Balance Sheet and its Schedules, Income & Expenditure and its Schedules & Cash Flow Statement

To,
The Municipal Commissioner,
Nashik Municipal Corporation,
Rajiv Gandhi Bhavan,
Nashik - 422002

Independent Auditor's Report

Report on the Financial Statements prepared under Accrual Based Financial Statements of Nashik Municipal Corporation, Nashik for the year ended on 31st March 2023.

We have audited the Accrual Based Double Entry Reports of Nashik Municipal Corporation, Nashik (herein after referred as Corporation) comprising of the Balance Sheet as at 31st March 2023 and Income & Expenditure Account and Cash Flow Statement as on that date. We have also referred to the accounting policies and other documents of the corporation.

Management's Responsibility for the Financial Statements;

The authorities of the corporation are responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the corporation in accordance with the accounting principles generally accepted by the corporation. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the corporation and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments. And estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility;

Our responsibility is to express our opinion on the financial statements prepared under the Accrual Based system of the Corporation. We have conducted the audit in an independent and fair manner in accordance with the auditing standard of India and the standards applicable to audit under double entry method. We have followed the procedures mentioned in our detailed audit plan to collect evidence about the disclosures made in the financial statements and have made the necessary risk assessment based on our judgment and experience.

Qualified Opinion;

In our opinion and to the best of our information, and according to the explanation given to us, except for the effects of the matter described in the Basis for Opinion paragraph,

- 1.1. In the case of the Balance Sheet, of the state of affairs of the corporation as at 31st March 2023, the said accounts read with notes there give true and fair view;
- 1.2. In the case of the Income & Expenditure Account of the surplus of the corporation for the year ended on that date. In our opinion and to the best of our information and according to explanations given to us, the particulars given in the said double entry report are presenting the true and fair financial position of the corporation,
- 1.3. In the case of cash flow statement as on that date. In our opinion and to the best of our information and according to explanations given to us, the particulars given in the said statement represent true and fair view,

Basis for Qualified Opinion;

We conducted our audit in accordance with the standards and auditing specified under double entry system of accounting under NMAM. Our responsibilities under those standards are further described in the auditor's responsibility for the audit of financial statement section of our report. We are independent of the corporation in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India, together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of ethics.

We believe that the evidence so collected during our audit is sufficient and appropriate to formulate our audit opinion.

The other details which form the basis of Qualified Opinion are reported as follows;

1. Refer to our comments as mentioned in Point no. 2.2 Sundry Creditors & 2.3 Provision & liabilities for discrepancies noticed during the course of audit.
2. Performance & shows & Drama fees is classified as under tax revenue instead of classifying as rental income from municipal properties.
3. The major deviation that is made while preparing this balance sheet, is recording the fixed assets at current market value based on the valuation report made by the professional valuers. As per the NMAM guidelines the values are to be recorded at cost of acquisition or if not available at the estimation of cost acquisition value. If the values are not available and the assets are identifiable, a nominal value of Rs.1 should be placed before the value of the assets. Every effort should be made to estimate the cost of acquisition if not available. If the value is recorded by

revaluation, based on valuation report, a specific revaluation reserve is to be created in the book of accounts and a specific note to this effect has to be inserted in the account. Another major deviation, we find to have been made, is application of depreciation rates on the current market value. No plausible accounting explanation or principle can be available to defend such exercise. When a current market value is certified by professional valuer, it is deemed to be the value of that asset only after considering all the factors including wear and tear value incurred by way of depreciation up to the date of valuation.

4. The Corporation could not produce the measurement books and completion certificate of the fixed assets additions during the year. Hence, we are unable to comment on the status of completion of these fixed assets.
5. List of work wise classification of capital work-in-progress of amount Rs. 38,177.95 Lakhs are not produced for verification and hence we are unable to comment on the same. The balance is carried forwarded from unduly long period.
6. During our audit, we identified contingent liabilities disclosed in the notes to the financial statements. However, we note that the details of these contingent liabilities, including their potential financial impact, have not been quantified. Contingent liabilities are obligations that may arise from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the entity. As a result of the aforementioned limitation, we are unable to determine the adequacy of the disclosure regarding contingent liabilities, and therefore, we issue a qualified opinion on the financial statements.
7. Interest on the security deposits with the Maharashtra State Electricity Distribution Company Limited & Income items which is yet to be reconciled for the year end are not been brought to accounts.
8. During the course of our audit, we encountered a limitation in the availability of audit evidence related to the Sweep Deposit balance. Despite our diligent efforts and multiple requests, we were unable to obtain a confirmation of the Sweep Deposit balance from the relevant financial institution. This has resulted in a significant limitation in the scope of our audit and prevents us from providing complete assurance regarding the accuracy and completeness of the Sweep Deposit balance as presented in the financial statements.
9. Refer to our comments as pointed out in 2. Investments Of Analysis of Balance sheet, where various discrepancies observed are reported.
10. Further, in point no. 4.3.4 & 4.3.5 for the Housing Loan and Vehicle Loan given to employees, it was observed that the interest charged on the loan facilities were not separated and shown as interest income in the Income & Expenditure Statement. Due, to this the income and the balances receivable from the employees against the housing and vehicle loan are understated.
11. Refer to our comment pointed out in point no. 4 Loans & advances, point no. 5 Other Assets, point no. 6 Prepaid expenses of Analysis of Balance sheet where

major rectification entries were recorded for which supporting vouchers and minutes were not made available for verification.

12. Refer to our detailed comment as mentioned in point no. 1 Tax Revenue, point no. 2 Rental income from Municipal properties, point no. 7 Interest earned, point no. 3 Fees & User charges of Analysis of Income account.
13. Refer to our detailed comment as mentioned in point no. 1 administrative expenses, point no. 2 Establishment expenses, point no. 3 Repairs & Maintenance of Analysis of Expenditure.
14. Refer to comment mentioned in point no. 5 Revenue Grant, Contribution & subsidies of Income & Expenditure account where the amount of GST Grant Received from GoM received should have been recorded under Assigned Revenues & Compensation, as the nature of the amount received is compensation for the loss of revenue and the collection made by the Government on behalf of the Corporation is Assigned Revenue.
15. In addition, to above qualification, also refer to our qualification given in the Annexures I to X attached along with report.

Emphasis of Matters

1. We like to draw attention to the point 3 of Notes to Accounts in respect of Provisions for Arrears of Income.
2. We like to draw attention to the point 9.6 of Notes to Accounts in respect of Investments with Shriram Cooperative Bank Ltd., Nashik. Our opinion is not modified in respect of these matter.

Report on Internal Financial Controls Over Financial Reporting;

Refer Annexure - II - Report on Internal Financial Controls Over Financial Reporting.

Other Matter;

We further report the following;

1. We have sought and, except for the possible effects of the matter described in the Basis for Opinion paragraph above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
2. Except for the possible effects of the matter described in the Basis for Opinion paragraph above, in our opinion proper books of account as required by Municipal Accounting Manual have been kept by the Corporation so far as appears from our examination of those books;
3. The Balance Sheet and Income and Expenditure Account deal with by this Report are in agreement with the books of account;

4. Except for the matter described in the Basis for Opinion paragraph above, the Balance Sheet and Income and Expenditure Account comply with the Municipal Accounting Manual and Accounting Standards applicable to the Urban Local Bodies;
5. The matter described in the Basis for Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Corporation;
6. The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Opinion paragraph above.
7. With respect to the adequacy of the internal financial controls over financial reporting of the Corporation and the operating effectiveness of such controls, refer to our separate Report in 'Annexure'.

Annexure - II - Report on the Internal Financial Controls of the Corporation:

1. Report on the Internal Financial Controls of the Corporation:

We have audited the internal financial controls over financial reporting of *Nashik Municipal Corporation* as of March 31, 2023 in conjunction with our audit of the financial statements of the Corporation for the year ended on that date.

2. Management's Responsibility for Internal Financial Controls:

The Corporation's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Corporation. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Corporation's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required in accordance with the Municipal Corporation Act, 1956 including the Municipal Accounting Manual and accounting principles generally accepted in India applicable to the Urban Local Bodies.

3. Auditors' Responsibility:

Our responsibility is to express an opinion on the Corporation's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Corporation's internal financial controls system over financial reporting.

4. Meaning of Internal Financial Controls Over Financial Reporting:

A Corporation's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Corporation's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Corporation;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Corporation are being made only in accordance with authorizations of management and officers of the Corporation; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Corporation's assets that could have a material effect on the financial statements.

5. Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. Emphasis of Matter

- a) The Corporation did not have an appropriate internal financial control system over financial reporting since the internal controls adopted by the Corporation did not adequately consider risk assessment, which is one of the essential components of internal control, with regard to the potential for fraud when performing risk assessment.
- b) The Corporation has to improve upon the effective internal audit system so as to cover all major areas with extensive scope. As of now no Internal Auditor has been appointed by the company but consultant has been appointed to overlook on the overall accountancy and statutory compliance of the company.

The scope of internal auditor should define risk areas like, physical verification of fixed assets and inventory, reconciliation of statutory dues paid with corresponding returns filed. This could potentially result into weak checks and balances and unreported financial irregularities ultimately resulting into losses and distorted financial reporting.

7. Opinion:

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Corporation's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, because of the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Corporation has not maintained adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were not operating effectively as of March 31, 2023 based on the internal control over financial reporting criteria established by the Corporation.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2023 financial statements of the Corporation, and these material weaknesses do not affect our opinion on the financial statements of the Corporation.

Annexure - III - Accounting Standards applicable to Local Bodies issued by ICAI

In order to harmonise the diverse practices being followed by the local bodies, Accounting Standards for Local Bodies (herein after referred as ASLB) are being issued by the Institute of Chartered Accountants of India (herein after referred as ICAI) since March, 2005, which are high quality financial reporting standards for the local bodies based on International Public Sector Accounting Standards (IPSASs). Currently, accrual-based accounting guidance is drawn by Urban Local Bodies either from National Municipal Accounts Manual (NMAM, i.e., issued in 2004) or Municipal Accounting Manual of their respective state that have been formulated on NMAM.

Ensuring compliance with ASLBs is the responsibility of appropriate authority, which approves the financial statements of the local body for the purpose of issuance thereof. ASLBs issued by the ICAI are recommendatory and will become mandatory as and when the concerned state government adopts them for implementation.

Following is the list of standards which are applicable for the Corporation -

ASLB No.	ASLB Description
ASLB 1	Presentation of Financial Statements
ASLB 2	Cash Flow Statements
ASLB 3	Accounting Policies, Changes in Accounting Estimates and Errors
ASLB 5	Borrowing Cost
ASLB 12	Inventories
ASLB 13	Leases
ASLB 14	Events after the Reporting Date
ASLB 16	Investment Property
ASLB 17	Property, Plants and Equipment's
ASLB 18	Segment Reporting
ASLB 19	Provisions, Contingent Liabilities and Contingent Assets
ASLB 20	Related Party Disclosures
ASLB 21	Impairment of Non-Cash Generating Assets
ASLB 23	Revenue from Non-Exchange Transactions (Taxes & Transfers)
ASLB 24	Presentation of Budget Information in Financial Statements
ASLB 26	Impairment of Cash Generating Assets
ASLB 32	Service Concession Arrangements: Grantor
ASLB 36	Investments in Associates and Joint Ventures
ASLB 39	Employee Benefits
ASLB 42	Social Benefits

Of the above list ASLB 2 and ASLB 5 are mandatory to be followed by the Members of ICAI while auditing financial statements of local bodies w.e.f. 1st April 2005. While remaining ASLBs are recommendatory. Accordingly, we have divided our opinion on the implementation of ASLBs in two parts as follows -

1. Opinion for the ASLBs that are mandatory:

a. ASLB - 2 - Cash Flow Statement

The Cash Flow Statement is prepared in accordance with the ASLB - 2 - Cash Flow Statements using Indirect Method of Cash Flow Statement. Necessary disclosures have been made as required by the ASLB.

b. ASLB - 5 - Borrowing Costs -

The Corporation has not incurred any borrowing cost since there is no existing financial obligation.

2. Opinion for the ASLBs that are recommendatory:

Considering the accounting system applied during the year under audit it is not possible to quantify the impact of non-following of ASLBs. Some of the points which we feel are not followed in ASLBs are mentioned as examples only in ensuing points.

a. ASLB 3 - Accounting Policies, Changes in Accounting Estimates and Errors

As per paragraph 7 of ASLB, prior period errors are omission from, and misstatements in, the entities financial statements for one or more prior period arising from a failure to use, or misuse of, reliable information that:

- i. Was available when financial statements for those periods were authorized for issue; and
- ii. Could reasonably accepted to have been obtained and taken into account in the preparation and presentation of those financial statements.

Such errors include the errors of mathematical mistakes, mistakes in applying accounting policies, oversights or misinterpretation of facts, and fraud.

b. ASLB 12 - Inventories -

Corporation has valued the inventories at cost basis which is in accordance with the accounting principles as laid in the NMAM. As per paragraph 15 of the ASLB 12 - Inventories, the inventories should be measured at the lower of cost and net realizable value. Since, the ASLB 12 is recommendatory, it is at the discretion of the Corporation whether to follow NMAM or ASLB 12 issued by ICAI.

c. ASLB 13 - Leases -

Corporation has not disclosed any information w.r.t leases in the financial statements. Further, the corporation has not provided us with the information in regards to the leases, due to which we cannot comment, whether the assets are dealt accordingly as per the requirements of the ASLB 13.

d. ASLB 16 – Investment Property –

As per paragraph 7 of ASLB 16 – Investment Property, investment property is property (land or a building – or part of a building – or both) held to earn rentals or for capital appreciations or both, rather than for use in production or supply of goods or services, or for administrative purposes or sale in ordinary course of operation. Accordingly, the assets namely Parking Building, Shopping Center & Market appearing under the Building & Premises of Fixed Assets, can be categorized as Investment Property, as these are investments made for earning rental income.

However, the Corporation has not classified or recognized any such Investment Property in accordance with the ASLB 16.

e. ASLB 17 – Property, Plants & Equipments –

The Corporation has disclosed the gross carrying amount, depreciation method used, useful lives, depreciation rate, accumulated depreciation and reconciliation of the carrying amount at the beginning and end of the period. However, the Corporation has not disclosed the cost model or revaluation model used for the determining the gross carrying amount along with the other disclosures.

f. ASLB 18 – Segment Reporting.

The Corporation has not attached any segment wise reports to the financial statements in accordance to the ASLB 18.

g. ASLB 19 – Provisions, Contingent Liabilities and Contingent Assets –

The Corporation has carried forwarded the disclosures under Contingent Liabilities for previous year. In current year it has not reviewed the status of the Contingent Liabilities.

Further, the Corporation has not made any provision in current year for the receivables as per the accounting policy laid under the NMAM.

Therefore, it can be concluded that the Corporation has not complied with the disclosures required under ASLB 19

h. ASLB 20 – Related Party Disclosures –

The Corporation has not complied with the disclosures required under ASLB 20

i. ASLB 21 – Impairment of Non-Cash Generating Assets –

As per definition under the ASLB 21, Non-Cash Generating Assets are assets other than cash-generating assets, where, cash-generating assets are assets held with the primary objective of generating a commercial return for the purpose of impairment, goodwill is considered a cash generating asset.

Impairment of Non-cash generating assets is a loss in the service potential

of a non-cash generating assets over and above the loss recognized through depreciation.

The Corporation has not complied with the disclosures required under ASLB 21

- j. ASLB 23 – Revenue from Non-Exchange Transactions (Taxes & Transfers) –
The Corporation has partially disclosed information as required under ASLB 23. Where, various taxes are disclosed as per the requirement of ASLB 23, while revenue from non-exchange transactions other than taxes is not disclosed separately.

- k. ASLB 24 – Presentation of Budget Information in Financial Statements –
The Corporation has not complied with the disclosures required under ASLB 24

- l. ASLB 26 – Impairment of Cash Generating Assets –
A cash-generating unit is the smallest identifiable group of assets held with primary objective of generating a commercial return that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets.
The Corporation has not complied with the disclosures required under ASLB 26

- m. ASLB 32 – Service Concession Arrangements: Grantor –
The Corporation has not complied with the disclosures required under ASLB 32

- n. ASLB 36 – Investments in Associates and Joint Ventures –
The Corporation has not provided information in regards to the investment made in Nashik Engineering Cluster, Nashik Mahanagar Parivahan Mahamandal Ltd. & Nashik Municipal Smart City Development Corporation Limited. Accordingly, we cannot comment whether the Corporation has complied with the disclosures required under ASLB 36

- o. ASLB 39 – Employee Benefits –
The Corporation has not complied with the disclosures required under ASLB 39

- p. ASLB 42 – Social Benefits –
The Corporation has not disclosed any information on the social benefits of the schemes implemented by them in the financial statements. Accordingly, the Corporation has not complied with the disclosures required under ASLB 42.

2. Current Liabilities

Rs. 15,27,94,91,128.53

2.1. Deposits Received & Payable

Rs. 1,53,60,78,202.61

(Account Code - 3090000)

As per the available schedule these amounts are taken for Octroi Deposit Rs. 452.64 Lakhs, Octroi Deposit (Vehicle Showroom) Rs. 37.97 Lakhs and Security Deposits All Rs. 14,870.16 Lakhs. These amounts of security deposits are accepted for the purposes of surety of completion of the contract. On other hand in each individual case party wise running / current account is opened and maintained by the Nashik Municipal Corporation in separate software. However, these lists along with their closing were not provided for verification neither were attached along with the schedule to the financial statements. Further during the year under audit, the security deposit amounts are deducted from the contract bills of the contractors, etc. against various small & large contracts which are included in the above deposits. On completion of the above said contract the deposit is refunded to respective particular party.

2.2. Sundry Creditors

Rs. 1,52,34,040.50

(Account Code - 3120000)

For verification of balances of various vendors & contractors certified party ledgers were not available for verification.

Following are detailed list of creditors which are not yet settled in current financial year and outstanding for period more than a year:

Sr. No.	Particulars	Amount Rs.
1	College of Physicians Surgeon	3,63,600.00
2	Dream Destiny Enterprises	1,85,757.00
3	Maharashtra Pollution Control Board	30,000.00
4	Maharashtra State Health Soc	7,05,000.00
5	Marne Sandeep Vishnupant	32,850.00

9	Shree Construction	13,769.00
10	Samiksha Construction	13,77,979.00
Total		46,27,359.50

Furthermore, during a sample verification of creditors, it was noted that significant rectification entries were recorded in the current financial year. However, the vouchers supporting these entries, along with signed minutes from authorized officers, were not available for verification. Below are some examples of the rectifications made:

- Payment entry was recorded Rs. 23.00 Lakhs on 16th of June 2021 made to Anand Associates which is yet to be reconciled and RA bill is recorded against it due to which creditor is having debit balance which is rectified against Municipal Fund.

- b. It was observed that GST TDS is not separately classified as CGST TDS & SGST TDS while recording some RA bills whereas as in common practice Corporation is recording GST TDS separately as CGST TDS & SGST TDS.

For example,

Sr. No.	Date	Voucher No.	Expenses	Amount Rs.
1	13-01-2023	2415/5105644146	Legal Charges	70,800.00
2	01-06-2022	333/5105641377	Legal Charges	23,600.00

- c. RA bill was recorded against Gadakh Sanjay V. amounting to Rs. 80.87 Lakhs on 25th of October 2021 which is reversed in current year.
- d. RA bill was recorded against Gadakh Sanjay V. amounting to Rs. 22.11 Lakhs on 24th of December 2021 which is reversed in current year.
- e. Sundry Creditor consists of Suspense entry valued to Rs. 0.24 Lakhs.
- f. Amount paid in past year's to Palladium Consulting India P. Ltd is booked as expenses in current financial year which amount to Rs. 82.77 Lakhs.
- g. Multiple ledgers were created for vendor name "Ashtavinayak Construction" hence balance appearing in books of accounts needs to duly reviewed.

2.3. Provisions & Other Liabilities

Rs. 13,72,81,78,885.42

(Account Code - 3110000)

2.5	Salay & Wages Payable	22,51,81,603.20
2.6	Honorarium Payable	-10,30,298.40
3	Liability to Citizen	1,54,27,434.00
3.1	Advance Collection of Revenues	0.00
3.2	Liability to Citizen Others	1,54,27,187.00
3.3	Refunds Payable to Public	247.00
4	Provisions & Deductions	2,39,90,69,349.25

4.1	Bills for Utilities/ Services	93,45,952.00	
4.2	Deduction	19,40,196.63	
4.3	Deduction From Salary on A/c of Govt. Taxes	25,83,009.00	
4.4	Deduction From Salary Payable to Municipal Fund	2,24,67,60,160.00	
4.5	Deduction From Salary Payable to Res. Institution	13,83,84,947.62	
4.6	Provision for Expenses	55,075.00	
5	Other Liabilities		6,01,18,18,277.45
5.1	Provision for other assets	52,80,07,306.00	
5.2	Excess revenue collected	69,30,185.00	
5.3	Fees, User charges receivables FSI	5,47,68,80,786.45	
	Grand Total		13,72,81,78,885.42

During sample verification of Provisions & Other Liabilities we have certain observation same is described below:

1. Of table Sr. No.1.3 Tax Deducted at source Rs. 86.88 Lakhs was shown as receivable where no explanation was available in this regard. Additionally, deduction from contractor consist of Rs. 212.40 Lakhs as debit balance.
2. Proper bifurcation and reconciliation of share payable to Government on taxes collected by Corporation is not done. Example, taxes collected in form of FSI (Floor Space Index), Education cess recoveries, Employment guarantee cess, Building construction cess etc.
3. Of above table Sr. No. 2.6 consist of adverse balance of Honorarium payable due to rectification entry recorded amounting to Rs. 29.05 Lakhs for which supporting's were not attached.
4. Of above table Sr. No. 3.2 consists of old unsettled stale cheque balances amounting to Rs. 154.27 Lakhs. It is suggested to take necessary steps to identify and reconcile it.
5. Of above table Sr. No. 4.3 consists of Profession tax payable Rs. 15.62 Lakhs payable since previous financial year which is unsettled until closure of this financial year for which no explanation was provided.
6. Deduction from Salary Payable to Municipal Fund consists of Provident fund where corporation has deducted a particular amount towards contribution to Defined Contribution Pension System (DCPS) from basic salary of the employees on a monthly basis. While verification it is observed that there was no such specific fund created since its inception in the Books of Accounts. In this year corporation has deducted an amount of Rs. 468.75 Lakhs of DCPS which is wrongly clubbed in Employee's Provident Fund Contribution instead of showing it separately. Hence Employee's Provident Fund Contributions is overstated to that tune of Rs. 468.75 Lakhs in current year. Corporation shall do necessary rectification in books so that true and fair balance of DCPS as on balance sheet date reflects in books of accounts.

7. Of above table Sr. No. 4.4 consist of Rs. 59.07 Lakhs collected from employees as License fees for Quarters which is in the nature of revenue which needs reclassification to its respective head.
8. Sr. No. 4.5 Deduction from Salary Payable to Res. Institution consist of Bank loan which is showing adverse balance. This is due to wrong selection of ledgers from previous years while recording deduction from salaries. Even in current financial year we have observed same pattern of account which was rectified later on. Though rectification of wrong entries posted in past years were not rectified.

Some examples are as follows for current financial years which was rectified later on and differences are nullified:

Sr. No.	Month	Amount as per Corporation's working	Amount as recorded in books of account	Difference
1	April	Rs. 25,09,722/-	Rs. 12,16,967/-	Rs. 12,92,755/-
2	July	Rs. 24,81,912/-	Rs. 12,12,434/-	Rs. 12,69,478/-
3	November	Rs. 24,35,165/-	Rs. 11,86,884/-	Rs. 12,48,281/-
4	March	Rs. 23,40,854/-	Rs. 10,79,182/-	Rs. 12,61,672/-

9. Sr. No. 4.5 Deduction from Salary Payable to Res. Institution consists Service charges of Rs. 20.31 Lakhs deducted from employee's salary which is recognized as provision instead of Income.
10. Sr. No. 4.5 Deduction from Salary Payable to Res. Institution consist of NMC Home E Rs. 184.90 Lakhs collected during the year. Which is created since March 2020 for deduction of installment of Housing loan which was granted by Corporation. Whereas in common practice loan so granted and repayment so done were recorded in ledger named as Housing Loan. Due to this new practice since March 2020 Ledger NMC Home E is having credit closing balance of Rs. 748.06 Lakhs.
11. Sr. No. 4.5 Deduction from Salary Payable to Res. Institution consist of Post office balance Rs. 75.96 Lakhs, Society fund balance Rs. 241.78 Lakhs, LIC balance Rs. 74.79 Lakhs & Labour Welfare fund balance Rs. 228.05 Lakhs which is not settled since previous financial year. It is suggested to take necessary steps to nullify this outstanding balance.

Account Note - Contingent Liabilities

Contingent Liabilities

Rs. 5,06,23,264.00

As per the audit report for FY 2014-15 the amount of Contingent Liabilities stood at Rs. 2,749.32 Lakhs, while as per the previous audit report for FY 2021-22, the

amount stood as Rs. Nil. However, the same has been disclosed at Rs. 506.23 Lakhs in the financial statements for current year. According, to the previous audit report for FY 2014-15 the amount related to the court cases pending in front of tribunals and high court as on 31/03/2009, there were 25 cases pending of which amount is available for 23 cases only. However, for the current year no details information was made available for verification.

Moreover, the basis for valuation/estimates for these cases is also not made available for verification in the previous report. During the period under audit, we have sought the information regarding the contingent liability and details about cases pending in tribunal & high court and amount involved but the said information is not provided by the respective department.

3.2. Sundry Debtors

Rs. 5,62,00,55,955.04

(Account Code - 4050000)

Detailed summary is attached as annexure to the schedule which shows bifurcation of receivables ageing into three and five years respectively. In addition, it was observed that General fund receivable account was prepared under this head where all untraced receipts were parked in this head which is booked as income on timely basis after preparation of receipt/challans. However, for outstanding balance of General fund receivable Rs. 3,826.74 Lakhs detailed list of income receipts/challans booked as income in subsequent years were not made available to verify the authenticity balance. Further, the provision of the bad & doubtful receivables against property tax, water taxes, other taxes, etc. as prescribed by National Municipal Accounting Code is not made during the year. Since the year wise bifurcation in the respect of receivables of property taxes, water taxes, other taxes etc., were not provided by the concerned department to us, we cannot quantify the amount of the provision that should have been made in the books of accounts as prescribed in the National Municipal Accounting Code. Accordingly, the Sundry Debtors of the Corporation are overstated to the tune of provision not made in the accounts. Further, detailed list of the various receivables from the tax payers was not made available.

3.2.1. Property Tax Receivables

Rs. 3,94,97,20,890.17

(Account Code - 4050100)

It consists of property tax receivables from citizens. The details about year wise bifurcation certified by concerned department of the arrears of taxes receivables as on 31st of March 2023 were not made available for verification. These receivables are overstated to the tune of provision not made at the rates as prescribed in the National Municipal Accounting Code. Rs. 54,62,98,239.12

(Account Code - 4050300)

It consists of Cess receivables Rs. 4,699.23 Lakhs carried forward as it is from previous year & Rs. 763.74 Lakhs consist of BPMS receivable account. As explained to us this receivable account is created to record receipts from BPMS Bank Account No. 596901110000007 and once receipts are identified after challans are generated from concerned department it

is recognized as revenue or deposits as the case may be. However, said ledger is having receivable balance which means receipts is less than recognized revenues or deposits as the case may be.

3.2.3. Other Taxes Receivables Rs. 1;13,33,00,928.25
(Account Code - 4050200)

Of above balance consists of receivables from Property/Water Tax/MTS Rs. 312.84 Lakhs & Rs. 11,020.16 Lakhs is carried forward from previous year. We were not provided with explanation as to why Property/Water Tax/MTS is considered under other taxes is not given. In addition, age-wise bifurcation for balance confirmation were not made available by the concerned department due to which provision were not computed and charged. Hence to that extent above amount is overstated.

3.2.4. General fund receivable Rs. 38,26,74,888.71

Outstanding balance of General fund receivable Rs. 3,797.91 Lakhs detailed list of income receipts/challans booked as income in subsequent years were not made available to verify the authenticity balance. Moreover, it also consists of "Error Account" Rs. 29.13 Lakhs which is not settled with proper reconciliations. Further, the provision of the bad & doubtful receivables against property tax, water taxes, other taxes, etc. as prescribed by National Municipal Accounting Code is not made during the year. Since the year wise bifurcation in the respect of receivables of property taxes, water taxes, other taxes etc., were not provided by the concerned department to us, we cannot quantify the amount of the provision that should have been made in the books of accounts as prescribed in the National Municipal Accounting Code.

Further, it was observed that, advances were given to Prakash Supadu More for RTO Fitness Charges of the NMC Vehicles. These advances should have been classified in General Advances under Loans and Advances given to employees. However, the same was wrongly classified in Advances Given for Conveyance under Loans and Advances given to employees in books of accounts. Further, it was observed that there were three different ledgers in name of the same employee as mentioned previously. Following are the details of the same:

Sr. No.	Ledger	Group Classification		Amount (Rs.)	
		Current Year	Previous Year	Opening	Closing
1	More Prakash Supadu (Advance)	Conveyance Advance	Conveyance Advance	58,922.00	69,542.00
2	More prakash supadu		Loans and Advances to Employees	64,940.00	64,940.00
3	Prakash Supadu More			69,265.00	69,265.00

1.1.1. 6th Pay Commission Advance Rs. (1,415.00)

This amount pertains to 6th Pay Commission Advance having adverse balance carried forwarded as it is from previous year.

1.1.2. Computer Advance Rs. 3,79,819.00

Corporation had given interest free computer advances of Rs. 20,000.00 to the employees for purchase of personal computers by the employees for the knowledge upgradation of the employees. It was observed that the corporation while advancing the amount had not verified the end use of the advances. Further as per the GR no. 1000/Pra. Kra. 42/2000/Vinayam

dated 01/07/2006, interest at 17.75% is to be charged on the amount of advance if the employee availing the advance has not submitted the required documents to the respective office in stipulated time. In absence of the information from the respective department, the possibility of misuse of the corporation funds cannot be ruled out. Further, the list of the advances receivable from employees was not provided to us for verification.

1.1.3. Festival Advance

Rs. 2,03,88,750.00

As per the information made available, every year corporation has been giving interest free nominal amount as festival advance to help the employees. These advances are then recovered from the monthly salaries of the employees. The list of the advances receivable from employees was not provided to us for verification. During the current year corporation had paid Rs. 434.24 Lakhs fresh advance. Further, festival loan advance ledger consists of some unexplained credit entries for which explanation was not provided. Some instances is as follows:

Sr. No.	Date	Particulars	Type	Amount Rs.
1	15-03-2023	General fund receivables	Credit	10,51,250.00
2	02-02-2023	General fund receivables	Debit	10,42,500.00
3	23-02-2023	General fund receivables	Debit	10,61,000.00
4	01-04-2022	Municipal Fund	Debit	5,81,55,005.00

1.1.4. Housing Loan

Rs. (16,64,91,546.00)

The Corporation is providing housing loans to its employees at the interest rate of 9.00%, as per the agreement made with employees. It was observed that, corporation collects the amount of interest and principal from the deductions made from the salaries of employees. Further, the amount of interest is not recorded separately as income. Instead, it is reduced from the principal receivable balance of the loan from the employee. Accordingly, due to this the income of the corporation is understated while the receivables from the loans & advances w.r.t the housing loan is also understated due to which it is reflected as negative balance. In addition to Ledger housing loan a new ledger was created under head "Deduction from Salary Payable to Res. Institution" under liabilities named as "NMC Home E" where all installments amount so deducted are recorded due to which repayment are not settled against loan disbursed. Further, the advances receivable from employees was not provided to us for verification.

1.1.5. Vehicle Advance Rs. (61,61,102.00)

Similar to the housing loans, the Corporation is also providing the vehicle loans to their employees. It was observed that, corporation collects the amount of interest and principal from the deductions made from the salaries of employees. Loan files for vehicle loans to employees were not made available for verification, therefore we cannot comment on the end use of the loan provided to the employees. Further, the amount of interest is not recorded separately as income. Instead, it is reduced from the principal receivable balance of the loan from the employee. Accordingly, due to this the income of the corporation is understated while the receivables from the loans & advances w.r.t the vehicle loan is also understated due to which it is reflected as negative balance. Further, the detailed list of the advances receivable from employees was not provided to us for verification.

1.1.6. Vehicle Advance (Blind & Handicap) Rs. 3,67,568.00

As per the information made available, corporation has been giving interest free nominal amount as vehicle advance to help the handicap employees. These advances are then recovered from the monthly salaries of the employees. Further, the list of the advances receivable from employees was not provided to us for verification.

1.1.7. General Advance Rs. 2,71,99,801.00

For the above advance no list was provided from whom these advances were receivable. Moreover, during the year Rs. 143.79 Lakhs were reduced and transferred to Municipal funds for which detailed working or authorized voucher were not provided for verification.

1.2. Provident Fund Loans Rs. 1,88,78,55,011.00
(Account Code - 4080200)

It includes the amount of loan provided to employees against the provident funds of the respective employees. Corporation deducts a specified amount towards Employee Provident Fund Contribution from the salary payable to employees. During verification it is observed that amount of Rs. 293.22 Lakhs was deducted towards the Provident Fund contribution for which wrong effect is given against Provident Fund Loan for the month of March 2023 in Books of Accounts. Similarly with respect to salary paid to Deputation employees Rs. 1.30 Lakhs was wrongly credited to Provident fund loans instead of Provident fund contribution. Hence to said extent Provident fund loan and Provident fund is understated. However, detailed list of balance confirmation of receivables was not available for verification.

1.3. Bank Guarantee (Advances)
(Account Code - 4080001)

Rs. 10,00,000.00

No details were made available for the amount paid as Bank Guarantee.
Further, the above amount is carried forwarded as it is from past years.

1.4. Advance to Others

Rs. 22,33,860.00

It consists of amount paid as advance for programme to Anandyatri Productions of Rs. 3.20 lakhs, National Highway Authority of India of Rs. 19.11 Lakhs, Advance for project to Executive engineer Rs. 0.03 Lakhs. Further, the above amount is carried forwarded as it is from past years.

2. Other Assets

Rs. 78,50,55,245.54

2.1. Deposit with collector office

Rs. 3,14,85,710.00

It consists of amount kept with collector office deposit for land acquisition. This amount is carried forwarded as it is from previous year.

2.2. Deposit with Dy. Superintendent Land Acquisition

(Account Code - 1060000)

The above amount includes amount earned from sale of various forms, publication and dog batch amounting to Rs. 5.79 Lakhs, and from sale of scrap and stores amount Rs. 9.35 Lakhs. Further it was observed that amount Rs. 5.99 Lakhs was debited to sale of scrap and stores for which no supporting was made available for verification, due to which we are not in a state to comment on the same.

5. Revenue Grants, Contributions & Subsidies

Rs. 11,93,89,26,631.00

(Account Code - 1030000)

Following table shows the various Revenue Grants, Contributions & Subsidies received by the Corporation during the year;

Sr. No.	Particulars	Amount (Rs)	Share in %
1	Free Funeral Scheme	1,32,265.00	0.00 %
2	GST Grant Received from Govt.	11,89,08,00,000.00	99.60 %
3	Malaria Grant	4,79,33,266.00	0.40 %
4	Other Revenue Grant	61,100.00	0.00 %
Total		11,93,89,26,631.00	100.00 %

On test check basis we have observed that Sr. No. 2 the amount of GST Grant Received from GoM received should have been recorded under Assigned Revenues & Compensation, as the nature of the amount received is compensation for the loss of revenue and the collection made by the Government on behalf of the Corporation is Assigned Revenue. Further, no details were available for the grants received by the Corporation other than GST Grant Received from GoM.

6. Income from Investments

Rs. 48,34,17,069.44

(Account Code - 1070000)

This amount consists of interest earned over the investments being deposits with the banks for the current year. Further, the accrued interest on the Sweep FD was not calculated and considered. Further, it was also observed that Rs. 30.00 Lakhs

were reduced from the income which was in fact pertaining to net amount of the new sweep deposit of NMC Vishesh Rakhiv Nidhi, accordingly amount of sweep deposits and income from investments are understated. Further, it was observed that interest earned on all the investment (General Funds and Earmarked Funds) was credited to the "Income from Investments", while the amount of interest on the earmarked funds was later reversed at the end of the year. However, since the data in regards to the assets created from the earmarked funds was not available, hence, we could not verify the balances of the earmarked funds with the investments in the earmarked funds and the assets created from the earmarked assets.

7. Interest Earned (Account Code - 1080000) Rs. 7,52,72,828.25

- 7.1. Interest on Tax Rs. (720.00)
7.2. Interest on Bank Accounts Rs. 7,52,73,548.25
(Account Code - 1080100)

It pertains to the interest earned on various savings accounts under different schemes of the corporation, during the current financial year. It was observed that the interest on the savings accounts maintained for the earmarked funds were also credited to the Income & Expenditure Statement, which have been credited to the respective earmarked funds at the year end. However, for following earmarked funds where interest was transferred the, entries of the interest first credited to the Income & Expenditure Statement, i.e. to say the income booked before reversal were not traced or found;

Sr. No.	Particulars	Amount (Rs.)
1	Dalit Vasti Sudharna Yojna Fund - Un-Utilized	61,467.00

9. Increase/(Decrease) in Inventory
(Account Code - 4040000)

Rs. (99,27,719.49)

It pertains to the store's consumption during the current year. We have not physically verified the stock in hand. The opening balances of inventories were carried forwarded from previous years since FY 2017-18 until current year. Further, details of the stores were not provided to us by the concerned departments during the audit procedures, therefore we cannot comment on whether the increase / decrease accounted in current year are pertaining to current year or for previous years. Following is the department-wise value of the inventories held;

Sr. No	Particulars	Opening Bal.	Consumption	Closing Bal.
1	Electrical Stores	1,11,95,149.00	(1,08,34,915.00)	3,60,234.00

6	Water Supply	3,05,492.00	7,95,763.78	11,01,255.78
7	Information Technology	4,73,948.00	5,28,942.00	10,02,890.00
8	Adhikshak Abhiyanta (Vidyut)	-	9,98,550.65	9,98,550.65
9	Workshop Management Dept.	-	2,62,423.00	2,62,423.00
Total		2,10,94,374.00	(99,27,719.49)	1,11,66,654.51

Figures in brackets are consumption by the respective department, while the others are the purchase/increase in the inventory.

B. Prior Period Adjustments (Net Income)	Rs. 9,78,65,14,637.66
a. Prior Period Expenses	Rs. (8,55,14,92,505.16)
b. Prior Period Income	Rs. 1,23,50,22,132.50

During the audit of the financial statements, we identified several instances of prior period adjustments related to both expenses and income spanning FY 2015 - 16 through FY 2021 - 22. These adjustments were made to address discrepancies and errors identified in previous financial periods. For further details refer our comments in Annexure X - Rectification Entries.

C. Expenditure

We have verified the expenditure under various heads which was recognized and entered in the books of account produced before us for verification. We have verified the entries in cash book on test check basis which were supported by relevant vouchers/note sheets. However, considering the bulk quantum of entries and the weak internal control procedures, the discrepancies in the entries of cash book cannot be ruled out. Test checked vouchers revealed below mentioned discrepancy;

- In case of payment to contractor, payment voucher is not prepared; payment is made on basis of running bill itself.
- Quotations and necessary documents are generally not annexed with vouchers.
- In absence of availability of guidelines, directives, acts and rules issued by Government of India/ State Government, it was not possible for us to verify the expenditures in accordance with such guidelines etc.
- We have verified the expenditure on test check basis and it was found that such expenditure was duly supported by financial and administrative sanctions accorded by competent authority. However, in absence of information/ written document with respect to administrative and financial limits of the sanctioning authority, it was not possible for us to verify whether the expenditure incurred and sanctioned by authority were within their limits or not.
- We are unable to verify the details of capitalization of expenditure since there is not any proof available nor completion of work from respective department. Accounts department has capitalized the expenditure after final payment of measurement book. There is no cross-check mechanism existing, to ensure the completion of project except payment of final bill. It is suggested that a proper internal control system should be framed to identify the fixed asset and its recognition in fixed asset register and books of account of the corporation.
- The provision of the bad & doubtful receivables against property tax, water taxes, other taxes, etc. as prescribed by National Municipal Accounting Code is not made during the year. Since the year-wise bifurcation in respect of receivables of property taxes, water taxes, other taxes, etc. were not provided

by management to us. Accordingly, the profits of the Corporation are overstated to the tune of provisions not made in the accounts.

1. Administrative Expenses

Rs. 2,18,25,09,482.60

(Account Code - 2020000)

Following table shows the various establishment expenses incurred by the Corporation during the year for salaries, wages, allowances, other and terminal benefits of the employees;

Sr. No.	Particulars	Amount (Rs)	Share in %
1	Advertisement & Publicity	1,20,67,532.00	0.55 %
2	Books and Periodicals	3,01,532.00	0.01 %
3	Communication Expenses	1,59,085.00	0.01 %
4	Electricity Charges	1,37,22,08,292.00	62.87 %
5	Fees Paid	45,14,82,460.00	20.69 %
6	Insurance	28,84,658.00	0.13 %
7	Office Expenses	57,42,408.00	0.26 %
8	Printing & Stationery	42,56,082.00	0.20 %
9	Professional & Other Fees	2,80,76,240.00	1.29 %
10	Rents Rates & Taxes	5,57,68,473.00	2.56 %
11	Telephone Charges	57,52,827.00	0.26 %
12	Travelling & Conveyance	2,07,84,704.00	0.95 %
13	Water Bill	21,98,25,189.60	10.07 %
14	Double Enry Accounting system expenses	32,00,000.00	0.15 %
Total		2,18,25,09,482.60	100.00 %

While verification on sample basis it was observed that, in Electricity Charges at Sr. No. 4 amount Rs. 706.61 Lakhs should have been recorded as Prior Period Item. Moreover, it was observed that the provision for the current year electricity charges were not made sufficiently in the books.

Further, in Insurance at Sr. No. 6 it was observed the prepaid expenses that included insurance expenses were not written off, moreover, the pre-paid insurance paid in current year was charged to the expenditure account.

Further, in Office Expenses at Sr. No. 7 includes various amounts paid for repairs, new fixed assets etc. Following are *few instances* of the same;

Sr. No.	Paid to	Paid for	Amount
1	Shinkar K. G.	Paid for various repairing works	7,73,618.00

These expenses should have been appropriately classified.

Further, in Registration Fees under Professional & Other Fees at Sr. No. 9, amount Rs. 41.24 Lakhs being insurance of NMC vehicles were recorded instead of recording it under Insurance at Sr. No. 6, moreover, the pre-paid insurance paid in current year was charged to the expenditure account.

Further, in Rebate/Discount/Grant Refund under Rents Rates & Taxes amounting Rs. 191.99 Lakhs being amount of grant received wrongly in previous financial year 2021-22 was refunded back in current year. It was observed that in previous

financial year, the amount wrongly received was recorded in Grant Received under Earmarked Funds in Liabilities Side and not as a Revenue Item in Income & Expenditure Statement, however, in current year, the amount refunded against the amount wrongly received was recorded as a Revenue Item being expenditure in Income & Expenditure Statement, due to which the expenditure and Grant Received under Earmarked Funds both are overstated by the same amount. Further, in Telephone Charges at Sr. No. 11 amount Rs. 4.87 Lakhs should have been recorded as Prior Period Item.

Further, in Water Bill at Sr. No. 13, amount Rs. 32.09 Lakhs were pertaining to the factory license renewal which should have been recorded under Rents, Rates and Taxes. Moreover, it was observed the prepaid expense's part was not bifurcated and accounted for. Moreover, it also included amount that should have been recorded as Prior Period Item. Further, it also included the expenses incurred from the water testing charges paid to Kanishtha Vaidyananik Adhikari for financial year 2021-22, which should have been recorded under "Professional & Other Fees" at Sr. No. 9

2. Establishment Expenses

Rs. 5,93,56,19,532.00

(Account Code - 2010000)

Following table shows the various administrative expenses incurred by the Corporation during the year;

Sr. No.	Particulars	Amount (Rs)	Share in %
1	Allowances	1,02,666.00	0.00 %
2	Benefits	1,29,97,854.00	0.22 %
3	Honorarium	18,04,34,291.00	3.04 %
4	Pension & Terminal Benefits	1,81,67,82,882.00	30.61 %
5	Salary	3,91,79,19,806.00	66.01 %
6	EPF 13.36% NMC Contribution Expenses	72,87,483.00	0.12 %
7	Establishment Expenses All	94,550.00	0.00 %
Total		5,93,56,19,532.00	100.00 %

It was observed that other heads as stated above included amounts pertaining to prior period, however, due to insufficient availability of the information we are not in a state to quantify the same. Further, it was observed Corporation practices to record the salary expenses of *Fix-Pay Employees* in month subsequent to its accrual. It is observed that corporation has not recorded the salary expenses of fix pay employees for the month of March 2023. Hence to said extent expenses are understated.

Further, it was observed that salary expenses regarding fix pay employees for the month of March 2022 of Rs. 32.53 Lakhs was recorded in the month of April 2022. It is observed that the accrual concept for recording the salary expenses was not followed.

3. Repairs & Maintenance of Fixed Assets

Rs. 1,38,10,81,498.29

(Account Code - 2040000)

It includes various expenses incurred for the maintenance of fixed assets. However, while verification on sample basis it was observed that, amount of Rs. 31.01 Lakhs paid for "Proposed Disposal of rain water arrangement in P.No.1,2,3,4,5,6 in Panchavati div." in Nallas & Gutters (Repairs) instead of capitalizing the same. Similarly, amount Rs. 18.10 Lakhs paid for "Providing and laying RCC pipe for Bhoi Nala & const concrete road at Vir Savarkar Chowk Bhoi Gally Amardham road Nashik east P.no14" was also should have been capitalized.

Further, it was observed that, Repairs & Maintenance All included amount that should have treated differently. Following is *few instances* of the same;

Sr. No.	Particulars	Amount	Treatment in Books	Correct Treatment
1	Extension of maternity home and dispensary at Gorewadi	26,84,699.00	Repairs & Maintenance All	Asset Creation, hence to be capitalized
		1,54,851.00		

4. Interest & Finance Expenses

Rs. 1,42,82,461.51

(Account Code - 2030000)

It includes the amount of bank charges for account operating amounting to Rs. 1.22 Lakhs and bank guarantee charges amounting Rs. 141.60 Lakhs paid for three years from FY 2020-21 to FY 2022-23. The charges paid for FY 2020-21 & 2021-22 should have been recorded as Prior Period Expenses.

5. Revenue Grants, Contributions & subsidies

Rs. 78,70,46,069.88

(Account Code - 2070000)

It includes the contributions given to primary school board, grants to public institutions and funds distributed from the General Funds. Similarly, amount Rs. 510.85 Lakhs of prior period was recorded in Nashik Municipal School Board. Further, it was observed that rectification entry passed for correction of the entries pertaining to FY 2018-19 was wrongly passed credited under "Revenue Grants, Contributions & subsidies" instead of crediting it under "Prior Period Expenses".

6. Reserves Fund & Miscellaneous Expenses

Rs. 25,32,358.00

(Account Code - 2090000)

It includes various miscellaneous expenses incurred during year. It was observed that these expenses could have been classified under Administrative Expenses (Account Code - 2020000), depending upon the nature of the expenses incurred. For instance, amount for sterilization and vaccination of stray dog within Corporation Limit should have been classified under Purchase of Operations & Program Implementation Expenses.

7. Purchase of Operations & Program Implementation **Rs. 1,26,26,51,916.89**
(Account Code – 2050000)

Following table shows the various purchases/expenses incurred for operations & program implementation during year;

2. Common Accounting Principles Concerning Income Accounting -

- 2.1. Refunds, remissions of taxes for previous years are recorded in the current year, are adjusted against the income.
- 2.2. Write-off of taxes and/or Other Income is adjusted against the provisions made and to that extent recoverable gets reduced.
- 2.3. Demands raised with retrospective effect are treated as to the extent it pertains to earlier years.

- 2.4. Any additional provision for demand outstanding required to be made during the year is recognized as expenditure and any excess provision written back during the year is recognized as income.
- 2.5. Refunds, remissions of all kind of incomes for the current year is adjusted against the income even if pertain to previous year.
- 2.6. In case collection of any income is under litigation, the same is not accrued but a disclosure is made in the Notes of Accounts.
- 2.7. The EMD (Earnest Money Deposit) and SD (Security Deposit) is recognized as income when the right for claiming refund of deposit has expired and it is forfeited.

3. Provisions for Arrears of income -

As per the para 3.6 in chapter 3 of the National Municipal Accounting Manual, in respect of the demand outstanding beyond 2 years, provision shall be made to the extent of income of the ULB in the demand, based on the following provisioning norms:

- Outstanding for more than 2 years but not exceeding 3 years: 25%
- Outstanding for more than 3 years but not exceeding 4 years: 50% (additional 25%)
- Outstanding for more than 4 years but not exceeding 5 years: 75% (additional 25%)
- Outstanding for more than 5 years: 100% (additional 25%)

The provisions for arrears should have been made on the basis of certified dues details, kept by the Revenue Department. Since, no age wise break up of dues was provided by the Revenue Department, no age wise provision has been made as prescribed in the NMAM.

4. Assigned Revenues -

All 'Assigned Revenues' like compensation in lieu of octroi, state finance commission, stamp duty, surcharge on transfer of immovable properties, is accounted during the year on actual receipt basis. However, at year-end, if the sanction orders for release of funds were issued and funds actually remitted, such amount has been accrued as income for the year by debit to the Assigned Revenue Receivable

5. Grants -

5.1. Revenue Grant

- 5.1.1. General purpose Grants of a revenue nature are recognized on cash basis
- 5.1.2. Grants received in respect of specific revenue expenditure are recognized as income in the accounting year in which the corresponding revenue expenditure is charged to the Income and Expenditure Account.

5.2. Capital Grant

5.2.1. Grants received towards capital expenditure are accounted on actual receipt basis. The amount is initially credited to a Capital Grant head under 'Liabilities' and on acquisition / construction of the asset the value of the amount so spent is debited to the liability head by corresponding credit to Grant against Fixed Asset'.

5.2.2. Capital Grants received as a nodal agency or as implementing agency for an intended purpose, which does not, result in creation of assets with ownership rights for the Corporation are treated as a liability till such time it is used for the intended purpose, up on utilization for the intended purpose, the extent of liability is reduced with the value of such utilization. *Grants in the form of non – monetary assets (such as fixed assets given at a concession rate is accounted for on the basis of the acquisition cost. In case a non-monetary asset is recovered free of cost, it is recorded at a nominal value (Rupee one).*

5.2.3. Income on investments made from 'Specific Grants received in advance' is recognized and credited to the Specific Grant, whenever accrued. Profit/loss, if any, arising on disposal of investment made from the 'Specific Grant received in advance' recognized and credited / debited to the Specific Grant

On completion of the construction of a fixed asset and / or on acquisition of a fixed asset out of a Special Fund, the amount equivalent to the cost of such fixed asset is transferred from the respective Special Fund to the Capital Contribution Account. Amount proportionate to depreciation of the asset is credited to the above account every year.

Annexure V- Analysis of Fixed Assets and Depreciation on Assets

1. We have not carried out physical verification has of fixed assets. During the current year total Rs. 1,429.33 Lakhs of fixed assets were added and Rs. 7326.63 Lakhs were reduced of which none of fixed assets were being added from Capital Work-in-Progress. Further the Corporation could not produce the measurement books and completion certificate of the fixed assets and capital work in progress additions during the year. Hence, we are unable to comment on the status of completion of these fixed assets. Further, list of work wise classification of capital work-in-progress of amount Rs. 38,177.95 Lakhs are not produced for verification and hence we are unable to comment on the same.
2. Further, it was observed that the assets created from the specific grants received from governments for such asset creation are not separately disclosed out.
3. All the qualification by the previous auditor is continued as it is, few of them are as follows;
 - a. "The major deviation that is made while preparing this balance sheet, is recording the fixed assets at current market value based on the valuation report made by the professional valuers. As per the NMAM guidelines the values are to be recorded at cost of acquisition or if not available at the estimation of cost acquisition value. If the values are not available and the assets are identifiable, a nominal value of Rs.1 should be placed before the value of the assets. Every effort should be made to estimate the cost of acquisition if not available. If the value is recorded by revaluation, based on valuation report, a specific revaluation reserve is to be created in the book of accounts and a specific note to this effect has to be inserted in the account."
 - b. "Another major deviation, we find to have been made, is application of depreciation rates on the current market value. No plausible accounting explanation or principle can be available to defend such exercise. When a current market value is certified by professional valuer, it is deemed to be the value of that asset only after considering all the factors including wear and tear value incurred by way of depreciation up to the date of valuation."
4. During our examination of fixed assets, it has been noticed that Intangible Asset and other asset is considered under asset under disposal but despite of its categorization under assets under disposal depreciation has been calculated on that Asset.
5. During our audit review, it has come to our attention that there is an issue with the depreciation calculation methodology employed by the company. Specifically, it was observed that incorrect depreciation has been applied. Here are the details of our findings:
 Upon verification of depreciation calculations, it was noted that new assets acquired during the year were erroneously combined with the opening balance of assets whose accumulated depreciation equalled their book value. As a result of

this practice, the newly added assets in the current period were prematurely fully depreciated.

Since it was not due to non-classification of new assets into new line item in its respective block it was not possible to quantify whether the depreciation charged to the profit and loss account is overstated/understated due to the incorrect treatment of these new assets.

Some instances is as follows:

Sr. No.	Added Assets	Depreciation charged as per Compiler Rs.	Depreciation to be charged Rs.
1	Water Tank	96,518.00	14,477.00
2	Sign Board	3,18,994.56	1,96,597.95

In order to rectify this issue and ensure accurate computation of depreciation going forward, we recommend the following corrective actions:

- Creation of a New Asset Line Item:** For any assets added during the year, establish a distinct asset line item. This will segregate new additions from existing assets, facilitating accurate depreciation calculations.
- Review and Adjustment:** Conduct a thorough review of the depreciation calculations for the affected periods. Adjust the depreciation expense in accordance with the corrected asset categorization.

Implementing these measures will help mitigate the risk of misstated financials and ensure compliance with accounting standards.

- On verification of depreciation working, it was observed that rectification entry was recorded for reversal of temporary structure of Sadhugram development work which was wrongly capitalized. However, in depreciation working provided reversal so done is not considered.

- Further, it has also been observed that on following assets depreciation has either excess charged or rectified entries are recorded due to which assets are having negative balances:

Examples is as follows:

Sr. No	Assets	Group of Assets	Difference Rs.
1	Other Building	Building	15,27,61,179.66
2	Road & Footpaths	Roads & Footpaths	3,12,756.00
3	Water Harvesting Pond	Compost Project	1,43,009.00

- Further, it has also been observed that on some asset depreciation has wrongly calculated during the year following are some instances mention below:

Sr. No	Group of Assets	Particulars	Depreciation as per Compiler working	Depreciation as per NMAM	Difference

1	Cupboard	Furniture, Stationery	0.00	40,586.00	40,586.00
2	Sign Board	Furniture, Stationery	3,18,994.65	1,96,597.95	1,22,396.70

9. Opening Balance of Submersible pump amounting Rs. 3,338.17 Lakhs & Vacuum Rs. 8.44 lakhs cleaner under plant & machinery group has been transferred to Sewerage treatment plant / sewerage STP under plant & machinery asset group in past years but accumulated depreciation to same extent has not been transferred to Sewerage treatment plant/ sewerage STP accumulated depreciation account in previous years due to which following asset's written down value is showing negative balance in current year.

10. Garden, Parks, Planation's & Horticulture work consists of following transactions which was supposed to be charged to income & expenditure account. Examples of such transactions are as follows:

Sr. No.	Date	Voucher No.	Vendor name	Particulars	Amount Rs.
1	17-03-2023	3404/5105645492	Nutan Ravindra Ugale	Supply of Tractor on hire basis to spray weedicide	5,59,065.00

11. Building & Premises classified under capital WIP has been debited with various assets which should have been classified separately to its concerned group according to its nature. Some instances are as follows:

Sr. No.	Date	Voucher No.	Vendor Name	Particulars	Amount Rs.
1	22-10-2022	2116/5105643691	Kale Rahul Mandaleshwar	Proposed construction of toilet block	21,16,255.00
4	15-09-2022	5105642397	Sant Gadge Maharaj Shikshan	Operation & Maintenance of Urban Homeless	15,58,886.00

12. Depreciation entries for rectified accumulated depreciation is not recorded to each block of assets, instead merged entry of accumulated depreciation is recorded under head accumulated depreciation all.

13. Capitalization of assets from CWIP to Fixed assets were not done in current financial year. In addition, data with respect to put of use of assets lying in CWIP for capitalization were not provided to us.

14. On sample verification of voucher, we were not provided with voucher no. 5105645349 dated 31-03-2023 having amount Rs. 424.80 Lakhs of Confidence Petroleum India Ltd. Moreover, additional entries were recorded wherein Hospital equipments were reduced by Rs. 212.40 Lakhs and same balance seems to be appearing in the head of "Other deduction from contractors".

15. Further, Fixed assets consist of rectification entries recorded where assets are added & reversed during the year where impact on accumulated depreciation was not given for which vouchers of accounting trail & minutes signed by authorized officer was not made available for verification.

11. In Schedule P - Sundry Debtors Receivable it is observed that classification of head according to its ageing is not properly done.

Annexure VIII - Comments to Earmarked Funds & Special Funds.

Reserves

In Sr. 1.2 Reserves, the classification should encompass utilized grant account balances, i.e., amounts received as grants for specific purposes that have been partially or fully utilized. However, it was observed that interest earned on special funds has been incorrectly classified under this category instead of being recorded as unutilized funds. Additionally, reserves include prior period's partial rectification entries, which represent interest earned on specific funds. It was also noted that certain interest received on earmarked and special funds were not properly allocated to the respective funds. Some examples of these discrepancies are as follows:

- In Provident fund account Interest were received Rs. 558.79 Lakhs which were recorded in head Interest on bank deposits which were not classified to its concerned fund balance.
- In Vetan Rakhiv Nidhi account Interest were received Rs. 891.15 Lakhs which were recorded in head Interest on bank deposits which short classified to the extent of Rs. 5.00 Lakhs to its concerned fund balance.

Earmarked Fund & Special Funds

Of Sr. No. 2, it was also observed that the Corporation has not made earmarked reserves provision of Gratuity and Leave Encashment payable to the employees retiring from the services etc. In, addition utilization certificates were not available for examining the utilization of aforesaid mentioned earmarked funds and special purpose funds. Further, Grants received also consists of rectification entry for which vouchers of accounting trail & minutes signed by authorized officer was not made available for verification. Similar to observation as mentioned in para no. 12 of Audit report issued by the Audit department Outward vide No. 4/865/2024 dated 05th of January 2024 day books of special funds were not made available for verification. On verification of earmarked funds, we have encountered with certain discrepancies. Some instances are as follows:

Sr. No.	Name of Fund	Amount Rs.	Observations
1	Pension Fund	18.70 Lakhs	Accrued interest on FDR's were recorded under head utilized fund (Reserves) instead of classifying it under head of unutilized fund.
2	Mayor Fund	0.85 Lakhs	Accrued interest on FDR's were recorded under head utilized fund (Reserves) instead of classifying it under head of unutilized fund.
3	Provident Fund Reserve	295.46 Lakhs	Accrued interest on FDR's were recorded under head utilized fund (Reserves) instead of classifying it under head of unutilized fund.
4	Sinking Fund	226.10 Lakhs	Accrued interest on FDR's were recorded under head utilized fund.

		(Reserves) instead of classifying it under head of unutilized fund.
--	--	---

It is also suggested to account for and prepare necessary reconciliation between special & earmark fund balances and balances held in form of cash at bank or deposits. In Rashtirya Nagari Upjivika Abhiyan Funds Rs. 38.69 Lakhs were credited during the year by expensing out Honorarium expenses for which vouchers were not provided for verification. Further, In Fire Prevention Certificate Fund Rs. 11.40 Lakhs were credited by reducing net income for which explanation and vouchers were not provided for verification.

In addition, it was also observed that various Grants were recorded under Sr. No. 3.11 & Sr. No. 12 Grants received. Grants received Rs. 17,091.86 Lakhs & Rs. 32,511.25 Lakhs respectively over the period for various purpose is credited to a common pool ledger of Grant Received whereas it should have been classified to its concerned grant balance.

Further, Grant refunded along with interest is debited to Grants received Rs. 219.41 Lakhs instead grants so refunded should, have been debited to concerned grant account. Where interest is paid on grant-refund it is debited to Interest on deposit (under Income Head).

Sr. No.	Date	Bank Account through which Grants is refunded	Amount Rs.
1	18-05-2022	C D W P UBI A/c No.596902010015506	2,19,41,200.00

It was observed that rectification entries were recorded in current financial year which pertains to past years. Where in FY 2017-18 interest accrued on earmarked funds were booked as income which is and shown under investments which is later on is fully reversed in FY 2018-19 and parked under head of Municipal Fund due to which concerned earmarked fund is understated. For which rectification entry was recorded by debiting special fund and crediting Municipal Funds. Some instances are as follows:

Sr. No.	Particulars	Amount Rs.
1	Aamdhar Nidhi	9,43,546.47
2	Building Depreciation Fund	62740599.73
3	Dalit Vasti Sudharna Yojana Fund Unutilised	28,25,490.00
4	Labour Welfare Fund	14,19,718.98
5	Pension Fund	1,05,28,987.15
6	Provident Fund Reserve	3,59,36,817.78
7	Sinking Fund	2,16,59,455.93

Similar, issues were also observed in rectification entries related to FY 2016-17 & 2015-16. It is suggested to compiler review all rectification entries posted in current financial year once again and perform necessary correction with proper audit trail.

Annexure IX - Comments to Investments

During verification of Investment, we have observed certain discrepancies same is as follows:

- During our verification of books of accounts with FD register maintained by corporation it has been observed that wrong FD number were given to FDs in books same is as follows;

Sr. No	Particulars	Actual FD No	FD No. taken in Tally	Amount
1	Provident Fund	Shriram Bank Fd.43945	Shriram Bk Fd.43944	24,01,328.00
2	Provident Fund	Shriram Bank Fd.43947	Shriram Bk Fd.43946	15,55,219.00
3	Provident fund	Shriram Bank Fd.33574	Shriram Bk Fd.33571	11,30,000.00
4	Provident fund	Shriram Bank Fd.33575	Shriram Bk Fd.33572	11,30,000.00

- Further Sweep FDs are being reflected as term deposit, following are listed below;

Sr. No	Particulars	Closing balance as on 31-03-2023
1	NMC SJSRY S.C. Sweep FDR	2,60,000.00
Total		2,60,000.00

- Further, we have noticed a variation in investment value recorded in books of Accounts and in FD Physical register with respect to FD No. 17660300042305 of Machinery depreciation fund, where amount of investment as per books was Rs.2,76,78,000/- and same amount was deducted from bank account whereas as per physical FD register investment amount for the same FD was mentioned as Rs. 2,78,00,000/- due to which there is difference of Rs. 1,22,000/- between books and FD register. However, as explained to us this difference is raised due TDS deduction in previous FD which they later on adjusted their books to Rs. 2,78,00,000/- where no impact was given in bank statements.

- It has also been observed that there has been variation in rate of interest between tally and between FDR register following are mention below;

Sr. No	Particulars	Bank & FD No.	Rate as per tally	Rate as per register
1	General Deposit	Canara bank - 145000001295/1	3.65%	3.70%

- During verification of Fixed deposit matured during the year, we have observed that, where new FD were created in FY 2021-22 which is not matured

8. Rectification entries were recorded in Fixed Deposits for which authorized vouchers and supporting evidences were not provided for verification.

Example,

- Sweep GF FDR A/c. No. 32166277091
- Yes Bank LBT Sweep FDR
- NMC Fire Prevention Sweep FDR
- NMC Rajiv Awas Yojana Sweep FDR

9. Sweep Deposits consists of various rectification entries recorded against Municipal funds for which supporting documents such as correction voucher signed by concerned officials were not made available for verification.

Some examples are as follows,

- Yes Bank (LBT) Sweep deposit of Rs. 5,300.50 Lakhs is written off against Municipal fund.
- NMC Fire prevention Sweep Deposit of Rs.434.10 Lakhs is written off against Municipal fund.
- NMC Fire prevention Sweep Deposit of Rs. 79.37 Lakhs is added to Sweep deposit is added by crediting Municipal fund.
- NMC Fire prevention Sweep Deposit of Rs. 1,143.96 Lakhs is added to Sweep deposit is added by crediting Municipal fund.
- FD against MPCB Bank Guarantee Rs. 85.00 Lakhs is created by debiting Sweep Deposit and by crediting Municipal fund.

Comments to Annexure X – Rectification entries

The verification process for the prior period adjustments (rectification entries) as reflecting in the Analysis of the Income & Expenditure Statement, remains incomplete mainly due to pending information or data from Municipal Corporation which is essential for finalizing the verification process. The pending information is expected to provide necessary details to substantiate the prior period adjustments accurately. Such data or information included various forms such as suggested to be maintained under NMAM like Form 1 to Form 29, various registers, etc.

The supporting documents provided for rectification were not prepared on a one-to-one basis for each query outlined in the audit report. It is recommended to create an index with appropriate page numbering that includes a summary of each comment along with rectification done from the audit report, organized by year. Since it becomes difficult to identify the magnitude of compliance done.

During the course of our audit procedures, it was noted that there was insufficient documentation provided to substantiate the rectification entries recorded for past years. The absence of a comprehensive accounting trail hampers our ability to adequately verify the accuracy and appropriateness of these entries. Following are the rectification entries recorded in current year, which are verified by us;

NET INCOME RATIOS

18. Cash Surplus/Deficit to Total Income-

The cash flow to net income ratio, sometimes referred to as cash flow yield, is calculated by dividing the operating cash flow of the business by its net income. This ratio measures the ability of a business to generate cash from its operations and ideally should be greater than 1.00. Since cash is an objective measure, the ratio is also used to indicate the quality of the earning. Presently Corporation has good Cash to total income ratio of 39.61%.

EFFICIENCY RATIO

19. Gross Tax & Rent Receivable-

Accounts Receivables Turnover ratio is also known as debtor's turnover ratio. This indicates the number of times average debtors have been converted into cash during a year. This is also referred to as the efficiency ratio that measures the Corporation's ability to collect revenue. Corporation currently has ratio of 376.06 as compared to 238.48 in previous year. Corporation should keep this ratio as lower as possible.

20. Operations & Maintenance to Gross Fixed Assets

This ratio indicates expenses incurred towards repairs and maintenance as a percentage of gross block of fixed assets. Although this is an essential expense to keep the assets in good working conditions, higher ratio indicates either bad maintenance or inefficient usage of the assets or frequent repairs to the same asset both of which needs to be investigated.

The Corporation should try and keep these ratios as low as possible so that a higher surplus can be earned. However, this should not be at the sacrifice of the service to citizen. Corporation currently has ratio of 1.48%

21. Interest Expenses to Loan- NA

LEVERAGE RATIO

22. Debt Equity Ratio-

Debt-to-equity (D/E) ratio is used to evaluate a corporation's financial leverage and is calculated by dividing a company's total liabilities by its shareholder equity. D/E ratio is an important metric in corporate finance. It is a measure of the degree to which a corporation is financing its operations with debt rather than its own resources. The optimal debt-to-equity ratio will tend to vary widely by industry, but the general consensus is that it should not be above a level of 2.0.

Corporation has repaid all its obligation in FY 2011-12; hence this ratio will not be applicable in current scenario.

23. Interest Coverage Ratio-

The interest coverage ratio is used to measure how well a firm can pay the interest due on outstanding debt. The interest coverage ratio is calculated by dividing a company's earnings before interest and taxes (EBIT) by its interest expense during a given period. In general, a higher interest coverage ratio means that a corporation is earning sufficient money in order to pay off the interests due on long term loans, which indicates that there is a very less chance of a financial default. Interest Coverage Ratio has increased by 19.38% as compared to previous year.

24. Debt Service Coverage Ratio-

The debt service coverage ratio, known as "debt coverage ratio", is the ratio of operating income available to debt servicing for interest, principal and lease payments. It is a popular benchmark used in the measurement of an entity's ability to produce enough cash to cover its debt payments.

INVESTMENT RATIOS

25. Interest on Investments-

This ratio plays a vital role in making investment decisions. It is yield deriving from an investment. Corporation should take sufficient measures to keep these ratios higher as possible, however risk attached with same should not be ignored. Currently corporation is earning 2.19% on its investments.

LIQUIDITY RATIOS

26. Current Assets to Current Liabilities-

Current ratio is a comparison of current assets to current liabilities, calculated by dividing your current assets by your current liabilities. The current ratio is a liquidity ratio that measures a corporation's ability to pay short-term obligations or those due within one year. Higher the current ratio, the more capable a corporation is of paying its obligations because it has a larger proportion of short-term asset value relative to the value of its short-term liabilities. However, though a high ratio—say, more than 3.00—could indicate that the Corporation can cover its current liabilities three times, it also may indicate that it is not using its current assets efficiently, securing financing very well, or properly managing its working capital.

Currently corporation is having stable current ratio of 0.71% as compared to 0.62% in previous year.

ASSETS RATIOS

27. Fixed Assets to Total Assets-

Fixed-assets-to-net-worth ratio is a financial analysis technique that shows in percentage terms the portion of corporation's total assets that is tied up with fixed assets. It shows the extent to which the corporation's funds are frozen in the form of fixed assets, such as property, plant and equipment. It represents the portion of total assets that cannot be used as working capital. A low ratio is indicative of greater solvency because the lower the ratio becomes; the more funds are available

to meet current obligations. The higher the ratio becomes, the lower your solvency, since more funds are tied up with fixed assets.

Presently corporation has Fixed to Total Assets ratio of 72.82%.
