19th December, 2014.

P.C. :

Today we have pronounced detailed further interim directions. However, we find that NEERI has submitted a supplementary report for modification of Action Plan suggested by NEERI earlier for the proposed Kumbhamela at Nashik during July 2015 to September 2016. The revised recommendations will have to be considered by all the concerned authorities. We direct the registry to supply copies of the NEERI report to the learned counsel representing the parties. The Nashik Municipal Corporation shall supply a copy of the NEERI report to the Divisional Commissioner, Nashik to enable the committee appointed by this Court to consider the suggestions therein. We have directed under a separate order pronounced today that copies of the reports of NEERI be

supplied to the three committees constituted by the State Government for the purposes of Kumbhamela. We direct the State Government to supply copies of the recent NEERI report to the committees constituted by the State Government. The Petition is already fixed on 15th January, 2015 for consideration of an issue on which the Seventh Respondent will have to be heard. On the same date, this Court will also consider the question of issuing appropriate directions on the basis of the latest NEERI report on that date.
