Swachh Vayu Sarvekshan 2025

“Swachh Vayu Sarvekshan” is an initiative by MoEF&CC to rank cities on the basis of implementation of activities approved under city action plan and air quality in 130 NCAP cities.

Objectives

- To create awareness among all sections of the society
- Inform citizens about the health impacts related due to exposure
- Comparing air quality conditions at different locations/cities
- To achieve the goal of NCAP “Clean air for all”.

*Population 2011 census

The Ministry of Environment, Forest and Climate Change rewards the top three performing cities in each category with a cash prize, a trophy, and a certificate titled “National Clean Air City.” This recognition is part of the National Mission for Clean Air and is awarded on September 7th each year, in celebration of the International Day of Clean Air for Blue Skies.

Assessment is done based on submission of self-assessment report along with supporting documents submitted by ULBs. The reports and documents are further vetted by respective Air Quality Monitoring Committee (AQMC), chaired by Principal Secretary Environment and further examined and evaluated by CPCB for ranking, on the basis of assessment framework given in MoEF&CC guideline.

Guiding Principles

All 130 cities covered under NCAP are assessed based on information submitted under ranking framework by cities/ULBs on PRANA portal (dashboard to capture progress under NCAP programme).

Methodology Adopted

Assessment is done every year and cities are ranked based on the assessment of performance for the period (financial year i.e, 1st April to 31st March) of the preceding financial year. Specific weightage has been assigned for taking control measures in 08 identified sectors shown in the Table 1 below.

Table 1-Sector wise specific weightage (shown in %)

Sector	Category 1 >10L Population cities (in %)	Category 2 3-10L Population cities (in %)	Category 3 < 3 L population cities (in %)
Biomass & Municipal Solid Waste Burning	20	20	20
Road dust	20	20	25
Dust from Construction & Demolition Waste	5	5	5
Vehicular Emissions	20	20	15
Emissions from Industries	20	15	15
Other Emissions	10	15	15
IEC activities/Public Awareness	2.5	2.5	2.5
Improvement in PM ₁₀ concentrations	2.5	2.5	2.5

Declaration of Results:

Based on above guiding principles, this year the following cities are presented with “National Clean Air City” Awards as part of **Swachh Vayu Survekshan 2025** at MoEFCC, Delhi on 9th September 2025:
