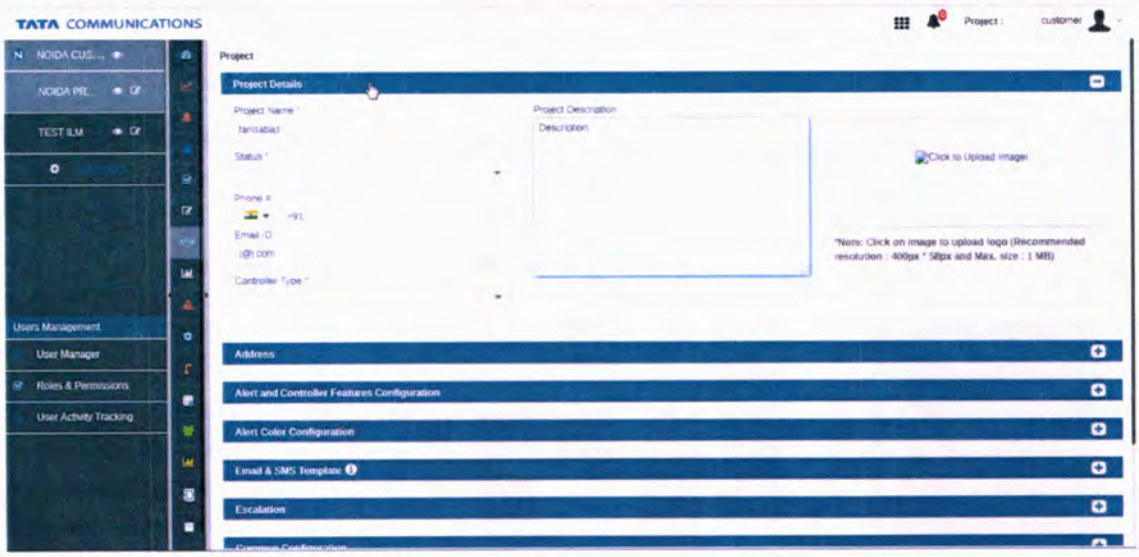
4.3.1 View Project

Follow below steps to View Project in the application

a) Login into the application if not logged in. (User must be Customer Admin)
b) Expand Project Configuration Panel
c) Click on the "View Project" item in "Common Action" section of the Project Panel

TP LUMINAIRE PRIVATE LIMITED





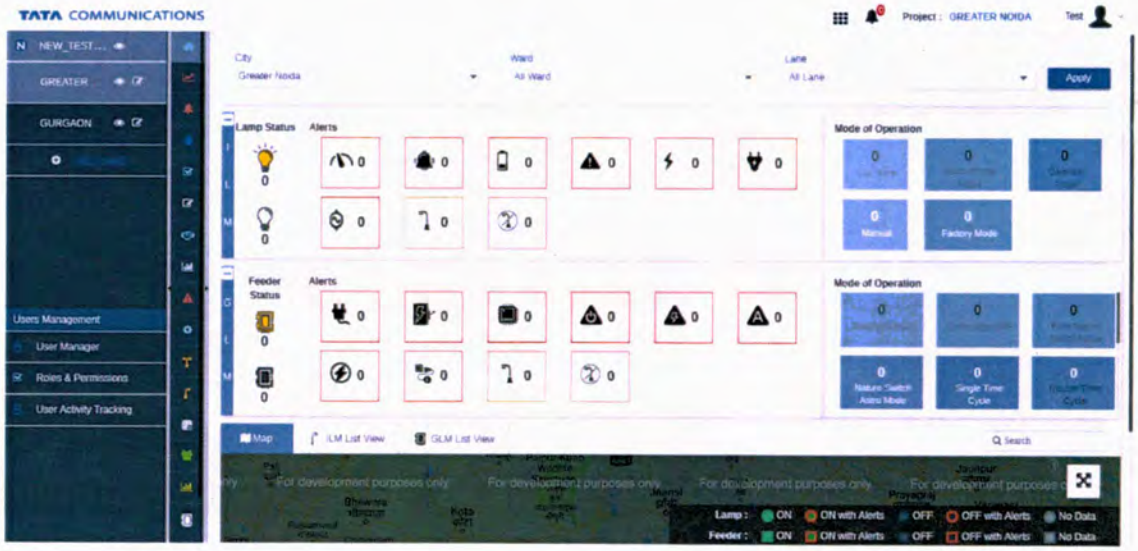
d) Explore the project details

4.3.2 Add Project

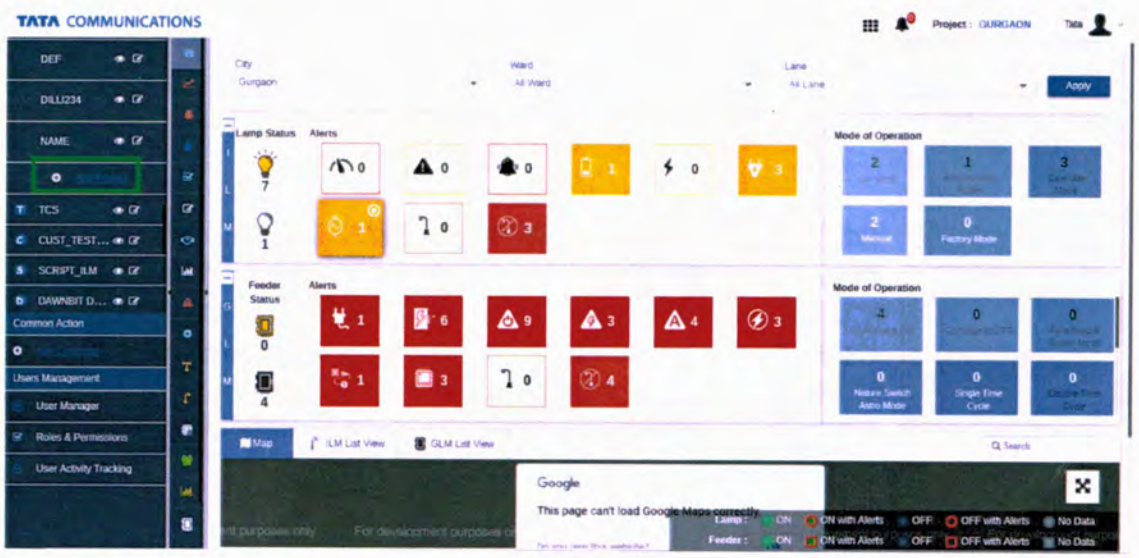
Follow below steps to Add Project in the application

a) Login into the application if not logged in. (User must be Customer Admin)

b) Expand Project Configuration Panel



c) Click on the "Add Project" item in "Common Action" section of the Project Panel



a) Enter following details in "Project Details" section
   - Project Name (It must be unique name)
   - Project Description
   - Status (Commission will be the default status)
   - Project Office Contact Number
   - Project Office email address
   - Controller Type (Select all type of devices to be given to this project)
   - Logo (by default Customer logo will be applicable, but it can be changed)

b) Enter "Address" details in Address section
   - Address
   - City
   - State
   - Country
   - Zip Code
   - Latitude of the project location
   - Longitude of the project location

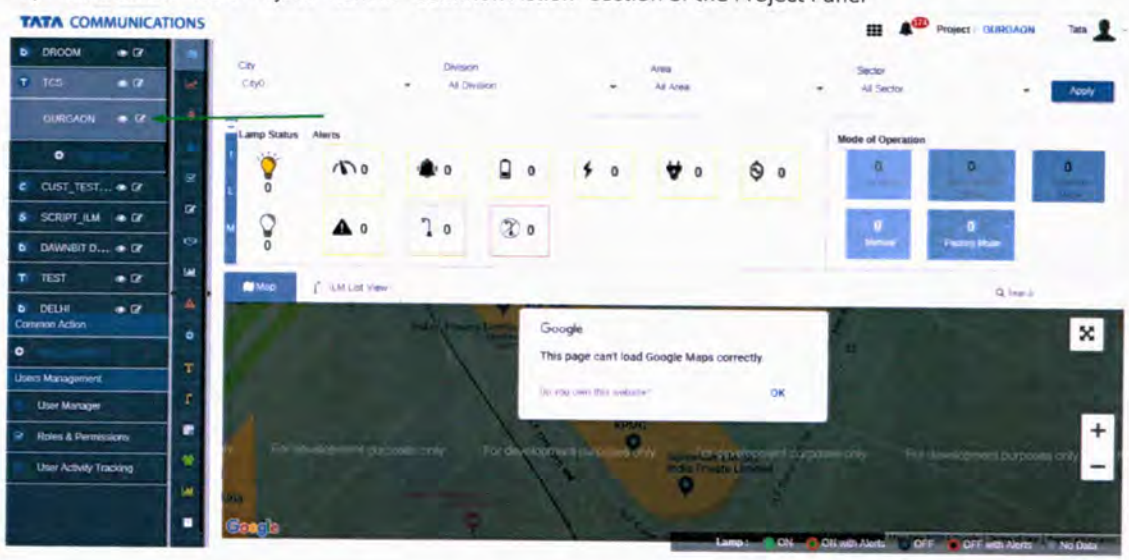
c) Enter "Alert and Controller Features Configuration"
   - GPS Enabled (Select if devices are GPS enabled)
   - Metering and Real Time On & OFF will always be selected
   - Select the Alerts which are allowed and subsequently marked them for critical
   - SMS Notification (Select if this feature is to be given to the project)
   - Email Notification (Select if this feature is to be given to the project)
   - Long Non-Communicable (enter minutes here beyond which if application does not get any packet from the device, device will be tagged as Long Non-Communicable)
   - Short Non-Communicable buffer (enter minutes here beyond which if application does not get any packet from the device, device will be tagged as Short Non-Communicable)
   - Downlink for Non-Communicable (If selected, before tagging device as Non-Communicable, downlink will be triggered. If packet received, then device will not be tagged as Non-Communicable)
   - Waiting Time for Downlink Response (mins) (buffer period for which application needs to wait for the response of the Non-Communicable check downlink)

d) Select different colours to present various alert conditions in the application in "Alert Colour Configuration" section.

e) Select one email and one SMS template for each kind of alert in "Email & SMS Template" section.
f) Enter phone number (s) and email (s) address to whom alerts need to be escalated in Escalation section
g) Enter following fields in "Common Configuration" section
   - Cost Per Unit (Default value will be Rs 6)
   - Number of users to be allowed (maximum number of users which a project can have) **[Configurable by Super Admin only.]**
   - Maximum number of GLM devices to be allowed (enter the number of devices which will be given to the project)**[Configurable by Super Admin only]**
   - Uplink message prefix(mandatory) **[Configurable by Super Admin only]**
h) Click on the Save button.

4.3.3 Edit Project

Follow below steps to Edit Project in the application
a) Login into the application if not logged in. (User must be Customer Admin)
b) Expand Project Configuration Panel
c) Click on the "Edit Project" item in "Common Action" section of the Project Panel



Note: Below mentioned fields are configurable only by Super Admin User.
- No. Of Users to be allowed
- No. Of GLM devices to be allowed
- Uplink message prefix

4.4 Project Level User Management

This functionality will allow to create/edit Project admins for this Project. With the help of this module, other Project admin users can be created and managed.

4.4.1 View Project Admins users available for a Project

Below are the steps to see all the Project Admin users available for a Project
c) Expand Project Configuration Panel (if not in expanded mode)
d) Click on the "User Manager" item under "User Management" heading.

4.4.2 Add Project Admin user for a Project

Below are the steps to add Project Admin user for a Project

e) Expand Project Configuration Panel (if not in expanded mode)

f) Click on the "User Manager" item under "User Management" heading.

g) Click on the "Add User" button

Enter details of the Project Admin User

- User ID – Project Admin User Id (Mandatory field)
- User Type (Project Admin) (Mandatory field)
- Roles – System level roles will be available by default (Mandatory field)
- First Name – first name of the Project admin (Mandatory field)
- Last Name – last name of the Project admin

- Phone Number – contact number of the Project admin (Mandatory field)
- Email Id – email id of the Project admin (Mandatory field)
- Password (Mandatory field)

X. Confirm password (Mandatory field)

h) Click on "Save" button.

4.4.3 Edit Project Admin user for a Project

Below are the steps to edit Project Admin user for a Project

a) Expand Project Configuration Panel (If not in expanded mode)

b) Click on the "User Manager" item under "User Management" heading.

c) Click on the Edit icon in the Actions column for a Project which needs to be edited

d) Edit details and click on Save button.

Note:

1. User Id cannot be edited
2. User Type cannot be edited

4.4.4 Add Role & Assign Permissions

Below are the steps to create a role and assign different permissions to that role

a) Login into the application as a Customer Admin if not logged in.
b) Expand the "Project Configuration Panel" (if not in expanded Mode)
c) Click on the "Roles & Permissions" menu item given under "User Management".

d) Click on "Create Role" button on the "Roles & Permissions" user interface.
e) Enter following details
   - Role Name (Mandatory field)
   - Role Description
   - Select Projects where we want to assign this role.
   - Select permissions for different modules.

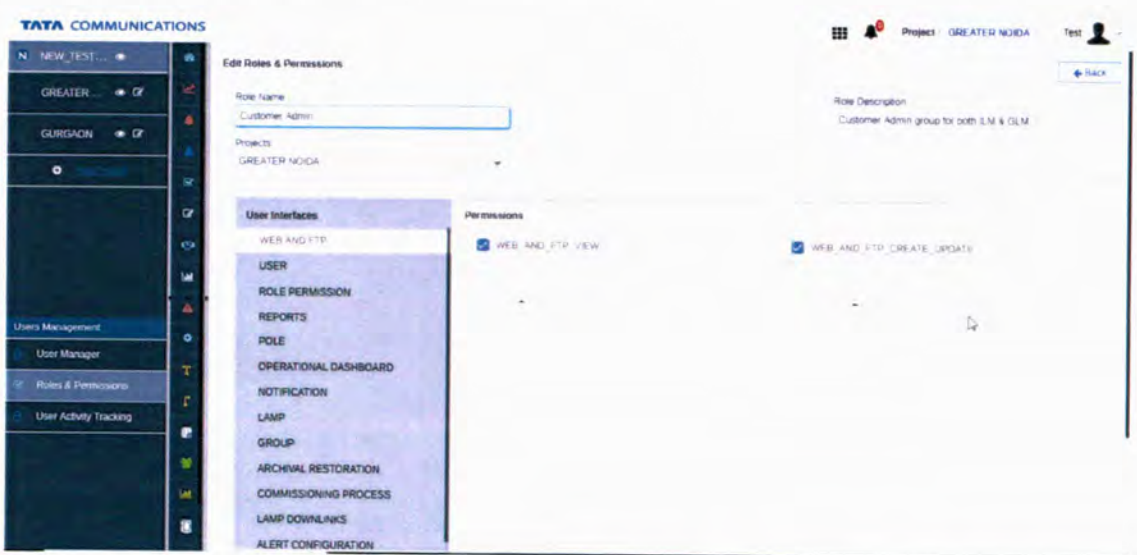
f) Click on "Save" button to save this new role.

Note: Roles created at this Project level will be available for this Project only.

4.4.5 Edit Role & Assign Permissions

Below are the steps to edit a role and assign different permissions to that role

a) Login into the application as a Customer Admin if not logged in.
b) Expand the "Project Configuration Panel" (if not in expanded Mode).
c) Click on the "Roles & Permissions" menu item given under "User Management".
d) Click on the "Edit" action for the role which needs to be edited.
e) Edit details/ Change permissions.
f) Click on the Save button.

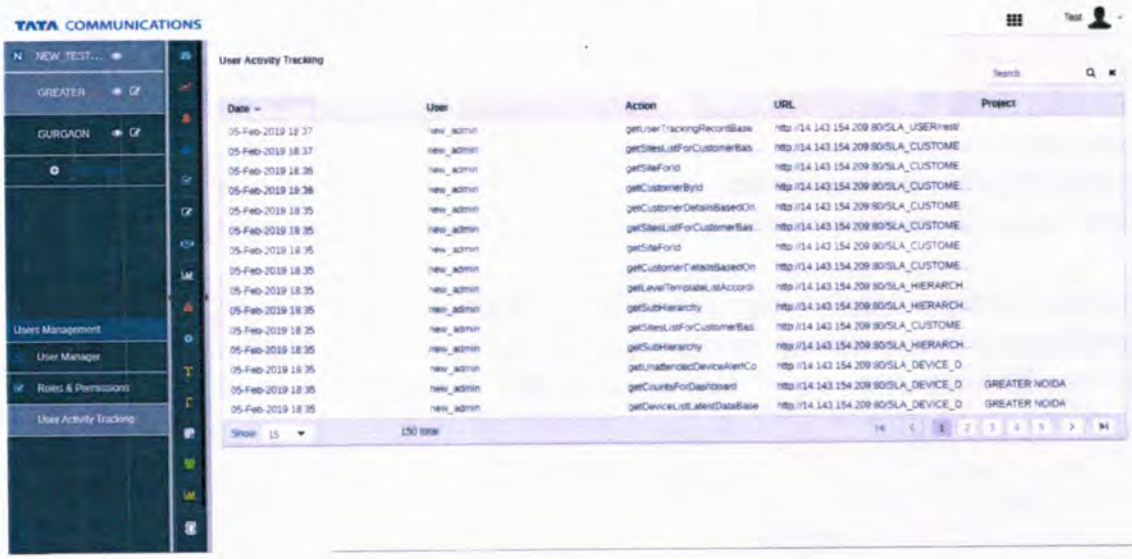


Note:

- Permissions of the role can be changed even when role has already been assigned to users.
- Role Name cannot be edited.
- Roles created at the System level cannot be edited at Project level. These roles can be assigned to different Projects of this Project.

4.5 User Activity Tracking

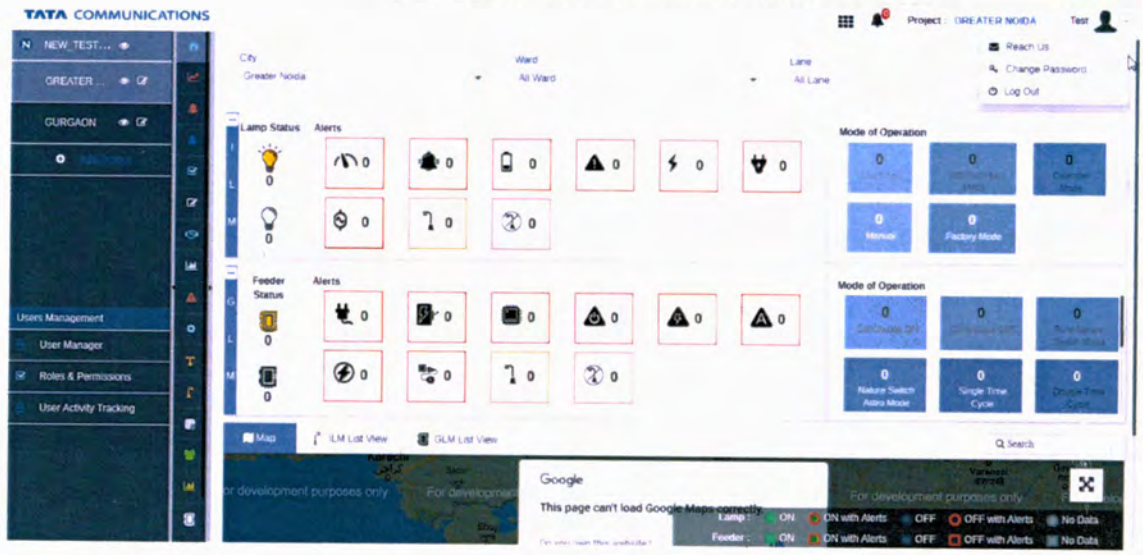
This module will be used by Customer admin to track the activity of other Project admin users.
Click on the "User Activity Tracking" menu item under "User Management" heading.

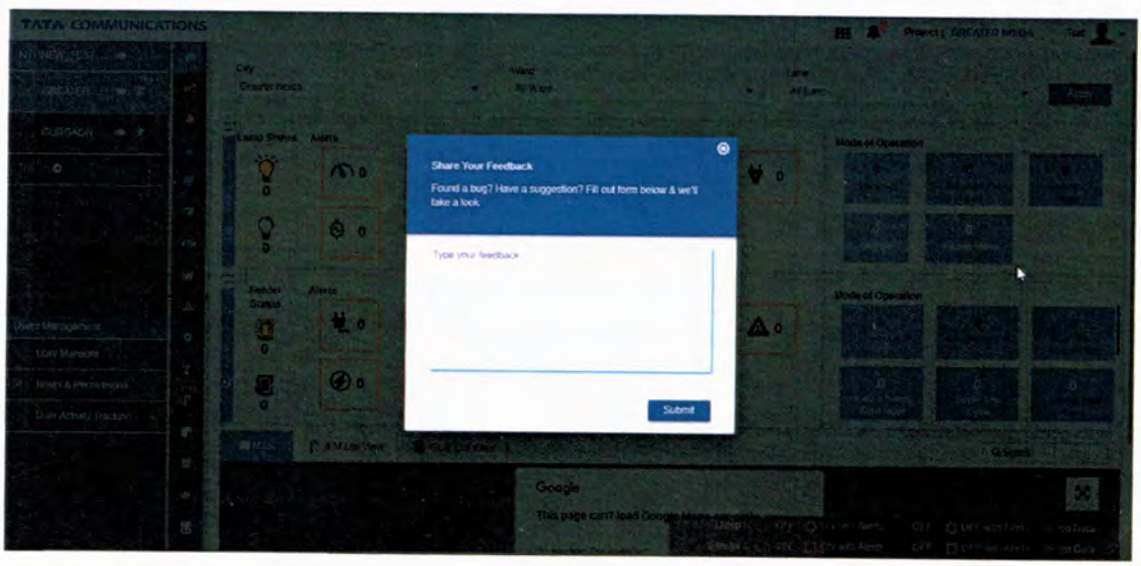


4.6 Reach Us

Users of the application (Project users), can share their feedback, concerns or queries by raising an incident. Once raised by users, super admin can see the raised incidents in the application.
Below are the steps to raise the incident by Customer Admin

a) Login into the application as a Customer Admin user (if not logged in)
b) Go To right top corner. Observe downwards arrow and on hover, menu list will be opened. Click on "Reach Us" item.





Type your feedback/concern and click on the submit button.

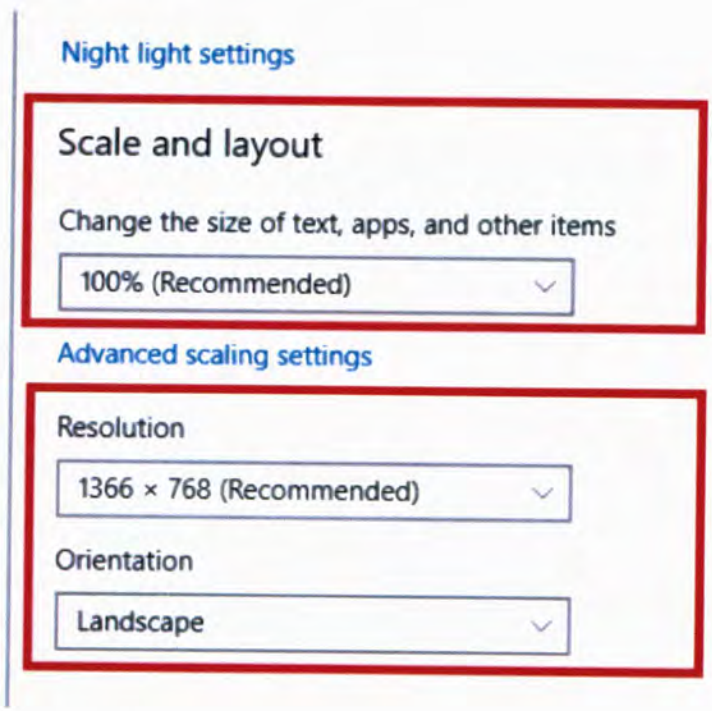
Display Settings



4. Getting Started

4.1 Customer Configuration

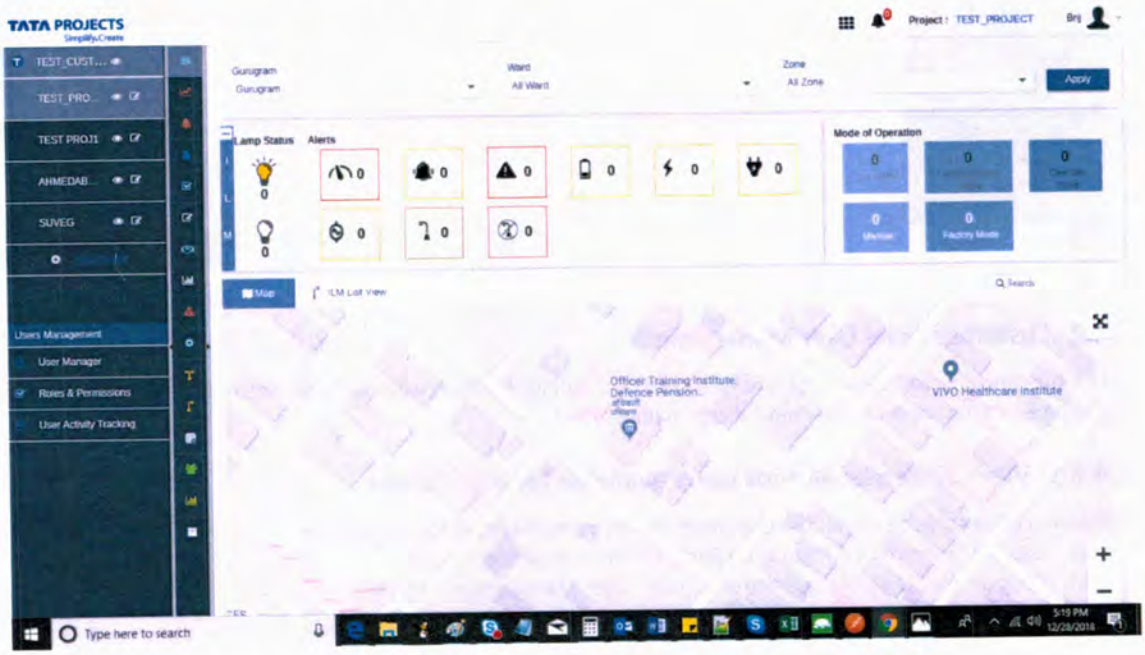
Application will provide the functionality where user can manage the customer for which person is the customer admin.

4.1.1 View Customer

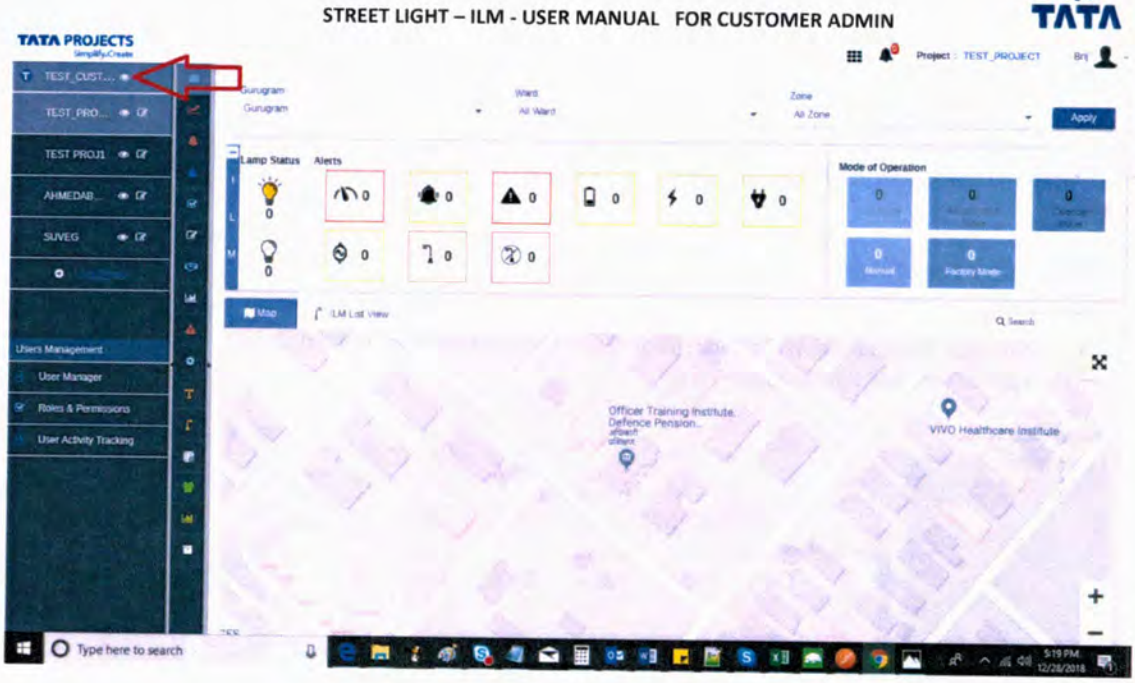
Follow below steps to View Customer in the application

a) Login into the application if not logged in. (User must be Customer Admin)

b) Expand Customer Configuration Panel



c) Click on the "View Customer" item in "Common Action" section of the Customer Panel



4.2 Customer Level User Management

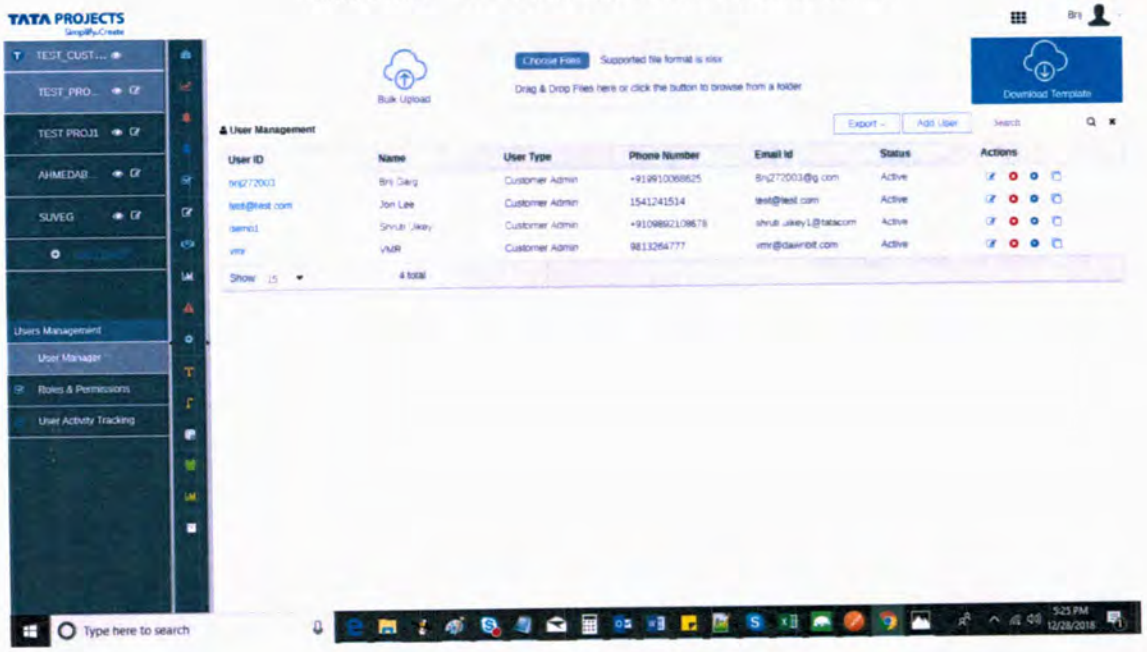
This functionality will allow to create/edit customer admins for this customer. With the help of this module, other customer admin users can be created and managed.

4.2.1 View Customer Admins users available for a Customer

Below are the steps to see all the Customer Admin users available for a Customer

a) Expand Customer Configuration Panel (if not in expanded mode)
b) Click on the "User Manager" item under "User Management" heading.

TP LUMINAIRE PRIVATE LIMITED

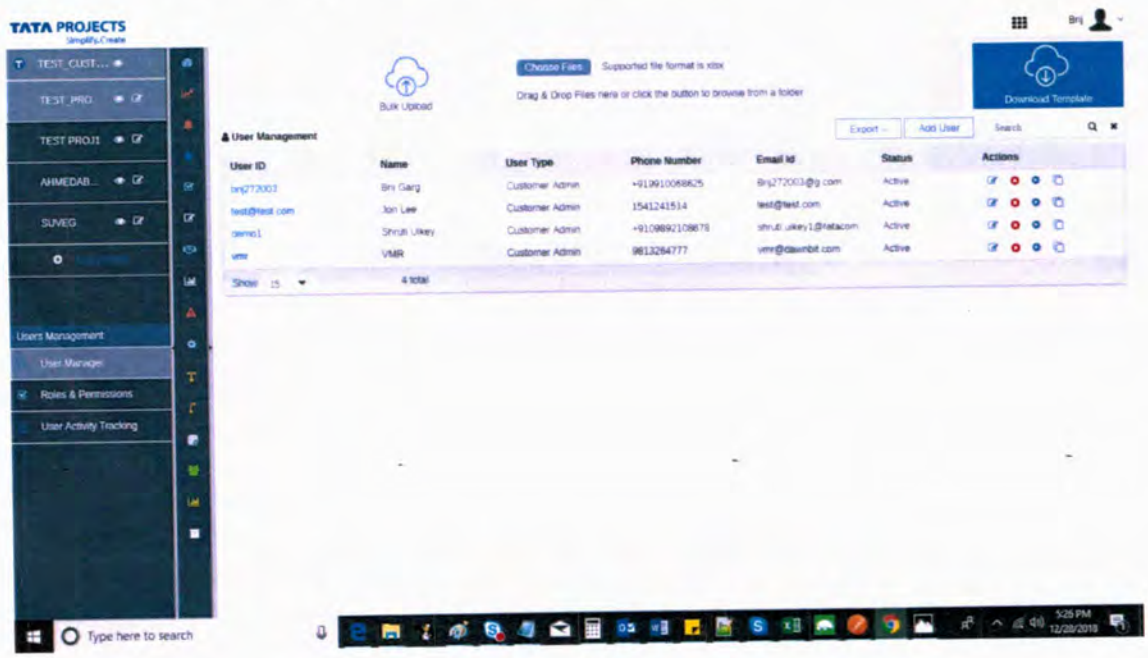


4.2.2 Add Customer Admin user for a Customer

Below are the steps to add Customer Admin user for a Customer

a) Expand Customer Configuration Panel (if not in expended mode)

b) Click on the "User Manager" item under "User Management" heading.



c) Click on the "Add User" button

Enter details of the Customer Admin User

I. User ID – Customer Admin User Id (Mandatory field)

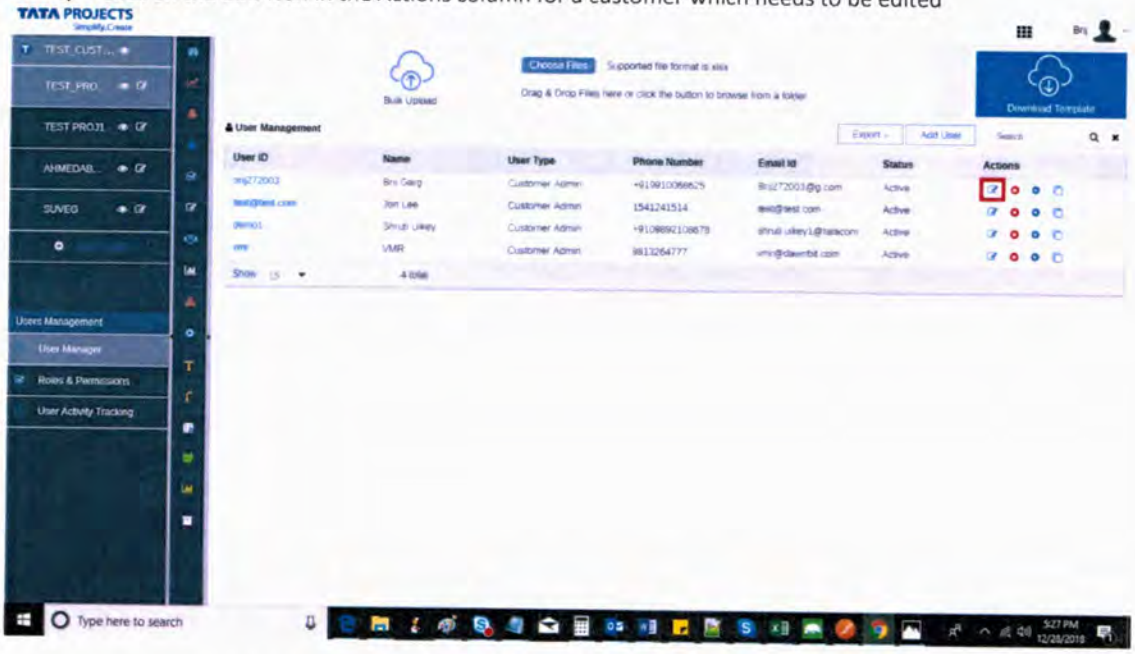
II. User Type (Customer Admin) (Mandatory field)
III. Roles – System level roles will be available by default (Mandatory field)
IV. First Name – first name of the customer admin (Mandatory field)
V. Last Name – last name of the customer admin
VI. Phone Number – contact number of the customer admin (Mandatory field)
VII. Email Id – email id of the customer admin (Mandatory field)
VIII. Password (Mandatory field)
IX. Confirm password (Mandatory field)

d) Click on "Save" button.

4.2.3 Edit Customer Admin user for a Customer

Below are the steps to edit Customer Admin user for a Customer

a) Expand Customer Configuration Panel (If not in expended mode)
b) Click on the "User Manager" item under "User Management" heading.
c) Click on the Edit icon in the Actions column for a customer which needs to be edited



d) Edit details and click on Save button.

Note:

1. User Id cannot be edited
2. User Type cannot be edited

4.3 Project Configuration

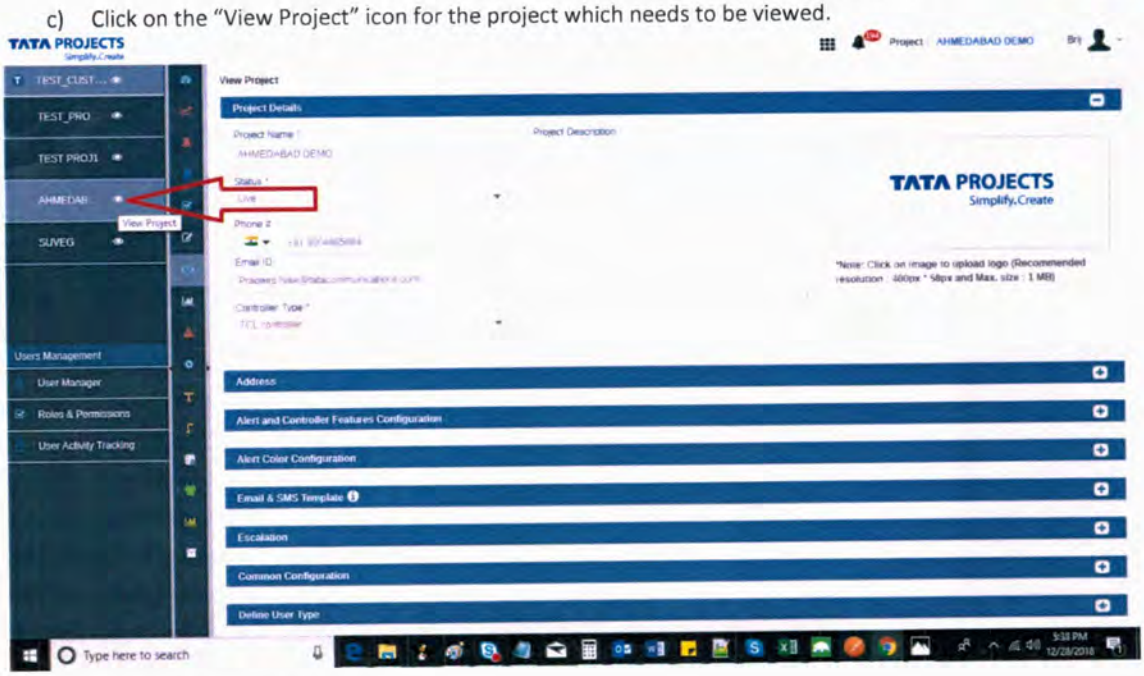
Application will provide the functionality to configure and manage projects for a customer.

4.3.1 View Project

Follow below steps to view project for a Customer

a) Login into the application as a Customer Admin if not logged in.
b) Expand the "Customer Configuration Panel" (if not in expended Mode)

c) Click on the "View Project" icon for the project which needs to be viewed.



d) Explore the project details.

4.4 Roles & Permissions

Each user in the application will be assigned a role and will be given desired access rights that is required for him/her to perform their designated action in the application.

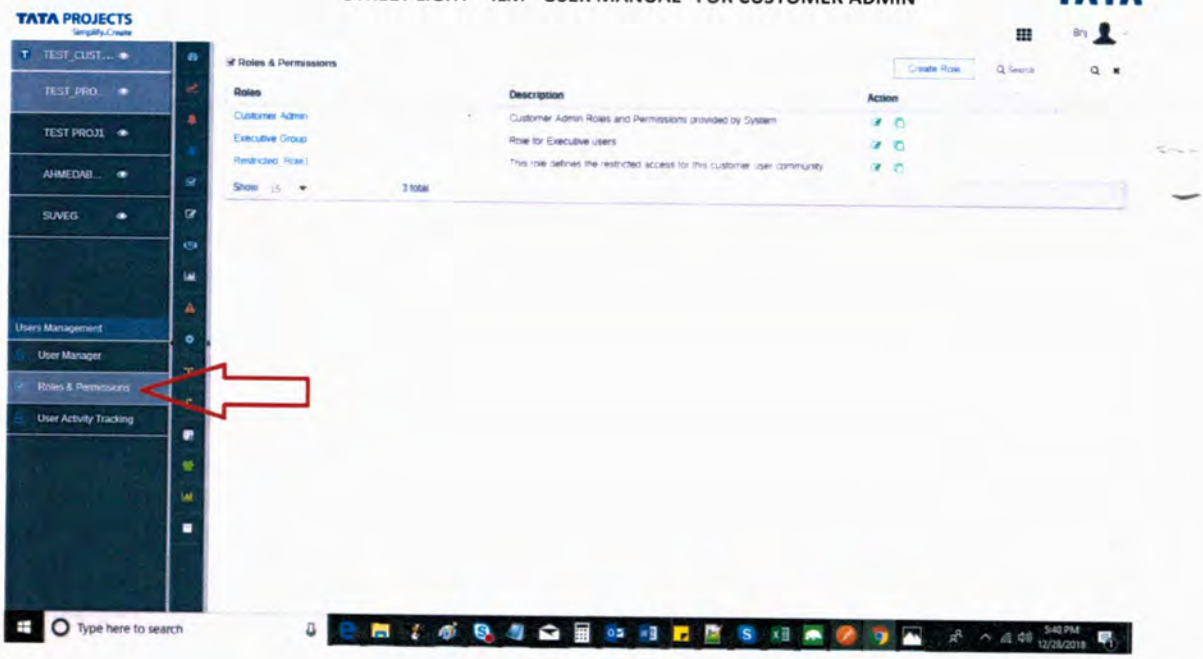
Application provides the functionality where Super Admin can create various kind of roles at the system level. These roles will be available for all the customers and projects of those customers.

Customer Admin user can also create their own set of roles and permissions. These set of roles and permissions will be applicable for this customer and projects of this customer only.

4.4.1 Add Role & Assign Permissions

Below are the steps to create a role and assign different permissions to that role

a) Login into the application as a Customer Admin if not logged in.
b) Expand the "Customer Configuration Panel" (if not in expended Mode)
c) Click on the "Roles & Permissions" menu item given under "User Management".



d) Click on "Create Role" button on the "Roles & Permissions" user interface.

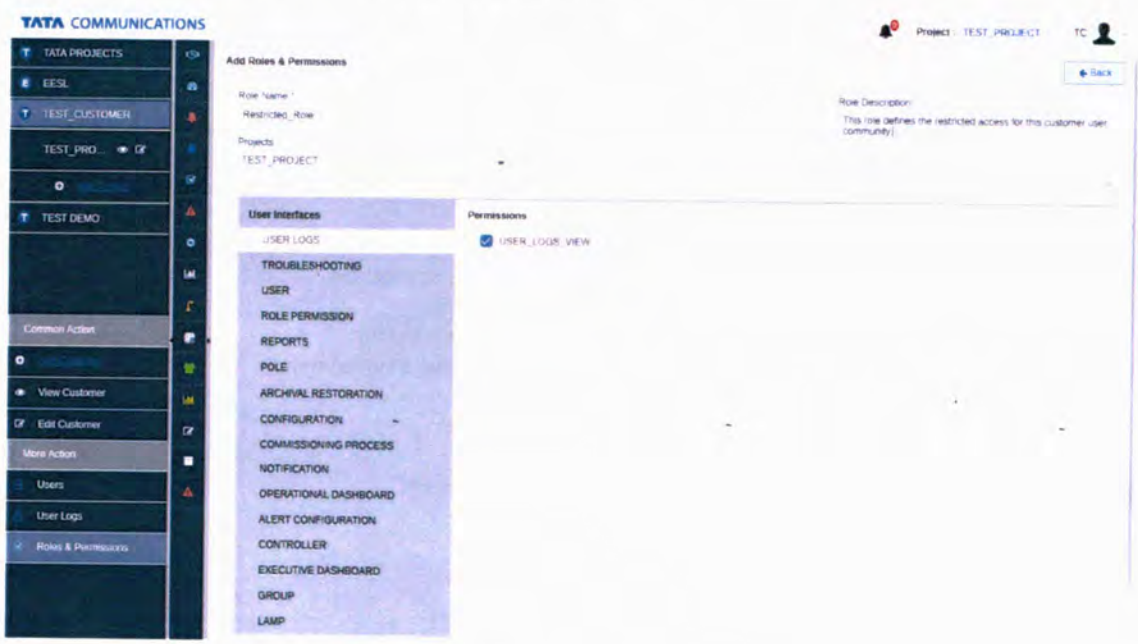
e) Enter following details

I. Role Name (Mandatory field)

II. Role Description

III. Select Projects where we want to assign this role.

IV. Select permissions for different modules.



f) Click on "Save" button to save this new role.

Note: -

I. Roles created at this customer level will be available for this customer only.

4.4.2 Edit Role & Assign Permissions

Below are the steps to edit a role and assign different permissions to that role

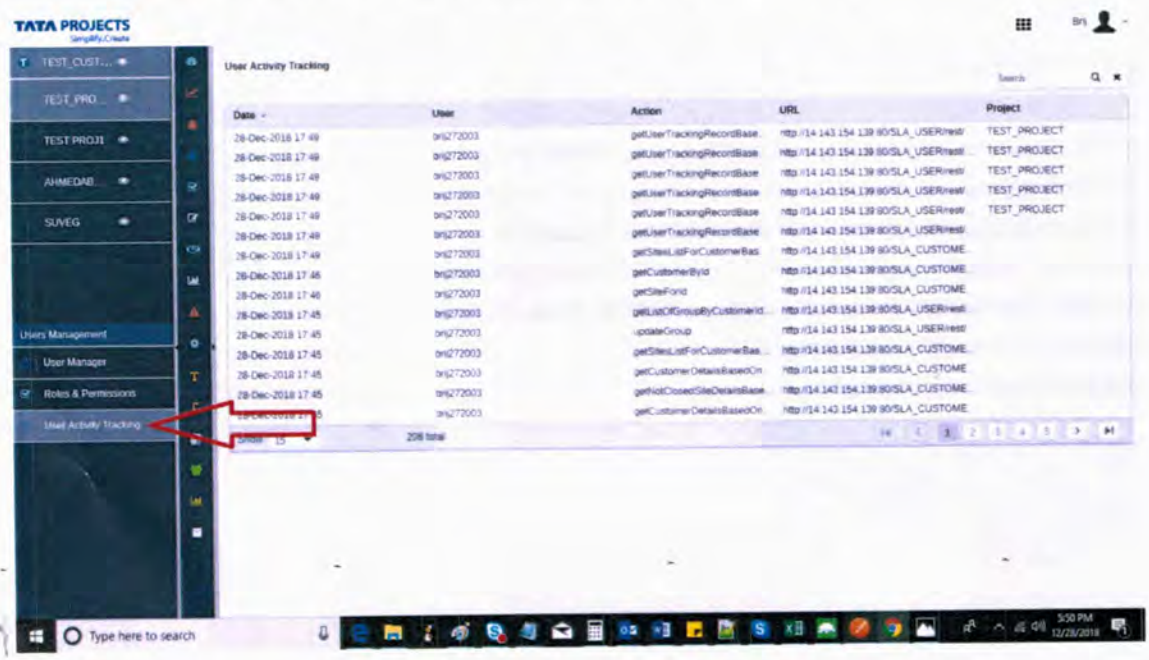
a) Login into the application as a Customer Admin if not logged in.
b) Expand the "Customer Configuration Panel" (if not in expended Mode).
c) Click on the "Roles & Permissions" menu item given under "User Management".
d) Click on the "Edit" action for the role which needs to be edited.
e) Edit details/ Change permissions.
f) Click on the Sav button.

Note:

- Permissions of the role can be changed even when role has already been assigned to users.
- Role Name cannot be edited.
- Roles created at the System level can not be edited at customer level. These roles can be assigned to different projects of this customer.

4.5 User Activity Tracking

This module will be used by customer admin to track the activity of other customer admin users.
Click on the "User Activity Tracking" menu item under "User Management" heading.

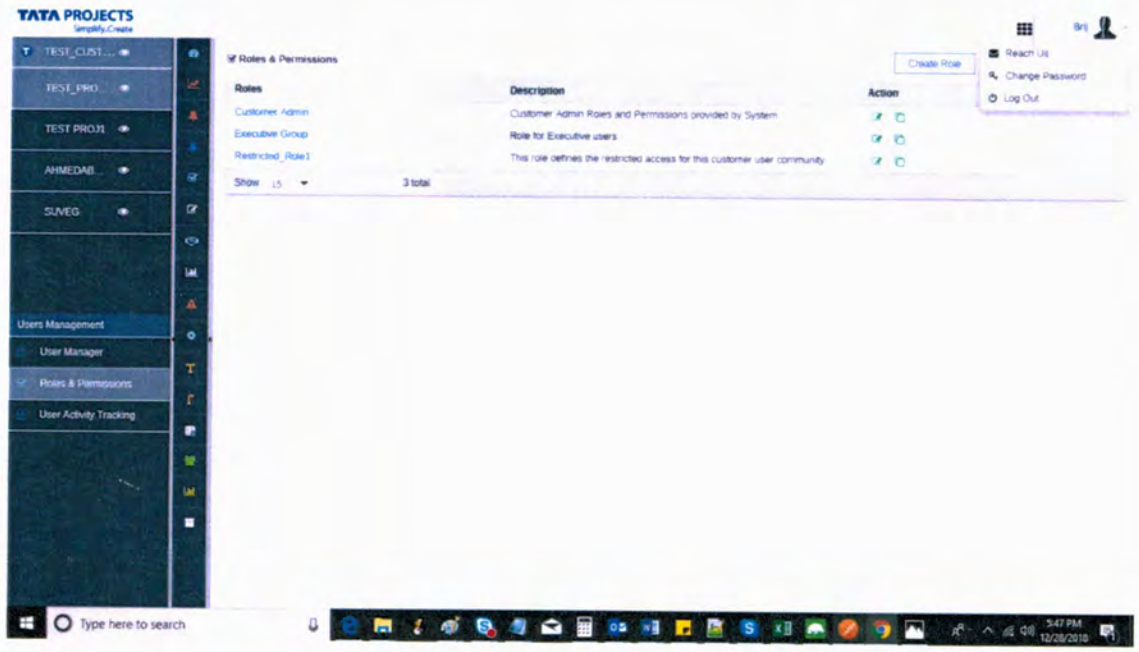


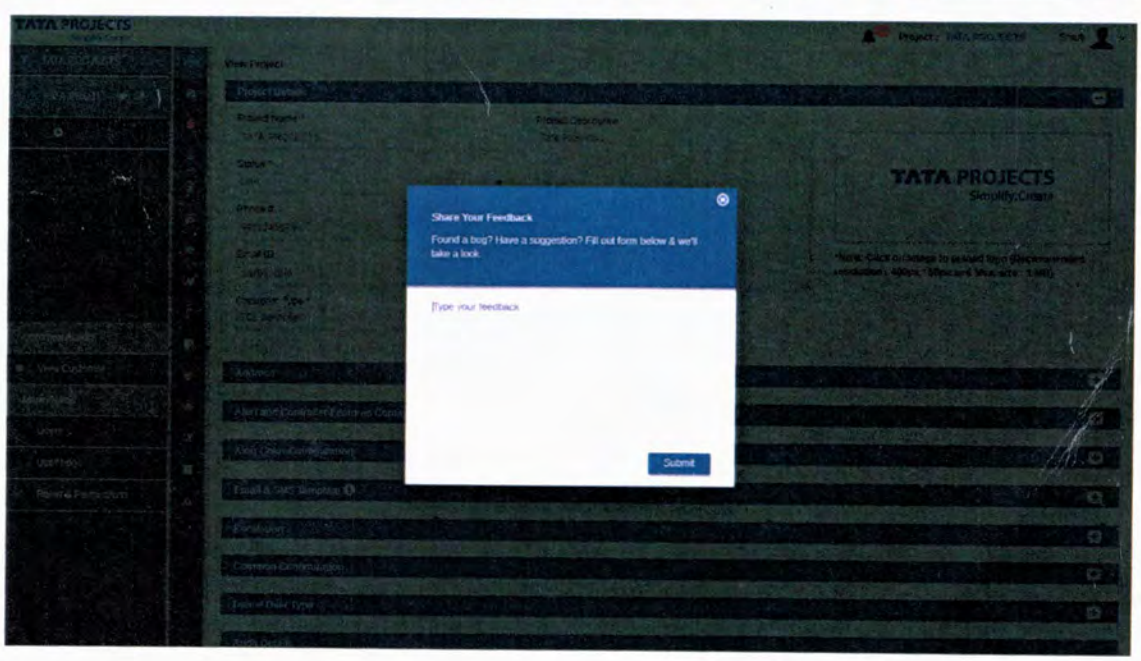
4.6 Reach Us

Users of the application (Customer users), can share their feedback, concerns or queries by raising an incident. Once raised by users, super admin can see the raised incidents in the application.

Below are the steps to raise the incident by Customer Admin

a) Login into the application as a Customer Admin user (if not logged in)
b) Go To right top corner. Observe downwards arrow and on hover, menu list will be opened. Click on "Reach Us" item.





Type your feedback/concern and click on the submit button.

नाशिक महानगरपालिका,नाशिक
जा.क्र.मनपा/ ५७५ /२०२०
दिनांक २७ / ७ /२०२०

कार्यालयीन आदेश:

नाशिक मनपा क्षेत्रात PPP तत्वावर स्मार्ट स्ट्रीट लाईट प्रकल्प राबविणे या प्रकल्पाचे कार्यादेश मक्तेदार मे.टाटा प्रोजक्टस् ल्युमिनियर लि. यांना देण्यात आलेली आहे. मनपाच्या यापुर्वीच्या प्रस्तावामध्ये स्मार्ट लाईटींग प्रकल्पाची कमांड कंट्रोल रुम ही पंचवटी विभागीय कार्यालय येथे नियोजीत होती. मात्र पंचवटी विभागीय कार्यालय येथे स्मार्ट सिटी कंपनीची कमांड कंट्रोल रुमचे कामकाज सुरु आहे. त्याठीकाणी जागा उपलब्ध नसल्यामुळे स्मार्ट लाईटींग प्रकल्पाच्या कमांड कंट्रोल रुमसाठी मनपा मुख्यालय, राजिव गांधी भवन येथे सुमारे ४०० ते ८०० स्क्वे.फुट जागा उपलब्ध करुन देणे आवश्यक आहे.

सद्यस्थितीत मनपा विद्युत विभागाचे कार्यालय राजीव गांधी भवन ३ रा मजला (दक्षीण-पुर्व भाग) येथे आहे. या भागातच मनपा मलनि:सारण विभाग(भु.ग.यो.) चे देखील कार्यालय आहे.

मनपाच्या विद्युत विभागातील दालन क्र.३३४ येथे विभाग प्रमुख/कार्यकारी अभियंता यांचे दालन आहे. दालन क्र.३३५ व ३३६ येथे विद्युत विभागातील उपअभियंता यांची दालने आहेत. त्यापैकी सद्यस्थितीत दालन क्र.३३५ हे ऑडीट विभाग (स्थानिक निधी लेखापरिक्षण) यांना तात्पुरत्या स्वरुपात दिलेले आहे. तर दालन क्र.३३१,३३२ व ३३३ ही दालने मलनि:सरण विभागाच्या उपअभियंता यांचे वापरात आहेत. तसेच दालन क्र.३३० हे सुध्दा मलनि:सरण विभागाचे शाखा अभियंता/उपअभियंता हे अंशकालीन वापर करतात. मात्र सदरचे दालन विद्युत विभागाच्या कार्यालया निकट असल्यामुळे त्या ठिकाणी स्मार्ट लाईटींग प्रकल्पाचे कमांड कंट्रोल सेंटर तयार करणे आवश्यक असल्याने मनपा मुख्यालयातील तिसरा मजला दालन क्र.३३० हे स्मार्ट लाईटींग प्रकल्पाच्या कमांड कंट्रोल सेंटर साठी, मे.टी.पी. ल्युमिनियर लि. यांना उपलब्ध करुन देणेस मान्यता देणेत येत आहे. सदर दालन सद्यस्थितीत वापरणारे अधिकारी/कर्मचारी यांनी त्याच मजल्यावरील इतर जागेत व्यवस्था करावी.

6. TPLLL's Letter no. 105 dated 06.07.2020
7. TPLLL's Letter no. 120 dated 20.08.2020

Dear Sir,

With reference to our earlier communications and the meeting held with your good office on 20 August 2020, we appreciate your support and guidance for the completion of the installation phase of the project. In this regards, we revisit and expand on our discussion relating to the grant of Interim Extension of Time (EOT).

We have apprised you regarding the various constraints/issues on the project, which have caused significant delays. We request your understanding that the delay due to outbreak of Covid-19 pandemic were unforeseen and beyond our control. Also, the continuing effects of Covid-19 may further amplify the impact caused on the project.

Further, we had furnished a brief summary of the major delay events along with the revised project schedule for your kind consideration. Accordingly, we have applied for an interim EOT as per Cl. 7.4 of Concession Agreement and subsequently, the corresponding overall concession period for O&M services and energy savings can be further extended.

We once again request you to grant an interim EOT up to 30 November 2020. We reserve our right to add, amend, modify, alter, substitute or restructure the above submissions in the near future, once the entire situation subsides and day to day life is restored.

No./NMC/ Ele/ 713 /2020
Date :- 15/09/2020

To,
Project Manager
TPLL.

Sub : Grant of Extension of time.

Ref : 1. Review meeting of the project dt. 20.8.2020 at Chamber of Hon.Commissioner, NMC,Nashik
2. Review meeting of the project dt. 10.9.2020 at office of Hon. Superintendent Engineer, Elect-Mech,NMC,Nashik

With reference to the above mentioned subject and request letters TPLL-NMC-SC/08-120, dt. 20.8.2020 & TPLL-NMC-SC/08-21 dt. 4/9/2020 submitted by the TPLL, TPLL has submitted revised project schedule and committed Go Live of the project by 30th November 2020.

It is to be noted that your application for Extension of Time by invoking clause 7.4 of the Concession Agreement is not acceptable. The concessionaire (TPLL) was informed to carry on ongoing work and authority did provided all necessary support with respect to access and permissions regarding the same especially during the Covid 19 Lock down period. Despite that, the concessionaire has communicated that it had suspended all its work activity during the Covid 19 Lockdown. This decision of TPLL was unilateral and no prior discussions were held with the authority. In addition to this, your request to invoke the clause 7.4 regarding FORCE MAJURE has already been rejected by the authority citing the appropriate reasons.

According to contract executed between NMC and concessionaire, all installation work should have been completed within 9.5 months from the date of issuance of work order i.e. 20th Aug'2019. The Concessionaire had been timely reminded to mobilize sufficient manpower and ensure regular monitoring in order to complete the work on time. In fact, 2 show cause notices were issued owing to persistent delay from concessionaire's end. Nevertheless, owing to situation arisen due to Covid 19 global pandemic and the disturbances in manufacturing cycle, transport networks and supply chain; NMC is of the opinion that an extension of time can be granted to concessionaire for completion of remaining activities at the latest by 30th Nov 2020. However, this needs to be treated as one time extension considering the disruption due to Covid 19 and not as an interim extension. In case if the work is not completed by 30th November 2020; NMC reserves the right to take appropriate action in accordance with contract and/or RfP conditions. Time is essence and inordinate delay is inimical to public interest.

Subject: Required actions from concessionaire in order to expedite the progress of work.

References:

1. Smart Street Light project in Nashik.
2. Email dated April 4, 2020 from NMC with subject line: "Bringing in your cognizance repetition of points by concessionaire and replies to correspondences"
3. Emails from concessionaire team member on April 4, 2020 assuring face to face discussion in order to address all standing points at the earliest.
4. Email from concessionaire team member on submission of proposed road categories for Panchvati Division on March 20, March 28 and April 6, 2020.
5. Emails from concessionaire team member on April 29, 2020 with Subject lines: Nashik East Illumination Design phase-2 and Nashik West Illumination design-Phase 2; and email on May 4, 2020 with subject line: Satpur Illumination design-Phase 2
6. Email dated April 18, 2020 from NMC on resumption of work in the public interest, while maintaining due precautions.
7. Email from concessionaire dated April 29, 2020 titled as "Request for payment of Idle manpower charges due to COVID-19" and letter attached therein with reference number TPLL-NMC-SC/08-098 with subject line: Request for payment of Idle manpower charges due to COVID 19.
8. Email from concessionaire dated April 30, 2020 with subject line - RE: Nashik street light project - Work Resumption
9. Concessionaire email dated April 30, 2020 with subject line - RE: Nashik street light project - Work Resumption - Reminder 2

This is in reference to above mentioned references. Following are the observations for necessary action:

1. **With regards to reference 4:** Please refer to our email vide reference number 2 for suggesting holding discussion in order to arrive at the road categories. Concessionaire's presence is required in order to identify the location of some Switching Points, as mentioned in your survey data.

2. **With regards to reference 5:** it is noted that while NMC had already given clear decision on final road categories for 5 divisions (Nashik East, Nashik West, Nashik Road, New Nashik and Satpur)

for lighting purposes, concessionaire has reverted with request for discussion. In this regard, you are advised to immediately come for in-person discussion.NMC and PMC are working and are available for discussion. Vide reference 3, it was assured to have face to face discussion at the earliest. Furthermore, please confirm as to what concessionaire means by "Designed as per site parameter", mentioned under the column heading - TPL Observation and whether this accounts for road category finalized by NMC?

3. **With regards to reference 7:** Request made by concessionaire is completely unjustified and unacceptable. Concessionaire being the employer, payment of wages to labourers/workers on regular basis is solely the responsibility of concessionaire and must be done in accordance with recent government orders.

4. **With regards to reference 8:** As mentioned in your email, it is understood that concessionaire is willing to resume the work at the earliest. NMC would extend all reasonable administrative assistance in the interest of project and public. It is yet again amply made clear that all monetary aspects shall solely be the responsibility of concessionaire. Further, it is noted that passes for work resumption were issued to your team members. In case, passes for more team members are required, concessionaire must immediately contact this office at the earliest with necessary documents/details. Also, you are suggested to coordinate with this office for obtaining permission for movement of required materials. It is reiterated that earliest completion of project is in interest of all stakeholders, particularly the public of Nashik City especially in these times. Hence, it is expected of concessionaire that all required steps would be taken in order to ensure that the project activities are expedited.

5. **With regards to reference 9:** Since it is given to us to understand that your divisional engineers are in Nashik and have been issued the passes, your team should proceed ahead with flowing steps in order to finalize asset deficiency rectification details. It is expected that concessionaire would take action, instead of sending repeated requests:

    a. Concessionaire receives the details from NMC.
    b. In-person discussion between concessionaire and deputy engineers from NMC.
    c. Details of discussion to be shared with Executive Engineer, Electrical, NMC and PMC.
    d. Details of Switching Points, for which data was reconciled to be shared with Executive Engineer, Electrical, NMC and PMC by concessionaire.
    e. Details of Switching Points, for which data could not be reconciled to be shared with Executive Engineer, Electrical, NMC and PMC by concessionaire.
    f. In-person discussion involving Executive Engineer, Electrical, NMC and/or PMC; concessionaire Project Manager and concerned division engineer; and concerned deputy engineer to take place.
    g. Concessionaire to share the complete reconciled data.

Subject: Regarding Escrow Account

Ref-

1. Work order no. H.O.03 Dated 20th Aug 2019
2. Various correspondence in relation to Escrow Agreement and Escrow Account.

Dear Sir,

At the outset, we wish to inform that till date, we have replaced 85 % LED street lights and 60 % Control panels. Further, kindly note that this being a PPP project, the opening of Escrow account and depositing the required amount by NMC is of paramount importance to the project financing.

In this regards, we have exchanged various communications in relation to Escrow Agreement. Finally, based on the Government order, we have accepted your proposal to execute the Escrow agreement through a nationalized bank i.e. Union Bank of India. Meanwhile, we have also shared the required documents to Escrow Bank.

Moreover, we would like to apprise you that the balance installation works shall be completed in the next few weeks. Thereafter, we shall be raising our invoices for Energy savings. It is evident that the signing of the Escrow agreement, the opening of the Escrow account and the deposit amount equal to 3 month of electricity bills are extremely crucial for ensuring the funding of the project.

In view of the above, we request your support and cooperation for resolving this matter at the earliest.

Thanking you and assuring you of our best services all the time.

शासकीय निधी केवळ राष्ट्रीयकृत बँकामध्येच ठेवणेबाबत शासनाचे धोरण.....

महाराष्ट्र शासन
वित्त विभाग

शासन निर्णय क्र.: संकीर्ण -२०२०/प्र.क्र.५१ /२०/कोषा प्रशा-५

मादाम कामा मार्ग, हुतात्मा राजगुरु चौक,
मंत्रालय, मुंबई - ४०० ०३२.
तारीख: १३ मार्च, २०२०.

संदर्भ :१) शासन निर्णय क्र.: डीडीओ १००५/ प्र.क्र.५ /कोषा प्रशा-५, दि.२९ ऑगस्ट,२००५.
२) शासन निर्णय क्र. निवेयो- १००७ / प्र.क्र .१२०/कोप्र५, दि. १८ ऑगस्ट, २००८.
३) भारत सरकार, हौसिंग व अर्बन अफेअर्स मंत्रालय, नवी दिल्ली, ज्ञापन दि. २ ऑगस्ट, २०१९
४) भारतीय रिझर्व्ह बँकेचे पत्र दि. ३१ ऑक्टोबर, २०१९.
५) शासन निर्णय क्र. शासाऊ-१०.१५/प्र.क्र.४२/सा.उ. ,दि.२७ ऑक्टोबर,२०१५

प्रस्तावना :

उपरोक्त संदर्भाधीन क्र. १ च्या शासन निर्णयान्वये शासकीय कर्मचाऱ्यांना बँकेमार्फत वेतन व भत्ते प्रदान करण्याचा निर्णय घेण्यात आला. त्यानुषंगाने काही सार्वजनिक तसेच खाजगी क्षेत्रातील बँकांबरोबर अटी व शर्ती निर्धारित करुन करार करण्यात आला व त्यानुसार काही राष्ट्रीयकृत तसेच खाजगी क्षेत्रातील बँकांची सूची सदर शासन निर्णयासोबत निर्धारित करण्यात आली होती. वेळोवेळी त्यात काही नवीन बँकांचा समावेश करण्यात आलेला आहे. याशिवाय संदर्भाधीन क्र. २ च्या शासन निर्णयान्वये निवृत्तीवेतन धारकांना त्यांचे निवृत्तीवेतन थेट बँक खात्यामध्ये जमा करण्याची योजना शासनाने अंमलात आणली होती. त्यान्वये शासनाच्या अटी व शर्ती मान्य करणाऱ्या राष्ट्रीयकृत, खाजगी व सहकारी क्षेत्रातील बँकांना निवृत्तीवेतन धारकांची बँक खाती उघडण्यासाठी शासन मान्यता प्रदान करण्यात आली होती.

२. तथापि, केंद्र शासनाच्या उपरोक्त संदर्भाधीन क्र.३ च्या ज्ञापनान्वये केंद्र शासित योजना व केंद्र शासन अनुदानित योजना राष्ट्रीयकृत बँकांद्वारे राबविण्याबाबतच्या सूचना निर्गमित करण्यात आलेल्या आहेत. तसेच भारतीय रिझर्व्ह बॅकेने देखील उपरोक्त संदर्भाधीन क्र.४ च्या पत्रान्वये खाजगी क्षेत्रातील बँकांकडे शासकीय बँकींग व्यवहार सोपविण्याबाबत काही सूचना केलेल्या आहेत. याचा विचार करता सर्व शासकीय कार्यालयांकडील तसेच सार्वजनिक उपक्रम, महामंडळे इ. कडील बँकिंग विषयक व्यवहार केवळ राष्ट्रीयकृत क्षेत्रातील बँकांमार्फत करण्याविषयी निश्चित असे धोरण ठरविण्याची बाब शासनाच्या विचाराधीन होती. त्याबाबत मंत्रिमंडळाने राज्य शासनाची सर्व बँक खाती राष्ट्रीयकृत बँकेत उघडण्याबाबत निर्देश दिलेले आहेत.

शासन निर्णय :

१. सर्व शासकीय कार्यालये , सार्वजनिक उपक्रम , महामंडळे इत्यांदीनी त्यांच्याकडील सर्व बँकींगविषयक व्यवहार राष्ट्रीयकृत बँकामार्फतच पार पाडावेत. यापूर्वी खाजगी अथवा सहकारी क्षेत्रातील बँकांमध्ये कोणत्याही शासकीय योजनांचा निधी (वेतन व भत्ते व्यतिरिक्त) जमा करण्याकरीता उघडण्यात आलेली बँक खाती दि. १ एप्रिल, २०२० पासून बंद करुन केवळ राष्ट्रीयकृत बँकात खाती उघडावीत.

२. आहरण व संवितरण अधिकारी यांनी दि. १ एप्रिल, २०२० पासून कर्मचाऱ्यांचे वेतन, भत्ते या प्रयोजनासाठी केवळ सोबत जोडपत्र "अ" मध्ये देण्यात आलेल्या सूचीतील राष्ट्रीयकृत बँकांमध्येच खाती उघडावीत . कोषागारांनी माहे एप्रिल, २०२० चे माहे मे, २०२० मध्ये देय वेतनाचे देयक पारित करतांना याबाबत खातरजमा करावी.

३. निवृत्तीवेतन धारकांनी उपरोक्त संदर्भ क्र. २ च्या शासन निर्णयाच्या अनुषंगाने त्यांची बँक खाती त्यांच्या सोयीच्या दृष्टीने खाजगी अथवा सहकारी क्षेत्रातील बँकामध्ये उघडली आहेत. तथापि, त्यांनी देखील निवृत्तीवेतन बॅक खाती राष्ट्रीयकृत बँकामध्येच उघडण्याची दक्षता घ्यावी असे आवाहन त्यांना करण्यात येत आहे. निवृत्तीवेतनासाठी शासनाबरोबर करार केलेल्या राष्ट्रीयकृत बँकाची सूची जोडपत्र "ब" मध्ये दर्शविण्यात येत आहे.

४. उपरोक्त संदर्भ क्र. ५ चा शासन निर्णय सार्वजनिक उपक्रम /महामंडळ यामधील अतिरिक्त निधी गुंतवणूकीबाबत आहे. अशी गुंतवणूक देखील राष्ट्रीयकृत बँकेतच करण्यात यावी. सदर शासन निर्णयातील इतर सर्व बाबी यथास्थिती पूर्ववत लागू राहतील.

५. सर्व कार्यालय प्रमुख , विभाग प्रमुख तसेच सार्वजनिक उपक्रम / महामंडळ यांच्या अध्यक्ष/ संचालक यांनी उपरोक्त आदेशाचे पालन करण्याची दक्षता घ्यावी. सर्व मंत्रालयीन प्रशासकीय विभागांनी त्यांच्या अधिनस्त सर्व आस्थापनांकडून या शासन निर्णयाप्रमाणे कार्यवाही करण्यात येत असल्याची खात्री करावी.

६. शासनाच्या बँकिंग व्यवहार विषयक यापूर्वी वेळोवेळी निर्गमित केलेले शासन निर्णय याद्वारे अधिक्रमित करण्यात येत आहेत.

७. राज्याचे सर्वसाधारण धोरण म्हणून तातडीने वित्त विभागाचे आदेश निर्गमित करावयाचे असल्याने बँकांना मान्यता देण्याच्या अशा इतर शासन निर्णयांमध्येही प्रस्तुत शासन निर्णयाच्या विषयाच्या मर्यादेत बदल करण्यात येत आहे.

सदर शासन निर्णय ,महाराष्ट्र शासनाच्या www.maharashtra.gov.in या संकेतस्थळावर उपलब्ध करण्यात आला असून, त्याचा संकेतांक २०२००३१३१७०६०४५२०५ असा आहे. हा निर्णय डिजीटल स्वाक्षरीने साक्षांकित करुन काढण्यात येत आहे.

महाराष्ट्राचे राज्यपाल यांच्या आदेशानुसार व नावाने.

Sub: Consent for creation of charge on assets pursuant to Clause 32.1 of the Concession Agreement dated August 20, 2019 ("Concession Agreement") executed between Nashik Municipal Corporation ("NMC") and TP Luminaire Private Limited ("Concessionaire").

Dear Sir,

This is with reference to the Concession Agreement executed between NMC and the Concessionaire in relation to replacement of existing streetlights in the Pan City area of Nashik city with energy efficient smart LED streetlights ("**Project**"). This is to bring to your notice that in accordance with the terms of the Concession Agreement, we, the Concessionaire have availed a facility of INR 39,08,00,000/- (Rupees Thirty-Nine Crore and Eight Lacs Only) ("**Facility**") from the lenders listed in Schedule I hereto ("**Lenders**") on the terms and conditions stipulated in the facility agreement dated August 27, 2020 ("**Facility Agreement**") and other financing documents for the purpose of the Project. One of the conditions of the Facility Agreement is that the Facility shall be secured *inter alia* by way of hypothecation of receivables, cash flows, commissions, book debts, bank and escrow accounts, reserves, inventory and revenues, any other current assets, of whatsoever nature, pertaining to the Project of the Concessionaire under the Concession Agreement ("**Assets**").
Pursuant to Clause 32.1 of the Concession Agreement, we hereby request you to kindly authorize and grant your consent for creation of charge on the Assets in favour of the Lenders to secure the Facility.

दिनांक २७ /११ /२०२०

NMC/ELECMECH/OOL/2020/422

आदेश:

उपरोक्त संदर्भ क्र.१/२/३ प्रमाणे मनपा व NMSCDCL मार्फत मनपाच्या Nashik Pan City क्षेत्रात स्मार्ट लाईटींग प्रकल्प राबविणेचे काम सुरु करणेत आलेले आहे. सदरचा प्रकल्प मनपाने PPP तत्वावर राबविला आहे. त्यामध्ये मनपाची कुठलीही भांडवली गुंतवणूक नाही. तसेच पथदीव्यांच्या मासिक वीज बिलात होणाऱ्या बचतीतून मनपास RFP प्रमाणे ५% रक्कम Refund होणार आहे.

सदर प्रकल्पासाठी मनपाने ई-निविदा प्रक्रीया राबवून M/s.T.P.Lumenairs Pvt.Ltd. यांना सदर प्रकल्प राबविणे बाबत करारनामा करुन आदेश देणेत आलेले आहेत.

सदर कामाची वर्क ऑर्डर जा.क्र.No.H.O.03 Dt.20/08/2019 रोजी M/s.T.P.Lumenairs Pvt.Ltd. यांना देणेत आली आहे.

सदर P.P.P. तत्वावरील प्रकल्प राबविताना सदर प्रकल्पात नाशिक शहरातील संपूर्ण पथदिप हे स्मार्ट एलईडी लाईट्स मध्ये बदलले जात आहेत. सदर प्रकल्पात मनपाने कोणतीही आर्थीक गुंतवणूक केलेली नाही. सदरील संपूर्ण प्रकल्प उपरोक्त संदर्भ क्र.४ चे करारनाम्यानुसार पुढील किमान सात वर्ष राबविणे व त्याची देखभाल दुरुस्तीची संपुर्ण जबाबदारी M/s.T.P.Lumenairs Pvt.Ltd. या कंपनीची राहील.

निविदेतील अटी-शर्तींनुसार या प्रकल्पा करीता राष्ट्रीयीकृत बँक, M/s.T.P.Lumenairs Pvt.Ltd. व नाशिक मनपा मध्ये Tri-Party ESCROW agreement करणे आवश्यक असलेने मुख्य वित्त व लेखाधिकारी आणि मुख्य लेखापरिक्षक यांचे अभिप्रायानुसार मनपा कायदे सल्लागार ॲड.समीर जोशी यांचा ESCROW Account युनियन बँक ऑफ इंडीया (राष्ट्रीयीकृत बँक) या बँकेमध्ये उघडणे बाबत अभिप्राय घेणेत आले आहेत.

त्यानुसार खालील प्रमाणे मान्यता देणेत येत आहे -

१) सदर ESCROW Account मध्ये सुरुवातीस रक्कम रु.८.०० कोटी डिपॉझीट म्हणून ठेवावयाचे आहेत. तदनंतर प्रत्येक महिन्याचे वीज बिल आल्यानंतर ESCROW Account मधून खालील प्रमाणे देयके अदा करण्यात येतील.

A) MSEDCL electricity bill payment.
B) All government taxes due and payable by the Concessionaire for and in respect of the Project.
C) NMC Revenue share due and payable to the Authority out of Revenue generated by Energy saving.
D) All penalty, payments and Damages certified by the Authority as due and payable to it by the Concessionaire.
E) Monthly proportionate provision of debt service due in an Accounting Year.
F) Share in Energy saving revenue to Concessionaire, Subject to deduction if any.
G) Balance, if any, in accordance with the instructions of the Authority.

२) सदर ESCROW Account मध्ये सुरूवातीस रक्कम रू.८.०० कोटी फ्लेक्झी डिपॉझीट म्हणून ठेवणेस, तसेच प्रत्येक महिन्याचे वीज बिल मिळालेनंतर सदर ESCROW Account मधून उपरोक्त A ते G प्रमाणे रक्कम वजा होणार असल्याने पुन्हा बेस लाईन प्रमाणे येणारी रक्कम सदर ESCROW Account मध्ये जमा करून बँकेतील डिपॉझीट रक्कम रू.८.०० कोटी दरमहा अपडेट करणेस मान्यता देण्यात येत आहे.

३) सदर ESCROW agreement वर मनपा तर्फे मुख्य वित्त व लेखाधिकारी आणि उप आयुक्त, प्रशासन हे,तसेच M/s.T.P.Lumenairs Pvt.Ltd. यांचे मार्फत Director-T.P.Lumenairs Pvt.Ltd. हे आणि युनियन बँक ऑफ इंडीया,नाशिक यांचे तर्फे शाखा व्यवस्थापक हे स्वाक्षरी करतील.

४) सदर ESCROW Account मधून देयक देताना विद्युत विभागा कडून सादर करण्यात आलेले देयक लेखा विभागामार्फत मंजूर झाले नंतर, पेमेंट रिलीज ऑर्डर / धनादेश मुख्य वित्त व लेखाधिकारी व उप आयुक्त, प्रशासन यांचे संयुक्त स्वाक्षरीने बँकेस दयावी.

५) सदर ESCROW Account मध्ये दर महिन्याच्या १५ तारखे पावेतो बिलाची रक्कम जमा करण्यात यावी.

Sub: Notification for immediate resolution of contractual obligations by NMC.

Dear Sir,

This is in continuation to our previous communications, wherein TPLL has been notifying the authorities about the constraints/issues being faced in the project and the non-performance of various obligations by the NMC. In this regards, we revisit and wish to seek your immediate resolutions in relation to the various pending obligations to be performed by NMC:

a. We draw your attention that the opening of the Escrow Account and depositing the required amount are the preliminary obligation of NMC and are extremely crucial for ensuring the project funds to the Concessionaire. Despite several discussions and nearing the completion of installation works, the Escrow Account has not yet been established by the authorities. Also, your office has not been able to finalize the Escrow agreement. NMC is in fundamental breach on this account.

b. You are well aware that there has been revisions for planned wattages mentioned as per RFP and variation in quantities/additional requirements of LED lights which has severally affected the energy savings calculations and the baseline projected cash flow. Accordingly, we have requested your office to revise the energy baseline and to compensate for the additional requirement. However, the determination is still pending at your office. Due to which, we are not able to finalize the BOQ and our imports/ orders for fixtures have been impacted, which in turn has affected the project timeline. We would like to inform that after finalization of the energy baseline and the depositing the required amount in Escrow account, we will need additional two months for completion of the balance works.

6/1/2021

c. We have apprised from time to time regarding the infrastructure deficiencies in the existing poles and have requested your office to start the rectification activity for better performance.

विद्युत विभाग
आवक सं. २.५.०.६.
दिनांक- ६/१/२०२१

d. Moreover, the unprecedented Covid-19 pandemic has disrupted the works and brought various restrictions, which has severally impacted the project timeline and resulted in additional costs on the project. In this regard, we have furnished the additional costs incurred and have requested for an interim extension of time for the completion of the installation works, the determination of which is still pending at your office.

Further, we would like to highlight that this project is based on PPP model, wherein the Concessionaire has invested the capital and incurred the expenditure by funding the project. As informed earlier, we have supplied/replaced approx. 90% of LED fixtures & 84% of Panels and are on the verge of completion of installation works. However, we are not able to raise any revenue / invoices towards the Energy Savings, whereas NMC has been enjoying the benefit of works executed by TPLL.

Consequently, our project cash flow has been severally distressed making the contract financially non-viable/ non-operational and the project works may come to a halt on its own, without reasons attributable to TPLL. Also, we are facing difficulty from our financial lenders to further fund the project. In view of the continuous defaults on part of NMC, we shall be compelled to take further recourse in accordance with terms of the Concession Agreement.

In the aforesaid background, we once again urge you to provide immediate resolutions and to support us for the completion of the balance works. We shall make ourselves available for further discussions and for arriving at suitable resolutions.

Thanking you and assuring you of our best services at all times.

Yours faithfully,

Rajendra Inani

आदेश:

उपरोक्त संदर्भ क्र.१/२/३ प्रमाणे मनपा व NMSCDCL मार्फत मनपाच्या Nashik Pan City क्षेत्रात स्मार्ट लाईटींग प्रकल्प राबविणेचे काम सुरु करणेत आलेले आहे. सदरचा प्रकल्प मनपाने PPP तत्वावर राबविला आहे. त्यामध्ये मनपाची कुठलीही भांडवली गुंतवणूक नाही. तसेच पथदीव्यांच्या मासिक वीज बिलात होणाऱ्या बचतीतून मनपास RFP प्रमाणे ५% रक्कम Refund होणार आहे.

सदर प्रकल्पासाठी मनपाने ई-निविदा प्रक्रीया राबवून M/s.T.P.Lumenairs Pvt.Ltd. यांना सदर प्रकल्प राबविणे बाबत करारनामा करुन आदेश देणेत आलेले आहेत.

सदर कामाची वर्क ऑर्डर जा.क्र.No.H.O.03 Dt.20/08/2019 रोजी M/s.T.P.Lumenairs Pvt.Ltd. यांना देणेत आली आहे.

सदर P.P.P. तत्वावरील प्रकल्प राबविताना सदर प्रकल्पात नाशिक शहरातील संपूर्ण पथदिप हे स्मार्ट एलईडी लाईट्स मध्ये बदलले जात आहेत. सदर प्रकल्पात मनपाने कोणतीही आर्थीक गुंतवणूक केलेली नाही. सदरील संपूर्ण प्रकल्प उपरोक्त संदर्भ क्र.४ चे करारनाम्यानुसार पुढील किमान सात वर्ष राबविणे व त्याची देखभाल दुरुस्तीची संपुर्ण जबाबदारी M/s.T.P.Lumenairs Pvt.Ltd. या कंपनीची राहील.

निविदेतील अटी-शर्तींनुसार या प्रकल्पा करीता राष्ट्रीयीकृत बँक, M/s.T.P.Lumenairs Pvt.Ltd. व नाशिक मनपा मध्ये Tri-Party ESCROW agreement करणे आवश्यक असलेने मुख्य वित्त व लेखाधिकारी आणि मुख्य लेखापरिक्षक यांचे अभिप्रायानुसार मनपा कायदे सल्लागार ॲड.समीर जोशी यांचा ESCROW Account युनियन बँक ऑफ इंडीया (राष्ट्रीयीकृत बँक) या बँकेमध्ये उघडणे बाबत अभिप्राय घेणेत आले आहेत.

त्यानुसार खालील प्रमाणे मान्यता देणेत येत आहे -

१) सदर ESCROW Account मध्ये सुरुवातीस रक्कम रु.८.०० कोटी डिपॉझीट म्हणून ठेवावयाचे आहेत. तदनंतर प्रत्येक महिन्याचे वीज बिल आल्यानंतर ESCROW Account मधून खालील प्रमाणे देयके अदा करण्यात येतील.

A) MSEDCL electricity bill payment.
B) All government taxes due and payable by the Concessionaire for and in respect of the Project.
C) NMC Revenue share due and payable to the Authority out of Revenue generated by Energy saving.
D) All penalty, payments and Damages certified by the Authority as due and payable to it by the Concessionaire.
E) Monthly proportionate provision of debt service due in an Accounting Year.
F) Share in Energy saving revenue to Concessionaire, Subject to deduction if any.
G) Balance, if any, in accordance with the instructions of the Authority.

२) सदर ESCROW Account मध्ये सुरुवातीस रक्कम रु.८.०० कोटी फ्लेक्झी डिपॉझीट म्हणून ठेवणेस, तसेच प्रत्येक महिन्याचे वीज बिल मिळालेनंतर सदर ESCROW Account मधून उपरोक्त A ते G प्रमाणे रक्कम वजा होणार असल्याने पुन्हा बेस लाईन प्रमाणे येणारी रक्कम सदर ESCROW Account मध्ये जमा करुन बँकेतील डिपॉझीट रक्कम रु.८.०० कोटी दरमहा अपडेट करणेस मान्यता देण्यात येत आहे.

३) सदर ESCROW agreement वर आयुक्त, मनपा यांचे वतीने कार्यकारी अभियंता(विद्युत) हे, तसेच M/s.T.P.Lumenairs Pvt.Ltd. यांचे वतीने Director-T.P.Lumenairs Pvt.Ltd. हे आणि युनियन बँक ऑफ इंडीया,नाशिक यांचे वतीने शाखा व्यवस्थापक हे स्वाक्षरी करतील.

४) सदर ESCROW Account मधून देयक देताना विद्युत विभागा कडून सादर करण्यात आलेले देयक लेखा विभागामार्फत मंजूर झाले नंतर, पेमेंट रिलीज ऑर्डर / धनादेश मुख्य वित्त व लेखाधिकारी व उप आयुक्त, प्रशासन यांचे संयुक्त स्वाक्षरीने बँकेस दयावी.

५) सदर ESCROW Account मध्ये दर महिन्याच्या १५ तारखे पावेतो बिलाची रक्कम जमा करण्यात यावी.

DRAFT ESCROW AGREEMENT

THIS ESCROW AGREEMENT is entered into on this the ……. day of ..... 20…….

AMONGST

1 TP Luminaire Private Limited, a company incorporated under the provisions of the Companies Act, 1956 and having its registered office at Mithona Towers-1, 1-7-80 to 87, Prenderghast Road, Secunderabad, Telangana 500003 (Hereinafter referred to as the "Concessionaire" which expression shall unless repugnant to the context or meaning thereof include its successors, assigns and permitted substitutes);

2 Union Bank of India, a Body of Corporate constituted under Banking Companies (Acquisition & Transfer of Undertakings) Act, 1970 and having its registered head office at 239,Vidhan Bhavan Marg, Nariman Point, Mumbai -400021 (Hereinafter referred to as the **"Escrow Bank"** which expression shall unless repugnant to the context or meaning thereof include its successors and substitutes);

AND

3 The Nashik Municipal Corporation, represented by its Commissioner and having its principal offices at Nashik Municipal Corporation, Rajiv Gandhi Bhavan, Sharanpur Road, Nashik (hereinafter referred to as the **"Authority"** which expression shall unless repugnant to the context or meaning thereof include its administrators, successors and assigns).

WHEREAS:

(A) The Authority has entered into a Concession Agreement dated 20th August 2019 with the Concessionaire (the **"Concession Agreement"**) for Project at Nashik, Maharashtra on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) basis and a copy of which is annexed hereto and marked as Annex-A to form part of this Agreement.

(B) The Concession Agreement requires the Concessionaire to establish an Escrow Account, *inter alia*, on the terms and conditions stated therein.

NOW THEREFORE, in consideration of the foregoing and the respective covenants and agreements set forth in this Agreement, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the Parties agree as follows:

1. DEFINITION AND INTERPRETATION

1.1 Definitions

In this Agreement, the following words and expressions shall, unless repugnant to the context or meaning thereof, have the meaning hereinafter respectively assigned to them:

"Agreement" means this Escrow Agreement and any amendment thereto made in accordance

Sameer C. Joshi
Advocate

with the provisions contained herein;

"**Concession** Agreement" means the Concession Agreement referred to in Recital (A) above and annexed hereto as Annex-A, and shall include all of its Recitals and Schedules and any amendments made thereto in accordance with the provisions contained in this behalf therein;

"Cure Period" means the period specified in this Agreement for curing any breach or default of any provision of this Agreement by the Concessionaire, and shall commence from the date on which a notice is delivered by the Authority to the Concessionaire asking the latter to cure the breach or default specified in such notice;

"Escrow Account" means an escrow account established in terms of and under this Agreement, and shall include the Sub-Accounts;

"Escrow Default" shall have the meaning ascribed thereto in Clause 6.1;

"Parties" means the parties to this Agreement collectively and **"Party"** shall mean any of the Parties to this Agreement individually;

"**Payment Date"** means, in relation to any payment specified in Clause 4.1, the date(s) specified for such payment; and

"**Sub-Accounts"** means the respective Sub-Accounts of the Escrow Account, into which the monies specified in Clause 4.1 would be credited every month and paid out if due, and if not due in a month then appropriated proportionately in such month and retained in the respective Sub Accounts and paid out therefrom on the Payment Date(s).

"Vesting Certificate" means a certificate issued by the Authority confirming the satisfactory completion or part completion of work awarded to the Contractor as on date of the termination of contract along with the amount due to the contractor from the escrow account after required deductions as per Clause 4.2 herein below.

1.2 Interpretation

1.2.1 The words and expressions beginning with capital letters and defined in this Agreement shall have the meaning ascribed thereto herein, and the words and expressions used in this Agreement and not defined herein but defined in the Concession Agreement shall, unless repugnant to the context, have the meaning ascribed thereto in the Concession Agreement.

1.2.2 References to Clauses are, unless stated otherwise, references to Clauses of this Agreement.

1.2.3 The rules of interpretation stated in Clauses 1.2, 1.3 and 1.4 of the Concession Agreement shall apply, *mutatis mutandis*, to this Agreement.

2 ESCROW ACCOUNT

2.1 Escrow Bank to act as trustee

2.1.1 The Concessionaire hereby appoints the Escrow Bank to act as trustee for the Authority and the Concessionaire in connection herewith and authorises the Escrow Bank to exercise such rights, powers, authorities and discretion as are specifically delegated to the Escrow Bank by the terms

hereof together with all such rights, powers, authorities and discretion as are reasonably incidental hereto, and the Escrow Bank accepts such appointment pursuant to the terms hereof.

2.1.2 The Concessionaire hereby declares that all rights, title and interest in and to the Escrow Account shall be vested in the Escrow Bank and held in trust for the Authority and the Concessionaire and applied in accordance with the terms of this Agreement. No person other than the Authority and the Concessionaire shall have any rights hereunder as the beneficiaries of, or as third-party beneficiaries under this Agreement.

2.2 Acceptance of Escrow Bank

The Escrow Bank hereby agrees to act as such and to accept all payments and other amounts to be delivered to and held by the Escrow Bank pursuant to the provisions of this Agreement. The Escrow Bank shall hold and safeguard the Escrow Account during the term of this Agreement and shall treat the amount in the Escrow Account as monies deposited by the Authority with the Escrow Bank. In performing its functions and duties under this Agreement, the Escrow Bank shall act in trust for the benefit of, and as agent for, the Authority and the Concessionaire or their nominees, successors or assigns, in accordance with the provisions of this Agreement.

2.3 Establishment and operation of Escrow Account

2.3.1 Within 30 (thirty) days from the date of this Agreement, and in any case prior to the COD, the Concessionaire shall open and establish the Escrow Account with the
Panchvati, Nashik Branch of the Escrow Bank.
The Escrow Account shall be denominated in Rupees.

2.3.2 The Escrow Bank shall maintain the Escrow Account in accordance with the terms of this Agreement and its usual practices and applicable regulations and pay the maximum rate of interest payable to similar customers on the balance in the said account from time to time.

2.3.3 The Escrow Bank and the Concessionaire shall agree on the detailed mandates, terms and conditions, and operating procedures for the Escrow Account, but in the event of any conflict or inconsistency between this Agreement and such mandates, terms and conditions or procedures, this Agreement shall prevail.

2.4 Escrow Bank's fee

The Escrow Bank shall be entitled to receive its fee and expenses in an amount, and at such times, as may be agreed between the Escrow Bank and the Concessionaire. For the avoidance of doubt, such fee and expenses shall form part of the O&M Expenses. Such fees and expenses shall be equally borne by the Concessionaire and Authority .

2.5 Rights of the parties

The rights of the Authority and the Concessionaire in the monies held in the Escrow Account are set forth in their entirety in this Agreement and the Authority and the Concessionaire shall have no other rights against or to the monies in the Escrow Account.

3 DEPOSITS INTO ESCROW ACCOUNT

3.1 Deleted

3.2 Deposits by the Authority

The Authority agrees and undertakes that, as and when due and payable, it shall deposit into and/or credit the Escrow Account with:

(a) The Authority agrees and undertakes that, upon opening of the Escrow Bank Account, the Authority shall forthwith deposit the amount equivalent to three (3) month of electricity bills of the period prior to implementation of the Project ; After that for each month, the Authority will deposit ~~within 1st day of the same month~~ an amount equal to last month of MSEDCL's bill x 100 / (100 - guaranteed saving quoted by the Concessionaire).

cut and 20

And

(b) Termination Payments:

Provided that, notwithstanding the provisions of Clause 4.1.1, the Authority shall be entitled to appropriate from the aforesaid amounts, any Concession Fee due and payable to it by the Concessionaire, and the balance remaining shall be deposited into the Escrow Account.

3.3 Interest on deposits

The Escrow Bank agrees and undertakes that all interest accruing on the balances of the Escrow Account shall be credited to the Authority's Account _____(interest account) annually.

4 WITHDRAWALS FROM ESCROW ACCOUNT

4.1 Withdrawals during Concession Period

4.1.1 Within a first week of every month, the Concessionaire, will raise the invoice with the Escrow Bank and the Authority for verification. The Authority shall verify the invoice and issue release order by 21st day of the same month. The Escrow Bank, after receiving release order from the Authority shall withdraw amounts from the Escrow Account and appropriate them in the following order by depositing such amounts in the relevant Sub-Accounts for making due payments, and if such payments are not due in any month, then retain such monies in such Sub-Accounts and pay out therefrom on the Payment Date(s). If the Authority, post raising such invoice by the Concessionaire, doesn't issue release order by 21st day of the same month, the Escrow Bank shall forthwith process the invoice and release the payment from Escrow Account as per the following order as given below.

(a) MSEDCL electricity bill payment

(b) All government taxes due and payable by the Concessionaire for and in respect of the

project as applicable as per law

(c)Authority's revenue share due and payable to the Authority out of revenue generated by Energy saving

(d) All penalty, payments and Damages certified by the Authority as due and payable to it by the Concessionaire; and

(e) Deleted ~~Monthly proportionate provision of debt service due in an Accounting Year;~~

(f) Share in Energy saving revenue to Concessionaire, Subject to deduction if any

(g) Balance, if any, in accordance with the instructions of the Authority.

4.1.2 No later than 60 (sixty) days prior to the commencement of each Accounting Year, the Concessionaire shall provide to the Escrow Bank, details of the amounts likely to be required for each of the payment obligations set forth in this Clause 4.1; provided that such amounts may be subsequently modified, with prior written approval of the Authority, if fresh information received during the course of the year makes such modification necessary.

4.2 Withdrawals upon Termination

Upon Termination of the Concession Agreement, all amounts standing to the credit of the Escrow Account shall, notwithstanding anything in this Agreement, be appropriated and dealt with in the following order:

(a) MSEDCL electricity bill payment

(b) All government taxes due and payable by the Concessionaire for and in respect of the Project as applicable as per law

(c) Authority Revenue share due and payable to the Authority out of Revenue generated by Energy saving

(d) All penalty, payments and Damages certified by the Authority as due and payable to it by the Concessionaire; and

(e) Deleted ~~Monthly proportionate provision of debt service due in an Accounting Year;~~

(f) Share in Energy saving revenue to Concessionaire, Subject to deduction if any

(g)Balance, if any, in accordance with the instructions of the Authority

Provided that the disbursements specified in Sub-clause (i) of this Clause 4.2 shall be undertaken only after the Vesting Certificate has been issued by the Authority.

4.3 Application of insufficient funds

Funds in the Escrow Account shall be applied in the serial order of priority set forth in Clauses 4.1 and 4.2, as the case may be. If the funds available are not sufficient to meet all the requirements, the Escrow Bank shall apply such funds in the serial order of priority until exhaustion thereof.

4.4 Application of insurance proceeds

Notwithstanding anything in this Agreement, the proceeds from all insurance claims, except life and injury, shall be deposited into and/or credited to the Escrow Account and utilised for any necessary repair, reconstruction, reinstatement, replacement, improvement, delivery or installation of the Project, and the balance remaining, if any, shall be applied in accordance with the provisions of this Agreement.

4.5 Withdrawals during Suspension

Notwithstanding anything to the contrary contained in this Agreement, the Authority may exercise all or any of the rights of the Concessionaire during the period of Suspension under Article 33 of the Concession Agreement. Any instructions given by the Authority to the Escrow Bank during such period shall be complied with as if such instructions were given by the Concessionaire under this Agreement and all actions of the Authority hereunder shall be deemed to have been taken for and on behalf of the Concessionaire.

5 OBLIGATIONS OF THE ESCROW BANK

5.1 Segregation of funds

Monies and other property received by the Escrow Bank under this Agreement shall, until used or applied in accordance with this Agreement, be held by the Escrow Bank in trust for the purposes for which they were received, and shall be segregated from other funds and property of the Escrow Bank.

5.2 Notification of balances

7 (seven) business days prior to each Payment Date (and for this purpose the Escrow Bank shall be entitled to rely on an affirmation by the Concessionaire as to the relevant Payment Dates), the Escrow Bank shall notify the Authority of the balances in the Escrow Account and Sub-Accounts as at the close of business on the immediately preceding business day.

5.3 Communications and notices

In discharge of its duties and obligations hereunder, the Escrow Bank:

(a) may, in the absence of bad faith or gross negligence on its part, rely as to any matters of fact which might reasonably be expected to be within the knowledge of the Concessionaire upon a certificate signed by or on behalf of the Concessionaire;

(b) may, in the absence of bad faith or gross negligence on its part, rely upon the authenticity of any communication or document believed by it to be authentic;

(c) shall, within 5 (five) business days after receipt, deliver a copy to the Authority of any notice or document received by the Escrow Bank in its capacity as the Escrow Bank from the Concessionaire or any other person hereunder or in connection herewith; and

(d) shall, within 5 (five) business days after receipt, deliver a copy to the Concessionaire of any notice or document received by the Escrow Bank from the Authority in connection herewith.

5.4 No set off

The Escrow Bank agrees not to claim or exercise any right of set off, banker's lien or other right or remedy with respect to amounts standing to the credit of the Escrow Account. For the avoidance of doubt, it is hereby acknowledged and agreed by the Escrow Bank that the monies and properties held by the Escrow Bank in the Escrow Account shall not be considered as part of the assets of the Escrow Bank and being trust property, shall in the case of bankruptcy or liquidation of the Escrow Bank be wholly excluded from the assets of the Escrow Bank in such bankruptcy or liquidation.

5.5 Regulatory approvals

The Escrow Bank shall use its best efforts to procure, and thereafter maintain and comply with, all regulatory approvals required for it to establish and operate the Escrow Account. The Escrow Bank represents and warrants that it is not aware of any reason why such regulatory approvals will not ordinarily be granted to the Escrow Bank.

6 ESCROW DEFAULT

6.1 Escrow Default

6.1.1 In the event of default by the Authority under this Agreement, the provisions of Clause 11 of the Concession Agreement shall apply. :

~~(a)~~ Deleted ~~[the Concessionaire commits breach of this Agreement by failing to deposit any receipts into the Escrow Account as provided herein and fails to cure such breach by depositing the same into the Escrow Account within a Cure Period of 5 (five) business days;]~~ cut on 2nd

7 TERMINATION OF ESCROW AGREEMENT

7.1 Duration of the Escrow Agreement

This Agreement shall remain in full force and effect as per the clause 4 of the Concession Agreement (7 years), unless terminated earlier by consent of all the Parties or otherwise in accordance with the provisions of this Agreement.

7.2 Substitution of Escrow Bank

The Concessionaire may, by not less than 45 (forty five) days prior notice to the Escrow Bank

and the Authority, and with the written consent of the Authority (NMC), terminate this Agreement and appoint a new Escrow Bank, provided that arrangements are made satisfactory to the Authority for transfer of amounts deposited in the Escrow Account to a new Escrow Account established with the successor Escrow Bank. The termination of this Agreement shall take effect only upon coming into force of an Escrow Agreement with the substitute Escrow Bank.

7.3 Closure of Escrow Account

The Escrow Bank shall, at the request of the Concessionaire made on or after the payment by the Concessionaire of all outstanding amounts under the Concession Agreement including the payments specified in Clause 4.2, and upon confirmation of receipt of such payments, close the Escrow Account and Sub-Accounts and pay any amount standing to the credit thereof to the Concessionaire. Upon closure of the Escrow Account hereunder, the Escrow Agreement shall be deemed to be terminated.

8 SUPPLEMENTARY ESCROW AGREEMENT

Any lender providing financial assistance for the Project and the Concessionaire, with the written consent of the Authority (NMC), shall be entitled to enter into a supplementary escrow agreement with the Escrow Bank providing, *inter alia*, for detailed procedures and documentation matters not covered under this Agreement such as the rights and obligations of lenders, investment of surplus funds, restrictions on withdrawals by the Concessionaire in the event of breach of this Agreement or upon occurrence of an Escrow Default, procedures relating to operation of the Escrow Account and withdrawal therefrom, reporting requirements and any matters incidental thereto; provided that such supplementary escrow agreement shall not contain any provision which is inconsistent with this Agreement and in the event of any conflict or inconsistency between provisions of this Agreement and such supplementary escrow agreement, the provisions of this Agreement shall prevail.

9 INDEMNITY

9.1 General indemnity

9.1.1 The Concessionaire will indemnify, defend and hold the Authority and Escrow Bank harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of any breach by the Concessionaire of any of its obligations under this Agreement or on account of failure of the Concessionaire to comply with Applicable Laws and Applicable Permits.

9.1.2 The Authority will indemnify, defend and hold the Concessionaire harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Authority to fulfil any of its obligations under this Agreement materially and adversely affecting the performance of the Concessionaire's obligations under the Concession Agreement or this Agreement other than any loss, damage, cost and expense arising out of acts done in discharge of their lawful functions by the Authority, its officers, servants and agents.

9.1.3 The Escrow Bank will indemnify, defend and hold the Concessionaire harmlessagainst any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Escrow Bank to fulfil its obligations under this Agreement materially and adversely affecting the performance of the Concessionaire's obligations under the Concession Agreement other than any loss, damage, cost and expense, arising out of acts done in discharge of their lawful functions by the Escrow Bank, its officers, servants and agents.

9.2 Notice and contest of claims

In the event that any Party hereto receives a claim from a third party in respect of which it is entitled to the benefit of an indemnity under Clause 9.1 or in respect of which it is entitled to reimbursement (the **"Indemnified Party"**), it shall notify the other Party responsible for indemnifying such claim hereunder (the **"Indemnifying Party")** within 15 (fifteen) days of receipt of the claim and shall not settle or pay the claim without the prior approval of the Indemnifying Party, which approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim, it may conduct the proceedings in the name of the Indemnified Party and shall bear all costs involved in contesting the same. The Indemnified Party shall provide all cooperation and assistance in contesting any claim and shall sign all such writings and documents as the Indemnifying Party may reasonably require.

10 DISPUTE RESOLUTION

As per Clause 20 from the Concession Agreement. It is agreed between the Parties that Clause 20 of the Concession Agreement is deemed to be incorporated by reference in this Agreement.

11 MISCELLANEOUS PROVISIONS

11.1 Governing law and jurisdiction

This Agreement shall be construed and interpreted in accordance with and governed by the laws of India, and the Courts at Nashik shall have jurisdiction over all matters arising out of or relating to this Agreement.

11.2 Waiver of sovereign immunity

The Authority unconditionally and irrevocably:

(a) agrees that the execution, delivery and performance by it of this Agreement constitute commercial acts done and performed for commercial purpose;

(b) agrees that, should any proceedings be brought against it or its assets, property or revenues in any jurisdiction in relation to this Agreement or any transaction contemplated by this Agreement, no immunity (whether by reason of sovereignty or otherwise) from such proceedings shall be claimed by or on behalf of the Authority with respect to its assets;

(c) waives any right of immunity which it or its assets, property or revenues now has, may acquire in the future or which may be attributed to it in any jurisdiction; and

(d) consents generally in respect of the enforcement of any judgment or award against it in any such proceedings to the giving of any relief or the issue of any process in any jurisdiction in connection with such proceedings (including the making, enforcement or execution against it or in respect of any assets, property or revenues whatsoever irrespective of their use or intended use of any order or judgment that may be made or given in connection therewith).

11.3 Priority of agreements

In the event of any conflict between the Concession Agreement and this Agreement, the provisions contained in the Concession Agreement shall prevail over this Agreement.

11.4 Alteration of terms

All additions, amendments, modifications and variations to this Agreement shall be effectual and binding only if in writing and signed by the duly authorised representatives of the Parties.

11.5 Waiver

11.5.1 Waiver by any Party of a default by another Party in the observance and performance of any provision of or obligations under this Agreement:

(a) shall not operate or be construed as a waiver of any other or subsequent default hereof or of other provisions of or obligations under this Agreement;

(b) shall not be effective unless it is in writing and executed by a duly authorised representative of the Party; and

(c) shall not affect the validity or enforceability of this Agreement in any manner.

11.5.2 Neither the failure by any Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement or any obligation thereunder nor time or other indulgence granted by any Party to another Party shall be treated or deemed as waiver of such breach or acceptance of any variation or the relinquishment of any such right hereunder.

11.6 No third party beneficiaries

This Agreement is solely for the benefit of the Parties and no other person or entity shall have any rights hereunder.

11.7 Survival

11.7.1 Termination of this Agreement:

(a) shall not relieve the Parties of any obligations hereunder which expressly or by

implication survive termination hereof; and

(b) except as otherwise provided in any provision of this Agreement expressly limiting the liability of either Party, shall not relieve either Party ofany obligations or liabilities for loss or damage to the other Party arising out of, or caused by, acts or omissions of such Party prior to the effectiveness of such termination or arising out of such termination.

11.7.2 All obligations surviving the cancellation, expiration or termination of this Agreement shall only survive for a period of 3 (three) months following the date of such termination or expiry of this Agreement.

11.8 Severability

If for any reason whatever any provision of this Agreement is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties will negotiate in good faith with a view to agreeing to one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearly as is practicable to such invalid, illegal or unenforceable provision. Failure to agree upon any such provisions shall not be subject to dispute resolution under Clause 10.1 of this Agreement or otherwise.

11.9 Successors and assigns

This Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

11.10 Notices

All notices or other communications to be given or made under this Agreement shall be in writing, shall either be delivered personally or sent by courier or registered post with an additional copy to be sent by facsimile or e-mail. The address for service of each Party, its facsimile number or e-mail are set out under its name on the signing pages hereto. A notice shall be effective upon actual receipt thereof save that where it is received after 5.30 (five thirty) p.m. on a business day or on a day that is not a business day, the notice shall be deemed to be received on the first business day following the date of actual receipt. Without prejudice to the foregoing, a Party giving or making a notice or communication by facsimile or e-mail shall promptly deliver a copy thereof personally or send it by courier or registered post to the addressee of such notice or communication. It is hereby agreed and acknowledged that any Party may by notice change the address to which such notices and communications to it are to be delivered or mailed. Such change shall be effective when all the Parties have notice of it.

11.11 Language

All notices, certificates, correspondence and proceedings under or in connection with this Agreement shall be in English.

11.12 Authorised representatives

Authorized representatives from each of the parties to whom only all communications shall be made are as follows.

1 TP Luminaire Private Limited: Director/ Project Manager
2. Union Bank of India: Brach Manager/ Deputy Manager
3. Nashik Municipal Corporation: CAFO, NMC, Nashik / Executive Engineer, Electrical, NMC, Nashik

A Party hereto shall be entitled to remove and/or substitute or make fresh appointment of such authorized representative by similar notice.

11.13 Original Document

This Agreement may be executed in four counterparts, each of which when executed and delivered shall constitute an original of this Agreement. The original copy of the signed Escrow Agreement shall remain with the Authority and the true copies of the same shall be shared with each of the parties.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED AND DELIVERED THIS AGREEMENT AS OF THE DATE FIRST ABOVE WRITTEN.

THE COMMON SEAL OF CONCESSIONAIRE has been affixed pursuant to the resolution passed by the Board of Directors of the Concessionaire at its meeting held on the ..... day of 20..... hereunto affixed in the presence of ....., Director, who has signed these presents in token thereof and ....., Company Secretary / Authorised Officer who has countersigned the same in token thereof:

GLM installed	1254	82.23
Installation Sign off	728	47%

PMC needs "installation sign off reports" to be provided by TPLPL for final concurrence to mention that 80% installation has been completed.

III. Observations:

a) As stated in the RFP clause no. 4.4- Concessionaire Project Structure: Payment Security, post completion of 80% of installation the concession period would be commenced.

b) As per submission of the Concessionaire (TPLPL) via Weekly Report No. 46(23rd-29th Nov'2020) submitted by email dt. 30/11/2020, TPLPL has installed fixture quantity of 78505 out of total 93022 and GLM quantity of 1254 out of 1525.

c) If weekly report submitted by the concessionaire considered as basis, then it can be inferred that by 30th November 2020, 80% installation of fixtures and GLM panels has been completed. Concession period can be commenced from 1st December 2020 provided TPLPL complies with points mentioned below, which are essential to compute energy saving calculations and monthly invoicing of the Concessionaire (TPLPL).

d) Submission / tasks to be completed by TPLPL for commencement of concession period and monthly invoicing:

i. As per finalized illumination design, total quantity of ILMs (CSLMS Street light controller) to be installed is 4776. TPLL to install 80% of ILMs i.e. 3820.

ii. Onboarding and Integration of fixtures, GLM Panels and ILMs with software solution to be completed: 80% of total quantity of fixtures, GLM Panels and ILMs shall be onboarded and integrated with software solution so that the whole street light system can be monitored from Command and Control Center of the project, operation and maintenance work can be carried out , monthly energy saving report can be downloaded ,compliance with respect to Service Level Agreements can be followed and penalties can be calculated.

The Screenshot has been annexed in the submission (on page 7 & 8)

Onboarding and Integration with Software Solution as on 13.1.2021
(Source: Dashboard provided by the concessionaire)

Item	Total Quantity	Quantity Onboarded	%
Fixtures	93022	62360	67.03
GLM	1525	1228	80.52
ILM	4776	996	20.85

iii. Approval on Baseline and Energy Saving Calculations: TPLPL to submit installation sheets, signed by respective NMC officials as per the administrative divisions, in the prescribed format stating details of i) existing fixtures of NMC and ii) new LED fixtures replaced by TPLPL. In addition to this, as per RFP Clause 4.12, Assessment of Lighting Load, pg. 63, TPLPL shall also provide details of old load and new load on each switching point/GLM panel. This is essential to review and verify the baseline and energy saving calculations shared by TPLPL vide letter TPLL-NMC-SC/08-168 dt. 6/01/21.

iv. Integration of NMC e-connect application with complaint Management System created by the TPLPL for redressal of grievances, computation of monthly reports and compliance of SLAs and calculation of penalties.

v. TPLPL shall provide reports to the Authority as per RFP Clause 4.19 and Concession Agreement Clause 31. In addition to this, authority might ask for reports with respect to alerts or any other monitoring parameter for calculation of penalties as per SLAs, verification of energy savings, etc. TPLPL shall provide the same within the stipulated time.

vi. Details of Helpdesk setup by the concessionaire, as per RFP Clause 4.15- Helpdesk Setup, for 24*7 for monitoring of O&M work during the entire concession period

vii. Details of teams deployed for O&M work in each division with escalation matrix, contact details, availability of vehicles, etc.

viii. Compliance with respect to RFP Clause 4.11, Special Conditions of Tender to undertake comprehensive operation and maintenance of street lighting network for Pan City Area

e) Pending Work to be completed by TPLPL:

(i) Remaining installation of around 4913 LEDs

(ii) Completion of Command and Control Center : wiring work at entry gate, resolution of video wall solution, model streetlights with dimming at CCC, changes in the dashboard as suggested.

(iii) Submission of SLDs.

(a) Total: 1525
(b) Submitted : 733
(c) Balance: 792

(iv) Completion of pole numbering activity

(a) Total: 80185
(b) Completed : 25045
(c) Balance: 55140

Project Progress Report

Project Name	Nasik Smart Lighting
Name of the Concessionaire	TP Luminaire Pvt. Ltd.
Work Order Date	20th August 2019
Go Live Date	30th November 2020

I. RFP Requirements:

- **RFP Clause 4.4 Concessionaire Project Structure- Project Coverage,**

: Concessionaire (TPLL) to install-

i. 90 watt and above fixtures should have Individual On-off Control, Individual dimming and individual addressing (On/Off/Fault, Fault type, voltage, current, wattage and Power Factor per phase)

ii. 90 watt below fixtures should have group on-off control and group dimming. Individual dimming and group/individual addressing is optional.

iii. CSLMS Feeder Control Panels

iv. CSLMS Street light controller

v. CSLMS Software

vi. CSLMS Hardware (which shall be compatible with smart city Command Control center software)

- **RFP clause 4.4 Concessionaire Project Structure- Payment Security :** Start of the concession period: on completion of 80% installation as per RFP the concession period would commence accordingly, and baseline will be revised pro-rata for the interim period.

- **RFP Clause 4.9 Energy Baseline Determination** : The concessionaire to undertake the field survey of the street lighting fixtures covered in the project area to accomplish - Baseline Energy Consumption and Energy Savings for the Nashik City

- **RFP Clause 4.11 : Special Conditions of Tender**

- **RFP Clause 4.12 Assessment of lighting load**

- **RFP Clause 4.15 Helpdesk Setup**

- **RFP Clause 4.19 Reporting** : As per this clause it is mandatory for the concessionaire to submit monthly report to the NMC (Authority).

II. Work Progress / Documents Submitted

➢ Month wise Installation Progress

2. Daily installation tracker

➢ Progress on GO LIVE date- 30th November 2020

Progress on 30th Nov'2020
(Source: Weekly Report No. 46(23rd-29th Nov'2020) by TPLL)

Item	Qty	% Completion
Fixture Quantity as per Design	93022	----
Installed	78505	84.39
GLM Quantity as per design	1525	----
GLM installed	1254	82.23
ILM Quantity as per design	4776	----
ILM installed	2470	51.71

Progress on 30th Nov'2020.
(Source: Installation sign of done by JE/DE of Electrical Dept, NMC)

Item	Qty	% Completion
Fixture Quantity as per Design	93022	----
Installed Fixture Quantity	78505	84.39
Installation Sing off	69347	74.54%
GLM Quantity as per Design	1525	----
GLM installed	1254	82.23
Installation Sign off	728	47%

PMC needs "installation sign off reports" to be provided by TPLPL for final concurrence to mention that 80% installation has been completed.

III. Observations:

a) As stated in the RFP clause no. 4.4- Concessionaire Project Structure: Payment Security, post completion of 80% of installation the concession period would be commenced.

b) As per submission of the Concessionaire (TPLPL) via Weekly Report No. 46(23rd-29th Nov'2020) submitted by email dt. 30/11/2020, TPLPL has installed fixture quantity of 78505 out of total 93022 and GLM quantity of 1254 out of 1525.

c) If weekly report submitted by the concessionaire considered as basis, then it can be inferred that by 30th November 2020, 80% installation of fixtures and GLM panels has been completed. Concession period can be commenced from 1st December 2020 provided TPLPL complies with points mentioned below, which are essential to compute energy saving calculations and monthly invoicing of the Concessionaire (TPLPL).

d) Submission / tasks to be completed by TPLPL for commencement of concession period and monthly invoicing:

i. As per finalized illumination design, total quantity of ILMs (CSLMS Street light controller) to be installed is 4776. TPLL to install 80% of ILMs i.e. 3820.

ii. Onboarding and Integration of fixtures, GLM Panels and ILMs with software solution to be completed: 80% of total quantity of fixtures, GLM Panels and ILMs shall be onboarded and integrated with software solution so that the whole street light system can be monitored from Command and Control Center of the project, operation and maintenance work can be carried out , monthly energy saving report can be downloaded ,compliance with respect to Service Level Agreements can be followed and penalties can be calculated.
(link of the dashboard: *http://smartlights.iot.tatacommunications.com/login*).
The Screenshot has been annexed in the submission (on page 7 & 8)

Onboarding and Integration with Software Solution as on 13.1.2021
(Source: Dashboard provided by the concessionaire)

Item	Total Quantity	Quantity Onboarded	%
Fixtures	93022	62360	67.03
GLM	1525	1228	80.52
ILM	4776	996	20.85

iii. Approval on Baseline and Energy Saving Calculations: TPLPL to submit installation sheets, signed by respective NMC officials as per the administrative divisions, in the prescribed format stating details of i) existing fixtures of NMC and ii) new LED fixtures replaced by TPLPL. In addition to this, as per RFP Clause 4.12, Assessment of Lighting Load, pg. 63, TPLPL shall also provide details of old load and new load on each switching point/GLM panel. This is essential to review and verify the baseline and energy saving calculations shared by TPLPL vide letter TPLL-NMC-SC/08-168 dt. 6/01/21.

iv. Integration of NMC e-connect application with complaint Management System created by the TPLPL for redressal of grievances, computation of monthly reports and compliance of SLAs and calculation of penalties.

v. TPLPL shall provide reports to the Authority as per RFP Clause 4.19 and Concession Agreement Clause 31. In addition to this, authority might ask for reports with respect to alerts or any other monitoring parameter for calculation of penalties as per SLAs, verification of energy savings, etc. TPLPL shall provide the same within the stipulated time.

vi. Details of Helpdesk setup by the concessionaire, as per RFP Clause 4.15- Helpdesk Setup, for 24*7 for monitoring of O&M work during the entire concession period

vii. Details of teams deployed for O&M work in each division with escalation matrix, contact details, availability of vehicles, etc.

viii. Compliance with respect to RFP Clause 4.11, Special Conditions of Tender to undertake comprehensive operation and maintenance of street lighting network for Pan City Area

e) Pending Work to be completed by TPLPL:

(i) Remaining installation of around 4913 LEDs

(ii) Completion of Command and Control Center : wiring work at entry gate, resolution of video wall solution, model streetlights with dimming at CCC, changes in the dashboard as suggested.

(iii) Submission of SLDs.

(a) Total: 1525
(b) Submitted : 733
(c) Balance: 792

(iv) Completion of pole numbering activity

(a) Total: 80185
(b) Completed : 25045
(c) Balance: 55140

ESCROW AGREEMENT

THIS ESCROW AGREEMENT is entered into on this the 20th day of Jan 20..21..

AMONGST

1 TP Luminaire Private Limited, a company incorporated under the provisions of the Companies Act, 1956 and having its registered office at Mithona Towers-1, 1-7-80 to 87, Prenderghast Road, Secunderabad, Telangana 500003 (Hereinafter referred to as the "Concessionaire" which expression shall unless repugnant to the context or meaning thereof include its successors, assigns and permitted substitutes);

2 Union Bank of India, a Body of Corporate constituted under Banking Companies (Acquisition & Transfer of Undertakings) Act, 1970 and having its registered head office at 239,Vidhan Bhavan Marg, Nariman Point, Mumbai -400021 (Hereinafter referred to as the **"Escrow Bank"** which expression shall unless repugnant to the context or meaning thereof include its successors and substitutes);

AND

3 The Nashik Municipal Corporation, represented by its Commissioner and having its principal offices at Nashik Municipal Corporation, Rajiv Gandhi Bhavan, Sharanpur Road, Nashik (hereinafter referred to as the **"Authority"** which expression shall unless repugnant to the context or meaning thereof include its administrators, successors and assigns).

WHEREAS:

(A) The Authority has entered into a Concession Agreement dated 20th August 2019 with the Concessionaire (the **"Concession Agreement"**) for Project at Nashik, Maharashtra on Design, Build, Finance, Operate, Maintain, Monetize and Transfer (DBFOMMT) basis and a copy of which is annexed hereto and marked as Annex-A to form part of this Agreement.

(B) The Concession Agreement requires the Concessionaire to establish an Escrow Account, *inter alia*, on the terms and conditions stated therein.

NOW THEREFORE, in consideration of the foregoing and the respective covenants and agreements set forth in this Agreement, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the Parties agree as follows:

1. DEFINITION AND INTERPRETATION

1.1 Definitions

In this Agreement, the following words and expressions shall, unless repugnant to

TP LUMINAIRE PRIVATE LIMITED

the context or meaning thereof, have the meaning hereinafter respectively assigned to them:

"Agreement" means this Escrow Agreement and any amendment thereto made in accordance with the provisions contained herein;

"**Concession** Agreement" means the Concession Agreement referred to in Recital (A) above and annexed hereto as Annex-A, and shall include all of its Recitals and Schedules and any amendments made thereto in accordance with the provisions contained in this behalf therein;

"Cure Period" means the period specified in this Agreement for curing any breach or default of any provision of this Agreement by the Concessionaire, and shall commence from the date on which a notice is delivered by the Authority to the Concessionaire asking the latter to cure the breach or default specified in such notice;

"Escrow Account" means an escrow account established in terms of and under this Agreement, and shall include the Sub-Accounts;

"Escrow Default" shall have the meaning ascribed thereto in Clause 6.1;

"Parties" means the parties to this Agreement collectively and **"Party"** shall mean any of the Parties to this Agreement individually;

"**Payment Date"** means, in relation to any payment specified in Clause 4.1, the date(s) specified for such payment; and

"**Sub-Accounts"** means the respective Sub-Accounts of the Escrow Account, into which the monies specified in Clause 4.1 would be credited every month and paid out if due, and if not due in a month then appropriated proportionately in such month and retained in the respective Sub Accounts and paid out therefrom on the Payment Date(s).
"Vesting Certificate" means a certificate issued by the Authority confirming the satisfactory completion or part completion of work awarded to the Contractor as on date of the termination of contract along with the amount due to the contractor from the escrow account after required deductions as per Clause 4.2 herein below.

1.2 Interpretation

1.2.1 The words and expressions beginning with capital letters and defined in this Agreement shall have the meaning ascribed thereto herein, and the words and expressions used in this Agreement and not defined herein but defined in the Concession Agreement shall, unless repugnant to the context, have the meaning ascribed thereto in the Concession Agreement.

1.2.2 References to Clauses are, unless stated otherwise, references to Clauses of this Agreement.

1.2.3 The rules of interpretation stated in Clauses 1.2, 1.3 and 1.4 of the Concession Agreement shall apply, *mutatis mutandis*, to this Agreement.

TP LUMINAIRE PRIVATE LIMITED

428 cc

2 ESCROW ACCOUNT

2.1 Escrow Bank to act as trustee

2.1.1 The Concessionaire hereby appoints the Escrow Bank to act as trustee for the Authority and the Concessionaire in connection herewith and authorises the Escrow Bank to exercise such rights, powers, authorities and discretion as are specifically delegated to the Escrow Bank by the terms hereof together with all such rights, powers, authorities and discretion as are reasonably incidental hereto, and the Escrow Bank accepts such appointment pursuant to the terms hereof.

2.1.2 The Concessionaire hereby declares that all rights, title and interest in and to the Escrow Account shall be vested in the Escrow Bank and held in trust for the Authority and the Concessionaire and applied in accordance with the terms of this Agreement. No person other than the Authority and the Concessionaire shall have any rights hereunder as the beneficiaries of, or as third-party beneficiaries under this Agreement.

2.2 Acceptance of Escrow Bank

The Escrow Bank hereby agrees to act as such and to accept all payments and other amounts to be delivered to and held by the Escrow Bank pursuant to the provisions of this Agreement. The Escrow Bank shall hold and safeguard the Escrow Account during the term of this Agreement and shall treat the amount in the Escrow Account as monies deposited by the Authority with the Escrow Bank. In performing its functions and duties under this Agreement, the Escrow Bank shall act in trust for the benefit of, and as agent for, the Authority and the Concessionaire or their nominees, successors or assigns, in accordance with the provisions of this Agreement.

2.3 Establishment and operation of Escrow Account

2.3.1 Within 30 (thirty) days from the date of this Agreement, and in any case prior to the COD, the Concessionaire shall open and establish the Escrow Account with the Panchvati, Nashik Branch of the Escrow Bank.
The Escrow Account shall be denominated in Rupees.

2.3.2 The Escrow Bank shall maintain the Escrow Account in accordance with the terms of this Agreement and its usual practices and applicable regulations and pay the maximum rate of interest payable to similar customers on the balance in the said account from time to time.

2.3.3 The Escrow Bank and the Concessionaire shall agree on the detailed mandates, terms and conditions, and operating procedures for the Escrow Account, but in the event of any conflict or inconsistency between this Agreement and such mandates, terms and conditions or procedures, this Agreement shall prevail.

2.4 Escrow Bank's fee

The Escrow Bank shall be entitled to receive its fee and expenses in an amount, and at such times, as may be agreed between the Escrow Bank and the Concessionaire. For

TP LUMINAIRE PRIVATE LIMITED

the avoidance of doubt, such fee and expenses shall form part of the O&M Expenses. Such fees and expenses shall be equally borne by the Concessionaire and Authority.

2.5 Rights of the parties

The rights of the Authority and the Concessionaire in the monies held in the Escrow Account are set forth in their entirety in this Agreement and the Authority and the Concessionaire shall have no other rights against or to the monies in the Escrow Account.

3 DEPOSITS INTO ESCROW ACCOUNT

3.1 Deleted

3.2 Deposits by the Authority

The Authority agrees and undertakes that, as and when due and payable, it shall deposit into and/or credit the Escrow Account with:

(a) The Authority agrees and undertakes that, upon opening of the Escrow Bank Account, the Authority shall forthwith deposit the amount equivalent to three (3) month of electricity bills of the period prior to implementation of the Project ; After that for each month, the Authority will deposit an amount equal to last month of MSEDCL's bill x 100 / (100 - guaranteed saving quoted by the Concessionaire).

And

(b) Termination Payments:

Provided that, notwithstanding the provisions of Clause 4.1.1, the Authority shall be entitled to appropriate from the aforesaid amounts, any Concession Fee due and payable to it by the Concessionaire, and the balance remaining shall be deposited into the Escrow Account.

3.3 Interest on deposits

The Escrow Bank agrees and undertakes that all interest accruing on the balances of the Escrow Account shall be credited to the Authority's Account _____(interest account) annually.

4 WITHDRAWALS FROM ESCROW ACCOUNT

4.1 Withdrawals during Concession Period

4.1.1 Within a first week of every month, the Concessionaire, will raise the invoice with the Escrow Bank and the Authority for verification. The Authority shall verify the invoice and issue release order by 21st day of the same month. The Escrow Bank, after receiving release order from the Authority shall withdraw amounts from the Escrow Account and appropriate them in the following order by depositing such amounts in the relevant Sub-

Accounts for making due payments, and if such payments are not due in any month, then retain such monies in such Sub-Accounts and pay out therefrom on the Payment Date(s). If the Authority, post raising such invoice by the Concessionaire, doesn't issue release order by 21st day of the same month, the Escrow Bank shall forthwith process the invoice and release the payment from Escrow Account as per the following order as given below.

(a) MSEDCL electricity bill payment

(b) All government taxes due and payable by the Concessionaire for and in respect of the project as applicable as per law

(c) Authority's revenue share due and payable to the Authority out of revenue generated by Energy saving

(d) All penalty, payments and Damages certified by the Authority as due and payable to it by the Concessionaire; and

(e) Deleted

(f) Share in Energy saving revenue to Concessionaire, Subject to deduction if any

(g) Balance, if any, in accordance with the instructions of the Authority.

4.1.2 No later than 60 (sixty) days prior to the commencement of each Accounting Year, the Concessionaire shall provide to the Escrow Bank, details of the amounts likely to be required for each of the payment obligations set forth in this Clause 4.1; provided that such amounts may be subsequently modified, with prior written approval of the Authority, if fresh information received during the course of the year makes such modification necessary.

4.2 Withdrawals upon Termination

Upon Termination of the Concession Agreement, all amounts standing to the credit of the Escrow Account shall, notwithstanding anything in this Agreement, be appropriated and dealt with in the following order:

(a) MSEDCL electricity bill payment

(b) All government taxes due and payable by the Concessionaire for and in respect of the Project as applicable as per law

(c) Authority Revenue share due and payable to the Authority out of Revenue generated by Energy saving

(d) All penalty, payments and Damages certified by the Authority as due and payable to it by the Concessionaire; and

(e) Deleted

(f) Share in Energy saving revenue to Concessionaire, Subject to deduction if any

(g) Balance, if any, in accordance with the instructions of the Authority

Provided that the disbursements specified in Sub-clause (i) of this Clause 4.2 shall be undertaken only after the Vesting Certificate has been issued by the Authority.

4.3 Application of insufficient funds

Funds in the Escrow Account shall be applied in the serial order of priority set forth in Clauses 4.1 and 4.2, as the case may be. If the funds available are not sufficient to meet all the requirements, the Escrow Bank shall apply such funds in the serial order of priority until exhaustion thereof.

4.4 Application of insurance proceeds

Notwithstanding anything in this Agreement, the proceeds from all insurance claims, except life and injury, shall be deposited into and/or credited to the Escrow Account and utilised for any necessary repair, reconstruction, reinstatement, replacement, improvement, delivery or installation of the Project, and the balance remaining, if any, shall be applied in accordance with the provisions of this Agreement.

4.5 Withdrawals during Suspension

Notwithstanding anything to the contrary contained in this Agreement, the Authority may exercise all or any of the rights of the Concessionaire during the period of Suspension under Article 33 of the Concession Agreement. Any instructions given by the Authority to the Escrow Bank during such period shall be complied with as if such instructions were given by the Concessionaire under this Agreement and all actions of the Authority hereunder shall be deemed to have been taken for and on behalf of the Concessionaire.

5 OBLIGATIONS OF THE ESCROW BANK

5.1 Segregation of funds

Monies and other property received by the Escrow Bank under this Agreement shall, until used or applied in accordance with this Agreement, be held by the Escrow Bank in trust for the purposes for which they were received, and shall be segregated from other funds and property of the Escrow Bank.

5.2 Notification of balances

7 (seven) business days prior to each Payment Date (and for this purpose the Escrow Bank shall be entitled to rely on an affirmation by the Concessionaire as to the relevant Payment Dates), the Escrow Bank shall notify the Authority of the balances in the Escrow Account and Sub-Accounts as at the close of business on the immediately preceding business day.

5.3 Communications and notices

In discharge of its duties and obligations hereunder, the Escrow Bank:

(a) may, in the absence of bad faith or gross negligence on its part, rely as to any matters of fact which might reasonably be expected to be within the knowledge of the Concessionaire upon a certificate signed by or on behalf of the Concessionaire;

(b) may, in the absence of bad faith or gross negligence on its part, rely upon the authenticity of any communication or document believed by it to be authentic;

(c) shall, within 5 (five) business days after receipt, deliver a copy to the Authority of any notice or document received by the Escrow Bank in its capacity as the Escrow Bank from the Concessionaire or any other person hereunder or in connection herewith; and

(d) shall, within 5 (five) business days after receipt, deliver a copy to the Concessionaire of any notice or document received by the Escrow Bank from the Authority in connection herewith.

5.4 No set off

The Escrow Bank agrees not to claim or exercise any right of set off, banker's lien or other right or remedy with respect to amounts standing to the credit of the Escrow Account. For the avoidance of doubt, it is hereby acknowledged and agreed by the Escrow Bank that the monies and properties held by the Escrow Bank in the Escrow Account shall not be considered as part of the assets of the Escrow Bank and being trust property, shall in the case of bankruptcy or liquidation of the Escrow Bank be wholly excluded from the assets of the Escrow Bank in such bankruptcy or liquidation.

5.5 Regulatory approvals

The Escrow Bank shall use its best efforts to procure, and thereafter maintain and comply with, all regulatory approvals required for it to establish and operate the Escrow Account. The Escrow Bank represents and warrants that it is not aware of any reason why such regulatory approvals will not ordinarily be granted to the Escrow Bank.

6 ESCROW DEFAULT

6.1 Escrow Default

6.1.1 In the event of default by the Authority under this Agreement, the provisions of Clause 11 of the Concession Agreement shall apply.

(a) Deleted

(b) Deleted

(c) Deleted

7 TERMINATION OF ESCROW AGREEMENT

7.1 Duration of the Escrow Agreement

This Agreement shall remain in full force and effect as per the clause 4 of the Concession Agreement (7 years), unless terminated earlier by consent of all the Parties or otherwise in accordance with the provisions of this Agreement.

7.2 Substitution of Escrow Bank

The Concessionaire may, by not less than 45 (forty five) days prior notice to the Escrow Bank and the Authority, and with the written consent of the Authority (NMC), terminate this Agreement and appoint a new Escrow Bank, provided that arrangements are made satisfactory to the Authority for transfer of amounts deposited in the Escrow Account to a new Escrow Account established with the successor Escrow Bank. The termination of this Agreement shall take effect only upon coming into force of an Escrow Agreement with the substitute Escrow Bank.

7.3 Closure of Escrow Account

The Escrow Bank shall, at the request of the Concessionaire made on or after the payment by the Concessionaire of all outstanding amounts under the Concession Agreement including the payments specified in Clause 4.2, and upon confirmation of receipt of such payments, close the Escrow Account and Sub-Accounts and pay any amount standing to the credit thereof to the Concessionaire. Upon closure of the Escrow Account hereunder, the Escrow Agreement shall be deemed to be terminated.

8 Deleted

9 INDEMNITY

9.1 General indemnity

9.1.1 The Concessionaire will indemnify, defend and hold the Authority and Escrow Bank harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of any breach by the Concessionaire of any of its obligations under this Agreement or on account of failure of the Concessionaire to comply with Applicable Laws and Applicable Permits.

9.1.2 The Authority will indemnify, defend and hold the Concessionaire harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Authority to fulfil any of its obligations under this Agreement materially and adversely affecting the performance of the Concessionaire's obligations under the Concession Agreement or this Agreement other than any loss, damage, cost and expense arising out of acts done in discharge of their lawful functions by the Authority, its officers, servants and agents.

9.1.3 The Escrow Bank will indemnify, defend and hold the Concessionaire harmless against any and all proceedings, actions and third party claims for any loss, damage, cost and expense arising out of failure of the Escrow Bank to fulfil its obligations under this Agreement materially and adversely affecting the performance of the Concessionaire's obligations under the Concession Agreement other than any loss, damage, cost and expense, arising out of acts done in discharge of their lawful functions by the Escrow Bank, its officers, servants and agents.

9.2 Notice and contest of claims

In the event that any Party hereto receives a claim from a third party in respect of which it is entitled to the benefit of an indemnity under Clause 9.1 or in respect of which it is entitled to reimbursement (the **"Indemnified Party"**), it shall notify the other Party responsible for indemnifying such claim hereunder (the "**Indemnifying Party")** within 15 (fifteen) days of receipt of the claim and shall not settle or pay the claim without the prior approval of the Indemnifying Party, which approval shall not be unreasonably withheld or delayed. In the event that the Indemnifying Party wishes to contest or dispute the claim, it may conduct the proceedings in the name of the Indemnified Party and shall bear all costs involved in contesting the same. The Indemnified Party shall provide all cooperation and assistance in contesting any claim and shall sign all such writings and documents as the Indemnifying Party may reasonably require.

10 DISPUTE RESOLUTION

As per Clause 20 from the Concession Agreement. It is agreed between the Parties that Clause 20 of the Concession Agreement is deemed to be incorporated by reference in this Agreement.

11 MISCELLANEOUS PROVISIONS

11.1 Governing law and jurisdiction

This Agreement shall be construed and interpreted in accordance with and governed by the laws of India, and the Courts at Nashik shall have jurisdiction over all matters arising out of or relating to this Agreement.

11.2 Waiver of sovereign immunity

The Authority unconditionally and irrevocably:

(a) agrees that the execution, delivery and performance by it of this Agreement constitute commercial acts done and performed for commercial purpose;

(b) agrees that, should any proceedings be brought against it or its assets, property or revenues in any jurisdiction in relation to this Agreement or any transaction contemplated by this Agreement, no immunity (whether by reason of sovereignty or otherwise) from such proceedings shall be claimed by or on behalf of the

Authority with respect to its assets;

(c) waives any right of immunity which it or its assets, property or revenues now has, may acquire in the future or which may be attributed to it in any jurisdiction; and

(d) consents generally in respect of the enforcement of any judgment or award against it in any such proceedings to the giving of any relief or the issue of any process in any jurisdiction in connection with such proceedings (including the making, enforcement or execution against it or in respect of any assets, property or revenues whatsoever irrespective of their use or intended use of any order or judgment that may be made or given in connection therewith).

11.3 Priority of agreements

In the event of any conflict between the Concession Agreement and this Agreement, the provisions contained in the Concession Agreement shall prevail over this Agreement.

11.4 Alteration of terms

All additions, amendments, modifications and variations to this Agreement shall be effectual and binding only if in writing and signed by the duly authorised representatives of the Parties.

11.5 Waiver

11.5.1 Waiver by any Party of a default by another Party in the observance and performance of any provision of or obligations under this Agreement:

(a) shall not operate or be construed as a waiver of any other or subsequent default hereof or of other provisions of or obligations under this Agreement;

(b) shall not be effective unless it is in writing and executed by a duly authorised representative of the Party; and

(c) shall not affect the validity or enforceability of this Agreement in any manner.

11.5.2 Neither the failure by any Party to insist on any occasion upon the performance of the terms, conditions and provisions of this Agreement or any obligation thereunder nor time or other indulgence granted by any Party to another Party shall be treated or deemed as waiver of such breach or acceptance of any variation or the relinquishment of any such right hereunder.

11.6 No third party beneficiaries

This Agreement is solely for the benefit of the Parties and no other person or entity shall have any rights hereunder.

11.7 **Survival**

11.7.1 Termination of this Agreement:

(a) shall not relieve the Parties of any obligations hereunder which expressly or by implication survive termination hereof; and

(b) except as otherwise provided in any provision of this Agreement expressly limiting the liability of either Party, shall not relieve either Party of any obligations or liabilities for loss or damage to the other Party arising out of, or caused by, acts or omissions of such Party prior to the effectiveness of such termination or arising out of such termination.

11.7.2 All obligations surviving the cancellation, expiration or termination of this Agreement shall only survive for a period of 3 (three) months following the date of such termination or expiry of this Agreement.

11.8 **Severability**

If for any reason whatever any provision of this Agreement is or becomes invalid, illegal or unenforceable or is declared by any court of competent jurisdiction or any other instrumentality to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions shall not be affected in any manner, and the Parties will negotiate in good faith with a view to agreeing to one or more provisions which may be substituted for such invalid, unenforceable or illegal provisions, as nearly as is practicable to such invalid, illegal or unenforceable provision. Failure to agree upon any such provisions shall not be subject to dispute resolution under Clause 10.1 of this Agreement or otherwise.

11.9 **Successors and assigns**

This Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

11.10 **Notices**

All notices or other communications to be given or made under this Agreement shall be in writing, shall either be delivered personally or sent by courier or registered post with an additional copy to be sent by facsimile or e-mail. The address for service of each Party, its facsimile number or e-mail are set out under its name on the signing pages hereto. A notice shall be effective upon actual receipt thereof save that where it is received after 5.30 (five thirty) p.m. on a business day or on a day that is not a business day, the notice shall be deemed to be received on the first business day following the date of actual receipt. Without prejudice to the foregoing, a Party giving or making a notice or communication by facsimile or e-mail shall promptly deliver a copy thereof personally or send it by courier or registered post to the addressee of such notice or communication. It is hereby agreed and acknowledged that any Party may by notice change the address to which such notices and communications to it are to be delivered or mailed. Such change shall be effective when all the Parties have notice of it.

TPLUMINAIRE PRIVATE LIMITED

424/14

11.11 Language

All notices, certificates, correspondence and proceedings under or in connection with this Agreement shall be in English.

11.12 Authorised representatives

Authorized representatives from each of the parties to whom only all communications shall be made are as follows.

1 TP Luminaire Private Limited: Director/ Project Manager
2. Union Bank of India: Brach Manager/ Deputy Manager
3. Nashik Municipal Corporation: CAFO, NMC, Nashik / Executive Engineer, Electrical, NMC, Nashik

A Party hereto shall be entitled to remove and/or substitute or make fresh appointment of such authorized representative by similar notice.

11.13 Original Document

This Agreement may be executed in four counterparts, each of which when executed and delivered shall constitute an original of this Agreement. The original copy of the signed Escrow Agreement shall remain with the Authority and the true copies of the same shall be shared with each of the parties.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED AND DELIVERED THIS AGREEMENT AS OF THE DATE FIRST ABOVE WRITTEN.

Sub: Project: Smart LED Street Light - Hardship faced due to Financial Crunch by System Integrator, Impact of Covid-19 / other delays

Ref:
1. Work Order no HO.03 dated 20th August 2019
2. TPLL-NMC-SC/08-148 dated 23rd November 2020
3. TPLL-NMC-SC/08-148 dated 23rd November 2020
4. TPLL-NMC-SC/08-159 dated 14th December 2020

Respected Sir,

This is in continuation to our aforesaid communications, wherein we have highlighted the various impacts and the consequent losses suffered by the Concessionaire.

We reiterate that since the inception stage, there were various issues/constraints faced which were beyond our control and the authorities were requested to provide timely resolutions for minimizing the said delays. Also, the project suffered due to outbreak of Covid-19 pandemic/ lockdown restrictions from Mar'20 and the works could not be completed as per the original completion date. In order to complete the installation works, the Concessionaire had to extend its stay on the project, thus delaying the realization of Energy Savings. **All our vendor had been serving to citizen of Nashik in Pandemic time at their capabilities and risking their lives. Even in Pandemic,** with additional Cost & efforts, we arranged necessary machineries and alternatives to support emergency service of Street lights. Vendors had to make extra payment to retain appropriate skills of manpower. **Vendor has been starving for payment of the served period as we have not been able to make payment to them due to crunches of the fund awaiting realization of payment from NMC.**

Accordingly, we have requested your office to pay our entitled/ due payments towards our share of energy savings for the period of **May'20 to Nov-20 (Invoice Month June'20 to Dec'20) which amounts to Rs. 10.11 cr. and to issue the completion certificate for installation works as on 30th Nov 2020. Apart from this, we had incurred additional expenses amounting to Rs. 0.46 cr. towards idling of deployed resources due to Covid-19 outbreak** and the same have been submitted for your kind consideration.

Further, you may please appreciate that this being a PPP model project, the Concessionaire has made huge investments to substantially complete the installation works, without receiving any monetary

benefits from the Authority. Moreover, the **cash flows of the project have been severely affected and we are facing difficulty to repay our vendors and to receive further funding from our banks/financial institutions. We anticipate that the works may come to a halt by itself unless immediate financial support is extended by your good office.**

Considering to above, we request you to pay our claim towards our share of energy savings from Jun'20 till date as summarized in below table:

Sr. No.	Energy Saving Month	Billing Month	TPLL Share (in Rs.)
	A) Losses of our share of Energy savings		
1	May'20	Jun'20	98,17,355.66
2	Jun'20	Jul'20	1,03,31,469.96
3	Jul'20	Aug'20	1,16,82,326.24
4	Aug'20	Sep'20	1,36,76,873.90
5	Sep'20	Oct'20	1,56,04,367.71
6	Oct'20	Nov'20	1,77,28,500.63
7	Nov'20	Dec'20	1,83,12,192.61
	B) Additional Costs due to Covid 19 Restrictions		
8		Mar – June 2020	46,00,000.00
	Total		**10,11,53,086.70**

The detailed calculations for the same have been annexed herewith under Appendix A.

In the aforesaid background, **we solicit your support and look forward for the earliest release of the said amounts in the best interests of the project.**

Thanking you and assuring you of our best services at all times.

3. TPLL-NMC-SC/08-148 dated 23rd November 2020

Sub: Impact of Covid 19 / other delays – Consequent Losses due to delay in realization of Energy Savings.

Dear Sir,

We refer to the above subject and wish to deliberate further on the various impacts / Losses being faced by the concessionaire under this ESCO model.

1. At the outset, we draw your attention to the concession agreement executed between the parties. The aforesaid agreement is based on PPP model, wherein the Concessionaire is required to invest the capital for the installation of LED streetlights and incur the expenditure for the execution of the project, without receiving any revenue from the Authority. In return, the Concessionaire will be entitled only to its share of energy savings fee and operation & maintenance fee during the O&M period.

2. Further, the Concessionaire had anticipated that the installation works will be completed as per the original completion date i.e. Jun'20. However, right from the commencement of the project, we have been facing various issues/ constraints which are beyond the control the control of TPLL. In this regards, we have been requesting the Authorities from time to time to provide resolutions and at the same time we were making our best efforts to mitigate the said delays.

3. To compound the said delays caused, the project also suffered due to outbreak of Covid 19 pandemic / lockdown restrictions beyond Mar 2020 and we could not finish the installation works by June 2020. As a result, the Concessionaire had to extend its stay for the completion of the installation works, thus deprived of raising invoices for Energy Savings for the already installed LED fixtures. On the other hand, we had also incurred additional expenses of INR 0.46 Cr towards idling of our deployed resources and the same have been submitted / under consideration with your good offices.

TP LUMINAIRE

4. Despite these constraints, we had completed installation of near to 90% of LED fixtures by end of Nov 2020; thus making us also eligible for the completion certificate apart from the delays / losses in realization of our share of Energy savings. We are following up for the same with your good offices.

5. We had completed substantially the installation works by making huge investments and is currently facing substantial cash flow problems due to extended installation phase / delay in energy savings for reasons not attributable to us. On the other hand, NMC has been enjoying the energy savings / other benefits of installed fixtures.

6. Nevertheless, in the best interest of the citizens of Nashik, we have continued to perform / inducing funds.

7. In view of the aforesaid background, you may please appreciate that the cash flows have been severally affected making it financially non-viable for TPLL. In addition, we are also facing issues from banks/ financial institutions to further fund the project. We anticipate that the works may come to a halt by itself unless immediate financial support is extended by your good offices.

8. Accordingly, we request you to pay our entitled / due amounts towards our share of energy savings from Jun'20 till date as summarized in below table and also request your good offices to issue completion certificate for installation works as on 30th Nov 2020:

Sr. No.	Billing Month	TPLL Share (in Rs.)
A) Losses of our share of Energy savings		
1	Jun'20	98,17,355.66
2	Jul'20	1,03,31,469.96
3	Aug'20	1,16,82,326.24
4	Sep'20	1,36,76,873.90
5	Oct'20	1,56,04,367.71
6	Nov'20	1,77,28,500.63
7	Dec'20	1,83,12,192.61
B) Additional Costs due to Covid 19 Restrictions		
8	Mar – June 2020	46,00,000.00
Total		**10,11,53,086.70**

The detailed calculations for the same have been annexed herewith under Appendix A.

We trust that our above submission is in order and look forward for an earliest release of the said amounts in the best interests of the project.

Subject: Regarding approval on completion of PSCM 60% milestone nos. 3 & 4 (50% and 75% completion)

Reference: Letter no. PMC/129/2020-21, dt.14th July 2020

Dear Sir,

At the onset we would like to thank you for the opportunity to work with you on an ambitious and important project like Smart LED Street Light.

As per the 12th Board meeting of NMSCDCL dated 18th July 2019, the payment terms towards 60 % payment of Project Supervision, Contract Management and Monitoring (PSCM) to PMC are finalized following defined milestones specific to each project as mentioned in the table below:

Sr No	Milestones	Payment
1	Issue of Work Order	20%
2	25% Completion of Project	20%
3	50% Completion of Project	20%
4	75% Completion of Project	20%
5	100% Completion of Project	20%

We would like to inform that under the Project: Nasik Smart Lighting , we have published an RFP, completed process of bid management and on boarding of a vendor. The work order regarding the same has been issued on 20th August 2019.

We would like to inform you that until 21st Jan'2021 out of the total quantity of fixtures i.e. 93022 (as per finalized illumination designs), 79188 fixtures have been installed which

amounts to 85%. Out of the total quantity of 1525 GLM panels, 1291 panels have been installed which amounts to 84%.

In addition to this, PMC has assisted NMC in finalization of illumination designs, finalization of draft of escrow agreement and opening of an escrow account, onboarding of third pa energy auditor, review and verification of baseline and energy saving calculations. As p the directions of NMC, PMC has also submitted its observations and recommendation vide letter no. PMC/461/2020, dt. 21st Jan'2021 regarding compliance required by the concessionaire- M/s TPLPL for commencement of concession period in the project- Nasik Smart Lighting.

Thus, we would like to get your approval on PMC's completion of PSCM Milestones no. 3 & 4 i.e. 50 % and 75% completion of the project.

Regards,

29/1/2021

दिनांक ९ / २ /२०२१

आदेश:

नाशिक मनपा क्षेत्रात(पीपीपी मॉडेल) डिझाईन, बिल्ड, फायनान्स, ऑपरेट, मेंटेन, मॉनिटाईझ आणि ट्रान्सफर या तत्वावर मक्तेदार नेमणेसाठी जाहीर ई-निविदेव्दारे मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांना मा.स्थायी समिती ठराव क्र.३१४ दि.२८/०२/२०१९ रोजी मंजूर झालेल्या ठरावान्वये दि.२०/०८/२०१९ रोजी मे.टी.पी.ल्युमिनियर्स प्रा.लि.(एसपीव्ही) यांना कार्यादेश देण्यात आला आहे.

निविदा अटी-शर्तींनुसार सदर प्रकल्पासाठी मान्यता घेऊन युनियन बँक ऑफ इंडीया या राष्ट्रीयीकृत बँकेत ESCROW Account उघडण्यात आले आहे. त्यात निविदा अटी-शर्ती नुसार व मनपा करारनामा कलम ४.२ नुसार सुरवातीला तिन महिन्यांची पथदिप बिलांची रक्कम डिपॉझीट म्हणून मनपा मार्फत जमा करावी लागेल. पथदिपांचे बेसलाईन प्रमाणे(RFP Clause 4.9.1.2,Pg.58) सरासरी तीन महिन्यांची वीज बिलाची रक्कम अंदाजे रु.८.२५ कोटी होत असून सदरची रक्कम ESCROW Account मध्ये डिपॉझीट म्हणून मनपा मार्फत भरणा करण्यात येईल. त्यानंतर ESCROW करारनाम्याच्या Clause 3.2 प्रमाणे पुढील प्रत्येक महिन्यात रक्कम अदा करण्यात येईल. त्या रकमेतून पुढील प्रमाणे देयके अदा होतील.

अ) पथदीपांचे मासीक वीजबिल म.रा.वि.वि. कंपनीस अदा होईल.

ब) बचतीतून मनपाचा ५% हिस्सा मनपास जाईल.

क) सर्व सरकारी कर व दंड अदा केले जातील.

ड) नंतर उर्वरीत रक्कम मे.टी.पी.ल्युमिनियर्स प्रा.लि. यांना अदा होईल.

सदर ESCROW Account मध्ये सुरुवातीस रक्कम रु.८.२५ कोटी डिपॉझीट म्हणून ठेवावयाचे आहेत. तदनंतर प्रत्येक महिन्याचे वीज बिल जनरेट झाल्यानंतर सदर ESCROW Account मधून वीज बिलाची रक्कम वजा होईल व बेस लाईन निश्चीत करुन त्याची रक्कम सदर ESCROW Account मध्ये मनपास जमा करावी लागणार आहे. म्हणजेच खात्यामध्ये करारानुसार रक्कम रु.८.२५ कोटी फ्लेक्झी डिपॉझीट म्हणून कायम ठेवावयाची आहे.

मे.टी.पी.ल्युमिनियर्स प्रा.लि. यांना दरमहा दिल्या जाणाऱ्या त्यांच्या हिश्श्याची रक्कम "विजेचा खर्च संगणक कोड क्र.२३९८" या सदरातून करणेत येईल. सदर लेखाशिर्षामध्ये सन २०२१-२२ च्या अर्थसंकल्पात र.रू.४८.०० कोटी इतकी तरतूद उपलब्ध आहे. तसेच आगामी प्रत्येक आर्थिक वर्षासाठी या सदरी तरतूद उपलब्ध करावी लागेल.

मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांनी संदर्भिय पत्र क्र.७ अन्वये Concession period सुरु करणे बाबत केलेली मागणी व त्यावर प्रकल्पाचे सल्लागार मे.KPMG ॲडव्हायजरी सर्वीसेस यांनी संदर्भ क्र.८ प्रमाणे दि.२१/०१/२०२१ अहवाल दिला आहे. त्यात नोव्हेंबर-२०२० अखेर प्रकल्पाचे ८०% installation पुर्ण झाले आहे, यास्तव Concessionaire मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांचा ०१ डिसेंबर-२०२०(०१/१२/२०२०) पासून Concession Period (एकूण ८४ महिने) सुरु करता येईल असे अहवालात नमूद आहे.

तरी उपरोक्त प्रमाणे मे.KPMG ॲडव्हायजरी सर्वीसेस यांचा अहवाल विचारात घेता मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांनी ८०% installation नोव्हेंबर-२०२० अखेर पुर्ण केले असल्याने, व निविदा अटी-शर्ती क्र. 4.4 Corrigendum 5 Dt.18/01/2019 नुसार ८०% installation केल्या नंतर देखभाल दुरुस्तीचा कालावधी सुरु करता येईल अशी तरतूद असल्याने मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांचा विषयांकीत प्रकल्पाचा Operation & Maintenance कालावधी (Concession period) दिनांक ०१ डिसेंबर-२०२० पासून सुरु करणेस मान्यता देण्यात येत आहे.

तसेच महाराष्ट्र शासनाच्या MEDA संस्थेच्या पॅनल वरील Third Party Auditor यांचे कडून Base Line तपासून त्याप्रमाणे यापुढे मे.टी.पी.ल्युमिनियर्स प्रा.लि. यांची दरमहाची देयके, युनियन बँक ऑफ इंडीया, पंचवटी शाखा येथे उघडणेत आलेल्या Smart lighting ESCROW Account मधून निविदा अटी-शर्तींनुसार अदा करणेस मान्यता देण्यात येत आहे.

आयुक्त,

आदेश:

नाशिक मनपा क्षेत्रात(पीपीपी मॉडेल) डिझाईन, बिल्ड, फायनान्स, ऑपरेट, मेंटेन, मॉनिटाईझ आणि ट्रान्सफर या तत्वावर मक्तेदार नेमणेसाठी जाहीर ई-निविदेव्दारे मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांना मा.स्थायी समिती ठराव क्र.३१४ दि.२८/०२/२०१९ रोजी मंजूर झालेल्या ठरावान्वये दि.२०/०८/२०१९ रोजी मे.टी.पी.ल्युमिनियर्स प्रा.लि.(एसपीव्ही) यांना कार्यादेश देण्यात आला आहे.

निविदा अटी-शर्तींनुसार सदर प्रकल्पासाठी मान्यता घेऊन युनियन बँक ऑफ इंडीया या राष्ट्रीयीकृत बँकेत ESCROW Account उघडण्यात आले आहे. त्यात निविदा अटी-शर्ती नुसार व मनपा करारनामा कलम ४.२ नुसार सुरवातीला तिन महिन्यांची पथदिप बिलांची रक्कम डिपॉझीट म्हणून मनपा मार्फत जमा करावी लागेल. पथदिपांचे बेसलाईन प्रमाणे(RFP Clause 4.9.1.2,Pg.58) सरासरी तीन महिन्यांची वीज बिलाची रक्कम अंदाजे रू.८.२५ कोटी होत असून सदरची रक्कम ESCROW Account मध्ये डिपॉझीट म्हणून मनपा मार्फत भरणा करण्यात येईल. त्यानंतर ESCROW करारनाम्याच्या Clause 3.2 प्रमाणे पुढील प्रत्येक महिन्यात रक्कम अदा करण्यात येईल. त्या रकमेतून पुढील प्रमाणे देयके अदा होतील.

अ) पथदीपांचे मासीक वीजबिल म.रा.वि.वि. कंपनीस अदा होईल.

ब) बचतीतून मनपाचा ५% हिस्सा मनपास जाईल.

क) सर्व सरकारी कर व दंड अदा केले जातील.

ड) नंतर उर्वरीत रक्कम मे.टी.पी.ल्युमिनियर्स प्रा.लि. यांना अदा होईल.

सदर ESCROW Account मध्ये सुरूवातीस रक्कम रू.८.२५ कोटी डिपॉझीट म्हणून ठेवावयाचे आहेत. तदनंतर प्रत्येक महिन्याचे वीज बिल जनरेट झाल्यानंतर सदर ESCROW Account मधून वीज बिलाची रक्कम वजा होईल व बेस लाईन निश्चीत करून त्याची रक्कम सदर ESCROW Account मध्ये मनपास जमा करावी लागणार आहे. म्हणजेच खात्यामध्ये करारानुसार रक्कम रू.८.२५ कोटी फ्लेक्झी डिपॉझीट म्हणून कायम ठेवावयाची आहे.

मे.टी.पी.ल्युमिनियर्स प्रा.लि. यांना दरमहा दिल्या जाणाऱ्या त्यांच्या हिश्श्याची रक्कम "विजेचा खर्च संगणक कोड क्र.२३९८" या सदरातून करणेत येईल. सदर लेखाशिर्षामध्ये सन २०२१-२२ च्या अर्थसंकल्पात र.रू.४८.०० कोटी इतकी तरतूद उपलब्ध आहे. तसेच आगामी प्रत्येक आर्थिक वर्षासाठी या सदरी तरतूद उपलब्ध करावी लागेल.

मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांनी संदर्भिय पत्र क्र.७ अन्वये Concession period सुरू करणे बाबत केलेली मागणी व त्यावर प्रकल्पाचे सल्लागार मे.KPMG ॲडव्हायजरी सर्वीसेस यांनी संदर्भ क्र.८ प्रमाणे दि.२१/०१/२०२१ अहवाल दिला आहे. त्यात नोव्हेंबर-२०२० अखेर प्रकल्पाचे ८०% installation पुर्ण झाले आहे, यास्तव Concessionaire मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांचा ०१ डिसेंबर-२०२०(०१/१२/२०२०) पासून Concession Period (एकूण ८४ महिने) सुरू करता येईल असे अहवालात नमूद आहे.

तरी उपरोक्त प्रमाणे मे.KPMG ॲडव्हायजरी सर्वीसेस यांचा अहवाल विचारात घेता मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांनी ८०% installation नोव्हेंबर-२०२० अखेर पुर्ण केले असल्याने, व निविदा अटी-शर्ती क्र. 4.4 Corrigendum 5 Dt.18/01/2019 नुसार ८०% installation केल्या नंतर देखभाल दुरुस्तीचा कालावधी सुरू करता येईल अशी तरतूद असल्याने मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांचा विषयांकीत प्रकल्पाचा Operation & Maintenance कालावधी (Concession period) दिनांक ०१ डिसेंबर-२०२० पासून सुरू करणेस मान्यता देण्यात येत आहे.

तसेच महाराष्ट्र शासनाच्या MEDA संस्थेच्या पॅनल वरील Third Party Auditor यांचे कडून Base Line तपासून त्याप्रमाणे यापुढे मे.टी.पी.ल्युमिनियर्स प्रा.लि. यांची दरमहाची देयके, युनियन बँक ऑफ इंडीया, पंचवटी शाखा येथे उघडणेत आलेल्या Smart lighting ESCROW Account मधून निविदा अटी-शर्तींनुसार अदा करणेस मान्यता देण्यात येत आहे.

नाशिक महानगरपालिका, नाशिक

विषय-: टी.पी. लुमिनर यांचे देयके अदा करणेबाबत...

महोदय,

मे.टी.पी.लुमिनर प्रा.लि. ही कंपनी नाशिक महानगरपालिका क्षेत्रात ऊर्जा बचतची कामे करीत आहेत. सदर कंपनीने नियुक्त केलेल्या व्हेंडर यांनी कोरोना काळात देखील सदरचे कोविड पँडेमिक चालु झाल्यानंतर अशा परिस्थितीचा सामन करत असतां येणा-या विविध त्रुटी व अडचणींचा मुकाबला करत लवकरांत लवकर काम पुर्ण करण्याचा प्रयत्न करीत आहेत. पँडेमिकच्या काळात होणारा अतिरिक्त खर्च व होणारे प्रयत्नातुन सर्वसामान्य जनतेला पथदिपशी निगडित सुविधा पुरविण्याचा ते प्रयत्न करीत आहेत.

सदरचा प्रकल्प हा पब्लिक प्रायव्हेट पार्टपरशिपवर आधारीतज आहे. तसेच टाटा प्रोजेक्ट्स समुहाने नाशिक महानगरपालिकेकडुन कोणतेही आर्थिक सहाय्य न घेता प्रकल्प पुर्ण करण्यासाठी मोठया प्रमाणांत गुंतवणुक केली आहे. तसेच महानगरपालिकेकडुन देय असलेली देयके त्यांना दिल्यामुळे व्हेंडर मोठया प्रमाणांत अडचणीत सापडलेले आहेत, त्यामुळे प्रकल्प पुर्णत्वास नेण्यास विलंब होऊ शकेल,

तेव्हा वरील सर्व बाबींचा विचार करता सदर कामाचे मनपास देय असलेले देयकाबाबतचा प्रस्ताव तात्काळ स्थायी समितीस सादर करणेबाबत संबंधितांना आदेश होणेस नम्र विनंती.

Sub: Impact of Covid 19 / other delays – Consequent Losses due to delay in realization of Energy Savings.

Dear Sir,

This is in continuation to our aforesaid communications, wherein we have highlighted the various impacts and the consequent losses suffered by the Concessionaire.

We reiterate that since the inception stage, there were various issues/constraints faced which were beyond our control and the authorities were requested to provide timely resolutions for minimizing the said delays. Also, the project suffered due to outbreak of Covid-19 pandemic/ lockdown restrictions from Mar'20 and the works could not be completed as per the original completion date. In order to complete the installation works, the Concessionaire had to extend its stay on the project, thus delaying the realization of Energy Savings. **All our vendor had been serving to citizen of Nashik in Pandemic time at their capabilities and risking their lives. Even in Pandemic,** with additional Cost & efforts, we arranged necessary machineries and alternatives to support emergency service of Street lights. Vendors had to make extra payment to retain appropriate skills of manpower. **Vendor has been starving for payment of the served period as we have been able to make payment to them due to crunches of the fund.**

Accordingly, we have requested your office to pay our entitled/ due payments towards our share of energy savings for the period of **May'20 to Nov-20 (Invoice Month June'20 to Dec'20) which amounts to Rs. 10.11 cr. and to issue the completion certificate for installation works as on 30th Nov 2020. Apart from this, we had incurred additional expenses amounting to Rs. 0.46 cr. towards idling of deployed resources due to Covid-19 outbreak** and the same have been submitted for your kind consideration.

Further, you may please appreciate that this being a PPP model project, the Concessionaire has made huge investments to substantially complete the installation works, without receiving any monetary

benefits from the Authority. Moreover, **the cash flows of the project have been severely affected and we are facing difficulty to repay our vendors and to receive further funding from our banks/financial institutions. We anticipate that the works may come to a halt by itself unless immediate financial support is extended by your good office.**

Considering to above, we request you to pay our claim towards our share of energy savings from Jun'20 till date as summarized in below table:

Sr. No.	Energy Saving Month	Billing Month	TPLL Share (in Rs.)
	A) Losses of our share of Energy savings		
1	May'20	Jun'20	98,17,355.66
2	Jun'20	Jul'20	1,03,31,469.96
3	Jul'20	Aug'20	1,16,82,326.24
4	Aug'20	Sep'20	1,36,76,873.90
5	Sep'20	Oct'20	1,56,04,367.71
6	Oct'20	Nov'20	1,77,28,500.63
7	Nov'20	Dec'20	1,83,12,192.61
	B) Additional Costs due to Covid 19 Restrictions		
8		Mar – June 2020	46,00,000.00
	Total		**10,11,53,086.70**

The detailed calculations for the same have been annexed herewith under Appendix A.

In the aforesaid background, we solicit your support and look forward for an earliest release of the said amounts in the best interests of the project.

Thanking you and assuring you of our best services at all times.

Yours faithfully,

Rajendra Inani

प्रति,

मा.मुख्य वित्त व लेखाधिकारी,
नाशिक महानगरपालिका,नाशिक.

विषय: नाशिक स्मार्ट लाईटींग प्रोजेक्ट करीता युनियन बँक ऑफ इंडीया, पंचवटी शाखा येथे उघडणेत आलेल्या Smart lighting ESCROW Account मध्ये फ्लेक्झी डिपॉझीट रक्कम जमा करणे बाबत.

संदर्भ: मा.आयुक्त सो. यांचे आदेश जा.क्र.मनपा/विद्युत/वशि/११०१/२०२१ दि.०९/०२/२०२१

महोदय,

नाशिक मनपा क्षेत्रात(पीपीपी मॉडेल) डिझाईन, बिल्ड, फायनान्स, ऑपरेट, मेंटेन, मॉनिटाईझ आणि ट्रान्सफर या तत्वावर मक्तेदार नेमणेसाठी जाहीर ई-निविदेव्दारे मे.टी.पी. ल्युमिनियर्स प्रा.लि. यांना मा.स्थायी समिती ठराव क्र.३१४ दि.२८/०२/२०१९ रोजी मंजूर झालेल्या ठरावान्वये दि.२०/०८/२०१९ रोजी मे.टी.पी.ल्युमिनियर्स प्रा.लि.(एसपीव्ही) यांना कार्यादेश देण्यात आला आहे.

सदर प्रकल्पासाठी निविदा अटी-शर्तींनुसार युनियन बँक ऑफ इंडीया,पंचवटी शाखा या राष्ट्रीयीकृत बँकेत ESCROW Account उघडण्यात आले आहे.

मा.आयुक्त महोदय यांनी संदर्भीय आदेशान्वये मान्यता दिले नुसार सदर ESCROW Account मध्ये " विजेचा खर्च संगणक कोड क्र.२३९८ " या सदरातून सुरवातीला तिन महिन्यांची पथदिप बिलांची रक्कम रु.८.२५ कोटी फ्लेक्झी डिपॉझीट म्हणून मनपा मार्फत जमा करणेत यावी.

तसेच प्रत्येक महिन्याचे वीज बिल अदा झाल्यानंतर कमी झालेली रक्कम पुन्हा ESCROW Account मध्ये जमा करणेत यावी. म्हणजेच खात्यामध्ये करारानुसार रक्कम रु.८.२५ कोटी फ्लेक्झी डिपॉझीट कायम ठेवणेत यावे ही विनंती.

Subject: Subject: Smart LED Street Lights- Response to the letter 'Hardship faced due to Financial Crunch by System Integrator, Impact of Covid-19 / other delays' dated 22 January 2021" ("Letter").

Dear Sir,

With reference to your email regarding Project- Smart LED Street Lights - Attention needed as SI is facing severe financial crunch, dt 23rd Jan'2021, please find attached our expert's observations.

Kind regards,

15/2/2021

Project Director

PMC

KPMG Advisory Services Private Limited, an Indian private limited company and a member firm of the KPMG network of independent member firms affiliated with KPMG International Cooperative ("KPMG International") a Swiss entity.

With reference to your email regarding "*Project- Smart LED Street Lights - Attention needed as SI is facing severe financial crunch*", we note that TP Luminaire Private Limited (hereinafter "**TPLPL**" **or** "**Concessionaire**") has requested a payment towards its share of energy savings for the period commencing from May 2020 to November 2020 (invoice month June 2020 to December 2020) totaling to an amount of INR 10,11,53,086.70 (Indian National Rupees Ten Crores Eleven Lakhs Fifty-Three Thousand Eighty Six Rupees and Seventy paise), including payments towards additional costs borne by TPLPL due to Covid-19 restrictions ("**Payments**"),

In this regard, following are the observations:

(1) At the outset, it is pertinent to refer to the provisions of the RFP bearing document no.: MAH-NAS-060-RFP-0 ("**RFP**") and Corrigendum 1 bearing number M.N.Pa./Vidyut/WS/683/2018 ("**Corrigendum**") (together referred to as "**RFP Documents**"), which prescribe the definition of concession period ("**Concession Period**") as under:

"7 (Seven) years and 9 (Nine) months and Fifteen (15) days including installation period of 9 months (extendable by 3 months with prescribed penalty) and remaining for O&M and energy savings payment
Survey Period: - 30 days
Implementation Period : - 8.5 months
O&M Period : - 7 Years".

(2) It may be noted that the RFP Documents clearly set out the duration of the implementation period to be 8.5 months upon completion of the survey period of 30 (thirty) days. As in the present case, the anticipated completion of the implementation period was scheduled to be due **5th June, 2020.**

(3) Further, We note that due to the outbreak of the pandemic Covid-19, TPLPL by its letter dated 19 March 2020, had invoked a '*force majeure event*' in accordance with clause 28 of the RFP. In response to the said letter, the Authority by letter having reference No./NMC/Ele/713/2020, dated 15 October 2020, had despite persistent delays and insufficient mobilization of manpower by TPLPL, granted a one-time extension of 6 (six) months to the Concessionaire to complete the remaining works without penalty i.e. ensure completion of works as under the implementation period by TPLPL by 30 November, 2020. This extension by the Authority (Nashik Municipal Corporation) was in furtherance of the GR No. F.18/4/2020-PPD, Government of India, Ministry of Finance, Department of Expenditure, Procurement Policy Division, dated 13 May 2020.

(4) It is also pertinent to note that the RFP provides for the revenue sharing model between the Authority and the Concessionaire wherein energy saving payments can be raised in accordance with clause 3.24.2 (v) of the RFP which sets out:

"*The Revenue sharing and NMC energy bill deposit will be start after the implementation period*".

Therefore, it is evident that the Concessionaire is eligible to receive energy saving payments only after the completion of the implementation period.

(5) Lastly, Clause 4.4 of the RFP provides as under:

"...
The escrow account is linked with the Corporation account. Start of the concession period: on completion of 80% installation as per RFP the concession period would commence accordingly, and baseline will be revised pro-rata for the interim period...."

As provided in the report by PMC vide letter no. PMC/461/2020-21,dated 21st Jan'2021.

In light of the aforesaid background, the request from the Concessionaire seeking energy saving payment from June'2020 to November'2020 cannot be accepted as not only has the Concessionaire completed the installation as under Clause 4.4 but also the conditions set out in Clause have not been fulfilled.

नाशिक महानगरपालिका,नाशिक

विषय:- नाशिक मनपा क्षेत्रात PPP तत्वावर स्मार्ट स्ट्रीट लाईट प्रकल्प राबविणे बाबत.

संदर्भ :-१) मा.महासंचालक महा उर्जा यांचे दि.१५/०९/२०१७ रोजीचे पत्र,मा.महाराष्ट्र शासन उर्जा संवर्धन शासन निर्णय क्र.अपाउ/२०१५/प्र.क्र.३७८/ उर्जा-७/धोरण/२०१७ दि.२२ जून २०१७.
२) मा.महासभा ठराव क्र.१३८० दि.१०/०१/२०१८
३) मा. स्थायी समिती ठराव क्रमांक ३१४, दिनांक २८/०२/२०१९.
४) इकडील कार्यालयाचे पत्र जा.क्र. ७१३/२०२०, दिनांक १५/०९/२०२०.
५) प्रकल्प सल्लागार मे.केपीएमजी यांचा अहवाल दिनांक २१/०१/२०२१.
६) प्रकल्प सल्लागार मे.केपीएमजी यांचा अहवाल दिनांक १६/०२/२०२१
७) मा.सभापती स्थायी समिती यांचे दि. ०२/०२/२०२१ रोजीचे पत्र.

नाशिक स्मार्ट सिटी (NMSCDCL) च्या प्रोजेक्ट भास्कर अंतर्गत ABD परिसरामध्ये ऊर्जा बचत करणारे स्मार्ट LED स्ट्रीट लाईटस (4112) लावण्याचे प्रस्तावित होते. त्यानुसार स्मार्ट सिटी प्रकल्प सल्लागार मे.केपीएमजी ह्यांनी डिपीआर बनवून सादर केलेला होता. परंतु इतक्या छोट्या प्रकल्पाची Financial Feasibility साध्य होत नव्हती. त्यामुळे बोर्ड मिटींग मध्ये हा प्रकल्प ABD परीसराऐवजी संपुर्ण मनपा क्षेत्रात (PAN City) राबविण्याचा निर्णय घेण्यात आला. त्यानुसार प्रकल्प सल्लागार मे.केपीएमजी ह्यांनी सुधारीत डिपीआर सादर केल.

त्यानुसार संदर्भ क्र. 2 अन्वये नाशिक मनपा क्षेत्रात PPP तत्वावर स्मार्ट स्ट्रिट लाईट लावणे व त्यांची सात वर्षापर्यंत देखभाल व दुरुस्ती करण्याच्या कामाची ई- निविदा प्रक्रिया राबविण्यात आली, सदर प्रकल्पाचे इंग्रजीत नांव खालीलप्रमाणे आहे.

कामाचे नांव
Request for proposal for selection of concessionaire for implementing smart led street lights in lieu of rights of sharing energy savings on public-private-partnership (PPP) basis for pan city area under Nashik city on design, build, finance, operate, maintain, monetize and transfer (DBFOMMT) basis

या प्रकल्पाच्या मुख्य ठळक बाबी खालील प्रमाणे

- सदर प्रकल्पात नाशिक शहरातील संपूर्ण पथदिवे हे स्मार्ट एलईडी लाईट्स मध्ये बदलले जाणार आहेत.
- सदर प्रकल्पात मनपास कोणतीही आर्थिक भांडवली गुंतवणूक करावी लागणार नाही.
- सदर प्रकल्पात पुढील किमान सात वर्ष पथदिप देखभाल दुरूस्ती कंपनी Concessionaire यांचे मार्फत करण्यात येणार आहे.
- सदर प्रकल्पात पथदिपांसाठी स्मार्ट पॅनल बसविणेत येणार आहेत.
- सदर प्रकल्पात २० स्मार्ट पोल उभारुन त्यावर ईमर्जन्सी कॉल बॉक्स,पब्लीक ॲड्रेस सिस्टीम व एन्व्हारमेंटल सेंन्सर्स बसविण्यात येणार आहेत.
- सदर प्रकल्पात ९० वॅट व त्यापुढील वॅटेजचे फिटींग्ज हे स्वतंत्ररित्या सुरू, बंद किवा त्याची प्रखरता कमी जास्त करता येणार आहे. तसेच ९० वॅट पेक्षा कमी वॅटेजच्या फिटींग्जचे फिडर लेव्हलला ग्रुप मॉनिटरींग होणार आहे.
- सदर प्रकल्पाकरीता मनपा मध्ये मध्यवर्ती कमांड कंट्रोल सेंटर (CCC) उभारणे व तेथुन संपुर्ण शहरातील स्मार्ट लाईटींग यंत्रणेचे व कंट्रोल बॉक्सचे Monitoring & Controlling करणे शक्य होणार आहे.
- सदर प्रकल्पाचा कंन्सेशन पिरीयड सात वर्ष असुन या कार्याकाळात मक्तेदार यांची देयके अदा करणेसाठी ESCROW Account उघडण्यात येणार आहे. त्यात मनपा मार्फत ESCROW करारनाम्यानुसार पथदिपांचे मासिक वीजबिलाची रक्कम भरणा करण्यात येणार आहे. त्यातून सर्वप्रथम पथदिपांचे मासिक वीजबिल महावितरण कंपनीस अदा होईल व त्यानंतर होणा-या बचतीतून मनपाचा हिस्सा मनपास जाईल. तसेच त्यातून सर्व सरकारी कर, दंड अदा केले नंतर उर्वरीत रक्कम Concessionaire यांना मिळणार आहे.

...२/

- सदर प्रकल्प राबविताना सर्व्हे अहवालानुसार आवश्यकते प्रमाणे पोल, केबल, बॉक्स, अर्थींग इत्यादी अनुषंगीक कामे सुरवातीस एक वेळेस मनपास करून दयावी लागणार आहेत व त्यानंतर त्याची देखभाल व दुरुस्ती Concessionaire यांनी पुढील सात वर्ष करावयाची आहे. फक्त पोल खराब झाला किंवा शिफ्टींग असेल तर ते मनपाने करावयाचे आहे.
- सदर प्रकल्पासाठी निविदा अटि शर्तींनुसार Concessionaire यांनी SPV (Special purpose vehicle) स्थापन करता येणार आहे. त्यामध्ये मुख्य Concessionaire कंपनीचे किमान ५१% भाग भांडवल असणेची अट आहे. Concessionaire यांनी SPV स्थापन केली तर करारनामा SPV बरोबर करावयाचा आहे.
- निविदा भरताना Concessionaire यांनी कमीत कमी वीजबचत कमीत कमी ५५% देणे व बचतीतून मनपास कमीत कमी ५% हिस्सा देणेची अट आहे.
- सदर प्रकल्पात प्रत्येक Concession Period सुरु झाल्यानंतर सहा महिन्यांनी शासकीय अभियांत्रिकी महाविदयालय/तंत्रनिकेतन/मेडा/शासनमान्य एनर्जी ऑडीटर किंवा एआयसीटीई अॅप्रुव्हड अभियांत्रिकी महाविद्यालय यांपैकी एका संस्थेकडून एनर्जी ऑडीट करणेत येणार आहे व त्यात ऑडीटरमार्फत वेळोवेळी सुचविलेले बदल Concessionaire यांना बंधनकारक आहेत.
- याप्रकल्पाच्या कन्सेशन कालावधी दरम्यान संपुर्ण देखभाल व दुरुस्तीची जबाबदारी मे.टी.पी. ल्युमिनिअर यांची राहणार असुन, त्यामुळे मनपाचा पथदिप दुरुस्ती साहीत्य खरेदी वार्षिक खर्च, सुमारे ४.०० कोटी इतकी मनपाची बचत होणार असुन अतिरिक्त लागणा-या मनुष्यबळ खर्चात देखील बचत होणार आहे.

उपरोक्त कामाची विद्युत विभागाकडील ई-निविदा सुचना क्र.३९ (२०१७-१८) अन्वये दि. २८/०३/२०१७ रोजी जाहिर ई- निविदा काढण्यात आल्यानंतर डेली फ्रि प्रेस, दैनिक सकाळ, दैनिक सामना, दैनिक प्रात:काळ या वृत्तपत्रांमध्ये प्रसिध्द करण्यात आली. दि. २८/०३/२०१८ ते २३/०५/२०१८ दरम्यान प्रथम कॉल व त्यानंतर दोन वेळेस मुदतवाढ देऊनही एकही निविदा प्राप्त झाली नाही, त्यामुळे सदर कामाची सुधारित निविदा तयार करुन निविदा सुचना क्र.३९ अन्वये फेरनिविदा काढण्यात आली. सदरच्या निविदा प्रक्रीयेमध्ये ३ वेळा मुदतवाढी अंती M/s.Inspira Enterprises India Pvt Ltd. यांची एकमेव निविदा प्राप्त झाली होती.

मुळ प्रस्ताव प्रमाणे निविदा समिती मा.अतिरिक्त् आयुक्त सो., यांचे अध्यक्षेतखाली त्यामध्ये मा.मुख्यलेखापरीक्षक, मा.वित्त् लेखा अधिकारी, मा. मुख्यकार्यकारी अधिकारी (NMSCDCl), अधिक्षक अभियंता विद्युत यांत्रिकी विभाग, कार्यकारी अभियंता विद्युत, मनपा अशी तयार करण्यात आली होती.

निविदादारक M/s.Inspira Enterprises India Pvt Ltd यांनी सादर केलेली तांत्रिक कागदपत्रे नाशिक स्मार्ट सिटी सल्लगार कंपनी मे.केपीएमजी यांनी (Envelop-A) छाननी करुन दि.०३/०९/२०१८ रोजी निविदा समिती समोर ठेवले असता ते पात्र झाल्यामुळे त्यांची (Envelop-B) Demonstration & proof of concept (POC) दि.१५/०९/२०१८ पासून सुरु करावे यासाठी M/s.Inspira Enterprises India Pvt.Ltd. यांना ई-मेल व्दारे कळविण्यात आले. कंपनीने POC दि.२४/०९/२०१८ रोजी सुरू न केल्याने पुन्हा त्यांना स्मरणपत्र देण्यात आले.

- परंतु M/s.Inspira Enterprises India Pv.Ltd. यांनी कोणतेही POC किंवा Demonstration सुरू केले नाही. त्यामुळे या कार्यालयाचा E-mail दि. ०९/१०/२०१८ अन्वये M/s.Inspira Enterprises India Pv.Ltd यांना पुन:श्च एकदा निविदा अटी-शर्ती प्रमाणे दि.११/१०/२०१८ पासून POC सुरू करावे अन्यथा आपली निविदा रद्द करणेत येईल याबाबत E-Mail व्दारे कळविणेत आले.
- M/s.Inspira Enterprises India Pvt.Ltd. यांनी Demo of POC साठी पुन्हा दि.१५/१०/२०१८ पावेतो मुदतीची E-mail व्दारे मागणी केली.
- दि.१६/१०/२०१८ रोजी M/s.Inspira Enterprises India Pvt.Ltd. निविदा अटी-शर्ती (RFP) प्रमाणे POC देणेस असमर्थ ठरले.
- प्रकल्प सल्लागार M/s.KPMG यांचा दि.१७/१०/२०१८ रोजीचा अहवाल सादर केला असता निविदा अटी-शर्तीप्रमाणे M/s.Inspira Enterprises India Pvt.Ltd. हे अपात्र ठरत असल्यामुळे सदरच्या कामाची फेरनिविदा मागविणे आवश्यक होते. त्यानुसार प्रकल्प सल्लागार यांनी सादर केलेल्या सुधारीत RFP प्रमाणे फेर ई-निविदा सुचना क्र.१६ (२०१८-१९) अन्वये निविदा समितीची मान्यता घेऊन दि.२२/१०/२०१८ रोजी फेर निविदा काढण्यात आली.
- दि.३०/१०/२०१८ रोजी मा.आयुक्त सो., यांच्या दालनात प्रि-बीड मिर्टींग झाली. त्यात आलेल्या मुद्दयांचा खुलासा व स्पष्टीकरण CSD तयार करुन त्यास निविदा समितीची मान्यता दि.०३/११/२०१८ रोजी निविदा संकेतस्थळावर अपलोड करण्यात आले.

सदर निविदेस दि.२२/१०/२०१८ ते २८/०१/२०१९ या काळात पाच वेळा मुदतवाढ देवूनही प्रतिसाद मिळत नसल्याने मा.आयुक्त सो., यांचे सुचनेनुसार दुसरी प्री-बिड मिर्टींग घेण्याचे ठरले व त्यानुसार दि.१६/०१/२०१९ ...३/

रोजी प्रि-बीड मिटींग घेण्यात आली. सदर प्री-बिड मिटींगमध्ये आलेल्या सुचनांनुसार त्याची उत्तरे खुलाशासह Corigendum क्र.३ तसेच Corigendum क्र.5 व्दारे प्रसिध्द केला. सदर दिलेल्या मुदतीत एकही निविदा प्राप्त् झालेली नसल्याने पुन्हा मुदतवाढ दिली. सदर सहाव्या मुदतवाढीनंतर दि. ३१/०१/२०१९ रोजी एक निविदा प्राप्त झाली. त्यानंतर महाटेंडर सिस्टीम अंडर मेंटेनन्स असल्याने ऑटो मुदतवाढ दि.०४/०२/२०१९ पर्यंत वाढली, मुदत संपल्यानंतर तपासले असता एक निविदा प्राप्त झाल्याचे निदर्शनास आले.

उपरोक्त प्रमाणे सहाव्या मुदतवाढीच्या कालावधीत ऑनलाईन निविदा प्रक्रीयेत एक निविदा प्राप्त झाली असून ती मे.टाटा प्रोजेक्ट्स लि. यांची आहे. सदर कामाची प्राप्त निविदेची तांत्रिक निविदा समीतीची मान्यता घेवुन दि. ०५/०२/२०१९ रोजी उघडण्यात आली. त्यातील मक्तेदाराने अपलोड केलेली कागदपत्रे या प्रकल्पाचे सल्लागार कंपनी यांचेकडून तपासणी करून घेण्यात आली. त्यानुसार त्यांनी तपासणीचा अहवाल (Pre qualification evaluation report) दि.०८/०२/२०१९ रोजी सादर केला.

सदरच्या PQ अहवालानुसार निविदा अटीशर्तींतील PQ Condition मध्ये बिडर मे.टाटा प्रोजेक्ट्स लि. हे पात्र होत असल्यामुळे निविदा समितीची मान्यता घेऊन मे. टाटा प्रोजेक्ट्स लि. यांना निविद अटी-शर्तीनुसार असलेला पुढील टप्पा म्हणजे Demonstration & Proof of concept (POC) साठी दि.०८/०२/२०१९ रोजी कळविणेत आले.

Proof of concept (POC) साठी मा.आयुक्त सो. यांनी दि.१५/०९/२०१८ अन्वये खालील प्रमाणे तांत्रिक समिती गठीत केली .

1) प्रकल्प अधिकारी MEDA नाशिक
2) कार्यकारी अभियंता MSEDCL नाशिक
3) Electrical-IT Expert प्रकल्प सल्लागार
4) कार्यकारी अभियंता (विद्युत) मनपा नाशिक
5) उप अभियंता (विद्युत) मनपा नाशिक

उपरोक्त समितीने प्रत्यक्ष दि.११/०२/२०१९ ते १८/०२/२०१९ पावेतो स्मार्ट फिटींग व त्याबाबतचे अनुषंगीक साहित्याची On Site प्रत्यक्ष चाचणी व त्याचे Evaluation केले असून त्यात मे.टाटा प्रोजक्टस् हे यशस्वी झाले असल्याचा तांत्रिक समितीचा अहवाल प्राप्त झाला.

Proof of concept (POC) बाबतचा अहवाल निविदा अटी शर्तीनुसार पुर्तता करत असल्याने निविदा समितीची मान्यता घेऊन मे.टाटा प्रोजेक्टस् यांचे Envlop-C Financial bid म्हणजे आार्थिक निविदा दि.२०/०२/२०१९ रोजी उघडणेत आले. त्यामध्ये मे.टाटा प्रोजक्टस् यांनी Commited Energy saving ६०% (साठ टक्के) इतके सादर केलेले आहेत. तसेच मनपा साठी Committed Percentage share ५% (पाच टक्के) इतका सादर केलेला आहे.

निविदा अटी शर्तीनुसार मक्तेदार कंपनीने Commited Energy saving कमीत कमी 55% व मनपा हिस्सा कमीत कमी ५% बंधनकारक अटी शर्तीप्रमाणे तपासले असता सदर निविदा पात्र असल्याचे ग्राहय धरण्यात आली.त्यानंतर मे.टाटा प्रोजेक्टस मनपाचा हिस्सा वाढविणे बाबत विचारण करण्यात आली असता त्यांनंतर त्यांनी दि.२१/०२/२०१९ रोजी Committed Energy saving ६०% इतके व मनपाचा Commited Percentage share ५% इतके बरोबर असले बाबत व त्यामध्ये वाढ करता येणार नसलेबाबत कळविले आहे.

तद्नंतर सदर प्रस्ताव मा. स्थायी समिती मान्यतेसाठी ठेवले असता त्यास मा.स्थायी समितीची मान्यता ठराव क्र. 314 दि.28/02/2019 अन्वये प्राप्त झाली. त्यानुसार मे. टाटा प्रोजेक्टस यांची १००% सहभागी असलेली SPV - मे.टी.पी ल्युमिनिअर यांच्याकडुन निविदा अटीशर्तीनुसार र.रु. ८,२५,००,०००/- (र.रु.आठ कोटी पंचवीस लाख) इतक्या रक्कमेची स्टेट बँक ऑफ इंडीया, हैदराबाद बँक गॅरंटी सुरक्षा अनामत म्हणुन जमा करुन घेतल्यानंतर, त्यांचे सोबत करारानामा करण्यात आला व कामाचे आदेश मे.टी.पी ल्युमिनिअर यांना दि. २०/०८/२०१९ रोजी देण्यात आलेले आहेत.

- या प्रकल्पात कामाची मुदत ही एकुण ९.५ महिने इतकी होती. कामाच्या अटीशर्तींप्रमाणे मे.टी.पी. ल्युमिनिअर यांनी प्रथमत: मनपाच्या अस्तीत्वातील पथदिप व्यवस्थेचा सर्व्हे करावयाचा आणि त्याचे इल्युमिनेशन डिझाईन सोल्युशन प्रस्तावित करावयाचे होते, त्यानुसार मे. टी.पी. ल्युमिनिअर कंपनीने सर्व्हे पुर्ण करुन त्याआधारे इल्युमिनेशन डिझाईन सोल्युशन तयार केले आहे व ते मनपाकडे तपासणीसाठी सादर करण्यात आले, सुरवातीच्या सर्व्हेनुसार पथदिव्यांची (लाईट फिटींग) संख्या ८७२५१ इतकी दर्शविली होती व सदर सर्व्हे अहवाला डिझाईननुसार लाईट फिटींग तयार झाल्या व त्यांची तपासणी Third Party testing होवुन फिटींग्स नोव्हे प्राप्त झालेनंतर प्रत्यक्ष मनपा अभियंते, स्मार्ट सिटी अभियंता व प्रकल्प सल्लागार यांनी संयुक्तपणे सदरचे डिझाईन नॅशनल लाईटींग कोड २०१० च्या आधारे पहाणी व तपासणी करुन व शहराची होणारी वाढ, रस्त्यांची रुंदी, पोलची उंची, दोन पोलमधील अंतर इत्यादीची तपासणी करुन उपरोक्त नियमांच्या अधिन राहुन डिझाइनमध्ये आवश्यक ...४/

सुधारणा प्रस्तावित करण्यात आल्या. तसेच दरम्यानच्या काळात शहरात नवीन लावण्यात आलेले पोल ज्यांदना फिटींग लावलेल्या नाहीत असे विचारात घेण्यात आले. त्यानुसार सुधारित डिझाईन सोल्युशन तयार केले गेले व त्याप्रमाणे पथदिव्यांची संख्या ९३०२२ इतकी होत आहे.

- त्यानुसार पारंपारिक सोडीअम दिवे बदलुन त्याजागी उर्जा बचत करणारे LED दिवे बसविण्याचे काम प्रत्यक्षात माहे नोव्हेंबर/ डिसेंबर २०१९ मध्ये मे. टी.पी. ल्युमिनिअर यांनी LED दिवे बसविणेस चालु केलेले आहे. त्याच बरोबर अस्तित्वातील पोलवर असलेलया सर्व प्रकारच्या फिटींगस परत घेणे (Buy Back) बाबत मे.टी.पी. ल्युमिनिअर यांनी स्वंत्रत पणे दर सादर केलेले आहेत. यासंदर्भात् विद्युत विभागाने मे.टी.पी. ल्युमिनिअर यांना लेखीपत्राद्वारे जा.क्र.८४, दि.२८/०१/२०२० अन्वये कळविले होते.
- सदरचे काम करतांना मनपाने मे.टी.पी. ल्युमिनिअर कपंनीला सहाही विभागात स्वतंत्रपणे टिम नेमुन उर्जा बचत करणारे LED बसविणेबाबत कळविले होते, तसेच प्राधान्याने प्रथमत: सोडिअम दिवे बदलेणेबाबत कळविले होते व तद्नंतर आधी मनपाने लावलेले LED फिटींग की ज्याचा डिफेक्ट लायबिलिटी काळ संपला आहे किंवा संपत आहे असे बदलणेबाबत कळविले आहे.
- त्याअनुषंगाने मे. टी. पी. ल्युमिनिअर यांनी दि. १०/०२/२०२१ रोजी पत्राद्वारे Buy Back र.रु.२,२२,८०,६००/- इतकी कळविली आहे.
- सदरचे काम चालु असतांना मार्च २०२० मध्ये कोरोना महामारीचे जागतिक संकट आले त्यामुळे कंपनीला मनुष्यबळ उपलब्ध होत नव्हते, तसेच पथदिपांच्या पॅनलसाठी लागणारे काही कंपोनंट तसेच LED फिटींगमधील आयात होणारे स्पेअर पार्ट उपलब्ध होत नसल्यामुळे काम सुमारे ३ महिने बंद पडले होते व तदनंतर अत्यल्प उपलब्ध होणारे मनुष्यबळ व स्पेअर पार्ट यांची अनुपलब्धता असल्याने मे.टी.पी. ल्युमिनिअर यांचे पत्र क्र. TPLLl-NMC-SC/08-120 दि. 20/08/2020 अन्वये विनादंड मुदतवाढ मागणी केली. मा.केंद्र शासन, वित्त विभागाकडील शासन निर्णय क्रमांक NO.F.18/4/2020-PPD, Dtd.13/05/2020 अन्वये सदरचे कामास आयुक्त् सो., यांची मान्यता घेवुन ६ महिन्यांची म्हणजे नोव्हेंबर २०२० अखेर विनादंड मुदतवाढ देण्यात आलेली आहे. सदर मुदतवाढ देतांना सदर वाढीव मुदत संपल्यानंतर निविदा अटीशर्ती क्र.७.१. व ७.२ सर्व्हिस लेवल ॲग्रीमेंटप्रमाणे दंडात्मक कार्यवाही करण्याची तरतुद आहे, त्यानुसार कार्यवाही करण्यात येईल असे दि.१६/०९/२०२० च्या पत्राव्दारे कळविले आहे. निविदा अटीशर्तींतील क्रमांक ७.१ नुसार उशिर झाल्यास प्रति आठवडा बँक गॅरंटीच्या ०.५%, (कमाल बँक गॅरंटीच्या १०%) याप्रमाणे दंड आकारण्याची तरतुद आहे.
- याकामाच्या निविदा अटीशर्तींमधील क्रमांक ४.४ Concessionaire Project Structure मधील Payment Security नुसार प्रकल्पाचे काम ८०% इन्स्टॉलेशन पुर्ण झालेवर कन्सेशन कालावधी चालु करता येईल असे नमुद आहे. मे.टी.पी. ल्युमिनिअर यांनी त्यांचे पत्र क्र. TPLLl-NMC-SC/08-148 दि. 23/11/2020 अन्वये Completion Certificate देण्याची मागणी केली. परंतु प्रकल्प सल्लागार यांचा अहवाल मान्य असल्याचा मक्तेदार कंपनी मे.टी.पी. ल्युमिनिअर यांनी नोव्हेंबर २०२० अखेर फिटींग व पॅनेल इन्स्टॉलेशनचे काम ८०% पुर्ण केलेले आहे, याविषयी संदर्भ क्रमांक ५ अन्वये प्रकल्प सल्लागार मे.के.पी.एम.जी यांचा अहवाल सादर करण्यात आलेला आहे. त्याप्रमाणे मे.टी.पी.ल्युमिनिअर यांचा कन्सेशन कालावधी दि. १ डिसेंबर २०२० पासुन चालु करण्यात आला आहे, परंतु सद्य:स्थितीत सदर कामापोटी अदयापावेतो कोणतीही रक्कम अदा करण्यात आलेली नाही. माहे नोव्हेंबर २०२० अखेरपर्यंत पुर्ण झालेल्या कामाचा तक्ता खालीलप्रमाणे .

- दिनांक १५/०२/२०२१ पर्यंत एकुण ९३०२२ पैकी ८०५६४ LED लाईटस (८७%) लावण्यात आलेले आहेत. ...५/

- सदर प्रकल्पात कन्सेशन कालावधीमध्ये मे. टी.पी. ल्युमिनिअर यांना देयक अदा करण्यासाठी निविदा अटीशर्तींतील क्रमांक ४.४ नुसार Escrow Account युनियन बँक ऑफ इंडीया, पंचवटी शाखा, नाशिक येथे Escrow Agreement नुसार उघडण्यात आले आहे. मे.टी.पी. ल्युमिनिअर यांची प्रतिमाह देयके Escrow Agreement मधील कलम क्रमांक ३.२ व ४.१.१ यानुसार केलेल्या शेअर एनर्जी सेव्हींगच्या प्रमाणात अदा करण्यात येईल. मे.टी.पी. ल्युमिनिअर यांनी निविदा अटीशर्तींनुसार दरमहा ६०% एनर्जी सेव्हींग करण्याचे करारनाम्यात मान्य केलेले असुन दरमहा ६०% पेक्षा कमी एनर्जी सेव्हींग झाल्यास निविदा अटीशर्तीतील क्रमांक ७.२ अन्वये र.रु. ५०,०००/- प्रति महिना प्रति टक्का कमी एनर्जी सेव्हींग याप्रमाणे दंड आकारण्यात येईल.
- सदर प्रकल्पास मक्तेदार संस्थेचा कन्सेशन कालावधी हा एकुण ७ वर्षे (८४ महिने असुन) त्याकालावधीत त्यांना उर्जा बचतीप्रमाणे रक्कम अदाईगी होणार आहे. तसेच याकामावर निविदा अटीशर्ती क्र. ७.२ सर्व्हिस लेवल ॲग्रीमेंट प्रमाणे देखरेख ठेवली जाणार आहे व त्याचबरोबर याच अटीशर्तींच्या आधारे काम असमाधानकारक आढळुन आल्यास दंडात्मक कार्यवाही करण्यात येणार आहे.
- निविदा अटी-शर्ती ४.९ नुसार Baseline energy consumption ठरविण्यात येणार आहे. त्यासाठी मे.टी.पी. ल्युमिनिअर प्रा.लि. यांनीकेलेला सर्व्हे, तपासणी केलेले सुधारीत इल्युमिनेशन डिझाईन सोल्युशन यांचा आधार घेण्यात आलेला आहे. या संदर्भात मे.टी.पी. ल्युमिनिअर प्रा.लि. यांनी Baseline calculation सादर केलेले असून त्याची तपासणी सुरू आहे. Baseline च्या आधारावर मे.टी.पी. ल्युमिनिअर प्रा.लि. यांची मासीक देयके आणि निविदा अटी-शर्ती क्र.७ नुसार सर्वीस लेव्हल Indicator हयाची तपासणी होणार असून Compliance होत नसल्यास दंडात्मक कारवाईची तरतूद आहे.
- प्रकल्पातंर्गत दर सहा महिन्यानी प्रकल्पाचे एनर्जी ऑडिट करण्याची तरतुद आहे. याकामासाठी निविदा अटीशर्तींतील क्रमांक ४.१८ नुसार मनपाने महाराष्ट्र उर्जा विकास प्राधिकरण (MEDA) नोंदणीकृत एनर्जी ऑडीटर यांची नेमणुक मनपाने केलेली आहे. त्यानुसार त्यांचेमार्फत प्रकल्पाची तपासणी सुरु आहे. ही तपासणी प्रकल्पाच्या संपुर्ण कालावधीसाठी म्हणजेच ७ वर्षांकरीता असुन ऑडीटरने वेळोवेळी सुचविलेले बदल मे.टी.पी. ल्युमिनिअर यांचेवर बंधनकारक आहे.
- तसेच याप्रकल्पात निविदा अटीशर्तीप्रमाणे मनपा मुख्यालय येथे Command and Control Center तयार करण्यात आलेले आहे. सदरहु Command and Control Center मधुन या प्रकल्पाची २४ X ७ पध्दतीने देखरेख होणार आहे.
- याप्रकल्पाच्या कन्सेशन कालावधी दरम्यान संपुर्ण देखभाल व दुरुस्तीची जबाबदारी मे.टी.पी. ल्युमिनिअर यांची राहणार असुन, त्यामुळे मनपाचा पथदिप दुरुस्ती साहीत्य खरेदी वार्षिक खर्च, सुमारे ४.०० कोटी इतकी मनपाची बचत होणार असुन अतिरिक्त लागणा-या मनुष्यबळ खर्चात देखील बचत होणार आहे.
- याप्रकल्पामुळे मनपाच्या पथदिवे वापरापोटी येणा-या युनिटमध्ये साधारणत: ६०% बचत अपेक्षित आहे व शहरातील सर्व लाईटसवर २४ X ७ देखरेख कमांड कंट्रोल सेंटर मध्ये असणार असल्याने नागरिकांसाठी शहरातील सर्व रस्त्यांवर LED लाईटस उपलब्ध होणार असुन सर्व्हिस लेवल इंडीकेटर ठरवुन दिलेले असल्यामुळे नागरिकांना मिळणा-या सर्व्हीसच्या गुणवत्तेत वाढ होणार आहे.
- दि. १५/०२/२०२१ पर्यंत मान्यता मिळालेल्या इल्युमिनेशन डिझाईन सोल्युशन प्रमाणे ९३०२२ पैकी ८०५६४ LED लाईट्स बसविण्यात आले आहे उर्वरित २४४२ सोडीयम लाईटस आणि १००१६ जुने LED बदलण्याचे काम जसा DLP कालावधी संपेल तसे टप्पा टप्याने चालु आहे. निविदा अटीशर्तींप्रमाणे व संदर्भ क्र. ४, अन्वये कामाची मुदत माहे नोव्हेंबर-२०२० अखेरपावेतो होती. उर्वरित काम पुर्ण करणेसाठी मे.टी.पी. ल्युमिनिअर यांनी फेब्रुवारी अखेरपर्यंत विनादंड मुदतवाढ देणेबाबत दि.२३/११/२०२१ रोजी पत्राद्वारे विनंती केली असता, विभागाने अद्यापपोवतो ही विनंती मान्य केलेली नाही व निविदा अटीशर्तींमधील कलम ०७ नुसार काम पुर्ण होईपावेतो दंड लागेल असे मे. टी.पी. ल्युमिनिअर यांना कळविण्यात आलेले आहे.

  या दरम्यान मे.टी.पी. ल्युमिनिअर प्रा.लि. यांनी मा.सभापती, स्थायी समिती यांनी दि. २९/०१/२०२१ रोजी पत्र दिले, त्यास मा. स्थायी समिती सभापती यांचा त्याबाबत प्रशासनास माहिती देणेबाबत कळविले आहे. त्यात त्यांनी कोरोना १९ मुळे झालेल्या विलंबाप्रमाणे पथदिपांच्या उर्जा बचतीचा प्रत्यक्ष फायदा कंपनीला न होता त्याबाबत त्यांनी नुकसान भरपाई मागितली आहे. त्यांचे पत्रानुसार प्रकल्पाच्या चालु होणा-या काळापासुन प्रकल्प राबवितांना येणा-या विविध अडचणी व मर्यादा ज्या कंपनीच्या नियंत्रणाच्या बाहेर असल्यामुळे कंपनी वेळेत सोल्युशन सादर करु शकली नाही.

  तदनंतर मार्च २०२० पासुन कोविड १९ ची महामारी व लॉकडाऊन काळात कंपनी प्रकल्पाचे काम निर्धारीत वेळेत पुर्ण करु शकली नाही जसे की, कंपनीच्या प्रोजेक्टचे मनुष्यबळ् अतिरिक्त् कामासाठी नाशिक मध्ये राहिलेले आहे. तसेच प्रकल्पासाठी नियुक्त् केलेले व्हेंडर व त्यांचे कुशल मनुष्यबळ् कोरोना काळात पथदिप लावण्याची अतिरिक्त् जबाबदारीवर नियुक्त् केलेले होते. त्यामुळे त्यांचे व्हेंडरला त्यांना अतिरिक्त् ६/

वित्त् पुरवठा (Payment) अदा केलेले होते व त्यामुळे त्यांना कोरोना काळात सुध्दा कामकाज करुन घेतलेले आहे. त्यामुळे त्यांनी मनपाचे पथदिव्यात LED बसविल्यामुळे जी वीज बचत, आर्थिक बचत झाली त्याचा हिस्सा मागितला आहे. तसेच लॉकडाऊन काळात त्यांचे कुशल मनुष्यबळ व मशिनही वापराविना राहिल्यामुळे त्यांचे जे नुकसान झालेले आहे. त्याची भरपाई मागितली आहे.

तसेच त्यांनी असे नमुद केलेले आहे कि कोरोना/लॉकडाऊनमुळे प्रकल्प् विलंबामुळे मे.टी.पी. ल्युमिनिअर प्रा.लि. कंपनीला झालेल्या नुकसानीमुळे कंपनीची आर्थिकस्थिती अडचणीची झालेली असुन त्यांना त्यांचे व्हेंडर तसेच प्रकल्पासाठी वित्त् पुरवठा करणारी बँक/ वित्त् कंपन्या यांना परतफेडीची रक्कम बाबत अडचण तयार झालेली आहे. मे.टी.पी. ल्युमिनिअर प्रा.लि. यांनी माहे जुन २०२० ते नोव्हेंबर २०२० पर्यंत झालेल्या एनर्जी सेव्हींग प्रमाणे ९.६५ कोटी व कोविड-१९ काळात झालेल्या अतिरिक्त् खर्चापैकी ४६ लक्ष असे (एकुण १०.११ कोटी) इतक्या रक्कमेची मागणी केलेली आहे.

निविदा अटीशर्ती क्रंमाक 3.24.2-V नुसार Implementation Period मध्ये होणारा वीज बचतीचा फायदा मक्तेदार यांना क्लेम करता येणार नाही. त्याविषयी संदर्भ क्र. ६ अन्वये प्रकल्प सल्लागार मे. केपीएमजी यांचा अहवाल सादर करण्यात आला आहे. तसेच कोविड-१९ बाबत मे. टी.पी. ल्युमिनिअर यांना मा.केंद्र शासन, वित्त विभागाकडील शासन निर्णय क्रमांक NO.F.18/4/2020-PPD, Dtd.13/05/2020 अन्वये सदरचे कामास आयुक्त् सो., यांची मान्यता घेवुन ६ महिन्यांची म्हणजे नोव्हेंबर २०२० अखेर विनादंड मुदतवाढ देण्यात आलेली आहे.

मा.सभापती स्थायी समिती यांनी मा.आयुक्त सो.,यांना दि.०२/०२/२०२१ रोजी पत्र देवून याबाबत माहिती मा.स्थायी समितीस सादर करणेबाबत कळविले होते. त्यानुसार सदरचा प्रस्ताव मा.स्थायी समितीच्या माहितीसाठी सविनय सादर.
