TO,

Subject: Request for Awareness and Capacity Building Programs on Environment.

Dear Sir/Madam,

As you are aware, Nashik City is identified as a Non-Attainment City, indicating that it has not met the National Ambient Air Quality Standards. Air pollution levels in the city are rising, posing significant health and environmental concerns.

To address this critical issue, Nashik City is actively participating in the National Clean Air Programme (NCAP) initiated by the Ministry of Environment, Forest and Climate Change, Government of India, since 2019-20. Furthermore, Nashik City is also actively engaged in the "Majhi Vasundhara" (My Earth) program, a comprehensive initiative launched by the Environment and Climate Change Department, Government of Maharashtra.

"Majhi Vasundhara" focuses on all five elements of nature ("Panchamaha-bhuta"): Bhumi (Earth), Jala (Water), Vayu (Air), Agni (Energy), and Akash (Enhancement). The core objective of this initiative is to raise public awareness about the impacts of climate change and environmental issues, encouraging citizens to actively participate in environmental protection efforts.

Recognizing the vital role of Institutions in promoting environmental awareness and sustainable practices, the Environment Department, Nashik Municipal Corporation, is keen to collaborate with your prestigious Institute to conduct awareness and capacity-building programs. These programs will aim to:

- **Enhance awareness:** Educate students, faculty, and staff about air pollution sources, impacts, and mitigation strategies.
- **Develop skills:** Equip participants with the knowledge and skills necessary to implement sustainable practices within the institution and their personal lives followed by competition at your institute level.
- **Promote action:** Encourage active participation in environmental initiatives and community engagement followed by tree plantation

We believe that a partnership between the Environment Department and your esteemed Institutes can significantly contribute to improving air quality in Nashik by fostering a strong sense of environmental responsibility within the City community.

We would be grateful for the opportunity to discuss this request further and explore potential avenues for collaboration. For more information please contact: *Paresh Ratish Maru (8830766255)*

Sincerely,

(Mr. Ajit Nikat)

Deputy Commissioner,
Environment Department
Nashik Municipal Corporation
Nashik
